NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

(Unaudited)

September 30, 2005

1. Basis of Presentation

The accompanying unaudited condensed consolidated financial statements of O'Reilly Automotive, Inc. and Subsidiaries (the Company) have been prepared in accordance with United States generally accepted accounting principles for interim financial information and the instructions to Form 10-Q and Article 10 of Regulation S-X. Accordingly, they do not include all of the information and footnotes required by U.S. generally accepted accounting principles for complete financial statements. In the opinion of management, all adjustments (consisting of normal recurring accruals) considered necessary for a fair presentation have been included. Operating results for the nine months ended September 30, 2005, are not necessarily indicative of the results that may be expected for the year ended December 31, 2005. For further information, refer to the consolidated financial statements and footnotes thereto included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004 (2004 Form 10-K).

2. Acquisition

On May 31, 2005, the Company purchased all of the outstanding stock of W.E. Lahr Company and its subsidiary, Midwest Auto Parts Distributors, Inc. and combined affiliates (Midwest) for \$63 million cash, net of cash acquired, including acquisition costs. Midwest is a specialty retailer, which supplies automotive aftermarket parts in Minnesota, Montana, North Dakota, South Dakota, Wisconsin and Wyoming. The acquisition was accounted for using the purchase method of accounting, and accordingly, the results of operations of Midwest are included in the consolidated statements of income from the date of acquisition. The purchase price was allocated preliminarily to assets acquired and liabilities assumed based on their estimated fair values on the date of acquisition with the excess allocated to goodwill. The acquisition of Midwest was not material for pro forma presentation requirements.

3. Stock Split

On May 20, 2005, the Company's Board of Directors declared a two-for-one stock split that was effected in the form of a 100% stock dividend payable to all shareholders of record as of May 31, 2005. The stock dividend was paid on June 15, 2005. Accordingly, this stock split has been recognized by reclassifying \$559,000, the par value of the additional shares resulting from the split, from retained earnings to common stock.

All earnings per share information included in the accompanying consolidated financial statements has been restated to reflect the effect of the stock split for all periods presented.

4. Stock-based Compensation

The Company has elected to use the intrinsic value method of accounting for stock options issued under our stock option plans and, accordingly, does not record an expense for such stock options. For purposes of pro forma disclosures under the fair value method, the estimated fair value of the options is amortized to expense over the options' vesting period. The Company's pro forma information for the periods ended September 30, is as follows:

5. Synthetic Lease Facility

On June 26, 2003, we completed an amended and restated master agreement relating to our properties leased from SunTrust Equity Funding, LLC (the Facility). The terms of the amended and restated Facility provide for an initial lease period of five years, a residual value guarantee of

approximately \$43.2 million at September 30, 2005, and purchase options on the properties. The Facility also contains a provision for an event of default whereby the lessor, among other things, may require us to purchase any or all of the properties. One additional renewal period of five years may be requested from the lessor, although the lessor is not obligated to grant such renewal. The agreement with SunTrust Equity Funding, LLC has been recorded and disclosed as an operating lease in accordance with Financial Accounting Standards Board (FASB) Statement No. 13, *Accounting for Leases* and Financial Interpretation No. 46R, *Consolidation of Variable Interest Entities*.

7. Income Taxes

The Company's provision for income taxes for the third quarter of 2005 included a non-cash tax adjustment of \$6.1 million in the quarter resulting from the favorable resolution of prior tax uncertainties. The tax benefit realized in the third quarter is nonrecurring and reflects the reversal of previously recorded income tax reserves related to a prior acquisition. In determining the quarterly provision for income taxes, the Company uses an estimated annual effective tax rate based on expected annual income by jurisdiction and statutory tax rates. The impact of significant discrete items, including the tax benefit realized in the third quarter of 2005, is separately recognized in the quarter in which they occur.

8. Recent Accounting Pronouncements

In November 2004, the FASB issued Statement of Financial Accounting Standards (SFAS) 151, *Inventory Costs, an amendment of ARB No. 43, Chapter 4*. The standard requires that abnormal amounts of idle capacity and spoilage costs should be excluded from the cost of inventory and expensed when incurred. The standard is effective for fiscal years beginning after June 15, 2005. We do not expect the adoption of this standard to have a material effect on our financial position, results of operations or cash flows.

In December 2004, the FASB issued SFAS No. 123R, *Share-Based Payment*. SFAS No. 123R is a revision of SFAS No. 123, *Accounting for Stock Based Compensation*, and supersedes APB No. 25, *Accounting for Stock Issued to Employees*. Among other items, SFAS 123R eliminates the use of APB No. 25 and the intrinsic value method of accounting, and requires companies to recognize the cost of employee services received in exchange for awards of equity instruments, based on the grant date fair value of those awards, in the financial statements. The effective date of SFAS 123R is the first reporting period of the first fiscal year beginning on or after June 15, 2005, which is first quarter 2006 for calendar year companies, such as ourselves, although early adoption is allowed. SFAS 123R permits companies to adopt its requirements using either a modified prospective method, or a modified retrospective method. Under the modified prospective method, compensation cost is recognized in the financial statements beginning with the effective date, based on the requirements of SFAS 123R for all share-based payments granted after that date, and based on the requirements of SFAS 123 for all unvested

8. Recent Accounting Pronouncements (continued)

awards granted prior to the effective date of SFAS 123R. Under the modified retrospective method, the requirements are the same as under the modified prospective method, but also permits entities to restate financial statements of previous periods based on pro forma disclosures made in accordance with SFAS 123. We currently utilize a standard option pricing model (i.e., Black-Scholes) to measure the fair value of stock options granted to employees. While SFAS 123R permits entities to continue to use such a model, the standard also permits the use of a lattice model. We have not yet determined which model we will use to measure the fair value of employee stock options upon the adoption of SFAS 123R. See Note 8 of the Company's 2004 Form 10-K for further information. SFAS 123R also requires that the benefits associated with the tax deductions in excess of recognized compensation cost be reported as a financing cash flow, rather than as an operating cash flow as required under current literature. This requirement will reduce net operating cash flows and increase net financing cash flows in periods after the effective date. These future amounts cannot be estimated, because they depend on, among other things, when employees exercise stock options. However, the amount of operating cash flows recognized in prior periods for such tax deductions, as shown in our Consolidated Statement of Cash Flows of the 2004 Form 10-K, were \$4.5 million, \$5.5 million, and \$1.5 million, for the years ended December 31, 2004, 2003, and 2002, respectively. We currently expect to adopt SFAS 123R effective January 1, 2006; however, we have not yet determined which of the aforementioned adoption methods we will use and are still evaluating the standard. See Note 8 of the Company's 2004 Form 10-K for further information on our stock-based compensation plans.

**ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF
RESULTS OF OPERATIONS AND FINANCIAL CONDITION**

Unless otherwise indicated, "we," "us," "our" and similar terms, as well as references to the "Company" or "O'Reilly" refer to O'Reilly Automotive, Inc. and its subsidiaries.

Critical Accounting Policies and Estimates

The fundamental objective of financial reporting is to provide useful information that allows a reader to comprehend the business activities of our Company. To aid in that understanding, management has identified our critical accounting policies. These policies have the potential to have a more significant impact on our financial statements, either because of the significance of the financial statement item to which they relate, or because they require judgment and estimation due to the uncertainty involved in measuring, at a specific point in time, events which are continuous in nature.

Cost of goods sold Cost of goods sold includes warehouse and distribution expenses and estimates of amounts due from vendors for certain merchandise allowances and rebates. These estimates are consistent with historical experience.

Operating, selling, general and administrative expense (OSG&A) OSG&A expense includes estimates for medical, workers compensation and other general liability insurance obligations, which are partially based on estimates of certain claim costs and historical experience.

Accounts receivable Allowance for doubtful accounts is estimated based on historical loss ratios and consistently has been within management's expectations.

Revenue Over-the-counter retail sales are recorded when the customer takes possession of merchandise. Sales to professional installers, also referred to as commercial sales, are recorded upon delivery of merchandise to the customer, generally at the customer's place of business. Wholesale sales to other retailers, also referred to as jobber sales, are recorded upon shipment of merchandise. All sales are recorded net of estimated allowances and discounts.

Vendor concessions The Company receives concessions from its vendors through a variety of programs and arrangements, including co-operative advertising, allowances for warranties and volume purchase rebates. Co-operative advertising allowances that are incremental to our advertising program, specific to a product or event and identifiable for accounting purposes are reported as a reduction of advertising expense in the period in which the advertising occurred. All other vendor concessions are recognized as a reduction of cost of sales when recognized in the consolidated statement of income.

Stock-based compensation We have elected to use the intrinsic value method of accounting for stock options issued under our stock option plans and accordingly do not record an expense for such stock options. For purposes of pro forma disclosures under the fair value method, the estimated fair value of the options is amortized to expense over the options' vesting period. RESULTS OF OPERATIONS AND FINANCIAL CONDITION (CONT.)

Recent Developments

On May 31, 2005, the Company purchased all of the outstanding stock of W.E. Lahr Company and its subsidiary, Midwest Auto Parts Distributors, Inc. and combined affiliates (Midwest) for \$63 million cash, net of cash acquired, including acquisition costs. The purchase price was allocated preliminarily to assets acquired and liabilities assumed based on their estimated fair values on the date of acquisition with the excess allocated to goodwill. The acquisition of Midwest was not material for pro forma presentation requirements.

On May 20, 2005, the Company's Board of Directors declared a two-for-one stock split that was effected in the form of a 100% stock dividend payable to all shareholders of record as of May 31, 2005. The stock dividend was paid on June 15, 2005. Accordingly, this stock split has been recognized by reclassifying \$559,000, the par value of the additional shares resulting from the split, from retained earnings to common stock.

All earnings per share information included in the accompanying consolidated financial statements has been restated to reflect the effect of the stock split for all periods presented.

Results of Operations

Product sales for the third quarter of 2005 were \$542.9 million, an increase of \$87.7 million or 19.3% over product sales for the third quarter of 2004. Product sales for the first nine months of 2005 were \$1.5 billion, an increase of \$236.7 million or 18.3% over product sales for the first nine months of 2004. These increases are due to the opening of 33 net, new stores during the third quarter of 2005 and 183 net, new stores during the first nine months of 2005, including 72 stores added due to the acquisition of Midwest. Increases in comparable store product sales⁽¹⁾ of 6.1% and 7.6% for the third quarter and first nine months of 2005, respectively, also contributed to the increase in product sales compared to the same periods in the prior year. At September 30, 2005, we operated 1,432 stores compared to 1,205 stores at September 30, 2004.

Gross profit increased 19.0% from \$198.2 million (or 43.5% of product sales) in the third quarter of 2004 to \$235.9 million (or 43.5% of product sales) in the third quarter of 2005. Gross profit for the first nine months increased 18.6% from \$557.2 million (or 43.1% of product sales) in 2004 to \$661.1 million (or 43.2% of product sales) in 2005. The increase in gross profit dollars is primarily a result of the increase in the number of stores open during the third quarter and first nine months of 2005 compared to the same periods in 2004, and increased sales levels at existing stores. The increase in gross profit as a percentage of product sales for the first nine months of 2005 compared to 2004, is primarily due to a reduction in the cost of merchandise from vendors and a reduction in warehouse and delivery expenses as a percentage of product sales.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

Operating, selling, general and administrative expenses (OSG&A expenses) increased \$26.3 million from \$142.0 million (or 31.2% of product sales) in the third quarter of 2004 to \$168.3 million (or 31.0% of product sales) in the third quarter of 2005. OSG&A expenses increased \$69.0 million from \$402.8 million (or 31.1% of product sales) in the first nine months of 2004 to \$471.8 million (or 30.8% of product sales) in the first nine months of 2005. The dollar increase in OSG&A expenses resulted from the addition of team members and resources in order to support the increased level of our operations.

Other expense decreased by \$0.2 million in the third quarter of 2005 compared to the third quarter of 2004 and decreased by \$0.6 million for the first nine months of 2005 compared to the first nine months of 2004. The decreases in both periods being compared were primarily due to decreases in interest expense as a result of lower borrowings under our credit facility.

(1) Comparable store product sales are calculated based on the change in product sales of stores open at least one year. Percentage increase in comparable store product sales is calculated based on store sales results, which exclude sales of specialty machinery, sales by outside salesmen and sales to employees.

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF

RESULTS OF OPERATIONS AND FINANCIAL CONDITION (CONT.)

Results of Operations (continued)

Our estimated provision for income taxes decreased \$2.3 million for the third quarter of 2005 compared to the same period in 2004, as a result of the favorable resolution of prior tax uncertainties partially offset by the effect of increased taxable income in the third quarter of 2005. Our estimated provision for income taxes increased \$6.4 million for the first nine months of 2005 compared to the same period in 2004, as a result of increased taxable income for the first nine months, partially offset by the resolution of prior tax uncertainties in the third quarter of 2005. The tax benefit realized in the third quarter of 2005 is nonrecurring and reflects the reversal of previously recorded income tax reserves of \$6.1 million related to a prior acquisition. Our effective tax rate was 27.5% and 33.7% of income before income taxes for the third quarter and first nine months of 2005, respectively, compared with 37.3% and 37.4% for the third quarter and first nine months of 2004, respectively.

Principally, as a result of the foregoing, net income increased from \$34.7 million (or 7.6% of product sales) in the third quarter of 2004 to \$48.6 million (or 9.0% of product sales) in the third quarter of 2005. Net income increased from \$117.6 million (or 9.1% of product sales) in the first nine months of 2004 to \$124.8 million (or 8.2% of product sales) in the first nine months of 2005. The decrease in net income as a percentage of product sales in the first nine months of 2005 compared to the same period in 2004 is the result of the cumulative effect of accounting change of \$21.9 million in the first quarter of 2004.

