CHAMPIONS SPORTS, INC.

Notes to Consolidated Financial Statements

July 31, 2001

Summarized Financial Information

Company or group of companies for which report is filed:

CHAMPIONS Sports, Inc. and Subsidiaries

The consolidated balance sheet as of July 31, 2001, the consolidated statements of operations and the consolidated statements of cash flows for the three months ended July 31, 2001 and July 31, 2000 have been prepared by the company, without audit. In the opinion of management, all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and changes in cash flow at July 31, 2001 and for all periods presented have been made.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been omitted. It is suggested that these consolidated financial statements be read in conjunction with the financial statements and notes thereto included in the Company's 10-KSB as of April 30, 2001. The results of operations for the period ended July 31, 2001 are not necessarily indicative of the operating results for the full year.

Edgar Filing: CHAMPIONS SPORTS INC - Form 10QSB

Item 2. Managements Discussion and Analysis of Financial Condition and Results of Operations

Results of Operation

For the three months ended July 3, 2001, the Company's net loss was \$33,877 and the net loss available for common shareholders was \$49,815, (\$0.01) per common share. The Company's total assets decreased by \$32,285 to \$843,950 at July 31, 2001 from \$876,235 at April 30, 2001.

For the three months ended July 31, 2000, the Company's net loss was \$8,814 and the net loss available for common shareholders was \$24,752, (\$0.00) per common share. The Company's assets increased to \$1,434,672 as of July 31, 2000 from \$1,416,470 at April 30, 2000.

Revenues

The Company's total revenues were \$554,940 for the three months ended July 31, 2001 versus \$613,365 for the three-month period ended July 31, 2000, a decrease of \$58,425 or 9.5%. By component, food and beverage sales increased 5.4% from the previous year. This improvement in food and beverage sales is attributed to an increase in customer volume compared to the three months ended July 31, 2000. Merchandise, memorabilia and consulting revenues were \$18,108 for the three months ended July 31, 2001 compared to \$101,211 for the comparable period in 2000. Interest income was 0.6% of the Company's total revenue for the three months ended July 31, 2001 contrasted to 1.1% for the comparable period in 2000. Other income represented less than 1.0% of total revenues for the three months ended July 31, 2001 and 2000.

Expenses

Cost of food and beverage was 26.0% and 25.1 % of related sales for the three months ended July 31, 2001 and 2000. Cost of merchandise and memorabilia sales for the three months ended July 31, 2001 was \$34,793 compared to \$33,143 in the preceding year. Restaurant payroll and related costs were 35.0% of related food and beverage sales for the three months ended July 31, 2001 and 34.6% for the three months ended July 31, 2000. The increase in restaurant payroll is attributed a scarce labor market and the necessity to increase hourly wages to retain experienced workers. Restaurant occupancy costs were \$64,464 or 12.2% of food and beverage sales compared to \$52,318 or 10.4% of related sales during the three months ended July 31, 2000. This increase in occupancy costs is attributed to higher sales which in turn raises the percentage paid to the landlord in common area charges and base rent. Other restaurant costs decreased to 16.4% of related food and beverage sales for the three months ended July 31, 2001 compared to 17.2% of related sales during the three months ended July 31, 2000. General and administrative expense for the Company's corporate office was 12.0% of the Company's total revenues for the three months ended July 31, 2001 compared to 14.2 % of total revenues for the three months

Edgar Filing: CHAMPIONS SPORTS INC - Form 10QSB

ended July 31, 2000. Depreciation and amortization expense were constant at approximately 2% of the Company's total revenues during each comparable period.

Liquidity and Capital Resources

The Company's cash position on July 31, 2001 was \$437,670 compared to \$451,650 on April 30, 2001, a decrease of \$13,980. For the three months ended July 31, 2001, the Company's operations used \$11,596 in cash. The Company used it cash to repay a capital lease for \$2,384. The Company met its liquidity needs during the period from its revenues, cash reserves and cash flow provided from its San Antonio location.

For the three months ended July 31, 2000, the Company's operating activities provided cash of \$20,090. The Company purchased restaurant equipment for \$15,187 and repaid capital leases for \$1,948. The Company realized a loss of \$50,000 on a restricted security held for sale. The Company met its liquidity needs during the period from its revenues and cash flow from its San Antonio location.

The Company anticipates that it will be able to meet its cash requirements for the next twelve months from its cash reserves and from its operating activities.

The Company's working capital was a negative \$240,311 on July 31, 2001 and negative \$216,239 on April 30, 2001.

Stockholder's equity was \$117,183 as of July 31, 2001 compared to \$876,235 as of April 30, 2001.

The Company continues to review and evaluate its operations and priorities. The Company is actively pursuing merger or acquisition candidates to meet its longer-term growth and liquidity needs. There is no assurance that the Company will be able to structure a merger or acquisition on terms satisfactory to the Company.

Other

This document contains "forward-looking statements" (within the meaning of the Private Securities Litigation Act of 1995) that inherently involve risks and uncertainties. The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of unforeseen external factors. These factors may include, but are not limited to, changes in general economic conditions, customer acceptance of products and services offered and other general competitive factors.
