PROXY STATEMENT FOR THE ANNUAL MEETING OF
STOCKHOLDERS TO BE HELD JUNE 1, 2018

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors ("the Board") of The Buckle, Inc. ("the Company") for use at the Annual Meeting of Stockholders of the Company to be held June 1, 2018, or at any adjournments of said meeting (the "Meeting"). The enclosed form of proxy, if executed, may nevertheless be revoked at any time insofar as it has not been exercised. When such proxy is properly executed and returned, the shares it represents will be voted at the Meeting in accordance with any directions given; or if no direction is indicated, it will be voted in favor of the proposals set forth in the notice attached hereto.

The Company will bear the cost of solicitation of proxies, including the charges and expenses of brokerage firms and others for forwarding solicitation materials to beneficial owners of stock. In addition to the use of mail, proxies may be solicited by personal interview, by internet, or by telephone. Copies of the proxy statement and proxy form will be first provided to stockholders on April 20, 2018.

VOTING INFORMATION

As of March 29, 2018, the Company had outstanding 49,044,895 shares of Common Stock. Each share of Common Stock is entitled to one vote. Only stockholders of record on March 29, 2018 will be entitled to vote at the Meeting. A holder of Common Stock is entitled to cumulate his or her votes in the election of Directors and may give one or more candidates as many votes as the number of Directors to be elected multiplied by the total number of shares owned by such stockholder. Under Nebraska law, there are no conditions precedent to the exercise of cumulative voting rights. On all other matters which may come before the Meeting, each holder of Common Stock will be entitled to one vote for each share owned.

Votes cast by proxy or in person at the Meeting will be tabulated by the election inspector appointed for the Meeting and will determine whether or not a quorum is present. The election inspector will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders for a vote. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

The Board of Directors recommends the election of the eleven nominees listed below. In the absence of instructions to the contrary, shares represented by the proxy will be voted for the election of all such nominees to the Board of Directors. The Board of Directors has no reason to believe that any of these nominees will be unable to serve. However, if any nominee should for any reason be unavailable to serve, the proxies will be voted for the election of such other person to the office of Director as the Board of Directors may recommend in place of such nominee. He later served as a store manager for the Company before returning to the corporate office in 1985 as the Company's sales manager. He was also involved in site selection and the development and education of personnel as store managers and as area and district managers. The Board believes that Mr. Shada's prior experience with the Company as Executive Vice President of Sales allows him to provide special insights on the Company's sales operations.

Directors will be elected under this proposal when they receive a plurality of affirmative votes cast by holders of the outstanding shares of Common Stock voting together as a single class at the Meeting. This means the eleven nominees receiving the highest number of votes at the Meeting, after taking into account any cumulative voting, will be elected. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

CORPORATE GOVERNANCE

The Board has developed corporate governance practices to help it fulfill its responsibility to stockholders to oversee the work of management in the conduct of the Company's business and to seek to serve the long-term interests of stockholders. The Company's corporate governance practices are documented in the Corporate Governance Guidelines and in the charters of the Audit Committee, Compensation Committee, and Corporate Governance and Nominating Committee of the Board. The Company's Corporate Governance Guidelines and committee charters are periodically reviewed and updated as necessary to reflect changes in regulatory requirements and changes in oversight practices.

Chairman and Chief Executive Officer

The Company does not have a formal policy regarding the separation of its Chairman and Chief Executive Officer positions. The role of Chairman and that of Chief Executive Officer currently are held separately. Daniel J. Hirschfeld serves as Chairman of the Board of Directors while Dennis H. Nelson serves as President and Chief Executive Officer. The Board of Directors believes that the Company's current leadership structure is appropriate and achieves important objectives for the Company. Mr. Nelson is positioned to fully focus his energies on implementing the Company's business strategy and administering its day-to-day affairs. Mr. Hirschfeld is positioned to draw on his relationships with existing Board members and his experience as a past President and Chief Executive Officer of the Company to effectively discharge the duties of Chairman, while also serving as a resource to Mr. Nelson. Further, Mr. Hirschfeld remains the Company's largest stockholder and, as Chairman, is in a position to promote the interests of all stockholders.

Risk Oversight

The Company's Board of Directors oversees risk management with a focus on the Company's primary areas of risk: risk related to the Company's business strategy, financial risk, legal/compliance risk, and operational risk. The President and Chief Executive Officer and each of the Company's other executive officers are responsible for managing risk in their respective areas of authority and expertise, identifying key risks to the Board of Directors, and explaining to the Board how those risks are being addressed.

The Board of Directors regularly receives reports from Company executives with respect to their areas of managerial responsibility. These reports include information concerning risks and risk mitigation strategies. For example, the Board of Directors receives quarterly reports from certain members of management regarding areas of operational risk. In addition, the Board evaluates risk related to business strategies and transactions.

The standing committees of the Board also have responsibility for risk oversight. The Audit Committee focuses on financial risk, including fraud risk and risks relating to internal controls over financial reporting. It receives an annual risk assessment report from the Company's internal auditors, as well as financial risk assessment information in connection with particular events or transactions. In addition, the Audit Committee regularly receives reports regarding information reported through the Company's "whistleblower hotline." The Corporate Governance and Nominating Committee assists the Board of Directors in fulfilling its oversight responsibility with respect to regulatory compliance and receives regular reports from the Company's General Counsel. As discussed below, the Compensation Committee addresses risks relating to the Company's executive compensation strategies. The full Board

of Directors receives regular reports from the chairs of the committees and receives reports and other meeting materials provided to each of the committees.

