ITEM 2.05

COSTS ASSOCIATED WITH EXIT OR DISPOSAL ACTIVITIES

On May 31, 2012, Key Technology, Inc. (the “Company”) announced a planned reduction of approximately 11% of its global workforce effective May 31, 2012 in order to better position the Company strategically and reduce costs. The Company estimates that the total costs to be incurred related to the workforce reduction will be approximately \$1.0 million, the majority of which will be severance and employee-related costs. The Company’s net earnings for the third quarter of fiscal 2012 will be adversely affected by the estimated pre-tax charge of \$1.0 million. The Company expects the restructuring to be substantially complete and approximately two-thirds of the associated cash expenditures to be incurred in the third quarter of fiscal 2012, with the remainder to be paid in the fourth quarter of fiscal 2012.

SECTION 8 – OTHER EVENTS

ITEM 8.01

OTHER EVENTS

The Company also announced that its Board of Directors on May 30, 2012 approved a new stock repurchase program granting the Company authority to repurchase up to 500,000 shares of its common stock. The stock repurchase authorization does not have an expiration date, and the new program replaces the prior stock repurchase program which has been terminated. The timing of any repurchases and the exact number of shares of common stock to be purchased will be determined by the Company and will depend upon market conditions and other factors. The Company anticipates the program will be funded from cash on hand and cash generated from operations.
