PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
June 3, 2004

PROXY SOLICITATION

This Proxy Statement is furnished in connection with the solicitation by

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

the Board of Directors (the "Board") of Pyramid Oil Company (the "Company") of proxies to be used at the Annual Meeting of Shareholders of the Company (the "Annual Meeting") to be held on June 3, 2004, and at any postponement or adjournment thereof. This Proxy Statement, together with the accompanying proxy, is first being mailed to shareholders on or about May 12, 2004. You are requested to sign, date and return the enclosed proxy card in order to ensure that a majority of the outstanding shares of common stock of the Company (the "Common Stock") are represented at the meeting.

Any proxy given by a shareholder of the Company may be revoked at any time before it is voted by attending the Annual Meeting and voting in person or by filing with the Secretary of the Company an instrument revoking the proxy or a duly executed proxy bearing a later date. If the enclosed form of proxy is properly executed and returned, the Common Stock represented thereby will be voted in accordance with the instructions given by the proxy. IF NO INSTRUCTIONS ARE GIVEN, THE COMMON STOCK WILL BE VOTED "FOR" (1) APPROVAL OF THE ELECTION OF THE NOMINEES FOR DIRECTORS NAMED HEREIN; AND (2) THE RATIFICATION OF THE COMPANY'S SELECTION OF SINGER LEWAK GREENBAUM & GOLDSTEIN, LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2004; AND (3) 'AGAINST' THE SHAREHOLDER PROPOSAL RELATING TO A DIVIDEND POLICY. If any other matters are properly presented at the meeting, or any adjournment thereof, the persons voting the proxies will vote according to their best judgment.

Solicitation of proxies will be primarily by mail, although some solicitation will be by telephone, telegraph or personal interview. Proxies may be solicited by officers, directors and regular employees of the Company. The Company will not pay any additional compensation for such solicitations. Arrangements may be made with brokerage houses and with the Company's transfer agent, U.S. Stock Transfer, Glendale, California, to send notices, proxy statements, proxies and other materials to shareholders. The cost for such services is expected to be nominal and will be borne by the Company.

Approval of the selection of Singer Lewak Greenbaum & Goldstein, LLP, and approval of the shareholder resolution relating to a dividend policy, each requires the affirmative vote of the holders of a majority of the shares represented or in person or by proxy and voting on the item, provided that the shares voting affirmatively must also constitute a majority of the required quorum for the Annual Meeting.

4

RECORD DATE AND VOTING

Only holders of record of the Company's Common Stock at the close of business on April 12, 2004 shall be entitled to notice of and to vote at the Annual Meeting. Transferees of Common Stock which are transferred on the books of the Company subsequent to such date shall not be entitled to notice of or to vote at the Annual Meeting.

As of April 12, 2004, there were outstanding 2,494,430 shares of Common Stock. A majority of the outstanding shares of Common Stock entitled to vote, whether present or in person or by proxy, constitutes a quorum for the conduct of business at the Annual Meeting. Abstentions and "broker non-votes" on matters as to which they lack voting authority will be treated as shares present and entitled to vote for purposes of determining the presence of a quorum. Unless cumulative voting is requested by a shareholder, each share of Common Stock is entitled to one vote for the election of each director of the Company. Under the California General Corporation Law, if a shareholder gives notice prior to the commencement of voting on the election of directors of his or her intention to cumulate his or her votes, then all shareholders (or their

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

proxies) may cumulate their votes. No cumulative voting will occur if no such notice is given.

Cumulative voting permits each shareholder to cast an aggregate number of votes equal to the number of shares owned multiplied by the number of directors to be elected; all of such votes may be cast for a single nominee or may be allocated among any two or more nominees as the shareholder wishes.

If a proxy is marked "FOR" the election of directors, it may, at the discretion of the persons named in the enclosed form of proxy (the "Proxy Holders"), be voted cumulatively in the election of directors. Under either form of voting, the five nominees receiving the highest number of votes cast will be elected as directors.

If you hold your shares of Common Stock in "street name," please contact your broker or nominee as to the voting of your stock.

ELECTION OF DIRECTORS

Directors are to be elected at the Annual Meeting to serve until the next annual meeting and until their successors are elected and qualified. Unless authority to vote for directors is withheld in the proxy card, it is the intention of the Proxy Holders to vote for the election of the following five persons as directors: John H. Alexander, J. Ben Hathaway, Thomas W. Ladd, Gary L. Ronning and John E. Turco.

