PROPOSAL 2: APPROVAL OF THE AMENDED AND RESTATED 2000 STOCK AWARD PLAN

Prior to September 2003, the 2000 Stock Award Plan was known as the 2000 Stock Option Plan and provided for the issuance of nonqualified options to purchase up to 13,000,000 shares of common stock to directors, officers and other key employees of the Company and its subsidiaries. In order to provide greater flexibility and increased variety to incentives that may be awarded to directors, officers and other key employees, the Board of Directors amended the Plan in September 2003, and amended and restated it in February 2004, to provide for the grant of, in addition to nonqualified stock options, (i) incentive stock options, (ii) stock appreciation rights, (iii) restricted stock, (iv) restricted stock units and (v) performance shares. The maximum number of shares with respect to which awards may be granted under the 2000 Stock Award Plan, subject to adjustments in the event of stock splits, share combinations or similar occurrences, remains at 13,000,000.

The Compensation Committee of the Board of Directors (the "Committee") has authority to grant awards under the 2000 Stock Award Plan to those directors, officers and key employees of the Company and its subsidiaries designated by the Committee. Any awards granted under the 2000 Stock Award Plan, other than nonqualified stock options, are conditioned upon shareholder approval of the amended and restated plan at the 2004 annual meeting of shareholders.

As provided by the terms of the Plan, a nonqualified stock option or an incentive stock option provides the recipient the right to purchase from the Company a stated number of shares at an option price per share fixed by the Committee, but not less than the fair market value of the common stock on the date of the option grant. The options are subject to a vesting schedule that may be accelerated at the discretion of the Committee. The incentive stock options are intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code of 1986, as amended.

The stock appreciation right is an award which gives the recipient the right to receive an amount in cash or in shares of common stock based on the appreciation in the value of the common stock over the base price established in the award, at times and upon conditions approved by the Committee. The base price may not be less than the fair market value of the common stock of the Company on the date of the award.

The restricted stock is an award of shares of common stock that is subject to a risk of forfeiture of ownership back to the Company for a period of time specified by the Committee. Such forfeiture may be conditioned on the continued performance of services or the achievement of individual, divisional or corporate goals as the Committee may determine. For the same period of time as the risk of forfeiture, the restricted stock will also be subject to restrictions of transfer and such other restrictions on incidents of ownership as the Committee may determine.

The restricted stock unit is an award payable in cash or shares of common stock of the Company and represented by a bookkeeping credit, in which both the number of shares, and the date for transfer of the shares or cash to the recipient (the settlement date) are fixed on the date of grant, subject to any subsequent deferral election by the recipient. The value of each restricted stock unit equals the fair market value of a share of stock, as such value may change up to the settlement date. The actual payment of cash or stock on the settlement date may be made contingent, at the discretion of the Committee, on solely continued service or both continued service and the achievement of an individual, divisional or corporate goal.

The performance share is a variable award payable in cash or shares of common stock of the Company and represented by a bookkeeping credit, in which the number of shares, or value thereof, to be transferred to the recipient at the end of a performance measurement period will be a function of both continued service and the relevant achievement of individual, divisional or corporate goals. The value of each performance share will equal the fair market value of a share of common stock, as such value may change up to the date the performance share vests in accordance with the terms of the performance share award.

The approval of the amended and restated 2000 Stock Award Plan requires the approval of a majority of the votes cast at the Annual Meeting.

The full text of the amended and restated 2000 Stock Award Plan is attached as **Annex A** to this proxy statement and readers are urged to refer to it for a complete description of the terms of the Plan.

The Board of Directors unanimously recommends a vote FOR the approval of the amended and restated 2000 Stock Award Plan.

The functions of each of the principal committees are described below, and a copy of the charter of each committee is posted in the corporate governance section on the Company web site at www.rclinvestor.com.

The Compensation Committee approves and evaluates the compensation plans, policies and programs applicable to the executives of the Company, including the administration of the stock award plans and the granting of awards under the plans. Among other responsibilities, the Compensation Committee reviews and approves corporate goals of the Company and objectives relevant to the compensation of the Chief Executive Officer of the Company and sets compensation levels based on this evaluation.

The Audit Committee assists the Board of Directors in the oversight of the integrity of the financial statements of the Company, the qualifications and independence of the independent auditor, the performance of the internal audit function of the Company and of the independent auditor, and compliance by the Company with related legal and regulatory requirements. In furtherance of this purpose, the Audit Committee regularly reviews

and discusses with management and the independent auditor the annual audited and quarterly financial statements of the Company.

The Nominating and Director Affairs Committee assists the Board by identifying qualified individuals for nomination as members of the Board of Directors and of Board committees, recommending to the Board corporate governance guidelines, reviewing and making recommendations to the Board concerning Board committee structure, operations and board reporting and evaluating board and management performance.

The Board has adopted a Code of Business Conduct and Ethics that applies to all employees of the Company. A copy of the Code of Business Conduct and Ethics is posted in the corporate governance section on the Company web site at www.rcinvestor.com.

Settlement Date means the date on which Stock, cash, cash equivalents, or any combination thereof are transferred by the Company to a Participant with respect to, and in settlement of, a prior contractual commitment made by the Company to such Participant under the Plan in the form of Restricted Stock Units or Performance Shares.

Shares or Stock mean shares of the common stock of the Company, par value \$.01, subject to any adjustments made under Section 7 or by operation of law.

