PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS
JUNE 15, 2004

GENERAL

This Proxy Statement is furnished in connection with the solicitation of the enclosed proxy by the Board of Directors of Orphan Medical, Inc. (the "Company") for use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at 3:30 p.m. (Central Standard Time) on Tuesday, June 15, 2004 at the Radisson Plaza Hotel, 35 South 7th Street, Minneapolis, Minnesota 55402, and at any adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders. The cost of soliciting proxies, including the cost of preparing and mailing the Notice of Annual Meeting of Stockholders and this Proxy Statement, is being paid by the Company. In addition, we will, upon the request of brokers, dealers, banks, voting trustees and their nominees who are holders of record of shares of our common stock on the record date specified below, bear their reasonable expenses for mailing copies of this material to the beneficial owners of these shares.

We have retained Wells Fargo Shareowner Services to provide consultation and administrative assistance in connection with the solicitation of proxies for a fee estimated to be \$7,000 in prior year plus out-of-pocket

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

expenses. In addition, officers and other regular employees of the Company may solicit proxies in person, by telephone or by facsimile, but will receive no extra compensation for these services. This Proxy Statement and the form of proxy enclosed are being mailed to stockholders with the Company's Annual Report to Stockholders commencing on or about May 3, 2004.

The only matters the Board of Directors knows will be presented are those stated in Proposals 1, 2 and 3 of this Proxy Statement. THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF PROPOSALS 1, 2 AND 3. Should any other matter properly come before the meeting, it is intended that the persons named in the enclosed proxy will have authority to vote such proxy in accordance with their judgment on such matter.

VOTING RIGHTS AND PROCEDURES

Common Stock and Senior Convertible Preferred Stock stockholders (collectively, the "stockholders") of record at the close of business on April 23, 2004 will be entitled to vote at the Annual Meeting or any adjournments thereof. As of that date, a total of 10,811,596 shares of such Common Stock and 8,706 shares of Senior Convertible Preferred Stock were outstanding (collectively, the "Voting Stock"), each share of Common Stock being entitled to one vote and each share of Senior Convertible Preferred Stock being entitled to voted on an "as converted" basis. On April 23, 2004, the Company's Senior Convertible Preferred Stock was convertible into an aggregate of 1,069,533 shares of Common Stock, which approximates 122.850 shares of Common Stock for each share of Senior Convertible Preferred Stock. There is no cumulative voting. If a stockholder returns a proxy withholding authority to vote the proxy with respect to a nominee for director, then the shares of the Voting Stock covered by such proxy shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such nominee, but shall not be deemed to have been voted for such nominee. If a stockholder abstains from voting as to any matter, then the shares held by such stockholder shall be deemed present at the meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. If a broker returns a "non-vote" proxy, indicating a lack of authority to vote on such matter, then the shares covered by such non-vote shall be deemed present at the Annual Meeting for purposes of determining a quorum, but shall not be deemed to be present and entitled to vote at the Annual Meeting for purposes of calculating the vote with respect to such matter.

Stockholders can vote their shares by toll-free telephone call or through the Internet as an alternative to completing the enclosed proxy card and mailing it to the Company. The procedures for telephone and Internet voting are described on the proxy card. The telephone and Internet voting procedures are designed to verify stockholders' identities, allow stockholders to give voting instructions and confirm that their instructions have been recorded properly. Stockholders who vote through the Internet should be aware that they may incur costs to access the Internet, such as usage charges from telephone companies or Internet service providers, and that these costs must be borne by the stockholder. Stockholders who vote by telephone or through the Internet need not return a proxy card by mail.

1

Shares of the Company's Common Stock and Senior Convertible Preferred Stock represented by proxies in the form solicited will be voted in the manner directed by a stockholder. If no direction is given, the proxy will be voted for the election of the nominees for director named in this Proxy Statement, for approval of the 2004 Orphan Medical, Inc. Stock Incentive Plan and for approval of the selection of Ernst & Young LLP as the Company's independent public

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

accountants. So far as management of the Company is aware, no matters other than those described in this Proxy Statement will be acted upon at the Annual Meeting. In the event that any other matters properly come before the Annual Meeting and call for a vote of stockholders, the persons named as proxies in the enclosed form of proxy will vote in accordance with their best judgment on these matters. Whether a stockholder submits a proxy by mail, telephone or the Internet, a stockholder may revoke a proxy at any time before it is voted by: (i) delivering to any officer of the Company a written notice of termination of the proxy's authority, (ii) filing with an officer of the Company another proxy bearing a later date or (iii) appearing and voting at the Annual Meeting.

The Corporate Secretary has been instructed by the Board to promptly forward all communications so received to the full Board or the individual Board members specifically addressed in the communication.

NOMINATIONS

Our Nominating Committee is the standing committee responsible for determining the slate of director nominees for election by shareholders, which the committee recommends for consideration by the Board. A copy of our Nominating Committee Charter is available on our corporate website at www.orphan.com. All director nominees approved by the Board and all individuals appointed to fill vacancies created between our annual meetings of shareholders are required to stand for election by our shareholders at the next annual meeting.

Our Nominating Committee has the options to utilize the services of a third-party search firm to assist in the identification and evaluation of Board member candidates. No such third-party search firm was utilized in 2003.

Our Nominating Committee determines the required selection criteria and qualifications of director nominees based upon the needs of the Company at the time nominees are considered. Minimum criteria for director nominees are set forth in [our Corporate Nominating Principles]. A candidate must possess the ability to apply good business judgment and must be in a position to properly exercise his or her duties of loyalty and care. Candidates should also exhibit proven leadership capabilities, high integrity and experience with a high level of responsibilities within their chosen fields, and have the ability to quickly grasp complex principles of business, finance and communications technologies. In general, candidates will be preferred who hold an established executive level position in business, finance, law, education, research or government. The Nominating Committee will consider these criteria for nominees identified by the Committee, by shareholders, or through some other source. When current Board members are considered for nomination for reelection, the Nominating Committee

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

also takes into consideration their prior Orphan Medical Inc. Board contributions, performance and meeting attendance records.

