ELECTION OF OUTSIDE DIRECTORS (Item 2 on the Proxy Card)

Companies incorporated under the laws of Israel whose shares have been offered to the public inside or outside of Israel are required by the Israeli Companies Law, 5759-1999 (the "Companies Law") to appoint at least two outside directors. To qualify as an outside director, an individual may not have, and may not have had at any time during the previous two years, any affiliations with the company or the company's affiliates, as such terms are defined in the Companies Law. The term "affiliation" includes: an employment relationship; a business or professional relationship maintained on a regular basis; control; and service as an office holder. In addition, no individual may serve as an outside director if the individual's position or other activities create or may create a conflict of interest with his or her role as an outside director.

The outside directors generally must be elected by the shareholders. The term of an outside director is three years and may be extended for an additional three years. Under the Companies Law, each committee of a company's board of directors empowered with powers of the board of directors is required to include at least one outside director, except that the audit committee must be comprised of at least three directors, including all of the outside directors.

The Board of Directors proposes the election of Ms. Orly Guy and Ms. Ronit Gotliv as outside directors of the Company for terms of three years. The Company has received a declaration from such nominees, confirming their qualifications under the Companies Law to be elected as an outside director of the Company.

Under the Companies Law, in the event that Ms. Guy and Ms. Gotliv should be unable to serve, the proxies will be voted for the election of such other person or persons as shall be determined by the persons named in the proxy in accordance with their best judgment to be suitable to serve as an outside director.

Approval of the above nominees will require the affirmative vote of a majority of ordinary shares present at the Meeting, in person or by proxy, and voting on the nominees, provided that (i) the shares voting in favor of such nominees include at least one-third of the shares voted by shareholders who are not "controlling shareholders" (as such term is defined in the Companies Law),

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

or (ii) the total number of shares voted against the nominees by shareholders who are not controlling shareholders does not exceed one percent of our company's outstanding shares.

Set forth below is information about Ms. Guy and Ms. Gotliv, including their age, principal occupation, business history and other directorships held.

Since 2000 Ms. Guy has served as a director of a pharmaceuticals company, Intec Pharma Ltd. Ms. Guy holds an LL.B degree from Tel Aviv University.

Ronit Gotliv, 52, has served as a managing partner of R. Gotliv and Co., a Tel Aviv law firm specializing in civil-commercial law, corporate laws and real estate law since 1999. From 1984 to 1999 Ms. Gotliv was employed as an attorney at B.A. Gotliv Ltd - Law Offices. Ms. Gotliv holds an LL.B degree from Tel Aviv University.

The Board of Directors recommends a vote FOR the election of the nominees named above as outside directors.

APPROVAL OF OUR NEW 2005 ISRAELI SHARE OPTION PLAN (Item 3 on the Proxy Card)

Our Audit Committee and Board of Directors have adopted, subject to shareholder approval, an option plan, the 2005 Israeli Share Option Plan, or the ISOP, which complies with the amended Section 102 of the Israeli Income Tax Ordinance [New Version] 1961, and authorizes the grant of options to purchase up to 540,000 of our ordinary shares with an exercise price of \$4.50 per share. Employees, officers directors and consultants of our company and its subsidiaries are eligible to participate in the ISOP. The ISOP has a term of seven years and will terminate in July 2012.

5

The provisions of our ISOP are designated to allow for the tax benefits promulgated under the Israeli Income Tax Ordinance [New Version]. Our Board of Directors has resolved that all options that will be granted to Israeli residents under the ISOP will be taxable under the "capital gains path." Pursuant to this path, the profit realized by an employee is taxed as a capital gain (25%) if the options or shares are held by a trustee for at least 24 months from the end of the tax year in which such options were granted. If the shares are sold before the lapse of such period, the profit is re-characterized as ordinary income. Our company will not be allowed a corresponding salary expense, even in the event the profit is taxed as ordinary income.

The Board of Directors or a committee of the Board of Directors, or the Committee, if appointed, will administer the ISOP. The Board of Directors or the Committee will have the full power and authority to, subject to limitation under the terms and provisions of any applicable law and subject to changes according to the Board's decisions:

- o designate participants;
- o determine the terms and provisions of the respective option agreements (which need not be identical), including, but not limited to, provisions concerning the time and the extent to which the options may be exercised and the nature and duration of restrictions as to the transferability or restrictions constituting substantial risk of forfeiture and to cancel or

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

- suspend awards, as necessary;
- o make an election as to the type of Approved 102 option;
- o alter any restrictions and conditions of any options or shares subject to any options;
- o interpret the provisions and supervise the administration of the ISOP;
- o accelerate the right of an optionee to exercise in whole or in part, any previously granted option;
- o prescribe, amend and rescind rules and regulations relating to the ISOP; and
- o make all other determinations deemed necessary or advisable for the administration of the ISOP.

The Board of Directors or the Committee may not, without the consent of the optionee, alter or in any way impair the rights of such optionee under any award previously granted.

