The other documents required from shareholders will be delivered to the DCV, the department of shares of Chilesat Corp, in order to register the transfers and enter the shares offered for sale in the name of Banchile Corredores de Bolsa, or in the name of the stock exchange brokers that

participate in the Offer, in its shareholders' registry; which will keep them on its registry for the account of its clients (shareholders who sign the Acceptances) in order that once the Offer has been completed, the Shares will be transferred to Banchile Corredores de Bolsa, which in turn, can transfer the shares acquired to the name of Telmex Chile. If DCV has legal objections for any reasons against the transfer of shares, and the objection is not lifted within the existing term of the Offer, or the shares are not fully paid and free of Liens, or cannot be registered in the name of Banchile Corredores de Bolsa, or in the name of the stock exchange brokers that participate in the Offer, due to a violation of Chilean regulations for the registration of shares in the shareholders' registers of open corporations, the respective Acceptance order will be automatically cancelled, considered for all purposes as if it were never made; Banchile Corredores de Bolsa or the intervening stock exchange brokerage office will be obligated to restore to the shareholder the certificates and other documents provided by the latter.