Liquidity and Capital Resources

Net cash provided by operating activities decreased from \$197.6 million for the first nine months of 2004 to \$183.1 million for the first nine months of 2005. During 2004, we negotiated extended payment terms with many suppliers, which resulted in a large increase in accounts payable. The decrease in cash provided by operating activities for 2005 from 2004 was primarily due to a smaller increase in accounts payable.

Net cash used in investing activities increased from \$124.6 million during the first nine months in 2004 to \$214.5 million for the comparable period in 2005, primarily due to the acquisition of Midwest and increased purchases of property and equipment resulting from new store growth in 2005.

Net cash provided by financing activities was \$14.0 million in the first nine months of 2005, compared to using \$10.5 million in the first nine months of 2004. The increase in net cash provided by financing activities is primarily due to lower repayments of long-term debt in 2005.

We have available an unsecured, five-year syndicated revolving credit facility in the amount of \$100 million (the Credit Facility). The Credit Facility was guaranteed by all of our subsidiaries and may be increased to a total of \$200 million, subject to availability of such additional credit from either existing banks within the syndicate or other banks. At September 30, 2005, none of the Credit Facility was outstanding. Letters of credit totaling \$26.1 million were outstanding at September 30, 2005. Accordingly, we had aggregate availability for additional borrowings of \$73.9 million under the Credit Facility. The Credit Facility, which bears interest at LIBOR plus a spread ranging from 0.50% to 1.00% (3.86% at

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

September 30, 2005) is to expire in July 2010.

In May 2006, \$75 million of our private placement notes become due. We anticipate repaying these notes with cash expected to be provided by operating activities or a combination of such cash and available borrowing capacity under our revolving credit facility.

Our continuing store expansion program requires significant capital expenditures and working capital principally for inventory requirements. The costs associated with the opening of a new store (including the cost of land acquisition, improvements, fixtures, inventory and computer equipment) are estimated to average approximately \$900,000 to \$1.1 million; however, such costs may be significantly reduced where we lease, rather than purchase, the store site. Although the cost to acquire the business of an independently owned parts store varies, depending primarily upon the amount of inventory and the amount, if any, of real estate being acquired, we estimate that the average cost to acquire such a business and convert it to one of our stores is approximately \$400,000, exclusive of the cost of inventory. We plan to finance our expansion program through cash expected to be provided from operating activities and available borrowings under our existing credit facilities.

Liquidity and Capital Resources (continued)

During the first nine months of 2005, 183 net, new stores were opened. The Company plans to open 39 additional stores during the remainder of 2005. The funds required for such planned expansions are expected to be provided by operating activities and the existing and available bank credit facilities.

We believe that our existing cash and cash equivalents, cash expected to be provided by operating activities, available bank credit facilities and trade credit will be sufficient to fund both our short-term and long-term capital and liquidity needs for the foreseeable future.

Off Balance Sheet Arrangements

We have utilized various financial instruments from time to time as sources of cash when such instruments provided a cost effective alternative to our existing sources of cash. We do not believe, however, that we are dependent on the availability of these instruments to fund our working capital requirements or our growth plans.

On December 29, 2000, we completed a sale-leaseback transaction. Under the terms of the transaction, we sold 90 properties, including land, buildings and improvements, which generated \$52.3 million of additional cash. The lease, which is being accounted for as an operating lease, provides for an initial lease term of 21 years and may be extended for one initial ten-year period and two additional successive periods of five years each. The resulting gain of \$4.5 million has been deferred and is being amortized over the initial lease term. Net rent expense during the initial term will be approximately \$5.5 million annually.

In August 2001, we completed a sale-leaseback with O Reilly-Wooten 2000 LLC (an entity owned by certain shareholders of the Company). The transaction involved the sale and leaseback of nine O Reilly Auto Parts stores and resulted in approximately \$5.6 million of additional cash to the Company. The transaction did not result in a material gain or loss. The lease, which has been accounted for as an operating lease, calls for an initial term of 15 years with three five-year renewal options.

On June 26, 2003, we completed an amended and restated master agreement to our \$50 million Synthetic Operating Lease Facility, relating to our properties leased from SunTrust Equity Funding, LLC (the Synthetic Lease), with a group of financial institutions. The terms of the Synthetic Lease provide for an initial lease period of five years, a residual value guarantee of approximately \$43.2 million at September 30, 2005, and purchase options on the properties. The Synthetic Lease also contains a provision for an event of default whereby the lessor, among other things, may require us to purchase any or all of the properties. One additional renewal period of five years may be requested from the lessor, although the lessor is not obligated to grant such renewal. The Synthetic Lease has been accounted for as an operating lease under the provisions of FASB SFAS No. 13 and related interpretations, including FASB Interpretation No. 46.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

We issue stand-by letters of credit provided by a \$50 million sublimit under the Credit Facility that reduce our available borrowings. These letters of credit are issued primarily to satisfy the requirements of workers compensation, general liability and other insurance policies. Substantially all of the outstanding letters of credit have a one-year term from the date of issuance and have been issued to replace surety bonds that were previously issued. Letters of credit totaling \$26.1 million and \$18.6 million were outstanding at September 30, 2005 and 2004, respectively.

New Accounting Standards

In November 2004, the FASB issued SFAS 151, *Inventory Costs, an amendment of ARB No. 43, Chapter 4*. The standard requires that abnormal amounts of idle capacity and spoilage costs should be excluded from the cost of inventory and expensed when incurred. The standard is effective for fiscal years beginning after June 15, 2005. We do not expect the adoption of this standard to have a material effect on our financial position, results of operations or cash flows.

**ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF
RESULTS OF OPERATIONS AND FINANCIAL CONDITION (CONT.)**

New Accounting Standards (continued)

In December 2004, the FASB issued SFAS No. 123R, *Share-Based Payment*. SFAS No. 123R is a revision of SFAS No. 123, *Accounting for Stock Based Compensation*, and supersedes APB No. 25, *Accounting for Stock Issued to Employees*. Among other items, SFAS 123R eliminates the use of APB No. 25 and the intrinsic value method of accounting, and requires companies to recognize the cost of employee services received in exchange for awards of equity instruments, based on the grant date fair value of those awards, in the financial statements. The effective date of SFAS 123R is the first reporting period of the first fiscal year beginning on or after June 15, 2005, which is first quarter 2006 for calendar year companies, such as ourselves, although early adoption is allowed. SFAS 123R permits companies to adopt its requirements using either a modified prospective method, or a modified retrospective method. Under the modified prospective method, compensation cost is recognized in the financial statements beginning with the effective date, based on the requirements of SFAS 123R for all share-based payments granted after that date, and based on the requirements of SFAS 123 for all unvested awards granted prior to the effective date of SFAS 123R. Under the modified retrospective method, the requirements are the same as under the modified prospective method, but also permits entities to restate financial statements of previous periods based on pro forma disclosures made in accordance with SFAS 123. We currently utilize a standard option pricing model (i.e., Black-Scholes) to measure the fair value of stock options granted to employees. While SFAS 123R permits entities to continue to use such a model, the standard also permits the use of a lattice model. We have not yet determined which model we will use to measure the fair value of employee stock options upon the adoption of SFAS 123R. See Note 8 of the Company's Annual Report on Form 10-K for the year ended December 31, 2004 (2004 Form 10-K) for further information. SFAS 123R also requires that the benefits associated with the tax deductions in excess of recognized compensation cost be reported as a financing cash flow, rather than as an operating cash flow as required under current literature. This requirement will reduce net operating cash flows and increase net financing cash flows in periods after the effective date. These future amounts cannot be estimated, because they depend on, among other things, when employees exercise stock options. However, the amount of operating cash flows recognized in prior periods for such excess tax deductions, as shown in our Consolidated Statement of Cash Flows of the 2004 Form 10-K, were \$4.5 million, \$5.5 million, and \$1.5 million, for the years ended December 31, 2004, 2003, and 2002, respectively. We currently expect to adopt SFAS 123R effective January 1, 2006; however, we have not yet determined which of the aforementioned adoption methods we will use and are still evaluating the standard. See Note 8 of the Company's 2004 Form 10-K for further information on our stock-based compensation plans.

Inflation and Seasonality

We have been successful, in many cases, in reducing the effects of merchandise cost increases principally by taking advantage of vendor incentive programs, economies of scale resulting from increased volume of purchases and selective forward buying. As a result, we do not believe our operations have been materially affected by inflation.

Our business is seasonal to some extent primarily as a result of the impact of weather conditions on store sales. Store sales and profits have historically been higher in the second and third quarters (April through September) of each year than in the first and fourth quarters.

Such statements are subject to risks, uncertainties and assumptions, including, but not limited to, competition, product demand, the market for auto parts, the economy in general, inflation, consumer debt levels, governmental approvals, our ability to hire and retain qualified employees, risks associated with the integration of acquired businesses, weather, terrorist activities, war and the threat of war. Actual results may materially differ from anticipated results described or implied in these forward-looking statements. Please refer to Exhibit 99.1 of this Form 10-Q, for additional factors that could materially affect our financial performance.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

We are subject to interest rate risk to the extent we borrow against our revolving credit facility with variable interest rates. Since no amounts were outstanding under the revolving credit facility at September 30, 2005, changes in interest rates would not have any effect. In the event of an adverse change in interest rates and assuming the Company had amounts outstanding under the credit facility, management would likely take actions that would mitigate our exposure to interest rate risk particularly if our borrowing levels increase to any significant extent; however, due to the uncertainty of the actions that would be taken and their possible effects, this analysis assumes no such action. Further, this analysis does not consider the effects of the change in the level of overall economic activity that could exist in such an environment.

ITEM 4. CONTROLS AND PROCEDURES

Management, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, has reviewed and evaluated the effectiveness of our disclosure controls and procedures as required by Rule 13a-15(b) of the Securities Exchange Act of 1934, as amended (the Exchange Act), as of September 30, 2005. Based on such review and evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that the disclosure controls and procedures were effective as of September 30, 2005, to ensure that the information required to be disclosed by the Company in the reports that we file or submit under the Exchange Act (a) is recorded, processed, summarized and reported within the time period specified in the Securities and Exchange Commission's rules and forms and (b) is accumulated and communicated to the Company's management, including our principal executive and principal financial officers, as appropriate to allow timely decisions regarding required disclosure. There were no material changes in our internal control over financial reporting during the quarter ended September 30, 2005, that have materially affected, or are reasonably likely to materially affect, internal controls over financial reporting.

Wells Fargo means Wells Fargo Bank, National Association, in its individual capacity.

Wholly-Owned Subsidiary means, at any time, any Subsidiary one hundred percent (100%) of all of the equity interests (except directors qualifying shares) and voting interests of which are owned by any one or more of the Borrower and the Borrower's other Wholly-Owned Subsidiaries at such time.

Section 1.02 Accounting Terms and Determinations. Unless otherwise specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made and all financial statements required to be delivered hereunder shall be prepared in accordance with GAAP as in effect from time to time, applied on a basis consistent (except for changes concurred in by the Borrower's independent public accountants) with the most recent audited consolidated financial statements of the Borrower and its Subsidiaries delivered to the Banks; provided that, if the Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Article V to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the Borrower that the Required Banks wish to amend any covenant in Article V for such purpose), then the Borrower's compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the Borrower and the Required Banks.

Section 1.03 Types of Borrowings. The term Borrowing denotes the aggregation of Revolving Credit Loans of one or more Banks to be made to the Borrower pursuant to Article II on a single date and, in the case of LIBOR Loans, for a single Interest Period. Borrowings may be classified for purposes of this Agreement by reference to the pricing of Revolving Credit Loans comprising such Borrowing (e.g., a Base Rate Borrowing is a Borrowing comprised of Base Rate Loans and a LIBOR Borrowing is a Borrowing comprised of LIBOR Loans).

ARTICLE II

THE CREDITS

Section 2.01 Revolving Credit Commitments. During the Credit Availability Period, each Bank severally agrees, on the terms and conditions set forth in this Agreement, to make Revolving Credit Loans to the Borrower pursuant to this Section 2.01 from time to time in amounts such

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

that the aggregate outstanding principal amount of Revolving Credit Loans by such Bank shall not exceed the amount of its Revolving Credit Commitment less the sum of (i) such Bank's Revolving Credit Commitment Percentage of Letter of Credit Obligations at such time ~~plus~~ (ii) such Bank's Revolving Credit Commitment Percentage of aggregate principal amount of Swing Line Loans outstanding at such time. Each Borrowing under this Section 2.01 shall be in an aggregate principal amount of \$1,000,000 or any larger multiple of \$500,000. Each Borrowing under this Section 2.01 shall be made from the several Banks ratably in proportion to their respective Revolving Credit Commitments. Within the foregoing limits, the Borrower may borrow under this Section 2.01, repay, or to the extent permitted by Section 2.11, prepay Revolving Credit Loans and reborrow at any time during the Credit Availability Period under this Section 2.01.

Section 2.02 Swing Line Commitment.

(a) During the Credit Availability Period, the Swing Line Lender agrees, on the terms and conditions set forth in this Agreement, to make Swing Line Loans to the Borrower pursuant to this Section 2.02 from time to time in amounts such that the aggregate outstanding principal amount of Swing Line Loans shall not exceed the lesser of (i) the amount of the Swing Line Commitment or (ii) the sum of (A) the total Revolving Credit Commitments at such time minus (B) the aggregate principal amount of Revolving Credit Loans outstanding at such time minus (C) the aggregate amount of Letter of Credit Obligations at such time. Each Swing Line Loan under this Section 2.02 shall be in an aggregate principal amount of \$250,000 or any larger multiple of \$50,000. No Swing Line Loan may be outstanding for more than ten (10) Business Days. The Swing Line Lender shall not make any Swing Line Loan to refinance any outstanding Swing Line Loan. Immediately upon the making of a Swing Line Loan, each Bank shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Bank's Revolving Credit Commitment Percentage of the amount of such Swing Line Loan. Within the foregoing limits, the Borrower may borrow under

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

this Section 2.02, repay or prepay Swing Line Loans and reborrow at any time during the Credit Availability Period under this Section 2.02.