Options are not assignable or transferable by the optionee. No option or any right with respect thereto, purchasable hereunder, whether fully paid or not, may be assignable, transferable or given as collateral or any right with respect to it given to any third party whatsoever, except as specifically allowed under the ISOP, and during the lifetime of the optionee each optionee's rights to purchase shares may only be exercised by the optionee. Generally, an option may be exercised as long as the optionee is employed by, or providing services to, the company or any of its affiliates, to the extent the options have vested.

The Board of Directors believes that the approval of the ISOP at this Meeting will (i) provide us with the means to retain talented personnel; (ii) result in our saving cash, which would otherwise be required to maintain our current employees, officers and directors; and (iii) enable us to remain competitive in our industry.

It is therefore proposed that at the Meeting our shareholders adopt the following resolution:

"RESOLVED, the 2005 Israeli Share Option Plan authorizing the grant of options to purchase up to 540,000 ordinary shares, with an exercise price of \$4.50, par value NIS 0.01 per share, be and is hereby adopted and approved."

Under the Companies Law the affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

6

APPROVAL OF THE INCLUSION OF OUR CHIEF EXECUTIVE OFFICER AS A PARTICIPANT
IN THE INCENTIVE PLAN OF OUR COMPANY
(Item 4 on the Proxy Card)

Under the Israeli Companies law, the terms of compensation of our

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

directors must be approved by the audit committee, the board of directors, and thereafter, the general meeting of shareholders. Our Audit Committee and Board of Directors have decided to include Mr. Eli Holtzman, our chief executive officer and a member of our Board of Directors, as a participant in the Company's incentive plan. Accordingly, shareholders will be asked to approve at the Annual General Meeting the inclusion of Mr. Eli Holtzman as a participant in our company's incentive plan. According to the terms of the incentive plan, our management projects that no more than 10% of our annual operational profit (excluding certain items, as determined by the Board of Directors) will be allocated in the aggregate to all of the participants in the plan. Our Board of Directors will determine the actual annual allocation.

It is therefore proposed that at the Meeting the shareholders adopt the following resolution:

"RESOLVED, that the Company is authorized to include Mr. Eli Holtzman, its chief executive officer and a member of its Board of Directors, as a participant in its incentive plan."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

APPROVAL OF THE GRANT OF STOCK OPTIONS TO OUR CHIEF EXECUTIVE OFFICER (Item 5 on the Proxy Card)

Under the Israeli Companies law, the terms of compensation of our directors, including grants of options, must be approved by the audit committee, the board of directors, and thereafter, the general meeting of shareholders. Subject to the approval of our 2005 Israeli Stock Option Plan at this meeting, our Audit Committee and Board of Directors have decided to grant Mr. Eli Holtzman, our chief executive officer and a member of our Board of Directors, in consideration for his valuable contribution to our company, options to purchase a total of 100,000 ordinary shares under our 2005 Israeli Stock Option Plan. The exercise price of the options is \$4.50 per share. The options will vest ratably over a five year period from the date of grant, will be exercisable beginning January 1, 2006 and will terminate 10 years from the date of grant of such options. Accordingly, shareholders will be asked to approve at the Annual General Meeting the grant of options to Mr. Eli Holtzman.

It is therefore proposed that at the Meeting the shareholders adopt the following resolution:

"RESOLVED, that the Company is authorized to grant options to purchase 100,000 ordinary shares to Mr. Eli Holtzman, its chief executive officer and a member of its Board of Directors, at an exercise price of \$4.50 per share."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

Edgar Filing: INTERNET GOLD GOLDEN LINES LTD - Form 6-K

APPROVAL OF THE GRANT OF A SPECIAL BONUS TO OUR CHIEF EXECUTIVE OFFICER (Item 6 on the Proxy Card)

Under the Israeli Companies law, the terms of compensation of our directors, must be approved by the audit committee, the board of directors, and thereafter, the general meeting of shareholders. In consideration for his contribution to the success of our company's offering of convertible debentures and options through the Tel Aviv Stock Exchange in April 2005, our Audit Committee and Board of Directors have decided to grant Mr. Eli Holtzman a special bonus in the amount of NIS 100,000 (approximately \$21,940). Accordingly, shareholders will be asked to approve at the Annual General Meeting the grant of the special bonus to Mr. Eli Holtzman.

"RESOLVED, that the Company is authorized to grant a special bonus in the amount of NIS 100,000 (approximately \$21,940) to Mr. Eli Holtzman, its chief executive officer and a member of its Board of Directors."

The affirmative vote of the holders of a majority of the ordinary shares represented at the Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the foregoing resolution.

The Board of Directors recommends a vote FOR the foregoing resolution.

APPOINTMENT OF AUDITORS (Item 7 on the Proxy Card)

Our Board of Directors first appointed Somekh Chaikin as our auditors in 1999 and has reappointed the firm as our auditors since such time. Somekh Chaikin has no relationship with us or any of our affiliates except as auditors.