The Board has been informed that all nominees are willing to serve as directors. If any of them should decline or be unable to act as a director, the Proxy Holders will vote for the election of another person or persons as they, in their discretion, may choose. The Board has no reason to believe any nominee will be unable or unwilling to serve.

BOARD COMMITTEES; DIRECTOR NOMINATING PROCESS; SHAREHOLDER COMMUNICATIONS WITH THE BOARD

All directors of the Company comprise the Audit Committee, which reviews the Company's financial and accounting organization, financial reporting and the reports of the independent auditors and is responsible for the selection and oversight of the independent auditors. The Board of Directors has determined that Messrs. Thomas W. Ladd, Gary L. Ronning and John E. Turco are ''independent'' within the meaning of Rule 4200(a)(15) of the Nasdaq Stock Market, Inc.

8

The Audit Committee held one meeting during the last fiscal year. All of the Company's Directors attended the Audit Committee meeting.

All directors of the Company comprise the Nominating Committee, which recommends prospective directors to fill vacancies that may arise from time to time and proposes individuals for election to the Company's Board by the Company's shareholders. The Nominating Committee held one meeting during the last fiscal year. All of the Company's directors attended the Nominating Committee meeting.

The Company has no Compensation Committee or other standing Committee. Because all directors serve as the Audit Committee and the Nominating Committee, the Board of Directors does not believe that it is necessary for either committee to have a written charter to govern its operations.

The Board of Directors, in its capacity as the Company's Nominating Committee, will consider shareholder nominations for candidates for membership on the Board. In evaluating such nominations, the Board seeks to achieve a balance of knowledge, experience and capability on the Board. Any shareholder nominations proposed for consideration by the Board should include the nominee's name and qualifications for Board membership and should be addressed to Lee G. Christianson, Secretary, Pyramid Oil Company, P.O. Box 832, Bakersfield, California 93302. Shareholder nominations should be delivered to Mr. Christianson at least 120 days before the date of the annual meeting.

The Board believes that directors should have the highest professional and personal ethics and values, consistent with longstanding Company values and standards. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties.

The Board utilizes a variety of methods for identifying and evaluating nominees for director. The Board periodically assesses the appropriate size of the Board and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Board will consider various potential candidates for director. Candidates may come to the attention of the Board's through current Board members, professional search firms, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the Board, and may be considered at any point during the year. If any materials are provided by a shareholder in connection with the nomination of a director candidate, the materials will be forwarded to the Board. The Board will also

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

review materials provided by professional search firms or other parties in connection with a nominee who is not proposed by a shareholder.

All five of the director nominees identified in this proxy statement currently serve as directors of the Company.

9

Any shareholder can communicate with all directors or with specified directors by sending a letter to the Company's Corporate Secretary at the address listed above. All such letters will be forwarded to the entire Board or to the directors specified by the shareholder.

BOARD MEETINGS AND COMPENSATION

The Board of Directors met three times in 2003. Only non-employee directors receive payment for service as directors of the Company. Non-employee directors receive \$300 for each board meeting attended. Each director received a total of \$600 in directors fees during 2003. Each board meeting was attended by all of the directors.

Each director is encouraged to attend each annual meeting of shareholders. All directors attended the 2003 annual meeting of shareholders.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee currently is comprised of the full Board of Directors. The Board of Directors has determined that Mr. Turco is an "audit committee financial expert" as defined in Item 401(e)(2) of the Securities and Exchange Commission's Regulation S-B.

The Audit Committee oversees and monitors the participation of the Company's management and independent auditors throughout the financial reporting process. Other than their services as executive officers and directors of the Company, no member of the Audit Committee has any other material relationship with the Company.

In connection with its function to oversee and monitor the financial reporting process, the Audit Committee has, among other things: reviewed and discussed with the Company's management the audited financial statements for the fiscal year ended December 31, 2003, discussed with the Company's independent auditors those matters required to be discussed by SAS 61 (Codification of Statements on Auditing Standards, AU 380); received the written disclosures and letter from the Company's independent auditors required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees); and discussed with the Company's independent auditors their independence in light of any nonaudit services performed by them for the Company.

