PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of Monarch Casino & Resort, Inc. (the "Company") in connection with the annual meeting of stockholders of the Company to be held at the Atlantis Casino Resort, 3800 South Virginia Street, Reno, Nevada 89502, on Tuesday, May 23, 2006, at 10:00 a.m. local time, and any adjournment thereof, for the purposes indicated in the Notice of Annual Meeting of Stockholders.

The accompanying proxy is solicited by the Board of Directors of the Company (the "Board"). This Proxy Statement and the accompanying form of proxy are being mailed to stockholders on or about April 21, 2006. Any stockholder giving a proxy has the power to revoke it prospectively by giving

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

written notice to the Company, addressed to Ben Farahi, Secretary, at the Company's principal address at 1175 W. Moana Lane, Suite 200, Reno, Nevada 89509 before the annual meeting, by delivering to the Company a duly executed proxy bearing a later date, by notifying the Company at the annual meeting prior to the commencement of the annual meeting. The shares represented by the enclosed proxy will be voted if the proxy is properly executed and received by the Company prior to the commencement of the annual meeting, or any adjournment thereof.

None of the proposals to be voted on at the annual meeting creates a right of appraisal under Nevada law. A vote "FOR" or "AGAINST" any of the proposals set forth herein will only affect the outcome of the proposal.

The expenses of making the solicitation will consist of the costs of preparing, printing, and mailing the proxies and proxy statements and the charges and expenses of brokerage firms, custodians, nominees or fiduciaries for forwarding such documents to security owners. These are the only contemplated expenses of solicitation, and they will be paid by the Company.

VOTING SECURITIES

The close of business on April 6, 2006 has been fixed by the Board as the record date for determination of stockholders entitled to vote at the annual meeting. The securities entitled to vote at the annual meeting consist of shares of common stock, par value \$.01 ("Common Stock"), of the Company, with each share entitling its owner to one vote. Common Stock is the only outstanding class of voting securities authorized by the Company's Articles of Incorporation. The Company's Articles of Incorporation authorize the Company to issue 10,000,000 shares of preferred stock, par value \$.01 ("Preferred Stock"). None of the Preferred Stock is issued or outstanding, and the Company has no present plans to issue shares of Preferred Stock.

The Board is empowered to issue one or more series of Preferred Stock with such rights, preferences, restrictions, and privileges as may be fixed by the Board, without further action by the Company's stockholders. The issuance of the Preferred Stock could adversely affect the rights, including voting rights, of the holders of the Common Stock and could impede an attempted takeover of the Company. The Preferred Stock does not presently possess general voting rights.

-1-

The number of outstanding shares of Common Stock at the close of business on March 31, 2006, was 18,886,642. The number of shares outstanding may change between such date and April 6, 2006, if any currently exercisable options to purchase Common Stock are exercised, if the Company elects to repurchase and cancel any shares in open market or privately negotiated transactions, or if the Company otherwise authorizes the issuance of any shares. The stockholders do not possess the right to cumulate their votes for the election of directors.

If any such nominee shall decline or be unable to serve, the proxy will be voted for such person as shall be designated by the Board to replace any such nominee. The Board presently has no knowledge or reason to believe that any of the nominees will refuse or be unable to serve.

Any vacancies on the Board which occur during the year will be filled, if at all, by the Board through an appointment of an individual to serve only until the next annual meeting of stockholders.

Committees of the Board

The Board has certain standing committees including the Audit Committee, the Compensation Committee, the 1993 Executive Long-Term Incentive Plan Committee (the "Incentive Plan Committee"), the 1993 Directors' Stock Option Plan Committee (the "Directors' Plan Committee") and the Operations Committee.

Prior to December 14, 2005, the Company was considered a "Controlled Company" under Nasdaq rules because more than fifty percent (50%) of the Company's voting power was held by the Farahi family, including John Farahi, Bob Farahi, Ben Farahi and the Jila Farahi Trust. Accordingly, prior to December 14, 2005, the Company was exempt from Nasdaq requirements to have a majority of independent directors and to have a director nominee selected by either a majority of independent directors or by a nominating committee consisting solely of independent directors. On December 14, 2005, the Jila Farahi Trust sold 22,500 shares of the Company, causing the Farahi family's voting power in the Company to drop below 50%. As such, pursuant to Nasdaq rules, the Company is required to have a majority of independent directors by December 14, 2006.

