PROXY STATEMENT FOR 2018 ANNUAL MEETING

GENERAL INFORMATION ABOUT THE MEETING AND VOTING

Who can attend the annual meeting?

All shareholders as of the record date, January 17, 2018.

Who can vote?

You can vote your shares of common stock if our records show that you owned the shares on January 17, 2018. A total of 10,225,995 shares of common stock can vote at the annual meeting. You get one vote for each share of common stock. We do not recognize cumulative voting for the election of our directors. The enclosed proxy card shows the number of shares you can vote.

How do I vote by proxy?

Follow the instructions on the enclosed proxy card to vote on each proposal to be considered at the annual meeting. Sign and date the proxy card and mail it back to us in the enclosed envelope. The proxyholders named on the proxy card will vote your shares as you instruct. If you sign and return the proxy card but do not vote on a proposal, the proxyholders will vote for you on that proposal. Unless you instruct otherwise, the proxyholders will vote for each of the six directors, and for the ratification of the appointment of HoganTaylor LLP as our independent registered public accounting firm.

What if other matters come up at the annual meeting?

The matters described in this proxy statement are the only matters we know will be voted on at the annual meeting. If other matters are properly presented at the meeting, any proxies returned to us will be voted as the proxyholders see fit.

Can I change my vote after I return my proxy card?

Yes. At any time before the vote on a proposal, you can change your vote either by giving our Secretary a written notice revoking your proxy card or by signing, dating and returning to us a new proxy card. We will honor the proxy card with the latest date. Attendance at the annual meeting will not, by itself, revoke your proxy card.

Can I vote in person at the annual meeting rather than by completing the proxy card?

Although we encourage you to complete and return the proxy card to ensure that your vote is counted, you can attend the annual meeting and vote your shares in person. If your shares are held in the name of your broker, a bank, or other nominee, that party should give you instructions for voting your shares.

How are votes counted?

We will hold the annual meeting if holders of a majority of the shares of common stock entitled to vote either sign and return their proxy cards or attend the meeting. If you sign and return your proxy card, your shares will be counted to determine whether we have a quorum even if you abstain or fail to vote on any of the proposals listed on the proxy card. Votes will be tabulated by an inspector of election appointed by our Board of Directors. Abstentions from voting, which you may specify on the ratification of the appointment of HoganTaylor LLP as our independent registered public accounting firm, will have the effect of a negative vote.

If your shares are held in the name of a nominee, and you do not tell the nominee how to vote your shares (so-called “broker nonvotes”), the nominee may vote them on the proposal to ratify the appointment of HoganTaylor LLP as our independent registered public accounting firm. Uninstructed nominees are not permitted to vote for directors. Broker nonvotes will be counted as present to determine if a quorum exists.

What percentage of stock are the directors and executive officers entitled to vote at the annual meeting?

Together, they have the right to vote approximately 28.2% of our outstanding common stock.

Who are the largest principal shareholders?

David E. Chymiak, our Chairman of the Board and Chief Technology Officer, beneficially owns 2,703,356 shares (26.3%) of our common stock. His brother, Kenneth A. Chymiak, beneficially owns 1,984,366 shares (19.4%) of our common stock.

Who pays for this proxy solicitation?

The accompanying proxy is solicited by and on behalf of our Board of Directors, and the entire cost will be paid by us. In addition to sending you these materials, some of our employees may contact you by telephone, by mail or in person. None of these employees will receive any extra compensation for doing this, but they may be reimbursed for their out of pocket expenses incurred while assisting us in soliciting your proxy.

Recommendation of the Board of Directors:

The Board of Directors recommends a vote FOR the election of each nominee.

Board of Directors

Board Independence. The Board of Directors has determined that Messrs. Franz, Hart, McGill and Sparkman have no relationship with us that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that such individuals are independent under the rules and listing standards of The NASDAQ Stock Market ("NASDAQ") and the rules of the Securities and Exchange Commission implemented pursuant to the Sarbanes-Oxley Act of 2002.