The Nominating Committee will consider qualified candidates for possible nomination that are submitted by our shareholders. Shareholders wishing to make such a submission may do so by sending the following information to the Nominating Committee c/o Corporate Secretary at the address listed above: (1) name of the candidate and a brief biographical sketch and resume; (2) contact information for the candidate and a document evidencing the candidate's willingness to serve as a director if elected; and (3) a signed statement as to the submitting shareholder's current status as a shareholder and the number of shares currently held.

6

The Nominating Committee conducts a process of making a preliminary assessment of each proposed nominee based upon the resume and biographical information, an indication of the individual's willingness to serve and other background information. This information is evaluated against the criteria set forth above and the specific needs of the Company at that time. Based upon a preliminary assessment of the candidate(s), those who appear best suited to meet the needs of the Company may be invited to participate in a series of interviews, which are used as a further means of evaluating potential candidates. On the basis of information learned during this process, the Nominating Committee determines which nominee(s) to recommend to the Board to submit for election at the next annual meeting. The Nominating Committee uses the same process for evaluating all nominees, regardless of the original source of the nomination.

No candidates for director nominations were submitted to the Nominating Committee by any shareholder in connection with the 2004 annual meeting. Any shareholders desiring to present a nomination for consideration by the Nominating Committee prior to our 2005 annual meeting must do so prior to December 31, 2004 in order to provide adequate time to duly consider the nominee and comply with our bylaws.

MEETING ATTENDANCE

Each of our directors is expected to make a reasonable effort to attend all meetings of the Board, applicable committee meetings and our annual meeting of shareholders. One of our directors attended our 2003 annual meeting.

EXECUTIVE COMPENSATION

REPORT OF COMPENSATION COMMITTEE

COMPENSATION PHILOSOPHY

The Compensation Committee determines the policies for and structure and amount of all compensation for the Board of Directors and the executive officers of the Company, including the Chief Executive Officer. The Compensation Committee is composed entirely of directors who are not employees of the Company. The Compensation Committee's primary objectives are to:

- o Provide compensation that will attract, retain and motivate high-caliber executives;
- o Motivate officers to achieve important Company performance goals; and
- o Align the interests of the executive officers with those of the Company's stockholders.

The Company has a "pay for performance" compensation program designed to motivate and reward executives for attaining financial and strategic objectives essential to the Company's success and continued growth while at the same time allowing the Company to attract, retain and motivate high-caliber executives. The Company's practice is to work with the Compensation Committee to

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

establish annual Company financial performance targets and individual performance goals for each executive officer at the outset of each year, and to pay bonuses based on performance against these pre-established targets and goals. Base salaries for the Company's executive officers are generally average in comparison to executive officer salaries paid by comparable peer companies. Through the bonus program, the Company's executive officers have an opportunity to earn above average compensation as compared to comparable peer companies.

An additional aspect of the Company's compensation program is the use of stock options. Through the use of stock based incentives, the Company believes that an executive officer's interests will be aligned with the long-term interests of the Company's stockholders. Executive officers are, thereby, given an incentive to not only meet their annual performance objectives, but also to achieve longer term strategic goals.

The following discussion describes the key components of the compensation program. The Compensation Committee retains the right to consider factors other than those described below in setting executive compensation levels for individual officers.

EXECUTIVE OFFICER COMPENSATION PROGRAM

The key components of the Company's compensation program for its executive officers are (a) base salary, (b) annual cash bonus compensation and (c) long-term incentive compensation in the form of stock options.

BASE SALARY

The Chief Executive Officer annually reviews the base salary of each executive officer and makes recommendations to the Compensation Committee regarding the base salaries for the executive officers (other than the Chief Executive Officer). In determining base salaries, the Compensation Committee takes into account individual experience and performance, performance during the preceding 12 months, salary levels for similar positions at comparable peer companies and other issues particular to the Company. Salaries for the Company's executive officers are generally at the mid-point of the range when compared to salaries paid by comparable peer companies.

ANNUAL CASH BONUS COMPENSATION

The Compensation Committee did not award cash bonuses to any executive officers and did award cash bonuses to non-executive officer employees in recognition of achieving predetermined Company financial and operational objectives in fiscal 2003, which generally included optimization of revenues and gross margins and minimizing operational losses, and achieving individual performance goals. Executive officers were entitled to receive a cash bonus for achievement of either the Company's financial and performance objectives or achievement of personal performance goals, or a combination of both.

LONG TERM INCENTIVE PROGRAM

Stock options are granted to executive officers under the Company's 1994 Stock Option Plan (the "Stock Plan"). The purposes of the Stock Plan are to attract, retain and motivate personnel capable of assuring the future success of the Company by affording them an opportunity to acquire an ownership interest in the Company and to align executive officer compensation directly with the creation of stockholder value.

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

The Stock Plan authorizes the Compensation Committee to grant stock options to executives and other key employees. When making option grant determinations, the Compensation Committee considers the recommendation of the Chief Executive Officer, an individual's performance and the Company's overall performance, as well as option grants to executives made by comparable peer companies. When determining the size of an option grant, the Compensation Committee takes into account a number of factors, including levels of options granted by comparable peer companies and the number of options already outstanding or previously granted.

The Compensation Committee's policy is to not grant stock options annually, but to review each individual's performance and option position on an annual basis. All of the Company's outstanding stock options were granted at an exercise price equal to the fair market value of the Common Stock on the date of grant. Options granted under the Stock Plan have a term of ten years for incentive stock options and 15 years for nonqualified stock options, and generally vest ratably over a four-year period. Executive officers will only benefit from stock options if, at the time the options are exercised, the price of the Common Stock has appreciated over its price on the date of the stock option grant.

In fiscal 2003, Mr. Bullion was granted an option to purchase 35,000 shares at \$10.46 per share and an option to purchase 35,000 shares at \$8.90 per share; Dr. Houghton was granted an option to purchase 25,000 shares at \$10.46 per share and an option to purchase 25,000 at \$8.90 per share; Mr. Perrin was granted an option to purchase 25,000 shares at \$10.46 per share and an option to purchase 25,000 shares at \$8.90 per share; Mr. McGrath was granted an option to purchase 12,000 shares at \$10.46 per share and an option to purchase 12,000 shares at \$8.90 per share.

The Company is seeking stockholder approval of a new stock incentive plan. See "Proposal 2: Approval of 2004 Orphan Medical, Inc. Stock Incentive Plan" in this Proxy Statement.