Compensation Risk Assessment

In setting executive compensation, the Compensation Committee considers the risks to the Company's stockholders and to the achievement of Company goals that may be inherent in the compensation program. Although a significant portion of compensation for the Company's executives is performance based and "at-risk," the Compensation Committee believes the Company's executive compensation plans are appropriately structured and do not pose a material risk to the Company. Specifically, performance based compensation for management is tied to Pre-Bonus Net Income as the key performance metric, with higher levels of Pre-Bonus Net Income resulting in higher performance based compensation. Since higher levels of Pre-Bonus Net Income ultimately contribute to higher net income and earnings per share, the Committee believes that the Company's executive compensation plans align management's focus with that of the Company's stockholders without creating incentives that are reasonably likely to have a material adverse effect on the Company. Incentive compensation for non-executive employees, such as store managers, area/district/regional managers, and Directors of Sales, is similarly tied to measures that align the employees' focus with that of the Company's stockholders.

Board Committee Charters

The Board has four standing committees: the Executive Committee, the Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee. Except for the Executive Committee, whose members are all executive officers of the Company, all committee members meet the independence requirements of the United States Securities and Exchange Commission ("SEC") and the New York Stock Exchange ("NYSE"). The charters of the three committees listed in the table herein are available on the Company's website at www.buckle.com and upon written request to: Corporate Secretary, The Buckle, Inc., P.O. The Company intends to satisfy its disclosure obligations under applicable rules of the SEC regarding an amendment to or waiver from a provision of the Company's Code of Ethics that applies to the Company's Chief Executive Officer or its Chief Financial Officer by posting such information on its internet website.

Independence

The Company's Corporate Governance Guidelines require that a majority of the Board consist of Directors who qualify as independent under NYSE Listing Standards. The Board has determined that all non-employee Directors of the Company except for Karen B. Rhoads, currently comprising six of the eleven members of the Board of Directors, are independent under NYSE Standards. In addition, all committee members, other than the Executive Committee members, meet the applicable independence requirements of the NYSE Listing Standards. The names of the independent directors are: Robert E. Campbell, Bill L. Fairfield, Bruce L. Hoberman, Michael E. Huss, John P. Peetz, III, and James E. Shada.

Executive Sessions of Non-Management Directors

The Company's non-employee Directors meet separately in executive session without employee Directors or representatives of management at each regularly scheduled quarterly meeting of the Board. The Chair of these executive sessions is rotated among the non-employee Directors alphabetically.

Stockholder Communication with the Board of Directors

Stockholders or other interested parties may contact an individual Director, the Board as a group, or the non-employee Directors as a group, by writing to: Board of Directors or Directors, c/o Corporate Secretary, The Buckle, Inc., P.O. The Board has instructed the Corporate Secretary to review all communications to the Board and to only distribute if appropriate to the duties and responsibilities of the Board. The Board has instructed the Corporate Secretary to not forward communications that she determines to be primarily commercial in nature, that relate to an improper or irrelevant topic, or that request general information about the Company. Communications regarding accounting, internal accounting controls, or auditing matters may also be reported to the Company's Board of Directors using the above address or through The Buckle Ethics Hotline. Information about how to contact The Buckle Ethics Hotline is available on the Company's website at www.buckle.com and in the Company's Code of Ethics.

Meetings and Committees of the Board

During fiscal 2017, four meetings of the Board of Directors, more than 12 meetings of the Executive Committee, four meetings of the Compensation Committee, four meetings of the Corporate Governance and Nominating Committee, and five meetings of the Audit Committee were held. No Director was absent from more than twenty-five percent of the aggregate of: (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees on which he or she served. The Company has the following standing committees:

Executive Committee. The Executive Committee has the power and authority of the Board of Directors to manage the affairs of the Company between meetings of the Board of Directors. The Executive Committee establishes compensation for all non-officer employees of the Company. The Committee also regularly reviews significant corporate matters and recommends action as appropriate to the Board. Members of the Executive Committee presently are Daniel J. Hirschfeld, Dennis H. Nelson, Thomas B. Heacock, and Kari G. Smith.

Audit Committee. The Audit Committee meets with the Company's Chief Financial Officer, internal auditors, and independent accountants to review the scope of auditing procedures, policies relating to internal controls, and the Company's public financial statements. The Board of Directors has determined that the Company has at least one Audit Committee member that meets the requirements of a financial expert. For fiscal 2017, Michael E. Huss, who served on the Audit Committee and fulfilled the Audit Committee financial expert role, was independent with respect to the Company and its management.

Compensation Committee. The Compensation Committee is responsible for establishing the Company's philosophy, policies, and strategies relating to executive compensation and for evaluating the performance of the Company's Chief Executive Officer. The Compensation Committee also administers the Amended and Restated 2005 Restricted Stock Plan and the Company's incentive plans for management.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for researching and recruiting qualified new members for the Company's Board of Directors. In considering whether to recommend any candidate for inclusion in the slate of recommended Director nominees, the Corporate Governance and Nominating Committee applies the criteria set forth in the Company's Corporate Governance Guidelines. These criteria include the candidate's independence, integrity, experience, sound judgment in areas relevant to the Company's business, and willingness to commit sufficient time to the Board of Directors, all in the context of an assessment of the perceived needs of the Board of Directors at that point in time. The Corporate Governance and Nominating Committee seeks nominees with a broad diversity of experience, professions, skills, and backgrounds. The Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees. The Company believes that the backgrounds and qualifications of the Directors, considered as a group, should provide a significant breadth of experience, knowledge, and abilities that will allow the Board of Directors to fulfill its responsibilities. The Committee is also responsible for reviewing the Company's Corporate Governance Guidelines and recommending to the Board any modifications the Committee deems appropriate. The Committee is charged with overseeing the evaluation and reporting to the Board on the performance and effectiveness of the Board and its committees. The Corporate Governance and Nominating Committee will consider nominees for Directors recommended by stockholders of the Company and will evaluate such nominees using the same criteria used to evaluate Director candidates otherwise identified by the Committee. Stockholders wishing to make such recommendations should write to: Corporate Governance and Nominating Committee, c/o Corporate Secretary, The Buckle, Inc., P. O. Box 1480, Kearney, NE 68848. Persons making submissions should include the full name and address of the recommended nominee, a description of the proposed nominee's qualifications, and other relevant biographical information.