Subsidiary of the Company means any present or future subsidiary (as that term is defined in Section 424(f) of the Code) of the Company. An entity shall be deemed a subsidiary of the Company for purposes of this definition only for such periods as the requisite ownership or control relationship is maintained.

Termination of Service, Terminate or Termination occurs when a Participant ceases to be an Employee of, or ceases to be a Director of, the Company and its Affiliates, as the case may be, for any reason.

Vested, Vest and Vesting means (i) with respect to any portion of an Award, that legal ownership of such portion of the Award will not be forfeited by the Participant pursuant to the provisions of this Plan in the event the Participant Terminates Service with the Company or any Affiliate, and (ii) with respect to any portion of an Option, that such portion of the Option may be exercised, unless such exercise is prohibited by law or by other provisions of the Plan.

Vesting Date with respect to any Award granted hereunder means the date on which such Award becomes Vested, as designated in or determined in accordance with the Plan and with the Agreement with respect to such Award. If more than one Vesting Date is designated for an Award, reference in the Plan to a Vesting Date in respect of such Award shall be deemed to refer to each part of such Award and the Vesting Date for such part.

(b) Rules of Construction. Where the context permits, words in any gender shall include the other gender, words in the singular shall include the plural, and the plural shall include the singular.

Section 3. Eligibility and Participation

The persons who shall be eligible to participate in the Plan and to receive Awards shall be such Employees (including officers) and Directors as the Committee, in its sole discretion, shall select. Awards may be made to Eligible Individuals who hold or have held Awards under this Plan or any similar plan or other awards under any

other plan of the Company or any of its Affiliates. Any member of the Committee shall be eligible to receive Awards while serving on the Committee.

Awards may be granted by the Committee at any time and from time to time to new Participants, or to then Participants, or to a greater or lesser number of Participants, and may include or exclude previous Participants, as the Committee shall determine.

Except as required by this Plan, Plan Awards granted at different times need not contain similar provisions. The Committee's determinations under the Plan (including without limitation, determinations of which individuals, if any, are to receive Awards, the form, amount and timing of such Awards, the terms and provisions of such Awards and the agreements evidencing same) need not be uniform and may be made by it selectively among individuals who receive, or are eligible to receive, under the Plan.

Section 4. Stock Subject to Plan

Subject to the following provisions of this Section 4 and to the provisions of Section 7, the maximum number of Shares with respect to which Awards may be granted during the term of the Plan shall be 13,000,000.

During the term of this Plan, the Company will at all times reserve and keep available the number of Shares that shall be sufficient to satisfy the requirements of this Plan. Shares will be made available from the currently authorized but unissued shares of the Company or from shares currently held or subsequently reacquired by the Company as treasury shares, including shares purchased in the open market or in private transactions.

The grant of any Award hereunder shall count, equal in number to the Shares represented by such Award, towards the share maximum indicated in this Section 4. To the extent that (i) any outstanding Option for any reason expires, is terminated, forfeited or canceled without having been exercised, or if any other Award is forfeited or otherwise does not result in the delivery of Shares by the Company, and (ii) any Shares covered by an Award are not delivered because the Award is settled in cash or used to satisfy the applicable tax withholding obligation, such Shares shall be deemed to have not been delivered and shall be restored to the share maximum. If the exercise price of any Option granted under the Plan is satisfied by tendering Shares to the Company (by either actual delivery or attestation), the number of Shares tendered shall be restored to the share maximum.

Section 5. Forms and Terms of Awards Under the Plan

(a) **In General.** The Committee may grant any of the following types of Awards, either singly or in combination with other Awards:

(i) *Incentive Stock Options.* An incentive stock option (an *Incentive Option*) shall convey to the Participant the right to purchase from the Company a stated number of Shares at an Exercise Price and for a period of time established by the Committee. An Incentive Option is both intended to be and qualifies as an incentive stock option under Section 422 of the Code.

(ii) *Nonqualified Stock Options.* A nonqualified stock option (a *Nonqualified Option*) shall convey to the Participant the right to purchase from the Company a stated number of Shares at an Exercise Price and for a period of time established by the Committee. A Nonqualified Option is not intended to be or does not qualify as an Incentive Option under Section 422 of the Code.

(iii) *Stock Appreciation Rights.* A Stock Appreciation Right is an Award in the form of a right to receive, upon surrender of the right, but without other payment, an amount based on appreciation in

the value of Stock over a base price established in the Award, payable in cash or Stock, at times and upon conditions (which may include a Change in Control), as may be approved by the Committee.

(iv) *Restricted Stock*. Restricted Stock is an Award of Shares that are issued to a Participant such that the Participant is thereupon the legal owner of such Shares with all of the attendant rights and privileges of ownership, but remains subject to a risk of forfeiture of such ownership back to the Company for a period of time specified on the Date of Grant. Such forfeiture may be conditioned on the continued performance of services or the achievement of individual, divisional, or corporate goals. Restricted Stock will also be subject to restrictions on transfer and such other restrictions on incidents of ownership as the Committee may determine, for the same period of time as the risk of forfeiture.

