Item 1. Security and Issuer.

The class of securities to which this statement relates is the common limited partner units (the Common Units) of TransMontaigne Partners L.P., a Delaware limited partnership (the Issuer). Notwithstanding the filing of this Schedule 13D, the Reporting Persons believe that the Common Units should be treated as non-voting securities based on the limited voting rights of the limited partners under the First Amended and Restated Agreement of Limited Partnership of the Issuer dated May 27, 2005 (the Partnership Agreement). The principal executive offices of the Issuer are located at 1670 Broadway, Suite 3100, Denver, Colorado 80202.

As more fully described in Item 5 below, beginning on November 13, 2008, THI (as defined below) directly, and MSCGI (as defined below), TMG (as defined below), TransMontaigne Product Services Inc. and TransMontaigne Holdings L.L.C. indirectly through THI(as defined below), and MSSSI (as defined below) had the right to convert certain subordinated units representing limited partner interests in the Issuer (the Subordinated Units) into Common Units.

On November 13, 2008, THI directly, and MSCGI, TMG, TransMontaigne Product Services and TransMontaigne Holdings indirectly through THI, converted 718,067 Subordinated Units into Common Units and MSSSI converted 112,500 Subordinated Units into Common Units.

Item 2. Identity and Background.

This Schedule 13D is being filed jointly on behalf of (i) Morgan Stanley, a Delaware corporation (MS), (ii) Morgan Stanley Capital Group Inc., a Delaware corporation (MSCGI), (iii) Morgan Stanley Strategic Investments, Inc., a Delaware corporation (MSSSI), (iv) Morgan Stanley & Co. Incorporated, a Delaware corporation (MS&Co.), (v) TransMontaigne Inc., a Delaware Corporation (TMG), (vi) TransMontaigne Product Services Inc, a Delaware corporation, (vii) TransMontaigne Holdings L.L.C. , a Delaware limited liability company, and (viii) TransMontaigne Holdings Inc., a Delaware Corporation (THI) and, together with MS, MSCGI, MSSSI, MS&Co., TMG, TransMontaigne Product Services, TransMontaigne Holdings and THI, the Reporting Persons). The name, business address, present principal occupation or employment and citizenship of each director and executive officer of MS, MSCGI, MSSSI and MS&Co. are set forth in Schedules A, B, C and D, respectively.

The address of the principal business office of MS, MSCGI, MSSSI and MS&Co. is 1585 Broadway, New York, New York, 10036. The address of the principal business office of TMG, TransMontaigne Product Services, TransMontaigne Holdings and THI (together the TransMontaigne Companies) is 1670 Broadway, Suite 3100, Denver, Colorado 80202.

MS is a global financial services firm that maintains leading market positions in each of its business segments Institutional Securities, Individual Investor Group, and Investment Management.

Edgar Filing: TRANSMONTAIGNE INC - Form SC 13D

MSCGI is a wholly owned subsidiary of MS. MSCGI effects non-regulated transactions with various international clients in various international markets. MSCGI is a non-clearing member of NYMEX and executes transactions for its own account on such exchange.

MSSI and MS&Co. are wholly owned subsidiaries of MS. MS&Co. is a registered broker-dealer in the United States.

TMG is a holding company, that, through its wholly owned operating subsidiaries and affiliated entities, operates in the refined petroleum products, midstream, logistical services business and in the marketing and distribution of such products. TMG is a wholly owned subsidiary of MSCGI. TransMontaigne Product Services is a wholly owned subsidiary of TMG. TransMontaigne Product Services owns 60% of the equity in TransMontaigne Holdings; the other 40% of the equity is owned by TransMontaigne Services Inc., a wholly owned direct subsidiary of TMG. TransMontaigne Holdings is the 100% equity owner of THI.

During the last five years, none of the Reporting Persons, nor, to the knowledge of the Reporting Persons, any of the persons listed on Schedules A, B, C, D, E, F, G and H attached hereto, has been (1) convicted in a

criminal proceeding (excluding traffic violations or similar misdemeanors) or (2) a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws, other than, in the case of clause (2), as described in Schedule I hereto.