CHIEF EXECUTIVE OFFICER COMPENSATION

BASE SALARY AND ANNUAL BONUS COMPENSATION

Effective October 29, 1999, Mr. John Bullion, Chief Executive Officer, entered into an employment agreement with the Company that provides for an annual base salary of \$200,000 in fiscal 2001 and 2002. In February 2002, the Compensation Committee increased Mr. Bullion's 2002 annual base salary to \$225,000. Effective January 1, 2003, Mr. Bullion's salary was increased to \$275,000.

Mr. Bullion's annual base salary and annual bonus compensation are set by the Compensation Committee, taking into account such factors as the Company's financial performance, Mr. Bullion's leadership within the Company, his performance with respect to personal performance goals, his pay in relation to the pay of chief executive officers at comparable peer companies and the Compensation Committee's overall compensation philosophy.

The Compensation Committee did not award Mr. Bullion a cash bonus for his performance in fiscal 2003.

STOCK OPTION AWARDS

In fiscal 2003, the Compensation Committee approved option grants to Mr. Bullion to purchase 70,000 shares of common stock.

OPTION GRANTS IN LAST FISCAL YEAR

The following table sets forth information regarding grants of stock options to each of the executive officers named in the Summary Compensation Table during fiscal 2003. The percentage of total options set forth below is based on an aggregate of 525,925 options granted to employees during fiscal 2003. All options were granted with an exercise price equal to the closing price of the Company's common stock on the Nasdaq National Market on the date of grant. Potential realizable values are net of exercise price, but before taxes associated with exercise. Amounts representing hypothetical gains are those that could be achieved for the options if exercised at the end of the option term. The assumed 5% and 10% rates of stock price appreciation are provided in accordance with rules of the Securities and Exchange Commission based on the fair market value of the stock at the time of option grant, and do not represent our estimate or projection of the future stock price.

EMPLOYMENT AGREEMENTS

An employment agreement between the Company and John Howell Bullion, Chief Executive Officer, was executed on October 29, 1999. The agreement commenced October 20, 1999 and continues for a three-year period. At the end of the three-year period, the agreement will automatically renew for successive two-year periods, unless terminated by either party in accordance with the terms of the agreement. The employment agreement automatically terminates upon the mutual agreement of the parties, upon Mr. Bullion's death, or if Mr. Bullion is disabled for a continuous nine-month period. Mr. Bullion's employment agreement provides for an annual base salary of \$180,000 for the calendar year 2000 and \$200,000 for calendar years 2001 and 2002. In February 2002, the Compensation Committee increased Mr. Bullion's 2002 annual base salary to \$225,000, and effective January 1, 2003, the Compensation Committee increased Mr. Bullion's 2003 annual base salary to \$275,000. Mr. Bullion may terminate his employment

at any time upon 90 days written notice to the Company, in which case he will receive his base salary and accrued vacation and sick pay through the date of termination.

The Company may terminate Mr. Bullion's employment at any time for good cause. The employment agreement defines good cause as willful and continued failure by Mr. Bullion to substantially perform his duties, or willful misconduct by Mr. Bullion that is materially injurious to the Company. If the

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

Company terminates Mr. Bullion for cause, Mr. Bullion will receive his base salary and accrued vacation and sick pay through the date of termination. If the Company terminates Mr. Bullion without cause, the employment agreement provides that Mr. Bullion will receive one year's salary, a bonus equal to the average bonus paid to him in the most recent two fiscal years, all accrued vacation and sick pay. In addition, upon a termination without cause, all of Mr. Bullion's unvested options will immediately vest and he will be entitled to participate in the Company's benefit plans for a two year period, which includes continued payment by the Company of Mr. Bullion's health, life and disability insurance premiums for that period. The employment agreement provides that Mr. Bullion may treat a material change in his position, duties or location of employment as a termination by the Company without cause. Mr. Bullion may also treat termination of his employment upon one year's advance notice by the Company as a termination without cause.

The employment agreement also provides for payments to Mr. Bullion if the Company terminates him within 120 days of the effective date of a change in control of the Company. In such event, Mr. Bullion will receive two years' base salary, all accrued vacation and sick pay as of the date of termination and the Company will continue to pay his health, life and disability insurance premiums for two years. The Company may offset severance payments to Mr. Bullion by amounts Mr. Bullion receives from other full-time employment during the two year-period following his termination.

CHANGE IN CONTROL ARRANGEMENTS

The Company has entered into agreements with its executive officers providing for the payment of certain benefits to the officers if their employment terminates following a "change in control" of the Company. The agreements provide for payment of benefits if an officer's employment is terminated within the 12 months following a change in control if the officer was terminated without cause, required to relocate or required to accept less pay or less responsibility. The formula and payout for the benefits under the change in control agreement is the highest annual salary and incentive payment within the last two years divided by 12 multiplied by the following number of months for the officers: Dr. Houghton, 18 months; Mr. Perrin, 18 months; and Mr. McGrath, 12 months.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The compensation committee members are Dr. Wardell, Mr. King and Ms. Champs. No member of the compensation committee during the 2003 fiscal year was an officer or employee of the Company, nor formerly an officer of the Company.

PROPOSAL 2:
APPROVAL OF 2004 ORPHAN MEDICAL, INC. STOCK INCENTIVE PLAN

The Company believes that stock options are an important element of compensation in attracting and retaining executives, other key employees and outside directors, and in motivating and retaining skilled management personnel and outside directors. Generally, the consideration to be received by the Company for awards under the 2004 Stock Incentive Plan ("Stock Incentive Plan") will be the participants' past, present or expected future contributions to the success of the Company. The Stock Incentive Plan was adopted by the Board of Directors of the Company (the "Board") on April 27, 2004 and provides for the issuance of 2,250,000 shares of the Company's Common Stock. The Stock Incentive Plan is attached as Appendix B.

The April 27, 2004 adoption of the Stock Incentive Plan by the Board is subject to approval by the Company's stockholders at the Annual Meeting. If the stockholders fail to approve the amendment at the Annual Meeting, the Company believes it will be constrained in its ability to attract and retain executives, other key employees and outside directors, and in motivating and retaining skilled management personnel and outside directors necessary for the Company's success. Except for annual option grants to non-employee directors, the number of options that will be granted to individual participants under the amended Stock Incentive Plan is not determinable, as the Compensation Committee will make such determinations in its sole discretion.

