PROXY STATEMENT FOR THE COMPANY'S

SPECIAL MEETING OF STOCKHOLDERS

TO BE HELD ON AUGUST 19, 2015

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS

These questions do not, and are not intended to, address all the questions that may be important to you. You should carefully read the entire Proxy Statement as well as the documents incorporated by reference in this Proxy Statement.

Who Is Calling this Special Meeting?

Pursuant to Article II, Section 3 of the Company's Bylaws, Special Meetings of the shareholders may be called for any purpose or purposes permitted under Chapter 78 of Nevada Revised Statutes at any time by the Board, the Chairman of the Board, the President, or by the shareholders entitled to cast not less than ten percent (10%) of the votes at such meeting. This Special Meeting is being called by the Board of Directors of the Company.

Why am I receiving these proxy materials?

The proxy materials describe the proposals on which the Company would like you, as a stockholder, to vote at the Meeting. It provides you with information on this proposal so that you can make an informed decision. We intend to mail a Notice of Internet Availability of Proxy Materials (the "Notice") to all stockholders of record entitled to vote at the Meeting.

Who can vote at the Meeting?

Stockholders who owned shares of common stock of the Company, par value \$0.001 per share (the "Common Stock"), as of the close of business on the Record Date may attend and vote at the Meeting. The record date (the "Record Date") for the determination of stockholders entitled to notice of, and to vote at, the Meeting and at any adjournment thereof is July 10, 2015, the date prior to the date of this notice. Each share held on the Record Date is entitled to one vote. There were 66,192,630 shares of Common Stock outstanding as of the Record Date and 140 shares of Series A Convertible Preferred Stock ("Preferred Stock") issued and outstanding as of the Record Date, with each share of Preferred Stock treated provisionally as convertible into 50,000 shares of Common Stock. Since the litigation with Spirit Bear Limited has been settled and all lawsuits dismissed, the shares of common stock issued in connection with capital raises during the 2013 and 2014 fiscal years, as well as the shares issued to Spirit Bear, all the issued and outstanding shares of the Company will be counted at the Meeting.

What is the proxy card?

The enclosed proxy card enables you to appoint the person named therein as your representative to vote your shares at the Meeting, and to provide specific instructions as to how you wish your shares to be voted. By completing and returning the proxy card, you are authorizing this person to vote your shares at the Meeting in accordance with your instructions on the proxy card. By providing specific voting instructions for the proposal identified on the proxy card, your shares will be voted in accordance with your wishes whether or not you attend the Meeting. Even if you plan to attend the Meeting, we suggest that you complete and return your proxy card before the Meeting date just in case your plans change. If a proposal comes up for vote at the Meeting that is not on the proxy card, your appointed representative will vote your shares, under your proxy, according to their best judgment.

What matters am I voting on?

You are being asked to vote on (i) a name change of the Company, (ii) the election of four (4) additional individuals to serve as directors of the Company and (iii) in the number of shares of common stock the Company is authorized to issue from 100,000,000 to 140,000,000 shares of common stock.

Name Change. The Board has determined that the current name of the Company should be changed to "Cool Technologies, Inc." and is requesting your vote to amend the Articles of Incorporation of the Company to change the name.

Additional Directors. As a result of the First Amendment to Settlement Agreement (the "Amendment") dated as of June 1, 2015 with Spirit Bear Limited and the parties identified as the assignees of Spirit Bear who are signatories to the Amendment, Jay Palmer, Carrie Dwyer and Donica Holt, the Spirit Bear holdover directors, tendered their resignation letters from the Board of Directors of the Company as of June 3, 2015. Spirit Bear also agreed that it will no longer have any rights to appoint nominees to the Board of Directors. The Amendment was filed and described in the Current Report on Form 8-K filed by the Company with the Securities and Exchange Commission on June 4, 2015.

Accordingly, the shareholders of the Company have the opportunity to elect four nominees to fill the director positions previously occupied by the Spirit Bear holdover directors. Chris McKee, Richard J. "Dick" Schul, Donald L. Bowman and Daniel C. Ustian have been nominated by the Board to serve as directors of the Company.

Increase in the Number of Shares of Common Stock. The current Certificate of Incorporation of the Company authorizes the Board to issue 100,000,000 shares of common stock. The shareholders are being requested to increase said amount to 140,000,000 shares of common stock.

What is the difference between holding shares as a stockholder of record and holding shares as a beneficial owner?

Most of our stockholders hold their shares in an account at a brokerage firm, bank, broker dealer or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholder of Record

If on the Record Date, your shares were registered directly in your name with our transfer agent, Manhattan Transfer Registrar Company, then you are a stockholder of record who can vote at the Meeting. As the stockholder of record, you have the right to direct the voting of your shares by returning the enclosed proxy card to us or to vote in person at the Meeting. Whether or not you plan to attend the Meeting, please complete, date and sign the enclosed proxy card and provide specific voting instructions to ensure that your shares will be voted at the Meeting.

Beneficial Owner

If on the Record Date, your shares were held in an account at a brokerage firm, bank, broker-dealer or other similar organization, you are considered the beneficial owner of shares held "in street name", and the Notice is being forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Meeting. As the beneficial owner, you have the right to instruct your nominee holder on how to vote your shares and to attend the Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Meeting unless you receive a valid proxy from your brokerage firm, bank, broker dealer or other nominee holder. To obtain a valid proxy, you must make a special request of your brokerage firm, bank, broker dealer or other nominee holder. If you do not make this request, you can still vote by completing your proxy card and delivering the proxy card to your nominee holder; however, you will not be able to vote in person at the Meeting.

How do I vote?

A. Stockholders of record (also called registered stockholders) may vote by any of the following methods:

1. By mail: if you request or receive proxy materials by mail, you may vote by completing the proxy card with your voting instructions and returning it in the postage-paid envelope provided.

If we receive your proxy card prior to the Meeting date and you have marked your voting instructions on the proxy card, your shares will be voted:

 — as you instruct, and

 — as your proxy representative may determine in their discretion with respect to any other matters properly presented for a vote at the Meeting.

If you return a signed proxy card, but do not provide specific voting instructions for each proposal, your shares will be voted by your proxy representative in the manner recommended by the President of the Company on all matters presented in the Proxy Statement and as the proxy representative may determine in his discretion with respect to any other matters properly presented for a vote at the Meeting.

2. By Internet: read the proxy materials and follow the instructions provided in the Notice.

3. By toll-free telephone: read the proxy materials and call the toll free number provided for in the proxy voting instructions.