Board Leadership Structure. The Board of Directors does not have a current requirement that the roles of Chief Executive Officer and Chairman of the Board be either combined or separated, because the Board of Directors believes it is in our best interest to make this determination based on our current position and direction and the constitution of the Board of Directors and management team. The Board of Directors evaluates whether the roles of Chief Executive Officer and Chairman of the Board should be combined or separated. The Board of Directors has determined that having the positions of Chairman and Chief Executive Officer separated is in the best interest of our shareholders at this time. The Chief Executive Officer is primarily responsible for our overall management and the development and implementation of our strategy, and he has access to the people, information and resources necessary to facilitate that function. The Chairman of the Board has extensive industry knowledge in the cable television industry and was the Chairman of the Board from 1999 to 2012. The Board of Directors believes that separating the roles of Chief Executive Officer and Chairman is an appropriate leadership structure as it promotes the strengths and expertise of these two individuals currently serving on the Board of Directors.

Oversight of Risk Management. It is management's responsibility to manage our enterprise risks on a day-to-day basis. The Board of Directors is responsible for risk oversight by focusing on our overall risk management strategy and the steps management is taking to manage our risk.

While the Board of Directors as a whole maintains the ultimate oversight responsibility, the Board of Directors has delegated certain risk management oversight responsibilities to its various committees. The Audit Committee reviews and discusses our major financial risk exposures and the steps management has

9

taken to identify, monitor, and control such risks. The Compensation Committee is responsible for overseeing risks related to our compensation programs, including structuring and reviewing our executive compensation programs, considering whether such programs are in line with our strategic objectives and incentivizing appropriate risk-taking. The Corporate Governance and Nominating Committee is tasked with risks associated with corporate governance and compliance.

Committees of the Board. The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. The following section describes the functions and membership of each committee and the number of times it met during our fiscal year ended September 30, 2017.

AUDIT COMMITTEE

The functions and members of the Audit Committee are set forth below. The members of the Audit Committee are David W. Sparkman (Chairman), Thomas J. Franz and James C. McGill. The Audit Committee's policy is to review and pre-approve all proposed engagements for audit or non-audit services rendered by our independent registered public accounting firm. Under its pre-approval policy, the Audit Committee approved 100% of the services provided by HoganTaylor LLP ("HoganTaylor") in 2017 as those services are described in the section entitled "Principal Accounting Fees and Services." Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In connection with its function to oversee and monitor our financial reporting process, the Audit Committee has done the following:

- selected HoganTaylor as our independent registered public accounting firm for the audit of the fiscal 2017 financial statements and the review of the interim quarterly financial statements;

reviewed and discussed the audited financial statements for the fiscal year ended September 30, 2017 with management;

discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU Section 380), adopted by the Public Company Accounting Oversight Board in Rule 3200T;

received the written disclosures and the letter from the independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the independent registered public accounting firm's independence; and

based on the reviews and discussions referred to above, recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for fiscal year 2017 for filing with the Securities and Exchange Commission (the "SEC").

- Recommends to the Board nominees for the positions of Chairman of the Board, chairmen of the various committees of the Board, and members of the various committees of the Board; and
- Performs other functions listed in the Charter of the Corporate Governance and Nominating Committee, a current copy of which may be found on our website at www.advantagetechologies.com.

The Corporate Governance and Nominating Committee is comprised of three directors who are not officers. Under currently applicable rules, each member is an “independent director” as defined under the NASDAQ rules as well as under rules adopted by the SEC pursuant to the Sarbanes-Oxley Act of 2002.

The Corporate Governance and Nominating Committee’s criteria and process for identifying and evaluating the candidates that it selects, or recommends to the full Board for selection, as director nominees, are: (i) regular review of composition and size of the Board; (ii) review of qualifications of candidates properly recommended or nominated by any qualifying shareholder; (iii) evaluation of the performance of the Board and qualification of members of the Board eligible for re-election; and (iv) consideration of the suitability of each candidate, including current members of the Board, in light of the size and composition of the Board. After such review and consideration, the Corporate Governance and Nominating Committee will recommend a slate of director nominees.