Attendance at Annual Meeting

The Company requires all Directors to use all reasonable efforts to attend the Annual Meeting of Stockholders. The Board of Directors holds one of its regularly scheduled quarterly meetings immediately following adjournment of the Annual Stockholder Meeting. Each Director of the Company attended the Annual Meeting held in May 2017.

Chief Executive Officer Certification

The Listing Standards of the NYSE require that the Company's Chief Executive Officer certify to the NYSE each year that he or she is not aware of any violation by the Company of the NYSE Corporate Governance Listing Standards, qualifying the certification to the extent necessary. The Company's Chief Executive Officer, Dennis H. Nelson, filed such a certification with the NYSE for fiscal 2017.

Director Compensation

For their services as Directors in fiscal 2017, the members of the Board of Directors who are not employees of the Company were paid \$12,000 annually, \$3,000 for each quarterly Board meeting they attended, \$500 for each telephonic meeting less than 30 minutes, and \$1,000 for each telephonic meeting lasting 30 minutes or longer held for the Board or any committee thereof. The Chairman of each committee of the Board received additional cash payment for service as Chairman as follows: the Audit Committee Chairman received \$3,000 per quarter, the Compensation Committee Chairman received \$2,000 per quarter, and the Chairman of the Corporate Governance and Nominating Committee received \$1,000 per quarter.

Directors also receive grants of Non-Vested Stock. Under the 2008 Director Restricted Stock Plan, 2,250 shares of Non-Vested Stock are granted annually to each non-employee Director (a Director of the Company who is not an officer or employee of the Company) on the first day of each fiscal year. The Plan also provides that each non-employee Director be granted 750 shares of Non-Vested Stock on the date such Director is first elected to the

Board of Directors of the Company. The shares granted are vested 25% immediately, with an additional 25% vesting on each of the first three successive anniversaries of the date of the issuance.

There are no family relationships among any of the Directors or Officers of the Company, except that Thomas B. Heacock, who currently serves as Senior Vice President of Finance, Treasurer, Chief Financial Officer, and a Director of the Company, is the son-in-law of Dennis H. Nelson, President, Chief Executive Officer, and Director. Additionally, Diane L. Applegate, appointed Vice President of Supply Chain and Merchandising Operations on December 8, 2014, is the sister of Karen B. Rhoads, Director.

The following table summarizes the compensation paid to the Company's non-employee Directors for the fiscal year ended February 3, 2018:

Name	Fees Earned or Paid in Cash (\$)(1)	Stock Awards (\$)(2)	Option Awards (\$)	Non-Equity Incentive Plan Compensation (\$)	Change in Pension Value and NQDC Earnings (\$)	All Other Compensation (\$)	Total (\$)

Reflects the aggregate grant date fair value of awards computed in accordance with FASB ASC 718, (2) Compensation-Stock Compensation. The aggregate grant date fair value of non-vested shares granted to non-employee directors in fiscal 2017 was \$277,425. As of February 3, 2018, none of the Company's directors had any stock options outstanding.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires the Company's officers, Directors, and greater than 10% stockholders ("Reporting Persons") to file certain reports ("Section 16 Reports") with respect to beneficial ownership of the Company's equity securities. Based solely on its review of the Section 16 Reports furnished to the Company by its Reporting Persons and, where applicable, any written representations by any of them that no Form 5 was required, all Section 16(a) filing requirements applicable to the Company's Reporting Persons during and with respect to fiscal 2017 have been complied with on a timely basis.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

The Company is engaged in a highly competitive industry, with fashion, selection, quality, price, location, store environment, and service being the principal competitive factors. In order to compete and succeed, the Company believes that it must be able to attract, motivate, and retain highly qualified executives. The Company emphasizes the promotion of store managers and other management personnel from within. The Company's compensation philosophy is that each member in a position to make the Company succeed should be rewarded accordingly for success and, as such, the compensation plan is intended to provide a relationship between the compensation earned by executive officers and the creation of value for stockholders. The Company has a team philosophy, reflected by the facts that: (i) employees have always been referred to as "teammates" and (ii) performance objectives upon which performance bonuses for executive officers are based are strategic objectives for Company performance, not individual goals.

Elements of Executive Compensation

For fiscal 2017, the compensation program for all executive officers, including the Company's Chief Executive Officer and Chief Financial Officer, consisted of:

- competitive base salary;
- incentive cash bonus, based upon the actual performance of the Company;
- benefits including a health and welfare plan, 401(k) plan, and supplemental non-qualified deferred compensation plan (to provide officers with a benefit comparable to that being currently provided to other employees under the 401(k) plan); and
- shares of Restricted Stock (hereafter referred to as "Non-Vested Stock" in accordance with terminology used in Generally Accepted Accounting Principles ("GAAP")).

The first three elements listed above are short-term in nature and designed to attract, motivate, and retain a talented executive team. Non-Vested Stock provides a long-term incentive designed to reward executives for the achievement of sustainable growth in stockholder value. Non-Vested Stock was granted pursuant to the Amended and Restated 2005 Restricted Stock Plan, which was previously approved by stockholders.

Salary

Fiscal 2017 salaries for executive officers were set in January 2017 and were increased over salaries paid for fiscal 2016. The salary amounts are reported in the Summary Compensation Table included herein. When establishing base salaries, the Compensation Committee considered factors such as the seniority of the individual, the functional role of the position, the level of the individual's responsibility, the ability to replace the individual, the base salary of the individual in prior years with the Company, and the number and availability of well qualified candidates to assume the individual's role. Base salary ranges are reviewed and re-established by the Compensation Committee annually.