(v) *Restricted Stock Units*. A Restricted Stock Unit is an Award payable in cash or Stock and represented by a bookkeeping credit, in which both the number of Shares and the Settlement Date (subject to any subsequent deferral election by the Participant) are fixed on the Date of Grant. The value of each Restricted Stock Unit equals the Fair Market Value of a share of Stock, as such value may change up to the date the Stock Unit Vests. The actual payment of cash or Stock to the Participant at the Settlement Date may be made contingent, in the sole discretion of the Committee, upon (A) solely continued service, or (B) both continued service and the achievement of an individual, divisional or corporate goal. Restricted Stock Units are not outstanding shares of Stock and do not entitle a Participant to voting or other rights or dividends with respect to Stock, unless and until actually paid out in the form of Stock.

(vi) *Performance Shares*. A Performance Share is a variable Award payable in cash or Stock and represented by a bookkeeping credit, in which the number of Shares (or value thereof) to be transferred to the Participant at the end of a performance measurement period will be a function of both continued service and the relevant achievement of individual, divisional or corporate goals. The value of each Performance Share equals the Fair Market Value of a share of Stock, as such value may change up to the date the Performance Share Vests. Shares actually transferred following the end of the performance measurement period will not be restricted by the Company in any way, other than as required by law.

(b) Provisions Applicable to All Forms of Awards. Subsequent to the grant of any Award, the Committee may, at any time before the complete expiration of such Award, Vest the Award in whole or part or accelerate the time or times at which such Award may become Vested in whole or in part in the future (without reducing the term of such Award).

To the extent that the Company is required to withhold any Federal, state or other taxes in respect of any compensation income realized by the Participant in respect of shares acquired pursuant to an Award, or in respect of the Vesting of any such shares of Stock, then the Company shall deduct from either such Shares or any payments of any kind otherwise due to such Participant the aggregate amount of such Federal, state or other taxes required to be so withheld. If such payments are insufficient to satisfy such Federal, state or other taxes, then such Participant will be required to pay to the Company, or make other arrangements satisfactory to the Company regarding payment to the Company of, the aggregate amount of any such taxes. All matters with respect to the total amount of taxes to be withheld in respect of any such compensation income shall be determined by the Company in its sole discretion.

(c) Provisions Applicable to Stock Options and Stock Appreciation Rights. Subject to the limitations of the Plan, the Committee shall designate from time to time those Eligible Individuals to be granted Options, the time when each Option shall be granted, the number of Shares subject to such Option, whether such Option is an Incentive Option or a Nonqualified Option, and the Exercise Price of the Option Shares. Options shall be evidenced by Agreements in such form and containing such terms and provisions not inconsistent with the

provisions of the Plan as the Committee may from time to time approve. Each Optionee shall be notified of such grant and a written Agreement shall be executed and delivered by the Company to the Optionee. Subject to the other provisions of the Plan, the same person may receive Incentive Options and Nonqualified Options at the same time and pursuant to the same Agreement, provided that Incentive Options and Nonqualified Options are clearly designated as such.

Option Agreements shall conform to the terms and conditions of the Plan. Such Agreements may provide that the grant of any Option under the Plan, or that Stock acquired pursuant to the exercise of any Option, shall be subject to such other conditions (whether or not applicable to an Option or Stock received by any other Optionee) as the Committee determines appropriate, including, without limitation, provisions conditioning exercise upon the occurrence of certain events or performance or the passage of time, provisions to assist the Optionee in financing the purchase of Stock through the exercise of Options, provisions for forfeiture, restrictions on resale or other disposition of shares acquired pursuant to the exercise of Options, provisions conditioning the grant of the Option or future Options upon the Optionee retaining ownership of Shares acquired upon exercise for a stated period of time, and provisions to comply with federal and state securities laws and federal and state income tax and other payroll tax withholding requirements.

The price at which Shares may be purchased upon exercise of an Option shall be fixed by the Committee on the Date of Grant and may not be less than 100% of the Fair Market Value of the Option Shares as of the Date of Grant. All Options shall specify the term during which the Option may be exercised, which shall be in all cases ten years or less.

No Option may be exercised in part or in full before the Vesting Date(s) set forth in its terms, other than in the event of acceleration as provided in Section 7. No Option may be exercised prior to the day following the six-month anniversary of the Date of Grant, or after the Option expires by its terms as set forth in the applicable Agreement. In the case of an Option that is exercisable in installments, installments that are exercisable and not exercised shall remain exercisable during the term of the Option. The grant of an Option shall impose no obligation on the Optionee to exercise such Option.

The Committee may specify in any Agreement a vesting schedule that must be satisfied before Options become Vested, such that all or any portion of an Option may not become Vested until a Vesting Date or Vesting Dates, or until the occurrence of one or more specified events, subject in any case to the terms of the Plan.

No Option shall be transferable other than by will or the laws of descent and distribution, other than pursuant to an order issued by a court of competent jurisdiction in connection with the divorce or bankruptcy of the Participant. During the lifetime of the Optionee, the Option shall be exercisable only by such Optionee or his/her court-appointed legal representative or transferee. Notwithstanding anything herein to the contrary, the Committee may, in its sole discretion, provide in the applicable Agreement evidencing a Nonqualified Option that the Optionee may transfer, assign or otherwise dispose of an option (i) to his/her spouse, parents, siblings and lineal descendants, (ii) to a trust for the benefit of the Optionee and any of the foregoing, or (iii) to any corporation or partnership controlled by the Optionee, subject to such conditions or limitations as the Committee may establish to ensure compliance with any rule promulgated pursuant to the Exchange Act, or for other purposes. The terms applicable to the assigned Option shall be the same as those in effect for the Option immediately prior to such assignment and shall be set forth in such documents issued to the assignee as the Company may deem appropriate.

