Item 1.01

Entry into a Material Definitive Agreement.

On November 21, 2008 (the “Closing Date”), Ameris Bancorp (the “Company”), pursuant to the Troubled Asset Relief Program Capital Purchase Program (the “CPP”), issued and sold to the U.S. Department of the Treasury (the “Treasury”), for an aggregate cash purchase price of \$52 million, (i) 52,000 shares (the “Preferred Shares”) of the Company’s Fixed Rate Cumulative Perpetual Preferred Stock, Series A, having a liquidation preference of \$1,000 per share, and (ii) a ten-year warrant (the “Warrant”) to purchase up to 679,443 shares of the Company’s common stock, par value \$1.00 per share (the “Common Stock”), at an exercise price of \$11.48 per share. The issuance and sale of these securities was a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended.

Cumulative dividends on the Preferred Shares will accrue on the liquidation preference at a rate of 5% per annum for the first five years and at a rate of 9% per annum thereafter, but such dividends will be paid only if, as and when declared by the Company’s Board of Directors. The Preferred Shares have no maturity date and rank senior to the Common Stock (and pari passu with the Company’s other authorized preferred stock, of which no shares are currently designated or outstanding) with respect to the payment of dividends and distributions and amounts payable upon liquidation, dissolution and winding up of the Company. Subject to the approval of the Board of Governors of the Federal Reserve System, the Preferred Shares are redeemable at the option of the Company at 100% of their liquidation preference, provided that the Preferred Shares may be redeemed prior to the first dividend payment date falling after the third anniversary of the Closing Date (February 15, 2012) only if (i) the Company has raised aggregate gross proceeds in one or more Qualified Equity Offerings (as defined in the Letter Agreement dated November 21, 2008 between the Company and the Treasury, including the Securities Purchase Agreement – Standard Terms incorporated by reference therein (collectively, the “Purchase Agreement”)) in excess of \$13 million and (ii) the aggregate redemption price does not exceed the aggregate net proceeds from such Qualified Equity Offerings.

The Treasury may not transfer a portion or portions of the Warrant with respect to, and/or exercise the Warrant for more than one-half of, the 679,443 shares of Common Stock issuable upon exercise of the Warrant, in the aggregate, until the earlier of (i) the date on which the Company has received aggregate gross proceeds of not less than \$52 million from one or more Qualified Equity Offerings and (ii) December 31, 2009. If the Company completes one or more Qualified Equity Offerings on or prior to December 31, 2009 that result in the Company receiving aggregate gross proceeds of not less than \$52 million, then the number of the shares of Common Stock underlying the portion of the Warrant then held by the Treasury will be reduced by one-half of the number of shares of Common Stock originally covered by the Warrant. For purposes of the foregoing, as provided in the Purchase Agreement, “Qualified Equity Offering” is defined as the sale and issuance for cash by the Company to persons other than the Company or any Company subsidiary after the Closing Date of shares of perpetual Preferred Stock, Common Stock or any combination of such stock, that, in each case, qualify as and may be included in Tier I capital of the Company at the time of issuance under the applicable risk-based capital guidelines of the Company’s federal banking agency (other than any such sales and issuances made pursuant to agreements or arrangements entered into, or pursuant to financing plans which were publicly announced, on or prior to October 13, 2008).

The Purchase Agreement pursuant to which the Preferred Shares and the Warrant were sold contains limitations on the payment of dividends on the Common Stock (including with respect to the payment of cash dividends in excess of \$0.05 per share, which was the amount of the last regular dividend declared by the Company prior to October 14, 2008) and on the Company’s ability to repurchase its Common Stock, and subjects the Company to certain of the executive compensation limitations included in the Emergency Economic Stabilization Act of 2008 (the “Act”). As a condition to the closing of the transaction, each of Messrs. Edwin W. Hortman, Jr., Dennis J. Zember Jr., Jon S. Edwards, C. Johnson Hipp, III and Marc J. Bogan, the Company’s Senior Executive Officers (as defined in the Purchase Agreement), executed a waiver (the “Waiver”) voluntarily waiving any claim against the Treasury or the Company for any changes to such Senior Executive Officer’s compensation or benefits that are required to comply

with the regulation issued by the Treasury under the CPP as published in the Federal Register on October 20, 2008 and acknowledging that the regulation may require modification of the compensation, bonus, incentive and other benefit plans, arrangements and policies and agreements (collectively, "Benefit Plans") as they relate to the period the Treasury holds any equity or debt securities of the Company acquired through the CPP. Each of the Senior Executive Officers also entered into a letter agreement (the "Executive Agreement") with the Company amending the Benefit Plans with respect to such Senior Executive Officer as may be necessary, during the period that the Treasury owns any debt or equity securities of the Company acquired pursuant to the Purchase Agreement or the Warrant, to comply with Section 111(b) of the Act.

Edgar Filing: Ameris Bancorp - Form 8-K