4. In person at the Meeting.

B. Beneficial Stockholders (shares held in "street name"). If your shares are held in the name of a broker, bank, broker dealer or other nominee holder of record, follow the voting instructions you receive from the holder of record to vote your shares. You must provide specific voting instructions to your broker, bank, broker dealer or other nominee holder of record in order for your shares to be voted in the proposal for election of directors.

If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

1. **By Mail:** If you request or receive printed copies of the proxy materials by mail, you may vote by completing the proxy card with your voting instructions and returning it to your broker, bank, broker dealer or other nominee holder of record prior to the Meeting.

2. **By Internet.** You may vote via the Internet by following the instructions provided in the Notice mailed to you by your nominee holder.

3. **By toll-free telephone.** You may vote by calling the toll free telephone number found in the proxy voting instructions.

4. **In Person.** If you are a beneficial owner of shares held in street name and you wish to vote in person at the Meeting, you must obtain a valid proxy from the nominee organization that holds your shares.

Why did I receive a Notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission ("SEC"), the Company has elected to provide access to its proxy materials over the Internet. Accordingly, the Company is sending such Notice to the Company's stockholders of record and beneficial owners. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy may be found in the Notice. In addition, stockholders may request to receive proxy materials in printed form by mail or electronically by email on an ongoing basis. The Company encourages you to take advantage of the availability of the proxy materials on the Internet.

What does it mean if I receive more than one proxy card?

If your shares are registered differently or are held in more than one account, you will receive more than one proxy card. Please sign and return all proxy cards to ensure that all of your shares are voted.

May I revoke my proxy?

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. The proxy may be revoked by filing an instrument of revocation or a duly executed proxy bearing a later date with the Company's Chief Financial Officer at our principal executive offices located at 8875 Hidden River Parkway, Suite 300, Tampa, Florida 33637. The proxy may also be revoked by attending the meeting and voting in person. If it is not revoked, the proxy will be voted at the meeting in accordance with the stockholder's instructions indicated on the proxy card. **If no instructions are indicated, the proxy will be voted in accordance with the judgment of the proxy representation with respect to all matters brought before the Meeting or any adjournments thereof. In such instance, the proxy representative will vote in favor of the proposed name change, in favor of the slate of directors proposed by the Company (Chris McKee, Richard J. "Dick" Schul, Donald Bowman and Daniel C. Ustian) and in favor of the increase in the number of shares that the Company is authorized to issue.**

Will my shares be voted if I do not sign and return my proxy card?

If your shares are held in street name or in your name and you do not sign and return your proxy card, your shares will not be voted unless you vote in person at the Meeting

What is a quorum and what constitutes a quorum?

A "quorum" is the number of shares that must be present, in person or by proxy, in order for business to be conducted at the Meeting. The required quorum for the Meeting, is the presence, in person or by proxy, of the holders of a majority of the shares entitled to vote as of the Record Date. As of such date, there were an aggregate of 73,192,630 shares entitled to vote, which consisted of 66,192,630 shares of common stock and an additional 7,000,000 shares (each of the issued and outstanding shares of Series A Convertible Preferred Stock is entitled to vote as 50,000 shares of Common Stock). Accordingly, a quorum will be present for the Meeting if an aggregate of at 36,596,316 shares are present in person or by proxy at the Meeting.

How many votes are required to change the name of the Company?

The affirmative vote of the holders holding at least a majority of the voting rights of our outstanding Common Stock need to vote to amend the Articles of Incorporation of the Company to change the name from "HPEV, Inc." to "Cool Technologies, Inc."

How many votes are required to elect the directors?

On January 13, 2014, the stockholders of the Company voted to amend Article II, Section 2 of the Bylaws to provide that "directors shall be elected by a majority of the outstanding shares entitled to vote thereon." Thus, in order to elect the four nominees to the Board (Chris McKee, Richard J. "Dick" Schul, Donald Bowman or Daniel C. Ustian) must each receive the vote of a majority of the issued and outstanding shares in the Company. Any candidate who does not receive the vote of a majority of the issued and outstanding shares shall not be elected as a director.

How many votes are required to increase the number of shares of common stock the Company is authorized to issue?

The affirmative vote of the holders holding at least a majority of the voting rights of our outstanding Common Stock need to vote to increase the number of shares of common stock the Company is authorized to issue from 100,000,000 to 140,000,000.

Where do I find the voting results of the Meeting?

We plan to announce preliminary voting results at the Meeting. We will also file a Current Report on Form 8-K with the Securities and Exchange Commission within four business days of the Meeting disclosing the final voting results.

Who is paying for this proxy's solicitation process?

The Meeting is called for by the Board of Directors of the Company in accordance with the Nevada law and the Bylaws of the Company. The Company is paying for the entire cost of the proxy solicitation process.

Copies of the proxy material will be given to banks, brokerage houses and other institutions that hold shares that are beneficially owned by others. Upon request, we will reimburse these banks, brokerage houses and other institutions for their reasonable out-of-pocket expenses in forwarding these proxy materials to the stockholders who are the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers, or other employees.

Who can help answer my questions?

INTERNET AND ELECTRONIC AVAILABILITY OF PROXY MATERIALS

Under rules adopted by the United States Securities and Exchange Commission (the "SEC"), the Company is making this Proxy Statement and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, as amended, and Form 10-Q for the quarter ended March 30, 2015 available on the Internet instead of mailing a printed copy of these materials to each stockholder. Stockholders who received a Notice of Internet Availability of Proxy Materials (the "Notice") by mail will not receive a printed copy of these materials other than as described below. Instead, the Notice contains instructions as to how stockholders may access and review all of the important information contained in the materials on the Internet, including how stockholders may submit proxies by telephone or over the Internet.

If you received the Notice by mail and would prefer to receive a printed copy of the Company's proxy materials, please follow the instructions for requesting printed copies included in the Notice.

ACTION TO BE TAKEN UNDER PROXY

In the case of the Company receiving a signed proxy ("Proxy") from a registered stockholder containing voting instructions "FOR" the amendment to the Articles of Incorporation of the Company to change the name of the Company to "Cool Technologies, Inc." the person named in the Proxy (Theodore Banzhaf) (the "Proxy Representative"), will vote FOR the amendment as determined by the registered stockholder.

In the case of the Company receiving a signed proxy ("Proxy") from a registered stockholder containing voting instructions "FOR" the election of Chris McKee, Richard J. "Dick" Schul, Donald Bowman and Daniel C. Ustian as directors of the Company, the person named in the Proxy (Theodore Banzhaf) (the "Proxy Representative"), will vote FOR the election of the four individuals as determined by the registered stockholder.