Item 3. Source and Amount of Funds or Other Consideration.

As more fully described in Item 4 below, on May 27, 2005, MSSSI (formerly MSDW Bondbook Ventures Inc.) acquired 450,000 Subordinated Units in a private placement. MSSSI obtained funds for the purchase price through internally generated funds.

As more fully described in Item 4 below, on September 1, 2006, MSCGI indirectly acquired 2,872,266 Subordinated Units as part of its acquisition of TransMontaigne Inc.

Item 4. Purpose of Transaction.

On May 27, 2005, TMG indirectly through its direct and indirect subsidiaries acquired 2,872,266 Subordinated Units in a private placement. The purchase price for the purchase of the Subordinated Units was generated from internal funds at each such acquiring subsidiary. Following corporate reorganizations in December 2007, THI became the sole direct owner of such 2,872,266 Subordinated Units. The Subordinated Units may be deemed to be beneficially owned by each of the TransMontaigne Companies. In addition, on May 27, 2005 MSSSI acquired 450,000 Subordinated Units in a private placement.

Effective September 1, 2006, MSCGI purchased all of the issued and outstanding capital stock of TransMontaigne Inc. TransMontaigne Inc. is indirect, wholly owned subsidiary, THI, beneficially owns 2,872,266 Subordinated Units and, as a result, MSCGI and its parent company, MS, are the indirect beneficial owners of such Subordinated Units.

Upon expiration of the subordination period, as described in the Issuer's Annual Report on Form 10-K for the year ended December 31, 2007 (the Subordination Period), each outstanding Subordinated Unit will convert into one Common Unit. However, before the end of the Subordination Period, a portion of the Subordinated Units may convert into Common Units if certain financial tests (described below) are met. Based on information in the Issuer's Quarterly Report on Form 10-Q for the quarter ended September 30, 2008, the tests described in clause (1) below were met and, as a result, 25% of the Subordinated Units may be converted into Common Units beginning on November 13, 2008.

In accordance with the Partnership Agreement of the Issuer dated May 27, 2005, Subordinated Units may be converted as follows:

Edgar Filing: TRANSMONTAIGNE INC - Form SC 13D

- (1) 25% of the Subordinated Units may be converted on the second business day following the date of a cash distribution, if any, at the end of a quarter ending on or after June 30, 2008. A cash distribution will occur if:
- distributions of available cash from operating surplus on each outstanding Common Unit, Subordinated Unit and general partner unit equaled or exceeded the minimum quarterly distribution for each of the three consecutive, non-overlapping four-quarter periods immediately preceding that date;
 - the adjusted operating surplus generated during each of the three consecutive, non-overlapping four-quarter periods immediately preceding that date equaled or exceeded the sum of the minimum quarterly distributions on all of the outstanding Common Units and Subordinated Units during those periods on a fully diluted basis and the general partner units during those periods; and
-

there are no arrearages in payment of the minimum quarterly distribution on the Common Units.

- (2) An additional 25% of the Subordinated Units may be converted on the second business day following the date of a cash distribution, if any, at the end of a quarter ending on or after June 30, 2009.
- (3) An additional 25% of the Subordinated Units may be converted if at the end of a quarter ending on or after June 30, 2008: distributions of available cash from operating surplus on each outstanding Common Unit, Subordinated Unit and general partner unit equaled or exceeded \$2.00 (125% of the annualized minimum quarterly distribution) for each of the two consecutive, non-overlapping four-quarter periods immediately preceding that date; the adjusted operating surplus generated during each of the two consecutive, non-overlapping four-quarter periods immediately preceding that date equaled or exceeded the sum of a distribution of \$2.00 (125% of the annualized minimum quarterly distribution) on all of the outstanding Common Units and Subordinated Units on a fully diluted basis and the general partner units during those periods; and there are no arrearages in payment of the minimum quarterly distribution on the Common Units.
- (4) An additional 25% of the Subordinated Units may be converted if at the end of a quarter ending on or after June 30, 2009: distributions of available cash from operating surplus on each outstanding Common Unit and Subordinated Unit and general partner unit equaled or exceeded \$2.24 (140% of the annualized minimum quarterly distribution) for each of the two consecutive, non-overlapping four-quarter periods immediately preceding that date; the adjusted operating surplus generated during each of the two consecutive, non-overlapping four-quarter periods immediately preceding that date equaled or exceeded the sum of a distribution of \$2.24 (140% of the annualized minimum quarterly distribution) on all of the outstanding Common Units and Subordinated Units on a fully diluted basis and the general partner units during those periods; and there are no arrearages in payment of the minimum quarterly distribution on the Common Units.