(b) The Swing Line Lender may at any time in its sole and absolute discretion request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Bank make a Revolving Credit Loan which is a Base Rate Loan in an amount equal to such Bank's Revolving Credit Commitment Percentage of the amount of Swing Line Loans then outstanding. Such request shall be made in accordance with the requirements of Section 2.03, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the conditions set forth in Article III. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Notice of Revolving Credit Borrowing promptly after delivering such notice to the Administrative Agent. Not later than 2:00 p.m. (Central Standard Time) on the date of such Revolving Credit Loan, each Bank shall make an amount equal to its Revolving Credit Commitment Percentage of the amount specified in such Notice of Revolving Credit Borrowing available, in Federal or other funds immediately available in Denver, Colorado, to the Administrative Agent at its Payment Office. Unless the Administrative Agent determines that any applicable condition specified in Article III has not been satisfied, the Administrative Agent will make the funds so received from the Banks available to the Swing Line Lender at the Administrative Agent's aforesaid address to pay the then outstanding Swing Line Loans, whereupon, subject to Section 2.02(c) below, each Bank that so makes funds available shall be deemed to have made a Revolving Credit Loan which is a Base Rate Loan to the Borrower in such amount.

(c) If for any reason any Revolving Credit Loan cannot be requested in accordance with Section 2.02(b) above or any Swing Line Loan cannot be refinanced by such a Revolving Credit Loan, the Notice of Revolving Credit Borrowing submitted by the Swing Line Lender shall be deemed to be a request by the Swing Line Lender that each of the Bank's fund its risk participation in the relevant Swing Line Loan and each Bank's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.02(b) above shall be deemed payment in respect of such participation.

(d) If any Bank fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Bank pursuant to the foregoing provisions of Sections 2.02(b) or 2.02(c) by the time specified in Section 2.02(b), the Swing Line Lender shall be entitled to recover from such Bank (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect. A certificate of the Swing Line Lender submitted to any Bank (through the Administrative Agent) with respect to any amounts owing under Section 2.02 shall be conclusive absent manifest error.

(e) Each Bank's obligation to make Revolving Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.02 shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any set-off, counterclaim, recoupment, defense or other right which such Bank may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or (iii) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, however, that each Bank's obligation to make Revolving Credit Loans pursuant to Section 2.02(b) is subject to the conditions set forth in Article III. Any such purchase of participations shall not relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(f) At any time after any Bank has purchased and funded a participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Bank its pro rata share of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Bank's participation was outstanding and funded) in the same funds as those received by the Swing Line Lender.

(g) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender, each Bank shall pay to the Swing Line Lender its pro rata share thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Effective Rate.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

The Administrative Agent will make such demand upon the request of the Swing Line Lender.

(h) Until each Bank funds its Revolving Credit Loan or participation pursuant to this Section 2.02 to refinance such Bank's Revolving Credit Commitment Percentage of any Swing Line Loan, interest in respect of such pro rata share shall be solely for the account of the Swing Line Lender.

Section 2.03

Notice of Borrowings.

(a) Notice of Revolving Credit Borrowings. The Borrower shall give the Administrative Agent notice in the form of Exhibit A attached hereto (a Notice of Revolving Credit Borrowing) not later than (x) 12:00 noon (Central Standard Time) on the Business Day before each Base Rate Borrowing and (y) 12:00 noon (Central Standard Time) on the third Business Day before each LIBOR Borrowing, specifying:

- (i) the date of such Borrowing, which shall be a Business Day,
- (ii) the aggregate amount of such Borrowing,
- (iii) whether the Revolving Credit Loans comprising such Borrowing are to be Base Rate Loans or LIBOR Loans, and
- (iv) in the case of a LIBOR Borrowing, the duration of the Interest Period applicable thereto, subject to the provisions of the definition of Interest Period.

(b) Notice of Swing Line Borrowings. The Borrower shall give the Administrative Agent notice in the form of Exhibit B attached hereto (a Notice of Swing Line Borrowing) not later than (x) 12:00 noon (Central Standard Time) on the date of each Swing Line Loan, specifying:

- (i) the date of such Swing Line Loan, which shall be a Business Day, and
- (ii) the aggregate amount of such Swing Line Loan.

(c) Conversion and Continuation of Outstanding Advances. Base Rate Borrowings shall continue as Base Rate Borrowings unless and until such Base Rate Borrowings are converted into LIBOR Loans pursuant to this Section 2.03 or are repaid in accordance with this Article II. Each LIBOR Borrowing shall continue as a LIBOR Borrowing until the end of the then applicable Interest Period therefor, at which time such LIBOR Borrowing shall be automatically converted into a Base Rate Borrowing unless (x) such LIBOR Borrowing is or was repaid in accordance with this Article II or (y) the Borrower shall have given the Administrative Agent a Conversion/Continuation Notice (as defined below) requesting that, at the end of such Interest Period, such LIBOR Borrowing continue as a LIBOR Borrowing for the same or another Interest Period. The Borrower may elect from time to time to convert all or any part of a Base Rate Borrowing into a LIBOR Borrowing, provided that the resulting Borrowings shall be in a minimum amount of \$1,000,000 or any larger multiple of \$500,000. The Borrower shall give the Administrative Agent irrevocable notice (a Conversion/Continuation Notice) of each conversion of a Base Rate Borrowing into a LIBOR Borrowing or continuation of a LIBOR Borrowing not later than 12:00 noon (Central Standard Time) at least three Business Days prior to the date of the requested conversion or continuation, specifying:

- (i) the requested date, which shall be a Business Day, of such conversion or continuation,
- (ii) the aggregate amount of the Borrowing which is to be converted or continued and whether such Borrowing is a Base Rate Borrowing or a LIBOR Borrowing, and

(iii) the amount of such Borrowing which is to be converted into or continued as a LIBOR Borrowing and the duration of the Interest Period applicable thereto.

In no event shall Borrower be permitted more than seven (7) Interest Periods outstanding at any one time under this Agreement. Notwithstanding the foregoing, so long as any Default has occurred and is continuing, the Borrower shall not be permitted to continue any LIBOR Borrowing as a LIBOR Borrowing or to convert any Base Rate Borrowing into a LIBOR Borrowing.

Section 2.04 Notice to Banks; Funding of Loans.

(a) Upon receipt of a Notice of Revolving Credit Borrowing, the Administrative Agent shall promptly notify each Bank of the contents thereof and of such Bank's share of such Borrowing and such Notice of Revolving Credit Borrowing shall not thereafter be revocable by the Borrower.

(b) Upon receipt of a Notice of Swing Line Borrowing, the Administrative Agent shall promptly notify the Swing Line Lender of the contents thereof and such Notice of Swing Line Borrowing shall not thereafter be revocable by the Borrower.

(c) Not later than 2:00 p.m. (Central Standard Time) on the date of each Borrowing, each Bank therein shall (except as provided in subsection (e) of this Section) make available its share of such Borrowing, in Federal or other funds immediately available in Denver, Colorado, to the Administrative Agent at its Payment Office. Unless the Administrative Agent determines that any applicable condition specified in Article III has not been satisfied, the Administrative Agent will make the funds so received from the Banks available to the Borrower at the Administrative Agent's aforesaid address.

(d) Not later than 2:00 p.m. (Central Standard Time) on the date of each Swing Line Loan, the Swing Line Lender shall make available the principal amount of such Swing Line Loan, in Federal or other funds immediately available in Denver, Colorado, to the Administrative Agent at its Payment Office. Unless the Administrative Agent determines that any

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

applicable condition specified in Article III has not been satisfied, the Administrative Agent will make the funds so received from the Swing Line Lender available to the Borrower at the Administrative Agent's aforesaid address.

(e) If new Revolving Credit Loans are to be made hereunder on a day on which the Borrower is to prepay or repay all or any part of outstanding Revolving Credit Loans, the Banks shall apply the proceeds of the new Revolving Credit Loans to make such repayment and only an amount equal to the difference (if any) between the amount being borrowed and the amount being prepaid or repaid shall be made available by the Banks to the Administrative Agent as provided in subsection (c) above, or remitted by the Borrower to the Administrative Agent as provided in Section 2.12, as the case may be. In such case, the incurrence of such new Revolving Credit Loans and the prepayment or repayment of such outstanding Revolving Credit Loans shall be deemed to have occurred simultaneously.

(f) Unless the Administrative Agent shall have received notice from a Bank prior to the date of any Borrowing that such Bank will not make available to the Administrative Agent such Bank's share of such Borrowing, the Administrative Agent may assume that such Bank has made such share available to the Administrative Agent on the date of such Borrowing in accordance with subsections (c) and (e) of this Section 2.04 and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that such Bank (Defaulting Bank) shall not have so made such share available to the Administrative Agent, such Defaulting Bank and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent, at (i) in the case of the Borrower, a rate *per annum* equal to the interest rate applicable thereto pursuant to Section 2.07 and (ii) in the case of such Defaulting Bank, the Federal Funds Effective Rate. If a Defaulting Bank shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute such Defaulting Bank's Revolving Credit Loan included in such Borrowing for purposes of this Agreement. In addition, until such amount is paid in full by the Defaulting Bank to the Administrative Agent, (a) the Defaulting Bank grants the Administrative Agent the unconditional and irrevocable right of setoff against any amounts (including, without limitation, payments of principal, interest and fees, as well as indemnity payments) received by the Administrative Agent under this Agreement for the benefit of such Defaulting Bank and (b) if such failure to pay shall continue for a period of fifteen (15) or more Business Days, the Defaulting Bank shall forfeit any right to vote on any matter that (i) the Required Banks or (ii) all of the Banks are permitted to vote for under this Agreement or any other Loan Document (and the calculation, and definition, of Required Banks shall exclude such Defaulting Bank's interest in the Revolving Credit Commitments, the Revolving Credit Notes and the Revolving Credit Loans); provided, however, once such a failure is cured, then such Defaulting Bank shall, subsequent thereto, regain all of its voting rights under this Agreement and the other Loan Documents.

(g) Unless the Administrative Agent shall have received notice from the Swing Line Lender prior to the date of any Swing Line Loan that the Swing Line Lender will not make available to the Administrative Agent such Swing Line Loan, the Administrative Agent may assume that the Swing Line Lender has made such share available to the Administrative Agent on the date of such Swing Line Loan in accordance with subsection (d) of this Section 2.04 and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If and to the extent that the Swing Line Lender shall not have so made such share available to the Administrative Agent, the Swing Line Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent, at (i) in the case of the Borrower, a rate *per annum* equal to the higher of the Federal Funds Effective Rate and the interest rate applicable thereto pursuant to Section 2.07 and (ii) in the case of the Swing Line Lender, the Federal Funds Effective Rate. If the Swing Line Lender shall repay to the Administrative Agent such corresponding amount, such amount so repaid shall constitute a Swing Line Loan for purposes of this Agreement.

Section 2.05 Notes.

(a) The Revolving Credit Loans of each Bank shall be evidenced by a single Revolving Credit Note substantially in the form of Exhibit C hereto payable to the order of such Bank for the account of its Applicable Lending Office in an amount equal to the amount of such Bank's Revolving Credit Commitment.

Each Bank shall record in its books and records the date, amount, type and Interest Period (if any) of each Revolving Credit Loan made by it and the date and amount of each payment of principal and/or interest made by the Borrower with respect thereto; provided that the obligation of the Borrower to repay each Revolving Credit Loan shall be absolute and unconditional, notwithstanding any failure of such Bank to make any such recordation or any mistake by such Bank in connection with any such recordation. The books and records of each Bank showing the account between such Bank and the Borrower shall be prima facie evidence of the items set forth therein in the absence of manifest error.

(d) Upon receipt of the Swing Line Note pursuant to Section 3.01(c), the Administrative Agent shall deliver such Swing Line Note to the Swing Line Lender. The Swing Line Lender shall record in its books and records the date and amount of each Swing Line Loan made by it and the date and amount of each payment of principal and/or interest made by the Borrower with respect thereto; provided that the obligation of the Borrower to repay each Swing Line Loan shall be absolute and unconditional, notwithstanding any failure of the Swing Line Lender to make any such recordation or any mistake by the Swing Line Lender in connection with any such recordation. The books and records of the Swing Line Lender showing the account between the Swing Line Lender and the Borrower shall be prima facie evidence of the items set forth therein in the absence of manifest error.

So long as any Event of Default has occurred and is continuing, each Base Rate Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Revolving Credit Loan is made until it becomes due, at a rate *per annum* equal to the sum of 2% plus the Base Rate for such day. (b) So long as no Event of Default has occurred and is continuing, each LIBOR Loan shall bear interest on the outstanding principal amount thereof, for each Interest Period applicable thereto, at a rate *per annum* equal to the applicable LIBOR Rate. So long as any Event of Default has occurred and is continuing, each LIBOR Loan shall bear interest on the outstanding principal amount thereof, for each Interest Period applicable thereto, at a rate *per annum* equal to the sum of 2% plus the higher of (i) the Base Rate for such day and (ii) the applicable LIBOR Rate. So long as any Event of Default has occurred and is continuing, each Swing Line Loan shall bear interest on the outstanding principal amount thereof, for each day from the date such Swing Line Loan is made until it becomes due, at a rate *per annum* equal to the sum of 2% plus the Base Rate for such day. Such interest shall be due and payable quarterly in arrears on the last Business Day of each calendar quarter and at the maturity of the Swing Line Note (whether by reason of acceleration or otherwise). (d) The Administrative Agent shall determine each interest rate applicable to the Loans hereunder. The Administrative Agent shall give prompt notice to the Borrower, the Banks and the Swing Line Lender by e-mail or facsimile of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error.

Section 2.08

Each such reduction shall be permanent.