The Audit Committee, comprised of Craig F. Sullivan and Charles W. Scharer, and chaired by Ronald R. Zideck, met 5 times during the fiscal year ended December 31, 2005. The Audit Committee is comprised exclusively of directors who are not salaried employees and a majority of whom are, in the

-6-

opinion of the Board, free from any relationship that would interfere with the exercise of independent judgment as a committee member. The Audit Committee's function is to review reports of the auditors to the Company; to review Company financial practices, internal controls and policies with officers and key employees; to review such matters with the Company's auditors to determine scope of compliance and any deficiencies; to consider selection of independent public accountants; to review and approve certain related party transactions; and to make periodic reports on such matters to the Board. The Audit Committee adopted an Audit Committee Charter on June 14, 2000, and subsequently amended it effective June 7, 2001 and April 9, 2004.

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

All members of the Audit Committee are "independent" directors, as such term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers' Listings Standard.

The Company believes that each member of the Audit Committee is a financial expert, as defined by the SEC rules applied pursuant to the Sarbanes-Oxley Act of 2002, and as defined in Regulation S-K, Item 401(h)(2). The relevant experience of such directors is summarized under "Election of Directors - Directors and Nominees" above.

The Compensation Committee, comprised of Ronald R. Zideck and Charles W. Scharer, and chaired by Craig F. Sullivan, met 5 times during the fiscal year ended December 31, 2005. The Compensation Committee's function is to review and make recommendations to the Board with respect to the salaries and bonuses of the Company's executive officers and to administer the 1993 Employee Stock Option Plan (the "Employee Plan").

The Incentive Plan Committee, comprised of Craig F. Sullivan, Ronald R. Zideck and Charles W. Scharer, met once during the fiscal year ended December 31, 2005. The Incentive Plan Committee's function is to administer the 1993 Executive Long-Term Incentive Plan (the "Incentive Plan"), including determining such matters as the persons to whom awards shall be granted, the number of shares to be awarded, when the awards shall be granted, when the awards shall vest, and the terms and provisions of the instruments evidencing the awards, interpreting the Incentive Plan and notifying the Board of all decisions concerning awards granted to Incentive Plan participants.

The Directors' Plan Committee, comprised of John Farahi and Bob Farahi, met once during the fiscal year ended December 31, 2005. Neither John Farahi nor Bob Farahi is eligible to participate in the Directors' Plan. The Directors' Plan Committee consists of not less than 2 directors of the Company selected by, and serving at the pleasure of, the Board and its function is to administer the 1993 Directors' Stock Option Plan (the "Directors' Plan"). The Directors' Plan Committee has the authority to interpret the Directors' Plan and make all determinations necessary or advisable for its administration. All decisions of the Directors' Plan Committee are subject to approval by the Board.

The Operations Committee, comprised of John Farahi, Darlyne Sullivan and Richard Cooley, and chaired by Charles W. Scharer, did not meet during the fiscal year ended December 31, 2005. The purpose of the Operations Committee is to provide a formal communication link between Golden Road management and the Monarch Board and to facilitate examination of, and feedback regarding, various operational issues.

-7-

The Company does not have a standing Nominating Committee, nor has the Board of Directors adopted a charter addressing the director nomination process. The Board of Directors believes that it is appropriate for the Company not to have a nominating committee because the entire Board of Directors can adequately serve the function of considering potential director nominees from time to time as needed.

For future stockholder meetings at which directors are to be elected, in compliance with NASD rule 4350(c)(4) director nominees will be recommended for the Board's nomination by a majority of the independent directors. In making such recommendation, the qualifications of the prospective nominee which will

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

be considered include the nominee's personal and professional integrity, experience, skills, ability and willingness to devote the time and effort necessary to be an effective board member, and commitment to act in the best interests of the Company and its stockholders.

The requirements for nomination by a security holder of a person to the Company's Board of Directors are set forth in Article II, Section 16 of the Company's Bylaws and the qualifications for a person to be a director of the Company are set forth in Article II, Section 14 of the Bylaws. Both sections of the Bylaws are set forth below.