On November 7, 2008, the Issuer filed its Quarterly Report on Form 10-Q for the quarter ended September 30, 2008 and stated therein that the financial tests required for the conversion of 25% of the Subordinated Units had been met. The first date on which 25% of the Subordinated Units were convertible into Common Units was November 13, 2008. On November 13, 2008, THI directly, and MSCGI, TMG, TransMontaigne Product Services and TransMontaigne Holdings indirectly through THI, converted 718,067 Subordinated Units into Common Units and MSSI converted 112,500 Subordinated Units into Common Units.

As of the date of this Schedule 13D, the Reporting Persons do not have any current plans or proposals which relate to or would result in any of the matters specified in clauses (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer.*

The following disclosure assumes there are 9,122,300 Common Units outstanding as of November 3, 2008, as set forth in the Issuer's Quarterly Report on Form 10-Q for the quarter ended September 30, 2008 and that 839,842 Common Units, in the aggregate, could be issued on conversion of the Subordinated Units by the Reporting Persons. All calculations of beneficial ownership and of the number of shares issuable upon the conversion or exercise of any securities are made as of November 7, 2008.

For the purposes of Rule 13d-3 promulgated under the Exchange Act, MS may be deemed to beneficially own 839,842 Common Units, or approximately 8.4% of the outstanding Common Units. MS is filing solely in its capacity as parent company of, and indirect beneficial owner of securities held by MSCGI (and the TransMontaigne Companies), MSSSI and MS&Co.

For the purposes of Rule 13d-3 promulgated under the Exchange Act, each of MSCGI and each of the TransMontaigne Companies may be deemed to beneficially own 718,067 Common Units, or approximately 7.2% of the outstanding Common Units.

For the purposes of Rule 13d-3 promulgated under the Exchange Act, MSSSI may be deemed to beneficially own 112,500 Common Units issuable upon conversion of Subordinated Units, or approximately 1.1% of the outstanding Common Units.

MS&Co. has voting and/or dispositive power over certain shares of Common Units held in accounts of certain of its clients and customers and, as a result, for the purposes of Rule 13d-3 promulgated under the Exchange Act, MS&Co. may be deemed to beneficially own up to 9,275 Common Units, or approximately 0.1% of the outstanding Common Units.

The Reporting Persons do not affirm the existence of a group and are filing this statement jointly pursuant to Rule 13d-1(k)(1) promulgated under the Exchange Act, provided that, as contemplated by Section 13d-1(k)(1)(ii), no Reporting Person shall be responsible for the completeness or accuracy of the information concerning the other persons making the filing, unless such Reporting Person knows or has reason to believe that such information is inaccurate.

By virtue of the relationship previously reported under Item 2 of this statement, (i) each of MS and MSCGI and each of the TransMontaigne Companies may be deemed to have shared voting and dispositive power with respect to 718,067 Common Units beneficially owned by THI; (ii) each of MS and MSSSI may be deemed to have shared voting and dispositive power with respect to 112,500 Common Units beneficially owned by MSSSI; and (iii) each of MS and MS&Co. may be deemed to have shared voting and/or dispositive power with respect to 9,275 Common Units beneficially owned by MS&Co.

Edgar Filing: TRANSMONTAIGNE INC - Form SC 13D

Neither the filing of this Schedule 13D nor any of its contents shall be deemed to constitute an admission by each Reporting Person that it is the beneficial owner of any of the Common Units referred to herein for purposes of Section 13(d) of the Exchange Act, or for any other purpose, and such beneficial ownership is expressly disclaimed.