(c) So long as no Default shall have occurred and be continuing, the Borrower shall have the right from time to time upon not less than thirty (30) days' prior written notice to the Administrative Agent to increase the Revolving Credit Commitments provided that (i) no Bank shall have any obligation to increase its Revolving Credit Commitment, (ii) the Borrower shall only be permitted to request such an increase on three (3) separate occasions, (iii) each such requested increase shall be in a minimum principal amount of \$10,000,000, (iv) in no event shall the Revolving Credit Commitments be increased to an aggregate amount greater than \$200,000,000 and (v) contemporaneously with requesting each such increase, the Borrower certifies to the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and each Bank in writing that immediately before and immediately after giving effect to such increase, (A) the Borrower is in compliance with all of the terms, provisions, covenants and conditions contained in this Agreement and the other Loan Documents and (B) no Default has occurred and is continuing; and provided further that:

(A) any increase in the Revolving Credit Commitments which is accomplished by increasing the Revolving Credit Commitment of any Bank or Banks who are at the time of such increase party to this Agreement (which Bank or Banks shall consent to such increase in their sole and absolute discretion) shall be accomplished as follows: (1) this Agreement will be amended by the Borrower, the Administrative Agent and those Bank(s) whose Revolving Credit Commitment(s) is or are being increased (but without any requirement that the consent of the Swing Line Lender, the Letter of Credit Issuer or any other Banks be obtained) to reflect the revised Revolving Credit Commitments of each of the Banks, (2) the Administrative Agent will deliver an updated Schedule 1.01 to the Borrower, the Swing Line Lender, the Letter of Credit Issuer and each of the Banks reflecting the revised Revolving Credit Commitments and Revolving Credit Commitment Percentages of each of the Banks, (3) the outstanding Revolving Credit Loans and Revolving Credit Commitment Percentages of Letter of Credit Obligations will be reallocated on the effective date of such increase among the Banks in accordance with their revised Revolving Credit Commitment Percentages (and the Banks agree to make all payments and adjustments necessary to effect the reallocation and the Borrower shall pay any and all costs required pursuant to Section 2.13 in connection with such reallocation as if such reallocation were a repayment) and (4) the Borrower will deliver new Revolving Credit Note(s) to the Bank or Banks whose Revolving Credit Commitment(s) is or are being increased reflecting the revised Revolving Credit

Commitments of such Bank(s);

(B) any increase in the Revolving Credit Commitments which is accomplished by addition of a new Bank under this Agreement shall be accomplished as follows: (1) such new Bank shall be subject to the consent of the Administrative Agent and the Borrower, which consent shall not be unreasonably withheld, (2) this Agreement will be amended by the Borrower, the Administrative Agent and such new Bank (but without any requirement that the consent of the Swing Line Lender, the Letter of Credit Issuer or any other Banks be obtained) to reflect the addition of such new Bank as a Bank hereunder, (3) the Administrative Agent will deliver an updated Schedule 1.01 to the Borrower, the Swing Line Lender, the Letter of Credit Issuer and each of the Banks reflecting the revised Revolving Credit Commitments and Revolving Credit Commitment Percentages of each of the Banks, (4) the outstanding Revolving Credit Loans and Revolving Credit Commitment Percentages of Letter of Credit Obligations will be reallocated on the effective date of such increase among the Banks in accordance with their revised Revolving Credit Commitment Percentages (and the Banks agree to make all payments and adjustments necessary to effect the reallocation and the Borrower shall pay any and all costs required pursuant to Section 2.13 in connection with such reallocation as if such reallocation were a repayment) and (5) the Borrower will deliver a Revolving Credit Note to such new Bank; and

(C) notwithstanding anything to the contrary contained in this Agreement, upon any voluntary termination of the Revolving Credit Commitments pursuant to Section 2.09(a) or any voluntary reduction of the Revolving Credit Commitments pursuant to Section 2.09(b), the Borrower shall no longer have the option to request an increase in the Revolving Credit Commitments pursuant to this Section 2.09(c).

Section 2.10 Mandatory Termination of Commitments. The Revolving Credit Commitments and the Swing Line Commitment shall terminate on the Termination Date, and any Loans then outstanding (together with accrued interest thereon) and all accrued and unpaid fees under this Agreement shall be due and payable on such date.

(b) The Borrower may prepay any Swing Line Loans in whole at any time, or from time to time in part in amounts aggregating \$250,000 or any larger multiple of \$50,000 by paying the principal amount to be prepaid together with accrued interest thereon to the date of prepayment.

Section 2.12 General Provisions as to Payments.

(a) The Borrower shall make each payment of principal of, and interest on, the Loans and of fees hereunder, not later than 12:00 noon (Central Standard Time) on the date when due, in Federal or other funds immediately available in Denver, Colorado, to the Administrative Agent at its Payment Office and without setoff or counterclaim and free and clear of and without deduction for any taxes, levies, impost, duties, charges, fees, deductions, withholding, compulsory loans, restrictions or conditions of any nature now or hereafter imposed or levied by any jurisdiction or any political subdivision thereof or taxing or other authority therein unless the Borrower is required by law to make such deduction or withholding. The Administrative Agent will promptly distribute to each Bank and the Swing Line Lender its ratable share (if any) of each such payment received by the Administrative Agent for the account of the Banks and/or the Swing Line Lender. Whenever any payment of principal of, or interest on, the Base Rate Loans or the Swing Line Loans or of fees shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day. Whenever any payment of principal of, or interest on, the LIBOR Loans shall be due on a day which is not a Business Day, the date for payment thereof shall be extended to the next succeeding Business Day unless such Business Day falls in another calendar month, in which case the date for payment thereof shall be the next preceding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(b) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to any of the Banks and/or the Swing Line Lender hereunder that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, cause to be distributed to each Bank and the Swing Line Lender on such due date an amount equal to the amount then due such Bank or the Swing Line Lender, as the case may be. If and to the extent that the Borrower shall not have so made such payment, each Bank and/or the Swing Line Lender, as the case may be, shall repay to the Administrative Agent forthwith on demand such amount distributed to such Bank or the Swing Line Lender, as the case may be, together with interest thereon, for each day from the date such amount is distributed to such

Bank or the Swing Line Lender, as the case may be, until the date such Bank or the Swing Line Lender, as the case may be, repays such amount to the Administrative Agent, at the Federal Funds Effective Rate.

Section 2.13 Funding Losses. If the Borrower makes any payment of principal with respect to any LIBOR Loan or any LIBOR Loan is converted to a different type of Loan (pursuant to Article II, VI or VIII or otherwise) on any day other than the last day of the Interest Period applicable thereto, or if the Borrower fails to borrow any LIBOR Loans after notice has been given to any Bank in accordance with Section 2.04(a), or fails to borrow, prepay, convert or continue any LIBOR Loan after notice has been given to any Bank in accordance with Section 2.03, 2.04(a) or 2.11(a), or Article VIII, the Borrower shall reimburse each Bank within fifteen (15) days after demand for any resulting loss or expense incurred by it (or by an existing or prospective Participant in the related Loan), including (without limitation) any loss incurred in obtaining, liquidating or employing deposits from third parties and any loss of margin for the period after any such payment, conversion or failure to borrow; provided that such Bank shall have delivered to the Borrower a certificate explaining in reasonable detail the amount of such loss or expense, which certificate shall be conclusive in the absence of manifest error.

Section 2.14 Computation of Interest and Fees. All interest and fees hereunder (other than interest on Base Rate Loans) shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day). All interest on Base Rate Loans hereunder (to the extent computed with reference to the Federal Funds Effective Rate) shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day). All interest on Base Rate Loans hereunder (to the extent computed with reference to the Prime Rate) shall be computed on the basis of a year of 365/366 days and paid for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.15 Withholding Tax Exemption.

(a) At least five (5) Business Days prior to the first date on which interest or fees are payable hereunder for the account of any Bank, each Bank that is not incorporated under the laws of the United States of America or a state thereof agrees that it will deliver to each of the Borrower and the Administrative Agent two duly completed copies of United States Internal Revenue Service Form W-8BEN or W-8ECI (or successor forms), certifying in either case that such Bank is entitled to receive payments under this Agreement and the Notes without deduction or withholding of any United States federal income taxes. Each Bank which so delivers a Form W-8BEN or W-8ECI (or successor forms) further undertakes to deliver to each of the Borrower and the Administrative Agent two additional copies of such forms (or successor forms) on or before the date that such form expires or becomes obsolete or after the occurrence of any event requiring a change in the most recent form so delivered by it, and such amendments thereto or extensions or renewals thereof as may be reasonably requested by the Borrower or the Administrative Agent, in each case certifying that such Bank is entitled to receive payments under this Agreement and the Notes without deduction or withholding of any United States federal income taxes, unless an event (including without limitation any change in treaty, law or regulation) has occurred prior to the date on which any such delivery would otherwise be required which renders all such forms inapplicable or which would prevent such Bank from duly completing and delivering any such form with respect to it and such Bank advises the Borrower and the Administrative Agent that it is not capable of receiving payments without any deduction or withholding of United States federal income tax.

(b) If the U.S. Internal Revenue Service or any other governmental authority of the United States or any other country or any political subdivision thereof asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Bank (because the appropriate form was not delivered or properly completed, because such Bank failed to notify the Administrative Agent of a change in circumstances which rendered its exemption from withholding ineffective or for any other reason), such Bank shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as tax, withholding thereof, or otherwise, including penalties and interest, and including taxes imposed by any jurisdiction on amounts payable to the Administrative Agent under this subsection, together with all costs and expenses related thereto (including attorneys fees and time charges of attorneys for the Administrative Agent, which attorneys may be employees of the Administrative Agent). The obligations of the Banks under this Section 2.15(b) shall survive the payment of the Obligations and termination of this Agreement.

Section 2.16 Letters of Credit.

(a) Issuance of Letters of Credit. During the Credit Availability Period, the Letter of Credit Issuer agrees, upon the terms and conditions set forth in this Agreement, to issue at the request upon the application of the Borrower and for the account of the Borrower or a Subsidiary, one or more standby letters of credit (Letters of Credit provided, however, that the Letter of Credit Issuer shall not be under any obligation to issue, and shall not issue, any Letter of Credit if: (i) any order, judgment or decree of any Governmental Authority with jurisdiction over the Letter of Credit Issuer shall purport by its terms to enjoin or restrain such Letter of Credit Issuer from issuing such Letter of Credit, or any law or governmental rule, regulation, policy, guideline or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over the Letter of Credit Issuer shall prohibit, or request that the Letter of Credit Issuer refrain from, the issuance of Letters of Credit in particular or shall impose upon the Letter of Credit Issuer with respect to any Letter of Credit any restriction or reserve or capital requirement (for which the Letter of Credit Issuer is not otherwise compensated) or any unreimbursed loss, cost or expense which was not applicable, in effect and known to the Letter of Credit Issuer as of the date of this Agreement and which the Letter of Credit Issuer in good faith deems material to it (the Letter of Credit Issuer shall promptly notify the Borrower of any event which, in the judgment of the Letter of Credit Issuer, would preclude the issuance of a Letter of Credit pursuant to this clause (i)); (ii) one or more of the conditions to such issuance contained in Section 3.04 is not then satisfied; or (iii) after giving effect to such issuance, the aggregate outstanding amount of the Letter of Credit

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

Obligations would exceed the Letter of Credit Sublimit.

In no event shall:

(i) the aggregate amount of the Letter of Credit Obligations at any time exceed the Letter of Credit Sublimit at such time;

(ii) the Total Outstandings at any time exceed the aggregate amount of the Revolving Credit Commitments at such time; or

(iii) the expiration date of any Letter of Credit (including, without limitation, Letters of Credit issued with an automatic evergreen provision providing for renewal absent advance notice by the Borrower or the Letter of Credit Issuer), or the date for payment of any draft presented thereunder and accepted by the Letter of Credit Issuer, be later than the Letter of Credit Expiry Date.

(b) Participating Interests. Immediately upon the issuance by the Letter of Credit Issuer of a Letter of Credit in accordance with Section 2.16(d) (and on the Effective Date with respect to the Existing Letters of Credit), each Bank shall be deemed to have irrevocably and unconditionally purchased and received from the Letter of Credit Issuer, without recourse, representation or warranty, an undivided participation interest equal to its Revolving Credit Commitment Percentage of the face amount of such Letter of Credit and each draw paid by the Letter of Credit Issuer thereunder. Each Bank's obligation to pay its proportionate share of all draws under the Letters of Credit, absent gross negligence or willful misconduct by the Letter of Credit Issuer in honoring any such draw, shall be absolute, unconditional and irrevocable and in each case shall be made without counterclaim or set-off by such Bank.

(c) Letter of Credit Reimbursement Obligations.

(i) The Borrower agrees to pay to the Letter of Credit Issuer (A) on each date that any amount is drawn under each Letter of Credit a sum (and interest on such sum as provided in clause (B) below) equal to the amount so drawn plus all other charges and expenses with respect thereto specified in Section 2.16(f) or in the applicable Reimbursement Agreement and (B) interest on any and all amounts remaining unpaid under this Section 2.16(c) until payment in full at the Base Rate plus 2.00% *per annum*. The Borrower agrees to pay to the Letter of Credit Issuer the amount of all Reimbursement Obligations owing in respect of any Letter of Credit immediately when due, under all circumstances, including, without limitation, any of the following circumstances: (A) any lack of validity or enforceability of this Agreement or any agreement, document or instrument executed pursuant hereto; (B) the existence of any claim, set-off, defense or other right which the Borrower may have at any time against a beneficiary named in a Letter of Credit, any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), any Bank or any other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transaction between the Borrower and the beneficiary named in any Letter of Credit); (C) the validity, sufficiency or genuineness of any document which the Letter of Credit Issuer has determined in good faith and in accordance with its customary business practices complies on its face with the terms of the applicable Letter of Credit, even if such document should later prove to have been forged, fraudulent, invalid or insufficient in any respect or any statement therein shall have been untrue or inaccurate in any respect; or (D) the surrender or material impairment of any security for the performance or observance of any of the terms hereof.

