## Edgar Filing: Cederoth Andrew J - Form 4

Each performance right represents a contingent right to receive the cash value of one share of Navistar's common stock. The vesting of the performance rights is based on the Relative Total Shareholder Return ("TSR") of Navistar as compared to the TSR of a 23 company peer group. Performance rights granted represents the target shares and actual performance rights earned could be anywhere from 0 to 200% of the number of performance rights granted. The initial performance period is 3 years; if Navistar's initial 3 year performance period is below target against the peer group, an additional 2 year performance period would be tacked on to the initial performance period. The performance rights expire upon payout, if any, of the award, and in any case no later than October 31, 2015.