At the Meeting, shareholders will be asked to approve the re-appointment of Somekh Chaikin as our independent auditors, pursuant to the recommendation of our Audit Committee and Board of Directors. As a result of Somekh Chaikin's familiarity with our operations and reputation in the auditing field, our Audit Committee and Board of Directors believe that Somekh Chaikin has the necessary personnel, professional qualifications and independence to act as our auditors.

At the Meeting, shareholders will also be asked to authorize our Board of Directors to delegate to our Audit Committee the authority to fix the compensation of our independent auditors according to the volume and nature of their services.

The following resolution will be offered by the Board of Directors at the Meeting:

"RESOLVED, that the appointment of Somekh Chaikin, independent certified public accountants in Israel, a member firm of KPMG International, as recommended by our company's Audit Committee and the Board of Directors, as the independent auditors of the Company to conduct the annual audit of our financial statements for the year ending December 31, 2005, be and hereby is approved, and it is further resolved, that the Board of Directors be, and it hereby is, authorized to delegate to the Audit Committee of the Board the authority to fix the remuneration of said independent auditors in accordance with the volume and nature of their services."

[LETTERHEAD OF INTERNET GOLD-GOLDEN LINES LTD.]

Dear Shareholder,

Our annual General Shareholder's Meeting is scheduled for August 22, 2005, and we hope you can attend. In preparation for the meeting, allow me to take a moment of your time to draw your attention to a number of accomplishments that our Group has achieved during the last several quarters.

As I am sure you are aware, the Israeli communications market is currently undergoing a consolidation process that is driving positive changes and creating new investment possibilities. As such, our work during the past year has been focused on positioning Internet Gold as a major player in Israel's communications space and assuring that we have the resources to take advantage of synergistic opportunities. We have been most active in five areas: 1) solidifying our position as a provider of Internet access and related services; 2) launching IP-based telephony services; 3) establishing Internet Gold as Israel's #1 Internet Media group; 4) building our e-Commerce activities; and 5) expanding our cash reserves to support our growth strategy.

We are proud to report on-track progress in each of these areas, which has enabled us to post nine consecutive quarters of revenue growth and 15 consecutive quarters of growth in net income.

Internet Access and Related Services: We continue to build our market share in Israel's Internet access market, maintaining solid profitability despite strong price pressure. Throughout 2004, we increased our marketing activities significantly, driving a dramatic increase in the number of our broadband users. We are proud to have maintained profitability and a steady market share during this highly competitive period during which Israel's overall broadband penetration rate rose to above 90% for all Internet subscribers, one of the highest broadband penetration rates in the world.

International Telephony: We launched our 015 international telephony services in the fall of 2004, and in just two quarters it has become a source of significant revenues and profits for the Group. This is due both to our cost-advantage in launching the service, and to the success of our innovative marketing campaigns. In light of 015's success, we have launched commercial, hubbing, and incoming call services ahead of schedule, and are moving steadily toward the initiation of local telephony services which are expected to commence at the end of the year. As such, we believe that our telephony services will be an important engine for growth in the future.

Interactive Media: With a strong belief that interactive advertising will become a major media focus in the years ahead, we have been working to solidify Internet Gold's position as Israel's dominant interactive media group. The platform for our efforts is the strong presence that we have built through MSN Israel, a leading portal that we operate in partnership with Microsoft Corporation (our ownership interest is 50.1%). Building on this solid base, we completed a number of important acquisitions during the past year: 1) the remaining shares of Start, one of the most important portals in Israel (ranked #5 in TGI's most recent survey of homepage usage in Israel); 2) 50% of the shares of the Nirshamim, Israel's leading academic portal; and 3) marketing

rights for "Goop," Israel's leading youth portal, for a three year period. As a result, we now offer advertisers a broad range of "products" ranging from search to targeted portals and more. We intend to continue moving forward strongly in this area in the coming year.

e-Commerce: We also see indications that e-Commerce in Israel is emerging as a major retail force, just as it is in other developed regions. Our main e-Commerce vehicle is P-1000, Israel's #3 e-Commerce portal. During the past year, we acquired the remaining minority equity, achieving 100% ownership. P-1000's revenues are rising steadily and the entire operation is now profitable. Besides contributing revenues, P-1000 gives us the opportunity to mount cross-selling campaigns targeting the customers of other Internet Zahav Group companies. As such, e-Commerce is already an important leg of our growth strategy, and will become even more important as Israel's e-Commerce market continues to grow.

Expansion of cash reserves and liquidity: In May 2005, we completed an extremely successful oversubscribed \$50 million offering of convertible debt and options, giving us the capital we need to carry out our planned growth strategy.

Taken as a whole, these activities have established us as one of Israel's major Internet players and its #1 Internet media group with the right resources, critical market mass, management experience and vision to take full advantage of emerging opportunities in our markets. We thank you for your ongoing support, and pledge to continue building Internet Gold's value for the benefit of all our shareholders.

Faithfully yours,
Eli Holtzman, CEO