(ii) Notwithstanding any provisions to the contrary in any Reimbursement Agreement, the Borrower agrees to reimburse the Letter of Credit Issuer for amounts which the Letter of Credit Issuer pays under such Letter of Credit no later than the time specified in this Agreement. If the Borrower does not pay any such Reimbursement Obligations when due, the Borrower shall be deemed to have immediately requested that the Banks make a Revolving Credit Loan which is Base Rate Loan under this Agreement in a principal amount equal to such unreimbursed Reimbursement Obligations. The Administrative Agent shall promptly notify the Banks of such deemed request and, without the necessity of compliance with the requirements of Sections 2.03 or 2.04, each Bank shall make available to the Administrative Agent its Revolving Credit Loan in the manner prescribed for Revolving Credit Loans. The proceeds of such Revolving Credit Loans shall be paid over by the Administrative Agent to the Letter of Credit Issuer for the account of the Borrower in satisfaction of such unreimbursed Reimbursement Obligations, which shall thereupon be deemed satisfied by the proceeds of, and replaced by, such Revolving Credit Loan.

(iii) If the Letter of Credit Issuer makes a payment on account of any Letter of Credit and is not concurrently reimbursed therefore by the Borrower and if for any reason a Revolving Credit Loan may not be made pursuant to subsection 2.16(c)(ii), then as promptly as practical during normal banking hours on the date of its receipt of such notice or, if not practicable on such date, not later than 2:00 p.m. (Central Standard Time) on the Business Day immediately succeeding such date of notification, each Bank shall deliver to the Administrative Agent for the account of the Letter of Credit Issuer, in immediately available funds, the purchase price for such Bank's interest in such unreimbursed Reimbursement Obligations, which shall be an amount equal to such Bank's Revolving Credit Commitment Percentage of such payment. Each Bank shall, upon demand by the Letter of Credit Issuer, pay the Letter of Credit Issuer interest on such Bank's pro-rata share of such draw from the date of

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

payment by the Letter of Credit Issuer on account of such Letter of Credit until the date of delivery of such funds to the Letter of Credit Issuer by such Bank at a rate *per annum*, computed for actual days elapsed based on a 360-day year, equal to the Federal Funds Effective Rate for such period; provided, that such payments shall be made by the Banks only in the event and to the extent that the Letter of Credit Issuer is not reimbursed in full by the Borrower for interest on the amount of any draw on the Letters of Credit.

(iv) At any time after the Letter of Credit Issuer has made a payment on account of any Letter of Credit and has received from any other Bank such Bank's pro-rata share of such payment, such Letter of Credit Issuer shall, forthwith upon its receipt of any reimbursement (in whole or in part) by the Borrower for such payment, or of any other amount from the Borrower or any other Person in respect of such payment (including, without limitation, any payment of interest or penalty fees and any payment under any collateral account agreement of the Borrower but excluding any transfer of funds from

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

any other Bank pursuant to Sections 2.16(c)(ii) or 2.16(c)(iii), transfer to such other Bank such other Bank's ratable share of such reimbursement or other amount; provided, that interest shall accrue for the benefit of such Bank from the time such Letter of Credit Issuer has made a payment on account of any Letter of Credit; provided, further, that in the event that the receipt by the Letter of Credit Issuer of such reimbursement or other amount is found to have been a transfer in fraud of creditors or a preferential payment under the United States Bankruptcy Code or is otherwise required to be returned, such Bank shall promptly return to the Letter of Credit Issuer any portion thereof previously transferred by the Letter of Credit Issuer to such Bank, but without interest to the extent that interest is not payable by the Letter of Credit Issuer in connection therewith.

(d) Procedure for Issuance. Prior to the issuance of each Letter of Credit, and as a condition of such issuance, the Borrower shall deliver to the Letter of Credit Issuer (with a copy to the Administrative Agent) a Reimbursement Agreement signed by the Borrower, together with such other documents or items as may be required pursuant to the terms thereof, and the proposed form and content of such Letter of Credit shall be reasonably satisfactory to the Letter of Credit Issuer. Each Letter of Credit shall be issued no earlier than two (2) Business Days after delivery of the foregoing documents, which delivery may be by the Borrower to the Letter of Credit Issuer by facsimile transmission, telex or other electronic means followed by delivery of executed originals within five (5) days thereafter. The documents so delivered shall be in compliance with the requirements set forth in subsection 2.16(a), and shall specify therein (i) the stated amount of the Letter of Credit requested, (ii) the effective date of issuance of such requested Letter of Credit, which shall be a Business Day, (iii) the date on which such requested Letter of Credit is to expire, (iv) the entity for whose benefit the requested Letter of Credit is to be issued, which shall be either Borrower or a Subsidiary and (v) the aggregate amount of Letter of Credit Obligations which are outstanding and which will be outstanding after giving effect to the requested Letter of Credit issuance. The delivery of the foregoing documents and information shall constitute an Issuance Request for purposes of this Agreement. Subject to the terms and conditions of Section 2.16(a) and provided that the applicable conditions set forth in Section 3.04 hereof have been satisfied, the Letter of Credit Issuer shall, on the requested date, issue a Letter of Credit on behalf of the Borrower in accordance with the Letter of Credit Issuer's usual and customary business practices. In addition, any amendment of an existing Letter of Credit shall be deemed to be an issuance of a new Letter of Credit and shall be subject to the requirements set forth above. The Letter of Credit Issuer shall give the Administrative Agent prompt written notice of the issuance of any Letter of Credit.

(e) Nature of the Banks' Obligations.

(i) As between the Borrower and the Banks, the Borrower assumes all risks of the acts and omissions of, or misuse of the Letters of Credit by, the respective beneficiaries of the Letters of Credit. In furtherance and not in limitation of the foregoing, the Banks shall not be responsible for (A) the form, validity, sufficiency, accuracy, genuineness or legal effect of any document submitted by any party in connection with the application for an issuance of a Letter of Credit, even if it should in fact prove to be in any or all respects invalid, insufficient, inaccurate, fraudulent or forged; (B) the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason; (C) the failure of the beneficiary of a Letter of Credit to comply fully with conditions required to be satisfied by any Person other than the Letter of Credit Issuer in order to draw upon such Letter of Credit (other than a failure to satisfy documentary conditions to drawing where payment of the Letter of Credit despite such failure would constitute gross negligence or willful misconduct of the Letter of Credit Issuer); (D) errors, omissions, interruptions or delays in transmission or delivery of any messages, by mail, cable, telegraph, facsimile transmission, telex or otherwise; (E) the misapplication by the beneficiary of a Letter of Credit of the proceeds of any drawing under such Letter of Credit; or (F) any consequences arising from causes beyond control of the Letter of Credit Issuer.

(ii) In furtherance and extension and not in limitation of the specific provisions hereinabove set forth (including in subsection 2.16(c)(i)), any action taken or omitted by the Letter of Credit Issuer under or in connection with the Letters of Credit or any related certificates, if taken or omitted in good faith, shall not put the Administrative Agent or any Bank under any resulting liability to the Borrower or relieve the Borrower of any of its obligations hereunder to the Letter of Credit Issuer or any such Person.

(f) Letter of Credit Fees. The Borrower hereby agrees to pay letter of credit fees with respect to each Letter of Credit from and including the date of issuance thereof until the date such Letter of Credit is fully drawn, canceled or expired, (a) for the account of the Letter of Credit Issuer, an issuance fee equal to the lesser of (i) .10% of the initial face amount of such Letter of Credit or (ii) \$2,000, payable on the date of issuance

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

and on each anniversary date of the date of issuance (provided, however, that such issuance fees shall only be payable with respect to a Letter of Credit if, immediately prior to the issuance of such Letter of Credit, at least ten (10) other Letters of Credit are already outstanding) and (b) for the ratable amount of the Banks, a *per annum* percentage of the aggregate amount from time to time available to be drawn on such Letter of Credit equal to (i) so long as no Event of Default has occurred and is continuing, the Applicable LIBOR Margin from time to time in effect and (ii) so long as any Event of Default has occurred and is continuing, 2% over and above the Applicable LIBOR Margin from time to time in effect, payable quarterly in arrears on the last Business Day of each calendar quarter during the term of such Letter of Credit and upon the expiration, cancellation or utilization in full of such Letter of Credit. In addition to the foregoing, the Borrower agrees to pay the Letter of Credit Issuer any other administrative fees customarily charged by it in respect of Letters of Credit issued by it to the extent such administrative fees are previously disclosed to the Borrower by the Letter of Credit Issuer prior to the issuance of a Letter of Credit.

(g) Conflict with Reimbursement Agreement. In the event of any conflict between the terms of this Agreement and the terms of any Reimbursement Agreement, the terms of this Agreement shall govern and control.

(h) Existing Letters of Credit. Notwithstanding any provision contained in this Agreement to the contrary, (i) all references in this Agreement to Letters of Credit shall include the irrevocable standby letters of credit listed on Schedule 2.16 attached hereto which have heretofore been issued by the Letter of Credit Issuer for the account of the Borrower (the "Existing Letters of Credit") and (ii) all references in this Agreement to the Reimbursement Agreements shall include the applications and/or agreements for irrevocable standby letters of credit heretofore executed by the Borrower in favor of the Letter of Credit Issuer in connection with any of the Existing Letters of Credit.

Section 4.03 Binding Effect. This Agreement constitutes a valid and binding agreement of the Borrower, and the Notes and Reimbursement Agreements, when executed and delivered in accordance with this Agreement, will constitute valid and binding obligations of the Borrower, in each case enforceable against the Borrower in accordance with their respective terms.

(i) any member of the ERISA Group shall fail to pay when due an amount or amounts aggregating in excess of \$10,000,000 which it shall have become liable to pay under Title IV of ERISA; or notice of intent to terminate a Material Plan shall be filed under Title IV of ERISA by any member of the ERISA Group, any plan administrator or any combination of the foregoing; or the PBGC shall institute proceedings under Title IV of ERISA to terminate, to impose liability (other than for premiums under Section 4007 of ERISA) in respect of, or to cause a trustee to be appointed to administer any Material Plan; or a condition shall exist by reason of which the PBGC would be entitled to obtain a decree adjudicating that any Material Plan must be terminated; or there shall occur a complete or partial withdrawal from, or a default, within the meaning of Section 4219(c)(5) of ERISA, with respect to, one or more Multiemployer Plans which could cause one or more members of the ERISA Group to incur a current payment obligation in excess of \$10,000,000; or

(j) a judgment or order (i) for the payment of money in excess of \$10,000,000 or (ii) that would otherwise result in a Material Adverse Effect shall be rendered against the Borrower or any Subsidiary and such judgment or order shall continue unsatisfied and unstayed for a period of 30 days; or

(k) any person or group of persons (within the meaning of Section 13 or 14 of the Securities Exchange Act of 1934, as amended) shall have acquired beneficial ownership (within the meaning of Rule 13d-3 promulgated by the Securities and Exchange Commission under said Act) of 30% or more in voting power of the outstanding Voting Stock of the Borrower; or, during any period of 24 consecutive calendar months, a majority of the board of directors of the Borrower does not consist of individuals who were (i) directors of the Borrower on the first day of such period, (ii) directors who were selected or whose nomination for election was approved by a vote of at least a majority of the directors then still in office referred to in clause (i) above, or (iii) directors who were selected or whose nomination for election was approved by a vote of at least a majority of the board consisting of directors still in office described in clauses (i) and (ii) above or this clause (iii); or

(l) the Borrower shall repudiate, or shall challenge the validity or enforceability of its obligations under the Loan Documents or for any reason any of the Loan Documents shall cease to be in full force and effect;

then, and in every such event, the Administrative Agent shall (i) if requested by the Required Banks, by notice to the Borrower terminate the Revolving Credit Commitments and the Swing Line Commitment and they shall thereupon terminate and (ii) if requested by the Required Banks, by notice to the Borrower declare the Notes (together with accrued interest thereon) and the other Obligations to be, and the Notes and such other Obligations shall thereupon become, immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower; provided that in the case of any of the Events of Default specified in clause (g) or (h) above with respect to the Borrower, without any notice to the Borrower or any other act by the Administrative Agent or the Banks, the Revolving

Credit Commitments and the Swing Line Commitment shall thereupon terminate and the Notes (together with accrued interest thereon) and the other Obligations shall become immediately due and payable without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower. Upon the occurrence of any of the foregoing, the Borrower shall immediately deposit with the Administrative Agent as cash collateral to secure all Letter of Credit Obligations an amount in immediately available funds equal to the undrawn portion of all Letters of Credit then outstanding.

Section 6.02 Notice of Default. The Administrative Agent shall give notice to the Borrower under Section 6.01(c) promptly upon being requested to do so by any Bank and shall thereupon notify all the Banks thereof.

ARTICLE VII

THE ADMINISTRATIVE AGENT, THE SWING LINE LENDER

AND THE LETTER OF CREDIT ISSUER

Section 7.01 Appointment. The Banks hereby appoint the Administrative Agent to act as specified herein and in the Loan Documents. Each Bank hereby irrevocably authorizes and each holder of any Note by the acceptance of such Note shall be

deemed to irrevocably authorize the Administrative Agent to take such action on its behalf under the provisions hereof, the Loan Documents (including, without limitation, to give notices and take such actions on behalf of the Required Banks as are consented to in writing by the Required Banks) and any other instruments, documents and agreements referred to herein or therein and to exercise such powers hereunder and thereunder as are specifically delegated to the Administrative Agent by the terms hereof and thereof and such other powers as are reasonably incidental thereto. The Administrative Agent may perform any of its duties hereunder and under the Loan Documents, by or through its officers, directors, agents, employees or affiliates.