An Optionee or a transferee of an Option shall have no rights as a stockholder with respect to any Share covered by his/her Option until he shall have become the holder of record of such Share, and he shall not be

entitled to any dividends or distributions or other rights in respect of such Share for which the record date is prior to the date on which he shall have become the holder of record thereof.

The Committee shall not, without first having obtained the approval of the shareholders of the Company, effect the cancellation of any or all outstanding Options under the Plan and the substitution therefore of new Options covering the same or different number of Shares but with an exercise price per share based on the Fair Market Value per Share on the new option grant date.

The following additional provisions shall be applicable to Incentive Options, but only if, and to the extent, required by section 422 of the Code:

- (i) Incentive Options shall be specifically designated as such in the applicable Agreement, and may be granted only to those Eligible Individuals who are both (A) Employees of the Company and/or a Subsidiary, and (B) citizens or resident aliens of the United States.
- (ii) To the extent the aggregate Fair Market Value (determined as of the time the Option is granted) of the Stock with respect to which any Incentive Options granted hereunder may be exercisable for the first time by the Optionee in any calendar year (under this Plan or any other compensation plan of the Company or any Subsidiary thereof) exceeds \$100,000, such Options shall not be considered Incentive Options.
- (iii) No Incentive Option may be granted to an individual who, at the time the Option is granted, owns directly, or indirectly within the meaning of Section 424(d) of the Code, stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of any Subsidiary thereof, unless such Option (i) has an exercise price of at least 110% of the Fair Market Value of the Stock on the Date of Grant of such option; and (ii) cannot be exercised more than five years after the Date of Grant.
- (iv) The Exercise Price for Incentive Options shall not be less than the Fair Market Value of the Stock on the Date of Grant.

Each of the above provisions with respect to the granting, vesting, transferability and exercise of Options, except to the extent they are applicable solely to (i) the actual purchase of stock and payment of consideration or (ii) Incentive Options, shall also apply to the grant of Stock Appreciation Rights by the Committee under the Plan.

(d) Provisions Applicable to Restricted Stock and Restricted Stock Units. Awards of Restricted Stock and Restricted Stock Units shall be subject to the right of the Company to require forfeiture of such Shares or rights by the Participant in the event that conditions specified by the Committee in the applicable Agreement are not satisfied prior to the end of the applicable vesting period established by the Committee for such Awards. Conditions for repurchase (or forfeiture) may be based on continuing employment or service or achievement of pre-established performance or other goals and objectives. Subsequent to the grant of an award of Restricted Stock or Restricted Stock Units, the Committee may, at any time before complete termination of such Restricted Stock or Restricted Stock Unit, accelerate the time or times at which such Restricted Stock or Restricted Stock Unit is no longer subject to forfeiture or repurchase.

A Restricted Stock Unit may provide the Participant with the right to receive dividend payments or dividend equivalent payments with respect to Stock subject to the Award (both before and after the Stock subject to the Award is earned, Vested, or acquired), which payments may be either made currently or credited to an account for the Participant, and may be settled in cash or Stock, as determined by the Committee. Any such settlements, and any such crediting of dividends or dividend equivalents or reinvestment in shares of Stock, may be subject to such

conditions, restrictions and contingencies as the Committee shall establish, including the reinvestment of such credited amounts in Stock equivalents.

Shares represented by Restricted Stock Awards may not be sold, assigned, transferred, pledged or otherwise encumbered, except as permitted by the Committee, during the applicable vesting period. Such Shares shall be evidenced in such manner as the Committee may determine. Any certificates issued in respect of such Shares shall be registered in the name of the Participant and, unless otherwise determined by the Committee, deposited by the Participant, together with a stock power endorsed in blank, with the Company (or its designee). To the extent Shares of a Restricted Stock Award Vest, the Company (or such designee) shall deliver such certificates to the Participant or, if the Participant has died, to the Participant's Beneficiary. Each certificate evidencing stock subject to Restricted Stock Awards shall bear an appropriate legend referring to the terms, conditions and restrictions applicable to such Award. Any attempt to dispose of stock in contravention of such terms, conditions and restrictions shall be ineffective. During the restriction period, the Participant shall have all the rights of a shareholder for all such Shares, including the right to vote and the right to receive dividends thereon as paid.

(e) Provisions Applicable to Restricted Stock Units and Performance Shares. The Committee may provide in the terms of a Restricted Stock Unit or Performance Share Award for the elective deferral by the Participant of the receipt of the actual payment of cash or Stock otherwise due and payable to the Participant pursuant to such Award. In providing for such deferral, the Committee shall limit eligibility, and shall specify such rules regarding the timing and other features of the deferral, so as to comply with all applicable sections of ERISA and the constructive receipt and similar doctrines of the internal revenue laws.

Section 6. Exercises of Stock Options

An Option may be exercised in whole or in part at any time to the extent such Option has become Vested during the term of such Option; provided, however, that (i) unless otherwise provided by Section 7, an Option may be exercised only while the Optionee is an Employee or Director, and (ii) each partial exercise shall be for whole Shares only. Unless otherwise provided by Section 7, that portion of an Option that has not become Vested as of the date the Optionee ceases to be an Employee or Director shall lapse and be null and void.

