Dear Stockholders:

You are cordially invited to attend the 2016 Annual Meeting of Stockholders of GoPro Inc., which will be held virtually on Monday, June 6, 2016 at 10:00 a.m. (Pacific Time). The virtual Annual Meeting can be accessed by visiting www.virtualshareholdermeeting.com/GPRO2016, where you will be able to listen to the meeting live, submit questions and vote online. We believe that a virtual stockholder meeting provides greater access to those who may want to attend and therefore have chosen this over an in-person meeting.

The matters expected to be acted upon at the virtual Annual Meeting are described in detail in the accompanying Notice of Annual Meeting of Stockholders and Proxy Statement.

Your vote is important. Whether or not you plan to attend the meeting, please cast your vote as soon as possible by Internet or telephone, or by completing and returning the enclosed proxy card in the postage-prepaid envelope to ensure that your shares will be represented. Your vote by written proxy will ensure your representation at the Annual Meeting regardless of whether you attend the virtual meeting or not. Returning the proxy does not deprive you of your right to attend the meeting and to vote your shares at the virtual meeting.

We look forward to your attendance at our virtual Annual Meeting.

Sincerely,

Nicholas Woodman
Chief Executive Officer

PROXY STATEMENT FOR THE 2016 ANNUAL MEETING OF STOCKHOLDERS

April 22, 2016

INFORMATION ABOUT SOLICITATION AND VOTING

The accompanying proxy is solicited on behalf of the board of directors of GoPro, Inc. (“GoPro”) for use at GoPro’s 2016 Annual Meeting of Stockholders (“Annual Meeting”) to be held virtually on June 6, 2016, at 10:00 a.m. (Pacific Time), and any adjournment or postponement of the Annual Meeting. The virtual Annual Meeting can be accessed by visiting www.virtualshareholdermeeting.com/GPRO2016, where you will be able to listen to the meeting live, submit questions and vote online. The Notice of Internet Availability of Proxy Materials and this proxy statement for the Annual Meeting (“Proxy Statement”) and the accompanying form of proxy were first distributed and made available on the Internet to stockholders on or about April 22, 2016. GoPro’s annual report on Form 10-K for the year ended December 31, 2015 filed on February 29, 2016 (“Annual Report”) will be available with this Proxy Statement by following the instructions in the Notice of Internet Availability of Proxy Materials.

INTERNET AVAILABILITY OF PROXY MATERIALS

In accordance with U.S. Securities and Exchange Commission (“SEC”) rules, we are using the Internet as our primary means of furnishing proxy materials to stockholders. Consequently, most stockholders will not receive paper copies of our proxy materials. We will instead send these stockholders a Notice of Internet Availability of Proxy Materials with instructions for accessing the proxy materials, including our Proxy Statement and Annual Report, and voting via the Internet. The Notice of Internet Availability of Proxy Materials also provides information on how stockholders may obtain paper copies of our proxy materials if they so choose. We believe this rule makes the proxy distribution process more efficient and less costly, and helps in conserving natural resources.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING

Purpose of the Annual Meeting

At the Annual Meeting, stockholders will act upon the proposals described in this Proxy Statement.

Record Date; Quorum

Only holders of record of our Class A common stock and Class B common stock at the close of business on April 13, 2016 (“Record Date”) will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, we had 101,875,627 shares of Class A common stock and 36,382,406 shares of Class B common stock outstanding and entitled to vote.

The holders of a majority of the voting power of the shares of our Class A common stock and Class B common stock (voting together as a single class) entitled to vote at the Annual Meeting as of the Record Date must be present at the virtual Annual Meeting in order to hold the Annual Meeting and conduct business. This presence is called a quorum. Your shares are counted as present at the Annual Meeting if you are present and vote online at the virtual Annual Meeting or if you have properly submitted a proxy.

Voting Rights; Required Vote

In deciding all matters at the Annual Meeting, each holder of shares of our common stock is entitled to one vote for each share of Class A common stock held and ten votes for each share of Class B common stock held as of the close of business on the Record Date. We do not have cumulative voting rights for the election of directors. You may vote all shares owned by you as of the Record Date, including (i) shares held directly in your name as the stockholder of record, and (ii) shares held for you as the beneficial owner in street name through a broker, bank, trustee, or other nominee.

Edgar Filing: GoPro, Inc. - Form DEF 14A

Stockholder of Record: Shares Registered in Your Name. If, on the Record Date, your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are considered the stockholder of record with respect

1

to those shares. As a stockholder of record, you may vote at the virtual Annual Meeting or vote by telephone, by Internet, or by filling out and returning the proxy card.

Beneficial Owner: Shares Registered in the Name of a Broker or Nominee. If, on the Record Date, your shares were held in an account with a brokerage firm, bank or other nominee, then you are the beneficial owner of the shares held in street name. As a beneficial owner, you have the right to direct your nominee on how to vote the shares held in your account, and your nominee has enclosed or provided voting instructions for you to use in directing it on how to vote your shares. However, the organization that holds your shares is the stockholder of record for purposes of voting at the Annual Meeting. Because you are not the stockholder of record, you may not vote your shares at the virtual Annual Meeting unless you request and obtain a valid proxy from the organization that holds your shares giving you the right to vote the shares at the Annual Meeting.

Proposal No. 1 – Election of Directors. Each director will be elected by a plurality of the votes cast, which means that the seven individuals nominated for election to the board of directors at the Annual Meeting receiving the highest number of “FOR” votes will be elected. You may either vote “FOR” one or any of the nominees or “WITHHOLD” your vote with respect to one or any of the nominees.

Proposal No. 2 – Ratification of Appointment of Independent Registered Accounting Firm. Ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016 will be obtained if the number of votes cast “FOR” the proposal at the Annual Meeting exceeds the number of votes “AGAINST” the proposal.

Proposal No. 3 – Re-approval of the GoPro, Inc. 2014 Equity Incentive Plan. Re-approval of our 2014 Equity Incentive Plan (“2014 Plan”) for the purpose of authorizing grants of French-qualified restricted stock units, will be obtained if the number of votes cast “FOR” the proposal at the Annual Meeting exceeds the number of votes “AGAINST” the proposal.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted either because (i) the broker did not receive voting instructions from the beneficial owner or (ii) the broker lacked discretionary authority to vote the shares. Abstentions occur when shares present at the Annual Meeting are marked “abstain.” A broker is entitled to vote shares held for a beneficial owner on “routine” matters, such as the ratification of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016, without instructions from the beneficial owner of those shares. On the other hand, absent instructions from the beneficial owner of such shares, a broker is not entitled to vote shares held for a beneficial owner on “non-routine” matters. All of the other proposals presented at the Annual Meeting are non-routine matters. Broker non-votes and abstentions are counted for purposes of determining whether a quorum is present, but have no effect on the outcome of the matters voted upon except where brokers can exercise discretion on “routine” matters. Accordingly, we encourage you to provide voting instructions to your broker, whether or not you plan to attend the Annual Meeting.

Recommendations of the Board of Directors on Each of the Proposals Scheduled to be Voted on at the Annual Meeting

The board of directors recommends that you vote “FOR” each of the directors named in this Proxy Statement (“Proposal 1”), “FOR” the ratification of the appointment of PricewaterhouseCoopers LLP as our independent registered public accounting firm for 2016 (“Proposal 2”) and “FOR” the re-approval of the 2014 Equity Incentive Plan for the purpose of authorizing grants of French-qualified restricted stock units (“Proposal 3”). None of the directors or executive officers has any substantial interest in any matter to be acted upon, other than elections to office with respect to the directors so nominated.

Voting Instructions; Voting of Proxies

If you are a stockholder of record, you may:

vote via the virtual meeting website—any stockholder can attend the virtual Annual Meeting by visiting www.virtualshareholdermeeting.com/GPRO2016, where stockholders may vote and submit questions during the meeting. The Annual Meeting starts at 10:00 a.m. (Pacific Time) on June 6, 2016. Please have your 16-Digit Control Number to join the Annual Meeting. Instructions on how to attend and participate via the Internet, including how to demonstrate proof of stock ownership, are posted at www.proxyvote.com;

vote via telephone or Internet—in order to do so, please follow the instructions shown on your proxy card; or

vote by mail—complete, sign and date the proxy card enclosed herewith and return it before the Annual Meeting in the envelope provided.

Edgar Filing: GoPro, Inc. - Form DEF 14A

Votes submitted by telephone or Internet must be received by 11:59 p.m. (Eastern Time) on June 5, 2016. Submitting your proxy, whether via the Internet, by telephone, or by mail, will not affect your right to vote in person should you decide to attend the virtual Annual Meeting. If you are not the stockholder of record, please refer to the voting instructions provided by your nominee to direct your nominee on how to vote your shares. You may either vote "FOR" all of the nominees to the board of directors, or you may withhold your vote from all nominees or any nominee you specify. For Proposals 2 and 3, you may vote "FOR" or "AGAINST" or "ABSTAIN" from

voting. Your vote is important. Whether or not you plan to attend the virtual Annual Meeting, we urge you to vote by proxy to ensure that your vote is counted.

All proxies will be voted in accordance with the instructions specified on the proxy card. If you sign a physical proxy card and return it without instructions as to how your shares should be voted on a particular proposal at the Annual Meeting, your shares will be voted in accordance with the recommendations of our board of directors stated above. If you do not vote and you hold your shares in street name, and your broker does not have discretionary power to vote your shares, your shares may constitute “broker non-votes” (as described above) and will not be counted in determining the number of shares necessary for approval of the proposals. However, shares that constitute broker non-votes will be counted for the purpose of establishing a quorum for the Annual Meeting.

If you receive more than one proxy card, this is because your shares are registered in more than one name or are registered in different accounts. To make certain all of your shares are voted, please follow the instructions included on each proxy card and vote each proxy card by telephone or the Internet. If voting by mail, please complete, sign and return each proxy card to ensure that all of your shares are voted.

Expenses of Soliciting Proxies

GoPro will pay the expenses of soliciting proxies. Following the original mailing of the soliciting materials, GoPro and its agents, including directors, officers and other employees, without additional compensation, may solicit proxies by mail, electronic mail, telephone, facsimile, by other similar means, or in person. Following the original mailing of the soliciting materials, GoPro will request brokers, custodians, nominees and other record holders to forward copies of the soliciting materials to persons for whom they hold shares and to request authority for the exercise of proxies. In such cases, GoPro, upon the request of the record holders, will reimburse such holders for their reasonable expenses. If you choose to access the proxy materials through the Internet, you are responsible for any Internet access charges you may incur.

Revocability of Proxies

A stockholder who has given a proxy may revoke it at any time before it is exercised at the Annual Meeting by:

• delivering to the Corporate Secretary of GoPro (by any means) a written notice stating that the proxy is revoked;

• signing and delivering a proxy bearing a later date;

• voting again by telephone or Internet; or

• attending and voting at the virtual Annual Meeting (although attendance at the virtual Annual Meeting will not, by itself, revoke a proxy).

Please note, however, that if your shares are held of record by a broker, bank or other nominee and you wish to revoke a proxy, you must contact that firm to revoke any prior voting instructions.

Voting Results

Voting results will be tabulated and certified by the inspector of elections appointed for the Annual Meeting. The preliminary voting results will be announced at the Annual Meeting. The final results will be tallied by the inspector of elections and filed with the SEC in a current report on Form 8-K within four business days of the Annual Meeting.

BOARD OF DIRECTORS AND COMMITTEES OF THE BOARD;

CORPORATE GOVERNANCE STANDARDS AND DIRECTOR INDEPENDENCE

GoPro is strongly committed to good corporate governance practices. These practices provide an important framework within which our board of directors and management can pursue our strategic objectives for the benefit of our stockholders.

Corporate Governance Guidelines

Our board of directors has adopted corporate governance guidelines that set forth the role of our board of directors, director independence standards, board structure and functions, director selection considerations, and other policies for the governance of the company (“Corporate Governance Guidelines”). Our Corporate Governance Guidelines are available in the Investor Relations section

of our website, which is located at <http://investor.gopro.com>, by clicking on “Corporate Governance.” Our nominating and governance committee reviews the Corporate Governance Guidelines annually, and recommends changes to our board of directors as warranted.

Board Leadership Structure

Our Corporate Governance Guidelines provide that our board of directors may choose its chairperson in any way that it considers in the best interests of our company. Our nominating and governance committee periodically considers the leadership structure of our board of directors, including the separation of the chairperson and chief executive officer roles and/or appointment of a lead independent director of our board of directors, and makes such recommendations to our board of directors with respect thereto as our nominating and governance committee deems appropriate. Our Corporate Governance Guidelines also provide that, when the positions of chairperson and chief executive officer are held by the same person, the independent directors may designate a “lead independent director.” In cases in which the chairperson and chief executive officer are the same person, the responsibilities of the lead independent director include: scheduling and preparing agendas for meetings of the independent directors; serving as a liaison among the chief executive officer and the independent directors; being available, under appropriate circumstances, for consultation and direct communication with stockholders; ensuring our board of directors is fulfilling its oversight responsibilities in strategy, risk oversight and succession planning; and performing such other functions and responsibilities as requested by our board of directors from time to time.

Currently, our board of directors believes that it is in the best interest of our company and our stockholders for our Chief Executive Officer, Mr. Woodman, to serve as both Chief Executive Officer and Chairman given his knowledge of our company and industry and strategic vision. Because Mr. Woodman serves in both these roles, our board of directors appointed Michael Marks to serve as our lead independent director. As lead independent director, Mr. Marks, among other responsibilities, presides over regularly scheduled meetings at which only our independent directors are present, serves as a liaison between the Chairman and the President and the independent directors, and performs such additional duties as our board of directors may otherwise determine and delegate. Our board of directors believes that its independence and oversight of management is maintained effectively through this leadership structure, the composition of our board of directors and sound corporate governance policies and practices.

Our Board of Directors’ Role in Risk Oversight

Our board of directors is primarily responsible for overseeing our risk management processes. Our board of directors, as a whole, determines the appropriate level of risk for GoPro, assesses the specific risks that we face and reviews management’s strategies for adequately mitigating and managing the identified risks. Although our board of directors administers this risk management oversight function, the committees of our board of directors support our board of directors in discharging its oversight duties and address risks inherent in their respective areas. The audit committee reviews our major financial risk exposures and the steps management has taken to monitor and control such exposures, including our procedures and related policies with respect to risk assessment and risk management. The compensation and leadership committee reviews risks and exposures associated with compensation plans and programs, including incentive plans. We believe this division of responsibilities is an effective approach for addressing the risks we face and that our board leadership structure supports this approach.

Director Independence

Our board of directors determines the independence of our directors by applying the applicable rules, regulations and listing standards of the NASDAQ Global Select Market (“NASDAQ”) and applicable rules and regulations promulgated by the SEC. The applicable rules, regulations and listing standards of NASDAQ provide that a director is independent only if the board of directors affirmatively determines that the director does not have a relationship with the company which, in the opinion of the board of directors, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director. They also specify various relationships that preclude a determination of director independence. Such relationships may include employment, commercial, accounting, family and other business, professional and personal relationships.

Applying these standards, our board of directors annually reviews the independence of our directors, taking into account all relevant facts and circumstances. In its most recent review, our board of directors considered, among other things, the relationships that each non-employee director has with our company and all other facts and circumstances

our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director.

As a result of this review, our board of directors determined that Messrs. Gilhuly, Goldman, Gotcher and Marks, representing four of our seven directors, are “independent directors” as defined under the applicable rules, regulations and listing standards of NASDAQ and applicable rules and regulations promulgated by the SEC. All members of our audit committee, compensation and leadership committee and nominating and governance committee must be independent directors under the applicable rules, regulations and listing standards of NASDAQ. Members of the audit committee also must satisfy a separate SEC independence requirement, which provides that (i) they may not accept directly or indirectly any consulting, advisory or other compensatory fee from GoPro or any of our subsidiaries other than their directors’ compensation, and (ii) they may not be an affiliated person of GoPro or any of our subsidiaries. Members of

the compensation and leadership committee also must satisfy a separate SEC independence requirement and a related NASDAQ listing standard with respect to their affiliation with GoPro and any consulting, advisory or other fees they may have received from us. Our board of directors has determined that all members of our audit committee, compensation and leadership committee and nominating and governance committee are independent and satisfy the relevant SEC and NASDAQ independence requirements for such committees.

Board Committees

Our board of directors has established an audit committee, a compensation and leadership committee and a nominating and governance committee. The composition and responsibilities of each committee are described below. Each of these committees has a written charter approved by our board of directors. Copies of the charters for the audit committee, compensation and leadership committee and nominating and governance committee are available, without charge, upon request in writing to GoPro, Inc., 3000 Clearview Way, San Mateo, California 94402, Attn: General Counsel or by clicking on “Corporate Governance” in the Investor Relations section of our website, <http://investor.gopro.com>. Members serve on these committees until their resignations or until otherwise determined by our board of directors.

Audit Committee

Our audit committee is comprised of Mr. Goldman, who serves as the chairman, and Messrs. Gilhuly and Gotcher. Our board of directors has determined that each member of the audit committee meets the requirements for independence under the applicable rules, regulations and listing standards of NASDAQ and applicable rules and regulations promulgated by the SEC. Each member of our audit committee is financially literate. In addition, our board of directors has determined that Mr. Goldman is an audit committee financial expert within the meaning of Item 407(d) of Regulation S-K of the Securities Act of 1933, as amended (“Securities Act”).

All audit services to be provided to us and all permissible non-audit services, other than de minimis non-audit services, to be provided to us by our independent registered public accounting firm will be approved in advance by our audit committee. Our audit committee, among other things:

- reviews the financial information which will be provided to stockholders and others;
- reviews our system of internal controls with management by consulting with management, our internal compliance team and the independent auditors;
- appoints, retains and oversees the performance of the independent registered public accounting firms;
- oversees our accounting and financial reporting processes and the audits of our financial statements;
- pre-approves audit and permissible non-audit services provided by the independent registered public accounting firm;
- and
- reviews related party transactions and proposed waivers of our Code of Business Conduct and Ethics.

Compensation and Leadership Committee

Our compensation and leadership committee is comprised of Mr. Marks, who serves as the chairman, and Messrs. Gilhuly and Gotcher. Our board of directors has determined that each member of our compensation and leadership committee meets the requirements for independence under current NASDAQ and SEC rules, regulations and listing standards. Each member of this committee is also a non-employee director, as defined pursuant to Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (“Exchange Act”), an outside director, as defined pursuant to Section 162(m) and is “independent” as defined in Section 5605(a)(2) of the NASDAQ rules and Rule 10C-1 promulgated under the Exchange Act. The purpose of our compensation and leadership committee is to discharge the responsibilities of our board of directors relating to compensation of our executive officers. Our compensation and leadership committee, among other things:

- reviews and determines the compensation of our executive officers and other executives reporting to the Chief Executive Officer;
- administers our equity incentive plans; and
- establishes and reviews general policies relating to compensation and benefits of our employees.

The compensation and leadership committee engaged an independent executive compensation consulting firm, Compensia, Inc. (“Compensia”), to evaluate our executive compensation program and practices and to provide advice and ongoing assistance on executive compensation matters for 2015. Specifically, Compensia was engaged to:

- provide compensation-related data for a peer group of companies to serve as a basis for assessing competitive compensation practices;
- review and assess our current director, Chief Executive Officer and other executive officer compensation policies and practices and equity profile relative to market practices;
- review and assess our current executive compensation program relative to market to identify any potential changes or enhancements to be brought to the attention of the compensation and leadership committee; and
- review market practices on employee stock purchase plans and other equity programs.

During 2015, Compensia worked directly with the compensation and leadership committee (and not on behalf of management) to assist the committee in satisfying its responsibilities and undertook no projects for management without the committee's prior approval. The compensation and leadership committee has determined that none of the work performed by Compensia during 2015 raised any conflict of interest.

Nominating and Governance Committee

The nominating and governance committee is comprised of Mr. Gilhuly, who serves as the chairman, and Mr. Marks. Our board of directors has determined that each member of our nominating and governance committee meets the requirements for independence under current NASDAQ rules, regulations and listing standards. Our nominating and governance committee, among other things:

- identifies, evaluates and recommends nominees, including stockholder nominees, to our board of directors and committees of our board of directors;
- conducts searches for appropriate directors;
- evaluates the performance of our board of directors and of individual directors;
- considers and makes recommendations to our board of directors regarding the composition of our board of directors and its committees and related compensation;
- reviews developments in corporate governance practices;
- evaluates the adequacy of our corporate governance practices and reporting; and
- makes recommendations to our board of directors concerning corporate governance matters.