In the case of the Company receiving a signed proxy ("Proxy") from a registered stockholder containing voting instructions "FOR" the amendment to the Articles of Incorporation of the Company to increase the number of shares

of common stock that the Company is authorized to issue from 100,000,000 to 140,000,000 shares, the person named in the Proxy (Theodore Banzhaf) (the "Proxy Representative"), will vote FOR the amendment as determined by the registered stockholder. The purpose of the increase in authorized shares is to ensure that there are an adequate number of shares available for the Company to issue upon the conversion of warrants, the exercise of options, the conversion of the outstanding preferred stock and additional authorized shares for future issuances.

Please note that these three proposals are independent and mutually exclusive; you can vote for the name change and do not have to vote for the directors and/or the amendment to increase the number of authorized shares; you can vote for the directors and the amendment to increase the number of shares and/or not vote for the name change.

Please note that you do not have to vote FOR each of the four directors nominated by the Board; you can vote for each director separately and independent of your vote for the other three directors.

If the giver of the Proxy provides voting instructions to cast a vote AGAINST any or all of the nominated directors, the Proxy Representative will vote such shares accordingly. If you ABSTAIN from voting on a proposal, your abstention will not count as a vote FOR or AGAINST the proposal. However, in the case where no specific voting instructions are given to the Proxy Representative, the Proxy Representative will vote such proxy in favor of each of the proposals.

VOTING SECURITIES

The presence, in person or by proxy, of the holders of a majority of the shares entitled to vote as of the Record Date will constitute a "quorum" at the Meeting. The proposal to change the name of the Company and the proposal to increase the number of shares of common stock that the Company is authorized to issue from 100,000,000 to 140,000,000 must each be approved by the holders of a majority of the issued and outstanding shares in the Company in order to be effective. In order for the candidate nominated by the Board to become an additional director of the Company, a majority of the issued and outstanding shares in the Company must vote FOR such candidate. If a majority of the issued and outstanding shares in the Company do not vote in favor of a candidate seeking office, such director will not be elected. If you abstain from voting for a particular nominee, your vote will not directly count either for or against such nominee. However, since each of the proposals, including the election of directors, requires a majority vote of all of the issued and outstanding shares of the Company in favor of the proposal, abstaining from voting is the functional equivalent of a vote against the proposal.

Abstentions from voting and broker non-votes will operate as neither a direct vote "FOR" nor a vote "AGAINST" a nominee for director. However, as with the failure to vote, an abstention is the functional equivalent of a vote against the candidate. Votes on all matters will be counted by a duly appointed inspector of election, whose responsibilities are to ascertain the number of shares outstanding and the voting power of each, determine the number of shares represented at the Meeting and the validity of proxies and ballots, count all votes and report the results to the Company.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table lists, as of June 17, 2015, the number of shares of common stock beneficially owned by (i) each person, entity or group (as that term is used in Section 13(d)(3) of the Securities Exchange Act of 1934) known to the Company to be the beneficial owner of more than 5% of the outstanding Common Stock; (ii) each officer and director of the Company; and (iii) all officers and directors as a group. Information relating to beneficial ownership of Common Stock by our principal stockholders and management is based upon information furnished by each person using "beneficial ownership" concepts under the rules of the Securities and Exchange Commission. Under these rules, a person is deemed to be a beneficial owner of a security if that person directly or indirectly has or shares voting power, which includes the power to vote or direct the voting of the security, or investment power, which includes the power to dispose or direct the disposition of the security. The person is also deemed to be a beneficial owner of any security of which that person has a right to acquire beneficial ownership within 60 days. Under the Securities and Exchange Commission rules, more than one person may be deemed to be a beneficial owner of the same securities, and a person may be deemed to be a beneficial owner of securities as to which he or she may not have any pecuniary interest. Except as noted below, each person has sole voting and investment power with respect to the shares.

The following table assumes that all preferred shares, warrants and bonus options currently held by management or beneficial owners were either converted, exercised or achieved and purchased.

The percentages below are calculated based on 66,192,630 shares of common stock issued and outstanding on June 17, 2015 and 140 shares of preferred stock (each such share of preferred stock has the voting right of 50,000 shares of common stock).

Ustian, a nominee to the Board, a non-qualified stock option to purchase 200,000 shares of common stock at an exercise price of \$0.80 per share for becoming a member of the Company's board of advisors. On May 12, 2015, the Company granted Daniel C. Ustian, a nominee to the Board, a non-qualified stock option to purchase 222,222 shares of common stock at an exercise price of \$0.45 per share for becoming a member of the Company's board of advisors.

On May 12, 2015, the Company granted Chris McKee, a nominee to the Board, a non-qualified stock option to purchase 222,222 shares of common stock at an exercise price of \$0.45 per share for becoming a member of the Company's board of advisors.

Certain Relationships and Related Transactions

The following includes a summary of transactions since the beginning of the last three fiscal years, or any currently proposed transaction, in which we were or are to be a participant and the amount involved exceeded or exceeds the lesser of \$120,000 or one percent of the average of our total assets at year end for the last two fiscal years, and in which any related person had or will have a direct or indirect material interest (other than compensation described under "Executive Compensation"). We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that would be paid or received, as applicable, in arm's-length transactions.

On March 7, 2012, the Company signed a loan agreement with Action Media Group, LLC (a former shareholder) for \$250,000. The terms of the loan included: 3% annual interest and payment of principal and interest to begin at a mutually agreed upon date in the future. Maturity of the loan was perpetual or upon mutual agreement of both parties or if conditions were breached or in default.

On December 11, 2012, the Company entered into a Debt Settlement Agreement (the "Settlement Agreement") with Phoenix Productions and Entertainment Group, LLC ("PPEG"), Action Media Group, LLC ("AMG")(PPEG and AMG together, the "Debt Holders"), and Spirit Bear Limited. Prior to execution of the Agreement the Debt Holders were owed an aggregate of \$1,161,894 in principal and accrued interest (the "Debt") by the Company. The Debt Holders also owned an aggregate of 4,676,000 shares (the "Total Shares") of the Company's common stock.

Pursuant to the Settlement Agreement the Debt Holders agreed (i) to forgive the Debt and (ii) to transfer the Total Shares to the Company's transfer agent to be held in escrow and to be cancelled as provided for in the Settlement Agreement. Accordingly, the Debt holders have returned the notes evidencing the Debt, which notes were received by the Company on December 17, 2012; and have delivered the Total Shares to the escrow agent by book-entry transfer on December 20, 2012. As provided for in the Agreement, Debt Holders have released the Company of (i) any future liability or claim related to the Debt, (ii) any future liability or claim related to shares of any class of equity in the Company, and (iii) any obligation or liability of the Company.