Each Option, or any exercisable portion thereof, may only be exercised by delivery to the Secretary or his/her office, in accordance with such procedures for the exercise of Options as the Company may establish from time to time, of (i) notice in writing signed by the Optionee (or other person then entitled to exercise such Option) that such Option, or a specified portion thereof, is being exercised; (ii) payment in full for the purchased Shares (pursuant to the rules specified below); (iii) such representations and documents as are necessary or advisable to effect compliance with all applicable provisions of Federal or state securities laws or regulations; (iv) in the event that the Option or portion thereof shall be exercised by any individual other than the Optionee, appropriate proof of the right of such individual to exercise the Option or portion thereof; and (v) full payment to the Company of all amounts which, under federal, state or other law, it is required to withhold upon exercise of the Option (pursuant to the rules specified below).

Except as noted in this paragraph, upon receiving notice of exercise and payment, the Company will cause to be delivered to the Optionee, as soon as practicable, a certificate in the Optionee's name for the Shares purchased, and within a reasonable time thereafter such transfer shall be evidenced on the books and records of the Company. The Shares issuable and deliverable upon the exercise of an Option shall be fully paid and nonassessable. Shares shall not be issued pursuant to the exercise of an Option unless the exercise of such Option and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations

promulgated thereunder, and the requirements of any stock exchange upon which the Shares may then be listed, and shall be further subject to the approval of counsel for the Company with respect to such compliance.

Payment for Shares purchased under an Option granted hereunder shall be made in full upon exercise of the Option (except that, in the case of an exercise arrangement approved by the Company and described in clause (iv) below, payment may be made as soon as practicable after the exercise). The method or methods of payment of the purchase price for the Shares to be purchased upon exercise of an Option and of any amounts required for tax withholding purposes shall be determined by the Company and may consist of (i) cash, (ii) check, (iii) the tendering, by either actual delivery or by attestation, of whole shares of Stock, valued at Fair Market Value as of the day of exercise, or (iv) through a special sale and remittance procedure pursuant to which the Optionee shall concurrently provide irrevocable written instructions to (a) a brokerage firm acceptable to the Company to effect the immediate sale of the purchased shares and remit to the Company, out of the sale proceeds available on the settlement date, sufficient funds to cover the aggregate exercise price payable for the purchased shares plus all applicable Federal, state and other employment taxes required to be withheld by the Company by reason of such exercise, and (b) the Company to deliver the certificates for the purchased Shares directly to such brokerage firm in order to complete the sale. The permitted method or methods of payment of the amounts payable upon exercise of an Option may be transacted by the Optionee him/herself or by a broker designated by him/her (other than a payment described in clause (iv) above), and, if other than in cash, shall be set forth in the applicable agreement.

Each Agreement shall require that an Optionee pay to the Company, at the time of exercise of a Nonqualified Option, such amount as the Company deems necessary to satisfy the Company's obligation to withhold federal or state income or other applicable taxes incurred by reason of the exercise or the transfer of Shares thereupon. To the extent permitted by the Option Agreement, an Optionee may satisfy such withholding requirements by having the Company withhold from the number of Shares otherwise issuable upon exercise of the Option that number of shares having an aggregate Fair Market Value on the date of exercise equal to the amount required by law to be withheld.

An Option Agreement evidencing a Nonqualified Option may provide that the Optionee may elect to defer the receipt of all or a portion of the Shares purchased upon exercise of the Option (the "Deferral Election"). If inclusion of the right to make such Deferral Election is acceptable to the Committee, the Agreement shall provide, in addition to such other terms and conditions as the Committee shall prescribe, that: (i) following the date on which the Option becomes fully Vested, the period of time during which the Optionee may elect whether the Option is to be made subject, in whole or part, to the Deferral Election (to the extent made subject, the "Modified Option"), (ii) the Modified Option may not be exercised within six months of the effective date of the Deferral Election, (iii) the Option Price shall be paid by tendering, by either actual delivery or by attestation, whole shares of Stock, valued at Fair Market Value as of the day of exercise, (iv) the Company shall remit to the Optionee, as soon as practicable after the exercise, those shares tendered to satisfy the purchase price, and (v) until the delivery of the Shares, the Optionee shall not be the owner of those Shares and shall have only an unfunded and unsecured contractual right to receive them.

Section 7. Events Affecting Plan Reserve or Plan Awards

If the Company subdivides its outstanding shares of Stock into a greater number of shares of Stock (including, without limitation, by stock dividend or stock split) or combines its outstanding shares of Stock into a smaller number of shares (by reverse stock split, reclassification or otherwise), or the Committee determines that any stock dividend, extraordinary cash dividend, reclassification, recapitalization, reorganization, split-up, spin-off, combination, exchange of shares, warrants or rights offering to purchase Stock, or other similar corporate event (including mergers or consolidations) affects the Stock such that an adjustment is required in order to

preserve the benefits or potential benefits intended to be made available under this Plan, then the Committee shall, in such manner as it may deem equitable and appropriate, make such adjustments to any or all of (i) the number of shares of Stock reserved for the Plan, (ii) the number of shares subject to outstanding Options and other Awards, (iii) the Exercise Price with respect to outstanding Options, and any other adjustment that the Committee determines to be equitable; provided, however, that the number of shares subject to any Option shall always be a whole number. The Committee may provide for a cash payment to any Participant of a Plan Award in connection with any adjustment made pursuant to this Section 7.