14. Eligibility of Directors. No Director is eligible to continue to serve as a Director of the Corporation who is required under Nevada gaming laws to be found suitable to serve as a director and who is not found suitable or whose finding of suitability is suspended or revoked by Nevada gaming authorities. Such eligibility shall cease immediately following whatever act or event terminates the director's eligibility under the laws and gaming regulations of the State of Nevada.

16. Nomination of Directors. Only persons who are nominated in accordance with the procedures set forth in this Section 16 of Article II shall be eligible for election as Directors. Nominations of persons for election to the Board of Directors of the Corporation at the Annual Meeting may be made at a meeting of stockholders by or at the direction of the Board of Directors by any nominating committee or person appointed by the Board or by any stockholder of the Corporation entitled to vote for the election of Directors at the meeting who complies with the Notice procedures set forth in this Section 16 of Article II. Such nominations, other than those made by or at the direction of the Board, shall be made pursuant to timely notice in writing to the secretary of the Corporation. To be timely, unless waived by the Board of Directors, no person not already a Director shall be eligible to be elected or to serve as a Director unless such person's notice of nomination shall be received at the principal executive offices of the Corporation at least seventy five (75) days before initiation of solicitation to the stockholders for election in the event of an election other than at an Annual Meeting and seventy five (75) days before the corresponding date that had been the record date for the previous year's Annual Meeting or seventy five (75) days before the date of the next Annual Meeting of shareholders announced in the previous year's proxy materials in the event of an election at an Annual Meeting. To be timely, no stockholder's notice shall be received at the principal executive offices of the Corporation more than ninety (90) days before the meeting; provided, however, that

-8-

in the event that less than ninety (90) days' notice or prior public disclosure of the date of the meeting is given or made to stockholders, notice by the stockholder to be timely must be received not later than the close of business on the 15th day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made, whichever first occurs. The stockholder's notice to the Secretary shall set forth (a) as to each person whom the stockholder proposes to nominate for election or reelection as a Director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

and number of shares of stocks of the Corporation which are beneficially owned by the person, (iv) a description of all arrangements or understandings between the stockholder and each nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the stockholder, and (b) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of Directors pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (vi) the consent of such nominee to serve as Director of the Corporation, if he is so elected; and (c) as to the stockholder giving the notice, (i) the name and record address of stockholder, and (ii) the class and number of shares of stock of the Corporation which are beneficially owned by the stockholder. The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as Director of the Corporation. No person shall be eligible for election as a Director of the Corporation unless nominated in accordance with the procedures set forth in this Article II, Section 16. The Chairman of the meeting shall, if the facts warrant, determine and declare to the meeting that a nomination was not made in accordance with the foregoing procedure, and if he should so determine, he shall so declare to the meeting and the defective nomination shall be disregarded.

The Company did not receive the names of any proposed director candidates submitted by any stockholder for inclusion in this Proxy Statement under the guidelines set forth above.

Company. Each non-employee director serving as the chairman of a committee of the Board received an additional annual fee of \$10,000 for each committee chaired in 2005. Each director may be reimbursed for certain expenses incurred in connection with attendance at Board and committee meetings. Certain non-employee directors have been granted options to purchase Common Stock under the Directors' Plan.

Directors' Stock Option Plan. The Directors' Plan is designed to encourage non-employee directors to take a long-term view of the affairs of the Company, to attract and retain superior non-employee directors and to aid in compensating non-employee directors for their services to the Company. The Company's non-employee directors for the year ended December 31, 2005 were Craig F. Sullivan, Ronald R. Zideck and Charles W. Scharer.

An eligible director, upon becoming a member of the Board of Directors, will receive an initial grant to purchase 4,800 shares of Common Stock ("Initial Director Grant"), plus an additional grant to purchase 1,300 shares of Common Stock for each committee chaired. Thereafter, immediately following the close of the annual stockholders' meeting, each eligible director will receive an annual option grant to purchase 4,800 shares of Common Stock ("Annual Director Grant") plus an additional grant to purchase 1,300 shares of Common Stock for each committee chaired for the first five years following election to the Board. The Directors' Plan Committee may also recommend discretionary grants of options on terms deemed appropriate by the Directors' Plan Committee, subject to the approval of the Board.

