(the “Company”) authorized a stock repurchase program pursuant to which the Company may repurchase up to \$2,000,000 of shares of the Company’s common stock. The repurchases will be funded by available cash. How much common stock, if any, will be repurchased will depend on market conditions, including the price of common stock.

Transactions under the Company’s 10b5-1 Plan will be reported to the Securities and Exchange Commission in accordance with applicable securities laws, rules and regulations.

The 10b5-1 Plan adopted by the Company is intended to comply with Rule 10b5-1 of the Exchange Act and the Company’s Insider Trading and Anti-Tipping Policy, which permit issuers, officers, directors or employees who are not then in possession of material non-public information to enter into a pre-arranged plan for buying or selling Company stock under specified conditions and at specified times.