Any such adjustment to an Option shall be made without a change to the total Exercise Price applicable to the unexercised portion of the Option (except for any change in the aggregate price resulting from rounding-off of share quantities or prices), and shall be final and binding upon all Participants, the Company, their representatives, and all other interested persons.

In the event of a transaction involving (i) a merger or consolidation in which the Company is not the surviving company or (ii) the sale or disposition of all or substantially all of the Company's assets, provision shall be made in connection with such transaction for the assumption of Awards theretofore granted under the Plan, or the substitution for such Awards of new options of the successor corporation, with appropriate adjustment as to the number and kind of Shares and the purchase price for Shares thereunder. Alternatively, in the discretion of the Committee, the Plan and the Awards issued hereunder shall terminate on the effective date of such transaction if appropriate provision is made for payment to the Participant of an amount in cash equal to the Fair Market Value of a Share multiplied by the number of Shares subject to the Awards (to the extent such Awards have not been exercised) less the exercise price for such Awards (to the extent such Awards have not been exercised). Further, any obligations under the plan to deliver Shares of Stock in the future shall be similarly adjusted.

If a Participant has a Termination of Service by reason of his/her death or Disability, then notwithstanding any contrary waiting period, installment period or vesting schedule in any Agreement or in the Plan, unless the applicable Agreement provides otherwise, each outstanding Award granted to such Participant shall immediately become Vested and, if an Option, exercisable in full in respect of the aggregate number of shares covered thereby.

If an Optionee has a Termination of Service by reason of his/her death or Disability prior to the expiration date of his/her Option, or if an Optionee dies subsequent to his/her Termination of Service on account of such Disability but prior to the expiration date of his/her Option, and in either case all or some portion of such Option is Vested and exercisable pursuant to the terms of this Plan and of the Option Agreement, such Option may be exercised by the Optionee or by the Optionee's estate, personal representative or beneficiary, as the case may be, at any time prior to the earlier of (i) one year following the date of the Optionee's death or disability, or such later time not to exceed an additional year as the Committee may from time to time determine in its discretion on a case by case basis, or (ii) the expiration date of such Option.

If an Optionee has a Termination of Service for any reason other than his/her death or Disability prior to the expiration date of his/her Option, and all or some portion of such Option is Vested and exercisable pursuant to the terms of this Plan and of the Option Agreement, such Option may be exercised by the Optionee at any time prior to the earlier of (i) three months following the date of the Optionee's Termination, or such later time not to exceed an additional nine months as the Committee may from time to time determine in its discretion on a case by case basis, or (ii) the expiration date of such Option.

The Company may determine whether any given leave of absence constitutes a termination of employment and, if it does not, whether the time spent on the leave will or will not be counted as vesting credit; provided, however, that for purposes of the Plan (i) a leave of absence, duly authorized in writing by the Company, if the period of such leave does not exceed 90 days, and (ii) a leave of absence in excess of 90 days, duly authorized in

writing by the Company, provided (a) the Employee's right to reemployment is guaranteed either by statute or contract, or (b) for the purpose of military service, shall not be deemed a termination of employment.

Following a Change of Control, if a Participant has a Termination of Service within eighteen (18) months of such Change of Control, other than by reason of (a) death, (b) Disability, (c) termination for Cause, or (d) termination by the Participant for other than Good Reason, then notwithstanding any contrary waiting period, installment period or vesting schedule in any Agreement or in the Plan, each outstanding Award granted to such Participant shall immediately become Vested, and, if an Option, exercisable in full in respect of the aggregate number of shares covered thereby.

Change of Control shall mean (i) the acquisition by any individual, entity or group (other than the Company, Cruise Associates and/or A. Wilhelmsen AS or an affiliate of any of them) of beneficial ownership (as such term is defined in Rule 13d-3 promulgated under the Exchange Act) of more than 50% of the then outstanding voting securities of the Company entitled to vote generally in the election of Directors (the Voting Securities); (ii) during any period of 24 consecutive months, a majority of the Board shall no longer be composed of individuals (a) who were members of the Board on the first day of such period, or (b) whose election or nomination to the Board were approved by a vote of at least two-thirds of the members of the Board who were members of the Board on the first day of such period, or (c) whose election or nomination to the Board was approved by a vote of at least two-thirds of the members of the Board referred to in the foregoing subclauses (a) and (b); (iii) consummation of a reorganization, merger or consolidation or sale or other disposition of all or substantially all of the assets of the Company (a Business Combination) unless, following such Business Combination (a) the beneficial owners of the Voting Securities of the Company immediately prior to the Business Combination beneficially own more than 50% of the combined voting power of the voting securities entitled to vote generally in the election of directors of the corporation resulting from such Business Combination, and (b) at least a majority of the board of directors of the corporation resulting from such Business Combination were members of the Company's Board at the time of the action of the Company's Board providing for such Business Combination; (iv) consummation of a reorganization, merger or consolidation with another corporation or business entity not already under common control with the Company, or the acquisition of stock or assets of such other corporation or business entity, if the market capitalization of the other corporation or entity, or the stock or assets acquired, is equal to or greater than the Company's market capitalization immediately prior to the closing of such transaction; or (v) approval by the shareholders of the Company of a complete liquidation or dissolution of the Company.