The Total Shares will be held in escrow until the Company files a registration statement on Form S-1 with the Securities and Exchange Commission (the "SEC") in connection with the December 14, 2012, purchase by Spirit Bear Limited of unregistered securities of the Company (the "Registration Statement"). Upon the filing of the Registration Statement with the SEC, 3,676,000 shares of the Total Shares will be cancelled and 1,000,000 shares of the Total Shares (the "Consideration Shares") will continue to be held in escrow. The Company, or a nominee of the Company, will then purchase the Consideration Shares at the price of Forty Cents (\$.40) per share. The Consideration Shares will be purchased at the rate of \$10,000.00 per month until the purchase of all of the Consideration Shares shall have been completed. The first purchase will commence within ninety (90) days after HPEV shall have achieved \$1,000,000.00 in gross revenues for products or services from business operations. The S-1 was filed January 11, 2013. Therefore, on January 14, 2013, 3,676,000 shares were cancelled and returned to treasury.

On April 12, 2011, Judson Bibb, the Secretary and a Director of the Company, provided an interest-free loan to the Company in the amount of \$22,500, which remains outstanding. The loan was secured by the placement of a mortgage lien in favor of Mr. Bibb on real property owned by Harvest Hartwell while it was a subsidiary of the Company. On August 10, 2011, Mr. Bibb executed the necessary documents to discharge the mortgage lien in order to facilitate the rescission of the acquisition agreement pursuant to which Z3E acquired Harvest Hartwell. The rescission took place on September 2, 2011. The Secretary/Director and the Company have yet to make new arrangements for repayment of the loan.

In October 2011, Judson Bibb, Director, received a gift of 5,000,000 shares from PPEG. This gift was deemed as compensation. The shares were subsequently returned on April 13, 2012 and no financial benefit was accrued.

On February 20, 2013, the board of directors at that time, consisting of officers Timothy Hassett, Quentin Ponder and Judson Bibb, voted to establish compensation levels for the officers of the Company. Starting to accrue on January 15, 2013, compensations of (i) \$12,500 per month for Timothy Hassett, the Chairman and Chief Executive Officer, (ii)

\$10,000 per month for Quentin Ponder, the Chief Financial Officer and Treasurer, (iii) \$14,500 per month for Theodore Banzhaf, the President, (iv) \$14,500 per month for a still undesignated Chief Technical Officer and (v) \$8,000 per month for Judson Bibb, the Vice-President and Secretary. The salaries will not be paid until and unless the Company raises \$1 million.

The board at that time, consisting of officers Timothy Hassett, Quentin Ponder and Judson Bibb, also resolved that when and if the Company achieves certain milestones, the compensation to the officers shall be increased. The milestones are as follows: (1) generating \$1 million in additional funding, (2) generating \$100,000 in revenue or an additional \$1 million in funding, (3) achieving profitability (which is defined as being cash flow positive for three consecutive months) and (4) maintaining profitability for four consecutive quarters. With the achievement of the first milestone, the compensation for the President and the Chief Technical Officer will increase to \$17,500 per month. With the achievement of the second milestone, the compensation for the Chief Executive Officer shall increase to \$17,500 per month, the compensation for the Chief Financial Officer and Treasurer shall increase to \$12,000 per month, the compensation for the President and the Chief Technical Officer shall increase to \$20,000 per month, and the compensation for the Vice President and Secretary shall increase to \$10,000 per month. With the achievement of the third milestone, the compensation for the Chief Executive Officer shall increase to \$25,000 per month, the compensation for the Chief Financial Officer and Treasurer shall increase to \$18,000 per month, the compensation for the President shall increase to \$24,000 per month, the compensation for the Chief Technical Officer shall increase to \$25,000 per month, and the compensation for the Vice President and Secretary shall increase to \$12,000 per month.

With the achievement of the fourth milestone, the compensation for the Chief Executive Officer shall increase to \$30,000 per month, the compensation for the Chief Financial Officer and Treasurer shall increase to \$24,000 per month, the compensation for the President shall increase to \$29,000 per month, the compensation for the Chief Technical Officer shall increase to \$30,000 per month, and the compensation for the Vice President and Secretary shall increase to \$15,000 per month.

In addition, the board at that time, consisting of officers Timothy Hassett, Quentin Ponder and Judson Bibb, authorized the Chief Executive Officer to make quarterly bonuses of \$50,000 and/or 50,000 shares of, or options for common stock available for each officer plus, special payments from 5% of the Company's net income to be given for individual contributions, such as the awarding of patents or the signing of major customer contracts.

As of July 24, 2013, the Company had raised \$1 million. Therefore, as per the board resolution passed on February 20, 2013, Timothy Hassett will accrue \$12,500 a month, Theodore Banzhaf will accrue \$14,500 a month, Quentin Ponder will accrue \$10,000 a month and Judson Bibb will accrue \$8,000 a month. As noted above, the accruals began on January 15, 2013. As described below, Spirit Bear contested the validity of the Company issuing common stock in connection with this capital raise and the compensation taken or accrued by the Company's management. Such disputes are currently pending in the Lawsuit described below. Therefore, neither the capital raise and stock issuance nor the accrued compensation were accepted by Jay Palmer, Carrie Dwyer or Donica Holt, the three directors of the Company that had been appointed by Spirit Bear.

Spirit Bear Limited Transaction

The Company entered into a Securities Purchase Agreement on December 14, 2012 (the "Closing Date"), pursuant to which it sold to Spirit Bear Limited (i) 200 shares of the Company's Series A Convertible Preferred Stock, \$.001 per share (the "Preferred Stock") and (ii) warrants to purchase (i) 2,000,000 shares of the Company's common stock at an exercise price of \$0.35 per share (subject to adjustment as provided in the warrant); (ii) 2,000,000 shares of the Company's common stock at an exercise price of \$.50 per share (subject to adjustment as provided in the warrant); (iii) 2,000,000 shares of the Company's common stock at an exercise of \$.75 per share (subject to adjustment as provided in the warrant). The purchase price for sale of the preferred stock and warrants was \$500,000, of which \$313,777.62 was paid in cash and \$186,222.38 was paid by cancellation of \$186,222.38 in outstanding indebtedness held by Spirit Bear.

