Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

The shares of Common Stock reported herein are held by the Reporting Persons in commingled margin accounts, which may extend margin credit to the Reporting Persons from time to time, subject to applicable federal margin regulations, stock exchange rules and credit policies. In such instances, the positions held in the margin account are pledged as collateral security for the repayment of debit balances in the account. The margin accounts bear interest at a rate based upon the broker's call rate from time to time in effect. Since other securities are held in the margin accounts, it is not possible to determine the amounts, if any, of margin used to purchase the shares of Common Stock reported herein.

Item 4. PURPOSE OF TRANSACTION.

The Reporting Persons originally acquired the shares of Common Stock in the ordinary course of business because they believed that the shares, when purchased, were undervalued and represented an attractive investment opportunity. The Reporting Persons have engaged, and expect to continue to engage, in discussions with management, the board of directors, other stockholders of the Company and other relevant parties concerning the business, operations, management, strategy and future plans of the Company.

Such discussions have included a conversation on December 9, 2011 with management of the Company, based on publicly available information, concerning the Company's current strategic options. During that conversation, the Reporting Persons referenced recent public comments by another significant investor in the Common Stock about a specific potential merger partner for the Company. The Reporting Persons noted their concerns that if management were to contemplate such a merger, management should consider among other things whether the potential merger partner's construction and military segments would allow for the creation of sufficiently valuable synergies with the Company to merit such a transaction. The Reporting Persons made clear to the Company's management that any merger (or other strategic transaction) that could not demonstrate the ability to derive significant value from synergies that would accrue to the benefit of the Company, and not just the acquisition target, would not be in the best interests of the Company's stockholders. During the conversation, the Reporting Persons did not receive any material non-public information about the Company, the potential merger partner, any potential merger or other strategic transaction, or otherwise, and the Company did not provide any guidance as to its thoughts about any such potential merger. As of the date of this filing, the Reporting Persons have not made any conclusions as to the merits of any such potential merger.

Except as described herein, the Reporting Persons have no present plan or proposal that would relate to or result in any of the matters set forth in subparagraphs (a)-(j) of Item 4 of Schedule 13D. The Reporting Persons intend to review their investment in the Company on a continuing basis. Depending on various factors including, without limitation, the Company's financial position and strategic direction, the outcome of the discussions referenced above, actions taken by the board of directors, price levels and trading activity of the Common Stock, other investment opportunities available to the Reporting Persons, conditions in the securities market and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Company as they deem appropriate for investment purposes and/or to change or influence the control of the Company, including, without limitation, (i) acquiring additional Common Stock and/or other equity, debt, notes, instruments or other securities (collectively, "Securities") of the Company in the open market or otherwise; (ii) disposing of any or all of their Securities in the open market or otherwise; (iii) engaging in short selling of or any hedging or similar transactions with respect to the Securities; and/or (iv) otherwise changing their intention with respect to any and all matters referred to in Item 4 of Schedule 13D.
