Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) On August 26, 2009, 4198832 Canada Inc. ("4198832"), a subsidiary of Lincolnshire Holdings Limited ("Lincolnshire"), entered into an OTC forward contract and a related confirmation, supplemented by a notice dated August 28, 2009, that provided the price terms of the contract (collectively, the "Forward") with an unaffiliated third party buyer ("Buyer") as part of a monetization transaction (the "Transaction"). Lincolnshire is owned by the reporting person. As part of the Transaction, an affiliate of Buyer ("Bank") agreed to make a zero coupon loan to 4198832 in the principal amount of \$12,711,000 (the "Loan") that is payable in cash at the settlement of the Forward. 4198832's obligations under the Loan and the Forward are secured by a senior pledge to Bank of 400,000 Class B exchangeable shares of Molson Coors Canada Inc. ("Exchangeable Shares"), a subsidiary of Molson Coors Brewing Company ("Molson Coors"), and 4198832's rights under the Forward.

(2) 4198832's obligations under the Forward are secured by a subordinate pledge to Buyer of 400,000 Exchangeable Shares. The Exchangeable Shares are exchangeable at the option of the holder for shares of Class B common stock of Molson Coors ("Class B Shares") on a one-for-one basis. Under the pledges, 4198832 may exchange the Exchangeable Shares for a like number of Class B Shares obtained in exchange for Exchangeable Shares, which will become subject to the pledges (any shares subject to the pledges, whether Exchangeable Shares or Class B Shares, the "Pledged Shares"). 4198832 retained voting rights in the Pledged Shares and the right to any dividends or distributions paid in cash on the Pledged Shares in any year, up to \$0.96 per share. Any cash dividends and cash distributions in excess of that amount are payable by 4198832 to Buyer.

(3) The purchase date of the Forward is September 4, 2015 (the "Purchase Date"), and settlement of the Forward will occur three business days after the Purchase Date (the "Settlement Date"). The Forward provides for cash settlement. However, 4198832 may elect to switch from cash settlement to settling the Forward by delivering 400,000 Class B Shares to Buyer (and, depending upon the availability of certain exemptions from the prospectus requirements under Canadian securities laws, elect to switch from physical settlement to cash settlement, and vice versa). Any such election must be made at least a specified number of days prior to the Purchase Date, which depends on whether the Pledged Shares comprise Exchangeable Shares or Class B Shares and on certain Canadian securities law considerations.

Edgar Filing: MOLSON COORS BREWING CO - Form 4

- Under the Forward, the "Relevant Price" equals the average of the volume-weighted average per share price of the Class B Shares for each of the five trading days immediately preceding the Purchase Date, and the "Forward Price" equals the Relevant Price, subject to a cap price of \$58.37 ("Cap Price") and a floor price of \$41.66 ("Floor Price"). Accordingly, (i) if the Relevant Price is greater than or equal to the Cap Price, the Forward Price will be equal to the Cap Price, (ii) if the Relevant Price is less than or equal to the Floor Price, the Forward Price will be equal to the Floor Price, and (iii) if the Relevant Price is between the Floor Price and the Cap Price, the Forward Price will be equal to the Relevant Price.
- (4)
- (5) The Forward Price is subject further to downward adjustment by the amount of any cash dividends or cash distributions per Pledged Share in excess of \$0.96 per year and the value of any dividends or distributions on the Pledged Shares made other than in cash.
- Under cash settlement of the Forward: (i) if the Relevant Price is greater than the Forward Price, 4198832 will pay Buyer an amount equal to the difference between the Relevant Price and the Forward Price, multiplied by 400,000; (ii) if the Relevant Price is less than the Forward Price, then Buyer will pay 4198832 an amount equal to the difference between the Forward Price and the Relevant Price, multiplied by 400,000; and (iii) if the Relevant Price is equal to the Forward Price, then no payment will be due from either party, and the Forward will terminate. If the Forward is settled by physical delivery, 4198832 will deliver 400,000 Class B Shares to Buyer, and Buyer will pay 4198832 an amount equal to 400,000 multiplied by the Forward Price.
- (6)
- (7) In accordance with the terms of the Forward described in Footnotes 4 and 6 above, the Relevant Price was determined to be \$67.0634, which, because it was above the Cap Price, will result in a cash settlement of the Forward, whereby 4198832 will pay to Buyer in amount of \$3,477,360 in settlement of the Forward on the Settlement Date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