Compensation Committee Interlocks and Insider Participation

None of the members of our compensation and leadership committee has at any time been one of our officers or employees. None of our executive officers currently serves, or in the past has served, as a member of the board of directors or compensation and leadership committee (or other board committee performing equivalent functions) of any entity that has one or more of its executive officers serving on our board of directors or our compensation and leadership committee.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to all of our employees, officers and directors ("Code of Conduct"). Our Code of Conduct is available on the Investor Relations section of our website located at <http://investor.gopro.com> by clicking on "Corporate Governance." We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding amendment to, or waiver from, a provision of our Code of Business Conduct and Ethics by posting such information to our website at the address and location specified above.

Board and Committee Meetings and Attendance

Our board of directors and its committees meet throughout the year on a set schedule, and also hold special meetings and act by written consent from time to time. During 2015, our board of directors met five times, including telephonic meetings, the audit committee held five meetings, the compensation and leadership committee held six meetings, and the nominating and governance committee held two meetings. None of the directors attended fewer than 75% of the aggregate of the total number of meetings held by our board of directors and by all committees of our board of directors on which such director served.

Board Attendance at Annual Stockholders' Meeting

Our policy is to invite and encourage each member of our board of directors to be present at our annual meetings of stockholders. All of our directors were present at our 2015 virtual annual meeting of stockholders held on June 8, 2015.

Presiding Director of Non-Employee Director Meetings

The non-employee directors meet in regularly scheduled executive sessions without management to promote open and honest discussion. Our lead independent director, Mr. Marks, is the presiding director at these meetings.

Communication with Directors

Stockholders and interested parties who wish to communicate with our board of directors, non-management members of our board of directors as a group, a committee of our board of directors or a specific member of our board of directors (including our Chairman or lead independent director) may do so by letters addressed to the attention of our General Counsel. All communications are reviewed by our General Counsel and provided to the members of our board of directors consistent with a screening policy providing that unsolicited items, sales materials, abusive, threatening or otherwise inappropriate materials and other routine items and items unrelated to the duties and responsibilities of our board of directors not be relayed on to directors. Any communication that is not relayed is recorded in a log and made available to our board of directors.

NOMINATIONS PROCESS AND DIRECTOR QUALIFICATIONS

Nomination to the Board of Directors

Candidates for nomination to our board of directors are selected by our board of directors based on the recommendation of the nominating and governance committee in accordance with the committee's charter, our certificate of incorporation and bylaws, our Corporate Governance Guidelines, and the criteria adopted by our board of directors regarding director candidate qualifications. In recommending candidates for nomination, the nominating and governance committee considers candidates recommended by directors, officers, employees, stockholders and others, using the same criteria to evaluate all candidates. Evaluations of candidates generally involve a review of background materials, internal discussions and interviews with selected candidates as appropriate and, in addition, the committee may engage consultants or third-party search firms to assist it in identifying and evaluating potential nominees. Alexander Lurie, our former Senior Vice President of Entertainment, was appointed to our board of directors in February 2016, after our Chief Executive Officer nominated Mr. Lurie to the nominating and governance committee for consideration.

Additional information regarding the process for properly submitting stockholder nominations for candidates for membership on our board of directors is set forth below under "Stockholder Proposals to Be Presented at Next Annual Meeting."

Director Qualifications

With the goal of developing a diverse, experienced and highly qualified board of directors, the nominating and governance committee is responsible for developing and recommending to our board of directors the desired qualifications, expertise and characteristics of members of our board of directors, including qualifications that the committee believes must be met by a committee-recommended nominee for membership on our board of directors and specific qualities or skills that the committee believes are necessary for one or more of the members of our board of directors to possess.

Since the identification, evaluation and selection of qualified directors is a complex and subjective process that requires consideration of many intangible factors, and will be significantly influenced by the particular needs of our board of directors from time to time, our board of directors has not adopted a specific set of minimum qualifications, qualities or skills that are necessary for a nominee to possess, other than those that are necessary to meet U.S. legal, regulatory and NASDAQ listing requirements and the provisions of our certificate of incorporation, bylaws, Corporate

Governance Guidelines, and charters of the board committees. In addition, neither our board of directors nor our nominating and governance committee has a formal policy with regard to the consideration of diversity in identifying nominees. When considering nominees, our nominating and governance committee may take into consideration many factors including, among other things, a candidate's independence, integrity, skills, financial and other expertise, breadth of experience, and knowledge about our business or industry and ability to devote adequate time and effort to responsibilities of our board of directors in the context

of its existing composition. Through the nomination process, the nominating and governance committee seeks to promote board membership that reflects a diversity of business experience, expertise, viewpoints, personal backgrounds and other characteristics that are expected to contribute to our board of directors' overall effectiveness. The brief biographical description of each director set forth in Proposal 1 below includes the primary individual experience, qualifications, attributes and skills of each of our directors that led to the conclusion that each director should serve as a member of our board of directors at this time.

PROPOSAL NO. 1

Each of our directors will stand for election at the Annual Meeting to be held on June 6, 2016 and shall serve for a one-year term expiring at the 2017 Annual Meeting of Stockholders and until such director's successor is duly elected and qualified or until such director's earlier death, resignation or removal.

Shares represented by proxies will be voted "FOR" the election of each of the seven nominees named below, unless the proxy is marked to withhold authority to so vote. Nicholas Woodman founded GoPro and has served as our Chief Executive Officer and a member of the board of directors since 2004, as Chairman since January 2014 and as President from 2004 until June 2014. Mr. Woodman got his start in 1998 by founding an online gaming company, Funbug.com. When that venture failed in 2001, Mr. Woodman planned an international surfing trip to look for inspiration. While preparing for that trip, Mr. Woodman had the idea for a 35mm film-based wrist camera that could be worn during sports like surfing, enabling the user to capture images while engaged in the sport. This idea became GoPro's first product, the HERO Camera. In the years that followed, Mr. Woodman, along with friends, family and employees, innovated on the HERO Camera concept along with a wide array of mounting devices that would make it easy to mount the camera to everything from helmets to surfboards, vehicles and more. Mr. Woodman holds a B.A. in Visual Arts from the University of California, San Diego. We believe Mr. Woodman's experience as the founder of GoPro and his knowledge of our products and customers give him the experience and leadership capabilities that qualify him to serve as a member of our board of directors.

Mr. Bates currently serves on the board of directors of eBay Inc., a global ecommerce website, and VMware, Inc., a global leader in cloud infrastructure and business mobility. We believe that Mr. Bates is qualified to serve on our board of directors due to his extensive executive leadership experience in the technology industry, including the

management of worldwide operations, sales, service and support areas.

Edward Gilhuly has served on our board of directors since March 2011. Mr. Gilhuly is the Founder and has served as Managing Partner at Sageview Capital, a private investment firm since May 2006. Prior to forming Sageview Capital, Mr. Gilhuly worked for 19 years at Kohlberg Kravis Roberts & Co., a private equity firm, where he was a Partner from 1994 to 2005 and a member of the firm's

He also serves on the board of trustees of the Berklee College of Music. Mr. Gotcher holds a B.A. in English Literature from the University of California at Berkeley. We believe Mr. Gotcher is qualified to serve as a member of our board of directors based on his broad understanding of the operational, financial and strategic issues facing public companies and his background providing guidance to companies in the digital media industry.

In August 2015, our board of directors approved certain changes to the director compensation policy (the “2015 Policy”), with the equity changes going into effect after the 2016 annual meeting of stockholders and the cash retainer changes going into effect in October 2015 and prorated for the remainder of the year. Pursuant to the 2014 Policy, following the annual meeting of our stockholders held on June 8, 2015, we granted each non-employee director a stock option having a grant date fair value computed in accordance with FASB ASC Topic 718 equal to \$150,000 (except with respect to Mr. Goldman as noted above). Each such stock option has a ten-year term and will vest in full on the earlier of the one-year anniversary of the date of grant or on the date of the next annual meeting of our stockholders, subject to the director’s continuous service on our board of directors at such time. In addition, immediately following the annual meeting of our stockholders held on June 8, 2015, we granted each non-employee director RSUs having a fair market value on the grant date equal to \$30,000. The stock options and RSUs described above will accelerate and vest in full in the event of a change in control. Directors who are appointed to our board of directors between the annual meetings of our stockholders will receive pro-rated stock option and RSU grants.

In addition to the annual stock option and RSU grants for service as a member of our board of directors, our 2014 Policy provided for additional annual RSU grants to the chairs of each committee of our board of directors with a fair market value on the grant date equal to the following:

\$20,000 for the chair of our audit committee;

\$15,000 for the chair of our compensation and leadership committee; and

These additional RSU grants for committee service are made on the same schedule as the RSU grants for general board service, and vest pursuant to the same terms.

Pursuant to the 2015 Policy, immediately following each annual meeting of our stockholders starting in 2016, we shall pay each non-employee director a cash retainer of \$50,000. We shall also grant each non-employee director a stock option having a grant date fair value computed in accordance with FASB ASC Topic 718 equal to \$122,500. Each such stock option will have a ten-year term and will vest in full on the earlier of the one-year anniversary of the date of grant or on the date of the next annual meeting of our stockholders, subject to the director's continuous service on our board of directors at such time. OUR BOARD OF DIRECTORS RECOMMENDS

A VOTE "FOR" ELECTION OF EACH OF THE SEVEN NOMINATED DIRECTORS

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our audit committee has re-appointed PricewaterhouseCoopers LLP as GoPro's independent registered public accounting firm to perform the audit of GoPro's consolidated financial statements for 2016 and recommends that stockholders vote for ratification of such selection. Although ratification by stockholders is not required by law, GoPro has determined that it is good practice to request ratification of this selection by the stockholders. In the event that PricewaterhouseCoopers LLP is not ratified by our stockholders, the audit committee will review its future selection of PricewaterhouseCoopers LLP as GoPro's independent registered public accounting firm.

PricewaterhouseCoopers LLP audited GoPro's financial statements for 2015 and 2014. Representatives of PricewaterhouseCoopers LLP are expected to be present at the virtual Annual Meeting, in which case they will be given an opportunity to make a statement at the Annual Meeting if they desire to do so, and will be available to respond to appropriate questions.

Independent Registered Public Accounting Firm Fees and Services

We regularly review the services and fees from our independent registered public accounting firm. These services and fees are also reviewed with our audit committee annually. In accordance with standard policy, PricewaterhouseCoopers LLP periodically rotates the individuals who are responsible for GoPro's audit. In addition to performing the audit of GoPro's consolidated financial statements, PricewaterhouseCoopers LLP provided various other services during 2015 and 2014. Our audit committee has determined that PricewaterhouseCoopers LLP's provision of these services, which are described below, does not impair PricewaterhouseCoopers LLP's independence from GoPro. During 2015 and 2014, fees for services provided by PricewaterhouseCoopers LLP were as follows:

Fees Billed to GoPro	2015	2014
Audit fees ⁽¹⁾	\$2,466,800	3,012,300
Audit related fees	—	—
Tax fees ⁽²⁾	462,768	462,768
All other fees	—	—
Total fees	\$2,929,568	3,481,313

"Audit fees" include fees for audit services primarily related to the audit of our annual financial statements; the review of our quarterly financial statements; comfort letters, consents, and assistance with and review of documents filed with the SEC; and other accounting and financial reporting consultation and research work billed (1) as audit fees or necessary to comply with the standards of the Public Company Accounting Oversight Board. "Audit fees" in 2014 also include fees for professional services provided in connection with our Registration Statements on Form S-1 related to our initial public offering in July 2014 and our follow-on offering in November 2014 and were incurred during the fiscal year ended December 31, 2014.

"Tax fees" include fees for tax compliance, advice and planning. Tax advice fees encompass a variety of permissible tax services, including technical tax advice related to federal and state and international income tax matters; (2) transfer pricing, international tax structure planning, assistance with indirect sales tax; and assistance with tax audits.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Registered Public Accounting Firm

Our audit committee's policy is to preapprove all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services. Pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent registered public accounting firm and management are required to report periodically to the audit committee regarding the extent of services provided by the independent registered public accounting firm in accordance with this pre-approval, and the fees for the services performed to date.

All of the services relating to the fees described in the table above were approved by our audit committee.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” APPROVAL OF PROPOSAL NO. 2

PROPOSAL NO. 3

RE-APPROVAL OF THE GOPRO, INC. 2014 EQUITY INCENTIVE PLAN FOR THE PURPOSE OF AUTHORIZING GRANTS OF FRENCH-QUALIFIED RESTRICTED STOCK UNITS

Proposal

In August 2015, a French law (Loi Macron or the “Macron Law”) introduced changes to the terms and conditions under which French-qualified RSUs may be granted. French employees granted RSUs that qualify under the Macron Law (“French-qualified RSUs”) are subject to specific income tax and social security treatment with respect to the income from the French-qualified RSUs and the French employer may benefit from a lower rate of social security contributions on the income than on the income from RSUs granted under the pre-Macron qualified RSU regime or as non-qualified RSUs. Further, the employer social contributions due on the income from French-qualified RSUs are due at the time of vesting instead of at the time of grant, as is the case under the pre-Macron qualified RSU regime. Among the conditions for granting French-qualified RSUs under the Macron Law is that the French-qualified RSUs are granted pursuant to an equity incentive plan approved by stockholders after August 7, 2015.

Our 2014 Plan provides that the board of directors and the compensation and leadership committee of the board of directors each has the full authority, in its sole discretion, to adopt plans or sub-plans as may be deemed necessary or appropriate to comply with the laws of other countries, and to allow for tax-preferred treatment of awards. In order to position us to take advantage of the Macron Law, our board of directors has already adopted a French Sub Plan under the 2014 Plan (the “French Sub Plan”), subject to re-approval of our 2014 Plan by our stockholders.

We are now asking our stockholders to re-approve our 2014 Plan (which includes the French Sub Plan) for the purpose of being able to grant French-qualified RSUs, as required by French law. The 2014 Plan is set forth as Attachment A to Appendix A of this Proxy Statement.

This proposal neither makes any changes to our 2014 Plan itself nor increases the number of shares or awards authorized for issuance under our 2014 Plan.

Summary of the French Sub Plan under the 2014 Plan

This summary of the French Sub Plan is a summary of the principal features of the French Sub Plan and does not purport to be a complete description of all of the provisions of the French Sub Plan. This summary is qualified in its entirety by the full text of the French Sub Plan, which is set forth as Appendix A to this Proxy Statement.

Awards under the French Sub Plan

The French Sub Plan provides for the grant of RSUs only; it does not provide for the grant of stock options, restricted stock awards, stock bonus awards, stock appreciation rights or other equity awards. We are not required under the Macron Law to grant French-qualified RSUs in France. We may choose, at our discretion, to grant non-qualified awards under the 2014 Plan but outside of the French Sub Plan to employees of our French subsidiaries depending on the circumstances.

Eligible Individuals

Any French service provider to the Company or one of its qualifying French subsidiaries who, on the date of grant of the French-qualified RSU, is either employed under the terms of an employment contract with a French qualifying entity or who is a managing corporate officer of a French qualifying entity is eligible to receive a French-qualified RSU, provided that he or she also satisfies the eligibility conditions of the 2014 Plan. French-qualified RSUs may not be issued to corporate officers of the French subsidiaries of the Company, other than to managing corporate officers. Also, French-qualified RSUs may not be issued to employees or managing corporate officers owning more than 10% of the Company’s share capital.

As of April 15, 2016 approximately 103 employees would qualify for French-qualified RSUs under the French Sub Plan.

Conditions of French-qualified RSUs

French-qualified RSUs may not vest and settle prior to the expiration of the minimum mandatory vesting period under French law. However, in the event of the death of a French holder of a French-qualified RSU, such RSU holder’s heirs may request that the shares subject to the RSU be transferred to them during the six-month period following the RSU holder’s death and if such a request is made,

the RSUs must vest in full and the shares be issued to the heirs. To the extent this request is not made within the six month period following the French-qualified RSU holder's death, the RSU is forfeited.

Shares issued pursuant to French-qualified RSUs may be subject to a minimum mandatory holding period required under applicable law. This holding period continues to apply even if a holder of a French-qualified RSU is no longer an employee of the Company (or a subsidiary of the Company) or a managing corporate officer of a French entity, except in the case of disability or death where this holding period no longer applies.

In the event of a change in capitalization or a corporate transaction, as set forth in our 2014 Plan, adjustments to the terms and conditions of the French-qualified RSUs (including the shares underlying them) may be made only in accordance with the terms of our 2014 Plan and as may otherwise be required under applicable French legal, tax and social security rules.

In the event a French-qualified RSU ceases to be qualified due to changes to the terms and conditions of such RSU, our compensation and leadership committee may lift, shorten or terminate certain restrictions applicable to the vesting or the sale of shares that had previously applied.

Notwithstanding any provision of our 2014 Plan to the contrary (and except in the case of death), French-qualified RSUs are nontransferable.

Shares Available for Issuance under the 2014 Plan and the French Sub Plan

As of March 31, 2016, a total of 16,530,353 shares of the Company's Class A common stock were available for issuance under the 2014 Plan and the French Sub Plan. The approval of the French Sub Plan will not increase the number of shares or awards available under the 2014 Plan. The number of shares available for issuance under the 2014 Plan and the French Sub Plan is subject to adjustment to reflect stock splits, reorganizations and similar events; however, adjustment of French-qualified RSUs under such circumstances may result in a loss of qualified status.

Material Tax Consequences

French-qualified RSUs issued to French-resident employees subject to the French social security regime should be subject to 15.5% social security taxes on the value of such awards at the time of vesting, in contrast to currently being subject to a combined 18% social security tax rate. The vesting gain continues to be subject to progressive income tax rates (up to 45%) that employees pay upon ultimate sale of the shares received upon the settlement of French-qualified RSUs, but under the Macron Law, the taxable income subject to progressive income tax can be reduced by 50% or 65% if the shares are held for a specified number of years following vesting. In addition, under the Macron Law, the employing company will be subject to a 20% social security tax upon vesting of French-qualifying RSUs, in contrast to the current 30% social security tax that is imposed upon grant of pre-Macron qualified restricted stock units (and which currently is not refunded if restricted stock units are forfeited before vesting). The tax consequences of participating in the French Sub Plan may vary with respect to individual situations and it should be noted that income tax laws, regulations and interpretations thereof change frequently. Participants should rely upon their own tax advisors for advice concerning the specific tax consequences applicable to them, including the applicability and effect of state, local and foreign tax laws.

Our board of directors believes that it is in the best interests of the Company and its stockholders to enable the Company to have the authority to grant French-qualified RSUs under the French Sub Plan that would qualify for the income tax and social security tax treatment authorized under the Macron Law. If stockholders do not re-approve our 2014 Plan pursuant to which the French Sub Plan is established, we will not be able to grant French-qualified RSUs, but, we can continue to grant nonqualified RSUs and other equity awards to our service providers in France under our 2014 Plan.

History of Grants

As of December 31, 2015, options to purchase a total of 1,365,295 shares had been granted under the 2014 Plan, of which, 21,683 have been exercised and 1,142,122 remained outstanding with weighted-average exercise price of \$41.52 per share. As of December 31, 2015, 2,692,987 RSUs had been granted under the 2014 Plan, of which 2,463,416 RSUs remained outstanding. Certain Interests of Directors

In considering the recommendation of our board of directors with respect to the re-approval of the material terms of the 2014 Plan including the French Sub Plan, stockholders should be aware that the members of our board of directors have certain interests that may present them with conflicts of interest in connection with such proposal. As discussed above, directors are eligible to receive awards under the 2014 Plan. None of our directors, however, are currently eligible to receive French-qualified RSUs, and we do not anticipate granting French-qualified RSUs to any of our directors in the foreseeable future. Please see “Proposal No. 1—Election of Directors—Director Compensation” for more detail about equity grants to our directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis is intended to assist our stockholders in understanding our executive compensation program by providing an overview of our executive compensation-related policies, practices and decisions for 2015. It also explains how we determined the material elements of compensation for our principal executive officer, our principal financial officer and our three executive officers (other than our principal executive officer and principal financial officer) who were our most highly-compensated executive officers as of December 31, 2015 and who we refer to as our “Named Executive Officers.” This section also provides an overview of our executive compensation philosophy, the overall objectives of our executive compensation program and each compensation element that we provided to our executive officers in 2015. For 2015, our Named Executive Officers were:

• Nicholas Woodman, our Chief Executive Officer and Chairman of our board of directors;

• Anthony Bates, our President;

• Jack Lazar, our former Chief Financial Officer;

• Nina Richardson, our former Chief Operating Officer; and

• Sharon Zezima, our General Counsel.

In March 2016, Mr. Lazar terminated his employment as our Chief Financial Officer. In 2015, our compensation and leadership committee consisted of Michael Marks, Edward Gilhuly, and Peter Gotcher.