Based upon the foregoing, the Audit Committee approved the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

RETIREMENT AND EMPLOYEE BENEFIT PLANS

The Company has a defined contribution plan (Simple IRA) available to all employees meeting certain service requirements. Employees may contribute up to a maximum of \$6,000 of their annual compensation to the plan. The Company makes a mandatory contribution to the plan in an amount equal to the employees contributions of up to 3% of their annual compensation. Contributions of \$11,052, \$10,587 and \$10,324 were made by the Company during the years ended December 31, 2003, 2002 and 2001, respectively.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Effective January 1, 1990, John H. Alexander, an officer and director of the Company participated with a group of investors that acquired the mineral and fee interest on one of the Company's oil and gas leases in the Carneros Creek field after the Company declined to participate. The thirty-three percent interest owned by Mr. Alexander represents a minority interest in the investor group. Royalties on oil and gas production from this property paid to the investor group approximated \$122,000 in 2003, \$100,000 in 2002 and \$98,000 in 2001.

Effective April 1, 2002, the Company acquired the remaining working interest in the above referenced oil and gas lease in the Carneros Creek field and working interests in two other leases in the same area from the investor group noted above. The investor group acquired these working interests from the Company's former joint venture partner in these three oil and gas leases as the result of a court ordered settlement agreement concluding litigation between the investor group and the joint venture partner. The investor group sold the working interests to the Company for \$217,000. Mr. John H. Alexander, Vice President of the Company, owns a thirty-three percent interest

12

in the investor group. The Company had notes payable to the investor group in the amount of \$108,502 at the end of December 31, 2002, of which \$108,502 was paid-off on the notes payable in 2003.

The Board of Directors, in its capacity as the Company's Audit Committee, has appointed Singer Lewak Greenbaum & Goldstein, LLP as independent public accountants to audit the books, records and accounts of the Company for the year ending December 31, 2004. The appointment is being presented to the shareholders for their ratification. Representatives of Singer Lewak Greenbaum & Goldstein, LLP will be present at the meeting. 13

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE APPOINTMENT OF SINGER LEWAK GREENBAUM & GOLDSTEIN, LLP AS THE COMPANY'S INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2004. PROXIES WILL BE VOTED "FOR" RATIFICATION OF THE APPOINTMENT OF SINGER LEWAK GREENBAUM & GOLDSTEIN, LLP IF NO DIRECTION IS GIVEN IN THE PROXIES. IN THE EVENT THAT THE SHAREHOLDERS DO NOT RATIFY THE APPOINTMENT, THE APPOINTMENT WILL BE RECONSIDERED BY THE BOARD OF DIRECTORS IN ITS CAPACITY AS THE AUDIT COMMITTEE.

In July of 2002, the Audit Committee selected Singer, Lewak, Greenbaum & Goldstein, LLP as the Company's independent auditors for the fiscal year ending December 31, 2002. The decision to change the Company's independent auditors was unanimously approved by the Board of Directors. The decision to change the Company's independent auditors was necessary due to the notification to the Company by Arthur Andersen LLP that it was unable to perform any future audit services for the Company.

None of the reports of Arthur Andersen LLP on the financial statements of the Company for the past two fiscal years of the Company contained any adverse opinion or disclaimer, or was qualified or modified as to uncertainty, audit

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

scope or accounting principles, and there also were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure during the two most recent fiscal years.

14

All audit-related services and other services rendered by Singer Lewak Greenbaum & Goldstein LLP were pre-approved by the Board of Directors in its capacity as the Audit Committee. The Board has a pre-approval policy that requires the pre-approval by the Board of all services performed for the Company by Singer Lewak Greenbaum & Goldstein LLP.

SHAREHOLDER PROPOSAL ON CASH DIVIDENDS

Raymond M. Pastura, 3117 Westchester Drive, Pittsburgh, Pennsylvania 15238, has advised the Company that he is the beneficial owner of 39,500 shares of the Company's common stock, and he has requested the Company to include the following proposal and supporting statement in this Proxy Statement. Mr. Pastura has advised the Company that he intends to present the proposal for a vote of the shareholders at the Annual Meeting.

PROPOSAL

The Board of Directors shall institute a policy of paying an annual dividend of \$0.05 per share per annum, or no less than 20% of cash flow provided by its operating earnings in the prior fiscal year of operations. That said cash dividend be announced at or prior to each annual meeting of the shareholders, and any anticipated deviation from the policy would be communicated to shareholders at that time. (For example, the Board would notify shareholders that they foresee a substantial decline in earnings for the current year or that a better use for such funds would be to fund a

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

specific capital expenditure.)