Incentive Cash Bonus

The 2017 Management Incentive Plan, which was approved by stockholders at the Annual Meeting in 2017, included the creation of a Bonus Pool as a cash incentive for executives. This Bonus Pool was calculated utilizing Pre-Bonus Net Income as the key performance metric. Dollars were added to the Bonus Pool in two methods: (i) 1.2% of fiscal 2017's Pre-Bonus Net Income ("Applicable Percentage Amount") was included as a Base Amount; and (ii) if fiscal 2017's Pre-Bonus Net Income exceeded the Company's Target Pre-Bonus Net Income Amount, then a percentage of the amount above the Target would be added to the Base Amount in calculating total Bonus Pool. Bonus Pool Awards pursuant to the 2017 Management Incentive Plan were in addition to base salaries. The Bonus Pool, computed in accordance with the 2017 Management Incentive Plan, resulted in a bonus pool of \$1,873,618, which was allocated among the executive officers as disclosed in the Summary Compensation Table.

Management of the Company has identified Pre-Bonus Net Income as a key indicator of Company performance, and the Compensation Committee has determined that growth in this metric would likely translate to an increase in the share price of the Company's stock, thereby aligning management's focus with that of the Company's stockholders.

Non-Vested Stock

Non-Vested Stock is currently the only long-term component of the Company's executive compensation program. Beginning in 2005, for a variety of market and competitive reasons, the Compensation Committee started limiting the use of stock options as long-term incentive compensation and instead began making grants of Non-Vested Stock. The Compensation Committee believes that the use of Non-Vested Stock brings a greater degree of predictability and

stability to the long-term incentive component of the management compensation program and more closely aligns the interests of management with those of stockholders.

The Compensation Committee determines the number of shares of Non-Vested Stock to be granted to the President and Chief Executive Officer. The Compensation Committee also determines the number of shares of Non-Vested Stock to be granted to the other executive officers after consultation with the President and Chief Executive Officer. The objective is to align compensation with long-term stockholder return and create a compensation program that motivates management to focus both on immediate results and on creating sustainable, long-term value for the Company's stockholders.

For fiscal 2017, the Company granted both performance based and non-performance based shares of Non-Vested Stock. Shares of Non-Vested Stock were granted pursuant to the Amended and Restated 2005 Restricted Stock Plan as of January 31, 2017. The grants of performance based Non-Vested Stock (which constituted the majority of the shares granted) vest only upon achievement of performance objectives and then in increments over a four-year period, commencing on the date the Compensation Committee certifies that the performance objectives were achieved. The grants of non-performance based Non-Vested Stock also vest in increments over four years, with vesting occurring on the last day of each fiscal year. The Compensation Committee believes that a four-year vesting period motivates management to adopt a longer term perspective on Company performance while simultaneously developing a strong retention incentive for executive officers.

The Compensation Committee believes the performance objectives further align management's compensation with long-term stockholder interests. The Company intended that performance based Non-Vested Stock grants for executive officers comply with the requirements for qualifying performance based compensation under Section 162(m) of the Internal Revenue Code, as in effect for fiscal 2017.

Performance based shares awarded under the Amended and Restated 2005 Restricted Stock Plan include a performance feature whereby 50% of the shares granted will vest over four years if the Company achieves the Target (as established by the Compensation Committee) for fiscal 2017 Pre-Bonus Net Income, the next 25% of the shares granted will vest over four years if the Company's fiscal 2017 Pre-Bonus Net Income increases at least 2.5% over the Target, and the final 25% of the shares granted will vest over four years if the Company's fiscal 2017 Pre-Bonus Net Income increases at least 5.0% over the Target. If the Company does not achieve a 2.5% increase over the Target for Pre-Bonus Net Income, 25% of the shares granted will vest if the Company's Net Income from Operations (adjusted to exclude expenses recorded for equity compensation) exceeds 12.0% of Net Sales for the fiscal year, an additional 25% of the shares granted will vest if the Company's Net Income from Operations (adjusted to exclude expenses recorded for equity compensation) exceeds 14.0% of Net Sales for the fiscal year, and another 25% of the shares granted will vest if the Company's Net Income from Operations (adjusted to exclude expenses recorded for equity compensation) exceeds 16.0% of Net Sales for the fiscal year. The remaining 25% of the shares granted will be forfeited if the Company does not achieve a 2.5% increase over the Target for Pre-Bonus Net Income for the fiscal year. The Company achieved two of the three secondary performance objectives set for fiscal 2017 (based on Net Income from Operations, as a percentage of Net Sales), thus 50% of the shares granted to executive officers and others on January 31, 2017 are eligible for vesting and the remaining 50% of the shares granted were forfeited as of March 26, 2018.

Non-performance based shares awarded under the Amended and Restated 2005 Restricted Stock are not subject to performance objectives and vest over a period of four years as follows: 20% on February 3, 2018, 20% on February 2, 2019, 30% on February 1, 2020, and 30% on January 30, 2021.

Shares granted, net of forfeitures, for fiscal 2017 are disclosed in the Grants of Plan-Based Awards table included herein.

The Compensation Committee has considered the application of the Internal Revenue Code, which disallows a public company's deduction for top executive's compensation in excess of \$1,000,000. Although the grants of non-performance based Non-Vested Stock may not be deducted to the extent an executive's compensation exceeds \$1,000,000, the Committee still intends that compensation payable to its executive officers be deductible for income tax purposes to the maximum extent possible, while still allowing the Company to achieve its overall compensation and retention goals.

Stock Options

There were no stock options granted in fiscal 2017 to any executive officer, employee, or director.