The Company and Spirit Bear also entered into a Registration Rights Agreement, dated December 14, 2012 (the "Registration Rights Agreement"). Pursuant to the Registration Rights Agreement, the Company was to file a registration statement to register the shares issuable upon conversion of the Preferred Stock and the Debenture (described below) and the shares issuable upon the exercise of the Warrants. If the Registration Statement was not filed within thirty days of the Closing Date, then the number of Warrant Shares were to be increased by 500,000 to 6,500,000. If the SEC had not declared the Registration Statement effective within 120 days of the Closing Date, then the Company was to pay to each holder of Preferred Shares an amount in cash per Preferred Share held equal to the

product of (i) \$5,000 multiplied by (ii) the product of (A) .02 multiplied by (B) the number of months after the Effectiveness Deadline that the Registration Statement was not declared effective by the SEC.

Each share of the Preferred Stock was initially convertible into 20,000 shares of the Company's common stock and under certain circumstances the Preferred Stock was convertible into Senior Convertible Notes. The Conversion Price of the Preferred Stock is equal to the \$2,500.

In connection with the sale of the Preferred Stock, on December 17, 2012, the Company filed with the Secretary of State of the State of Nevada a Certificate of Designations of the Rights, Preferences, Privileges and Restrictions, which have not been set forth in the Certificate of Incorporation of the Series A Convertible Preferred Stock (the "Certificate of Designations").

The holders of each share of Preferred Stock then outstanding shall be entitled to be paid, out of the Available Funds and Assets (as defined in the "Certificate of Designations"), and prior and in preference to any payment or distribution (or any setting a part of any payment or distribution) of any Available Funds and Assets (as defined in the "Certificate of Designations") on any shares of Common Stock, an amount per share equal to the Liquidation Price (\$2,500 per share of the Preferred Stock) of the Series A Convertible Preferred Stock.

In the event a Registration Statement was not declared effective by the United States Securities Exchange Commission within 180 calendar days from and after the Closing Date, the holders of at least two-thirds (2/3) of the then outstanding shares of Series A Convertible Preferred Stock may deliver a written notice to the Company electing the conversion of all Series A Convertible Preferred Stock to Debentures. Upon receipt of such notice, the outstanding shares of Series A Convertible Preferred Stock would be converted to Debentures and as a result the Company would issue Debentures having a principal amount of up to \$1,000,000.

The warrants held by Spirit Bear may be exercised on a cashless basis in which the holder may be entitled to obtain a certificate of shares of the Company's common stock equal to the quotient obtained by dividing $[(A-B) (X)]$ by (A), where:

(A) = the average of the daily VWAPs for the three (3) Trading Days immediately preceding the date of such election;

(B) = the Exercise Price of this Warrant, as adjusted; and

(X) = the number of Warrant Shares issuable upon exercise of this Warrant in accordance with the terms of this Warrant by means of a cash exercise rather than a cashless exercise.

On February 6, 2013, the Company received a letter from Spirit Bear which stated that the Company was in default of the Stock Purchase Agreement. According to Spirit Bear, the Company had not acted promptly to make 50% of the board of directors Spirit Bear designees. In addition, Spirit Bear stated that the Company had not amended its Bylaws with respect to Special Meetings and Meeting Adjournments nor had it provided a certified copy of its Articles of Incorporation within 10 days of the closing of the Stock Purchase Agreement. Pursuant to the Securities Purchase Agreement with Spirit Bear, the bylaws relating to Special Meetings and Meeting Adjournments were amended

verbatim with what was required in the agreement effective February 20, 2013. Jay Palmer and Carrie Dwyer were appointed to the board of directors on the same date and Donica Holt was appointed to the board of directors on March 7, 2013.

On February 20, 2013, the Board of Directors at that time, consisting of officers Timothy Hassett, Quentin Ponder and Judson Bibb, voted to decrease the milestone prices of the five options to purchase one million shares that would be granted to the President, Mr. Banzhaf, assuming the respective milestone prices are achieved. The milestone stock prices were reduced to \$2.00, \$3.00, \$4.00, \$4.50 and \$5.00 for 20 consecutive trading days each. These milestone stock prices have been changed from \$2.00, \$3.00, \$5.00, \$7.50 and \$10.00. Once the stock has traded at or above these prices for 20 consecutive trading days, Mr. Banzhaf has the right to exercise an option to purchase 1,000,000 shares of common stock at the closing price on the first day after the stock has traded for 20 consecutive days at or above each milestone stock price. These options expire one year after Mr. Banzhaf has been terminated without cause.

The board also granted Judson Bibb an option to purchase 2,000,000 shares of the Company's common stock, at a purchase price of par value or \$0.001 per share. The options expire one year after Mr. Bibb has been terminated without cause. The options can be exercised on a cashless basis.

The Company received another letter from counsel to Spirit Bear on March 7, 2013 indicating that the Company was still in default of its obligations under the SPA, that the Company knowingly prevented the Spirit Bear directors from considering certain self-dealing salary increases, and that the option grant to Judson Bibb discussed above triggered the anti-dilution provision provided for in the Purchase Agreement.

On March 21, 2013, the Company and Judson Bibb signed an agreement rescinding the options granted.

On March 24, 2013, the Company and Theodore Banzhaf signed an agreement rescinding the decrease in the milestone price of the five options to purchase one million shares as well as the cashless exercise thereof awarded to the President.

Pursuant to the Securities Purchase Agreement, as amended on April 12, 2013, the Company shall have the option to require Spirit Bear to purchase up to an additional Two Hundred (200) Preferred Shares and associated Warrants at a Subsequent Closing in the event that written certification ("Certification Notice") shall have been received by the Company from a federally licensed testing facility reasonably acceptable to Spirit Bear, evidencing that three motors or alternators or two motors and one AMP system incorporating the Company's technology have been comprehensively tested in accordance with applicable NEMA, ANSI and IEEE standards and that the results of these tests meet or exceed the minimum requirements for certification under those standards; that those same motors, alternators and/or system incorporating the Company's technology have passed tests with respect to (i) IEEE 112 in Methods E, E1, F or F1 with a maximum horsepower of 4,000 for F or F1, (ii) sound pressure testing to IEEE 85 and NEMA MG1 20 standards, (iii) bearing temperature testing, (iv) speed versus torque/current testing, (v) polarization index testing per IEEE 45 standards, and (vi) IEEE 112 Method B for full efficiency; and that testing evidences an improvement in power density of at least 12%) compared to the same motor or alternator not incorporating the technology. In the event the Company shall not have received the Certification Notice by December 14, 2013, Spirit Bear shall have a 12 month option, commencing on December 14, 2013, exercisable at its sole discretion by delivery of written notice to the Company, to purchase the additional Two Hundred (200) Preferred Shares and associated Warrants in a closing to be held within seven (7) days of such notice. On December 13, 2013 Spirit Bear and its counsel were advised that since the results of the testing of the Company's technology met or exceeded the minimum requirements as provided, Spirit Bear no longer has such option.

