Four key criteria were used to calculate these rankings, including size and growth, customer experience, depth and breadth of competencies, and management capabilities. These results were then ranked by a distinguished panel of independent judges.

Being selected to the Top BPO Providers list for 2006 is a tremendous achievement that speaks to CGI's position as one of the industry's most valuable partners said Michael F. Over the years the outsourcing market has grown increasingly competitive, and being ranked as a top BPO provider clearly shows that CGI is one of the leading players in the BPO space, added Michael Denham, President, Business Process Services (BPS) for CGI.