Employment Agreements

The Company has no employment agreements under which any employee, including the executive officers, is entitled to employment for any specific period of time. Each executive officer listed in the Summary Compensation Table receives a salary plus a cash incentive, based on achievements in key performance categories, and Non-Vested Stock. In addition, the Compensation Committee retains the authority to award discretionary bonuses to executive officers. For fiscal 2017, the base salary for each executive officer was as follows: Dennis H. Nelson - \$999,996, Thomas B. Heacock - \$335,000, Karen B. Rhoads - \$412,000, Kari G. Smith - \$451,000, Brett P. Milkie - \$432,000, and Robert M. Carlberg - \$428,000. Incentive cash bonuses are paid annually in accordance with established management incentive plans, which are approved by stockholders for each respective fiscal year. (See “Report of the Compensation Committee”)

Bonuses are payable before April 15 of the year following the year to which they relate and are contingent upon the employee being employed by the Company on the last day of the fiscal year for which the bonus was earned. For purposes of computing incentive cash bonuses for all executive officers identified in the Summary Compensation Table, "Profits" mean Pre-Bonus, Pre-Tax Net Income, which is defined as net income from operations, excluding administrative and store manager percentage bonuses.

Related Party Transactions

The total amount owed to the Company by the Hirschfeld Family Trust is \$1,275,000 (\$600,000 principal plus \$675,000 of accrued interest). The loans are repayable with interest at the rate of 5% per annum and are represented by promissory notes dated July 27, 1994, July 14, 1995, and July 16, 1996, and are secured pursuant to, and in accordance with, the terms of a collateral assignment dated July 27, 1994, pursuant to which Jeffrey L. Orr, as Trustee, has assigned and conveyed to the Company, as security for the loan, all of the Trust's right, title, and interest in a certain life insurance policy owned by the Trust and insuring the life of Daniel J. Hirschfeld. The 1996 loan completed the planned periodic premium payments due on the insurance policy, requiring no additional loans.

Dennis H. Nelson, President, Chief Executive Officer, and Director, is related to the following employees of the Company: son-in-law, Thomas B. Heacock, Senior Vice President of Finance, Treasurer, Chief Financial Officer, and Director and daughter, Carissa N. Crocker, Divisional Merchandise Manager of Men's Denim and Casual Bottoms. Karen B. Rhoads, Director, is related to the following employee of the Company: sister, Diane L. Applegate, Vice President of Supply Chain and Merchandising Operations. For fiscal 2017, these three individuals received aggregate cash compensation from the Company in the amount of \$996,328.

Other Compensation

The Compensation Committee does not believe that perquisites and other compensation and benefits should play a major role in the overall executive compensation program. The Company's executive officers are offered the opportunity to defer a portion of their annual base salary and annual bonus through a 401(k) plan that is generally available Company-wide and through a more restricted (i.e. participation is limited to the Company's President and Chief Executive Officer and other executive officers) non-qualified deferred compensation plan, both of which include Company matching contributions. The Compensation Committee views these deferral plans more as an individual retirement planning option for the employees and not as a long-term compensation program. The amount of Company matching contributions for each named executive officer is reported in a footnote to the Summary Compensation Table.

The Company provided limited personal use of the Company's airplane to the President and Chief Executive Officer. The amount of this benefit is reported as a footnote to the Summary Compensation Table.

Potential Payments Upon Change in Control

The "Restricted Stock Agreement" pursuant to which Non-Vested Stock is granted under the Company's Amended and Restated 2005 Restricted Stock Plan contains provisions providing for the immediate vesting of all non-vested shares, for which performance objectives, if applicable, have been achieved and certified, upon the occurrence of a Change in Control or in the event employment with the Company is terminated by the Company for other than Good Cause or if the employee terminates his or her employment for Good Reason.

Generally a Change in Control is deemed to occur upon:

-

Any acquisition (other than by an employee benefit plan sponsored or maintained by the Company, or by Daniel J. Hirschfeld, or any member of his family) of 25% or more of the then outstanding voting securities of the Company, or 25% or more of the total value of all equity securities, if, at the time of such acquisition, Daniel J. Hirschfeld, members of his family, and his affiliates own less than 50% of the outstanding voting securities of the Company or less than 50% of the total value of all equity securities of the Company;

If individuals who, as of the effective date of each plan, constitute the Board of Directors of the Company, and subsequently elected members of the Board whose election is approved or recommended by at least a majority of the current members or their successors, cease for any reason to constitute at least a majority of the Board of Directors; or

Approval by the stockholders of the Company of a merger, reorganization, or consolidation with respect to which the individuals and entities who were the respective beneficial owners of the Common Stock of the Company immediately before the merger, reorganization, or consolidation, do not, after such merger, reorganization, or consolidation, beneficially own, directly or indirectly, more than 60% of respectively, the then outstanding Common Shares and the combined voting power other than outstanding voting securities entitled to vote generally in the election of directors of the Corporation resulting from such merger, reorganization, or consolidation, or approval by the stockholders of a liquidation or dissolution of the Company, or the sale or other disposition of all or substantially all of the assets of the Company.

Generally, pursuant to the Restricted Stock Agreement, “Good Cause” includes:

- dishonesty, intentional breach of fiduciary obligation, or intentional wrongdoing or malfeasance;
- conviction of a criminal violation involving fraud or dishonesty; or
- material breach of the terms of any agreement between the employee and the Company.

Generally, pursuant to the Restricted Stock Agreement, “Good Reason” is deemed to exist when there is a:

- significant reduction in the scope of the employee’s authority;
- reduction in the employee's rate of base pay;
- the Company changes the principal location in which employee is required to perform services; or
- the Company terminates or amends any incentive plan or retirement plan that, when considered in the aggregate with any substitute plan or plans, the incentive plans and retirement plans fail to provide the employee with the level of benefits equivalent to at least 90% of the value of the level of benefits provided in the aggregate by the plans existing at the date of the Change in Control.

If a Change in Control were to take place as of February 3, 2018, or if the executives were to be terminated without Good Cause or resigned for Good Reason at such date, the estimated benefits that would be provided are as follows:

Name	Maximum Value of Accelerated Vesting of Stock Options (\$)	Maximum Value of Accelerated Vesting of Non-Vested Shares (\$)	Total (\$)
Dennis H. Nelson	—	2,134,440	2,134,440
Thomas B. Heacock	—	251,860	251,860
Karen B. Rhoads (1)	—	—	—
Kari G. Smith	—	374,752	374,752
Brett P. Milkie	—	345,156	345,156
Robert M. Carlberg	—	345,156	345,156

(1) Karen B. Rhoads retired from the Company effective February 3, 2018, resulting in the forfeiture of all unvested shares as of that date.