SUMMARY OF THE STOCK INCENTIVE PLAN

The Stock Incentive Plan provides for the grant of options to purchase shares of Common Stock, stock appreciation rights, and restricted stock, performance awards, dividend equivalents, and other stock awards to any director, full-time or part-time employee of, any consultant or any independent contractor providing services to the Company. Incentive stock options shall only be granted to full-time or part-time employees of the Company. Options granted under the Stock Incentive Plan to full or part-time employees may qualify as incentive stock options under the Internal Revenue Code (the "Code") or may be non-incentive stock options. Options granted to persons who are not full-time or part-time employees of the Company may not qualify as incentive stock options under the Code.

The Stock Incentive Plan is administered by the Compensation Committee, which is comprised solely of non-employee directors selected by the Board. The Compensation Committee has the authority to: (i) designate participants; (ii) determine the type or types of awards to be granted to each participant under the Stock Incentive Plan; (iii) determine the number of shares to be covered by (or the method by which payments or other rights are to be determined in connection with) each award; (iv) determine the terms and conditions of any

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

award or award agreement; (v) amend the terms and conditions of any award or award agreement and accelerate the exercisability of any option or waive any restrictions relating to any award; (vi) determine whether, to what extent and under what circumstances awards may be exercised in cash, shares, other securities, other awards or other property, or canceled, forfeited or suspended; (vii) determine whether, to what extent and under what circumstances cash, shares, other securities, other awards, other property and other amounts payable with respect to an award under the Stock Incentive Plan shall be deferred either automatically or at the election of the holder thereof or the Compensation Committee; (viii) interpret and administer the Stock Incentive Plan and any instrument or agreement, including an award agreement, relating to the Stock Incentive Plan; (ix) establish, amend, suspend or waive such rules and regulations and appoint such agents as it shall deem appropriate for the proper administration of the Stock Incentive Plan; and (x) make any other determination and take any other action that the Compensation Committee deems necessary or desirable for the administration of the Stock Incentive Plan. All designations, determinations, interpretations and other decisions under or with respect to the Stock Incentive Plan or any award shall be within the sole discretion of the Compensation Committee, may be made at any time and shall be final, conclusive and binding upon any eligible person and any holder or beneficiary of any award, subject to the exclusive authority of the Board of Directors to amend or terminate the Stock Incentive Plan. The Stock Incentive Plan terminates on April 27, 2014, and no options may be granted after that date.

The exercise price of an incentive option granted under the Stock Incentive Plan may not be less than the fair market value of the Common Stock on the date the option is granted. If a proposed optionee owns more than 10% of the Company's Common Stock, any incentive stock option granted to such optionee must have an exercise price not less than 110% of the then fair market value. The exercise price of any non-incentive stock option granted under the Stock Incentive Plan is determined by the Compensation Committee. The term of each incentive stock option is determined by the Compensation Committee, but may not exceed 10 years from the date of grant. A person who has been granted an option under the Stock Incentive Plan may be granted additional options, but to the extent the aggregate fair market value (determined at the time the option is granted) of the Common Stock with respect to which incentive stock options are exercisable for the first time by such person during any calendar year exceeds \$100,000, such options will be treated as options that do not qualify as incentive stock options. Options granted under the Stock Incentive Plan are not transferable except in limited circumstances. Options that qualify as incentive stock options may be transferred only upon the death of the option holder, either by will or by the laws of intestate succession. Options that do not qualify as incentive stock options may be transferred to the option holder's blood or adoptive children, or upon the death of the option holder, either by will or the laws of intestate succession.

14

The Board may amend or discontinue the Stock Incentive Plan or any portion thereof at anytime. However, the Board may not thereby alter or impair any outstanding option without the consent of the holder of the option. The Board may amend the Stock Incentive Plan to increase the number of shares of Common Stock that will be available for issuance under the Stock Incentive Plan, and make certain other amendments to the Stock Incentive Plan, only with stockholder approval. Options outstanding at the time the Stock Incentive Plan is terminated will continue to be exercisable in accordance with their respective terms.

FEDERAL INCOME TAX CONSEQUENCES

This discussion sets forth only general federal tax principles affecting options which may be granted under the Stock Incentive Plan. Special

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

rules may apply to option holders who are subject to Section 16 of the Securities Exchange Act of 1934, as amended.

Under current federal income tax law, there are no federal income tax consequences to the Company or the option holder upon the granting of an option.

An option holder who exercises an incentive stock option will not recognize income at the time of exercise for purposes of the regular income tax (although such option holder will realize income at such time for purposes of the alternative minimum tax in an amount equal to the amount by which the fair market value of the Common Stock received by the option holder exceeds the option price paid). The Company will not be entitled to a tax deduction at the time of exercise of an incentive stock option. If the option holder holds shares of Common Stock received upon exercise of an incentive stock option for at least one year after exercise and two years from the date the incentive stock option was granted, then upon the sale of such shares the option holder will recognize long-term capital gain and no tax deduction will be allowed to the Company. If the option holder sells or otherwise disposes of shares of Common Stock received upon exercise of an incentive stock option before such holding period is satisfied, then the option holder will recognize ordinary income at the time of the disposition in an amount equal to the lesser of (1) the difference between the option price and the fair market value of the shares at the time the option was exercised, and (2) the difference between the option price and the amount realized upon the disposition of the shares. The option holder will recognize short-term or long-term capital gain, depending upon whether the holding period for such shares is less or more than one year, to the extent of any excess of the amount realized upon the disposition of the shares over the fair market value of the shares at the time of exercise of the option. Subject to the general rules concerning deductibility of compensation, the Company will be allowed a tax deduction in the amount that, and for its taxable year in which, the option holder recognizes ordinary income under the foregoing rules.