The exercise price of all director option grants is 100% of the fair market value of the Common Stock on the date of grant. Initial Director Grants and Annual Director Grants may not be exercised until six months and one day after the date of the grant. All options granted under the Directors' Plan are non-qualified options, the tax treatment of which is determined under Section 422 of the Internal Revenue Code of 1986, as amended. In 2003, the Company's stockholders approved the extension of grants previously granted under the Directors' Plan from five years to ten years.

In 2005, Craig F. Sullivan, Ronald R. Zideck and Charles W. Scharer each received an Annual Director Grant of options to purchase 6,100 shares of Common Stock in accordance with the Directors' Plan.

Committee Reports

Notwithstanding any statement to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, that might incorporate future filings, including this Proxy Statement, in whole or in part, the following Compensation Committee Report on Executive Compensation and the Stock Performance Chart presented shall not be incorporated by reference into any such filings.

Compensation Committee Report on Executive Compensation

April 9, 2006

The Compensation Committee (the "Committee"), which is composed entirely of directors who have never served as executive officers of the Company, determines and administers the compensation of the Company's executive officers.

Compensation Philosophy. The Committee seeks to compensate the Company's executive officers in such a fashion that will attract and retain individuals who are responsible for the management, growth, and success of the Company. The Committee believes that executive compensation should be designed to reward those individuals for their services to the Company and encourage them to continue in its employ. The Committee's actions related to compensation of the Company's executive officers are submitted to the full Board of Directors for ratification and approval.

The Committee believes that the Company's overall financial performance is an important factor in the compensation of the Company's executive officers and, therefore, applies a quantitative formula in making compensation decisions related to some bonus plans. The Committee also recognizes qualitative factors such as successful supervision of the Company's operations, development of corporate projects, promotion of the Company's corporate image, and participation in industry and community activities.

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

The Committee also evaluates the total compensation of the Company's executive officers in light of the compensation practices and relative corporate financial performance of other companies in the gaming industry similar to the Company in terms of asset size and target market. The Committee's goal is that the base salaries for the Chief Executive Officer and other executive officers should be established at levels considered appropriate in light of the duties and scope of responsibilities of each officer's position. Salaries are reviewed annually and are warranted to reflect sustained individual officer performance. The Chief Executive Officer and other executive officers are also eligible to receive incentive compensation in the form of stock options under the Incentive Plan (see "Option Grants in 2005" table above).

Chief Executive Officer Compensation. Following the recommendation of the Compensation Committee, the Board established the Chief Executive Officer's salary at \$400,000 for 2005. In determining the Chief Executive Officer's salary, the Compensation Committee considered (a) the Chief Executive Officer's record of leadership and service to the Company over the past three years, (b) the growth of the Company during the same period, (c) the Chief Executive Officer's pivotal role in overseeing the day-to-day operations of the Company, (d) the Company's performance over the same period in relation to its competitors in a very competitive environment, and (e) the Chief Executive Officer's civic leadership in the Reno area.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The three principal stockholders of the Company, John Farahi, Bob Farahi and Ben Farahi, through their affiliates, directly or indirectly control the ownership and management of the Sierra Marketplace Shopping Center directly adjacent to the Atlantis (the "Shopping Center"). The Shopping Center occupies 18.7 acres and consists of 213,000 square feet of retail space. Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

rent of approximately \$85,730 plus common area expenses in 2005.

-15-

In 2004, the Shopping Center constructed of a new driveway that is being shared between the Atlantis and the Shopping Center. As part of this project, the Company has leased a 37,368 square-foot corner section of the Shopping Center for a minimum lease term of 15 years at a monthly rent of \$25,000, subject to increase every 60 months based on the Consumer Price Index. The Company also uses part of the common area of the Shopping Center and pays its proportional share of the common area expense of the Shopping Center. The Company has the option to renew the lease for 3 five-year terms, and at the end of the extension period, the Company has the option to purchase the leased section of the Shopping Center at a price to be determined based on an MAI Appraisal. The leased space is being used by the Company for pedestrian and vehicle access to the Atlantis, and the Company has use of a portion of the parking spaces at the Shopping Center. The total cost of the project was \$2.0 million; the Company was responsible for two thirds of the total cost, or \$1.35 million. The project was completed, the driveway was put into use and the Company began paying rent on September 30, 2004. During the year ended December 31, 2005, the Company paid rent to the Shopping Center in connection with the driveway of \$300,000 plus common area expenses.