While the Corporate Governance and Nominating Committee has not established specific minimum requirements for director candidates, other than they be at least 21 years of age, the Committee believes that candidates and nominees must reflect a board that is comprised of directors who: (i) are predominantly independent; (ii) are of high integrity;

(iii) have qualifications that will increase overall board effectiveness; and (iv) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to Audit Committee members. The Committee does not have a formal policy regarding

12

the consideration of diversity in identifying director nominees, but the Committee does consider, among other things, a director nominee's potential contribution to the diversity of background and experience of our Board of Directors, including with respect to age, gender, international background, race and specialized experience.

The Corporate Governance and Nominating Committee has adopted a policy with regard to the consideration of director candidates recommended by shareholders. The Corporate Governance and Nominating Committee will consider director candidates recommended by any shareholder holding 10,000 shares of our common stock for at least 12 months prior to the date of submission of the recommendation or nomination. Additionally, a recommending shareholder shall submit a written statement in support of the candidate, particularly within the context of the criteria for board membership, including issues of character, judgment, age, independence, expertise, corporate experience, other commitments and the like, personal references, and a written indication by the candidate of his or her willingness to serve, if elected, and evidence of the recommending person's ownership of our stock sufficient to meet the stock ownership requirements described above.

BOARD MEETINGS

Our Board held five meetings during fiscal year 2017. Each director, except one, attended all of the meetings of the Board and the committees on which he served. One director missed one committee meeting.

Shareholder Communication with the Board of Directors and Committees

Communication with the Board of Directors or any of the Committees should be directed to the attention of David W. Sparkman. Written correspondence to Mr. Sparkman may be delivered to our executive offices, 1221 East Houston, Broken Arrow, Oklahoma, 74012. All shareholder communications directed to Mr. Sparkman will be promptly forwarded to him. All Board members are encouraged, but not required, to attend our annual meeting. Last year, all of our Board members (board members at the date of the meeting) attended our annual meeting.

CODE OF ETHICS

We have adopted a Code of Business Conduct and Ethics which is applicable to all of our directors, officers and employees. A copy of our Code of Business Conduct and Ethics is posted on our website at www.advantagetechologies.com. We intend to satisfy the disclosure requirements, including those of Item 406 of Regulation S-K, regarding certain amendments to, or waivers from, provisions of our Code of Business Conduct and Ethics by posting such information on our website.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In fiscal 2017, there were no related party transactions required to be disclosed under the SEC rules and regulations.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of our common stock to report their initial ownership of our common stock and any subsequent changes in that ownership to the SEC and to furnish us with a copy of each of these reports. SEC regulations impose specific due dates for these reports and we are required to disclose in this proxy statement any failure to file by these dates during fiscal year 2017.

Based solely on the review of the copies of these reports furnished to us and written representations that no other reports were required, during and with respect to the fiscal year ended September 30, 2017, we believe that these persons have complied with all applicable filing requirements.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Compensation of Directors

We paid our non-employee directors \$500 per quarter and \$750 for each board meeting and \$375 for each committee meeting or telephonic board or committee meeting the director attended. The chairman of the Audit Committee receives an additional \$375 per meeting, and the chairmen of the Compensation and Governance and Nominating Committees receive an additional \$150 per meeting. In addition, all directors are eligible to receive awards of restricted shares, which are subject to a 12-month holding period, or options to purchase shares of our common stock each year after the annual shareholders meeting. These annual awards generally total \$10,000 to \$15,000 and have ranged between 1,000 and 8,982 shares. We reimburse all directors for out-of-pocket expenses incurred by them in connection with their service on our Board and any Board committee. The following table reflects the total compensation earned by each non-employee director during the last fiscal year:

Potential Payments Upon Termination or Change of Control

We have entered into Change of Control/Severance Agreements with Mr. Humphrey and Mr. Francis. These agreements are designed to promote stability, continuity and focus for key members of leadership during periods of uncertainty that may be created by change of control situations. Additionally, the use of such agreements is a competitive practice that enhances our ability to attract and retain leadership talent.

Under these agreements, payment of benefits will occur in most situations where the employee is terminated or resigns in connection with a Change in Control of the Company. In this event, Mr. Humphrey and Mr. Francis will be paid (a) the amount of the six months' monthly base salary being paid by the Company immediately preceding the Change of Control plus (b) an amount equal to one-half of the average of the aggregate annual bonus payments made by Company with respect to each of the two most recently completed fiscal years.

