Item5. Other Events

(a) November 30, 2002 Form 10-K: The Company's Form 10-K for the fiscal year ended November 30, 2002 contained the following four errors in Management's Discussion and Analysis of Financial Condition and Results of Operation:

Edgar Filing: AUDIOVOX CORP - Form 8-K

(i) Page 39: We reported the following: "In fiscal 2000, 2001 and 2002, Electronics recorded \$0, \$132 and \$588, respectively, into income upon the expiration of unclaimed sales incentive accruals." The amounts presented should have been \$113, \$298 and \$716 in 2000, 2001 and 2002.

(ii) Page 43 and 49: We reported the following: "At November 30, 2002, Wireless had on hand 640,084 units of previously written-down inventory, which approximated \$94,264." The amounts presented should have been 630,563 units and \$84,638. This information was also incorrectly reported on Page 80 in Footnote 1(f).

(iii) Page 47: We reported the following: "However, this increase in profit margin resulted primarily from lower inventory write-downs to market of \$7,612 in 2002 compared to 2001." The amount presented should have been \$6,827, the decrease in inventory write-downs from 2001 to 2002 (\$13,823 -\$20,650).

(iv) Page 55: We reported that at November 30, 2001 we had on hand 871,000 units of inventory previously written-down with an extended value, after write-down, of \$118,500. The amount presented should have been approximately \$110,900.

(b) February 28, 2002 Form 10-Q: The Company's Form 10-Q for the quarter ended February 28, 2002 contained the following error in the footnote disclosure. In Footnote (3), we included an inventory value for a certain phone model of \$70,090. The value of this inventory should have been disclosed as \$58,414, rather than \$70,090.