Incentive Cash Bonuses under the 2018 Management Incentive Plan

Incentive cash bonuses are proposed to be paid in accordance with the 2018 Management Incentive Plan, which Plan is subject to the approving vote of the stockholders at the Annual Meeting. Reference is made to Proposal 3 and Exhibit A for a full description of the 2018 Management Incentive Plan.

Non-Vested Stock

Non-Vested Stock was granted by the Compensation Committee in accordance with the Amended and Restated 2005 Restricted Stock Plan. This Plan was last approved by stockholders at the Annual Meeting of Stockholders of the Company held on May 31, 2013 and certain amendments to the Plan are included for stockholder approval as Proposal 4. The Amended and Restated 2005 Restricted Stock Plan permits the Company, acting by the Compensation Committee, to grant awards of Non-Vested Stock, including performance awards. The Amended and Restated 2005 Restricted Stock Plan grants the Compensation Committee the authority to determine and select the Performance Criteria and the applicable Performance Period, and to establish Performance Goals, without further stockholder approval, so long as the Performance Criteria, Performance Period, and Performance Goals are consistent with the Amended and Restated 2005 Restricted Stock Plan as approved by the stockholders.

As of February 4, 2018, the Compensation Committee granted shares of Non-Vested Stock pursuant to the Amended and Restated 2005 Restricted Stock Plan to the executive officers as follows:

Name	Performance	Non-Performance	Total
	Based Shares (#)	Based Shares (#)	Number of Non-Vested Shares

Edgar Filing: BUCKLE INC - Form DEF 14A

(#)

Dennis H. Nelson	110,000	10,000	120,000
Thomas B. Heacock	15,000	2,400	17,400

Brett P. Milkie	15,000	2,400	17,400
Robert M. Carlberg	15,000	2,400	17,400

For fiscal 2018, as shown in the above table, the Company awarded both performance based and non-performance based shares. Performance based shares awarded under the Amended and Restated 2005 Restricted Stock Plan will vest according to performance objectives whereby 50% of the shares granted will vest over four years if the Company achieves the Target (as established by the Compensation Committee) for fiscal 2018 Pre-Bonus Net Income, the next 25% of the shares granted will vest over four years if the Company's fiscal 2018 Pre-Bonus Net Income increases at least 2.5% over the Target, and the final 25% of the shares granted will vest over four years if the Company's fiscal 2018 Pre-Bonus Net Income increases at least 5.0% over the Target. If the Company does not achieve a 2.5% increase over the Target for Pre-Bonus Net Income, 25% of the shares granted will vest if the Company's Net Income from Operations (adjusted to exclude expenses recorded for equity compensation) exceeds 12.0% of Net Sales for the fiscal year, an additional 25% of the shares granted will vest if the Company's Net Income from Operations (adjusted to exclude expenses recorded for equity compensation) exceeds 14.0% of Net Sales for the fiscal year, and another 25% of the shares granted will vest if the Company's Net Income from Operations (adjusted to exclude expenses recorded for equity compensation) exceeds 16.0% of Net Sales for the fiscal year. The remaining 25% of the shares granted will be forfeited if the Company does not achieve a 2.5% increase over the Target for Pre-Bonus Net Income for the fiscal year. Upon the Compensation Committee's certification of the achievement of the performance results, 20% of the Non-Vested Stock Shares would vest immediately, with 20% vesting on February 1, 2020, 30% on January 30, 2021, and 30% on January 29, 2022. Non-performance based shares awarded under the Amended and Restated 2005 Restricted Stock Plan are not subject to performance objectives and will vest over a period of four years as follows: 20% on February 2, 2019, 20% on February 1, 2020, 30% on January 30, 2021, and 30% on January 29, 2022. The participant must remain in the employ of the Company on the vesting date in order to become vested in both the performance based and the non-performance based shares.

For fiscal 2017, the Company achieved two of the three secondary performance goals, resulting in the eligibility for vesting for 50% of the shares of the performance based Non-Vested Stock granted for fiscal 2017 and the forfeiture of the remaining 50% of the fiscal 2017 grants of performance based shares, according to the terms of the Plan. All grants of non-performance based Non-Vested Stock are eligible for vesting, according to the terms of the Plan. Karen B. Rhoads retired from the Company effective February 3, 2018, resulting in the forfeiture of all unvested shares as of that date.

CEO PAY RATIO

Beginning with fiscal 2017, the Company is required to include in its proxy statement disclosure of the ratio of the total annual compensation of the Company's President and Chief Executive Officer to the total annual compensation of the Company's "median employee." The Company identified its "median employee" using 2017 W-2 earnings for all teammates, excluding the President and Chief Executive Officer, who were employed by the Company as of December 31, 2017. After identifying the "median employee" based on 2017 W-2 earnings, the Company calculated the total annual compensation for that "median employee" using the same methodology that was applied for the Company's named executive officers, as set forth in the Summary Compensation Table above. The Company's total number of teammates varies seasonally, with the majority being part-time teammates and more than 85% working in the Company's retail stores. The Company's "median employee" works for the Company in a retail store on a part-time basis.

The total annual compensation for fiscal 2017 for the President and Chief Executive Officer was \$3,028,705, and for the Company's "median employee" was \$5,890. The resulting ratio of the Company's President and Chief Executive Officer's pay to the pay of the Company's "median employee" for fiscal 2017 is 514.2 to 1.0.

COMPENSATION COMMITTEE REPORT

The Compensation Committee has reviewed and discussed with management of the Company the Compensation Discussion and Analysis which appears in this proxy statement under the captions "Compensation Discussion and Analysis" and "Executive Compensation and Other Information" and is required by Item 402(b) of SEC Regulation S-K.