In connection with the sale of the Preferred Stock and Warrants, the Company and Spirit Bear entered into a Patent and Securities Agreement. Pursuant to the Patent and Security Agreement, the Company may, under certain circumstances, grant to Spirit Bear a security interest in certain patents set forth in the Patent and Security Agreement.

On April 12, 2013, the Company and Spirit Bear executed an agreement regarding the settlement of allegations that the Company did not perform certain obligations pursuant to the Securities Purchase Agreement dated December 14, 2012 with Spirit Bear, and with respect to certain actions taken by the Company with respect to providing compensation to its management. This Settlement Agreement is one of the Spirit Bear Agreements defined herein. Spirit Bear agreed to discharge the Company from all such claims Spirit Bear may have had as well as to forgo all

actions of any kind related to those claims which existed on or prior to April 12, 2013. The Settlement Agreement also provides that its signing did not constitute an admission of wrongdoing or liability.

The Settlement Agreement provides that the Certificate of Designation be amended to provide that each share of Series A Convertible Preferred Stock can be converted into 50,000 shares of common stock and have the voting rights equal to 50,000 shares.

The Company and Spirit Bear also agreed to change the terms of the option provided to Spirit Bear in the Securities Purchase Agreement as provided above.

Since the Company had never had a stockholders' meeting since its inception, management of the Company, in or about the last quarter of calendar 2013, desired to have such a meeting. The initial draft of a proxy for an annual meeting was first circulated to the Board of Directors of the Company in June and input was received from counsel retained by the three directors (the "SBL Directors") nominated by Spirit Bear and subsequently appointed by the Board (namely, Jay Palmer, Carrie Dwyer and Donica Holt); the draft was circulated back and forth for over a month. Simultaneous with the preparation of said proxy, the Company and the SBL Directors were negotiating, among others, terms of future capital raises and board committees. Once counsel to the SBL Directors made it clear that they would not move further with these negotiations until and unless certain material changes were made with respect to the management of the Company, there were no further discussions regarding a settlement. Notwithstanding the litigation between the parties described below, in a further attempt to provide the stockholders of the Company an opportunity to be heard, on September 30th a draft of a special meeting of the stockholders was sent to counsel to Spirit Bear. One of the proposals of this meeting to be called by the Chairman of the Company was a proposal that was included in the previous drafts - to amend the Bylaws to provide that the Company's Board of Directors shall have the power to remove a director from office. Counsel to the SBL Directors objected to the inclusion of such a proposal. Said counsel also objected to the narrative describing the relationship with SBL, and after several drafts the language which was ultimately agreed upon between management and the SBL Directors is contained in the proxy filed by the Company on November 1st (the "Initial Proxy").

However, after the filing of the definitive Initial Proxy on November 15th, management of the Company determined that the stockholders holding a majority of the issued and outstanding shares should have the ability to elect the directors of the Company. In order for that to occur, the three management directors determined to add a proposal regarding amending the bylaws. Accordingly, all the disclosure contained in the Initial Proxy (which in its entirety had been approved by the SBL Directors and its counsel) was identical to that contained in the Initial Proxy, other than the disclosure with respect to the proposal regarding amending the bylaws as well as certain other disclosure which the Company revised from the Initial Proxy.

The entire Board, including the SBL Directors, received a draft of the Proxy on December 5th, with a note that the Proxy was going to be filed that day. Neither the Company nor its counsel heard from any of the SBL Directors, their corporate counsel or their Nevada litigation firm prior to the filing of the preliminary Proxy. Moreover, during the ten-day review period neither the Company nor its counsel heard from any of the SBL Directors or their counsel regarding this Proxy.

On August 16, 2013, the Company received a Demand for Documents and Demand to Cease and Desist from Nevada counsel representing Spirit Bear and Jay Palmer, one of the three directors of the Company who had been designated by Spirit Bear. Such notice requires the Company to provide Mr. Palmer all books and records regarding all equity or debt issued by the Company since January 1, 2013 and an accounting of all compensation disbursed to Company executive officers since such date. Spirit Bear contends that management of the Company issued equity or debt without authority, and established compensation levels for the Company's officers and paid salaries to its officers in violation of its agreements with Spirit Bear and the Company's public filings.

On August 27, 2013 the Company filed a complaint in the United States District Court against Spirit Bear, Jay Palmer, Carrie Dwyer and Donica Holt (Case 2:13-cv-01548) (the "Lawsuit") seeking judicial declaration that the Board resolutions from February 2013 authorizing the compensation of management and the issuance of debt and equity is valid and the defendants are bound by the Settlement Agreement. The defendants indicated that they will seek indemnification from the Company as a result of the Company initiating this Lawsuit. The Company amended its complaint and dismissed Mr. Palmer and Mrs. Dwyer and Holt from the Lawsuit and sought an emergency summary judgment motion requesting declaratory relief that the February resolutions are valid. The motion for summary judgment was denied. Defendant Spirit Bear objected to the Company's designation of its motion as a purported emergency because it improperly denied Spirit Bear the opportunity to respond to the Company's amended complaint, conduct discovery and investigate the Company's claims. On October 28, 2013, Spirit Bear responded to the Company's amended complaint and asserted derivative third-party claims in the Lawsuit on behalf of HPEV against Timothy Hassett, Theodore Banzhaf, Quentin Ponder, Judson Bibb and Mark Hodowanec.

On September 16, 2013, Jay Palmer brought an emergency petition for a writ ordering the Company to allow him to inspect the books and records of the Company. On October 1, 2013 the court granted Mr. Palmer the right to inspect the books and records regarding (a) all equity or debt issued by Company management since January 1, 2013 and (b) all compensation disbursed to the Company's executive officers since January 1, 2013, with an accounting of disbursements. To date, the Company has not received any notification from Mr. Palmer or his counsel regarding when he desires to inspect the books and records with respect to said two matters.

On October 5, 2013, the Company issued Spirit Bear a warrant to purchase up to 500,000 shares of common stock at an exercise price of \$0.035 per share as a result of not maintaining an effective registration statement for its securities.

On March 31, 2014, we issued 500,000 shares of common stock to Spirit Bear upon the conversion of 10 shares of Preferred Stock.

Hassett v. Palmer (Case No. 14-004473), in which Hassett sought to compel Palmer, Dwyer and Holt to produce and submit for inspection and examination, the corporate books, records and other HPEV related documents, that Palmer, Dwyer and Holt have in their possession. Palmer, Dwyer, and Holt opposed Hassett's request and moved to dismiss the New York proceeding on July 2, 2014.