Section 7.02 Nature of Duties. No Administrative Agent-Related Person shall have duties or responsibilities except those expressly set forth in this Agreement. The duties of the Administrative Agent shall be mechanical and administrative in nature. EACH BANK HEREBY ACKNOWLEDGES AND AGREES THAT THE ADMINISTRATIVE AGENT SHALL NOT HAVE, BY REASON OF THIS AGREEMENT OR ANY LOAN DOCUMENTS, A FIDUCIARY RELATIONSHIP TO OR IN RESPECT OF ANY BANK. Nothing in this Agreement or in any Loan Document, expressed or implied, is intended to or shall be so construed as to impose upon any Administrative Agent-Related Person any obligations in respect of the Agreement or any Loan Document except as expressly set forth herein or therein. Each Bank shall make its own independent investigation of the financial condition and affairs of the Borrower in connection with the making and the continuance of the Loans hereunder and shall make its own appraisal of the creditworthiness of the Borrower, and, except as expressly set forth herein, no Administrative Agent-Related Person shall have any duty or responsibility, either initially or on a continuing basis, to provide any Bank with any credit or other information with respect thereto, whether coming into its possession before making of the Loans or at any time or times thereafter. The Administrative Agent will promptly notify each Bank at any time that the Required Banks have instructed it to act or refrain from acting pursuant to Article VI. The Administrative Agent agrees, upon the written request of the Required Banks, to take any action of the type specified in this Agreement or any of the other Loan Documents as being within the Administrative Agent's rights, duties, powers or discretion. Notwithstanding the foregoing, (a) the Administrative Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first be indemnified to its satisfaction by the Banks pro rata against any and all liabilities, losses, costs and expenses (including, without limitation, attorneys' fees and expenses) which may be incurred by it by reason of taking or continuing to take any such action, other than any liability caused by the Administrative Agent's gross negligence or willful misconduct and (b) in no event shall the Administrative Agent be required to take any action which it in good faith believes would violate this Agreement or any other Loan Document or any applicable law, rule or regulation.

Section 7.03 Exculpation Rights, Etc. Neither the Administrative Agent nor any of its officers, directors, agents, employees, affiliates or any Administrative Agent-Related Person shall be liable for any action taken or omitted by them hereunder or under any Loan Document or in connection herewith or therewith, unless caused by its or their gross negligence or willful misconduct. No Administrative Agent-Related Person shall be responsible to any Bank for any recitals, statements, representations or warranties herein or for the execution, effectiveness, genuineness, validity, enforceability, collectibility, or sufficiency of this Agreement or any Loan Document or any other document or the financial condition of the Borrower or any Subsidiary. No Administrative Agent-Related Person shall be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any Loan Document or any other document or the financial condition of the Borrower or any Subsidiary, or the existence or possible existence of any Default, unless requested to do so by the Required Banks. The Administrative Agent may at any time request instructions from the Banks with respect to any actions or approvals (including the failure to act or approve) which by the terms of this Agreement or the Loan Documents, the Administrative Agent is permitted to take or to grant, and if such instructions are requested, the Administrative Agent shall be absolutely entitled to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever to any person for refraining from any action or withholding any approval under this Agreement or any Loan Document until it shall have received such instructions from the Required Banks. Without limiting the foregoing, no Bank shall have any right of action whatsoever against any Administrative Agent-Related Person as a result of such Administrative Agent-Related Person acting, approving or refraining from acting or approving under any of the Loan Documents in accordance with the instructions of the Required Banks or, to the extent required by Section 9.05, all of the Banks.

Section 7.04 Reliance. The Administrative Agent shall be entitled to rely, and shall be fully protected in relying, upon any notice, writing, resolution notice, statement, certificate, order or other document or any telephone, telex, teletype or facsimile message believed by it to be genuine and correct and to have been signed, sent or made by the proper Person, and, with respect to all matters pertaining herein or to any Loan Document and its duties hereunder to thereunder, upon advice of counsel selected by the Administrative Agent.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

Section 7.05 Indemnification. To the extent any Administrative Agent-Related Person is not reimbursed and indemnified by the Borrower, the Banks will reimburse and indemnify each Administrative Agent-Related Person for and against any and all liabilities, obligations, losses, damages, claims, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against any Administrative Agent-Related Person in any way relating to or arising out of this Agreement or any Loan Document or any action taken or omitted by any Administrative Agent-Related Person under this Agreement or any Loan Document, in proportion to each Bank's Revolving Credit Commitment Percentage provided, however, that no Bank shall be liable to an Agent-Related Person for any portion of such liabilities, obligations, losses, damages, claims, penalties, actions, judgments, suits, costs, expenses or disbursements resulting

from such Agent-Related Person's gross negligence or willful misconduct. The obligations of the Banks under this Section 7.05 shall survive the payment in full of the Obligations and the termination of this Agreement.

Section 7.06 Administrative Agent In Its Individual Capacity. With respect to its Loans, its Revolving Credit Commitment and its Swing Line Commitment (and its Revolving Credit Commitment Percentage), the Administrative Agent shall have and may exercise the same rights and powers hereunder and is subject to the same obligations and liabilities as and, to the extent set forth herein, for any other Bank or holder of obligations hereunder. The terms "Banks", "holder of obligations" or "Required Banks" or any similar term shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity as a Bank, one of the Required Banks or a holder of obligations hereunder. The Administrative Agent may accept deposits from, lend money to, and generally engage in any kind of banking, trust or other business with the Borrower or any Subsidiary or Affiliate of the Borrower as if it were not acting as the Administrative Agent hereunder or under the Loan Documents, including, without limitation, the acceptance of fees or other consideration for services without having to account for the same to any of the Banks.

Section 7.07 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default hereunder unless the Administrative Agent has received written notice from a Bank or the Borrower referring to this Agreement describing such Default and stating that such notice is a notice of default. In the event that the Administrative Agent receives such a notice, the Administrative Agent shall give prompt notice thereof to the Banks.

Section 7.08 Holders of Obligations. The Administrative Agent may deem and treat the payee of any obligation hereunder as reflected on the books and records of the Administrative Agent as the owner thereof for all purposes hereof unless and until a written notice of the assignment or transfer thereof shall have been filed with the Administrative Agent pursuant to Section 9.06(c). Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is the holder of any obligation hereunder shall be conclusive and binding on any subsequent holder, transferee or assignee of such obligation or of any obligation or obligations granted in exchange therefor.

Section 7.09 Resignation by the Administrative Agent.

(a) The Administrative Agent may resign from the performance of all its functions and duties hereunder at any time by giving twenty (20) Business Days' prior written notice to the Borrower and the Banks. Such resignation shall take effect upon the acceptance by a successor the Administrative Agent of appointment pursuant to clauses (b) and (c) below or as otherwise provided below.

(b) Upon any such notice of resignation, the Required Banks shall appoint a successor Administrative Agent who shall be reasonably satisfactory to the Borrower and shall be an incorporated bank or trust company with combined capital and surplus in excess of \$250,000,000.

(c) If a successor Administrative Agent shall not have been so appointed within said twenty (20) Business Day period, the Administrative Agent, with the consent of the Borrower (which consent shall not be unreasonably withheld), shall then appoint a successor Administrative Agent who shall serve as the Administrative Agent until such time, if any, as the Required Banks, with the consent of the Borrower (which consent shall not be unreasonably withheld), appoint a successor Administrative Agent as provided above.

(d) If no successor Administrative Agent has been appointed pursuant to clause (b) or (c) by the twenty-fifth (25th) Business Day after the date such notice of resignation was given by Administrative Agent, Administrative Agent's resignation shall become effective and the Required Banks shall thereafter perform all the duties of Administrative Agent hereunder until such time, if any, as the Required Banks, with the consent of Borrower (which consent shall not be unreasonably withheld), appoint a successor Administrative Agent as provided above.

(e) Notwithstanding the foregoing, no consent of the Borrower to any successor Administrative Agent shall be required if any Event of Default has occurred and is continuing.

Section 7.10 Application of Article VII to Swing Line Lender and Letter of Credit Issuer. The provisions of this Article VII and the obligations of the Banks thereunder shall be deemed equally to apply to, and be for the benefit of, the Swing Line Lender, the Swing Line Lender-Related Persons, the Letter of Credit Issuer and the Letter of Credit Issuer-Related Persons in connection with their administration of the Swing Line Loans, the Letters of Credit, the Letter of Credit Obligations and the terms and provisions of Sections 2.02 and 2.16, to the same extent that such provisions apply to the Administrative Agent, the Administrative Agent-Related Persons, the Loans and the Obligations, *mutatis mutandis*.

Section 7.11 No Duties Imposed on Syndication Agent or Sole Lead Arranger. None of the Persons identified on the cover page to this Agreement, the signature pages to this Agreement or otherwise in this Agreement as a Syndication Agent or Sole Lead Arranger shall have, solely in such capacities, any right, power, obligation, liability, responsibility or duty under this Agreement. Without limiting the foregoing, none of the Persons identified on the cover page to this Agreement, the signature

pages to this Agreement or otherwise in this Agreement as a Syndication Agent or Sole Lead Arranger shall have or be deemed to have any fiduciary duty to or fiduciary relationship with any Lender. In addition to the agreement set forth in Section 7.02, each of the Lenders acknowledges that it has not relied, and will not rely, on any of the Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

ARTICLE VIII

CHANGE IN CIRCUMSTANCES

Section 8.01 Basis for Determining Interest Rate Inadequate or Unfair. If on or prior to the first day of any Interest Period for any LIBOR Borrowing:

(a) the Administrative Agent is advised by Wells Fargo that deposits in dollars (in the applicable amounts) are not being offered to Wells Fargo in the relevant market for such Interest Period, or

(b) Required Banks advise the Administrative Agent that the LIBOR Rate as determined by the Administrative Agent will not adequately and fairly reflect the cost to such Banks of funding their LIBOR Loans for such Interest Period,

the Administrative Agent shall forthwith give notice thereof to the Borrower and the Banks, whereupon until the Administrative Agent notifies the Borrower that the circumstances giving rise to such suspension no longer exist, the obligations of the Banks to make LIBOR Loans shall be suspended. Unless the Borrower notifies the Administrative Agent at least two (2) Business Days before the date of any LIBOR Borrowing for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, any such LIBOR Borrowing shall instead be made as a Base Rate Borrowing.

Section 8.02 Illegality. If on or after the Effective Date, the adoption of any applicable law, rule or regulation, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Bank (or its LIBOR Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for any Bank (or its LIBOR Lending Office) to make, maintain or fund its LIBOR Loans and such Bank shall so notify the Administrative Agent, the Administrative Agent shall forthwith give notice thereof to the other Banks and the Borrower, whereupon until such Bank notifies the Borrower and the Administrative Agent that the circumstances giving rise to such suspension no longer exist, the obligation of such Bank to make LIBOR Loans shall be suspended. Before giving any notice to the Administrative Agent pursuant to this Section, such Bank shall designate a different LIBOR Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Bank, be otherwise disadvantageous to such Bank. If such Bank shall determine that it may not lawfully continue to maintain and fund any of its outstanding LIBOR Loans to maturity and shall so specify in such notice, the Borrower shall immediately prepay in full the then outstanding principal amount of each such LIBOR Loan, together with accrued interest thereon. Concurrently with prepaying each such LIBOR Loan, the Borrower shall borrow a Base Rate Loan in an equal principal amount from such Bank (on which interest and principal shall be payable contemporaneously with the related LIBOR Loans of the other Banks), and such Bank shall make such a Base Rate Loan.

Section 8.03 Increased Cost and Reduced Return.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

(a) If on or after the Effective Date, the adoption of any applicable law, rule or regulation, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Bank (or its Applicable Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency:

(i) shall subject any Bank (or its Applicable Lending office) to any tax, duty or other charge with respect to its LIBOR Loans, its Note(s), its obligation to make LIBOR Loans or its Letter of Credit Obligations (collectively, its Covered Credits), or shall change the basis of taxation of payments to any Bank (or its Applicable Lending Office) of the principal of or interest on its LIBOR Loans or any other amounts due under this Agreement in respect of its Covered Credits (except for changes in the rate of franchise taxes or tax on the overall net income of such Bank or its Applicable Lending Office imposed by the jurisdiction in which such Bank's principal executive office or Applicable Lending Office is located); or

(ii) shall impose, modify or deem applicable any reserve (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System, but excluding with respect to any LIBOR Loan any such requirement included in an applicable LIBOR Reserve Percentage), special deposit, insurance assessment or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Bank (or its Applicable Lending Office) or shall impose on any Bank (or its Applicable Lending Office) or on the United States market for the London interbank market any other condition affecting its Covered Credits;

and the result of any of the foregoing is to increase the cost to such Bank (or its Applicable Lending Office) of making or maintaining any Covered Credits, or to reduce the amount of any sum received or receivable by such Bank (or its Applicable Lending Office) under this Agreement or under its Note(s) with respect thereto, by an amount deemed by such Bank to be material, then, within fifteen (15) days after demand by such Bank (with a copy to the Administrative Agent), the Borrower shall pay to such Bank such additional amount or amounts as will compensate such Bank for such increased cost or reduction.

(b) If any Bank shall have determined that, after the Effective Date, the adoption of any applicable law, rule or regulation regarding capital adequacy, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or any request or directive regarding capital adequacy (whether or not having the force of law) of any such authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on capital of such Bank (or its Parent) as a consequence of such Bank's obligations hereunder to a level below that which such Bank (or its Parent) could have achieved but for such adoption, change, request or directive (taking into consideration its policies with respect to capital adequacy) by an amount deemed by such Bank to be material, then from time to time, within fifteen (15) days after demand by such Bank (with a copy to the Administrative Agent), the Borrower shall pay to such Bank such additional amount or amounts as will compensate such Bank (or its Parent) for such reduction.

(c) Each Bank will promptly notify the Borrower and the Administrative Agent of any event of which it has knowledge, occurring after the Effective Date, which will entitle such Bank to compensation pursuant to this Section and will designate a different Applicable Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Bank, be otherwise disadvantageous to such Bank. A certificate of any Bank claiming compensation under this Section and setting forth the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Bank may use any reasonable averaging and attribution methods.