Upon the exercise of an option which does not qualify as an incentive stock option, the option holder generally will recognize ordinary income equal to the difference between the exercise price and the fair market value of the shares on the date of exercise. Subject to the general rules concerning deductibility of compensation, the Company will be allowed a tax deduction in the amount that, and for its taxable year in which, the option holder recognizes ordinary income upon the exercise of a non-incentive stock option. The Stock Incentive Plan provides that, at the discretion of the Compensation Committee, an option holder may exercise an option by tendering shares of Common Stock owned by the option holder in payment of the exercise price. In that case generally no gain or loss will be recognized by the option holder with respect to the tendered shares, provided that if the tendered shares were acquired upon exercise of an incentive stock option, the option holder has held the tendered shares for the holding period required by the incentive stock option rules. In the case of an incentive stock option, no income will be recognized by the option holder upon the receipt of shares of Common Stock as a result of such an exercise. In the case of a non-incentive stock option, the option holder will recognize ordinary income as a result of such an exercise in an amount equal to the fair market value of that number of shares equal to the excess of the number of shares received upon exercise of the option over the number of shares tendered by the option holder.

listing requirements. The Audit Committee operates under a written charter adopted by the Board of Directors, a copy of which has been attached to this Proxy Statement as Appendix A. The Audit Committee approves the appointment of the Company's independent accountants.

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent accountants are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and to issue a report on the Company's financial statements. The Audit Committee's responsibility is to monitor and oversee these processes. In this context, the Audit Committee has met and held discussions with management and the independent accountants. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees).

The Company's independent accountants also provided to the Audit Committee the written disclosure required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants the accounting firm's independence. The Committee also considered whether non-audit services provided by the independent accountants during the last fiscal year were compatible with maintaining the independent accountants' independence. Based upon the Audit Committee's discussion with management and the independent accountants and the Audit Committee's review of the representation of management and the report of the independent accountants to the Audit Committee, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the fiscal year ended December 31, 2003 filed with the Securities and Exchange Commission.

AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

CHARTER

FORWARD

The Audit Committee has an oversight responsibility with regard to the Company's financial control and reporting system and serves in an advisory capacity in that regard to the Board of Directors. The Board of Directors' charge to the Audit Committee should be defined in reasonably specific terms. - o the system of internal accounting controls is adequate, and
- o management has devised and implemented a program for compliance with the Foreign Corrupt Practices Act.

The primary concerns of the Audit Committee are that internal accounting and administrative controls are adequate to ensure that --

- o assets are safeguarded
- o transactions are authorized
- o transactions are properly recorded

The Audit Committee Charter should be reviewed by corporate counsel and approved by the Board of Directors. The Charter should be reviewed periodically and modified as necessary.

(b) Power and Authority of the Board. Notwithstanding anything to the contrary contained herein, the Board may, at any time and from time to time, without any further action of the Committee, exercise the powers and duties of the Committee under the Plan.

3

SECTION 4. SHARES AVAILABLE FOR AWARDS

(a) Shares Available. Subject to adjustment as provided in Section 4(c) of the Plan, the aggregate number of Shares that may be issued under the Plan shall be 2,250,000. Shares to be issued under the Plan may be either authorized but unissued Shares or Shares re-acquired and held in treasury. Notwithstanding the foregoing, (i) the number of Shares available for granting Incentive Stock Options under the Plan shall not 2,250,000, subject to adjustment as provided in Section 4(c) of the Plan and subject to the provisions of Section 422 or 424 of the Code or any successor provision and (ii) the number of Shares available for granting Restricted Stock and Restricted Stock Units shall not exceed 2,250,000 subject to adjustment as provided in Section 4(c) of the Plan.

(b) Accounting for Awards. For purposes of this Section 4, if an Award entitles the holder thereof to receive or purchase Shares, the number of Shares covered by such Award or to which such Award relates shall be counted on the date of grant of such Award against the aggregate number of Shares available for granting Awards under the Plan. Any Shares that are used by a Participant as

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

full or partial payment to the Company of the purchase price relating to an Award, including Shares tendered in connection with the grant of a Reload Option, or in connection with the satisfaction of tax obligations relating to an Award, shall again be available for granting Awards (other than Incentive Stock Options) under the Plan. In addition, if any Shares covered by an Award or to which an Award relates are not purchased or are forfeited, or if an Award otherwise terminates without delivery of any Shares, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award, to the extent of any such forfeiture or termination, shall again be available for granting Awards under the Plan.

(c) Adjustments. In the event that the Committee shall determine that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company or other similar corporate transaction or event affects the Shares such that an adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or other property) that thereafter may be made the subject of Awards, (ii) the number and type of Shares (or other securities or other property) subject to outstanding Awards and (iii) the purchase price or exercise price with respect to any Award; PROVIDED, HOWEVER, that the number of Shares covered by any Award or to which such Award relates shall always be a whole number.

(d) Award Limitations Under the Plan. No Eligible Person may be granted any Award or Awards under the Plan, the value of which Award or Awards is based solely on an increase in the value of the Shares after the date of grant of such Award or Awards, for more

4

than [NUMBER OF SHARES TO BE DETERMINED] (1) Shares (subject to adjustment as provided for in Section 4(c) of the Plan), in the aggregate in any taxable year. The foregoing annual limitation specifically includes the grant of any Award or Awards representing "qualified performance-based compensation" within the meaning of Section 162(m) of the Code.

SECTION 5. ELIGIBILITY

Any Eligible Person shall be eligible to be designated a Participant. In determining which Eligible Persons shall receive an Award and the terms of any Award, the Committee may take into account the nature of the services rendered by the respective Eligible Persons, their present and potential contributions to the success of the Company or such other factors as the Committee, in its discretion, shall deem relevant. Notwithstanding the foregoing, an Incentive Stock Option may only be granted to full-time or part-time employees (which term as used herein includes, without limitation, officers and directors who are also employees), and an Incentive Stock Option shall not be granted to an employee of an Affiliate unless such Affiliate is also a "subsidiary corporation" of the Company within the meaning of Section 424(f) of the Code or any successor provision.

SECTION 6. AWARDS

(a) Options. The Committee is hereby authorized to grant Options to

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

(ii) Option Term. The term of each Option shall be fixed by the Committee at the time of grant.

(iii) Time and Method of Exercise. The Committee shall determine the time or times at which an Option may be exercised in whole or in part and the method or methods by which, and the form or forms (including, without limitation, cash, Shares, other securities, other Awards or other property, or any combination thereof, having a Fair Market Value on the exercise date equal to the applicable exercise price) in which, payment of the exercise price with respect thereto may be made or deemed to have been made.

(iv) Incentive Stock Options. Notwithstanding anything in the Plan to the contrary, the following additional provisions shall apply to the grant of stock options which are intended to qualify as Incentive Stock Options, PROVIDED, HOWEVER, that in the event the Plan fails to be approved by the stockholders of the Company within one year

(1) This provision is required to ensure that grants may be considered "qualified performance-based compensation" under Section 162(m) of the Code.