None of the Reporting Persons has effected any transactions in the Common Units during the past 60 days. None of the Reporting Persons is aware of any information that indicates that any other Reporting Person has effected any such transaction.

* In accordance with the Securities and Exchange Commission Release No. 34-39538 (January 12, 1998) (the Release), this filing reflects the securities beneficially owned by certain operating units of Morgan Stanley and its subsidiaries and affiliates. This filing does not reflect securities, if any, beneficially owned by any operating units of Morgan Stanley and its subsidiaries and affiliates whose ownership of securities is disaggregated from these operating units in accordance with the Release.

By virtue of the relationships described in Item 2 of this statement, MS may be deemed to have the power to direct the receipt of distributions on the Common Units held by MSCGI, MSSI, MS&Co. and each of the TransMontaigne Companies and the proceeds from the sale of the Common Units.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

See response to Item 4.

SCHEDULE I

Item 2 - Schedule of Civil Proceedings

Unless the context otherwise requires, the term "Morgan Stanley" means Morgan Stanley and its consolidated subsidiaries. On April 1, 2007, Morgan Stanley merged Morgan Stanley DW Inc. ("MSDWI") into Morgan Stanley & Co. Incorporated ("MS&Co."), and MS&Co., the surviving entity, became Morgan Stanley's principal U.S. broker-dealer.

(a) In November 2003, MSDWI consented, without admitting or denying the findings, to an entry of an order (the "Order") that resolved the SEC's and NASD's investigations into certain practices relating to MSDWI's offer and sale of certain mutual funds from January 1, 2000 to the date of the Order. Pursuant to the Order, MSDWI was ordered to (1) cease and desist from committing any violations and any future violations of Section 17(a)(2) of the Securities Act of 1933, as amended, and Rule 10b-10 under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), (2) distribute for the benefit of certain customers who purchased funds through MSDWI pursuant to marketing arrangements between MSDWI and certain mutual fund complexes the amount of \$50 million and (3) make certain disclosures and take certain other actions with respect to proprietary mutual funds.

(b) In November 2004, Morgan Stanley reached a settlement with the SEC to resolve an informal accounting investigation by executing an offer of settlement and agreeing to entry of a cease-and-desist order. The SEC found that Morgan Stanley valued certain impaired aircraft in its aircraft leasing business in late 2001, late 2002 and early 2003, and certain bonds in its high-yield bond portfolio in late 2000, in a manner that did not comply with generally accepted accounting principles, and thus violated financial reporting, recordkeeping and internal control provisions of the federal securities laws. The resolution did not involve any restatement of past financial statements, any monetary penalty or any allegation of fraud.

(c) In December 2004, MS&Co. and MSDWI reached a settlement with the NYSE under which Morgan Stanley executed two stipulations of facts and consent to penalty. The first stipulation was with respect to Morgan Stanley's failure to comply with certain prospectus delivery requirements, operational deficiencies and other matters, and included a fine of \$13 million. The second stipulation was with respect to employee defalcations, and included a fine of \$6 million.

(d) In January 2005, the SEC announced a settlement with MS&Co. and Goldman Sachs & Co. resolving the SEC's investigation relating to initial public offering ("IPO") allocation practices. The SEC filed a settled civil injunction action in the United States District Court for the District of Columbia against MS&Co. relating to the allocation of stock to institutional customers in IPOs underwritten during 1999 and 2000. Under the terms of the settlement, Morgan Stanley agreed, without admitting or denying the allegations, to the entry of a judgment enjoining it from violating Rule 101 of Regulation M and the payment of a \$40 million civil penalty. The court approved the settlement on February 4, 2005. The complaint alleges that MS&Co. violated Rule 101 of Regulation M by attempting to induce certain customers who received allocations of IPOs to place purchase orders for additional shares in the aftermarket.