Palmer, et. al. v. HPEV, Hassett v. Palmer (Case No. 14-004473).

Palmer, et. al. v. HPEV (Case: A-14-703641-B), finding that Palmer, Dwyer, and Holt's request for indemnification and advancement of fees was not ripe for adjudication.

On June 27, 2014, Spirit Bear filed an Amended Answer to First Amended Complaint; Amended Verified Derivative Counter and Third-Party Claim; and Verified Counterclaim ("Amended Counterclaim"). Among other things, the Amended Counterclaim alleged that Spirit Bear is contractually entitled to have Palmer, Dwyer and Holt serve as directors of the Company. Spirit Bear further alleged "that the Non-Management Directors are still directors on the HPEV Board, and have been since their purported non-election at HPEV's annual meeting." Spirit Bear alleges (i) that the proposal for majority voting did not have proper Board approval and (ii) that its directors remain on the board until they resign or are removed, in addition to a successor being elected and qualified.

On July 8, 2014, Spirit Bear filed a Motion for Partial Summary Judgment which seeks an order from the court declaring that the Company's Board of Directors is and has been comprised of six directors since March 6, 2013, which would include Jay Palmer, Carrie Dwyer and Donica Holt, the SBL Directors.

The Company filed a lawsuit on September 25, 2014 in the United States District Court for the Eastern District of New York against Spirit Bear Limited, Jay Palmer and Robert Olins (the "New York Defendants"). Among other things, the company's lawsuit sought the rescission of the December 14, 2012 Securities Purchase Agreement through which Spirit Bear Limited acquired preferred shares in the company as well as certain related warrants (the "SPA"). The Company's suit alleges that the SPA should be rescinded because, among other things, it was the product of duress and was induced by fraud. In the event the SPA is rescinded, the company will seek the return of all shares, warrants, and other interests in the company that Spirit Bear Limited acquired pursuant to the SPA.

The Company's lawsuit also sought the rescission of an April 12, 2013 settlement agreement between the company and Spirit Bear Limited (the "Settlement Agreement") on grounds of duress and fraudulent inducement. Pursuant to the Settlement Agreement, Spirit Bear received an increase in the conversion rate of its preferred stock in the company from 20,000 to 50,000 common shares per preferred share. In the event the Court declines to rescind the SPA but orders the rescission of the Settlement Agreement, the company would seek to have Spirit Bear's conversion rate restored to 20,000 common shares per preferred share. The Company's lawsuit also alleged other claims against the New York Defendants, including claims of negligent misrepresentation and securities fraud under federal and state law. The lawsuit in the Eastern District of New York was voluntarily dismissed on November 22, 2014 in favor of an alternate lawsuit filed by the Company in the Southern District of New York on November 18, 2014, advancing similar claims.

By Order dated November 26, 2014, Judge Jennifer A. Dorsey issued a partial declaratory judgment in favor of Spirit Bear declaring that Palmer, Dwyer and Holt remained as holdover directors of the Company even though they failed to receive sufficient votes to be elected at the January 13, 2014 Annual Meeting. The Company had already noticed a Special Meeting of Shareholders scheduled for December 10, 2014 in order to elect successors to Palmer, Dwyer and Holt. However, Spirit Bear had not been provided the opportunity to nominate three persons to fill those positions and objected declaring that Palmer, Dwyer and declaring that Jay Palmer, Carrie Dwyer, and Donica Holt remained holdover directors on the HPEV board despite the January 2014 director election; the clerk shall enter partial judgment accordingly. Pursuant to the ruling rendered on Friday, December 5, 2014 by Judge Jennifer A. Dorsey of the United States District Court, District of Nevada, the special meeting of the stockholders of the Company scheduled for December 10th which was called by Timothy Hassett and Theodore H. Banzhaf was postponed in order to provide Spirit Bear Limited with the opportunity to designate three nominees to the board of directors of the Company pursuant to Article III, Section 17 of the bylaws of the Company. Thus, Spirit Bear was provided the opportunity to nominate three candidates for the director positions and a new Special Meeting has been called.

On January 28, 2015, the Company reached an agreement with Spirit Bear and its affiliates and assignees which, upon the purchase by the Company of certain specified securities held by Spirit Bear on a date and at an amount specified in the agreement, would permanently resolve, settle, dismiss, and release all actual and potential claims among them without liability therefor.

On May 1, 2015, the Company executed a Settlement and Release Agreement (the "Release") with Spirit Bear and the parties identified as the assignees of Spirit Bear who are signatories to the Release. Pursuant to the terms of the Release, the parties have agreed to resolve with finality all issues related directly to and arising from the Securities Purchase Agreement dated as of December 14, 2012, including dismissing all the lawsuits as well as unconditionally releasing all actions, complaints, liabilities, obligations, damages, expenses and the like among the parties and related or affiliated persons. The Company agreed to file a registration statement on Form S-1 covering an aggregate of 14,028,385 shares of common stock, preferred stock and warrants on behalf of Spirit Bear and its assignees. Spirit Bear agreed that Jay Palmer, Carrie Dwyer and Donica Holt, the Spirit Bear holdover directors, shall tender their resignation letters from the Board of Directors of the Company upon the filing of the Registration Statement. Furthermore, Spirit Bear also agreed that as of the date the Company files the Registration Statement, Spirit Bear will no longer have any rights to appoint nominees to the Board of Directors. Upon the effective date of the Registration Statement, each of the parties to the Release agreement shall release the others from all claims the party ever had against the others, other than claims to enforce the Release and/or damages provided for in the Release.

On June 1, 2015, the Company executed a First Amendment to Settlement Agreement (the "Amendment") with Spirit Bear and the parties identified as the assignees of Spirit Bear who are signatories to the Amendment. In accordance with the terms of the Amendment, Spirit Bear agreed that Jay Palmer, Carrie Dwyer and Donica Holt, the Spirit Bear holdover directors, will tender their resignation letters from the Board of Directors of the Company as of the effective date, to be delivered to the Company on or before June 3, 2015. Spirit Bear also agreed that it will no longer have any rights to appoint nominees to the Board of Directors.

Pursuant to the Amendment, the Company agreed to file a registration statement on Form S-1 covering an aggregate of 14,028,385 shares of common stock, preferred stock and warrants on behalf of Spirit Bear and its assignees (the "Registration Statement") no later than July 15, 2015. The Company agreed to issue replacement warrants for certain previously-issued warrants, which will be canceled in connection with the replacement issuance.

Within 10 business days of June 1, 2015, the parties dismissed all of the pending litigation between and among them.

