NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

(Attach Extra Sheets if Needed)

The Registrant was unable to file its Form 10-Q for the fiscal quarter ended September 30, 2009 (the "Report") without unreasonable effort or expense due to the Registrant's continued negotiations with its lenders regarding the Registrant's compliance with certain financial covenants under its credit facilities. The Registrant anticipates that it will obtain a waiver with respect to such financial covenants under, or make a cash infusion as permitted by, its credit facilities sometime this week, which will affect the Registrant's disclosure with regard to its liquidity and capital resources to be made in the Report. The Registrant undertakes to file the Report no later than the fifth calendar day following the prescribed due date of the Report.

If answer is no, identify report(s).  Yes  No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Registrant's results of operations have been adversely affected by a general economic slowdown and a corresponding decrease in demand for the electronic components in which the Registrant's products are used. As a result, the Registrant expects to report a decline in consolidated revenues to \$7,321,000 for the three months ended September 30, 2009, a decrease of \$2,927,000 from the comparable period in 2008. The Registrant expects to report an operating loss of \$857,000 and a net loss of \$963,000 for the three months ended September 30, 2009. In the comparable period in 2008, the Registrant reported an operating loss of \$93,000 and a net loss of \$29,000. Such increased losses are primarily attributable to the reduction in the Registrant's revenues.