5

of its adoption by the Board as required in Section 10, such Incentive Stock Options shall be deemed to be Non-Qualified Stock Options issued under the Plan:

(A) The Committee will not grant Incentive Stock Options in which the aggregate Fair Market Value (determined as of the time the option is granted) of the Shares with respect to which Incentive Stock Options are exercisable for the first time by any Participant during any calendar year (under this Plan and all other plans of the Company and its Affiliates) shall exceed \$100,000.

(B) All Incentive Stock Options must be granted within ten years from the earlier of the date on which this Plan was adopted by the Board or the date this Plan was approved by the stockholders of the Company.

(C) Unless sooner exercised, all Incentive Stock Options shall expire and no longer be exercisable no later than 10 years after the date of grant; PROVIDED, HOWEVER, that in the case of a grant of an Incentive Stock Option to a Participant who, at the time such Option is granted, owns (within the meaning of Section 422 of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of its Affiliate, such Incentive Stock Option shall expire and no longer be exercisable no later than 5 years from the date of grant.

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

(D) The purchase price per Share for an Incentive Stock Option shall be not less than 100% of the Fair Market Value of a Share on the date of grant of the Incentive Stock Option; PROVIDED, HOWEVER, that, in the case of the grant of an Incentive Stock Option to a Participant who, at the time such Option is granted, owns (within the meaning of Section 422 of the Code) stock possessing more than 10% of the total combined voting power of all classes of stock of the Company or of its Affiliate, the purchase price per Share purchasable under an Incentive Stock Option shall be not less than 110% of the Fair Market Value of a Share on the date of grant of the Incentive Stock Option.

(E) Any Incentive Stock Option authorized under the Plan shall contain such other provisions as the Committee shall deem advisable, but shall in all events be consistent with and contain all provisions required in order to qualify the Option as an Incentive Stock Option.

(v) Reload Options. The Committee may grant Reload Options, separately or together with another Option and subject to the terms and conditions established by the Committee, pursuant to which the Participant would be granted a new Non-Qualified Stock Option when the payment of the exercise price of a previously granted option for common stock is made by the delivery of Shares owned by the Participant pursuant to Section 6(a)(iii) hereof or the relevant provisions of another plan of the Company, when Shares are tendered or withheld as payment of the amount to be withheld under applicable income tax laws in connection with the exercise of an Option, which new Non-Qualified Stock Option would be a Non-Qualified Stock Option to purchase the number of Shares not exceeding the sum of (A) the number of Shares so provided as

6

consideration upon the exercise of the previously granted option to which such Reload Option relates and (B) the number of Shares, if any, tendered or withheld as payment of the amount to be withheld under applicable tax laws in connection with the exercise of the option to which such Reload Option relates pursuant to the relevant provisions of the plan or agreement relating to such option. Subject to the terms of the Plan, the grant price, term, methods of exercise, dates of exercise, methods of settlement and any other terms and conditions (including conditions or restrictions on the exercise thereof) of any Stock Appreciation Right shall be as determined by the Committee.

The Committee is hereby authorized to grant Restricted Stock and Restricted Stock Units to Eligible Persons with the following terms and conditions and with such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine:

(i) Restrictions. Shares of Restricted Stock and Restricted Stock Units shall be subject to such restrictions as the Committee may impose (including, without limitation, a restriction on or prohibition against the right to receive any dividend or other right or property with respect thereto), which restrictions may lapse separately or in combination at such time or times, in such installments or otherwise as the Committee may deem appropriate.

(ii) Stock Certificates. Any Restricted Stock granted under the Plan shall be evidenced by the issuance of a stock certificate or certificates, which shall be held by the Company. 7

(iii) Forfeiture. Except as otherwise determined by the Committee, upon a Participant's termination of employment (as determined under criteria established by the Committee) during the applicable restriction period, all applicable Shares of Restricted Stock and Restricted Stock Units at such time subject to restriction shall be forfeited and reacquired by the Company; PROVIDED, HOWEVER, that the Committee may, when it finds that a waiver would be in the best interest of the Company, waive in whole or in part any or all remaining restrictions with respect to Shares of Restricted Stock or Restricted Stock Units.

(d) Performance Awards. The Committee is hereby authorized to grant Performance Awards to Eligible Persons subject to the terms of the Plan. A Performance Award granted under the Plan (i) may be denominated or payable in cash, Shares (including, without limitation, Restricted Stock and Restricted Stock Units), other securities, other Awards or other property and (ii) shall confer on the holder thereof the right to receive payments, in whole or in part, upon the achievement of such performance goals during such performance periods as the Committee shall establish. Subject to the terms of the Plan, the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award granted, the amount of any payment or transfer to be made pursuant to any Performance Award and any other terms and conditions of any Performance Award shall be determined by the Committee.

(e) Dividend Equivalents. The Committee is hereby authorized to grant Dividend Equivalents to Eligible Persons under which the Participant shall be entitled to receive payments (in cash, Shares, other securities, other Awards or

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

other property as determined in the discretion of the Committee) equivalent to the amount of cash dividends paid by the Company to holders of Shares with respect to a number of Shares determined by the Committee. Subject to the terms of the Plan, such Dividend Equivalents may have such terms and conditions as the Committee shall determine.

(f) Other Stock Grants. The Committee is hereby authorized, subject to the terms of the Plan, to grant to Eligible Persons Shares without restrictions thereon as are deemed by the Committee to be consistent with the purpose of the Plan.

(g) Other Stock-Based Awards. The Committee is hereby authorized to grant to Eligible Persons, subject to the terms of the Plan, such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on or related to, Shares (including, without limitation, securities convertible into Shares), as are deemed by the Committee to be consistent with the purpose of the Plan. Shares or other securities delivered pursuant to a purchase right granted under this Section 6(g) shall be purchased for such consideration, which may be paid by such method or methods and in such form or forms (including, without limitation, cash, Shares, promissory notes other securities, other Awards or other property or any combination thereof), as the Committee shall determine, the value of which consideration, as established by the Committee, shall not be less than 100% of the Fair Market Value of such Shares or other securities as of the date such purchase right is granted.