“Change of Control” as used in these agreements has a fairly customary definition designed to reflect that a fundamental change in beneficial ownership or control of the Company has occurred. Specifically, the agreements incorporate the term a “change of control event”, as defined in United States Treasury Regulations (“Regulations”) promulgated under section 409A of the Internal Revenue Code of 1986, as amended (“Section 409A”) that results from an event in which a person comes to be the owner, directly or

15

indirectly, of 50% or more of outstanding voting securities of the Company or its parent company or the transfer or disposition of all or substantially all of the assets of the Company, its parent or their successor or a person, acquires, directly or indirectly, the voting power to elect a majority of the members of the Board of the Company or its parent (other than in the normal course) or any other similar transaction or series of related transactions.

Senior Management Incentive Compensation Plan

In fiscal year 2017, the Compensation Committee set the number of company performance targets, subject to revision at the discretion of the Compensation Committee, to three within the guidelines of the existing plan. All three of the targets were based on financial targets for our operating segments and had a bonus pool potential ranging from 5% - 50% of the salaries of the named executive officers except for Mr. Don Kinison. The overall bonus pool was capped at a maximum of 50% and would be allocated as follows: David Humphrey – 40%, David Chymiak – 32% and Scott Francis – 28%. Mr. Kinison, who was hired in May 2017, was on a guaranteed commission arrangement for his first year of employment.

In fiscal 2016, the Compensation Committee set the number of company performance targets, subject to revision at the discretion of the Compensation Committee, to four within the guidelines of the existing plan. Two of the targets were based on financial targets of our two segments and had a bonus pool potential ranging from 5% to a maximum of 25% of the salaries of the named executive officers. The other two targets were based on specific operating objectives for the company and had a bonus pool potential ranging from 15% to 25%. The overall bonus pool was capped at a maximum of 50%. The bonus pool would be allocated as follows: David Humphrey – 40%, David Chymiak – 32% and Scott Francis – 28%.

Recommendation of the Board of Directors:

The Board of Directors recommends a vote FOR the ratification of the appointment of HoganTaylor.

PRINCIPAL ACCOUNTING FEES AND SERVICES

HoganTaylor audited our financial statements for the fiscal years ended September 30, 2017 and 2016. Our Audit Committee considered whether the provisions for the tax services and other services by HoganTaylor were compatible with maintaining their independence and determined that they were.

Fees Incurred by the Company for Services Performed by Audit Firms

The following table shows the fees for professional services provided by HoganTaylor for the audits of our annual financial statements for the years ended September 30, 2017 and 2016, respectively, and fees billed for other services during those periods.

Audit-Related Fees represent reimbursements of travel and other costs associated with audit services. For 2016, these fees also include fees for the Triton Miami, Inc. auditor work paper review in connection with the asset acquisition of Triton Miami, Inc.

Tax Fees represent fees for annual tax return preparation and research of tax related matters.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditor

Consistent with SEC policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm. During the year, the Audit Committee approved all of the services performed by the independent registered public accounting firm. The fees billed for these services approximated 100% of the pre-approved amounts.

Before engagement of the independent registered public accounting firm for the next year's audit, management will submit a list of services and related fees expected to be rendered during that year within each of the following four categories of services to the Audit Committee for approval:

Audit services include audit work performed on the financial statements, internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including comfort letters, statutory audits, and discussions surrounding the proper application of financial accounting and/or reporting standards.

Audit-Related services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions and special procedures required to meet certain regulatory requirements.

Tax services include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with coordination of execution of tax related activities, primarily in the area of corporate development; supporting

other tax related regulatory requirements; and tax compliance and reporting.

Other Fees are those associated with services not captured in the other categories. We generally do not request such
4. services from the independent registered public accounting firm other than the annual audit of our Defined
Contribution Plan.

Before engagement, the Audit Committee pre-approves the independent registered public accounting firm's services
within each category. During the year, circumstances may arise when it may become necessary to

18

engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report, for informational purposes only, any pre-approval decisions to the Audit Committee at its next scheduled meeting.