Section 8.04 Base Rate Loans Substituted for Affected LIBOR Loans. If (a) the obligation of any Bank to make LIBOR Loans has been suspended pursuant to Section 8.02 or (b) any Bank has demanded compensation under Section 8.03(a), then, unless and until such Bank notifies the Borrower that the circumstances giving rise to such suspension or demand for compensation no longer apply:

(a) all Revolving Credit Loans which would otherwise be made by such Bank as LIBOR Loans shall be made instead as Base Rate Loans (on which interest and principal shall be payable contemporaneously with the related LIBOR Loans of the other Banks), and

(b) after each of its LIBOR Loans has been repaid, all payments of principal which would otherwise be applied to repay such LIBOR Loans shall be applied to repay its Base Rate Loans instead.

ARTICLE IX

MISCELLANEOUS

Section 9.01 Notices. All notices, requests and other communications to any party hereunder shall be in writing (including facsimile transmission or similar writing) and shall be given to such party: (x) in the case of the Borrower, the Administrative Agent, the Swing Line Lender or the Letter of Credit Issuer, at its address or facsimile number set forth on Schedule 9.01 hereto, (y) in the case of any Bank, at its

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

address or facsimile number set forth in its Administrative Questionnaire or (z) in the case of any party, such other address or facsimile number as such party may hereafter specify for the purpose by notice to the Administrative Agent and the Borrower. Each such notice, request or other communication shall be effective (a) if given by facsimile transmission, when such facsimile transmission is transmitted to the facsimile number specified in this Section and the appropriate answerback or receipt of transmission is received, (ii) if given by mail, three (3) Business Days after such communication is deposited in the mail with first class postage prepaid, addressed as aforesaid or (iii) if given by any other means, when delivered at the address specified in this Section; provided that notices to the Administrative Agent under Article II or Article VIII shall not be effective until received.

Section 9.02 No Waivers. No failure or delay by the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer or any Bank in exercising any right, power or privilege hereunder, under any Note or under any other Loan Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein provided shall be cumulative and not exclusive of any rights or remedies provided by law.

Section 9.03 Expenses; Documentary Taxes; Indemnification.

(a) The Borrower shall pay (i) all reasonable out-of-pocket expenses of the Administrative Agent, including fees and disbursements of counsel for the Administrative Agent, in connection with the preparation of this Agreement, (ii) all reasonable out-of-pocket expenses of the Administrative Agent, including fees and disbursements of counsel to the

Administrative Agent, in connection with any waiver or consent hereunder or any amendment, modification, extension, renewal, supplement or restatement of or to this Agreement or any other Loan Document or any Default or alleged Default hereunder and (iii) if an Event of Default occurs, all out-of-pocket expenses incurred by the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and each Bank, including fees and disbursements of outside counsel, in connection with such Event of Default and collection, bankruptcy, insolvency and other enforcement proceedings resulting therefrom. The Borrower shall indemnify the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and each Bank against any transfer taxes, documentary taxes, assessments or charges made by any governmental authority by reason of the execution and delivery of this Agreement, the Notes or any of the other Loan Documents.

(b) The Borrower agrees to indemnify the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and each Bank and hold the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and each Bank harmless from and against any and all liabilities, losses, damages, costs and expenses of any kind, including, without limitation, the reasonable fees and disbursements of counsel, which may be incurred by the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and/or any Bank in connection with any investigative, administrative or judicial proceeding (whether or not the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and/or such Bank shall be designated a party thereto) relating to or arising out of this Agreement or any actual or proposed use of proceeds of Loans hereunder or any actual or proposed use of any Letter of Credit; provided that none of the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and any Bank shall have the right to be indemnified hereunder for its own gross negligence or willful misconduct.

Section 9.04 Sharing of Set-Offs. Each Bank agrees that if it shall, by exercising any right of set-off or counterclaim or otherwise, receive payment of a proportion of the aggregate amount of principal and interest due with respect to any Note held by it which is greater than the proportion received by any other Bank in respect of the aggregate amount of principal and interest due with respect to any Note held by such other Bank, the Bank receiving such proportionate greater payment shall purchase such participations in the Notes held by the other Banks, and such other adjustments shall be made, as may be required so that all such payments of principal and interest with respect to the Notes held by the Banks shall be shared by the Banks pro rata; provided that nothing in this Section shall impair the right of any Bank to exercise any right of set-off or counterclaim it may have and to apply the amount subject to such exercise to the payment of indebtedness of the Borrower other than its indebtedness under the Notes. The Banks further agree among themselves that if any such excess payment to a Bank shall be rescinded or must otherwise be restored, the other Bank(s) which shall have shared the benefit of such payment shall, by repurchase of participation theretofore sold, or otherwise, return its share of that benefit to the Bank(s) whose payment shall have been rescinded or otherwise restored. The Borrower agrees, to the fullest extent it may effectively do so under applicable law, that any holder of a participation in a Note, whether or not acquired pursuant to the foregoing arrangements, may exercise rights of set-off or counterclaim and other rights with respect to such participation as fully as if such holder of a participation were a direct creditor of the Borrower in the amount of such participation.

Section 9.05 Amendments and Waivers. Any provision of this Agreement or the Notes may be amended or waived if, but only if, such amendment or waiver is in writing and is signed by the Borrower and the Required Banks (and, if the rights or duties of the Administrative Agent, the Swing Line Lender or the Letter of Credit Issuer are affected thereby, by the Administrative Agent, the Swing Line Lender or the Letter of Credit Issuer, as the case may be); provided, however, (a) any amendment to this Agreement which solely increases the total Revolving Credit Commitments to up to, but not in excess of, \$200,000,000 either through the addition of one or more new Banks or an increase in the Revolving Credit Commitments of one or more of the existing Banks and makes no other changes to this Agreement or any other Loan Document (other than the issuance of conforming Revolving Credit Notes), need only be signed by the Administrative Agent, the Borrower and the Bank(s) whose Revolving Credit Commitments are increased and (b) no such amendment or waiver shall, unless signed by each Bank (i) increase the Revolving Credit Commitment of such Bank, (ii) decrease the Revolving Credit Commitment of any Bank (except for a ratable decrease in the Revolving Credit Commitments of all Banks), (iii) increase the total Revolving Credit Commitments above \$200,000,000, (iv) reduce the principal of or rate of interest on any Loan, Letter of Credit Obligation or any fees hereunder, (v) postpone the date fixed for any payment of principal of or interest on any Loan, Letter of Credit Obligation or any fees hereunder or for any reduction or termination of any Revolving Credit Commitment or the Swing Line Commitment, (vi) change the definition of Required Banks, (vii) amend Section 9.04, (viii) amend this Section 9.05 or (ix) change the percentage of the Revolving Credit Commitments or of the aggregate unpaid principal amount of the Revolving Credit Notes or the Letter of Credit Obligations, or the number of Banks, which shall be required for the Banks or any of them to take any action under this Section or any other provision of this Agreement.

Section 9.06

Successors and Assigns.

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that the Borrower may not assign or otherwise transfer any of its rights under this Agreement without the prior written consent of the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and each Bank.

(b) Any Bank may, with the prior written consent of the Borrower and the Administrative Agent, such consents not to be unreasonably withheld, provided, that if a Participant is an Affiliate of the granting Bank neither the Borrower s

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

nor the Administrative Agent's consent shall be required and provided further that if an Event of Default has occurred and is continuing, the Borrower's consent shall not be required, at any time grant to one or more banks or other financial institutions (each, a Participant) participating interests in its Revolving Credit Commitment or any or all of its Loans and Letter of Credit Obligations. In the event of any such grant by a Bank of a participating interest to a Participant, such Bank shall remain responsible for the performance of its obligations hereunder, and the Borrower and the Administrative Agent shall continue to deal solely and directly with such Bank in connection with such Bank's rights and obligations under this Agreement. Any agreement pursuant to which any Bank may grant such a participating interest shall provide that such Bank shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided that such participation agreement may provide that such Bank will not agree to any modification, amendment or waiver of this Agreement described in sub-clauses (i), (ii), (iii), (iv) or (v) of clause (b) of Section 9.05 without the consent of the Participant. The Borrower agrees that each Participant shall, to the extent provided in its participation agreement, be entitled to the benefits of Article VIII with respect to its participating interest. An assignment or other transfer which is not permitted by subsection (c) or (d) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b).

(c) (i) Any Bank may at any time assign to one or more banks or other financial institutions (each, an Assignee) all, or a proportionate part (such portion to be in an amount equal to or greater than \$5,000,000) of all, of its rights and obligations under this Agreement, the Notes and the Letter of Credit Obligations, and such Assignee shall assume such rights and obligations, pursuant to an assignment and assumption agreement in substantially the form of Exhibit F hereto (an Assignment and Assumption Agreement) executed by such Assignee and such transferor Bank, with (and subject to) the subscribed consent of the Borrower and the Administrative Agent, such consents not to be unreasonably withheld; provided, that an Assignee not an Affiliate of such transferor Bank or another Bank must be a financial institution with combined capital and surplus in excess of \$250,000,000; provided further that if an Assignee is an Affiliate of such transferor Bank (including a trust established to administer loans sold by such Bank or its Affiliates to such trust, which trust is and shall continue to be administered by such Bank or an Affiliate thereof) neither the Borrower's nor the Administrative Agent's consent shall be required, provided that such transferor Bank shall remain fully obligated under this Agreement for all funding and payment obligations; and provided further that if an Event of Default has occurred and is continuing, the Borrower's consent shall not be required.

(ii) Upon (A) execution of an Assignment and Assumption Agreement and the payment of a nonrefundable assignment fee of \$3,500 in immediately available funds to the Administrative Agent at its Payment Office in connection with each such assignment, (B) written notice of such assignment by such transferor Bank to the Administrative Agent and (C) the recording by the Administrative Agent of such assignment in the Register and the resulting effect upon the Loans and Letter of Credit Obligations of the assigning Bank and the Assignee, the Assignee shall have, to the extent of such assignment, the same rights and benefits as it would have if it were a Bank hereunder and the holder of a Note and Letter of Credit Obligations (provided that the Borrower and the Administrative Agent shall be entitled to continue to deal solely and directly with the assignor Bank in connection with the interests so assigned to the Assignee until written notice of such assignment, together with payment instructions, addresses and related information with respect to the Assignee, shall have been given to the Borrower and the Administrative Agent by the assignor Bank and the Assignee) and, if the Assignee has expressly assumed, for the benefit of the Borrower, some or all of the transferor Bank's obligations hereunder, such transferor Bank shall be relieved of its obligations hereunder to the extent of such assignment and assumption, and except as described above, no further consent or action by the Borrower, the Banks or the Administrative Agent shall be required.

(iii) If the Assignee is not incorporated under the laws of the United States of America or a state thereof, it shall, prior to the first date on which interest or fees are payable hereunder for its account, deliver to the Borrower and the Administrative Agent certification as to exemption from deduction or withholding of any United States federal income taxes in accordance with Section 2.15.

(iv) Each Assignee shall take such Loans, Letter of Credit Obligations and Revolving Credit Commitment subject to the provisions of this Agreement and to any request made, waiver or consent given or other action taken hereunder, prior to the receipt by the Administrative Agent and the Borrower of written notice of such transfer, by each previous holder of such Loans, Letter of Credit Obligations and Revolving Credit Commitment. Such Assignment and Assumption Agreement shall be deemed to amend this Agreement and Schedule 1.01 hereto, to the extent, and only to the extent, necessary to reflect the addition of such Assignee as a Bank and the resulting adjustment of all or a portion of the rights and obligations of such transferor Bank under this Agreement, the determination of its Revolving Credit Commitment Percentage (in each case,

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

rounded to twelve decimal places), the Loans, the Letter of Credit Obligations and any new Notes to be issued, at the Borrower's expense, to such Assignee, and no further consent or action by the Borrower or the Banks shall be required to effect such amendments.

(d) Notwithstanding any other provision set forth in this Agreement, any Bank may at any time pledge or assign all or any portion of its rights under this Agreement and the other documents executed and delivered in connection herewith (including, without limitation, any Note held by it) to any Federal Reserve Bank in accordance with Regulation A of the Federal Reserve Board without notice to, or the consent of, the Borrower or the Administrative Agent and with the consent of the Borrower and the Administrative Agent, any Bank which is a fund may pledge all or any portion of its Notes or Loans to its trustee

in support of its obligations to its trustee. No such pledge or assignment shall release the transferor Bank from its obligations hereunder.

(e) No Assignee, Participant or other transferee of any Bank's rights shall be entitled to receive any greater payment under Section 8.03 than such Bank would have been entitled to receive with respect to the rights transferred, unless such transfer is made with the Borrower's prior written consent or by reason of the provisions of Section 8.02 or 8.03 requiring such Bank to designate a different Applicable Lending Office under certain circumstances or at a time when the circumstances giving rise to such greater payment did not exist.