8

(h) General Consideration for Awards. Awards may be granted for no cash consideration or for any cash or other consideration as determined by the Committee and required by applicable law.

(ii) Awards May Be Granted Separately or Together. Awards may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with or in substitution for any other Award or any award granted under any plan of the Company or any Affiliate. Awards granted in addition to or in tandem with other Awards or in addition to or in tandem with awards granted under any such other plan of the Company or any Affiliate may be granted either at the same time as or at a different time from the grant of such other Awards or awards.

(iii) Forms of Payment under Awards. Subject to the terms of the Plan, payments or transfers to be made by the Company or an Affiliate upon the grant, exercise or payment of an Award may be made in such form or forms as the Committee shall determine (including, without limitation, cash, Shares, promissory notes (PROVIDED, HOWEVER, that the acceptance of such promissory notes does not conflict with Section 402 of the Sarbanes-Oxley Act of 2004), other securities, other Awards or other property or any combination thereof), and may be made in a single payment or transfer, in installments or on a deferred basis, in each case in accordance with rules and procedures established by the Committee. Such rules and procedures may include, without limitation, provisions for the payment or crediting of reasonable interest on installment or deferred payments or the grant or crediting of Dividend Equivalents with respect to installment or deferred payments.

(iv) Limits on Transfer of Awards. No Award (other than Other Stock Grants) and no right under any such Award shall be transferable by a Participant otherwise than by will or by the laws of descent and distribution and the Company shall not be required to recognize any

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

attempted assignment of such rights by any Participant; PROVIDED, HOWEVER, that, if so determined by the Committee, a Participant may, in the manner established by the Committee, designate a beneficiary or beneficiaries to exercise the rights of the Participant and receive any property distributable with respect to any Award upon the death of the Participant; PROVIDED, FURTHER, that, if so determined by the Committee, a Participant may transfer a Non-Qualified Stock Option to any Family Member (as such term is defined in the General Instructions to Form S-8 (or successor to such Instructions or such Form)) at any time that such Participant holds such Option, PROVIDED that the Participant may not receive any consideration for such transfer, the Family Member may not make any subsequent transfers other than by will or by the laws of descent and distribution and the Company receives written notice of such transfer, PROVIDED, FURTHER, that, if so determined by the Committee and except in the case of an Incentive Stock Option, Awards may be transferable as determined by the Committee. Except as otherwise determined by the Committee, each Award (other than an Incentive Stock Option) or right under any such Award shall be exercisable during the Participant's lifetime only by the Participant or, if permissible under applicable law, by the Participant's guardian or legal representative. Except as otherwise determined by the Committee, no Award (other than an Incentive Stock Option) or right under any such Award may be pledged, alienated, attached or otherwise encumbered, and any purported

9

pledge, alienation, attachment or other encumbrance thereof shall be void and unenforceable against the Company or any Affiliate.

(v) Term of Awards. Subject to Section 6(a)(iv)(C), the term of each Award shall be for such period as may be determined by the Committee.

(vi) Restrictions; Securities Exchange Listing. All Shares or other securities delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, applicable federal or state securities laws and regulatory requirements, and the Committee may direct appropriate stop transfer orders and cause other legends to be placed on the certificates for such Shares or other securities to reflect such restrictions. If the Shares or other securities are traded on a securities exchange, the Company shall not be required to deliver any Shares or other securities covered by an Award unless and until such Shares or other securities have been admitted for trading on such securities exchange.

(vii) Prohibition on Option Repricing. Except as provided in Section 4(c) hereof, no Option may be amended to reduce its initial exercise price and no Option shall be canceled and replaced with an Option or Options having a lower exercise price, without the approval of the stockholders of the Company or unless there would be no material adverse effect on the Company's financial statements as prepared in accordance with Generally Accepted Accounting Principles.

SECTION 7. AMENDMENT AND TERMINATION; ADJUSTMENTS

(a) Amendments to the Plan. The Board may amend, alter, suspend, discontinue or terminate the Plan at any time; PROVIDED, HOWEVER, that, notwithstanding any other provision of the Plan or any Award Agreement, without the approval of the stockholders of the Company, no such amendment, alteration,

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

suspension, discontinuation or termination shall be made that, absent such approval:

(i) violates the rules or regulations of the National Association of Securities Dealers, Inc. or any other securities exchange that are applicable to the Company;

(ii) causes the Company to be unable, under the Code, to grant Incentive Stock Options under the Plan;

(iii) increases the number of shares authorized under the Plan as specified in Section 4(a);

(iv) permits the award of Options or Stock Appreciation Rights at a price less than 100% of the Fair Market Value of a Share on the date of grant of such Option or Stock Appreciation Right, as prohibited by Sections 6(a)(i) and 6(b)(ii) of the Plan or the repricing of Options or Stock Appreciation Rights, as prohibited by Section 3(a)(v) of the Plan; or

10

(v) would prevent the grant of Options or Stock Appreciation Rights that would qualify under Section 162(m) of the Code.

(b) Amendments to Awards. The Committee may waive any conditions of or rights of the Company under any outstanding Award, prospectively or retroactively. Except as otherwise provided herein or in an Award Agreement, the Committee may not amend, alter, suspend, discontinue or terminate any outstanding Award, prospectively or retroactively, if such action would adversely affect the rights of the holder of such Award, without the consent of the Participant or holder or beneficiary thereof.

(c) Correction of Defects, Omissions and Inconsistencies. The Committee may correct any defect, supply any omission or reconcile any inconsistency in the Plan or any Award in the manner and to the extent it shall deem desirable to carry the Plan into effect.

SECTION 8. INCOME TAX WITHHOLDING

In order to comply with all applicable federal, state or local income tax laws or regulations, the Company may take such action as it deems appropriate to ensure that all applicable federal, state or local payroll, withholding, income or other taxes, which are the sole and absolute responsibility of a Participant, are withheld or collected from such Participant. In order to assist a Participant in paying all or a portion of the federal, state and local taxes to be withheld or collected upon exercise or receipt of (or the lapse of restrictions relating to) an Award, the Committee, in its discretion and subject to such additional terms and conditions as it may adopt, may permit the Participant to satisfy such tax obligation by (i) electing to have the Company withhold a portion of the Shares otherwise to be delivered upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes, but only to the extent of the minimum amount required to be withheld under applicable laws or regulations or (ii) delivering to the Company Shares other than Shares issuable upon exercise or receipt of (or the lapse of restrictions relating to) such Award with a Fair Market Value equal to the amount of such taxes. The election, if any, must be made on or before the date that the amount of tax to be withheld is determined.