Executive Summary

GoPro is transforming the way people visually capture and share their lives. What began as an idea to help athletes self-document themselves engaged in their sport, GoPro has become a standard for how people capture themselves engaged in their interests, whatever they may be. From extreme to mainstream, professional to consumer, GoPro enables the world to capture and share its passions in the form of immersive and engaging content.

2015 Business Highlights

We generated substantially all of our revenue from the sale of our cameras and accessories. We believe that the growing body of content created using our cameras and accessories and posted by our consumers serves as a powerful marketing engine. In 2015, we had the following GAAP financial results:

• total revenue was approximately \$1.6 billion, representing a 16% increase compared to approximately \$1.4 billion in 2014;

• gross margin was 41.6%;

• operating income was \$54.7 million, or 3.4% of revenue; and

• generated cash flow from operations of \$157.6 million.

In 2015, notable operational results included the following:

• we launched the HERO4 Session, our smallest cameras to date;

• we shipped 6.6 million cameras, a 27% increase from 2014, with 2.0 million cameras shipped in the fourth quarter of 2015; and

• our year-over-year revenue growth was enabled by the overall expanded distribution of our products internationally in Europe and Asia regions. Sales outside of the United States represented 52% of our revenue in 2015, compared to 43% in 2014.

Executive Compensation Best Practices

2015 was our first full calendar year as a public company, and as such we continued to manage our executive compensation policies and practices, including compensation-related corporate governance standards, in a manner consistent with our executive

compensation philosophy. These policies and practices are intended to both drive performance and either prohibit or minimize behaviors that we do not believe serve our stockholders' long-term interests.

Compensation and Leadership Committee Independence – Our board of directors maintains a compensation and leadership committee comprised solely of independent directors.

Compensation and Leadership Committee Advisor Independence – The compensation and leadership committee engages and retains its own advisors. During 2015, the compensation and leadership committee engaged an independent national consulting firm to assist with its responsibilities and such firm performs no consulting or other services for GoPro.

Annual Compensation Review – The compensation and leadership committee annually reviews our executive compensation philosophy and strategy, including reviewing our compensation peer group used for comparative purposes.

Compensation-Related Risk Assessment – We conduct annual evaluations of our compensation programs, policies, and practices to ensure that they reflect an appropriate level of risk-taking but do not encourage our employees to take excessive or unnecessary risks that could have a material adverse impact on GoPro.

No Executive Perquisites – We do not offer perquisites or other personal benefits to our Executive Officers, including our Named Executive Officers, unless they serve a sound business purpose. Our Executive Officers, including our Named Executive Officers, participate in our health and welfare benefit programs on the same basis as all of our employees.

“Double-Trigger” Change in Control Arrangements – The change in control post-employment compensation arrangements for our executive officers (other than certain arrangements with Messrs. Woodman and Bates) are based on a “double-trigger” arrangement that provides for the receipt of payments and benefits only in the event of (i) a change in control of our company and (ii) a qualifying termination of employment.

Reasonable Change in Control Arrangements – The post-employment compensation arrangements for our executive officers, including our Named Executive Officers, provide for amounts and multiples that are within reasonable market norms.

Prohibition on Hedging – Our executive officers, including our Named Executive Officers, and the members of our board of directors are prohibited from speculating in our equity securities, including the use of short sales, or any equivalent transaction involving our equity securities and from engaging in any hedging transactions with respect to our equity securities.

Succession Planning – Our board of directors reviews the risks associated with our most critical executive positions on an annual basis so that we have an adequate succession strategy and plans are in place for these positions.

Retirement Programs – Other than our Section 401(k) plan, which is generally available to all employees, we do not offer defined benefit or contribution retirement plans or arrangements or nonqualified deferred compensation plans or arrangements for our executive officers, including our Named Executive Officers.

Compensation Philosophy and Guiding Principles

We have designed our executive compensation program to reward our executive officers, including our Named Executive Officers, at a level consistent with our overall strategic and financial performance and to provide remuneration sufficient to attract, retain and motivate them to exert their best efforts in the highly-competitive technology and consumer-oriented environments in which we operate and reward them for superior performance. We believe that competitive compensation packages consisting of a combination of base salaries, annual cash bonus opportunities, and long-term incentive opportunities in the form of equity awards that are earned over a multi-year period, enable us to attract top talent, motivate successful short-term and long-term performance, and satisfy our retention objectives. As an overarching objective, we seek to design each pay element to align the compensation of our executive officers with our performance and long-term value creation for our stockholders. That principle has guided the design of both the annual and long-term incentive compensation opportunities of our executive officers.

The compensation and leadership committee periodically reviews and analyzes market trends and the prevalence of various compensation delivery vehicles and adjusts the design and operation of our executive compensation program from time to time as it deems necessary and appropriate. In designing and implementing the various elements of our executive compensation program, the compensation and leadership committee considers market and industry

practices. While the compensation and leadership committee considers all of the factors in its deliberations, it places no formal weighting on any one factor.

As we continue to grow as a publicly-traded company, the compensation and leadership committee will evaluate our compensation philosophy and program objectives as circumstances merit. At a minimum, we expect the compensation and leadership committee to review executive compensation annually.

Compensation-Setting Process

Role of the Compensation and Leadership Committee

The compensation and leadership committee is responsible for establishing our overall compensation philosophy and reviewing and approving our executive compensation program, including the specific compensation of our executive officers, including our Named Executive Officers. The compensation and leadership committee has the authority to retain special counsel and other advisors, including compensation consultants, to assist in carrying out its responsibilities to determine the compensation of our executive officers and has done so in retaining a compensation consultant, Compensia, as more fully discussed below. The compensation and leadership committee's authority, duties, and responsibilities are described in its charter, which is reviewed annually and revised and updated as warranted. The charter is available on our website at <http://investor.gopro.com>.

In determining our overall compensation philosophy and approving the compensation of our executive officers, the compensation and leadership committee is assisted by its compensation consultant, as well as our Chief Executive Officer, President and Senior Vice President, People, and our executive compensation staff to formulate recommendations with respect to specific compensation actions. The compensation and leadership committee makes all final decisions regarding compensation, including base salary levels, target annual cash bonus opportunities, actual cash bonus payments, and long-term incentives in the form of equity awards that are earned over a multi-year period. The compensation and leadership committee meets on a regularly-scheduled basis and at other times as needed and periodically reviews compensation matters with our board of directors.

At the beginning of each year, the compensation and leadership committee reviews our executive compensation program, including any incentive compensation plans and arrangements, to assess whether our compensation elements, actions and decisions are (i) properly coordinated, (ii) aligned with our vision, mission, values and corporate goals, (iii) provide appropriate short-term and long-term incentives for our executive officers, (iv) achieve their intended purposes and (v) are competitive with the compensation of executives in comparable positions at the companies with which we compete for executive talent. Following this assessment, the compensation and leadership committee may make any necessary or appropriate modifications to our existing plans and arrangements or adopt new plans or arrangements.

The compensation and leadership committee also conducts an annual review of our executive compensation strategy to ensure that it is appropriately aligned with our business strategy and achieving our desired objectives. Further, the compensation and leadership committee reviews market trends and changes in competitive compensation practices, as further described below.

The factors to be considered by the compensation and leadership committee in determining the compensation of our executive officers, including our Named Executive Officers, include:

- the recommendations of our Chief Executive Officer, President, and Senior Vice President, People (except with respect to their own compensation) as described below;
- our corporate growth and other elements of financial performance;
- our corporate and individual achievements against one or more short-term and long-term performance objectives;
- the individual performance of each executive officer against his or her business objectives;
- a review of the relevant competitive market analysis prepared by its compensation consultant (as described below);
- the expected future contribution of the individual executive officer;
- historical compensation we have made to our executive officers; and
- internal pay equity based on the impact on our business and performance.

The compensation and leadership committee does not weigh these factors in any predetermined manner, nor does it apply any formulas in making its decisions. The members of the compensation and leadership committee consider this information in light of their individual experience, knowledge of GoPro, knowledge of each executive officer, knowledge of the competitive market and business judgment in making their decisions regarding executive compensation and our executive compensation program.

As part of this process, the compensation and leadership committee evaluates the performance of our Chief Executive Officer each year and makes all decisions regarding his base salary adjustments, target annual cash bonus opportunities, actual cash bonus payments and long-term incentives in the form of equity awards that are earned over

a multi-year period. Our Chief Executive Officer is not present during any of the deliberations regarding his compensation.

Role of our Chief Executive Officer

Our Chief Executive Officer works closely with the compensation and leadership committee in determining the compensation of our other executive officers, including the other Named Executive Officers. Our Chief Executive Officer works with the compensation and leadership committee to recommend the structure of the annual bonus plan, and to identify and develop corporate and individual performance objectives for such plan, and to evaluate actual performance against the selected measures. Our Chief Executive Officer also makes recommendations to the compensation and leadership committee as described in the following paragraph and is involved in the determination of compensation for the executive officers who report to him.

At the beginning of each year, our Chief Executive Officer reviews the performance of our other executive officers, including the other Named Executive Officers, for the previous year, and then shares these evaluations with, and makes recommendations to, the compensation and leadership committee for each element of compensation. Using his evaluation of each executive officer's performance and taking into consideration historical compensation awards to our executive officers and our corporate performance during the preceding year, our Chief Executive Officer makes recommendations regarding base salary adjustments, target annual cash bonus opportunities, actual bonus payments, and long-term incentives in the form of equity awards subject to multi-year vesting for each of our executive officers (other than himself) based on our financial and operating results, the individual executive officer's contribution to these results, and his or her performance toward achieving his or her individual performance goals. The compensation and leadership committee then reviews these recommendations and considers the other factors described above and makes decisions as to the target compensation of each executive officer (other than our Chief Executive Officer), as well as each individual compensation element.

While the compensation and leadership committee will consider our Chief Executive Officer's recommendations, as well as the competitive market analysis prepared by its compensation consultant, Compensia, these recommendations and market data serve as only two of several factors that the compensation and leadership committee considers in making its decisions with respect to the compensation of our executive officers. No executive officer participates in the determination of the amounts or elements of his or her own compensation.

Role of Compensation Consultant

Pursuant to its charter, the compensation and leadership committee has the authority to engage its own legal counsel and other advisors, including compensation consultants, as it determined in its sole discretion, to assist in carrying out its responsibilities. The compensation and leadership committee has the authority to make all determinations regarding the engagement, fees, and services of these advisors, and any such advisor reports directly to the compensation and leadership committee.

In 2015, pursuant to this authority, the compensation and leadership committee engaged Compensia, a national compensation consulting firm, to provide information, analysis, and other assistance relating to our executive compensation program on an ongoing basis. The nature and scope of the services provided to the compensation and leadership committee by Compensia in 2015 were as follows:

- developed our compensation peer group;
- provided advice with respect to compensation best practices, regulatory developments and market trends for executive officers and members of our board of directors;
- conducted an analysis of the levels of overall compensation and each element of compensation for our executive officers;
- conducted an analysis of the levels of overall compensation and each element of compensation for the members of our board of directors; and
- provided ad hoc advice and support throughout the year.

Representatives of Compensia attend meetings of the compensation and leadership committee as requested and also communicate with the compensation and leadership committee outside of meetings. Compensia reports to the compensation and leadership committee rather than to management, although Compensia may meet with members of management, including our Chief Executive Officer, our Senior Vice President, People, and members of our executive compensation staff, for purposes of gathering information on proposals that management may make to the compensation and leadership committee.

The compensation and leadership committee may replace its compensation consultant or hire additional advisors at any time. Compensia has not provided any other services to us and has received no compensation other than with respect to the services described above.

The compensation and leadership committee has assessed the independence of Compensia taking into account, among other things, the various factors as set forth in Exchange Act Rule 10C-1 and the enhanced independence standards and factors set forth in the applicable listing standards of the NASDAQ Stock Market, and has concluded that its relationship with Compensia and the work of Compensia on behalf of the compensation and leadership committee has not raised any conflict of interest.

Competitive Positioning

Given our unique history and business, market competitors and geographical location, the compensation and leadership committee believes that the competitive market for executive talent includes publicly traded, high-growth technology companies, including Internet-based product and services companies. Accordingly, it develops a compensation peer group to contain a carefully-selected cross-section of public companies using factors described below, with revenues and market capitalizations that are similar to ours and that may also compete in a similar market for executive talent. This data is supplemented with Radford executive compensation data representing both public and private technology companies that are of similar size with revenues between \$500 million and \$2 billion.

Compensation Peer Group

In October 2014, the compensation and leadership committee directed Compensia to formulate a group of peer companies to be used as a reference for market positioning and for assessing competitive market practices in connection with making 2015 executive compensation decisions. Compensia undertook a detailed review of the pool of U.S.-based publicly-traded companies, taking into consideration our industry sector, the size of such companies (based on revenues and market capitalization) relative to our size and growth rate, and the following additional factors:

- the comparability of the company’s business model;
- the comparability of the company’s revenue and market capitalization;
- the comparability of the company’s primary sales channels, including via the Internet;
- the company’s consumer products and/or business services focus;
- the comparability of the company’s operating history;
- the comparability of the company’s organizational complexities and growth attributes;
- the stage of the company’s maturity curve (which increases its likelihood of attracting the type of executive talent for whom we compete); and
- the comparability of the company’s operational performance (for consistency with our strategy and future performance expectations).

Following this review, Compensia recommended to the compensation and leadership committee a peer group of 18 information technology and consumer-oriented companies, which the compensation and leadership committee subsequently approved. The selected companies had revenues ranging from \$500 million to \$2.5 billion and market capitalizations ranging from \$2.3 billion to \$37.5 billion, which were comparable peers at the time of selection. The compensation and leadership committee reviewed the compensation data drawn from the compensation peer group to develop a representation of the “competitive market” specifically tailored to GoPro with respect to current executive compensation levels and related policies and practices. The compensation and leadership committee then evaluated how its contemplated compensation actions and decisions compared to the competitive market.

The companies comprising the 2015 compensation peer group were as follows:

3D Systems	Palo Alto Networks	Skyworks Solutions
Akamai Technologies	Pandora Media	Stratasys
F5 Networks	Rackspace Hosting	Trip Advisor
Fortinet	Red Hat	Twitter
IPG Photonics	Riverbed Technology	Workday
LinkedIn	ServiceNow	Zebra Technologies

The compensation and leadership committee does not believe that it is appropriate to make compensation decisions, whether regarding base salaries or short-term or long-term incentive compensation, using solely benchmarking as guidance. The committee, however, does believe that information regarding the compensation practices at our compensation peer group is useful in two respects. First, the compensation and leadership committee recognizes that

our compensation policies and practices must be competitive in the

24

marketplace. Second, this information is useful in assessing the reasonableness and appropriateness of individual executive compensation elements and of our overall executive compensation packages.

Compensation Elements

The three primary elements of our executive compensation programs are: (i) base salary, (ii) annual cash bonus opportunities and (iii) long-term incentives in the form of equity awards subject to multi-year vesting, as described below:

Compensation Element	What This Element Rewards	Purpose and Key Features of Element
Base salary	Individual performance, level of experience, expected future performance and contributions.	Provides competitive level of fixed compensation determined by the market value of the position, with actual base salaries established based on the facts and circumstances of each executive officer and each individual position.
Annual cash bonuses	Achievement of pre-established corporate and individual performance objectives (for 2015, focused on our revenue growth and profitability, as well as individual contributions and management objectives).	Motivate executive officers to achieve (i) short-term financial and operational objectives during the year and (ii) individual performance objectives for the year. Generally, performance levels are established to incent our executive officers to achieve or exceed performance objectives. For 2015, payouts for corporate performance objectives (70% of target bonus opportunity) could range from 0% to 200% of the target amount for each objective, depending on actual achievement for revenue, non-GAAP gross margin and non-GAAP operating profit, and payouts for individual performance objectives (30% of target bonus opportunity) could range from 0% to 130% of the target amount.
Long-term incentives/equity awards	Achievement of corporate and individual performance objectives designed to enhance long-term stockholder value and attract, retain, motivate and reward executive officers over extended periods for achieving important corporate objectives. Vesting requirements promote retention of highly-valued executive officers.	Annual stock options and RSUs that vest over four or more years and provide a variable “at risk” pay opportunity. Because the ultimate value of these equity awards is directly related to the market price of our common stock, and the awards are vesting over an extended period of time, they serve to focus management on the creation and maintenance of long-term stockholder value.

Our executive officers also participate in the standard employee benefit plans available to most of our employees. In addition, our executive officers are eligible for modest post-employment (severance and change in control) payments and benefits under certain circumstances. Each of these compensation elements is discussed in detail below, including a description of the particular element and how it fits into our overall executive compensation and a discussion of the amounts of compensation paid to our executive officers, including our Named Executive Officers, in 2015 under each of these elements.

Base Salary

We believe that a competitive base salary is a necessary element of our executive compensation program, so that we can attract and retain a stable management team. Base salaries for our executive officers are intended to be competitive with those received by other individuals in similar positions at the companies with which we compete for talent, as well as equitable across our executive team.

Generally, we establish the initial base salaries of our executive officers through arm's-length negotiation at the time we hire the individual executive officer, taking into account his or her position, qualifications, experience, prior salary level and the base salaries of our other executive officers. Thereafter, the compensation and leadership committee reviews the base salaries of our executive officers, including our Named Executive Officers, at least annually. In 2015, the compensation and leadership committee did not adjust the base salary of Mr. Woodman given the recent board of directors' formalization of his compensation arrangements in June 2014. The compensation and leadership committee also did not adjust the base salary of Mr. Bates given that he had recently joined GoPro. The compensation and leadership committee reviewed Mr. Lazar's base salary in February 2015 and, based on its understanding of the competitive market, as well as his performance as evaluated by our Chief Executive Officer, approved an increase in his base salary to \$400,000. The compensation and leadership committee also reviewed Ms. Zezima's base salary in February 2015 and, based on its understanding of the competitive market, as

well as her performance as evaluated by our Chief Executive Officer, approved an increase in her base salary to \$290,000. Ms. Richardson's base salary was not reviewed as she terminated her employment effective February 27, 2015.

The base salaries of our Named Executive Officers during 2015 are set forth in the "Summary Compensation Table" below.

Annual Cash Bonuses

We use annual cash bonuses to motivate our executive officers, including our Named Executive Officers, to achieve our short-term financial and operational objectives while making progress towards our longer-term growth and other goals. Consistent with our executive compensation philosophy, these annual bonuses are intended to help us to deliver a competitive total direct compensation opportunity to our executive officers. Annual cash bonuses are entirely performance-based, are not guaranteed and may vary materially from year-to-year.

In February 2015, the compensation and leadership committee determined to award cash bonus opportunities to our executive officers, including our Named Executive Officers, pursuant to the cash executive bonus plan for 2015 (the "2015 Bonus Plan"). Under the 2015 Bonus Plan, the compensation and leadership committee had the authority to select the performance measures and related target levels applicable to the annual cash bonus opportunities for our executive officers. The performance measures involving our financial results could be determined in accordance with GAAP, or such financial results could consist of non-GAAP financial measures, subject to adjustment by the compensation and leadership committee for one-time items or unbudgeted or unexpected items when determining whether the target levels for the performance measures had been met. Individual performance would be based on a subjective evaluation of each executive officer's actual performance during the year by our Chief Executive Officer involving any factors that he determined to be relevant and provided to the compensation and leadership committee for its consideration.

Target Bonus Opportunities

For 2015, the target annual cash bonus opportunities for each of our Named Executive Officers under the 2015 Bonus Plan, expressed as a percentage of his or her annual base salary, were as follows:

Named Executive Officer	Annual Base Salary (\$)	Target Bonus Opportunity (as a percentage of base salary) (%)	Target Bonus Opportunity (\$)
Mr. Woodman	800,000	150	1,200,000
Mr. Bates	800,000	100	800,000
Mr. Lazar	400,000	75	297,000 ⁽²⁾
Ms. Richardson ⁽¹⁾	350,000	N/A	N/A
Ms. Zezima	290,000	50	142,000 ⁽²⁾

(1) Ms. Richardson terminated employment in February 2015.

(2) Pro-rated based on salary change in February 2015.

The target annual cash bonus opportunities of our executive officers, including the Named Executive Officers, were weighted 70% on corporate performance objectives and 30% on individual performance. The compensation and leadership committee determined this allocation to be appropriate to focus our executive officers on our short-term financial objectives as reflected in our annual operating plan while, at the same time, recognizing their contributions to the achievement of these objectives and the successful execution of their individual roles and responsibilities. The target bonus opportunities differ among Named Executive Officers based on market data, position and level.

Corporate Performance Objectives

For purposes of the 2015 Bonus Plan, the compensation and leadership committee selected revenue, non-GAAP gross margin and non-GAAP operating profit as the corporate performance measures. Each of these corporate performance measures was equally weighted. The compensation and leadership committee believed these performance measures were appropriate for our business because they provided a balance between generating revenue, managing our expenses and growing our business, which it believes most directly influences long-term stockholder value. At the same time, the compensation and leadership committee established target performance levels for each of these measures at levels that it believed to be challenging, but attainable, through the successful execution of our annual operating plan.

