Item 2.01 Completion of Acquisition or Disposition of Assets.

On April 1, 2011, CompuCredit Holdings Corporation (NASDAQ: CCRT) ("CompuCredit") completed the planned sale of its subsidiary with a controlling interest in Month End Money ("MEM"), a leading provider in the U.K. of Internet-based short-term micro-loans, to Dollar Financial Corp (NASDAQ: DLLR) ("Dollar") for \$195.0 million. Net pre-tax proceeds to CompuCredit are approximately \$170.7 million after the purchase of minority shares and other transaction-related expenditures, and inclusive of excess working capital under the terms of the sales contract that was returned to CompuCredit prior to completion of the transaction.

The foregoing description of the terms of the sale of MEM is qualified in its entirety by reference to the agreement between CompuCredit and Dollar, which was attached as Exhibit 2.2 to our Form 10-K filed on March 4, 2011 and is incorporated herein by reference.

Forward-Looking Statements

Certain statements in this filing, including statements regarding, without limitation, the completion of the Company's tender offer described in the Schedule TO filed with the Securities and Exchange Commission on March 14, 2011 are "forward-looking statements". Such forward-looking statements involve known and unknown risks and uncertainties that may cause actual results to be materially different from those described in or suggested by such forward-looking statements. These forward-looking statements are based on CompuCredit's current expectations and beliefs concerning future developments and their potential effects on CompuCredit. There can be no assurance that future developments affecting CompuCredit will be those anticipated by CompuCredit. CompuCredit undertakes no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

Item 9.01 Financial Statements and Exhibits.

Pro Forma Financial Information

Attached as exhibit 99.1 to this report is CompuCredit's unaudited pro forma consolidated balance sheet as of December 31, 2010, which is required to be filed in connection with the transaction described in Item 2.01 of this report. The pro forma balance sheet reflects the sale of MEM and the subsequent use of \$105.0 million to purchase CompuCredit's common stock pursuant to the tender offer described in the Schedule TO filed with the Securities and Exchange Commission on March 14, 2011. Since CompuCredit presented MEM as discontinued operations in its income statement for the year ended December 31, 2010, CompuCredit is not required to include a pro forma income statement with this report.

The unaudited pro forma consolidated balance sheet is presented for illustrative purposes only and is not necessarily indicative of the financial position that would have been achieved had the disposition and the tender offer been consummated as of the dates indicated or of the results that may be obtained in the future. The unaudited pro forma consolidated balance sheet should be read together with CompuCredit's audited consolidated financial statements and accompanying notes, as of and for the fiscal year ended December 31, 2010, and Management's Discussion and Analysis of Financial Condition and Results of Operations included in CompuCredit's Annual Report on Form 10-K for the fiscal year ended December 31, 2010.