SECTION 9. GENERAL PROVISIONS

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

(a) No Rights to Awards. No Eligible Person or other Person shall have any claim to be granted any Award under the Plan, and there is no obligation for uniformity of treatment of Eligible Persons or holders or beneficiaries of Awards under the Plan. The terms and conditions of Awards need not be the same with respect to any Participant or with respect to different Participants.

(b) Award Agreements. No Participant will have rights under an Award granted to such Participant unless and until an Award Agreement shall have been duly executed on behalf of the Company and, if requested by the Company, signed by the Participant.

(c) Plan Provisions Control. In the event that any provision of an Award Agreement conflicts with or is inconsistent in any respect with the terms of the Plan as set forth herein or subsequently amended, the terms of the Plan shall control.

11

(d) No Rights of Stockholders. Except with respect to Shares of Restricted Stock as to which the Participant has been granted the right to vote, neither a Participant nor the Participant's legal representative shall be, or have any of the rights and privileges of, a stockholder of the Company with respect to any Shares issuable to such Participant upon the exercise or payment of any Award, in whole or in part, unless and until such Shares have been issued in the name of such Participant or such Participant's legal representative without restrictions thereto.

(e) No Limit on Other Compensation Arrangements. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other or additional compensation arrangements, and such arrangements may be either generally applicable or applicable only in specific cases.

(f) No Right to Employment. The grant of an Award shall not be construed as giving a Participant the right to be retained in the employ, or as giving a director of the Company or an Affiliate the right to continue as a director or an Affiliate of the Company or any Affiliate, nor will it affect in any way the right of the Company or an Affiliate to terminate such employment at any time, with or without cause. In addition, the Company or an Affiliate may at any time dismiss a Participant from employment, or terminate the term of a director of the Company or an Affiliate, free from any liability or any claim under the Plan or any Award, unless otherwise expressly provided in the Plan or in any Award Agreement. Nothing in this Plan shall confer on any person any legal or equitable right against the Company or any Affiliate, directly or indirectly, or give rise to any cause of action at law or in equity against the Company or an Affiliate. The Awards granted hereunder shall not form any part of the wages or salary of any Eligible Person for purposes of severance pay or termination indemnities, irrespective of the reason for termination of employment. Under no circumstances shall any person ceasing to be an employee of the Company or any Affiliate be entitled to any compensation for any loss of any right or benefit under the Plan which such employee might otherwise have enjoyed but for termination of employment, whether such compensation is claimed by way of damages for wrongful or unfair dismissal, breach of contract or otherwise. By participating in the Plan, each Participant shall be deemed to have accepted all the conditions of the Plan and the terms and conditions of any rules and regulations adopted by the Committee and shall be fully bound thereby.

(g) Governing Law. The validity, construction and effect of the Plan or any Award, and any rules and regulations relating to the Plan or any Award, shall be determined in accordance with the internal laws, and not the law of conflicts, of the State of Delaware.

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

(h) Severability. If any provision of the Plan or any Award is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Committee, materially altering the purpose or intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction or Award, and the remainder of the Plan or any such Award shall remain in full force and effect.

12

(i) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and an Eligible Person or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

(j) Other Benefits. No compensation or benefit awarded to or realized by any Participant under the Plan shall be included for the purpose of computing such Participant's compensation under any compensation-based retirement, disability, or similar plan of the Company unless required by law or otherwise provided by such other plan.

(k) No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Committee shall determine whether cash shall be paid in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

(l) Headings. Headings are given to the Sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

(m) Section 16 Compliance; Section 162(m) Administration. The Plan is intended to comply in all respects with Rule 16b-3 or any successor provision, as in effect from time to time, and in all events the Plan shall be construed in accordance with the requirements of Rule 16b-3. If any Plan provision does not comply with Rule 16b-3 as hereafter amended or interpreted, the provision shall be deemed inoperative. The Board of Directors, in its absolute discretion, may bifurcate the Plan so as to restrict, limit or condition the use of any provision of the Plan with respect to persons who are officers or directors subject to Section 16 of the Exchange Act without so restricting, limiting or conditioning the Plan with respect to other Eligible Persons. With respect to Options and Stock Appreciation Rights, the Company intends to have the Plan administered in accordance with the requirements for the award of "qualified performance-based compensation" within the meaning of Section 162(m) of the Code.

(n) Conditions Precedent to Issuance of Shares. Shares shall not be issued pursuant to the exercise or payment of the purchase price relating to an Award unless such exercise or payment and the issuance and delivery of such Shares pursuant thereto shall comply with all relevant provisions of law, including, without limitation, the Securities Act, the Exchange Act, the rules and regulations promulgated thereunder, the requirements of any applicable Stock Exchange and the Delaware General Corporation Law. As a condition to the exercise or payment of the purchase price relating to such Award, the Company

Edgar Filing: ORPHAN MEDICAL INC - Form DEF 14A

may require that the person exercising or paying the purchase price represent and warrant that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares if, in the opinion of counsel for the Company, such a representation and warranty is required by law.

13

SECTION 10. EFFECTIVE DATE OF THE PLAN

The Plan shall be effective upon its adoption by the Board, PROVIDED, HOWEVER, that in the event the Plan is not approved by the stockholders of the Company within one year thereafter, the Plan will be terminated and all Awards granted under the Plan will be terminated and deemed null and void, PROVIDED, HOWEVER, that with respect to any Shares (including Shares of Restricted Stock) issued under the Plan prior to such termination, the Plan shall be deemed to be effective.

SECTION 11. TERM OF THE PLAN

No Award shall be granted under the Plan after ten years from earlier of date of adoption of Plan by Board or date of stockholder approval or any earlier date of discontinuation or termination established pursuant to Section 7(a) of the Plan. However, unless otherwise expressly provided in the Plan or in an applicable Award Agreement, any Award theretofore granted may extend beyond such date, and the authority of the Committee provided for hereunder with respect to the Plan and any Awards, and the authority of the Board to amend the Plan, shall extend beyond the termination of the Plan.