Based upon such review and discussions, we recommended to the Board that such Compensation Discussion and Analysis be included in this proxy statement.

Approval of this proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the Meeting. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 2, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Proposal 3

PROPOSAL TO APPROVE THE COMPANY'S 2018 MANAGEMENT INCENTIVE PLAN

The Board of Directors believes that the continued success of the Company depends on its ability to attract, retain, and motivate key employees. Accordingly, the Compensation Committee of the Board of Directors has reviewed the Company's executive incentive compensation program and recommends that the Company's stockholders approve the 2018 Management Incentive Plan (the "2018 Incentive Plan"), which is set forth in Exhibit "A" to this proxy statement.

The following discussion is qualified in its entirety by reference to the text of the 2018 Incentive Plan.

Background

The 2018 Incentive Plan is modeled after the 2017 Management Incentive Plan approved by the stockholders of the Company at the Annual Meeting held in 2017 (the "2017 Incentive Plan"). The 2018 Incentive Plan is a one-year plan designed to motivate the Company's key employees to improve stockholder value by linking a portion of their compensation to the Company's financial performance. The 2017 Incentive Plan was also a one-year plan designed to motivate the Company's key employees to improve stockholder value by linking a portion of their compensation to the Company's financial performance.

The goals of the Compensation Committee with regard to cash compensation are:

- establish base salaries at a competitive level; and
- establish a cash bonus program that rewards performance.

Description of the Incentive Plan

The 2018 Incentive Plan is administered by the Compensation Committee of the Board of Directors. In administering the 2017 Incentive Plan, all decisions and determinations must be made solely by the members of the Compensation Committee who are "Outside Directors."

The Committee's powers include authority, within the limitations set forth in the 2018 Incentive Plan, to:

- select the persons to be granted Cash Awards;
- determine the time when Cash Awards will be granted;
- determine whether objectives and conditions for earning Cash Awards have been met; and
- determine whether payment of Cash Awards will be made at the end of an award period or deferred.

Any employee of the Company whose performance the Compensation Committee determines can have a significant effect on the success of the Company - designated a Key Employee by the Plan - will be granted an annual incentive Cash Award under the 2018 Incentive Plan. Because the number of Key Employees may change over time and because the selection of participants is discretionary, it is impossible to determine the number of persons who will be eligible for awards under the 2018 Incentive Plan during its term. However, it is anticipated that ten persons will receive Cash Awards for fiscal 2018 under the 2018 Incentive Plan.

The 2018 Incentive Plan includes the creation of a Bonus Pool as a cash incentive for executives. This Bonus Pool will be calculated utilizing Pre-Bonus Net Income as the key performance metric. Dollars will be added to the Bonus Pool in two methods: (i) 1.2% of fiscal 2018's Pre-Bonus Net Income ("Applicable Percentage Amount") will be included as a Base Amount; and (ii) if fiscal 2018's Pre-Bonus Net Income exceeds the Company's Target Pre-Bonus

Net Income Amount, then a percentage of the amount above the Target will be added to the Base Amount in calculating total Bonus Pool, as outlined in Exhibit A. Bonus Pool Awards pursuant to the 2018 Incentive Plan will be in addition to base salaries.

Cash Awards

Each participant in the 2018 Incentive Plan shall receive a Cash Award equal to 100% of the participant's share of the Bonus Pool. The President and Chief Executive Officer's share of the Bonus Pool is 37 points (approximately 37% of the allocated points) and the share of each other participant in the Bonus Pool shall be determined by the President and Chief Executive Officer prior to the first day of each plan year (or immediately upon adoption of the Plan).

No Cash Award payment for the year may be made to an executive until the Company's Pre-Bonus Net Income for the year is certified by the Compensation Committee. A Participant shall not be entitled to receive payment of an Award unless such participant is still in the employ of the Company on the last day of the fiscal year for which the Cash Award is earned.

Amendments

The Committee may amend the 2018 Incentive Plan from time to time, provided that no amendment to the 2018 Incentive Plan shall be effective unless approved by the Company's stockholders.

New Plan Benefits

No Cash Awards have been granted under the 2018 Incentive Plan, and it is not determinable what Cash Awards will be received by any employee under the 2018 Incentive Plan. However, the following table provides information concerning the Cash Award that would have been received by each of the following persons and groups for the last completed fiscal year had the 2018 Incentive Plan been in effect:

Name	Cash Award (\$)
Dennis H. Nelson	693,239
Thomas B. Heacock	155,510
Kari G. Smith	169,562
Brett P. Milkie	155,510
Robert M. Carlberg	155,510
All Executive Officers (10 persons)	1,873,618
Non-Executive Officer Directors (0 persons)	—

Approval of this proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the Meeting. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 3, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR APPROVAL OF THE COMPANY'S 2018 MANAGEMENT INCENTIVE PLAN.

Proposal 4

PROPOSAL TO APPROVE AMENDMENTS TO THE COMPANY'S AMENDED AND RESTATED 2005 RESTRICTED STOCK PLAN

The Board of Directors of the Company has adopted, subject to stockholder approval, the following amendments to the 2005 Restricted Stock Plan (the "Restricted Stock Plan"):

An increase in the number of shares of Common Stock that may be issued under the Restricted Stock Plan of 1,600,000 shares, for a total number of shares of Common Stock reserved for issuance under the Restricted Stock Plan of an aggregate of 3,600,000 shares; and