(e) In May 2006, MS&Co. reached a settlement with the SEC, NYSE and NASD relating to its production of email in the research analyst and IPO investigations from December 2000 through at least July 2005. The complaint alleges that Morgan Stanley did not timely produce emails in

Edgar Filing: TRANSMONTAIGNE INC - Form SC 13D

response to requests in those matters because it did not diligently search for back-up tapes containing responsive emails until 2005, and because it over-wrote back-up tapes potentially containing responsive email until at least December 2002. Without admitting or denying the allegations of the complaint, Morgan Stanley consented to (1) a permanent injunction barring future violations of §17(b) of the Exchange Act (which requires, among other things, that Morgan Stanley respond promptly to SEC subpoenas and requests) and the relevant regulations promulgated thereunder and (2) the payment of a \$15 million civil penalty, \$5 million of which will be paid to NASD and the NYSE.

(f) In May 2007, MS&Co. consented, without admitting or denying the findings, to a censure, the entry of an order (the Order) that resolved the SEC's investigation into violations of MS&Co.'s duty to obtain the best price possible for certain retail orders for over-the-counter securities processed by Morgan Stanley's computerized market-making system from October 24, 2001 through December 8, 2004. Pursuant to the Order, Morgan Stanley was ordered to (1) cease and desist from committing any violations and any future violations of Section 15(c)(1)(A) of the Exchange Act, which prohibits broker-dealers from using manipulative, deceptive or fraudulent devices or contrivances to effect securities transactions, (2) pay disgorgement of \$5,949,222 and pre-judgment interest thereon of \$507,978 and (3) pay a civil money penalty of \$1.5 million. Morgan Stanley also agreed to retain an independent distribution consultant to develop and implement a distribution plan for the disgorgement ordered, and to retain an independent compliance consultant to conduct a comprehensive review and provide a report on its automated retail order handling practices.

(g) On September 27, 2007, the Financial Industry Regulatory Authority (FINRA) announced that the Company entered into a Letter of Acceptance, Waiver and Consent (the AWC) to resolve charges filed by FINRA on December 19, 2006. In the AWC, FINRA found that, among other things, Morgan Stanley provided inaccurate information regarding the existence of pre-September 11, 2001 emails and failed to provide such emails to arbitration claimants and regulators in response to discovery obligations and regulatory inquiries, failed adequately to preserve books and records, and failed to establish and maintain systems and written procedures reasonably designed to preserve required records and to ensure that it conducted adequate searches in response to regulatory inquiries and discovery requests. The AWC also included findings that Morgan Stanley failed to provide arbitration claimants with updates to a supervisory manual when called for in discovery. FINRA found that Morgan Stanley violated Section 17(a) of the Securities Exchange Act of 1934, Rule 17a-4 thereunder, NASD Conduct Rules 2110, 3010 (a) and (b) and 3110, NASD Procedural Rule 8210 and Interpretative Material 10100 under the NASD Code of Arbitration Procedure. In the settlement, Morgan Stanley neither admitted nor denied these findings. The settlement established a \$9.5 million fund for the benefit of potentially affected arbitration claimants to be administered by a third party at the expense of Morgan Stanley. In addition, Morgan Stanley was censured and agreed to pay a \$3 million regulatory fine and to retain an independent consultant to review its procedures for complying with discovery requirements in arbitration proceedings relating to Morgan Stanley's retail brokerage operations.

(h) Starting in July 2003, Morgan Stanley received subpoenas and requests for information from various regulatory and governmental agencies, including the SEC, the NYSE and various states, in connection with industry-wide investigations of broker-dealers and mutual fund complexes relating to possible late trading and market timing of mutual funds. In December 2007, Morgan Stanley settled all claims with the SEC concerning late trading and market timing of mutual funds in the retail system over the period from January 2002 to August 2003. Under the terms of the settlement, Morgan Stanley will, among other things, be censured and pay a monetary fine.

In addition, MS&Co. and MSDWI have been involved in a number of civil proceedings which concern matters arising in connection with the conduct of its business. Certain of such proceedings have resulted in findings of violation of federal or state securities laws. Each of these proceedings was settled by MS&Co. and MSDWI consenting to the entry of an order without admitting or denying the allegations in the complaint. All of such proceedings are reported and summarized in the MS&Co. Form BD and the MSDWI Form BD filed with the SEC, which descriptions are hereby incorporated by reference.