For purposes of the 2015 Bonus Plan, the non-GAAP corporate performance measures were to be calculated as follows:

- “non-GAAP gross margin” meant our gross margin, as calculated under GAAP, excluding the impact of stock-based compensation expense and the amortization of acquisition-related intangible assets; and “non-GAAP operating profit” meant our operating profit, as calculated under GAAP, excluding the impact of stock-based compensation expense and acquisition-related costs (which include the amortization of acquired intangible assets, as well as third-party transaction costs for legal and other professional services). The minimum, target, and maximum levels of achievement for each corporate performance measure and their respective payment amounts, with the actual bonus payment with respect to each measure to be determined independently, were as follows:

Corporate Performance Measure	Performance Measure Weight (%)	Threshold Performance Level	Threshold Payment Level (%)	Target Performance Level (%)	Target Payment Level (%)	Maximum Performance Level	Maximum Payment Level (%)
Revenue	33.3	Above 90%	10	100	100	Above 110%	200
Gross Margin (Non-GAAP)	33.3	Above 95%	20	100	100	Above 105%	200
Operating Profit (Non-GAAP)	33.3	Above 80%	5	100	100	Above 120%	200

In the event of actual performance between the threshold and target, and target and maximum, performance levels, the payment amount was to be calculated between each performance level on a linear basis.

The compensation and leadership committee established the following target levels for each of the corporate performance measures under the 2015 Bonus Plan:

Corporate Performance Measure	2015 Target Level
Revenue	\$1.9 billion
Non-GAAP Gross Margin	47%
Non-GAAP Operating Profit	21%

Individual Performance

In addition to the corporate performance objectives, the annual cash bonuses for our executive officers, including our Named Executive Officers, were also based on each executive officer’s individual performance. Individual performance goals for each executive officer were identified at the beginning of the year in discussions with our Chief Executive Officer. These goals could be quantitative or qualitative in nature, depending on the organizational priorities for a given year, and typically focused on key departmental or operational objectives or functions. Most of these goals were intended to provide a set of common objectives that facilitated collaborative management and engagement, although our executive officers could also be assigned individual objectives.

After the end of the year, our Chief Executive Officer evaluated each executive officer’s individual performance, established an attainment percentage for the executive officer based on his subjective assessment of the executive officer’s effectiveness for the year, both individually and as a member of our executive team, and then submitted these ratings to the compensation and leadership committee for review and approval. In the case of our Chief Executive Officer, his individual performance was evaluated and attainment rating established by the compensation and leadership committee. Payments for the individual performance component of the 2015 Bonus Plan could be up to 130% of the portion of each executive officer’s target annual cash bonus opportunity allocated to individual performance.

2015 Performance Results and Bonus Decisions

In February 2016, the compensation and leadership committee determined that our actual achievement with respect to the corporate performance objectives under the 2015 Bonus Plan was as follows:

Corporate Performance Measure	2015 Target Level	2015 Actual Result
Revenue	\$1.9 billion	\$1.6 billion
Non-GAAP gross margin	47%	41.6%

Non-GAAP operating profit	21%	8.7%
---------------------------	-----	------

27

At that time, the compensation and leadership committee also determined, based on its review of the recommendation of our Chief Executive Officer (except with respect to his own annual cash bonus opportunity), that the individual objectives of each Named Executive Officer had been attained at the following percentage levels.

Named Executive Officer Individual Objectives Attainment Level (%)

Mr. Woodman	0
Mr. Bates	0
Mr. Lazar	0
Ms. Richardson	N/A ⁽¹⁾
Ms. Zezima	100

(1) Ms. Richardson terminated employment in February 2015.

The compensation and leadership committee determined that, based on our actual performance with respect to each corporate performance measure, the corporate performance objectives had not been achieved. Based on its review of our overall corporate performance, and taking into account the assessment of each Named Executive Officer's individual performance for 2015, the compensation and leadership committee did not approve any bonus payments for most of our Named Executive Officers and approved a bonus payment to Ms. Zezima that reflected her achievement of individual performance objectives only, as follows:

Named Executive Officer	Target Annual Cash Bonus Opportunity (\$)	Actual Annual Cash Bonus Payment (\$)	Percentage of Target Annual Cash Bonus Opportunity (%)
Mr. Woodman	1,200,000	0	0
Mr. Bates	800,000	0	0
Mr. Lazar ⁽¹⁾	297,000 ⁽²⁾	0	0
Ms. Richardson ⁽³⁾	N/A	N/A	N/A
Ms. Zezima	142,000 ⁽²⁾	43,000	30

(1) Mr. Lazar terminated employment in March 2016.

(2) Pro-rated based on salary change in February 2015.

(3) Ms. Richardson terminated employment in February 2015.

The annual cash bonuses paid to our Named Executive Officers for 2015 are set forth in the "Summary Compensation Table" below.

Long-Term Incentive Compensation

We use long-term incentive compensation in the form of equity awards to motivate our executive officers, including our Named Executive Officers, by providing them with the opportunity to build an equity interest in GoPro and to share in the potential appreciation of the value of our common stock. Historically, we have relied on options to purchase shares of our common stock and, beginning in 2014 and continuing in 2015, RSU awards that are settled for shares of our common stock as the principal vehicles for delivering long-term incentive compensation to our executive officers. The compensation and leadership committee believes these awards enable us to attract and retain key talent in our industry and align our executive officers' interests with the long-term interests of our stockholders.

Generally, in determining the size of the equity awards granted to our executive officers, the compensation and leadership committee takes into consideration the recommendations of our Chief Executive Officer (except with respect to his own equity award), as well as the factors described above. The compensation and leadership committee also considers the dilutive effect of our long-term incentive compensation practices, and the overall impact that these equity awards, as well as awards to other employees, may have on stockholder value.

Equity Awards for Named Executive Officers

In February 2015 the compensation and leadership committee granted Messrs. Bates and Lazar and Ms. Zezima options to purchase shares of our Class A common stock and RSUs that may be settled in shares of our Class A common stock. A discussion and analysis of these equity awards is set forth in the "Executive Summary" above.

The equity awards granted to our Named Executive Officers in 2015 are set forth in the “Summary Compensation Table” and the “2015 Grants of Plan-Based Awards Table” below.

Welfare and Health Benefits

We maintain a tax-qualified retirement plan under Section 401(k) of the Code for our employees, including our executive officers, who satisfy certain eligibility requirements, including requirements relating to age and length of service that provides them with an opportunity to save for retirement on a tax-advantaged basis. We intend for this plan to qualify under Sections 401(a) and 501(a) of the Code so that contributions by employees to the plan, and income earned on plan contributions, are not taxable to employees until distributed from the applicable plan. In addition, all contributions are deductible by us when made.

All participants’ interests in their deferrals are 100% vested when contributed under both plans. In 2015, we made matching contributions into the Section 401(k) plan for our employees. Under the plan, pre-tax contributions are allocated to each participant’s individual account and are then invested in selected investment alternatives according to the participants’ directions.

In addition, we provide other benefits to our executive officers, including our Named Executive Officers, on the same basis as all of our full-time employees. These benefits include health, dental and vision benefits, health and dependent care flexible spending accounts, short-term and long-term disability insurance, accidental death and dismemberment insurance, and basic life insurance coverage. We also provide vacation and other paid holidays to all employees, including our executive officers. We do not offer our employees a non-qualified deferred compensation plan or pension plan.

We design our employee benefits programs to be affordable and competitive in relation to the market, as well as compliant with applicable laws and practices. We adjust our employee benefits programs as needed based upon regular monitoring of applicable laws and practices, the competitive market and our employees’ needs.

Perquisites and Other Personal Benefits

Currently, we do not view perquisites or other personal benefits as a significant component of our executive compensation program. Accordingly, we do not provide perquisites to our executive officers, except in situations where we believe it is appropriate to assist an individual in the performance of his or her duties, to make our executive officers more efficient and effective, and for recruitment and retention purposes. During 2015, none of the Named Executive Officers received perquisites or other personal benefits that were, in the aggregate, \$10,000 or more. In the future, we may provide perquisites or other personal benefits to our executive officers where we believe it serves a sound business purpose. We do not expect that any future perquisites or other personal benefits will be a significant aspect of our executive compensation program. All future practices with respect to perquisites or other personal benefits will be approved and subject to periodic review by the compensation and leadership committee.

Employment Arrangements

We have extended written employment offer letters to each of our executive officers, including our Chief Executive Officer and our other Named Executive Officers. Each of these arrangements was approved on our behalf by our board of directors or the compensation and leadership committee, as applicable. We believe that these arrangements were appropriate to induce these individuals to forego other employment opportunities or leave their current employer for the uncertainty of a demanding position in a new and unfamiliar organization.

In entering into these arrangements, our board of directors or the compensation and leadership committee, as applicable, was aware that it would be necessary to recruit candidates with the requisite experience and skills to manage a growing business in a dynamic and ever-changing environment. Accordingly, it recognized that it would need to develop competitive compensation packages to attract qualified candidates in a highly-competitive labor market. At the same time, our board of directors or the compensation and leadership committee, as applicable, was sensitive to the need to integrate new executive officers into the executive compensation structure that it was seeking to develop, balancing both competitive and internal equity considerations.

Each of these employment arrangements provides for “at will” employment and sets forth the initial or ongoing compensation arrangements for the Named Executive Officer, including an initial or ongoing base salary, a target annual cash bonus opportunity, and, in some instances, a recommendation for an equity award in the form of a stock option to purchase shares of our common stock and/or RSUs that may be settled for shares of our common stock.

For a summary of the material terms and conditions of the employment arrangements with each of our Named Executive Officers, see “—Employment Arrangements” below.

29

Post-Employment Compensation

In January 2014, we adopted a change in control and severance policy applicable to our executive officers and certain other employees pursuant to which each individual entered into a written agreement governing such situations. We believe that the severance policy serves several objectives. First, it eliminates the need to negotiate separation payments and benefits on a case-by-case basis. Second, it also helps assure an executive officer that his or her severance payments and benefits are comparable to those of other executive officers with similar levels of responsibility and tenure. Further, it acts as an incentive for our executive officers to remain employed and focused on their responsibilities during the threat or negotiation of a change-in-control transaction, which we believe would help to preserve our value and the potential benefit to be received by our stockholders in the transaction. Finally, the severance policy is easier for us to administer than individually negotiated severance agreements, as it requires less time and expense in negotiation or execution.

The severance policy contemplates that the payments and benefits in the event of a change in control of our company are payable only upon a “double trigger”; that is, only following a change in control and a qualifying termination of employment, including a termination of employment without cause or a resignation for good reason, and in each case requires that the Named Executive Officer execute a release of claims in our favor.

As a result of this policy, we subsequently entered into change in control and severance agreements with each of our executive officers, including each of our Named Executive Officers. For descriptions of the change in control and severance arrangements with each of our Named Executive Officers see “—Potential Payments upon Termination or Change in Control” below.

The agreements with our executive officers, including each of our Named Executive Officers (other than our Chief Executive Officer) require us to provide certain payments and benefits upon a qualifying termination of employment, which includes a termination of employment without cause or where the Named Executive Officer resigns with good reason, within three months preceding or 12 months following a change in control of our company. The receipt of these payments and benefits are contingent upon the Named Executive Officer’s execution, delivery, and non-revocation of a release and waiver of claims satisfactory to us following the separation from service. In addition, for six months following termination of employment, and as a condition to the payments and benefits, the Named Executive Officer must cooperate with any transition efforts that we request and must not disparage us, or our directors, officers, or employees.

Arrangements with Our Chief Executive Officer

Under his employment letter dated June 2, 2014, Mr. Woodman is eligible to receive severance payments and benefits upon a qualifying termination of employment, including a termination of employment in connection with a change in control of our company. In addition, the outstanding RSUs held by our Chief Executive Officer provide for vesting and acceleration pursuant to a provision that supersedes any acceleration that would have been provided under his employment letter.

In June 2014, our board of directors granted Mr. Woodman RSUs that may be settled for up to 4,500,000 shares of our Class B Common Stock, subject to vesting in tranches of 1,500,000 shares each (the “Woodman RSU Award”), as further described in the footnotes to the “Outstanding Equity Awards” table. The Woodman RSU Award further provides that, upon a change in control that occurs prior to the termination of his services, a portion of the second tranche of the Woodman RSU Award will vest (regardless of any service-based vesting conditions) to the extent that the acquisition price per share of the transaction exceeds the initial public offering price of our common stock, such that the second tranche will fully vest if the acquisition price exceeds \$34.03 per share. Similarly, a portion of the third tranche of this RSU award will vest (regardless of any service-based vesting conditions) to the extent that the acquisition price per share exceeds \$34.03, such that the third tranche will fully vest if the acquisition price exceeds \$44.24 per share.

Arrangements with Our President

Under his employment letter dated June 2, 2014, Mr. Bates is eligible to receive severance payments and benefits upon a qualifying termination of employment, including a termination of employment in connection with a change in control of our company. In addition, the stock option and RSUs granted to him in connection with his joining us are eligible for partial (and, if not assumed or substituted for by the acquiring entity, full) accelerated vesting upon a

change in control of our company. Finally, Mr. Bates is eligible to receive a tax “gross-up” or reimbursement payment in the event that he is subject to Section 4999 of the Code as a result of the payments and benefits that he receives in connection with a change in control of our company.

Arrangements with Our Former Chief Financial Officer

Under his employment letter dated January 17, 2014, Mr. Lazar was eligible to receive severance payments and benefits upon a qualifying termination of employment, including a termination of employment in connection with a change in control of our company. In addition, the stock option and RSUs granted to him in connection with his joining us were eligible for partial (and, if not assumed or substituted for by the acquiring entity, full) accelerated vesting upon a change in control of our company. In connection with his departure in March 2016, he received the severance benefits described below in “–Potential Payments upon Termination or Change in Control.”

Departure of Ms. Richardson as Chief Operating Officer

Upon Ms. Richardson’s termination of her service as Chief Operating Officer effective February 27, 2015, Ms. Richardson received the severance benefits described below in “–Potential Payments upon Termination or Change in Control.”

For a summary of the material terms and conditions of the severance policy, as well as the additional post-employment compensation arrangements with our Named Executive Officers, see “—Potential Payments upon Termination or Change in Control” below.

Other Compensation Policies

Compensation Recovery Policy

As a new publicly-traded company, we have not adopted a formal compensation recovery or clawback policy. Under Section 304 of the Sarbanes-Oxley Act of 2002, as applicable to all public companies, we operate under the requirements of that provision, under which our board of directors may seek reimbursement from our Chief Executive Officer and Chief Financial Officer if, as a result of their misconduct, we restate our financial results due to our material noncompliance with any financial reporting requirements under the federal securities laws.

In addition, we will comply with the requirements of Section 954 of the Dodd-Frank Wall Street Reform and Consumer Protection Act and will adopt a compensation recovery policy once final exchange regulations have been adopted.

Equity Incentive Award Grant Policy

It is our policy to not time the grant of equity awards in relation to the release of material non-public information, and we have adopted a written equity incentive award grant policy to specify the timing of the effectiveness of our equity awards to avoid such timing. This policy provides the following guidelines to be observed by the compensation and leadership committee and our board of directors in administering the grant of equity awards under our equity compensation plans:

- our board of directors has delegated to the compensation and leadership committee the express authority to administer our 2014 Plan, including the authority to grant awards under the 2014 Plan;

- our board of directors has delegated to the equity management committee (a committee consisting solely of our President) the non-exclusive authority to grant equity awards to employees below the level of executive staff Vice President where the awards fall within standard guidelines approved by the compensation and leadership committee and subject to a limitation on the number of shares of our common stock that may be granted in any year;

- if the equity management committee approves equity awards on or before the 15th day of the month, the awards will be granted effective as of the 15th day of that month, and if it approves such equity awards after the 15th of the month, the grant date for these awards will be the approval date;

- all equity awards granted outside the equity management committee guidelines or to our employees at or above the level of vice president who serve on the Company’s executive staff must be approved by the compensation and leadership committee; and

- all equity awards to the non-employee members of our board of directors, other than newly appointed directors, will be granted automatically in accordance with the terms of our Director Compensation Policy. Grants to newly appointed directors follow the terms of the Director Compensation Policy.

Under our 2014 Plan, the exercise price of any option to purchase shares of our common stock may not be less than the fair market value (based on the market closing price) of our common stock on the date of grant.

Derivatives Trading and Hedging Policies

We have adopted a policy prohibiting our employees, including our executive officers, and members of our board of directors from speculating in our equity securities, including the use of short sales or any equivalent transaction involving our equity securities. In addition, they may not engage in any other hedging or monetization transactions or trading on margin and other similar or related arrangements, with respect to the securities that they hold. Finally, no employee, including an executive officer, or member of our board of directors may acquire, sell, or trade in any interest or position relating to the future price of our equity securities.

Rule 10b5-1 Sales Plans

Certain of our directors and executive officers have adopted written plans, known as Rule 10b5-1 plans, in which they have contracted with a broker to buy or sell shares of our common stock on a periodic basis. Under a Rule 10b5-1 plan, a broker executes trades pursuant to parameters established by the director or officer when entering into the plan, without further direction from the director or officer. The director or officer may amend or terminate the plan in some circumstances. The adoption, amendment, termination and certain other actions with respect to Rule 10b5-1 plans must comply with the terms of our Policy on Securities Trades by GoPro Personnel and Requirements for Trading Plans.

Frequency of Say-on-Pay Advisory Vote

As previously reported, at our 2015 annual meeting of stockholders, our stockholders selected, on a non-binding advisory basis, three years as the frequency at which GoPro will hold a non-binding advisory vote to approve the compensation to be paid by us to our Named Executive Officers. Based on these results, our Board of Directors has determined that we will conduct future stockholder advisory votes regarding compensation awarded to our Named Executive Officers once every three years. This policy will remain in effect until the next stockholder vote on the frequency of stockholder advisory votes on the compensation of Named Executive Officers, expected to be held at our 2021 annual meeting of stockholders.

Tax and Accounting Considerations

Deductibility of Executive Compensation

Section 162(m) generally disallows a deduction for federal income tax purposes to any publicly-traded corporation for any remuneration in excess of \$1 million paid in any taxable year to its chief executive officer and each of the three other most highly-compensated executive officers (other than its chief financial officer). Generally, remuneration in excess of \$1 million may be deducted if, among other things, it qualifies as “performance-based” compensation within the meaning of the Code or qualifies for a different exemption. In this regard, the compensation income realized upon the exercise of options to purchase shares of the granting company’s securities granted under a stockholder-approved stock option plan generally will be deductible so long as the options are granted by a committee whose members are outside directors and certain other conditions are satisfied. Conversely, the compensation income realized upon the vesting of RSUs that are subject to time-based vesting requirements generally will not be deductible since such awards do not qualify as “performance-based” compensation.

The compensation and leadership committee seeks to qualify the incentive compensation paid to the covered executive officers for the “performance-based” compensation exemption from the deduction limit under Section 162(m) when it believes such action is in our best interests. In approving the amount and form of compensation for our executive officers, the compensation and leadership committee believes that the potential deductibility of the compensation payable under those plans and arrangements should be only one of a number of relevant factors taken into consideration, and not the sole governing factor. Accordingly, the compensation and leadership committee considers all elements of the cost to us of providing such compensation, including the potential impact of the Section 162(m) deduction limit. For that reason, the compensation and leadership committee may deem it appropriate to provide one or more executive officers with the opportunity to earn incentive compensation, whether through cash incentive awards tied to our financial performance or equity incentive awards tied to the executive officer’s continued service, which may be in excess of the amount deductible by reason of Section 162(m) or other provisions of the Code. While we gained approval of our 2015 Plan and our Executive Bonus Plan for purposes of Section 162(m) at the 2015 Annual Meeting, we reserve the right to structure awards (including the interplay of awards and employment agreements) in a manner that is not deductible in order to achieve our recruiting and retention objectives.

Taxation of Nonqualified Deferred Compensation

Section 409A of the Code requires that amounts that qualify as “nonqualified deferred compensation” satisfy requirements with respect to the timing of deferral elections, timing of payments, and certain other matters. Generally, the compensation and leadership committee intends to administer our executive compensation program and design individual compensation components, as well as

the compensation plans and arrangements for our employees generally, so that they are either exempt from, or satisfy the requirements of, Section 409A. From time to time, we may be required to amend some of our compensation plans and arrangements to ensure that they are either exempt from, or compliant with, Section 409A.

Taxation of “Parachute” Payments

Sections 280G and 4999 of the Code provide that executive officers and directors who hold significant equity interests and certain other service providers may be subject to additional taxes if they receive payments or benefits in connection with a change in control of our company that exceeds certain prescribed limits, and that we (or a successor) may forfeit a deduction on the amounts subject to this additional tax. Except in the case of Mr. Bates (as described above), we did not provide any executive officer, including any Named Executive Officer, with a “gross-up” or other reimbursement payment for any tax liability that he or she might owe as a result of the application of Sections 280G or 4999 during 2015 and we have not agreed and are not otherwise obligated to provide any executive officers, including any Named Executive Officer, with such a “gross-up” or other reimbursement payment.

Accounting for Stock-Based Compensation

The compensation and leadership committee takes accounting considerations into account in designing compensation plans and arrangements for our executive officers and other employees. Chief among these is FASB ASC Topic 718, the standard which governs the accounting treatment of stock-based compensation awards.

FASB ASC Topic 718 requires us to recognize in our financial statements all share-based payment awards to employees, including grants of options to purchase shares of our common stock and restricted stock units that may be settled for shares of our common stock to our executive officers, based on their fair values.

FASB ASC Topic 718 also requires us to recognize the compensation cost of our share-based payment awards in our income statement over the period that an employee, including our executive officers, is required to render service in exchange for the award (which, generally, will correspond to the award’s vesting schedule).

Compensation-Related Risks

Our board of directors is responsible for the oversight of our risk profile, including compensation-related risks. The compensation and leadership committee monitors our compensation policies and practices as applied to our employees to ensure that these policies and practices do not encourage excessive and unnecessary risk-taking. In 2015, our compensation and leadership committee conducted a review of our compensation programs, including our executive compensation program, and, based on this review, determined that the level of risk associated with these programs are not reasonably likely to have a material adverse effect on us.

Employment, Severance and Change in Control Agreements

Mr. Woodman

In June 2014, we entered into an employment letter with Mr. Woodman, which, among other things, provides for certain severance payments and other benefits upon a qualifying termination of employment. If Mr. Woodman's employment is terminated by us for any reason other than cause or he resigns for good reason prior to a change in control of GoPro, he will be eligible to receive:

- a single lump sum payment equal to the sum of 12 months of his then-current base salary and target bonus (assuming a 150% achievement threshold);
- an additional payment equal to the pro-rata portion of his actual target bonus for the year of his termination of employment; and

- continuation of benefits under COBRA for 12 months following his termination of employment (or if applicable law requires otherwise, a lump sum payment equal to that amount).
- If Mr. Woodman's employment is terminated by us for any reason other than cause or he resigns for good reason within 24 months following a change in control of GoPro, he will be eligible to receive:
- a single lump sum payment equal to the sum of 24 months of his then-current base salary and target bonus (assuming a 150% achievement threshold);
 - an additional payment equal to the pro-rata portion of his actual target bonus for the year of his termination of employment;
 - full accelerated vesting of all of the shares of our Class B common stock subject to his then-outstanding equity awards (other than his RSU award for 4,500,000 shares of our Class B common stock granted in June 2014); and
 - continuation of benefits under COBRA for 18 months following his termination of employment (or if applicable law requires otherwise, a lump sum payment equal to that amount).
- These payments and benefits are conditioned on Mr. Woodman's execution and delivery of an irrevocable release to us within the 60 days following his termination of employment.

Mr. Lazar

In January 2014, we entered into an employment offer letter with Mr. Lazar. Among other things, this letter provided that, subject to the approval of the Board of Directors, Mr. Lazar would be granted an option to purchase 900,000 shares of our Class B common stock, which would vest as to 20% of the shares subject to the option on the first anniversary of his commencement of employment and thereafter in equal monthly installments over 48 months, subject to his continuous employment as of each vesting date. Further, the letter provided that, subject to the approval of the Board of Directors, Mr. Lazar would be granted an RSU award for 100,000 shares of our Class B common stock, which would vest in four equal annual installments, subject to his continuous employment as of each vesting date.

We also entered into a change-in-control severance agreement with Mr. Lazar, which we amended and restated in June 2014, the terms of which are described further below. This agreement provides that:

in the event of a qualifying termination of employment within three months preceding or 12 months following a change in control of GoPro, Mr. Lazar will be eligible for full accelerated vesting of all of the shares of our common stock subject to his then-outstanding equity awards; and

in the event of a qualifying termination of employment not connected to a change in control of GoPro, 25% of the shares of our common stock initially subject to his then-outstanding equity awards will accelerate or we will continue to allow him to vest in his equity awards as a limited consultant for up to 12 months post-employment.

In connection with Mr. Lazar's departure in March 2016, he received the severance benefits described below in "--Potential Payments upon Termination or Change in Control."

Mr. Bates

In June 2014, we entered into an employment offer letter with Mr. Bates. Among other things, this letter provided that Mr. Bates' option to purchase 2,277,106 shares of our Class B common stock would vest in equal monthly installments over 48 months, subject to his continuous employment as of each vesting date. In addition, this letter provided that his RSU award for 248,749 shares of our Class B common stock would vest in 16 equal quarterly installments over four years, subject to his continuous employment as of each vesting date. Upon a change in control of GoPro, the vesting of these equity awards will accelerate such that a total of 50% of the shares of our Class B common stock subject to these equity awards will be vested.

If Mr. Bates' employment is terminated by us for any reason other than cause or he resigns for good reason prior to a change in control of GoPro, he will be eligible to receive:

- a single lump sum payment equal to the sum of 12 months of his then-current base salary and target bonus (assuming a 100% achievement threshold);
- an additional payment equal to the pro-rata portion of his actual target bonus for the year of his termination of employment service;

accelerated vesting of 25% of the shares of our common stock initially subject to his then-outstanding equity awards; and continuation of benefits under COBRA for 12 months following his termination of employment (or if applicable law requires otherwise, a lump sum payment equal to that amount).

If Mr. Bates' employment is terminated by us for any reason other than cause or he resigns for good reason within 24 months following a change in control of GoPro, he will be eligible to receive:

- a single lump sum payment equal to the sum of 24 months of his then-current base salary and target bonus (assuming a 200% achievement threshold);

- an additional payment equal to the pro-rata portion of his actual target bonus for the year of his termination of employment;

- full accelerated vesting of all of the shares of our common stock subject to his then-outstanding equity awards; and

- continuation of benefits under COBRA for 18 months following his termination of employment (or if

- applicable law requires otherwise, a lump sum payment equal to that amount).

These payments and benefits are conditioned on Mr. Bates' execution and delivery of an irrevocable release to us within the 60 days following his termination of employment.

In addition, Mr. Bates is eligible to receive a tax "gross-up" or reimbursement payment in the event that he is subject to Section 4999 of the Code as a result of the payments and benefits that he receives in connection with a change in control of GoPro as further described below in "—Potential Payments Upon Termination or Change in Control."

Ms. Zezima

In August 2013, we entered into an employment offer letter with Ms. Zezima. Among other things, this letter provided that, subject to the approval of the Board of Director, Ms. Zezima would be granted an option to purchase 75,000 shares of our Class B common stock, which would vest as to 25% of the shares subject to the option on the first anniversary of her commencement of employment and thereafter in equal monthly installments over 36 months thereafter, subject to her continuous employment as of each vesting date.

We also have entered into a change-in-control severance agreement with Ms. Zezima, the terms of which are described further below. This agreement provides that in the event of a qualifying termination of employment within three months preceding or 12 months following a change in control of GoPro, Ms. Zezima will be eligible for full accelerated vesting of all of the shares of our common stock subject to her then-outstanding equity awards.

Potential Payments upon Termination or Change in Control

In January 2014, we adopted a change-in-control and severance policy applicable to our executive officers and certain other employees pursuant to which each individual entered into an agreement governing such situations.

Subsequently, we entered into an employment letter with Mr. Woodman in June 2014, the terms of which supersede in their entirety the change-in-control severance agreement he executed in January 2014.

The change-in-control and severance agreements with each of the other Named Executive Officers requires us to provide certain payments and benefits upon a qualifying termination of employment, which occurs if we terminate his or her employment other than for cause, or he or she resigns for good reason, within three months preceding or 12 months following a change in control of GoPro. These payments and benefits are contingent upon the Named Executive Officer's execution, delivery and non-revocation of a release and waiver of claims satisfactory to us following his or her separation from service. In addition, for six months following separation of service, and as a condition to the payments and benefits provided under these agreements, he or she must cooperate with any transition efforts that we request and must not disparage us, or our directors, officers or employees.

Mr. Woodman

Under his employment letter dated June 2, 2014, Mr. Woodman is eligible to receive certain severance payments and benefits upon a qualifying termination of employment, including following a change in control of GoPro, as described in "—Employment, Severance and Change in Control Agreements—Mr. Woodman." In addition, the agreements for Mr. Woodman's outstanding RSU awards contain vesting and accelerated vesting provisions that supersede any acceleration that would have been provided under his employment letter. See "—Outstanding Equity Awards at December 31, 2015."

Mr. Lazar

Under his amended and restated change-in-control severance agreement dated June 8, 2014, in the event that we terminated his employment for any reason other than cause or he voluntarily resigned his employment for good reason with the three-month period preceding or the 12-month period following a change in control of GoPro (the “Change-in-Control Period”), Mr. Lazar would have been eligible to receive severance payments and benefits as follows (collectively, the “Lazar CIC Benefits”):

- 12 months of his then-current base salary;
- 100% of his target annual bonus or, if greater, his most recent actual annual bonus; and
- \$3,000 per month for 12 months in lieu of employee benefits.

In addition, all of the shares of our common stock subject to each then-outstanding and unvested equity award held by Mr. Lazar would have accelerated and become vested and exercisable in full immediately prior to his separation from service.

Further, under his amended and restated change-in-control severance agreement, in the event that we terminated his employment for any reason other than cause or he voluntarily resigned his employment for good reason outside the Change-in-Control Period, Mr. Lazar would have been eligible to receive the following severance payments and benefits: the Lazar CIC Benefits and 25% of the shares of our common stock initially subject to each of his then-outstanding equity awards would accelerate and become vested and exercisable or we would allow him to vest in his equity awards as a limited consultant for up to 12 months post-employment.

Further, if we undergo a change in control, any payments that would be “parachute payments” within the meaning of Section 280G of the Code would be reduced so that Mr. Lazar would retain, on an after-tax basis, the greatest amount of these payments.

Mr. Bates

Under his employment letter dated June 2, 2014, Mr. Bates is eligible for severance benefits upon a qualifying termination connected to a change in control as described in “—Employment, Severance and Change in Control Agreements—Mr. Bates.” In addition, Mr. Bates may be entitled to a cash payment from us to partially cover certain tax liabilities that Mr. Bates may incur if we undergo a change in control within the meaning of Section 280G of the Code. If we undergo a change in control during the three years following Mr. Bates’ commencement of employment, any payments that would be “parachute payments” within the meaning of Section 280G will be subject to a gross-up payment, except that equity awards other than the Initial Awards (as defined below) will not be subject to a gross-up payment, as further described in the following paragraph.

With respect to this gross-up payment, Mr. Bates will be entitled to receive (i) a cash payment from us equal to the excise tax owed and (ii) an additional payment to pay the excise tax, employment tax, and income taxes arising from this initial cash payment (collectively, the “280G Gross-Up”). The calculation of the 280G Gross-Up will exclude all equity awards other than his initial stock option and RSUs granted on June 3, 2014 (these initial awards, his “Initial Awards”). However, if the payments to which Mr. Bates is entitled do not exceed 110% of three times his average historical compensation for the preceding five calendar years (or shorter period of service), then we are not required to make this gross-up payment to Mr. Bates (the provisions of Mr. Bates’ employment letter relating to this exception, the “Valley Provisions”).

We have estimated the value of the 280G Gross-Up based upon the following assumptions: (i) aggregate base compensation in 2014 and 2015 of \$800,000, (ii) effective tax rates equal to 39.6% (federal), 13.3% (California), 2.35% (Medicare), and 20% (Section 280G excise taxes), (iii) assumption or substitution of options and restricted stock units by a hypothetical acquiror on December 31, 2015, (iv) change-in-control price per share equal to our closing price on the last business day of December 2015 of \$18.01, (v) inapplicability of the Valley Provisions cutback, (vi) upon a hypothetical change in control on December 31, 2015, without a qualifying termination of Mr. Bates’ employment, (x) attribution of accelerated shares in equal portions as to all future accelerated vesting events, (y) inapplicability of the value of parachute payments ineligible for the gross-up toward determining whether the parachute payments eligible for the gross-up are subject to Section 280G excise taxes, and (z) netting of the full base amount against the parachute payments eligible for the gross-up in determining the amount of the 280G Gross-Up, and (vii) rebuttal of any presumption that the entirety of the option grant and restricted stock unit award were granted

in contemplation of any merger or similar transaction because of being granted within one year of December 31, 2015. The value of the change-in-control payments that Mr. Bates receives may be reduced by a showing that additional portions of the potential parachute payments represent reasonable compensation for services or may otherwise be offset by the value attributable to a non-competition agreement, and we have not factored in any such reduction. Accordingly, if a change in control were to occur on December 31, 2015, subject to the assumptions above, the 280G Gross-Up to Mr. Bates would be either (i) zero without a qualifying termination of his employment in connection with such hypothetical change in control (because Mr. Bates would not receive payments sufficient to cause him to incur any liability for Section 280G excise taxes)

or (ii) \$2,999,666.89 upon a qualifying termination of his employment in connection with such hypothetical change in control, comprising a reimbursement of parachute taxes of \$742,417.56 and a gross-up on such reimbursement of \$2,257,249.34. Our obligation to make any such 280G Gross-Up ends on June 3, 2017.

Ms. Zezima

Under her change-in-control severance agreement dated January 13, 2014, in the event that we terminate her employment for any reason other than cause or she voluntarily resigns her employment for good reason with the three-month period preceding or the 12-month period following a change in control of GoPro, Ms. Zezima is eligible to receive severance payments and benefits as follows:

- 12 months of her then-current base salary;
 - 100% of her target annual bonus or, if greater, her most recent actual annual bonus;
 - \$3,000 per month for 12 months in lieu of employee benefits; and
 - all of the shares of our common stock subject to each then-outstanding and unvested equity award held by Ms. Zezima will accelerate and become vested and exercisable in full immediately prior to her separation from service.
- Further, if we undergo a change in control, any payments that would be “parachute payments” within the meaning of Section 280G of the Code will be reduced so that Ms. Zezima retains, on an after-tax basis, the greatest amount of these payments.

Estimated Payments and Benefits as of December 31, 2015

The following table sets forth the estimated payments and benefits that would be received by each of the Named Executive Officers (other than Ms. Richardson) upon a change in control of GoPro, upon a termination of employment without cause or following a resignation for good reason, or in the event of a termination of employment without cause or following a resignation for good reason in connection with a change in control in GoPro. This table reflects amounts payable to each Named Executive Officer assuming that his or her employment was terminated on December 31, 2015 and the change in control of GoPro also occurred on that date. The closing market price per share of our common stock on December 31, 2015 was \$18.01.

The value of the accelerated vesting of outstanding and unvested equity awards has been calculated based on the (1) closing market price of our common stock on the NASDAQ Stock Market on December 31, 2015, which was \$18.01 per share, less, if applicable, the exercise price of each outstanding and unvested stock option.

(2) This amount assumes the achievement of certain performance requirements upon the change in control of GoPro.

Separation of Ms. Richardson

Ms. Richardson terminated her employment as our Chief Operating Officer effective February 27, 2015. Pursuant to her amended change-in-control severance agreement dated June 8, 2014, in connection with her departure Ms. Richardson received the following payments and benefits:

- \$350,000, representing 12 months of her then-current base salary;
- \$387,081, representing an amount equal to her annual bonus for 2014;
- \$36,000, representing \$3,000 per month for 12 months in lieu of employee benefits; and
-

continued vesting of her then-outstanding and unvested equity awards subject to her providing services as a limited consultant until February 27, 2016.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights ⁽¹⁾	Weighted-average exercise price of outstanding options, warrants and rights ⁽²⁾ (\$)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities) reflected in column(a))
	(a)	(b)	(c)
Equity compensation plans approved by security holders	17,720,145	11.82	15,567,127 ⁽³⁾
Equity compensation plans not approved by security holders	—	—	—
Total	17,720,145	11.82	15,567,127

(1) Includes our 2010 Equity Incentive Plan (“2010 Plan”) and 2014 Plan. Excludes purchase rights accruing under our 2014 Employee Stock Purchase Plan.

(2) The weighted-average exercise price does not reflect the shares that will be issued in connection with the settlement of RSUs, since RSUs have no exercise price.

(3) There are no shares of common stock available for issuance under our 2010 Plan, but it will continue to govern the terms of options granted thereunder. Any shares of Class B common stock that are subject to outstanding awards under the 2010 Plan that are issuable upon the exercise of stock options that expire or become unexercisable for any reason without having been exercised in full will generally be available for future grant and issuance as shares of Class A common stock under our 2014 Plan. In addition, the number of shares reserved for issuance under our 2014 Plan increased automatically by 4,629,630 on January 1, 2016 and will increase automatically on the first day of January of each of 2017 through 2024 by the number of shares equal to 3% of the total outstanding shares of our common stock (which includes outstanding shares of our Class A common stock, outstanding shares of our Class B common stock, outstanding stock options and outstanding RSUs) as of the immediately preceding December 31 or a lower number approved by our board of directors. There are 4,516,367 shares of Class A common stock available for issuance under the 2014 Employee Stock Purchase Plan. The number of shares reserved for issuance under our 2014 Employee Stock Purchase Plan increased automatically by 1,543,210 on January 1, 2016 and will increase automatically on the first day of January of each year during the term of the 2014 Employee Stock Purchase Plan by the number of shares equal to 1% of the total outstanding shares of our common stock (which includes outstanding shares of our Class A common stock, outstanding shares of our Class B common stock, outstanding stock options and outstanding RSUs) as of the immediately preceding December 31 or a lower number approved by our board of directors.

RELATED PARTY TRANSACTIONS

In addition to the executive officer and director compensation arrangements discussed above under “Executive Compensation” and “Proposal No. 1—Election of Directors—Director Compensation,” respectively, since January 1, 2015, we were a party to the following transactions in which:

- we have been or are to be a participant;
- the amount involved exceeds \$120,000; and
- any of our directors, executive officers or holders of more than 5% of our capital stock, or any immediate family member of or person sharing the household with any of these individuals, had or will have a direct or indirect material interest.

Offer Letters and Change In Control Agreements

We have entered into offer letters and change in control severance agreements with our executive officers that, among other things, provide for severance and change in control benefits. See “Executive compensation—Employment, Severance and Change in Control Agreements” for information about these agreements.

Indemnification of Directors

We have entered into indemnification agreements with each of our directors and executive officers. These indemnification agreements and our restated certificate of incorporation and amended and restated bylaws provide for indemnification of each of our directors and executive officers to the fullest extent permitted by Delaware law.

Other Transactions

Beginning in April 2013, we entered into agreements for certain contract manufacturing and engineering services with a company affiliated with Foxteq Holdings Inc., one of our investors. We made payments of \$0.2 million, \$12.2 million and \$3.6 million in 2015, 2014 and 2013, respectively, for services rendered. As of December 31, 2015 and 2014, we had accounts payable associated with this vendor of zero and \$0.1 million, respectively.

In August 2013, we entered into an agreement, which was amended in August 2015, with Mooresville Motorplex, LLC, a company owned by the son of Michael Marks, one of our directors, to acquire certain naming rights to a sprint kart track. As consideration for these naming rights, we agreed to pay a total of \$525,000 in installments beginning in October 2013 over the naming rights period. In addition to the cash payment for the naming rights, we are also contractually obligated to provide Mooresville Motorplex, LLC with 300 cameras at no cost over the life of the agreement. Mr. Marks is not affiliated with, and has no financial interest in, Mooresville Motorplex, LLC. As of December 31, 2015, we have made cumulative payments of \$475,000 and also provided 100 GoPro cameras at no cost each year.

In October 2014, our audit committee adopted and approved a Chartered Aircraft Use Policy (the “Aircraft Policy”) that provides that executive management may use private aviation for company-related business transportation. Our audit committee determined that the Aircraft Policy promotes the interests of the Company by maximizing the efficiency of its employees, by enabling them to fulfill the critical, frequent and often changing demands placed upon them. All reimbursement payments made to Mr. Woodman for the use of his private plane for business travel were made pursuant to the Aircraft Policy. In accordance with the policy, reimbursements may not exceed a reasonable market rate charged for equivalent commercial charter travel. We made payments of \$1.0 million and \$0.5 million in 2015 and 2014, respectively, to Mr. Woodman. As of December 31, 2015 and 2014, we had outstanding accounts payable to Mr. Woodman of \$0.1 million and \$0.4 million, respectively.

In July 2015, Adam Dornbusch, a senior director in our Entertainment division, married the daughter of our board member, Michael Marks. Mr. Dornbusch has been employed by us since June 17, 2013, and had total cash compensation in 2015, including base salary, bonus and other compensation, of \$423,882. Mr. Marks does not have any financial interest in the compensation of Mr. Dornbusch as a GoPro employee.

Review, Approval or Ratification of Transactions with Related Parties

Our Corporate Governance Guidelines and our related party transactions policy requires that any transaction with a related party that must be reported under applicable rules of the SEC (other than compensation-related matters), must be reviewed and approved or ratified by our audit committee (other than transactions that are subject to review by our board of directors as a whole or any other committee of our board of directors). In approving or rejecting any such proposal, our audit committee will consider the relevant and available facts and circumstances, including, but not limited to, the extent of the related person's interest in the transactions, the material facts of the proposed transaction, including the proposed aggregate value of such transaction and whether the proposed transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances.

REPORT OF THE AUDIT COMMITTEE

The information contained in the following report of our audit committee is not considered to be “soliciting material,” “filed” or incorporated by reference in any past or future filing by us under the Securities Exchange Act of 1934 or the Securities Act of 1933 unless and only to the extent that we specifically incorporate it by reference.

The audit committee has reviewed and discussed with our management and PricewaterhouseCoopers LLP our audited financial statements for the year ended December 31, 2015. The audit committee has also discussed with PricewaterhouseCoopers LLP the matters required to be discussed under the Public Company Accounting Oversight Board Auditing Standard No. 16 (Communications with Audit Committees).

The audit committee has received and reviewed the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the audit committee concerning independence, and has discussed with PricewaterhouseCoopers LLP its independence from GoPro.

Based on the review and discussions referred to above, the audit committee recommended to the board of directors that the audited financial statements be included in our Annual Report for filing with the Securities and Exchange Commission.

"Householding" — Stockholders Sharing the Same Last Name and Address

The SEC has adopted rules that permit companies and intermediaries (such as brokers) to implement a delivery procedure called "householding." Under this procedure, multiple stockholders who reside at the same address may receive a single copy of our Annual Report and proxy materials, including the Notice of Internet Availability, unless the affected stockholder has provided contrary instructions. This procedure reduces printing costs and postage fees, and helps protect the environment as well.

This year, a number of brokers with account holders who are GoPro stockholders will be "householding" our Annual Report and proxy materials, including the Notice of Internet Availability. A single Notice of Internet Availability and, if applicable, a single set of Annual Report and other proxy materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that it will be "householding" communications to your address, "householding" will continue until you are notified otherwise or until you revoke your consent. Stockholders may revoke their consent at any time by contacting American Stock Transfer & Trust Company, LLC by calling (800) 937-5449 or writing to 6201 15th Avenue, Brooklyn, New York 11219.

Upon written or oral request, GoPro will promptly deliver a separate copy of the Notice of Internet Availability and, if applicable, Annual Report and other proxy materials to any stockholder at a shared address to which a single copy of any of those documents was delivered. APPENDIX A
2014 EQUITY INCENTIVE PLAN AND FRENCH SUBPLAN

GOPRO, INC.
2014 EQUITY INCENTIVE PLAN
FRENCH SUBPLAN

1. Introduction.

The Board of Directors (the “Board”) of GoPro, Inc. (the “Company”) has established the GoPro, Inc. 2014 Equity Incentive Plan (the “U.S. Plan”) to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of the Company, and any Parents and Subsidiaries that exist now or in the future, including those at the Company’s French Subsidiaries, of which the Company holds directly or indirectly at least 10% of the share capital (each a “French Entity”), by offering them an opportunity to participate in the Company’s future performance through the grant of Awards.

Sections 4.1(o) and 4.5 of the U.S. Plan authorize the Committee (as defined in the U.S. Plan) to establish subplans and to modify the terms and conditions of any award granted to individuals outside the United States to the extent the Committee determines such actions to be necessary or advisable or to comply or facilitate compliance with applicable foreign laws and regulations. The Committee has determined that it is advisable to establish a subplan for the purpose of permitting restricted stock units (“RSUs”) granted to employees or officers of a French Entity to qualify for the specific tax and social security treatment available for such grants in France. The Committee, therefore, intends to establish a subplan of the U.S. Plan for the purpose of granting RSUs that qualify for the specific tax and social security treatment in France applicable to Company shares granted for no consideration under Sections L. 225-197-1 to L. 225-197-6 of the French Commercial Code, as amended (“French-Qualified RSUs”), to qualifying employees who are resident in France for French tax purposes and/or subject to the French social security regime (the “French Participants”). The terms of the U.S. Plan, as set out in Appendix A hereto, are subject to the limitations in the following rules, and together constitute the rules of the GoPro, Inc. 2014 Equity Incentive Plan French Subplan (this “French Subplan”).

Under this French Subplan, French Participants will be granted RSUs only as defined in Section 2 hereunder. The provisions of the U.S. Plan permitting the grant of incentive stock options, nonqualified stock options, restricted stock awards, stock bonus awards, stock appreciation rights and performance awards are not applicable to grants made under this French Subplan.

2. Definitions.

Capitalized terms not otherwise defined herein shall have the same meanings as set forth in the U.S. Plan. The terms set out below will have the following meanings:

(a) RSUs.

The term “RSUs” shall mean an award granted pursuant to Sections 9 and 12 of the U.S. Plan which is a promise by the Company to issue one Share for each RSU granted to a French Participant, at the end of a specified restricted period, provided certain vesting requirements are satisfied, for no consideration and to which any dividend and voting rights shall attach only upon the issuance of Shares at the time of vesting of the RSUs. RSUs will not be settled in cash.

(b) Date of Grant.

The term “Date of Grant” shall mean the date on which the Committee both (1) designates the French Participant, and (2) specifies the terms and conditions of the RSUs, including the number of Shares to be issued at a future date, the conditions for the vesting of the RSUs and the conditions for the issuance of the Shares underlying the RSUs by the Company, if any, and the conditions for the transferability of the Shares once issued, if any.

(c) Vesting Date.

The term “Vesting Date” shall mean the date on which French Participants are entitled to receive the Shares related to the RSUs, as specified by the Committee. To qualify for the French specific tax and social security regime, such Vesting Date shall not occur prior to the expiration of the minimum mandatory vesting period applicable to French-Qualified RSUs under Section L. 225-197-1 of the French Commercial Code, as amended and applicable as of the Date of Grant, or the relevant sections of the French Tax Code or the French Social Security Code, as amended.

Any additional conditions for the vesting may be provided for in the RSU award agreement for French Participants or other writing evidencing the RSUs provided by the Company.

(d) Closed Period.

The term “Closed Period” shall mean such period as set forth in Section L. 225-197-1 of the French Commercial Code, as amended, which is applicable to companies whose shares are listed on a regulated market and is as follows:

(i) Ten quotation days preceding and three quotation days following the disclosure to the public of the consolidated financial statements or the annual statements of the Company; or

(ii) Any period during which the corporate management of the Company involved in the governance of the Company (such as the Board or the Committee) possesses confidential information which could, if disclosed to the public, significantly impact the trading price of the Shares, until ten quotation days after the day such information is disclosed to the public.

If the French Commercial Code is amended after adoption of this French Subplan to modify the definition and/or the applicability of the Closed Periods to French-Qualified RSUs, such amendments shall become applicable to any French-Qualified RSUs granted under this French Subplan, to the extent required by French law.

(e) Disability.

The term “Disability” shall mean disability as defined under categories 2 ° and 3 ° of Section L. 341-4 of the French Social Security Code, as amended, and subject to the fulfillment of related conditions.

3. Eligibility to Participate.

(a) Subject to Sections 3(b) and (c) below, any French Participant who, on the Date of Grant and to the extent required under French law, is either employed under the terms and conditions of an employment contract with a French Entity (“contrat de travail”), or who is a managing corporate officer of a French Entity (e.g., Président du Conseil d'Administration, Directeur Général, Directeur Général Délégué, Membre du Directoire, Gérant de Sociétés par actions), shall, at the discretion of the Committee, be eligible to receive RSUs under this French Subplan, provided that he or she also satisfies the eligibility conditions of the U.S. Plan.

(b) RSUs may not be issued to corporate officers of a French Entity, other than the managing corporate officers (e.g., Président du Conseil d'Administration, Directeur Général, Directeur Général Délégué, Membre du Directoire, Gérant de Sociétés par actions), unless the corporate officer is an employee of a French Entity as defined by French law and is otherwise eligible to receive RSUs under the U.S. Plan.

(c) RSUs may not be issued under this French Subplan to employees or (managing) corporate officers owning more than ten percent (10%) of the Company's share capital or to individuals other than eligible employees and (managing) corporate officers of the French Entities.

(d) To the extent permissible under French tax and social security laws, including guidelines and specific tax or social security rulings issued by French tax and social security authorities, any individual who is employed by

the Company or a Subsidiary shall be eligible to receive RSUs under this French Subplan (provided that he or she also satisfies the eligibility conditions of the U.S. Plan) even if the individual is not a French tax resident and/or subject to the French social contribution regime on the Date of Grant, and such an individual shall be considered, to the extent applicable, as a French Participant.

4. Conditions of the RSUs.

(a) Vesting of RSUs.

RSUs will not vest prior to the Vesting Date defined under Section 2(c) above and provided any additional conditions for the vesting that may be provided for in the Restricted Stock Unit Award Agreement are satisfied. However, notwithstanding the foregoing, in the event of the death of a French Participant, all of his or her outstanding RSUs shall vest under the conditions set forth in Section 5 of this French Subplan.

(b) Holding of Shares.

The Shares issued pursuant to the RSUs held by the French Participants may be subject to a minimum mandatory holding period which may be required under Section L. 225-197-1 of the French Commercial Code, as amended, or under the relevant sections of the French Tax Code or the French Social Security Code, as amended, to benefit from the specific tax and social security regime, and the same may be imposed on such Shares for the French Participants to benefit from the specific tax and social security regime. This holding period will continue to apply even after the French Participant is no longer an employee or (managing) corporate officer of a French Entity or another Subsidiary, except in case of death or Disability of the French Participant.

In addition, the Shares may not be sold or transferred during certain Closed Periods as provided for by Section L. 225-197-1 of the French Commercial Code, as amended, and as interpreted by the French administrative guidelines, to the extent Closed Periods are applicable to Shares issued pursuant to this French Subplan.

(c) French Participant's Account.

To the extent required to benefit from the French specific tax and social security regime, the Shares issued to a French Participant shall be recorded in the name of the French Participant in an account with the Company or a broker or in such other manner as the Company may otherwise determine to ensure compliance with any applicable restrictions and holding periods as provided by French law.

5. Death and Disability.

In the event of the death of a French Participant, any outstanding RSUs become transferable to the French Participant's heirs, who can request the issuance of the Shares related to all outstanding RSUs within six months following the death of the French Participant. If Shares are not requested by the heirs within such six-month period, any outstanding RSUs will be forfeited at the end of such six-month period.

The French Participant's heirs are not subject to the restrictions on the sale of Shares set forth in Section 4(b) above, if any.

In the event of Disability of the French Participant, the French Participant will no longer be subject to the restrictions on the sale of Shares set forth in Section 4(b) above, if any.

6. Adjustments and Change in Capital Structure.

In the event of a change in capitalization or a corporate transaction as set forth in Sections 2.6 and 21 of the U.S. Plan, adjustment to the terms and conditions of the French-Qualified RSUs or underlying Shares may be made only in accordance with the U.S. Plan and pursuant to applicable French legal, tax and social security rules.

Nevertheless, the Committee, in its discretion, may decide to make adjustments in the case of a transaction for which adjustments are not authorized under French law, in which case the RSUs may no longer qualify as French-Qualified RSUs and the specific tax and social security treatment may be lost. Assumption or substitution of the RSUs in case of a corporate transaction as well as an acceleration of vesting or waiver of holding periods, if any, or any other mechanism implemented upon a merger or change of control, or in any other events, may result in the RSUs being no longer eligible to the specific French tax and social security regime.

7. Disqualification of RSUs.

In the event changes are made to the terms and conditions of the RSUs or to the underlying Shares due to any requirements under the applicable laws or by decision of the Company's shareholders, the Board or the Committee, the RSUs or underlying Shares may no longer qualify for the specific tax and social security treatment pursuant to Sections L. 225-197-1 to L. 225-197-6 of the French Commercial Code, as amended.

If the RSUs or underlying Shares no longer qualify for the specific tax and social security treatment pursuant to Sections L. 225-197-1 to L. 225-197-6 of the French Commercial Code, as amended, the Committee may, provided it is authorized to do so under the U.S. Plan, determine to lift, shorten or terminate certain restrictions applicable to the vesting of the RSUs or the sale of the Shares underlying the RSUs which may have been imposed under this French Subplan or in the RSU award agreement or other writing delivered to the French Participant.

In the event that any Restricted Stock Units or underlying Shares no longer qualify for the specific tax and social security treatment pursuant to Sections L. 225-197-1 to L. 225-197-6 of the French Commercial Code, as amended, the holder of such Restricted Stock Units shall be ultimately liable and responsible for all taxes and/or social security contributions that he or she is legally required to pay in connection with such Restricted Stock Units or underlying Shares.

8. Interpretation.

It is intended that the RSUs granted under this French Subplan shall qualify for the specific tax and social security treatment applicable to French-Qualified RSUs granted under Sections L. 225-197-1 to L. 225-197-6 of the French Commercial Code, as amended, and in accordance with the relevant provisions set forth by French tax and social security laws. However, the Company makes no guarantee or undertaking that the RSUs will retain this status. The terms of this French Subplan shall be interpreted according to and in accordance with the relevant provisions set forth by French tax and social security laws, as well as the guidance of the French tax and social security administrations and the relevant guidelines released by the French tax and social security authorities and subject to the fulfillment of legal, tax and reporting obligations, as applicable.

9. Employment Rights.

The adoption of this French Subplan shall not confer upon the French Participants or any employee of a French Entity any employment rights, and shall not be construed as a part of any employment contracts that a French Entity has with its employees.

10. Non-Transferability.

Notwithstanding any provision in the U.S. Plan to the contrary and, except in the case of death, the Restricted Stock Units shall not be transferred to any third party and Shares shall be issued only to the French Participant during his or her lifetime.

11. Amendments.

Subject to the terms of the U.S. Plan, the Committee reserves the right to amend or terminate this French Subplan at any time.

12. Effective Date and Term of French Subplan.
This French Subplan is effective as of June 6, 2016.

ATTACHMENT A
2014 EQUITY INCENTIVE PLAN

GOPRO, INC.

2014 EQUITY INCENTIVE PLAN

1. **PURPOSE.** The purpose of this Plan is to provide incentives to attract, retain and motivate eligible persons whose present and potential contributions are important to the success of the Company, and any Parents and Subsidiaries that exist now or in the future, by offering them an opportunity to participate in the Company's future performance through the grant of Awards. Capitalized terms not defined elsewhere in the text are defined in Section 28.

2. **SHARES SUBJECT TO THE PLAN.**

2.1. **Number of Shares Available.** Subject to Sections 2.6 and 21 and any other applicable provisions hereof, the total number of Shares reserved and available for grant and issuance pursuant to this Plan as of the date of adoption of the Plan by the Board, is 13,470,229 plus (i) any reserved shares not issued or subject to outstanding grants under the Company's 2010 Equity Incentive Plan (the "Prior Plan") on the Effective Date (as defined below), (ii) shares that are subject to stock options or other awards granted under the Prior Plan that cease to be subject to such stock options or other awards by forfeiture or otherwise after the Effective Date, (iii) shares issued under the Prior Plan before or after the Effective Date pursuant to the exercise of stock options that are, after the Effective Date, forfeited, (iv) shares issued under the Prior Plan that are repurchased by the Company at the original issue price and (v) shares that are subject to stock options or other awards under the Prior Plan that are used to pay the exercise price of an option or withheld to satisfy the tax withholding obligations related to any award. Provided, however, that shares reserved and available for grant and issuance pursuant to subpart (i) – (v) of this Section 2.1 shall be issuable as Common Stock of the Company regardless of their series or class under the prior plan.

2.2. **Lapsed, Returned Awards.** Shares subject to Awards, and Shares issued under the Plan under any Award, will again be available for grant and issuance in connection with subsequent Awards under this Plan to the extent such Shares: (a) are subject to issuance upon exercise of an Option or SAR granted under this Plan but which cease to be subject to the Option or SAR for any reason other than exercise of the Option or SAR; (b) are subject to Awards granted under this Plan that are forfeited or are repurchased by the Company at the original issue price; (c) are subject to Awards granted under this Plan that otherwise terminate without such Shares being issued; or (d) are surrendered pursuant to an Exchange Program. To the extent an Award under the Plan is paid out in cash rather than Shares, such cash payment will not result in reducing the number of Shares available for issuance under the Plan. Shares used to pay the exercise price of an Award or withheld to satisfy the tax withholding obligations related to an Award will become available for future grant or sale under the Plan. For the avoidance of doubt, Shares that otherwise become available for grant and issuance because of the provisions of this Section 2.2 shall not include Shares subject to Awards that initially became available because of the substitution clause in Section 21.2 hereof.

2.3. **Minimum Share Reserve.** At all times the Company shall reserve and keep available a sufficient number of Shares as shall be required to satisfy the requirements of all outstanding Awards granted under this Plan.

2.4. **Automatic Share Reserve Increase.** The number of Shares available for grant and issuance under the Plan shall be automatically increased January 1 of each of the calendar years 2015 through 2024, by the lesser of (i) three percent (3%) of the number of Shares, Share equivalents, Class B Common Stock shares, and Class B Common Stock

A-7

equivalents outstanding on each December 31 immediately prior to the date of increase or (ii) such number of Shares determined by the Board.

2.5. Limitations. No more than 134,702,290 Shares shall be issued pursuant to the exercise of ISOs.

2.6. Adjustment of Shares. If the number of outstanding Shares is changed by a stock dividend, recapitalization, stock split, reverse stock split, subdivision, combination, reclassification or similar change in the capital structure of the Company, without consideration, then (a) the number of Shares reserved for issuance and future grant under the Plan set forth in Section 2.1, including shares reserved under sub-clauses (i)-(v) of Section 2.1, (b) the Exercise Prices of and number of Shares subject to outstanding Options and SARs, (c) the number of Shares subject to other outstanding Awards, (d) the maximum number of shares that may be issued as ISOs set forth in Section 2.5, and (e) the maximum number of Shares that may be issued to an individual or to a new Employee in any one calendar year set forth in Section 3 or to a Non-Employee Director in Section 12 shall be proportionately adjusted, subject to any required action by the Board or the stockholders of the Company and in compliance with applicable securities laws; provided that fractions of a Share will not be issued.

3. ELIGIBILITY. ISOs may be granted only to eligible Employees. All other Awards may be granted to Employees, Consultants, Directors and Non-Employee Directors; provided such Consultants, Directors and Non-Employee Directors render bona fide services not in connection with the offer and sale of securities in a capital-raising transaction. No Participant will be eligible to be granted more than Five Hundred Thousand (500,000) Shares in any calendar year under this Plan pursuant to the grant of Awards except that new Employees (including new Employees who are also officers and directors of the Company or any Parent, Subsidiary or Affiliate) are eligible to be granted up to a maximum of One Million (1,000,000) Shares in the calendar year in which they commence their employment.