SHAREHOLDER'S SUPPORTING STATEMENT

While there is no exact formula for valuing minority owned interests of publicly held companies, my opinion is that the shares of Pyramid Oil Company are undervalued based on the \$0.75 last sale and bid as quoted on the NASDAQ Bulletin Board. According to the Company's latest available filing with the SEC (Third Quarter Form 10-Q filed 11/12/2003), the Company's book value per share based on shareholders' equity divided by its outstanding shares is approximately \$1.01, or better than 33% above its current stock price. The Company's cash position remains strong as well, at approximately \$0.58 per share. Changes in U.S. tax laws enacted in 2003 coupled with historically low interest rates have made it much more advantageous to all shareholders to receive cash dividend distributions. Such distributions should signal to the market that, though the Company is owned by a majority group of shareholders controlled by the president's family, such distributions are a fair and equitable way of distributing the Company's wealth. I feel such a plan will encourage long-term stockholders to hold their shares as they would have less of an incentive to reap their profits through stock sales as opposed to getting their returns out of the Company in the form of cash dividends.

15

I believe that certain actions accepted by the Board of Directors may be perceived by the market as not being in the interest of its minority shareholders and thus have contributed to the depressed public price of the stock. These actions include these publicly disclosed statements:

As stated in the latest 10-Q filed 11/12/2003 with the Securities and Exchange Commission: The Company has entered into various employment agreements with key executive employees. In the event the key executives are dismissed, the Company would incur approximately \$1,042,000 in costs.

As reported on Page 10, PYOL second quarter 10-Q report filed 8/14/2002 with the Securities and Exchange Commission, it was stated: Legal services increased by 44% during the second quarter of 2002 due to activities related to certain transactions contemplated by the Board of Directors for the acquisition of the Company's common stock from its major shareholders.

According to the latest proxy statement: two directors of the Company hold no stake in the Company's common stock, while directors' fees have increased modestly. Also, the company's directors have never declared any form of distribution to its common stockholders.

I believe that the market's perception of these actions overshadows the Company's recent ability to restrain costs, improve earnings and maintain adequate cash flows and liquidity. By instituting a reasonable return in the form of a cash dividend, the Board of Directors has a unique and timely opportunity to show its commitment to fair and equitable treatment of all its shareholders.

MANAGEMENT'S STATEMENT IN OPPOSITION TO THE SHAREHOLDER PROPOSAL

Edgar Filing: PYRAMID OIL CO - Form DEF 14A

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE AGAINST THIS PROPOSAL FOR THE FOLLOWING REASONS:

The Board of Directors agrees that it is important to enhance long-term shareholder value. However, the Board believes that, for the foreseeable future, the Company can best enhance shareholder value by reinvesting available cash in the Company's business operations.

In carrying out its fiduciary responsibilities, the Board already regularly examines various factors in determining whether the Company's available cash should be reinvested in the business or distributed to shareholders in the form of dividends. Under California law, the Board has the sole discretion to determine whether dividends should be distributed to shareholders based upon the Board's analysis of business opportunities and the anticipated needs of the Company for capital. The Board has had a plan in place over the past several years to build up its cash reserves to enable the Company to participate in more, and larger exploration and development prospects to enhance the Company's oil and gas revenues and reserves, in

addition to having cash reserves available for periods of industry downturns. The Board has determined that, under current business circumstances, the Company should continue with this plan of reinvesting its available cash in the Company's primary business of the exploration, development and production of crude oil and natural gas, to enhance shareholder values.

Mr. Pastura's proposal would impede the Board's ability to exercise its business judgment in determining how best to use the Company's available cash, to enhance the Company's value. Mr. Pastura's proposal would create a policy that a specified amount of cash must be distributed to shareholders each year unless the Board advises shareholders prior to the annual meeting of a specific reason why dividends should not be paid in a given year. Although the Board has determined that available cash should be reinvested in the Company's business rather than distributed to shareholders, the Board is not always aware prior to each annual meeting of the specific uses of all available cash for the following year. Mr. Pastura's proposal would, in essence, require the Board to submit a budget to shareholders that outlines the specific uses of available cash. This could limit the Board's ability to use cash for other purposes during the period after the annual meeting as new business opportunities arise.

The Board's decision not to pay cash dividends affects all shareholders equally. Therefore, the Board disagrees with Mr. Pastura's suggestion that the failure to distribute dividends primarily affects minority shareholders.

Mr. Pastura also refers to (i) severance payments that may be owed to several executives under their employment agreements if they terminate their employment with the Company, (ii) legal fees that the Company incurred in 2002 in connection with a proposed repurchase of stock, and (iii) modest increases in directors' fees. The Board approved each of these agreements and expenditures in the exercise of its business judgment. In the Board's view, the existence of these employment agreements and expenditures does not provide any basis for concluding that the Board should instead have distributed dividends to shareholders.
