comply with the requirements set forth in the Company's Bylaws. Among other things, to bring business before an annual meeting, a shareholder must give written notice thereof, complying with the Bylaws, to the Secretary of the Company not more than 90 days prior to the date of such annual meeting and not less than the close of business on the later of (i) the 60th day prior to such annual meeting and (ii) the 10th day following the day on which public announcement of the date of such meeting is first made.