Spirit Bear also executed an Indemnification Agreement on June 1, 2015 indemnifying the Company from any claim, exposure, cost, expense, or liability related to the previously-issued warrants or to a lien filed by Spirit Bear's previous attorneys.

Except as outlined above, none of the following parties has had any material interest, direct or indirect, in any transaction with us or in any presently proposed transaction that has or will materially affect us, other than as noted in this proxy:

- Any of our directors or officers,
- Any person proposed as a nominee for election as a director,
- Any person who beneficially owns, directly or indirectly, shares carrying more than 5% of the voting rights attached to our outstanding shares of common stock, and
- Any relative or spouse of any of the foregoing persons who has the same house as such person.

PROPOSAL – CHANGE IN THE NAME OF THE COMPANY

The Board of the Company is asking the stockholders to authorize a change in the name of the company from its current name to "Cool Technologies, Inc." The Board believes that the name HPEV is difficult for potential customers and believes that "Cool Technologies, Inc." better reflects the Company's mission and core capabilities. In order to effectuate such change, stockholders holding a majority of the issued and outstanding shares of the Company must approve the amendment to the Company's Articles of Incorporation to change the name.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS A VOTE IN FAVOR OF THE CHANGE IN THE NAME OF THE COMPANY

PROPOSAL – ELECTION OF DIRECTORS

Each nominee for election as a replacement director must receive the affirmative vote of a majority of the issued and outstanding shares of the Company's Common Stock, present in person or by proxy at the meeting and entitled to vote on the proposal. Abstentions may not be specified as to the election of directors, but you may withhold your vote as to any nominee. Votes that are withheld from a director's election will be counted toward a quorum. Since the minimum required vote to elect a director is a majority of the issued and outstanding shares rather than the majority of votes actually cast, the failure to vote on the election of a director is the functional equivalent of a "NO" vote. Broker non-votes will similarly be the functional equivalent of a "NO" vote.

Currently the Board of Directors of the Company consists of three persons, Timothy Hassett, Quentin Ponder and Judson Bibb.

We are not aware of any material proceedings to which any of our directors or executive officers or any associate of any such persons is currently a party adverse to us or any of our subsidiaries or has a material interest adverse to us or any of our subsidiaries. None of our officers or directors has been affiliated with any company that has filed for bankruptcy within the last ten years.

Involvement in certain legal proceedings

None of the nominees appointed by the Board has been convicted in a criminal proceeding, excluding traffic violations or similar misdemeanors, or has been a party to any judicial or administrative proceeding during the past ten years that resulted in a judgment, decree or final order enjoining the person from future violations of, or prohibiting activities subject to federal or state securities laws (except where not subsequently dismissed without sanction or settlement), or from engaging in any type of business practice, or a finding of any violation of federal or state securities laws. No petition under the federal bankruptcy laws or any state insolvency law was filed by or against, or a receiver, fiscal agent or similar officer was appointed by a court for the business or property of any of the nominees appointed, or any partnership in which any of said persons was a general partner at or within two years before the time of such filing, or any corporation or business association of which any of the nominees appointed as an executive officer at or within two years before the time of such filing.

Audit Committee and Financial Expert; Committees

The Company does not have an audit committee. We are not a "listed company" under SEC rules and are therefore not required to have an audit committee comprised of independent directors.

We do not currently have a "financial expert" within the meaning of the rules and regulations of the SEC.

The Company has no nominating or compensation committees at this time. The entire Board participates in the nomination and audit oversight processes and considers executive and director compensation. Given the size of the Company and its stage of development, the management directors do not consider it beneficial to have such committees but prefer to have the entire Board involved in such decision making processes.

PROPOSAL TO INCREASE THE AUTHORIZED SHARES OF COMMON STOCK FROM 100,000,000 SHARES TO 140,000,000 SHARES OF COMMON STOCK

The Company's current Articles of Incorporation authorize the issuance of 100,000,000 shares of Common Stock. As of June 16, 2015, there were 66,192,770 shares of Common Stock issued and outstanding. We would have to issue an aggregate of 10,000,000 shares of common stock if the current outstanding options to purchase shares of common stock are exercised, 29,856,807 shares of our common stock if the outstanding warrants are converted and to 7,000,000 shares of common stock if the 140 shares of our Preferred Stock would be converted. According to our Articles of Incorporation we are only authorized to issue 100,000,000 shares of common stock. Accordingly, we need to amend our Articles to Incorporation to increase the number of shares of common stock we are authorized to issue.

The purpose of the proposed increase in authorized share capital is to make available additional shares of Common Stock for issuance for general corporate purposes without the requirement of further action by the stockholders of the Company. Further, the increase in authorized shares is to ensure that there are a more than adequate number of shares available for the Company to execute on the outstanding securities currently issued. Furthermore, and independent of the need to have additional shares of common stock available for the exercise or conversion of outstanding convertible securities, the Company will need additional authorized shares in connection with establishing additional employee or director equity compensation plans or arrangements or for other general corporate purposes. There is currently no agreement or arrangement with respect to any of the foregoing other than as described herein. Increasing the authorized number of shares of the Common Stock of the Company will provide the Company with greater flexibility and allow the issuance of additional shares of Common Stock in most cases without the expense or delay of seeking further approval from the stockholders.

The shares of Common Stock do not carry any pre-emptive rights. The adoption of the Amendment will not of itself cause any changes in the Company's capital accounts.

The increase in authorized share capital will not have any immediate effect on the rights of existing holders of the Company's Common Stock. However, the Board of Directors will have the authority to issue authorized shares of Common Stock without requiring future approval from the stockholders of such issuances, except as may be required by applicable law. To the extent that additional authorized shares of Common Stock are issued in the future, they will decrease the existing stockholders' percentage equity ownership interests and, depending upon the price at which such shares of common stock are issued, could be dilutive to the existing stockholders. Any such issuance of additional shares of Common Stock could have the effect of diluting the earnings per share and book value per share of outstanding shares of Common Stock of the Company.

One of the effects of the increase in authorized share capital, if adopted, however, may be to enable the Board to render it more difficult to or discourage an attempt to obtain control of the Company by means of a merger, tender offer, proxy contest or otherwise, and thereby protect the continuity of present management. The Board would, unless prohibited by applicable law, have additional shares of Common Stock available to effect transactions (including

private placements) in which the number of the Company's outstanding shares would be increased and would thereby dilute the interest of any party attempting to gain control of the Company. Such action, however, could discourage an acquisition of the Company, which the stockholders of the Company might view as desirable.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMEND A VOTE IN FAVOR OF THE AMENDMENT TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK
