To the Stockholders of Tecogen Inc.:

You are cordially invited to attend the Annual Meeting of Stockholders of Tecogen Inc. on Thursday, June 11, 2015. The Annual Meeting will begin at 1:30 p.m. local time at the Company's headquarters, 45 First Avenue, Waltham, Massachusetts.

We are pleased to again be using the U.S. Securities and Exchange Commission rule that allows us to furnish our proxy materials over the Internet. As a result, we are mailing to our stockholders a Notice of Internet Availability, or the Notice, instead of paper copies of our Proxy Statement and 2014 Annual Report on Form 10-K . The Notice contains instructions on how to access these documents via the Internet. The Notice also contains instructions on how you can receive a paper copy of our proxy materials, including this Proxy Statement, our 2014 Annual Report on Form 10-K and a proxy card. Stockholders who request paper copies of proxy materials will receive them by mail. This process will conserve natural resources and reduce the costs of printing and distributing our proxy materials to our stockholders.

Because it is important that your shares be voted at the Annual Meeting, we urge you to complete, date and sign a proxy card and return it as promptly as possible, whether or not you plan to attend in person. If you are a stockholder of record and do attend the annual meeting and wish to vote your shares in person, even after returning your proxy, you still may do so.

We appreciate your continued support of and interest in Tecogen Inc. and are working hard to build a company that we are all proud to own.

We look forward to seeing you in Waltham, Massachusetts on June 11, 2015.

Very truly yours,

TECOGEN INC.
PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

To be held June 11, 2015

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING
WHY DID YOU FURNISH ME WITH THIS PROXY STATEMENT?

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Tecogen Inc., a Delaware corporation, or the Company, for the Annual Meeting of Stockholders, or the Annual Meeting, to be held June 11, 2015 at 1:30 p.m., local time, and at any adjournments or postponements of the Annual Meeting. This Proxy Statement summarizes the information you need to make an informed vote on the proposals to be considered at the Annual Meeting. However, you do not need to attend the Annual Meeting to vote your shares. Instead, you may simply complete, sign and return a proxy card.

WHY ARE YOU MAKING THESE MATERIALS AVAILABLE OVER THE INTERNET RATHER THAN MAILING THEM?

Under the "Notice and Access Rule" that the Securities and Exchange Commission, or the SEC, has adopted, we are furnishing proxy materials to our stockholders on the Internet rather than mailing printed copies of those materials to each stockholder. This will help us conserve natural resources and it will save postage, printing and processing costs. If you received the Notice of Internet Availability of Proxy Materials, or the Notice of Internet Availability, by mail, you will not receive a printed copy of our proxy materials unless you specifically request one. Instead, the Notice of Internet Availability will instruct you about how you may (1) access and review the Company's proxy materials on the Internet and (2) access your proxy card to vote on the Internet. We anticipate that we will mail the Notice of Internet Availability to our stockholders on or about April 30, 2015.

The Proxy Materials are available at <https://materials.proxyvote.com/87876P>. Enter the 12-digit control number located on the Notice of Internet Availability or proxy card.

HOW CAN I HAVE PRINTED COPIES OF THE PROXY MATERIALS MAILED TO ME?

Instructions for requesting a paper copy of the proxy materials are set forth on the Notice of Internet Availability.

WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

The following proposals will be addressed at the Annual Meeting:

1. The election of six directors to the Board of Directors of the Company to hold office for one year or until their successors are duly elected and qualified, each as identified below;
2. To approve a non-binding advisory vote on executive compensation ("say-on-pay").
3. To approve a non-binding advisory vote on the frequency of future advisory votes on executive compensation every three years ("say-on-pay" frequency).
4. The ratification of the appointment of Wolf & Company, P.C. as the Company's independent registered public accounting firm;
5. The authorization to adjourn the Annual Meeting to a later date or dates if there are insufficient votes to approve the proposals; and

Transaction of such other business as may properly come before the Annual Meeting or any adjournment or postponement of the Annual Meeting.

Our Board of Directors, or our Board, has taken unanimous affirmative action with respect to each of the foregoing proposals and recommends that the stockholders vote in favor of each of the proposals.

WHO MAY VOTE ON THESE PROPOSALS?

Stockholders who owned shares of the Company's voting stock at the close of business on April 17, 2015 or the Record Date are entitled to vote at the Annual Meeting on all matters brought before the Annual Meeting.

On the Record Date, the Company had 16,338,782 shares of issued and outstanding common stock, par value \$0.01 per share or the Common Stock.

HOW MANY VOTES DO I HAVE?

Each share of Common Stock is entitled to one vote on each matter presented at the Annual Meeting.

HOW DOES THE BOARD RECOMMEND THAT I VOTE?

Our Board unanimously recommends that stockholders vote "FOR" all six nominees for director, "FOR" the non-binding advisory proposal regarding the Company's executive compensation, "FOR" the option that the say on pay proposal be considered every two years, "FOR" the ratification of the appointment of Wolf & Company, P.C. as independent auditors and "FOR" the authorization to adjourn the Annual Meeting to a later date or dates if there are insufficient votes present in person or represented by proxy at the Annual Meeting to approve the proposals.

WHAT IS THE QUORUM REQUIREMENT?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares are represented by stockholders present at the Annual Meeting or by proxy. On the Record Date, there were 16,338,782 shares outstanding and entitled to vote. Thus, 8,169,392 shares must be represented by stockholders present at the meeting or by proxy to have a quorum. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the Annual Meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. A broker non-vote occurs when a broker holding shares for a beneficial owner votes on one proposal but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner. If there is no quorum, the chairman of the meeting or a majority of the votes present at the meeting may adjourn the meeting to another date.

WHY WOULD THE ANNUAL MEETING BE ADJOURNED?

The Annual Meeting may be adjourned if a quorum is not present or to allow time for further solicitation of proxies in the event there are insufficient votes present in person or represented by proxy to approve the proposals. For purposes of determining whether the stockholders have approved matters other than the election of directors, abstentions are treated as shares present or represented and voting, so abstaining has the same effect as a negative vote. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purpose of determining the existence of a quorum at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Whether you hold shares directly as the stockholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. Stockholders may deliver their proxies either:

- (1) Electronically over the Internet as outlined in the Notice of Internet Availability; or
- (2) By requesting, completing and submitting a properly signed paper proxy card as outlined in the Notice of Internet Availability.

Returning the proxy card will not affect your right to attend the Annual Meeting and vote in person as described elsewhere herein. If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors as follows:

1. FOR the election of each of our Board's nominees for director;
2. FOR the approval of a non-binding, advisory proposal approving the Company's executive compensation ("say-on-pay").
3. FOR the approval of the non-binding, advisory vote on the frequency of future advisory votes on executive compensation every three years ("say-on-pay" frequency).
4. FOR the ratification of the appointment of Wolf & Company, P.C. as the Company's independent registered public accounting firm; and
5. FOR the authorization to adjourn the Annual Meeting to a later date or dates if there are insufficient votes present in person or represented by proxy at the Annual Meeting to approve the proposals.

If any other matters are presented, your proxy will vote in accordance with his or her best judgment. At the time this Proxy Statement was finalized, we knew of no matters that needed to be acted on at the Annual Meeting other than

those discussed in this Proxy Statement.

- 2 -

HOW DO I VOTE IN PERSON?

If you are a stockholder of record (i.e., you own the shares directly in your name) and plan to attend the Annual Meeting, you may attend and vote in person on June 11, 2015, or at a later date if the Annual Meeting is adjourned or postponed to a later date, as long as you present valid proof of identification at the Annual Meeting. We will give you a ballot when you arrive. However, if your shares are held in the name of your broker, bank or other nominee, in addition to identification, you must bring proof of beneficial ownership in order to attend the Annual Meeting, which generally can be obtained from the record holder. In that event, you must also obtain a proxy or a power of attorney executed by the broker, bank or other nominee that owns the shares of record for your benefit and authorizing you to vote the shares at the Annual Meeting.

MAY I REVOKE MY PROXY?

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in three ways:

1. You may send in another proxy with a later date.

You may notify the Company in writing (by you or your attorney authorized in writing, or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the Annual Meeting, that you are revoking your proxy.

3. You may vote in person at the Annual Meeting.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Directors. A plurality of the eligible votes cast is required to elect a director nominee. A nominee who receives a plurality means he has received more votes than any other nominee for the same director's seat. Shares not represented in person or by proxy at the Annual Meeting and broker non-votes will have no effect on the election of directors. Proposal 2: Non-binding Advisory Vote on Executive Compensation. The approval of Proposal 2, the approval of the non-binding, advisory vote on executive compensation, requires the affirmative vote of a majority of the votes cast at the Annual Meeting by the holders of shares of Common Stock entitled to vote. Abstentions and broker non-votes will have no direct effect on the outcome of this proposal. Proposal 3: Non-binding, Advisory Vote on Frequency of Future Advisory Votes Approving Executive Compensation Every Three Years. With respect to Proposal 3, the approval of the non-binding, advisory vote on the future frequency of advisory votes approving on executive compensation, stockholders may vote for a say on pay proposal every one year, every two years, every three years or they may abstain from voting. Proposal 3 will be decided by a plurality of the votes cast without regard to broker non-votes or proxies marked "ABSTAIN" as to that matter. Proposal 4: Ratification of independent registered public accounting firm. The approval of Proposal 4, the ratification of the appointment of our independent registered public accounting firm, requires the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. Proposal 5: Adjournment of the Annual Meeting. The approval of Proposal 5, the adjournment of the Annual Meeting, requires the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote thereon. Abstentions will be counted toward the tabulation of votes present or represented on Proposals 4 and 5 and will have the same effect as votes "Against" these proposals. NASDAQ rules prohibit brokers from voting on Proposals 1, 2 or 3 without receiving instructions from the beneficial owner of the shares. In the absence of instructions, shares subject to such broker non-votes will not be counted as voted or as present or represented on Proposals 1, 2 or 3 and so will have no effect on the vote. Abstentions will not be counted as votes cast and, therefore, will not affect any proposals that are being submitted to the stockholders at the Annual Meeting.

ARE THERE ANY DISSENTERS' RIGHTS OF APPRAISAL?

Our Board is not proposing any action for which the laws of the State of Delaware, the Company's Certificate of Incorporation or the Company's Bylaws provide a right of a stockholder to dissent and obtain appraisal of or payment for such stockholder's shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

The Company will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution.

WHERE ARE THE COMPANY'S PRINCIPAL EXECUTIVE OFFICES?

The Company's principal executive offices are located at 45 First Avenue, Waltham, Massachusetts and the Company's telephone number is (781) 466-6400.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's executive officers and directors, and persons who own more than five percent of any publicly traded class of the Company's equity securities, to file reports of ownership and changes in ownership of equity securities of the Company with the SEC and the NASDAQ. Officers, directors, and greater-than-five-percent stockholders are required by the SEC's regulations to furnish the Company with copies of all Section 16(a) forms that they file.

Based solely upon a review of Forms 3 and Forms 4 furnished to the Company during the most recent fiscal year, and Forms 5 with respect to its most recent fiscal year, the Company believes that all such forms required to be filed pursuant to Section 16(a) of the Exchange Act were timely filed, as necessary, by the executive officers, directors, and security holders required to file the same during the fiscal year ended December 31, 2014, except that an initial report on Form 3 indicating no holdings was filed late by Mr. Earl Lewis.

CORPORATE GOVERNANCE

The Board of Directors

The number of directors of the Company is established by the Board in accordance with the Company's Bylaws. The exact number of directors is currently set at six by resolution of the Board. The directors are elected to serve for one year terms, with the term of directors expiring each year at the annual meeting of stockholders; provided further, that the term of each director shall continue until the election and qualification of a successor and be subject to such director's earlier death, resignation or removal.

The Company's Certificate of Incorporation and Bylaws provide that the authorized number of directors may be changed only by resolution of the Board, and also provide that our directors may be removed only for cause by the affirmative vote of the holders of at least two thirds of the votes that all our stockholders would be entitled to cast in an annual election of directors, and that any vacancy on our Board, including a vacancy resulting from an enlargement of our Board of, may be filled only by vote of a majority of our directors then in office.

Members of the Board discussed various business matters informally on numerous occasions throughout the year. There were two formal Board meetings in person during 2014. All current directors attended at least 75% of the meetings of our Board. Independent directors meet on a regular basis as often as necessary to fulfill their responsibilities, including at least annually in executive session without the presence of non-independent directors and management. This will be the Company's first Annual Meeting.

Director Independence

The Company's common stock is listed on the NASDAQ stock exchange. The Board considers the status of its members pursuant to the independence requirements set forth in the applicable NASDAQ rules and applicable federal securities laws. Under these requirements, the Board undertakes a review at least annually of director independence. During this review, the Board considers transactions and relationships between each director or any member of his immediate family and the Company and its affiliates, if any. The purpose of this review is to determine whether any such relationships or transactions exist that are inconsistent with a determination that the director is independent. The following current directors, Ms. Galiteva, Dr. Aoun, Mr. Lewis and Mr. Ghoniem are "independent" in each case as defined in the applicable NASDAQ rules. The members of the Compensation Committee, Audit Committee and Nominating and Governance Committee are also "independent" for purposes of Section 10A-3 of the Exchange Act and NASDAQ listing requirements. The Board bases these determinations primarily on a review of the responses of the directors and executive officers to questions regarding employment and transaction history, affiliations and family and other relationships and on discussions with the directors.

Board Leadership Structure and Role in Risk Oversight

The Company separates the roles of Co-Chief Executive Officers and Chairman in recognition of the differences between the two roles. Our Co-Chief Executive Officers are responsible for setting the strategic direction for the

Company and the overall leadership and performance of the Company. Our Chairman provides guidance to the Co-Chief Executive Officers, sets the agenda for Board meetings, presides over meetings of the full Board and leads all executive meetings of the independent directors. We are a small company with a small management team, and we feel the separation of these roles enhances high-level attention to our business. Our Board has no lead independent director.

- 9 -

Our Board oversees our risk management processes directly and through its committees. Our management is responsible for risk management on a day-to-day basis. The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls and compliance with legal and regulatory requirements, and discusses policies with respect to risk assessment and risk management, including guidelines and policies to govern the process by which the Company's exposure to risk is handled. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs. The Nominating and Governance Committee assists the Board in fulfilling its oversight responsibilities with respect to the management of risks associated with board organization, membership and structure, succession planning for our directors, and corporate governance.

Committees of the Board of Directors

Our Board directs the management of our business and affairs and conducts its business through meetings of the Board and the following standing committees: the Audit Committee, the Compensation Committee and the Nominating and Governance Committee.

Audit Committee. The Audit Committee is presently composed of three members of the Board: Mr. Charles T. Maxwell (Chairman), Ms. Angelina M. Galiteva and Dr. Ahmed F. Ghoniem. The Audit Committee assists the Board in the oversight of the audit of the Company's financial statements and the quality and integrity of its accounting, auditing and financial reporting processes. The Audit Committee also has the responsibility of reviewing the qualifications, independence and performance of the Company's independent registered public accounting firm and is responsible for the appointment, retention, oversight and, where appropriate, termination of the independent registered public accounting firm. During fiscal year 2014, the Audit Committee held five meetings. The Board has determined that each of the members of the Audit Committee meets the criteria for independence under the applicable listing standards of the NASDAQ, and that Mr. Maxwell also qualifies as an "audit committee financial expert," as defined by the rules adopted by the SEC. The Board has adopted a written charter for the Audit Committee, which is reviewed annually by the Audit Committee. The current Audit Committee Charter is available on the Company's web site, <http://investors.tecogen.com/audit-committee-charter>.

Compensation Committee. The Compensation Committee is presently composed of three members of the Board: Dr. Joseph E. Aoun (Chairman), Ms. Angelina M. Galiteva and Mr. Ahmed F. Ghoniem. The principal functions of the Compensation Committee are reviewing with management cash and other compensation policies for employees, making recommendations to the Board regarding compensation matters and determining compensation for the Executive Officers. Our Co-Chief Executive Officers have been instrumental in the design and recommendation to the Compensation Committee of compensation plans and awards for our directors and executive officers including our President and Chief Operating Officer, and Chief Financial Officer. All compensation decisions for the Chief Executive Officers and all other executive officers are reviewed and approved by the Compensation Committee, and can be subject to ratification by the Board of Directors. The Compensation Committee has the authority under its charter to engage the services of outside advisors, experts and others to assist the Compensation Committee. In 2014, no compensation consultant was engaged for employee or executive compensation. During fiscal year 2014, the Compensation Committee held two meetings. The Board has determined that each of the members of the Compensation Committee meets the criteria for independence under the applicable NASDAQ listing standards. The current Compensation Committee Charter is available on the Company's web site at <http://investors.tecogen.com/compensation-committee-charter>.

Nominating and Governance Committee. The Nominating and Governance Committee is presently composed of three members of the Board: Mr. Ahmed F. Ghoniem (Chairman), Mr. Charles T. Maxwell and Dr. Joseph E. Aoun, each of whom is an independent director as independence is defined by the NASDAQ rules and regulations. The Nominating and Governance Committee functions are to identify persons qualified to serve as members of the Board, to recommend to the Board of Directors persons to be nominated by the Board for election as directors at the annual meeting of stockholders and persons to be elected by the board to fill any vacancies, and recommend to the Board persons to be appointed to each of its committees. In addition, the Nominating and Governance Committee is responsible for developing and recommending to the Board a set of corporate governance guidelines applicable to the

Company (as well as reviewing and reassessing the adequacy of such guidelines as it deems appropriate from time to time) and overseeing the annual self-evaluation of the Board. The committee held no formal meetings in 2014. The charter of the Nominating and Governance Committee is available on the Company's website at <http://investors.tecogen.com/nominating-and-governance-committee-charter>.

The Committee will evaluate any director candidates recommended by security holders under the same process. Compensation Committee Interlocks and Insider Participation

None of our executive officers serve as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any other entity that has one or more of its executive officers serving as a member of our Board or Compensation Committee. None of the current members of the Compensation Committee of our Board has ever been an employee of the Company.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

None of our executive officers has an employment contract or change-in-control arrangement, other than stock and option awards that contain certain change-in-control provisions such as accelerated vesting due to acquisition. In the event an acquisition that is not a private transaction occurs while the optionee maintains a business relationship with the Company and the option has not fully vested, the option will become exercisable for 100% of the then number of shares as to which it has not vested with such vesting to occur immediately prior to the closing of the acquisition. The stock and option awards that would vest for each named executive if a change-in-control were to occur are disclosed under our Outstanding Equity Awards at Fiscal Year-End Table. Our stock and option awards contain certain change-in-control provisions. Descriptions of those provisions are set forth below:

Stock Awards Change-in-Control Definition

For the purposes of our stock awards, change-in-control shall mean (a) the acquisition in a transaction or series of transactions by any person (such term to include anyone deemed a person under Section 13(d)(3) of the Exchange Act), other than the Company or any of its subsidiaries, or any employee benefit plan or related trust of the Company or any of its subsidiaries, of beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 50% or more of the combined voting power of the then outstanding voting securities of the Company entitled to vote generally in the election of directors; provided a change-in-control shall not occur solely as the result of an initial public offering or (b) the sale or other disposition of all or substantially all of the assets of the Company in one transaction or series of related transactions.

- 15 -

Option Awards Change-in-Control Definition

For the purposes of our option awards, change-in-control shall mean merger (or reverse merger), consolidation, or other similar event or the sale or lease of all or substantially all of the Company's assets. Upon a change-in-control, while the optionee maintains a business relationship with the Company and the option has not fully vested, the option shall become exercisable for 100% of the then number of shares as to which it has not vested, such vesting to occur immediately prior to the closing of the acquisition.

Certain Relationships and Related Transactions, and Director Independence.

The Company has three affiliated companies, namely American DG Energy, EuroSite Power, and Ilios. These companies are affiliates because several of the major stockholders of those companies, have a significant ownership position in the Company. The Company does not own any shares of American DG Energy, and EuroSite Power. American DG Energy, EuroSite Power and Ilios are affiliated companies by virtue of common ownership. The common stockholders include:

John N. Hatsopoulos, the Company's Co-Chief Executive Officer who is also: (a) the Chief Executive Officer and a director of American DG Energy and as of December 31, 2014 holds 19.4% of American DG Energy's common stock; (b) the Chairman of EuroSite Power and as of December 31, 2014 holds 4.7% of EuroSite Power's common stock; and (c) a director of Ilios and as of December 31, 2014 holds 7.2% of Ilios's common stock.

Dr. George N. Hatsopoulos, who is John N. Hatsopoulos' brother, and is also: (a) an investor of American DG Energy and as of December 31, 2014 holds 13.0% of American DG Energy's common stock; (b) an investor in Eurosite Power and as of December 31, 2014 holds 0.7% of EuroSite Power's common stock; (c) an investor in Ilios and as of December 31, 2014 holds 3.1% of Ilios's common stock; and (d) was a director of the Company until June 25, 2014. American DG Energy has sales representation rights to the Company's products and services in New England. Revenue from sales of cogeneration and chiller systems, parts and service to American DG Energy during the years ended December 31, 2014 amounted to \$1,316,294.

John N. Hatsopoulos' salary is \$1.00 per year. On average, Mr. Hatsopoulos spends approximately 50% of his business time on the affairs of the Company; however such amount varies widely depending on the needs of the business and is expected to increase as the business of the Company develops.

On January 1, 2006 the Company signed a Facilities and Support Services Agreement with American DG Energy for a period of one year, renewable annually, on January 1st, by mutual agreement. That agreement was amended July 1, 2012. Under this agreement, the Company provides American DG Energy with certain office and business support services and also provides pricing based on a volume discount depending on the level of American DG Energy purchases of cogeneration and chiller products. For certain sites, American DG Energy hires the Company to service its chiller and cogeneration products. The Company also provides office space and certain utilities to American DG Energy based on a monthly rate set at the beginning of each year. Also, under this agreement, American DG Energy has sales representation rights to the Company's products and services in New England.

The Company subleases portions of its corporate offices and manufacturing facility to sub-tenants under annual sublease agreements. For the year ended December 31, 2014, the Company received \$127,298 from American DG Energy and other tenants. In addition, for the year ended December 31, 2014 the Company received from American DG Energy, \$61,143 to offset common operating expenses incurred in the administration and maintenance of its corporate office and warehouse facility. In addition, the Company pays certain operating expenses, including benefits and insurance, on behalf of American DG Energy. The Company was reimbursed for these costs. As of December 31, 2014, the total amount due from American DG Energy was \$600,251.

Director Independence

The Company's policy is that a majority of our Board shall be "independent" in accordance with NASDAQ rules including, in the judgment of the Board, the requirement that such directors have no material relationship with the Company (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company). The Board has adopted the following standards to assist it in determining whether a director has a material relationship with the Company. Under these standards, a director will not be considered to have a material relationship with the Company if he or she is not:

- (a) a director who is, or during the past three years was, employed by the Company, other than prior employment as an interim executive officer (provided the interim employment did not last longer than one year);
 - a director who accepted or has an immediate family member who accepted any compensation from the Company
- (b) in excess of \$120,000 during any period of twelve consecutive months within the three years preceding the determination of independence, other than the following:
 - (i) compensation for board or board committee service;
 - (ii) compensation paid to an immediate family member who is an employee (other than an executive officer) of the Company;
 - (iii) compensation received for former service as an interim executive officer (provided the interim employment did not last longer than one year); or
 - (iv) benefits under a tax-qualified retirement plan, or non-discretionary compensation;
- (c) a director who is an immediate family member of an individual who is, or at any time during the past three years was, employed by the Company as an executive officer;
 - a director who is, or has an immediate family member who is, a partner in, or a controlling shareholder or an executive officer of, any organization to which the Company made, or from which the Company received,
- (d) payments (other than those arising solely from investments in the Company's securities or payments under non-discretionary charitable contribution matching programs) that exceed 5% of the organization's consolidated gross revenues for that year, or \$200,000, whichever is more, in any of the most recent three fiscal years;
 - a director who is, or has an immediate family member who is, employed as an executive officer of another entity
- (e) where at any time during the most recent three fiscal years any of the issuer's executive officers serve on the compensation committee of such other entity; or
 - a director who is, or has an immediate family member who is, a current partner of the Company's outside auditor,
- (f) or was a partner or employee of the Company's outside auditor who worked on the Company's audit at any time during any of the past three years.

Ownership of a significant amount of the Company's stock, by itself, does not constitute a material relationship. For relationships not covered by these standards, the determination of whether a material relationship exists shall be made by the other members of the Board who are independent (as defined above).

Changes in Independent Registered Accounting Firm

On August 15, 2014, the Audit Committee approved the engagement of Wolf & Company, P.C., or Wolf, as the Company's independent registered public accounting firm. McGladrey LLP, or McGladrey, the Company's former independent registered public accounting firm was dismissed by the Audit Committee.

In deciding to select Wolf, the Audit Committee reviewed auditor independence issues and existing commercial relationships with Wolf and concluded that Wolf has no commercial relationship with the Company that would impair its independence for the fiscal year ended December 31, 2014. During the Company's two most recent fiscal years and the subsequent interim period through August 15, 2014, the Company did not consult Wolf with respect to any of the matters or events listed in Regulation S-K Item 304(a)(2).

The reports of McGladrey on the financial statements of the Company for the years ended December 31, 2013 and 2012 contained no adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principle. During the fiscal years ended December 31, 2013 and 2012 and through August 15, 2014, there were no (i) disagreements between the Company and McGladrey on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the

satisfaction of McGladrey, would have caused them to make reference to the subject matter of the disagreement(s) in connection with its reports on the financial statements for such years; or (ii) “reportable events,” as that term is described in Item 304(a)(1)(v) of Regulation S-K.

PROPOSALS RECOMMENDED FOR CONSIDERATION BY STOCKHOLDERS

PROPOSAL 1

ELECTION OF DIRECTORS

The Company's Bylaws provide that the number of directors shall be fixed from time to time by a vote of the majority of the Board of Directors. The Board of Directors currently consists of six members, Ms. Angelina M. Galiteva, Mr. John N. Hatsopoulos, Mr. Charles T. Maxwell, Mr. Ahmed F. Ghoniem, Mr. Earl R. Lewis, Dr. Joseph E. Aoun. The Board, based on the recommendation of the Nominating and Governance Committee, has concluded that the nomination and election of Ms. Angelina M. Galiteva, Mr. John N. Hatsopoulos, Mr. Charles T. Maxwell, Mr. Ahmed F. Ghoniem, Mr. Earl R. Lewis, Dr. Joseph E. Aoun, as members of the Board, is in the best interests of the Company and recommends stockholder approval of the election of each nominee to hold office for one year until the next annual meeting of stockholders or until their successors are duly elected and qualified. Biographical information concerning the nominees can be found under "Information About Directors and Executive Officers" above.

Recommendation and Vote

The nominee for director receiving a plurality of the votes represented by the shares of common stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon will be elected as director. Each of the nominees have consented to being named in this Proxy Statement and to serve his or her respective term if elected. If a nominee should for any reason become unavailable for election, the Board may nominate a substitute nominee. If you have submitted a proxy and a substitute nominee is selected, proxies may be voted with discretionary authority by the persons appointed as proxies for any substitute nominee designated by the Board. Alternatively, if the Board does not select a substitute nominee, the proxy may vote only for the remaining nominees, leaving a vacancy on the Board that may be filled at a later date by the Board in accordance with the Bylaws of the Company. As of the date of this Proxy Statement, the Board is not aware that any nominee is unable or will decline to serve as a director.

The Board recommends a vote FOR each of the nominees for election to the Board of Directors of the Company.

PROPOSAL 2

APPROVAL OF A NON-BINDING ADVISORY

VOTE ON EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, the Company is providing stockholders with the opportunity to cast a non-binding advisory vote on compensation programs for our Named Executive Officers (sometimes referred to as "say-on-pay"). Accordingly, you may vote on the following resolution at the Annual Meeting:

"Resolved, that the compensation paid to the Company's Named Executive Officers as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables in this Proxy Statement, is hereby approved."

This vote will not be binding on the Board and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of stockholders to make proposals for inclusion in proxy materials related to executive compensation. The Compensation Committee, however, may take into account the outcome of the vote when considering future executive compensation arrangements.

Recommendation and Vote

In voting on the above resolution, stockholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast, in person or by proxy, at the Annual Meeting. On this matter, abstentions will have no effect on the voting.

The Board unanimously recommends a vote FOR approval of the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement.

PROPOSAL 3

ADVISORY VOTE ON THE FREQUENCY OF ADVISORY VOTES ON EXECUTIVE COMPENSATION

Section 951 of the Dodd-Frank Act and the regulations of the SEC require for smaller reporting companies, such as the Company, that at the first annual meeting of stockholders held on or after January 21, 2013 and not less frequently than once every six years thereafter, the Company must include a separate resolution subject to stockholder vote to determine whether the non-binding, advisory vote on the frequency of future advisory votes on executive compensation that is the subject of Proposal 3 should occur every one, two or three years.

The Board welcomes the views of stockholders on executive compensation matters. The Board, however, does not believe that it is necessary to have the non-binding, advisory vote on executive compensation occur every year. The Board believes that a vote once every three years will allow stockholders the time needed to properly assess the impact of changes made in the Company's executive compensation program in response to stockholder votes on executive compensation. The Board also notes that it incurs costs to have an additional item on the agenda. In the interests of saving costs, the Board recommends that the frequency of future non-binding votes on executive compensation occur only once every three years.

As provided in the Dodd-Frank Act, this vote will not be binding on the Board and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of stockholders to make proposals for inclusion in proxy materials related to executive compensation.

Recommendation and Vote

In voting on the frequency of the non-binding say-on-pay resolution, stockholders may vote to have the vote occur every one, two or three years or abstain from voting. The option which receives a plurality of votes from stockholders will be deemed to be the option selected by stockholders. On this matter, abstentions and broker non-votes will have no effect on the outcome.

The Board unanimously recommends that stockholders vote to approve the frequency of future non-binding votes on executive compensation occur every three years.

PROPOSAL 4

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has engaged Wolf & Company, P.C., or "Wolf" to serve as the Company's independent registered public accounting firm in connection with the audit for the fiscal year ended December 31, 2015 and the review of the Company's financial statements for the quarters ended March 31, 2015, June 30, 2015, and September 30, 2015. Wolf has served as the Company's registered public accounting firm since September 15, 2014.

Although ratification is not required, the Board is submitting the selection of Wolf to its stockholders for ratification as a matter of good corporate practice. If the selection is not ratified by stockholders, the Audit Committee will consider the results in connection with its selection of auditors for the balance of 2015. Notwithstanding the ratification of the selection, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time if it determines that such a change would be in the Company's best interest and the best interest of its stockholders.

The Audit Committee, prior to engaging Wolf, considered the qualifications of that firm, its reputation for integrity, competence in the fields of accounting and auditing and its independence.

The Company has been informed that neither Wolf nor any of its partners have any direct financial interest or any material indirect financial interest in the Company nor have had any connection during the past three years with the Company in the capacity of promoter, underwriter, voting trustee, director, officer or employee. A representative of Wolf is expected to be present at the Annual Meeting, to make a statement if so desired, and to respond to any appropriate questions.

Recommendation and Vote

To be approved the ratification of the appointment of Wolf requires the affirmative vote of the majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote thereon.

The Board recommends that stockholders vote FOR the ratification of the appointment of Wolf & Company P.C. as the Company's independent registered public accounting firm.

ADDITIONAL INFORMATION

No Incorporation by Reference

In the Company's filings with the SEC, information is sometimes "incorporated by reference." This means that we are referring you to information that has previously been filed with the SEC and the information should be considered as part of the filing. Based on SEC regulations, the "Audit Committee Report" and the "Compensation Committee Procedures," specifically are not incorporated by reference into any other filings with the SEC. In addition, this Proxy Statement includes website addresses. These website addresses are intended to provide inactive, textual references only. The information on these websites is not part of this Proxy Statement.

Stockholder Communication with the Board

A stockholder that desires to communicate directly with the Board or one or more of its members concerning the affairs of the Company shall direct the communication in writing to Tecogen Inc., attention Corporate Secretary, 45 First Avenue, Waltham, Massachusetts, 02451. If such communication is intended for some but not all of the members of the Board, the mailing envelope must contain a clear notation indicating that the enclosed letter is a "Shareholder-Board Communication". The Corporate Secretary has been authorized to screen commercial solicitations and materials which pose security risks, are unrelated to the business or governance of the Company, or are otherwise inappropriate. All such letters must identify the author as a shareholder and clearly state whether the intended recipients are all or individual members of the Board. The Corporate Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Householding of Proxy Statements

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual report or Notice of Internet Availability of proxy materials with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report or Notice of Internet Availability of proxy materials addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies. A number of brokers with account holders who are our stockholders may "household" our proxy materials. In that event, a single Proxy Statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement and annual report or Notice of Internet Availability of proxy materials, please notify your broker and the Company's Secretary in writing at 45 First Ave, Waltham, MA 02451 or by telephone at (781) 466-6400. You can also obtain a copy at <https://materials.proxyvote.com/87876P>. The Company will promptly deliver, without charge, an additional copy of any such Proxy Statement and annual report or Notice of Internet Availability upon request. Stockholders who currently receive multiple copies of the proxy materials at their address and would like to request householding of their communications should contact their broker.

Other Proposed Action

The Board does not intend to bring any other matters before the Annual Meeting, nor does the Board know of any matters which other persons intend to bring before the Annual Meeting. If, however, other matters not mentioned in this Proxy Statement properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with the recommendation of the Board.
