Richard G. Hickson, Chairman and CEO of Trustmark, stated, "We are delighted to expand Trustmark's franchise in the dynamic Destin and Panama City, Florida markets. The associates and advisory directors of the Emerald Coast operations of The Bank are well-respected and share our commitment to customer satisfaction. The customers of these branches and the demographics of these markets represent an outstanding opportunity for Trustmark. We look forward to building our franchise in Florida, one of the fastest growing and most desirable markets in the southeast."

James A. Taylor, Chairman and CEO of The Banc Corporation commented, "This is a significant transaction for The Banc Corporation and our shareholders. Trustmark will be gaining a tremendous group of employees and a solid customer base. This move will allow us to reallocate our resources into our Birmingham, Huntsville and remaining Florida panhandle franchise where we anticipate significant growth in the coming years. It will also increase our book value by approximately \$1.70 per share."

In order to facilitate its entry into Florida, Trustmark has signed a definitive agreement to acquire an existing Florida state bank charter from an unrelated party. The merger of this Florida state bank charter into Trustmark National Bank will provide Trustmark with the right to conduct business throughout Florida. Trustmark will not be acquiring any loans or deposits as part of the charter transaction, which is subject to regulatory approval and expected to be completed during the third quarter of 2003.