(f) The Borrower hereby designates the Administrative Agent to serve as the Borrower's Administrative Agent, solely for purposes of this Section 9.06 to maintain a register (the Register) on which it will record the Loans made and Letter of Credit Obligations held by each of the Banks and each repayment in respect of the principal amount of the Loans and Letter of Credit Obligations of each Bank. Failure to make any such recordation, or any error in such recordation shall not affect the Borrower's obligations in respect of such Loans or such Letters of Credit. With respect to any Bank, the transfer of the rights to the principal of, and interest on, any Loan or Letter of Credit Obligation shall not be effective until the transfer is recorded on the Register maintained by the Administrative Agent with respect to ownership of such Loan or Letter of Credit Obligation and prior to such recordation all amounts owing to the transferor with respect to such Loan or Letter of Credit Obligation shall remain owing to the transferor. The registration of assignment or transfer of all or part of any Loans or Letter of Credit Obligations shall be recorded by the Administrative Agent on the Register only upon the acceptance by the Administrative Agent of a properly executed and delivered Assignment and Assumption Agreement pursuant to Section 9.06(c). Coincident with the delivery of such an Assignment and Assumption Agreement to the Administrative Agent for acceptance and registration of assignment or transfer of all or part of a Loan or Letter of Credit Obligation, or as soon thereafter as practicable, the assigning or transferor Bank shall surrender the Note evidencing such Loan or Letter of Credit Obligation, and thereupon one or more new Notes in the same aggregate principal amount then owing to such assignor or transferor Bank shall be issued to the assigning or transferor Bank and/or the new Bank. The Borrower agrees to indemnify the Administrative Agent from and against any and all losses, claims, damages and liabilities of whatsoever nature which may be imposed on, asserted against or incurred by the Administrative Agent in performing its duties under this Section 9.06(f); provided that the Administrative Agent shall not have the right to be indemnified under this Section 9.06(f) for its own gross negligence or willful misconduct.

Section 9.07 Collateral. Each of the Banks represents to the Administrative Agent and each of the other Banks that in good faith is not relying upon any margin stock (as defined in Regulation U) as collateral in the extension or maintenance of the credit provided for in this Agreement.

Section 9.08 Governing Law. This Agreement and each Note shall be governed by and construed in accordance with the substantive laws of the state of Missouri, without giving effect to the application of choice of law principles.

Section 9.09 Counterparts. This Agreement may be signed in any number of counterparts (including facsimile counterparts), each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

Section 9.10 NO ORAL AGREEMENTS; ENTIRE AGREEMENT. This notice is provided pursuant to Section 432.047, R.S.Mo. As used herein, borrower(s) means the Borrower, creditor means the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and the Banks and each of the credit agreement and this writing means this Agreement and the other Loan Documents. ORAL AGREEMENTS OR COMMITMENTS TO LOAN MONEY, EXTEND CREDIT OR TO FORBEAR FROM ENFORCING REPAYMENT OF A DEBT INCLUDING PROMISES TO EXTEND OR RENEW SUCH DEBT ARE NOT ENFORCEABLE, REGARDLESS OF THE LEGAL THEORY UPON WHICH IT IS BASED THAT IS IN ANY WAY RELATED TO THE CREDIT AGREEMENT. TO PROTECT YOU (BORROWER(S)) AND US (CREDITOR) FROM MISUNDERSTANDING OR DISAPPOINTMENT, ANY AGREEMENTS WE REACH COVERING SUCH MATTERS ARE CONTAINED IN THIS WRITING, WHICH IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE AGREEMENT BETWEEN US, EXCEPT AS WE MAY LATER AGREE IN WRITING TO MODIFY IT. This Agreement embodies the entire agreement and understanding between the parties hereto and supersedes all prior agreements and understandings (oral or written) relating to the subject matter hereof.

Section 9.11 Confidentiality. The Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and each Bank represent that they will maintain the confidentiality of any written or oral information provided under this Agreement by or on behalf of the Borrower (hereinafter collectively called Confidential Information), subject to the Administrative Agent's, the Swing Line Lender's, the Letter of Credit Issuer's and each Bank's (a) obligation to disclose any such Confidential Information pursuant to a request or order under applicable laws and regulations or pursuant to a subpoena or other legal process, (b) right to disclose any such Confidential Information to its bank examiners, auditors, counsel and other professional advisors and to other Banks, (c) right to disclose any such Confidential Information in connection with any litigation or dispute involving the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer and/or any Bank, on the one hand, and the Borrower or any of its Subsidiaries and Affiliates, on the other hand, and (d) right to provide such information to Participants, prospective Participants to which sales of participating interests are permitted pursuant to Section 9.06(b) and prospective Assignees to which

Edgar Filing: O REILLY AUTOMOTIVE INC - Form 10-Q

assignments of interests are permitted pursuant to Section 9.06(c) if such Participant, prospective Participant or prospective Assignee agrees in writing to maintain the confidentiality of such information on terms substantially similar to those of this Section as if it were a Bank party hereto. Notwithstanding the foregoing, any such information supplied to the Administrative Agent, the Swing Line Lender, the Letter of Credit Issuer, a Bank, a Participant, a prospective Participant or a prospective Assignee under this Agreement shall cease to be Confidential Information if it is or becomes known to such Person by other than unauthorized disclosure, or if it becomes a matter of public knowledge.

Section 9.12 Consent to Jurisdiction; Waiver of Jury Trial. THE BORROWER IRREVOCABLY SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY MISSOURI STATE COURT SITTING IN THE CITY OR COUNTY OF ST. LOUIS, MISSOURI AND/OR ANY UNITED STATES OF AMERICA COURT SITTING IN THE EASTERN DISTRICT OF MISSOURI, EASTERN DIVISION, AS THE ADMINISTRATIVE AGENT MAY ELECT, IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT. THE BORROWER HEREBY IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT TO SUCH SUIT, ACTION OR PROCEEDING MAY BE HELD AND DETERMINED IN ANY OF SUCH COURTS. THE BORROWER IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH THE BORROWER MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT, AND THE BORROWER FURTHER IRREVOCABLY WAIVES ANY CLAIM THAT SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. THE BORROWER AUTHORIZES THE SERVICE OF PROCESS UPON BORROWER BY REGISTERED MAIL SENT TO BORROWER AT ITS ADDRESS DETERMINED PURSUANT TO SECTION 9.01. EACH OF THE BORROWER, THE ADMINISTRATIVE AGENT, THE SWING LINE LENDER, THE LETTER OF CREDIT ISSUER AND EACH BANK HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 9.13 Independence of Covenants. All of the covenants contained in this Agreement and the other Loan Documents shall be given independent effect so that if a particular action, event or condition is prohibited by any one of such covenants, the fact that it would be permitted by an exception to, or otherwise be in compliance within the provisions of, another covenant shall not avoid the occurrence of a Default if such action is taken, such event occurs or such condition exists.

Section 9.14 Distribution of Material. The Borrower agrees that the Administrative Agent may make any material delivered by the Borrower to the Administrative Agent, as well as any amendments, waivers, consents and other written information, agreements, documents, instruments and other materials relating to the Borrower or any of its Subsidiaries, or any other materials or matters relating to this Agreement or any of the other Loan Documents or any of the transactions contemplated hereby or thereby (collectively, the Materials) available to the Letter of Credit Issuer, the Swing Line Lender and the Banks by posting such Materials on an electronic delivery system (which may be provided by the Administrative Agent, an affiliate of the Administrative Agent or a Person that is not an affiliate of the Administrative Agent), such as IntraLinks, or a substantially similar electronic system (the Platform). The Borrower acknowledges that (a) the distribution of the Materials through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution, (b) the Platform is provided as is and as available and (c) neither the Administrative Agent nor any Administrative Agent-Related Person warrants the accuracy, completeness, timeliness, sufficiency, or sequencing of the Materials posted on the Platform. The Administrative Agent and the Administrative Agent-Related Persons expressly disclaim with respect to the Platform any liability for errors in transmission, incorrect or incomplete downloading, delays in posting or delivery, or problems accessing the Materials posted on the Platform and any liability for any losses, costs, expenses or liabilities that may be suffered or incurred in connection with the Platform. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Administrative Agent or any Administrative Agent-Related Person in connection with the Platform.

Each of the Letter of Credit Issuer, the Swing Line Lender and each Bank agrees that notice to it (as provided in the next sentence) (a Notice) specifying that any Materials have been posted to the Platform shall for purposes of this Agreement constitute effective delivery to such Person of such information, documents or other materials comprising such Materials. Each of the Letter of Credit Issuer, the Swing Line Lender and each Bank agrees (a) to notify, on or before the date such Person becomes a party to this Agreement, the Administrative Agent in writing of such Person's e-mail address to which a Notice may be sent (and from time to time thereafter to ensure that the Administrative Agent has on record an effective e-mail address for such Person) and (b) that any Notice may be sent to such e-mail address.

Section 9.15 USA PATRIOT Act Notice. Each of the Administrative Agent (for itself and not on behalf of the Letter of Credit Issuer, the Swing Line Lender or any Bank), the Letter of Credit Issuer, the Swing Line Lender and each Bank hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Person to identify the Borrower in accordance with the Act.

Exhibit 99.1 - Certain Risk Factors

Some of the information in this Form 10-Q contains, and future reports, press releases and other public information may contain, forward-looking statements that involve substantial risks and uncertainties. You can identify these statements by forward-looking words such as "may," "will," "expect," "anticipate," "believe," "estimate," and "continue" or similar words. These "forward-looking statements" are made in reliance upon the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 (See Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934.) You should read statements that contain these words carefully because they: (1) discuss our future expectations; (2) contain projections of our future results of operations or of our financial condition; or (3) state other "forward-looking" information. We believe it is important to communicate our expectations to our investors. However, there may be events in the future that we are not able to accurately predict or over which we have no control.

The risk factors listed in this exhibit, as well as any cautionary language in this Form 10-Q, are subject to risks, uncertainties and assumptions, including, but not limited to, competition, product demand, the market for auto parts, the economy in general, inflation, consumer debt levels, governmental approvals, our ability to hire and retain qualified employees, risks associated with the integration of acquired business, weather, terrorist activities, war and the threat of war. Actual results may materially differ from anticipated results described in these forward-looking statements. You should be aware that the occurrence of the events described in these risk factors and elsewhere in our annual report on Form 10-K for the year ended December 31, 2004 (the 2004 Form 10-K) could have a material adverse effect on our business, operating results and financial condition.

Competition

We compete with a large number of retail (DIY) and wholesale (professional installers) automotive aftermarket product suppliers. The distribution of automotive aftermarket products is a highly competitive industry, particularly in the more densely populated market areas that we serve. Competitors include national and regional automotive parts chains, independently owned parts stores (some of which are associated with national auto parts distributors or associations), automobile dealerships, mass or general merchandise, discount and convenience chains that carry automotive products, independent warehouse distributors and parts stores and national warehouse distributors and associations. Some of our competitors are larger than we are and have greater financial resources. In addition, some of our competitors are smaller than we are overall but have a greater presence than we do in a particular market. For a list of our principal competitors, see the "Competition" section of Item 1 to our 2004 Form 10-K.

No Assurance of Future Growth

We believe that our ability to open additional stores at an accelerated rate will be a significant factor in achieving our growth objectives for the future. Failure to achieve our growth objectives may negatively impact the trading price of our common stock. Our ability to accomplish our growth objectives is dependent, in part, on matters beyond our control, such as weather conditions, zoning and other issues related to new store site development, the availability of qualified management personnel and general business and economic conditions. We cannot be sure that our growth plans for 2005 and beyond will be achieved. For a discussion of our growth strategies, see the "Growth and Expansion Strategies" section of Item 1 to our 2004 Form 10-K.

Acquisitions May Not Lead to Expected Growth

We expect to continue to make acquisitions as an element of our growth strategy. Acquisitions involve certain risks that could cause our actual growth to differ from our expectations. For example: (1) we may not be able to continue to identify suitable acquisition candidates or to acquire additional companies at favorable prices or on other favorable terms; (2) our management's attention may be distracted; (3) we may fail to retain key acquired personnel; (4) we may assume unanticipated legal liabilities and other problems; and (5) we may not be able to successfully integrate the operations (accounting and billing functions, for example) of businesses we acquire to realize economic, operational and other benefits.

O'REILLY AUTOMOTIVE, INC. AND SUBSIDIARIES

Exhibit 99.1 - Certain Risk Factors (continued)

Sensitivity to Regional Economic and Weather Conditions

All of our stores are located in the Central and Southern United States. In particular, approximately 28% of our stores are located in Texas. Therefore, our business is sensitive to the economic and weather conditions of this region. Unusually severe or inclement weather tends to reduce sales, particularly to DIY customers.

Dependence Upon Key and Other Personnel

Our success has been largely dependent on the efforts of certain key personnel, including David E. O'Reilly, Ted F. Wise, Greg L. Henslee and James R. Batten. Our business and results of operations could be materially adversely affected by the loss of the services of one or more of these individuals. Additionally, our successful implementation and management of our growth and expansion strategies will depend on our ability to continue to attract and retain qualified personnel. We cannot be sure that we will be able to continue to attract such personnel. For a further discussion of our management and personnel, see the "Business" section of Item 1 and Item 4a of our 2004 Form 10-K and our Proxy Statement on Schedule 14A for the 2005 Annual Meeting of Shareholders.

Concentration of Ownership by Management

Our executive officers and directors as a group beneficially own a substantial percentage of the outstanding shares of our common stock. These officers and directors have the ability to exercise effective voting control of the company, including the election of all of our directors, and to effectively determine the vote on any matter being voted on by our shareholders, including any merger, sale of assets or other change in control of the company.

Possible Volatility of Our Stock Price

The stock market and the price of our common stock may be subject to volatile fluctuations based on general economic and market conditions. The market price for our common stock may also be affected by our ability to meet analysts' expectations. Failure to meet such expectations, even slightly, could have an adverse effect on the market price of our common stock. In addition, stock market volatility has had a significant effect on the market prices of securities issued by many companies for reasons unrelated to the operating performance of these companies. In the past, following periods of volatility in the market price of a company's securities, securities class action litigation has often been instituted against such a company. If similar litigation were instituted against us, it could result in substantial costs and a diversion of our management's attention and resources, which could have an adverse effect on our business.

Shares Eligible for Future Sale

All of the shares of common stock currently held by our affiliates may be sold in reliance upon the exemptive provisions of Rule 144 of the Securities Act of 1933, as amended, subject to certain volume and other conditions imposed by such rule. We cannot predict the effect, if any, that future sales of shares of common stock or the availability of such shares for sale will have on the market price of the common stock prevailing from time to time. Sales of substantial amounts of common stock, or the perception that such sales might occur, could adversely affect the prevailing market price of the common stock.