Cause shall mean (i) an act of material dishonesty, including, without limitation, fraud, misappropriation, embezzlement, financial misrepresentation or other similar behavior, (ii) conviction of, or the entry of a plea of guilty or nolo contendere to, the commission of a felony; (iii) an action or failure to act that demonstrates a conflict of interest in which the person acts for his or her own benefit to the detriment of the Company; (iv) an action or failure to act that constitutes a material breach of the person's duties to the Company; or (v) the failure to follow the lawful directives of the Company provided that those directives are consistent with the person's duties to the Company.

Good Reason shall mean (i) the assignment to the person without the person's consent of any duties materially inconsistent with the person's position (including status, offices and titles), authority, duties or responsibilities as they existed prior to the Change of Control; (ii) any action by the Company which results in a material diminution in the person's position, authority, duties, responsibilities, compensation or benefits as they existed prior to the Change of Control without the person's consent; or (iii) the Company requiring that the person relocate his or her principal business office more than 100 miles from the location existing prior to the Change of Control without the person's consent.

In addition to any action required or authorized by the terms of an Award, the Committee may take any other action it deems appropriate to ensure the equitable treatment of Participants in the event of or anticipation of a Change of Control, including but not limited to any one or more of the following with respect to any or all Awards: (i) the acceleration or extension of time periods for purposes of exercising, vesting in, or realizing gains from, the Awards, (ii) the waiver of conditions on the Awards that were imposed for the benefit of the Company, (iii) provision for the cash settlement of the Awards for their equivalent cash value, as determined by the Committee, as of the date of the Change of Control; or (iv) such other modifications or adjustments to the Awards as the Committee deems appropriate to maintain and protect the rights and interests of Participants upon or following the Change of Control.

Section 8. Administration

The Plan shall be administered by the Compensation Committee of the Board unless a different committee is appointed by the Board.

The Committee's administration of the Plan shall be subject to the following:

- (a) Subject to the provisions of the Plan, the Committee will have the authority and discretion to select from among the Eligible Individuals those persons who shall receive Awards, to determine the time or times of receipt, to determine the types of Awards and the number of shares covered by the Awards, to establish the terms, conditions, performance criteria, restrictions, and other provisions of such Awards, and, subject to the restrictions of Section 11, to cancel or suspend Awards.
- (b) To the extent that the Committee determines that the restrictions imposed by the Plan preclude the achievement of the material purposes of the Awards in jurisdictions outside the United States, the Committee will have the authority and discretion to modify those restrictions as the Committee determines to be necessary or appropriate to conform to applicable requirements or practices of those jurisdictions.

With respect to the grant of Awards to Eligible Individuals who are not Executive Officers or Directors, and except to the extent prohibited by applicable law or the applicable rules of a stock exchange, the Committee may delegate to any person or persons selected by it, who may or may not be Directors, (a Subcommittee) all or any part of its responsibilities and powers as set forth above. Any such allocation or delegation may be revoked by the Committee at any time.

The Company and its Affiliates shall furnish the Committee with such data and information as it determines may be required for it to discharge its duties. The records of the Company and its Affiliates as to an Employee's or Participant's employment (or other provision of services), Termination of Service, leave of absence, reemployment and compensation shall be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefits under the Plan must furnish to the Company such evidence, data, or information, as the Committee or the Company considers desirable to carry out the terms of the Plan.

The Committee is authorized, subject to the provisions of the Plan, to establish, amend and rescind such rules and regulations, as it deems necessary or advisable for the proper administration of the Plan and to take such other action in connection with or in relation to the Plan, as it deems necessary or advisable. Each action and determination made or taken pursuant to the Plan by the Committee, including any interpretation or construction of the Plan, shall be final and conclusive for all purposes and upon all persons.

No member of the Committee shall be personally liable for any action, determination or interpretation made by him/her or the Committee in good faith with respect to the Plan or any Award granted pursuant thereto.

The Committee, the Company, and its officers and directors, shall be entitled to rely upon the advice, opinions or valuations of any attorneys, consultants, accountants or other persons employed to assist them in connection with the administration of the Plan.

Section 9. Government Regulations and Registration of Shares

The Plan, and the grant and exercise of Awards hereunder, and the Company's obligation to sell and deliver stock under Options, shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any regulatory or governmental agency as may be required.

The obligation of the Company with respect to Awards shall be subject to all applicable laws, rules and regulations and such approvals by any governmental agencies as may be required, including, without limitation, the effectiveness of any registration statement required under the Securities Act of 1933, and the rules and regulations of any securities exchange or association on which the Stock may be listed or quoted. For so long as the Stock of the Company is registered under the Exchange Act, the Company shall use its reasonable efforts to comply with any legal requirements (i) to maintain a registration statement in effect under the Securities Act of 1933 with respect to all shares of the applicable series of Stock that may be issued to Participants under the Plan, and (ii) to file in a timely manner all reports required to be filed by it under the Exchange Act.

Section 10. Miscellaneous Provisions

Legends. Each certificate evidencing Stock obtained through the Plan shall bear such legends as the Company deems necessary or appropriate to reflect or refer to any terms, conditions or restrictions applicable to such Shares, including, without limitation, any to the effect that the Shares represented thereby (i) are subject to contractual restrictions regarding disposition, and (ii) may not be disposed of unless the Company has received an opinion of counsel, acceptable to the Company, that such dispositions will not violate any federal or state securities laws.

