(e) On January 13, 2009, the Compensation Committee (the "Committee") of the Board of Directors of Whiting Petroleum Corporation (the "Company") approved the allocation to the Company's executive officers under the Company's Production Participation Plan (the "Plan") of

interests in income from oil and natural gas wells acquired or developed during 2008. The aggregate allocation of such interests to all employees of the Company for the 2008 plan year was set at 2.5%. Of this aggregate amount, the Committee awarded 7.321% to James J. Volker and 3.1905% to each of James T. Brown, Michael J. Stevens, J. Douglas Lang and Mark R. Williams. Once allocated, such interests (not legally conveyed) are fixed and all cash payments are pursuant to the terms of the Plan. The cash payments for 2008 for these interests will be \$390,357 for Mr. Volker and \$170,118 for each of Messrs. Brown, Stevens, Lang and Williams. The cash payments to such executive officers for future years as a result of such allocations are not determinable as the annual cash distributions for such interests may increase or decrease depending upon prices realized and direct costs incurred by the Company related to oil and natural gas produced by the Company.

On January 13, 2009, the Committee also approved a form of Executive Excise Tax Gross-Up Agreement (the "Gross-Up Agreement") to be entered into between the Company and each of its executive officers. The Gross-Up Agreement provides that if a change in control of the Company (as defined in the Gross-Up Agreement) occurs and any payments to the executive under any agreement with, or plan of, the Company are "excess parachute payments" for purposes of the Internal Revenue Code (the "Code"), then the Company will pay the executive the amount necessary to offset the 20% excise tax imposed by the Code and any additional taxes on this payment. However, the Gross-Up Agreement provides that if the executive would not be subject to such excise tax if the total payments to the executive were reduced by an amount that is not in excess of \$50,000, then the amounts payable to the executive under the Company's Production Participation Plan shall be reduced so that the total payments do not exceed the maximum amount that could be paid to the executive without giving rise to such excise tax. The form of Gross-Up Agreement is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference herein.
