### Report of Independent Auditors

The Plan Committee  
Paychex, Inc. 401(k)  
Incentive Retirement Plan  
Rochester, New York

We have audited the accompanying statements of net assets available for benefits of Paychex, Inc. 401(k) Incentive Retirement Plan (the Plan) as of December 31, 2000 and 1999, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 31, 2000 and 1999, and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets held for investment purposes as of December 31, 2000 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

**PAYCHEX, INC. 401(k) INCENTIVE RETIREMENT PLAN**
**NOTES TO FINANCIAL STATEMENTS****DECEMBER 31, 2000****NOTE A. DESCRIPTION OF THE PLAN**

The following description of the Paychex, Inc. (the "Company") 401(k) Incentive Retirement Plan (the "Plan") is provided for general information purposes only. More complete information regarding the Plan's provisions may be found in the plan document.

**General** - Established July 1, 1984, the Plan is a defined contribution plan, qualified under Section 401(a) of the Internal Revenue Code (the "Code"), which includes provisions under Section 401(k) allowing an eligible participant to direct the employer to contribute a portion of the participant's compensation to the Plan on a pre-tax basis through payroll deductions. The Plan is subject to the provisions of the Employer Retirement Income Security Act of 1974 (ERISA).

**Plan Administration** - The Plan is administered by the Paychex, Inc. 401(k) Incentive Retirement Plan Committee (the "Plan Committee") which is appointed by the Board of Directors of the Company. The Plan's trustee, INVESCO Trust Company (INVESCO), is responsible for the custody and management of the Plan's assets.

**Eligible Employees** - Effective November 1, 1999, all new employees of the Company and its subsidiaries are eligible to participate in the salary deferral portion of the plan immediately. Employees must be employed for one year in which a minimum of 1,000 hours have been worked to be eligible to receive a Company matching contribution. Prior to November 1, 1999, new employees were not eligible to participate until they had completed one year of service, and a minimum of 1,000 hours.

**Contributions** - Employees may contribute from 2% to 15% of their compensation through payroll deductions in increments of 1%, subject to the limit established by the Code. Discretionary employer contributions are equal to 50% of the participant's elective contribution, but not to exceed 3% of the participant's compensation. The Company may elect to make an additional discretionary contribution to the Plan, but has not done so for the years ended December 31, 2000 and 1999. Effective February 15, 2001, employees may contribute from 1% up to 20% of their compensation.

**Vesting** - Each participant is fully vested as to their elective contributions and rollover contributions as well as any earnings or losses on them. Employees are fully vested with respect to Company matching contributions upon completion of three consecutive years of service, disability, death, or attainment of retirement age, 65.

**Participant Accounts** - The Trustee maintains an account for each participant, including participant directed allocations to each investment fund. Each participant's account is credited with the participant's contribution and allocations of any employer contribution and Plan earnings, less loans and withdrawals, based on the direction of the participant.

---

**Investment Options** - Upon enrollment in the Plan, a participant may direct contributions in the following investment options: (1) Paychex Stock Fund, (2) INVESCO Blue Chip Growth Fund, (3) INVESCO Total Return Fund, (4) The INVESCO Retirement Trust Stable Value Fund, (5) The INVESCO Retirement Trust 500 Index Fund, (6) The Global Asset Management International Fund (closed to new contributions effective 8/7/00), (7) INVESCO Small Company Growth Fund, (8) AIM Balanced Fund, and (9) AIM Int'l Equity Fund. Effective February 15, 2001, participants may invest in three additional investment options: PIMCO Total Return Fund, AIM Basic Value Fund, and INVESCO Dynamics Fund.

**Payment of Benefits** - Upon termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a fixed reasonable period of time.

Forfeited Accounts - Forfeited nonvested assets are used to reduce future employer contributions.

Participant Loans Receivable - The Plan allows participants to borrow up to 50% of the vested balance from their account. Payroll deductions are required to repay the loan within five years, except for loans used for the purchase of a principal residence, which are required to be repaid within ten years. The rate of interest is the prime lending rate plus 1% at the time the loan is disbursed.

Plan Termination - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become fully vested in their account balances.

## **NOTE B. SUMMARY OF ACCOUNTING POLICIES**