Rights of Company. Nothing contained in the Plan or in any Agreement, and no action of the Company or the Committee with respect thereto, shall interfere in any way with the right of the Company or an Affiliate to terminate the employment of the Participant at any time, with or without cause. The grant of Awards pursuant to the Plan shall not affect in any way the right or power of the Company to make reclassifications, reorganizations or other changes of or to its capital or business structure or to merge, consolidate, liquidate, sell or otherwise dispose of all or any part of its business or assets.

Designation of Beneficiaries. Each Participant who shall be granted a Plan Award may designate a beneficiary or beneficiaries and may change such designation from time to time by filing a written designation of beneficiary or beneficiaries with the Company on a form to be prescribed by it, provided that no such designation shall be effective unless so filed prior to the death of such person.

Compliance with Other Laws and Regulations. Notwithstanding anything contained herein to the contrary, the Company shall not be required to sell or issue shares of Stock if the issuance thereof would constitute a violation by the Company of any provisions of any law or regulation of any governmental authority or any national securities exchange or other forum in which shares of Stock are traded (including without limitation Section 16 of the Exchange Act); and, as a condition of any sale or issuance of shares of Stock, the Company may require such agreements or undertakings, if any, as the Company may deem necessary or advisable to assure compliance with any such law or regulation. The Plan, the grant of Awards and exercise of Options hereunder, and the obligation of the Company to sell and deliver shares of Stock, shall be subject to all applicable federal and state laws, rules and regulations and to such approvals by any government or regulatory agency as may be

required. To the extent the Plan provides for issuance of stock certificates to reflect the issuance of shares of Stock, the issuance may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange.

Payroll Tax Withholding. The Company's obligation to deliver shares of Stock under the Plan shall be subject to applicable federal, state and other tax withholding requirements. Federal, state, and other tax due upon the exercise of any Award may, in the discretion of the Company, be paid in shares of Stock already owned by the Optionee or through the withholding of shares otherwise issuable to such Optionee, upon such terms and conditions (including, without limitation, the conditions referenced in Section 6) as the Company shall determine which shares shall have an aggregate Fair Market Value equal to the required minimum withholding payment. If the Optionee shall fail to pay, or make arrangements satisfactory to the Committee for the payment to the Company of all such federal, state and other taxes required to be withheld by the Company, then the Company shall, to the extent permitted by law, have the right to deduct from any payment of any kind otherwise due to such Optionee an amount equal to federal, state or other taxes of any kind required to be withheld by the Company.

Non-Exclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of stock options and the awarding of stock and cash otherwise than under the Plan, and such arrangements may be either generally applicable or applicable only in specific cases.

Exclusion from Benefit Computation. By accepting an Award, unless otherwise provided in the applicable Agreement, each Participant shall be deemed to have agreed that such Award is special incentive compensation that will not be taken into account, in any manner, as salary, compensation or bonus in determining the amount of any payment under any health and welfare, pension, retirement or other employee benefit plan, program or policy of the Company or any Subsidiary. In addition, each beneficiary of a deceased Participant shall be deemed to have agreed that such Award will not affect the amount of any life insurance coverage, if any, provided by the Company on the life of the Participant which is payable to such beneficiary under any life insurance plan covering employees of the Company or any Subsidiary.

Governing Law. The Plan shall be governed by, and construed in accordance with, the laws of the State of Florida.

Use of Proceeds. Proceeds from the sale of Shares pursuant to Options granted under this Plan shall constitute general funds of the Company.

No Rights to Continued Employment. The Plan does not constitute a contract of employment, and selection as a Participant will not give any participating Employee or other Eligible Individual the right to be retained in the employ of the Company or any Subsidiary, or the right to continue to provide services to the Company or any Subsidiary, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan.

Form and Time of Elections. Unless otherwise specified herein, each election required or permitted to be made by any Participant or other person entitled to benefits under the Plan, and any permitted modification, or revocation thereof, shall be in writing filed with the Company at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Company shall require.

Unfunded Status. Neither a participant nor any other person shall, by reason or participation in the Plan, acquire any right in or title to any assets, funds or property of the Company or any Affiliate whatsoever, including, without limitation, any specific funds, assets, or other property which the Company or any Affiliate, in

its sole discretion may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to the Stock or amounts, if any, payable under the Plan, unsecured by any assets of the Company or any Subsidiary, and nothing contained in the Plan shall constitute a guarantee that the assets of the Company or any Affiliate shall be sufficient to pay any benefits to any person.

Section 11. Amendment and Termination of This Plan

The Committee may at any time terminate, suspend or discontinue this Plan. The Committee may amend this Plan at any time, provided that any material amendment to the Plan will not be effective unless approved by the Company's stockholders. The Committee may at any time alter or amend any or all Award Agreements under this Plan in any manner that would be authorized for a new Award under this Plan, so long as such an amendment would not require approval of the Company's stockholders if such amendment was made to the Plan. Notwithstanding the foregoing, no such action by the Board or the Committee shall, in any manner adverse to a Participant, affect any Award then outstanding and evidenced by an Award Agreement without the consent in writing of the Participant or a Beneficiary who has become entitled to an Award.