Indemnification of Directors and Officers

Section 78.751 of Chapter 78 of the Nevada Revised Statutes ("NRS"), Article IX of the Company's Articles of Incorporation, and Article VII of the Company's Bylaws contain provisions for indemnification of officers and directors of the Company. The Articles of Incorporation require the Company to indemnify such persons to the full extent permitted by Nevada law. Each person will be indemnified in any proceeding provided that such person's acts or omissions did not involve intentional misconduct, fraud or knowing violation of law, or the payment of dividends in violation of NRS 78.300. Indemnification would cover expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement

The Company's Articles of Incorporation also provide that the Board may cause the Company to purchase and maintain insurance on behalf of any present or past director or officer insuring against any liability asserted against such person incurred in the capacity of director or officer or arising out of such status, whether or not the corporation would have the power to indemnify such person.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or persons controlling

-16-

the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Securities and Exchange Commission (the "SEC") such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.

Audit Committee Review

The Company requires that the Audit Committee of the Board review and approve related party transactions.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's independent registered public accounting firm, Ernst & Young LLP, have audited the Company's financial statements for the fiscal year ended December 31, 2005. The Audit Committee has not yet formally engaged an independent registered public accounting firm to audit the Company's financial statements for the fiscal year ending December 31, 2006, because it is in the process of reviewing professional fees for the oncoming year. In the event the Audit Committee selects a firm other than Ernst & Young LLP prior to the 2006 Annual Meeting, a representative of that firm will be invited to the stockholders' meeting.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors, and stockholders holding more than 10% of the class of stock are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during 2005 all reports as required under Section 16(a) filing requirements were filed as required.

As of March 29, 2006, Bob Farahi has filed one late Form 4 report with respect to one transaction in the current fiscal year ending December 31, 2006. CODE OF ETHICS

The Company adopted a Business Ethics Policy and Code of Conduct (Code of Ethics), a copy of which may be reviewed on the Company's website, www.monarchcasino.com.

VOTING PROCEDURES

A majority of a quorum of stockholders present in person or represented by proxy voting "FOR" the election of the nominees to the Board is sufficient to approve the election of the nominees to the Board. A quorum of stockholders exists when a majority of the stock issued and outstanding and entitled to vote at a meeting is present, in person, or represented by proxy, at the meeting. Abstentions are effectively treated as votes "AGAINST" a matter presented. Neither the Company's Articles of Incorporation, Bylaws, or Nevada corporate statutes address the treatment and effect of abstentions and broker non-votes.

The Company will appoint three inspectors of election to: determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, and the authenticity, validity, and effect of a proxy; receive votes, ballots, or consents; hear and

-18-

determine all challenges and questions in any way arising in connection with

the right to vote; count and tabulate all votes or consents; determine when the polls shall close; determine the results; and do any other acts which may be proper to conduct the election or vote with fairness to all stockholders.

2007 ANNUAL MEETING OF STOCKHOLDERS

The next annual meeting of stockholders is expected to be held on or about May 23, 2007. Stockholders desiring to present proper proposals at that meeting and to have their proposals included in the Company's proxy statement and form of proxy for that meeting must meet the eligibility and other criteria under Rule 14a-8 of the Securities Exchange Act of 1934 and must submit the proposal to the Company. Such proposal must be received no later than December 22, 2006. Unless a stockholder proposal for the Company's 2007 Annual Meeting of Stockholders is submitted to the Company prior to March 7, 2007, management may use its discretionary voting authority to vote management proxies on the stockholder proposal without any discussion of the matter in the proxy statement.

OTHER BUSINESS

The Board does not know of any other business which will be presented for action by the stockholders at this annual meeting. However, if any business other than that set forth in the Notice of Annual Meeting of Stockholders should be presented at the annual meeting, the proxy committee named in the enclosed proxy intends to take such action as will be in harmony with the policies of the Board and will use their discretion and vote all proxies in accordance with their judgment.
