**Item 1.01 Entry into a Material Definitive Agreement.**

*Securities Purchase Agreement*

On May 22, 2016, OncoSec Medical Incorporated (the “Company”) entered into a Securities Purchase Agreement (the “Securities Purchase Agreement”) with certain accredited investors (the “Purchasers”) pursuant to which the Company has agreed to issue and sell to the Purchasers (the “Offering”) an aggregate of 665,049 shares of the Company’s Common Stock (collectively, the “Shares”), pre-funded Series B warrants to purchase an aggregate of 4,844,593 shares of Common Stock (the “Series B Warrants” and the shares issuable upon exercise of the Series B Warrants, the “Series B Warrant Shares”) and Series A warrants to purchase an aggregate of 5,509,642 shares of the Company’s Common Stock (collectively, the “Series A Warrants” and the shares issuable upon exercise of the Series A Warrants, collectively, the “Series A Warrant Shares”).

The aggregate gross proceeds of the offering are expected to be approximately \$10 million (excluding proceeds receivable upon the exercise of the Series A Warrants and Series B Warrants). Additionally net proceeds, after deducting the Placement Agent Fee (described below) and other estimated offering expenses payable by the Company, are expected to be approximately \$9.1 million. The Company expects that the Offering will close on or about May 26, 2016, subject to the satisfaction of customary closing conditions. The Company intends to use the net proceeds from the Offering for general corporate purposes, including clinical trial expenses and research and development expenses.

Pursuant to the terms of the Securities Purchase Agreement, each share of Common Stock in the Offering will be accompanied by a Series A Warrant to purchase one share of Common Stock. Each share of Common Stock and accompanying Series A Warrant will be sold together at a negotiated price of \$1.815. Each Series B Warrant to purchase one share of Common Stock will be accompanied by a Series A Warrant to purchase one share of Common Stock. Each Series B Warrant and accompanying Series A Warrant will be sold together at a negotiated price of \$1.805. The Series B Warrants are being issued to prevent the beneficial ownership of a Purchaser (together with its affiliates and certain related parties) of our Common Stock from exceeding 4.99%. The Series B Warrants have an exercise price of \$0.01 per share, are exercisable immediately upon issuance and expire upon their exercise in full. The Series A Warrants have an exercise price of \$1.69 per share, are exercisable upon issuance and have a term of exercise equal to nine years from the date of issuance of the Series A Warrants.

The Securities Purchase Agreement also contains customary conditions to closing, representations and warranties of the Company, and termination rights of the parties, as well as certain indemnification obligations of the Company and ongoing covenants for the Company, including a prohibition on sales of Common Stock or securities convertible or exchangeable into Common Stock by the Company for a period of 150 days after the closing of the Offering, subject to certain exclusions, and a prohibition on the Company conducting certain variable rate transactions or issuing any

Common Stock or Common Stock equivalents in an “at the market” offering for a period of one year from the closing of the Offering.

The issuance and sale of the Shares, Series A Warrants, the Series A Warrant Shares, the Series B Warrants, and the Series B Warrant Shares (collectively, the “Securities”) is registered under the Securities Act of 1933 (the “Securities Act”) pursuant to the Company’s Registration Statement on Form S-3 (No. 333-195387), which was declared effective by the Securities and Exchange Commission (the “SEC”) on May 12, 2014, as supplemented by a prospectus supplement dated May 24, 2016 and filed with the SEC pursuant to Rule 424(b)(5) under the Securities Act (the “Registration Statement”). The Securities may only be offered by means of a prospectus. Copies of the prospectus and prospectus supplement can be obtained directly from the Company and at the SEC’s website at [www.sec.gov](http://www.sec.gov) or by request by emailing H.C. Wainwright & Co., LLC (“Wainwright”) at [placements@hcwco.com](mailto:placements@hcwco.com). No statement in this document or the attached exhibits is an offer to purchase or a solicitation of an offer to sell securities. No offer, solicitation or sale will be made in any jurisdiction in which such offer, solicitation or sale is unlawful. The Securities Purchase Agreement has been included to provide investors with information regarding its terms, but it is not intended to provide other factual information about the Company. The Securities Purchase Agreement contains representations and warranties that the Company has made to the Purchasers. Investors should not rely on the representations and warranties made by the Company in the Securities Purchase Agreement as characterizations of the actual state of facts at the time they were made or otherwise.

In addition, the Company agreed to issue warrants to purchase an aggregate of up to 5.0% of the aggregate number of shares of Common Stock sold in the Offering to the placement agent or its designees, including all of the shares issuable upon exercise of the Series B Warrants, assuming such warrants were immediately exercised in full, and excluding any shares of Common Stock issuable upon exercise of the Series A Warrants (the “Placement Agent Warrants”).
