Item 1.01. Entry into a Material Definitive Agreement.

On April 24, 2013, Denny's Corporation (the "Company") entered into an Amended and Restated Credit Agreement among Denny's, Inc., as the Borrower, the Company, Denny's Realty, LLC and DFO, LLC, as Guarantors, Wells Fargo Bank, National Association, as Administrative Agent and L/C Issuer, Regions Bank and General Electric Capital Corporation, as Co-Syndication Agents, Cadence Bank N.A., Fifth Third Bank and RBS Citizens, N.A., as Co-Documentation Agents, and the other lenders party thereto (the "New Credit Facility"). The New Credit Facility provides for a five-year \$250 million credit facility that is comprised of a \$60 million senior secured term loan and a \$190 million senior secured revolver (with a \$30 million letter of credit sublimit). Borrowings will bear a tiered interest rate based on the Company's consolidated leverage ratio and is initially set at LIBOR plus 200 basis points. The New Credit Facility includes an accordion feature that would allow the Borrowers to increase the size of the facility to \$300 million. The maturity date for the New Credit Facility is April 24, 2018.

The New Credit Facility is being used to refinance the Company's Old Credit Facility (as defined in Item 1.02 below) and will also be available for working capital, capital expenditures and other general corporate purposes. The New Credit Facility is guaranteed by the Company and its material subsidiaries and is secured by substantially all of the assets of the Company and its subsidiaries, including the stock of the Company's subsidiaries.

The New Credit Facility includes negative covenants that are usual for facilities and transactions of this type. The New Credit Facility also includes certain financial covenants with respect to a maximum consolidated leverage ratio, a minimum consolidated fixed charged coverage ratio and maximum capital expenditures.

The term loan under the New Credit Facility requires amortization of the original term loan balance of 5% per year in the first two years, 7.5% in the subsequent two years and 10% in the fifth year with the balance due at maturity. The Borrowers will be required to make certain mandatory prepayments under certain circumstances and will have the option to make certain prepayments under the New Credit Facility. The New Credit Facility includes events of default (and related remedies, including acceleration and increased interest rates following an event of default) that are usual for facilities and transactions of this type.

For additional information, see the press release attached hereto as Exhibit 99.1, which is hereby incorporated by reference.

Item 1.02. Termination of a Material Definitive Agreement.

The Old Credit Facility was terminated in connection with the entry into the New Credit Facility described in Item 1.01 above.

Item 2.03. Creation of Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The discussion in Item 1.01 of this Form 8-K regarding the New Credit Facility is hereby incorporated by reference.