2. An increase in the limit on awards from 125,000 shares per person, per year to 150,000 shares per person, per year.

Description of the Restricted Stock Plan

The Restricted Stock Plan is administered by the Compensation Committee of the Board of Directors, which committee is composed of Directors who are not eligible to participate in the Restricted Stock Plan and who qualify as "non-employee Directors" as contemplated by Rule 16(b)(3) adopted by the Securities and Exchange Commission. The Compensation Committee has authority under the Restricted Stock Plan to grant awards of Non-Vested Stock. Non-employee Directors are not eligible to receive awards under the Restricted Stock Plan. A total of 3,000,000 shares of Common Stock are presently reserved for issuance under the Restricted Stock Plan, and that amount would be increased to 3,600,000 shares under the proposed amendments. There presently is a per-person limit of 125,000 shares of Non-Vested Stock that may be issued to any participant in any one year, and that amount would be increased to 150,000 shares under the proposed amendments. Shares subject to the Restricted Stock Plan are authorized but unissued shares. Shares re-acquired by the Company are returned to the status of authorized but unissued shares pursuant to the Model Business Corporation Act of Nebraska. The provisions governing the disposition of specific awards granted under the Restricted Stock Plan in the event of the retirement, disability, death, or other termination of employment of the Participant, as well as the restrictions and vesting requirements with respect to shares will be determined by the Compensation Committee at the time such awards are granted. The Restricted Stock Plan provides that the Compensation Committee can take certain actions to protect Participants' rights in the event of a change in control of the Company. Non-Vested Stock shares are not transferable other than by will or by the laws of descent and distribution or pursuant to a qualified domestic relations order as defined in the Internal Revenue Code. In making grants of Non-Vested Stock, the Compensation Committee is granted the authority under the Restricted Stock Plan to determine and select the Performance Criteria and the applicable Performance Period and to establish Performance Goals, without stockholder approval of the Performance Goals. The Restricted Stock Plan provides that Performance Criteria that will be used to establish Performance Goals are limited to the following: net earnings (either before or after any of the following: interest, taxes, depreciation and amortization, and certain other expenses), net losses, sales or revenue, operating earnings, operating cash flow, return on net assets, return on stockholders' equity, return on assets, return on capital, stockholder returns, gross or net profit margin, earnings per share, price per share of stock, and market share, any of which may be measured either in absolute terms or as compared to any incremental increase or as compared to results of a peer group. Performance Periods may be one or more periods of time, which may be of varying and overlapping durations, as the Committee may select, over which the attainment of one or more Performance Goals will be measured for the purpose of determining a Participant's right to, and payment of, a Performance Based Award.

The Compensation Committee may amend or terminate the Restricted Stock Plan. However, no such amendment or termination may impair any shares previously awarded under the Restricted Stock Plan. Stockholder approval is required for any amendment which must be approved by stockholders under applicable law or the rules of any stock

exchange on which shares of the Common Stock are traded.

Stock awarded pursuant to the Restricted Stock Plan will be taxed at the earlier of vesting or removal of restriction of sale or transfer. Generally, no income will be realized by the employee at the time the shares are granted, except by individual voluntary election filed with the Internal Revenue Service. When the shares vest, ordinary income in an amount equal to the fair market value of the shares will be realized. The holding period to determine whether at disposition any appreciation (or depreciation) is treated as short-term or long-term capital gain or loss will begin on the date of vesting. The Company generally will be entitled to a deduction equal to the amount that is taxable as ordinary income to the employee in the year that such income becomes taxable.

Reasons for Amendments

As discussed above in “Compensation Discussion and Analysis,” the Compensation Committee and the Board of Directors believe the use of Non-Vested Stock helps in aligning the interests of management with those of stockholders. As modified by the proposed amendments, the Restricted Stock Plan will enable the Company to continue its practice of making annual grants of Non-Vested Stock for a period of three years without seeking additional approval from the Company’s stockholders.

At the Annual Meeting of Stockholders held on May 31, 2013, stockholders approved the Amended and Restated 2005 Restricted Stock Plan, which increased the available shares to 3,000,000. The total number of nonvested shares issued under the plan through February 3, 2018 was 2,398,208, net of forfeitures, leaving 601,792 shares available for grant in 2018 and future years. In order to fulfill grants for future fiscal years, it will be necessary to increase the number of shares available for issuance. The Board of Directors recommends that an additional 600,000 shares of Common Stock be added to the Restricted Stock Plan, which the Board of Directors believes will provide sufficient shares to allow grants for three years, covering fiscal years 2018 through 2020. The Board of Directors also recommends that the limit on awards to an individual Participant be increased from 125,000 shares per person, per year to 150,000 shares per person, per year, in order to facilitate awards in future years.

New Plan Benefits

No determination has been made with respect to the future recipients of awards of Non-Vested Stock under the Restricted Stock Plan, and it is not possible to specify the names or positions of persons to whom awards will be granted, or the number of shares to be covered by such awards, within the limitations of the Restricted Stock Plan. However, as required by SEC rules, the table that follows shows the number and dollar value benefit of all awards granted under the existing Restricted Stock Plan as of February 4, 2018 to (i) each of our named executive officers, (ii) all current executive officers as a group, (iii) all non-employee directors as a group, and (iv) all employees who are not executive officers as a group.

All Executive Officers (10 persons)	4,911,760	250,600

All Non-Executive Officer Employees	2,110,920	107,700

(1) Reflects the aggregate grant date fair value of awards computed in accordance with FASB ASC 718, Compensation-Stock Compensation.

Stockholder Action

The Board of Directors believes that the proposed amendments to the Restricted Stock Plan are appropriate and consistent with the Company’s objectives of attracting and retaining executives of outstanding competence and aligning their interests with those of the stockholders of the Company. Accordingly, the Board believes that approval

of the amendments is in the best interest of the Company and its stockholders.

Approval of this proposal requires a favorable vote of the holders of a majority of the votes cast by all holders of the outstanding shares of Common Stock voting together as a single class at the Meeting. Therefore, an abstention will not have the effect of a vote for or against the proposal and will not be counted in determining the number of votes required for approval, but will be counted in determining the presence of a quorum.

WITH RESPECT TO PROPOSAL 4, THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR APPROVAL OF THE AMENDMENTS TO THE AMENDED AND RESTATED 2005 RESTRICTED STOCK PLAN.