4. ADMINISTRATION.

4.1. Committee Composition; Authority. This Plan will be administered by the Committee or by the Board acting as the Committee. Subject to the general purposes, terms and conditions of this Plan, and to the direction of the Board, the Committee will have full power to implement and carry out this Plan, except, however, the Board shall establish the terms for the grant of an Award to Non-Employee Directors. The Committee will have the authority to:

- (a) construe and interpret this Plan, any Award Agreement and any other agreement or document executed pursuant to this Plan;
- (b) prescribe, amend and rescind rules and regulations relating to this Plan or any Award;
- (c) select persons to receive Awards;
- (d) determine the form and terms and conditions, not inconsistent with the terms of the Plan, of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may vest and be exercised (which may be based on performance criteria) or settled, any vesting acceleration or waiver of forfeiture restrictions, the method to satisfy tax withholding obligations or any other tax liability legally due, and any restriction or limitation regarding any Award or the Shares relating thereto, based in each case on such factors as the Committee will determine;
- (e) determine the number of Shares or other consideration subject to Awards;

- (f) Plan and the definition of Fair Market Value in connection with circumstances that impact the Fair Market Value, if necessary;
- (g) determine whether Awards will be granted singly, in combination with, in tandem with, in replacement of, or as alternatives to, other Awards under this Plan or any other incentive or compensation plan of the Company or any Parent or Subsidiary of the Company;
- (h) grant waivers of Plan or Award conditions;
- (i) determine the vesting, exercisability and payment of Awards;
- (j) correct any defect, supply any omission or reconcile any inconsistency in this Plan, any Award or any Award Agreement;
- (k) determine whether an Award has been earned;
- (l) determine the terms and conditions of any, and to institute any Exchange Program;
- (m) reduce or waive any criteria with respect to Performance Factors;
- (n) adjust Performance Factors to take into account changes in law and accounting or tax rules as the Committee deems necessary or appropriate to reflect the impact of extraordinary or unusual items, events or circumstances to avoid windfalls or hardships provided that such adjustments are consistent with the regulations promulgated under Section 162(m) of the Code with respect to persons whose compensation is subject to Section 162(m) of the Code;
- (o) adopt terms and conditions, rules and/or procedures (including the adoption of any subplan under this Plan) relating to the operation and administration of the Plan to accommodate requirements of local law and procedures outside of the United States;
- (p) make all other determinations necessary or advisable for the administration of this Plan; and
- (q) delegate any of the foregoing to a subcommittee consisting of one or more executive officers pursuant to a specific delegation as permitted by applicable law, including Section 157(c) of the Delaware General Corporation Law.

4.2. Committee Interpretation and Discretion. Any determination made by the Committee with respect to any Award shall be made in its sole discretion at the time of grant of the Award or, unless in contravention of any express term of the Plan or Award, at any later time, and such determination shall be final and binding on the Company and all persons having an interest in any Award under the Plan. Any dispute regarding the interpretation of the Plan or any Award Agreement shall be submitted by the Participant or Company to the Committee for review. The resolution of such a dispute by the Committee shall be final and binding on the Company and the Participant. The Committee may delegate to one or more executive officers the authority to review and resolve disputes with respect to Awards held by Participants who are not Insiders, and such resolution shall be final and binding on the Company and the Participant.

4.3. Section 162(m) of the Code and Section 16 of the Exchange Act. When necessary or desirable for an Award to qualify as “performance-based compensation” under Section 162(m) of the Code the Committee shall

include at least two persons who are “outside directors” (as defined under Section 162(m) of the Code) and at least two (or a majority if more than two then serve on the Committee) such “outside directors” shall approve the grant of such Award and timely determine (as applicable) the Performance Period and any Performance Factors upon which vesting or settlement of any portion of such Award is to be subject. When required by Section 162(m) of the Code, prior to settlement of any such Award at least two (or a majority if more than two then serve on the Committee) such “outside directors” then serving on the Committee shall determine and certify in writing the extent to which such Performance Factors have been timely achieved and the extent to which the Shares subject to such Award have thereby been earned. Awards granted to Participants who are subject to Section 16 of the Exchange Act must be approved by two or more “non-employee directors” (as defined in the regulations promulgated under Section 16 of the Exchange Act). With respect to Participants whose compensation is subject to Section 162(m) of the Code, and provided that such adjustments are consistent with the regulations promulgated under Section 162(m) of the Code, the Committee may adjust the performance goals to account for changes in law and accounting and to make such adjustments as the Committee deems necessary or appropriate to reflect the impact of extraordinary or unusual items, events or circumstances to avoid windfalls or hardships, including without limitation (i) restructurings, discontinued operations, extraordinary items, and other unusual or non-recurring charges, (ii) an event either not directly related to the operations of the Company or not within the reasonable control of the Company’s management, or (iii) a change in accounting standards required by generally accepted accounting principles.

4.4. Documentation. The Award Agreement for a given Award, the Plan and any other documents may be delivered to, and accepted by, a Participant or any other person in any manner (including electronic distribution or posting) that meets applicable legal requirements.

4.5. Foreign Award Recipients. Notwithstanding any provision of the Plan to the contrary, in order to comply with the laws and practices in other countries in which the Company and its Subsidiaries and Affiliates operate or have employees or other individuals eligible for Awards, the Committee, in its sole discretion, shall have the power and authority to: (i) determine which Subsidiaries and Affiliates shall be covered by the Plan; (ii) determine which individuals outside the United States are eligible to participate in the Plan which may include individuals who provide services to the Company, Subsidiary or Affiliate under an agreement with a foreign nation or agency; (iii) modify the terms and conditions of any Award granted to individuals outside the United States or foreign nationals to comply with applicable foreign laws, policies, customs and practices; (iv) establish subplans and modify exercise procedures and other terms and procedures, to the extent the Committee determines such actions to be necessary or advisable (and such subplans and/or modifications shall be attached to this Plan as appendices); provided, however, that no such subplans and/or modifications shall increase the share limitations contained in Section 2.1 hereof; and (v) take any action, before or after an Award is made, that the Committee determines to be necessary or advisable to obtain approval or comply with any local governmental regulatory exemptions or approvals. Notwithstanding the foregoing, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate the Exchange Act or any other applicable United States securities law, or any other applicable law.

5. OPTIONS. An Option is the right but not the obligation to purchase a Share, subject to certain conditions, if applicable. The Committee may grant Options to eligible Employees, Consultants and Directors and will determine whether such Options will be Incentive Stock Options within the meaning of the Code (“ISOs”) or Nonqualified Stock Options (“NSOs”), the number of Shares subject to the Option, the Exercise Price of the Option, the period during which the Option may vest and be exercised, and all other terms and conditions of the Option, subject to the following:

5.1 Option Grant. Each Option granted under this Plan will identify the Option as an ISO or an NSO. An Option may be, but need not be, awarded upon satisfaction of such Performance Factors during any Performance

Period as are set out in advance in the Participant's individual Award Agreement. If the Option is being earned upon the satisfaction of Performance Factors, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for each Option; and (y) select from among the Performance Factors to be used to measure the performance, if any. Performance Periods may overlap and Participants may participate simultaneously with respect to Options that are subject to different performance goals and other criteria.

5.2. Date of Grant. The date of grant of an Option will be the date on which the Committee makes the determination to grant such Option, or a specified future date. The Award Agreement will be delivered to the Participant within a reasonable time after the granting of the Option.

5.3. Exercise Period. Options may be vested and exercisable within the times or upon the conditions as set forth in the Award Agreement governing such Option; provided, however, that no Option will be exercisable after the expiration of ten (10) years from the date the Option is granted; and provided further that no ISO granted to a person who, at the time the ISO is granted, directly or by attribution owns more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or of any Parent or Subsidiary of the Company ("Ten Percent Stockholder") will be exercisable after the expiration of five (5) years from the date the ISO is granted. The Committee also may provide for Options to become exercisable at one time or from time to time, periodically or otherwise, in such number of Shares or percentage of Shares as the Committee determines.

5.4. Exercise Price. The Exercise Price of an Option will be determined by the Committee when the Option is granted; provided that: (i) the Exercise Price of an Option will be not less than one hundred percent (100%) of the Fair Market Value of the Shares on the date of grant and (ii) the Exercise Price of any ISO granted to a Ten Percent Stockholder will not be less than one hundred ten percent (110%) of the Fair Market Value of the Shares on the date of grant. Payment for the Shares purchased may be made in accordance with Section 11 and the Award Agreement and in accordance with any procedures established by the Company.

5.5. Method of Exercise. Any Option granted hereunder will be vested and exercisable according to the terms of the Plan and at such times and under such conditions as determined by the Committee and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share. An Option will be deemed exercised when the Company receives: (i) notice of exercise (in such form as the Committee may specify from time to time) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised (together with applicable withholding taxes). Full payment may consist of any consideration and method of payment authorized by the Committee and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option will be issued in the name of the Participant. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder will exist with respect to the Shares, notwithstanding the exercise of the Option. The Company will issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment will be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 2.6 of the Plan. Exercising an Option in any manner will decrease the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

5.6. Termination of Service.

(a) Not for Death, Disability or Cause. If the Participant's Service terminates for any reason except for Cause or the Participant's death or Disability, then the Participant may exercise such Participant's Options

only to the extent that such Options would have been exercisable by the Participant on the date Participant's Service terminates no later than three (3) months after the date Participant's Service terminates (or such shorter or longer time period as may be determined by the Committee, with any exercise beyond three (3) months after the date Participant's Service terminates deemed to be the exercise of an NSO), but in any event no later than the expiration date of the Options.

(b) **Death.** If the Participant's Service terminates because of the Participant's death (or the Participant dies within three (3) months after Participant's Service terminates other than for Cause or because of the Participant's Disability), then the Participant's Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the date Participant's Service terminates and must be exercised by the Participant's legal representative, or authorized assignee, no later than twelve (12) months after the date Participant's Service terminates (or such shorter or longer time period as may be determined by the Committee), but in any event no later than the expiration date of the Options.

(c) **Disability.** If the Participant's Service terminates because of the Participant's Disability, then the Participant's Options may be exercised only to the extent that such Options would have been exercisable by the Participant on the date Participant's Service terminates and must be exercised by the Participant (or the Participant's legal representative or authorized assignee) no later than six (6) months after the date Participant's Service terminates (with any exercise beyond (a) three (3) months after the date Participant's employment terminates when the termination of Service is for a Disability that is not a "permanent and total disability" as defined in Section 22(e)(3) of the Code, or (b) six (6) months after the date Participant's employment terminates when the termination of Service is for a Disability that is a "permanent and total disability" as defined in Section 22(e)(3) of the Code, deemed to be exercise of an NSO), but in any event no later than the expiration date of the Options.

(d) **Cause.** If the Participant is terminated for Cause, then Participant's Options shall expire on such Participant's date of termination of Service, or at such later time and on such conditions as are determined by the Committee, but in any no event later than the expiration date of the Options. Unless otherwise provided in the Award Agreement, Cause shall have the meaning set forth in the Plan.

5.7. **Limitations on Exercise.** The Committee may specify a minimum number of Shares that may be purchased on any exercise of an Option, provided that such minimum number will not prevent any Participant from exercising the Option for the full number of Shares for which it is then exercisable.

5.8. **Limitations on ISOs.** With respect to Awards granted as ISOs, to the extent that the aggregate Fair Market Value of the Shares with respect to which such ISOs are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds one hundred thousand dollars (\$100,000), such Options will be treated as NSOs. For purposes of this Section 5.8, ISOs will be taken into account in the order in which they were granted. The Fair Market Value of the Shares will be determined as of the time the Option with respect to such Shares is granted. In the event that the Code or the regulations promulgated thereunder are amended after the Effective Date to provide for a different limit on the Fair Market Value of Shares permitted to be subject to ISOs, such different limit will be automatically incorporated herein and will apply to any Options granted after the effective date of such amendment.

5.9 **Modification, Extension or Renewal.** The Committee may modify, extend or renew outstanding Options and authorize the grant of new Options in substitution therefor, provided that any such action may not, without the written consent of a Participant, impair any of such Participant's rights under any Option previously granted. Any

outstanding ISO that is modified, extended, renewed or otherwise altered will be treated in accordance with Section 424(h) of the Code. Subject to Section 18 of this Plan, by written notice to affected Participants, the Committee may reduce the Exercise Price of outstanding Options without the consent of such Participants; provided, however, that the Exercise Price may not be reduced below the Fair Market Value on the date the action is taken to reduce the Exercise Price.

5.10. No Disqualification. Notwithstanding any other provision in this Plan, no term of this Plan relating to ISOs will be interpreted, amended or altered, nor will any discretion or authority granted under this Plan be exercised, so as to disqualify this Plan under Section 422 of the Code or, without the consent of the Participant affected, to disqualify any ISO under Section 422 of the Code.

6. RESTRICTED STOCK AWARDS. A Restricted Stock Award is an offer by the Company to sell to an eligible Employee, Consultant, or Director Shares that are subject to restrictions (“Restricted Stock”). The Committee will determine to whom an offer will be made, the number of Shares the Participant may purchase, the Purchase Price, the restrictions under which the Shares will be subject and all other terms and conditions of the Restricted Stock Award, subject to the Plan.

6.1. Restricted Stock Purchase Agreement. All purchases under a Restricted Stock Award will be evidenced by an Award Agreement. Except as may otherwise be provided in an Award Agreement, a Participant accepts a Restricted Stock Award by signing and delivering to the Company an Award Agreement with full payment of the Purchase Price, within thirty (30) days from the date the Award Agreement was delivered to the Participant. If the Participant does not accept such Award within thirty (30) days, then the offer of such Restricted Stock Award will terminate, unless the Committee determines otherwise.

6.2. Purchase Price. The Purchase Price for a Restricted Stock Award will be determined by the Committee and may be less than Fair Market Value on the date the Restricted Stock Award is granted. Payment of the Purchase Price must be made in accordance with Section 11 of the Plan, and the Award Agreement and in accordance with any procedures established by the Company.

6.3. Terms of Restricted Stock Awards. Restricted Stock Awards will be subject to such restrictions as the Committee may impose or are required by law. These restrictions may be based on completion of a specified number of years of service with the Company or upon completion of Performance Factors, if any, during any Performance Period as set out in advance in the Participant’s Award Agreement. Prior to the grant of a Restricted Stock Award, the Committee shall: (a) determine the nature, length and starting date of any Performance Period for the Restricted Stock Award; (b) select from among the Performance Factors to be used to measure performance goals, if any; and (c) determine the number of Shares that may be awarded to the Participant. Performance Periods may overlap and a Participant may participate simultaneously with respect to Restricted Stock Awards that are subject to different Performance Periods and having different performance goals and other criteria.

6.4. Termination of Service. Except as may be set forth in the Participant’s Award Agreement, vesting ceases on such date Participant’s Service terminates (unless determined otherwise by the Committee).

7. STOCK BONUS AWARDS. A Stock Bonus Award is an award to an eligible Employee, Consultant, or Director of Shares for Services to be rendered or for past Services already rendered to the Agreement. No payment from the Participant will be required for Shares awarded pursuant to a Stock Bonus Award.

7.1. **Terms of Stock Bonus Awards.** The Committee will determine the number of Shares to be awarded to the Participant under a Stock Bonus Award and any restrictions thereon. These restrictions may be based upon completion of a specified number of years of service with the Company or upon satisfaction of performance goals based on Performance Factors during any Performance Period as set out in advance in the Participant's Stock Bonus Agreement. Prior to the grant of any Stock Bonus Award the Committee shall: (a) determine the nature, length and starting date of any Performance Period for the Stock Bonus Award; (b) select from among the Performance Factors to be used to measure performance goals; and (c) determine the number of Shares that may be awarded to the Participant. Performance Periods may overlap and a Participant may participate simultaneously with respect to Stock Bonus Awards that are subject to different Performance Periods and different performance goals and other criteria.

7.2. **Form of Payment to Participant.** Payment may be made in the form of cash, whole Shares, or a combination thereof, based on the Fair Market Value of the Shares earned under a Stock Bonus Award on the date of payment, as determined in the sole discretion of the Committee.

7.3. **Termination of Service.** Except as may be set forth in the Participant's Award Agreement, vesting ceases on such date Participant's Service terminates (unless determined otherwise by the Committee).

8. **STOCK APPRECIATION RIGHTS.** A Stock Appreciation Right ("SAR") is an award to an eligible Employee, Consultant, or Director that may be settled in cash, or Shares (which may consist of Restricted Stock), having a value equal to (a) the difference between the Fair Market Value on the date of exercise over the Exercise Price multiplied by (b) the number of Shares with respect to which the SAR is being settled (subject to any maximum number of Shares that may be issuable as specified in an Award Agreement). All SARs shall be made pursuant to an Award Agreement.

8.1. **Terms of SARs.** The Committee will determine the terms of each SAR including, without limitation: (a) the number of Shares subject to the SAR; (b) the Exercise Price and the time or times during which the SAR may be settled; (c) the consideration to be distributed on settlement of the SAR; and (d) the effect of the Participant's termination of Service on each SAR. The Exercise Price of the SAR will be determined by the Committee when the SAR is granted, and may not be less than Fair Market Value. A SAR may be awarded upon satisfaction of Performance Factors, if any, during any Performance Period as are set out in advance in the Participant's individual Award Agreement. If the SAR is being earned upon the satisfaction of Performance Factors, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for each SAR; and (y) select from among the Performance Factors to be used to measure the performance, if any. Performance Periods may overlap and Participants may participate simultaneously with respect to SARs that are subject to different Performance Factors and other criteria.

8.2. **Exercise Period and Expiration Date.** A SAR will be exercisable within the times or upon the occurrence of events determined by the Committee and set forth in the Award Agreement governing such SAR. The SAR Agreement shall set forth the expiration date; provided that no SAR will be exercisable after the expiration of ten (10) years from the date the SAR is granted. The Committee may also provide for SARs to become exercisable at one time or from time to time, periodically or otherwise (including, without limitation, upon the attainment during a Performance Period of performance goals based on Performance Factors), in such number of Shares or percentage of the Shares subject to the SAR as the Committee determines. Except as may be set forth in the Participant's Award Agreement, vesting ceases on the date Participant's Service terminates (unless determined otherwise by the Committee). Notwithstanding the foregoing, the rules of Section 5.6 also will apply to SARs.

8.3. **Form of Settlement.** Upon exercise of a SAR, a Participant will be entitled to receive payment from the Company in an amount determined by multiplying (i) the difference between the Fair Market Value of a Share on the date of exercise over the Exercise Price; times (ii) the number of Shares with respect to which the SAR is exercised. At the discretion of the Committee, the payment from the Company for the SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof. The portion of a SAR being settled may be paid currently or on a deferred basis with such interest or dividend equivalent, if any, as the Committee determines, provided that the terms of the SAR and any deferral satisfy the requirements of Section 409A of the Code.

8.4. **Termination of Service.** Except as may be set forth in the Participant's Award Agreement, vesting ceases on such date Participant's Service terminates (unless determined otherwise by the Committee).

9. **RESTRICTED STOCK UNITS.** Restricted Stock Unit ("RSU") is an award to an eligible Employee, Consultant, or Director covering a number of Shares that may be settled in cash, or by issuance of those Shares (which may consist of Restricted Stock). All RSUs shall be made pursuant to an Award Agreement.

9.1. **Terms of RSUs.** The Committee will determine the terms of an RSU including, without limitation: (a) the number of Shares subject to the RSU; (b) the time or times during which the RSU may be settled; (c) the consideration to be distributed on settlement; and (d) the effect of the Participant's termination of Service on each RSU. An RSU may be awarded upon satisfaction of such performance goals based on Performance Factors during any Performance Period as are set out in advance in the Participant's Award Agreement. If the RSU is being earned upon satisfaction of Performance Factors, then the Committee will: (x) determine the nature, length and starting date of any Performance Period for the RSU; (y) select from among the Performance Factors to be used to measure the performance, if any; and (z) determine the number of Shares deemed subject to the RSU. Performance Periods may overlap and participants may participate simultaneously with respect to RSUs that are subject to different Performance Periods and different performance goals and other criteria.

9.2. **Form and Timing of Settlement.** Payment of earned RSUs shall be made as soon as practicable after the date(s) determined by the Committee and set forth in the Award Agreement. The Committee, in its sole discretion, may settle earned RSUs in cash, Shares, or a combination of both. The Committee may also permit a Participant to defer payment under a RSU to a date or dates after the RSU is earned provided that the terms of the RSU and any deferral satisfy the requirements of Section 409A of the Code.

9.3. **Termination of Service.** Except as may be set forth in the Participant's Award Agreement, vesting ceases on such date Participant's Service terminates (unless determined otherwise by the Committee).

10. **PERFORMANCE AWARDS.** A Performance Award is an award to an eligible Employee, Consultant, or Director of a cash bonus or an award of Performance Shares denominated in Shares that may be settled in cash, or by issuance of those Shares (which may consist of Restricted Stock). Grants of Performance Awards shall be made pursuant to an Award Agreement.

10.1. **Terms of Performance Shares.** The Committee will determine, and each Award Agreement shall set forth, the terms of each Performance Award including, without limitation: (a) the amount of any cash bonus, (b) the number of Shares deemed subject to an award of Performance Shares; (c) the Performance Factors and Performance Period that shall determine the time and extent to which each award of Performance Shares shall be settled; (d) the consideration to be distributed on settlement, and (e) the effect of the Participant's termination of Service on each Performance Award. In establishing Performance Factors and the Performance Period the Committee will: (x) determine

the nature, length and starting date of any Performance Period; (y) select from among the Performance Factors to be used; and (z) determine the number of Shares deemed subject to the award of Performance Shares. Prior to settlement the Committee shall determine the extent to which Performance Awards have been earned. Performance Periods may overlap and Participants may participate simultaneously with respect to Performance Awards that are subject to different Performance Periods and different performance goals and other criteria. No Participant will be eligible to receive more than \$1,000,000 in Performance Awards in any calendar year under this Plan.

10.2. Value, Earning and Timing of Performance Shares. Each Performance Share will have an initial value equal to the Fair Market Value of a Share on the date of grant. After the applicable Performance Period has ended, the holder of Performance Shares will be entitled to receive a payout of the number of Performance Shares earned by the Participant over the Performance Period, to be determined as a function of the extent to which the corresponding Performance Factors or other vesting provisions have been achieved. The Committee, in its sole discretion, may pay earned Performance Shares in the form of cash, in Shares (which have an aggregate Fair Market Value equal to the value of the earned Performance Shares at the close of the applicable Performance Period) or in a combination thereof.

10.3. Termination of Service. Except as may be set forth in the Participant's Award Agreement, vesting ceases on the date Participant's Service terminates (unless determined otherwise by the Committee).

11. PAYMENT FOR SHARE PURCHASES. Payment from a Participant for Shares purchased pursuant to this Plan may be made in cash or by check or, where approved for the Participant by the Committee and where permitted by law (and to the extent not otherwise set forth in the applicable Award Agreement):

- (a) by cancellation of indebtedness of the Company to the Participant;
- (b) by surrender of shares of the Company held by the Participant that have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Award will be exercised or settled;
- (c) by waiver of compensation due or accrued to the Participant for services rendered or to be rendered to the Company or a Parent or Subsidiary of the Company;
- (d) by consideration received by the Company pursuant to a broker-assisted or other form of cashless exercise program implemented by the Company in connection with the Plan;
- (e) by any combination of the foregoing; or
- (f) by any other method of payment as is permitted by applicable law.

12. GRANTS TO NON-EMPLOYEE DIRECTORS. Non-Employee Directors are eligible to receive any type of Award offered under this Plan except ISOs. Awards pursuant to this Section 12 may be automatically made pursuant to policy adopted by the Board, or made from time to time as determined in the discretion of the Board. The aggregate number of Shares subject to Awards granted to a Non-Employee Director pursuant to this Section 12 in any calendar year shall not exceed 1,000,000.

12.1. Eligibility. Awards pursuant to this Section 12 shall be granted only to Non-Employee Directors. A Non-Employee Director who is elected or re-elected as a member of the Board will be eligible to receive an Award under this Section 12.

12.2. Vesting, Exercisability and Settlement. Except as set forth in Section 21, Awards shall vest, become exercisable and be settled as determined by the Board. With respect to Options and SARs, the exercise price granted to Non-Employee Directors shall not be less than the Fair Market Value of the Shares at the time that such Option or SAR is granted.

12.3. Election to receive Awards in Lieu of Cash. A Non-Employee Director may elect to receive his or her annual retainer payments and/or meeting fees from the Company in the form of cash or Awards or a combination thereof, as determined by the Committee. Such Awards shall be issued under the Plan. An election under this Section 12.3 shall be filed with the Company on the form prescribed by the Company.

13. WITHHOLDING TAXES.

13.1. Withholding Generally. Whenever Shares are to be issued in satisfaction of Awards granted under this Plan or the applicable tax event occurs, the Company may require the Participant to remit to the Company, or to the Parent, Subsidiary or Affiliate employing the Participant, an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax requirements or any other tax or social insurance liability legally due from the Participant prior to the delivery of Shares pursuant to exercise or settlement of any Award. Whenever payments in satisfaction of Awards granted under this Plan are to be made in cash, such payment will be net of an amount sufficient to satisfy applicable U.S. federal, state, local and international withholding tax and social insurance requirements or any other tax liability legally due from the Participant.

13.2. Stock Withholding. The Committee, or its delegate(s), as permitted by applicable law, in its sole discretion and pursuant to such procedures as it may specify from time to time and to limitations of local law, may require or permit a Participant to satisfy such tax withholding obligation or any other tax liability legally due from the Participant, in whole or in part by (without limitation) (i) paying cash, (ii) electing to have the Company withhold otherwise deliverable cash or Shares having a Fair Market Value equal to the minimum statutory amount required to be withheld, (iii) delivering to the Company already-owned Shares having a Fair Market Value equal to the minimum amount required to be withheld or (iv) withholding from the proceeds of the sale of otherwise deliverable Shares acquired pursuant to an Award either through a voluntary sale or through a mandatory sale arranged by the Company. The Fair Market Value of the Shares to be withheld or delivered will be determined as of the date that the taxes are required to be withheld.

14. TRANSFERABILITY.

14.1. Transfer Generally. Unless determined otherwise by the Committee or pursuant to Section 14.2, an Award may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or by the laws of descent or distribution. If the Committee makes an Award transferable, including, without limitation, by instrument to an inter vivos or testamentary trust in which the Awards are to be passed to beneficiaries upon the death of the trustor (settlor) or by gift or by domestic relations order to a Permitted Transferee, such Award will contain such additional terms and conditions as the Committee deems appropriate. All Awards shall be exercisable: (i) during the Participant's lifetime only by (A) the Participant, or (B) the Participant's guardian or legal representative; (ii) after the Participant's death, by the legal representative of the Participant's heirs or legatees; and (iii) in the case of all awards except ISOs, by a Permitted Transferee.

14.2. Award Transfer Program. Notwithstanding any contrary provision of the Plan, the Committee shall have all discretion and authority to determine and implement the terms and conditions of any Award Transfer Program

instituted pursuant to this Section 14.2 and shall have the authority to amend the terms of any Award participating, or otherwise eligible to participate in, the Award Transfer Program, including (but not limited to) the authority to (i) amend (including to extend) the expiration date, post-termination exercise period and/or forfeiture conditions of any such Award, (ii) amend or remove any provisions of the Award relating to the Award holder's continued service to the Company or its Parent or any Subsidiary, (iii) amend the permissible payment methods with respect to the exercise or purchase of any such Award, (iv) amend the adjustments to be implemented in the event of changes in the capitalization and other similar events with respect to such Award, and (v) make such other changes to the terms of such Award as the Committee deems necessary or appropriate in its sole discretion.

15. PRIVILEGES OF STOCK OWNERSHIP; RESTRICTIONS ON SHARES.

15.1. **Voting and Dividends.** No Participant will have any of the rights of a stockholder with respect to any Shares until the Shares are issued to the Participant, except for any dividend equivalent rights permitted by an applicable Award Agreement. After Shares are issued to the Participant, the Participant will be a stockholder and have all the rights of a stockholder with respect to such Shares, including the right to vote and receive all dividends or other distributions made or paid with respect to such Shares; provided, that if such Shares are Restricted Stock, then any new, additional or different securities the Participant may become entitled to receive with respect to such Shares by virtue of a stock dividend, stock split or any other change in the corporate or capital structure of the Company will be subject to the same restrictions as the Restricted Stock; provided, further, that the Participant will have no right to retain such stock dividends or stock distributions with respect to Shares that are repurchased at the Participant's Purchase Price or Exercise Price, as the case may be, pursuant to Section 15.2.

15.2. **Restrictions on Shares.** At the discretion of the Committee, the Company may reserve to itself and/or its assignee(s) a right to repurchase (a "Right of Repurchase") a portion of any or all Unvested Shares held by a Participant following such Participant's termination of Service at any time within ninety (90) days (or such longer or shorter time determined by the Committee) after the later of the date Participant's Service terminates and the date the Participant purchases Shares under this Plan, for cash and/or cancellation of purchase money indebtedness, at the Participant's Purchase Price or Exercise Price, as the case may be.

16. **CERTIFICATES.** All Shares or other securities whether or not certificated, delivered under this Plan will be subject to such stock transfer orders, legends and other restrictions as the Committee may deem necessary or advisable, including restrictions under any applicable U.S. federal, state or foreign securities law, or any rules, regulations and other requirements of the SEC or any stock exchange or automated quotation system upon which the Shares may be listed or quoted and any non-U.S. exchange controls or securities law restrictions to which the Shares are subject.

17. **ESCROW; PLEDGE OF SHARES.** To enforce any restrictions on a Participant's Shares, the Committee may require the Participant to deposit all certificates representing Shares, together with stock powers or other instruments of transfer approved by the Committee, appropriately endorsed in blank, with the Company or an agent designated by the Company to hold in escrow until such restrictions have lapsed or terminated, and the Committee may cause a legend or legends referencing such restrictions to be placed on the certificates. Any Participant who is permitted to execute a promissory note as partial or full consideration for the purchase of Shares under this Plan will be required to pledge and deposit with the Company all or part of the Shares so purchased as collateral to secure the payment of the Participant's obligation to the Company under the promissory note; provided, however, that the Committee may require or accept other or additional forms of collateral to secure the payment of such obligation and, in any event, the Company will have full recourse against the Participant under the promissory note notwithstanding any pledge of the Participant's Shares or other collateral. In connection with any pledge of the Shares, the Participant will be required to execute and

deliver a written pledge agreement in such form as the Committee will from time to time approve. The Shares purchased with the promissory note may be released from the pledge on a pro rata basis as the promissory note is paid.

18. **REPRICING; EXCHANGE AND BUYOUT OF AWARDS.** Without prior stockholder approval, the Committee may (i) reprice Options or SARs (and where such repricing is a reduction in the Exercise Price of outstanding Options or SARs, the consent of the affected Participants is not required provided written notice is provided to them, notwithstanding any adverse tax consequences to them arising from the repricing), and (ii) with the consent of the respective Participants (unless not required pursuant to Section 5.8 of the Plan), pay cash or issue new Awards in exchange for the surrender and cancellation of any, or all, outstanding Awards.

19. **SECURITIES LAW AND OTHER REGULATORY COMPLIANCE.** An Award will not be effective unless such Award is in compliance with all applicable U.S. and foreign federal and state securities and exchange control laws, rules and regulations of any governmental body, and the requirements of any stock exchange or automated quotation system upon which the Shares may then be listed or quoted, as they are in effect on the date of grant of the Award and also on the date of exercise or other issuance. Notwithstanding any other provision in this Plan, the Company will have no obligation to issue or deliver certificates for Shares under this Plan prior to: (a) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and/or (b) completion of any registration or other qualification of such Shares under any state or federal or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable. The Company will be under no obligation to register the Shares with the SEC or to effect compliance with the registration, qualification or listing requirements of any foreign or state securities laws, exchange control laws, stock exchange or automated quotation system, and the Company will have no liability for any inability or failure to do so.

20. **NO OBLIGATION TO EMPLOY.** Nothing in this Plan or any Award granted under this Plan will confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, the Company or any Parent, Subsidiary or Affiliate or limit in any way the right of the Company or any Parent, Subsidiary or Affiliate to terminate Participant's employment or other relationship at any time.

21. **CORPORATE TRANSACTIONS.**

21.1. **Assumption or Replacement of Awards by Successor.** In the event that the Company is subject to a Corporate Transaction, outstanding Awards acquired under the Plan shall be subject to the agreement evidencing the Corporate Transaction, which need not treat all outstanding Awards in an identical manner. Such agreement, without the Participant's consent, shall provide for one or more of the following with respect to all outstanding Awards as of the effective date of such Corporate Transaction.

(a) The continuation of an outstanding Award by the Company (if the Company is the successor entity).

(b) The assumption of an outstanding Award by the successor or acquiring entity (if any) of such Corporate Transaction (or by its parents, if any), which assumption, will be binding on all selected Participants; provided that the exercise price and the number and nature of shares issuable upon exercise of any such option or stock appreciation right, or any award that is subject to Section 409A of the Code, will be adjusted appropriately pursuant to Section 424(a) of the Code.

(c) The substitution by the successor or acquiring entity in such Corporate Transaction (or by its parents, if any) of equivalent awards with substantially the same terms for such outstanding Awards (except that the exercise price and the number and nature of shares issuable upon exercise of any such option or stock appreciation right, or any award that is subject to Section 409A of the Code, will be adjusted appropriately pursuant to Section 424(a) of the Code).

(d) The full acceleration of exercisability or vesting and accelerated expiration of an outstanding Award and lapse of the Company's right to repurchase or re-acquire shares acquired under an Award or lapse of forfeiture rights with respect to shares acquired under an Award.

(e) The settlement of the full value of such outstanding Award (whether or not then vested or exercisable) in cash, cash equivalents, or securities of the successor entity (or its parent, if any) with a Fair Market Value equal to the required amount, followed by the cancellation of such Awards; provided however, that such Award may be cancelled if such Award has no value, as determined by the Committee, in its discretion. Subject to Section 409A of the Code, such payment may be made in installments and may be deferred until the date or dates the Award would have become exercisable or vested. Such payment may be subject to vesting based on the Participant's continued service, provided that the vesting schedule shall not be less favorable to the Participant than the schedule under which the Award would have become vested or exercisable. For purposes of this Section 21.1(e), the Fair Market Value of any security shall be determined without regard to any vesting conditions that may apply to such security.

The Board shall have full power and authority to assign the Company's right to repurchase or re-acquire or forfeiture rights to such successor or acquiring corporation. In addition, in the event such successor or acquiring corporation refuses to assume, convert, replace or substitute Awards, as provided above, pursuant to a Corporate Transaction, the Committee will notify the Participant in writing or electronically that such Award will be exercisable for a period of time determined by the Committee in its sole discretion, and such Award will terminate upon the expiration of such period. Awards need not be treated similarly in a Corporate Transaction.

21.2. Assumption of Awards by the Company. The Company, from time to time, also may substitute or assume outstanding awards granted by another company, whether in connection with an acquisition of such other company or otherwise, by either; (a) granting an Award under this Plan in substitution of such other company's award; or (b) assuming such award as if it had been granted under this Plan if the terms of such assumed award could be applied to an Award granted under this Plan. Such substitution or assumption will be permissible if the holder of the substituted or assumed award would have been eligible to be granted an Award under this Plan if the other company had applied the rules of this Plan to such grant. In the event the Company assumes an award granted by another company, the terms and conditions of such award will remain unchanged (except that the Purchase Price or the Exercise Price, as the case may be, and the number and nature of Shares issuable upon exercise or settlement of any such Award will be adjusted appropriately pursuant to Section 424(a) of the Code). In the event the Company elects to grant a new Option in substitution rather than assuming an existing option, such new Option may be granted with a similarly adjusted Exercise Price. Substitute Awards shall not reduce the number of Shares authorized for grant under the Plan or authorized for grant to a Participant in a calendar year.

21.3. Non-Employee Directors' Awards. Notwithstanding any provision to the contrary herein, in the event of a Corporate Transaction, the vesting of all Awards granted to Non-Employee Directors shall accelerate and such Awards shall become exercisable (as applicable) in full prior to the consummation of such event at such times and on such conditions as the Committee determines.

22. **ADOPTION AND STOCKHOLDER APPROVAL.** This Plan shall be submitted for the approval of the Company's stockholders, consistent with applicable laws, within twelve (12) months before or after the date this Plan is adopted by the Board.

23. **TERM OF PLAN/GOVERNING LAW.** Unless earlier terminated as provided herein, this Plan will become effective on the Effective Date and will terminate ten (10) years from the date this Plan is adopted by the Board. This Plan and all Awards granted hereunder shall be governed by and construed in accordance with the laws of the State of Delaware (excluding its conflict of laws rules).

24. **AMENDMENT OR TERMINATION OF PLAN.** The Board may at any time terminate or amend this Plan in any respect, including, without limitation, amendment of any form of Award Agreement or instrument to be executed pursuant to this Plan; provided, however, that the Board will not, without the approval of the stockholders of the Company, amend this Plan in any manner that requires such stockholder approval; provided further, that a Participant's Award shall be governed by the version of this Plan then in effect at the time such Award was granted.

25. **NONEXCLUSIVITY OF THE PLAN.** Neither the adoption of this Plan by the Board, the submission of this Plan to the stockholders of the Company for approval, nor any provision of this Plan will be construed as creating any limitations on the power of the Board to adopt such additional compensation arrangements as it may deem desirable, including, without limitation, the granting of stock awards and bonuses otherwise than under this Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

26. **INSIDER TRADING POLICY.** Each Participant who receives an Award shall comply with any policy adopted by the Company from time to time covering transactions in the Company's securities by Employees, officers and/or directors of the Company.

27. **ALL AWARDS SUBJECT TO COMPANY CLAWBACK OR RECOUPMENT POLICY.** All Awards, subject to applicable law, shall be subject to clawback or recoupment pursuant to any compensation clawback or recoupment policy adopted by the Board or required by law during the term of Participant's employment or other service with the Company that is applicable to executive officers, employees, directors or other service providers of the Company, and in addition to any other remedies available under such policy and applicable law, may require the cancellation of outstanding Awards and the recoupment of any gains realized with respect to Awards.

28. **DEFINITIONS.** As used in this Plan, and except as elsewhere defined herein, the following terms will have the following meanings:

28.1. "Affiliate" means (i) any entity that, directly or indirectly, is controlled by, controls or is under common control with, the Company and (ii) any entity in which the Company has a significant equity interest, in either case as determined by the Committee, whether now or hereafter existing.

28.2. "Award" means any award under the Plan, including any Option, Restricted Stock, Stock Bonus, Stock Appreciation Right, Restricted Stock Unit or award of Performance Shares.

28.3. "Award Agreement" means, with respect to each Award, the written or electronic agreement between the Company and the Participant setting forth the terms and conditions of the Award and country-specific appendix thereto for grants to non-U.S. Participants, which shall be in substantially a form (which need not be the same for each Participant) that the Committee (or in the case of Award agreements that are not used for Insiders, the Committee's

delegate(s)) has from time to time approved, and will comply with and be subject to the terms and conditions of this Plan.

28.4. “Award Transfer Program” means any program instituted by the Committee which would permit Participants the opportunity to transfer any outstanding Awards to a financial institution or other person or entity approved by the Committee.

28.5. “Board” means the Board of Directors of the Company.

28.6. “Cause” means (i) Participant’s willful failure substantially to perform his or her duties and responsibilities to the Company or deliberate violation of a Company policy; (ii) Participant’s commission of any act of fraud, embezzlement, dishonesty or any other willful misconduct that has caused or is reasonably expected to result in material injury to the Company; (iii) unauthorized use or disclosure by Participant of any proprietary information or trade secrets of the Company or any other party to whom the Participant owes an obligation of nondisclosure as a result of his or her relationship with the Company; or (iv) Participant’s willful breach of any of his or her obligations under any written agreement or covenant with the Company. The determination as to whether a Participant is being terminated for Cause shall be made in good faith by the Company and shall be final and binding on the Participant. The foregoing definition does not in any way limit the Company’s ability to terminate a Participant’s employment or consulting relationship at any time as provided in Section 20 above, and the term “Company” will be interpreted to include any Subsidiary or Parent, as appropriate. Notwithstanding the foregoing, the foregoing definition of “Cause” may, in part or in whole, be modified or replaced in each individual agreement or Award Agreement with any Participant, provided that such document supersedes the definition provided in this Section 28.6.

28.7. “Code” means the United States Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder.

28.8. “Committee” means the Compensation Committee of the Board or those persons to whom administration of the Plan, or part of the Plan, has been delegated as permitted by law.

28.9. “Common Stock” means the Class A common stock of the Company.

28.10. “Company” means GoPro, Inc., or any successor corporation.

28.11. “Consultant” means any person, including an advisor or independent contractor, engaged by the Company or a Parent, Subsidiary or Affiliate to render services to such entity.

28.12. “Corporate Transaction” means the occurrence of any of the following events: (i) any “person” (as such term is used in Sections 13(d) and 14(d) of the Exchange Act) becomes the “beneficial owner” (as defined in Rule 13d-3 of the Exchange Act), directly or indirectly, of securities of the Company representing more than fifty percent (50%) of the total voting power represented by the Company’s then-outstanding voting securities; provided, however, that for purposes of this subclause (i) the acquisition of additional securities by any one Person who is considered to own more than fifty percent (50%) of the total voting power of the securities of the Company will not be considered a Corporate Transaction; (ii) the consummation of the sale or disposition by the Company of all or substantially all of the Company’s assets; (iii) the consummation of a merger or consolidation of the Company with any other corporation, other than a merger or consolidation which would result in the voting securities of the Company outstanding immediately prior thereto continuing to represent (either by remaining outstanding or by being converted into voting securities of

the surviving entity or its parent) at least fifty percent (50%) of the total voting power represented by the voting securities of the Company or such surviving entity or its parent outstanding immediately after such merger or consolidation; (iv) any other transaction which qualifies as a “corporate transaction” under Section 424(a) of the Code wherein the stockholders of the Company give up all of their equity interest in the Company (except for the acquisition, sale or transfer of all or substantially all of the outstanding shares of the Company) or (v) a change in the effective control of the Company that occurs on the date that a majority of members of the Board is replaced during any twelve (12) month period by members of the Board whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election. For purpose of this subclause (v), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Corporate Transaction. For purposes of this definition, Persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.
