**PROXY STATEMENT**

---

**ANNUAL MEETING OF STOCKHOLDERS**

**July 20, 2001**

**Approximate date of mailing: June 26, 2001**

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of California Amplifier, Inc. (the "Company" or "California Amplifier") of proxies for use at the Annual Meeting of Stockholders of California Amplifier (the "Annual Meeting") to be held on Friday, July 20, 2001 at 10:00 a.m. local time or at any adjournment or postponement thereof.

**VOTING RIGHTS**

Stockholders of record of California Amplifier as of the close of business on May 22, 2001 have the right to receive notice of and to vote at the Annual Meeting. On May 22, 2001, California Amplifier had issued and outstanding 13,600,701 shares of Common Stock, par value \$0.01 per share ("Common Stock"), the only class of voting securities outstanding.

Each stockholder of record as of the record date will be entitled to one vote for each share of Common Stock held as of the record date. The presence at the Annual Meeting in person or by proxy of a majority of the shares of Common Stock outstanding as of the record date will constitute a quorum for transacting business. Abstentions and broker non-votes are counted for purposes of determining the presence of a quorum for transaction of business. With regard to election of directors, votes may be cast in favor or withheld; votes that are withheld will be excluded entirely from the vote and will have no effect. Abstentions may be specified on proposals other than the election of directors, and will be counted as present for purposes of the item on which the abstention is noted, and therefore counted in the tabulation of the votes cast on a proposal with the effect of a negative vote. Under applicable Delaware law, broker non-votes are not counted for purposes of determining the votes cast on a proposal.

**Persons Making the Solicitation**

The Proxy is solicited on behalf of the Board of Directors of the Company. The only solicitation materials to be sent to stockholders will be this Proxy Statement and the accompanying Proxy. The Board of Directors does not intend to use specially engaged employees or paid solicitors. The Board of Directors also intends to solicit the Proxies held on behalf of stockholders by brokers, dealers, banks and voting trustees, or their nominees. The Company will pay all reasonable expenses by such holders for mailing the solicitation material to the stockholders for whom they hold shares. All solicitation expenses are being paid by the Company.

**Terms of the Proxy**

The enclosed Proxy indicates the matters to be acted upon at the Annual Meeting and provides a box to be marked to indicate the manner in which the stockholder's shares are to be voted with respect to such matters. By appropriately marking the boxes, a stockholder may specify, with respect to the election of directors, whether the Proxy holder shall vote for or be without authority to vote on any or all candidates. The Proxy also confers upon the holders thereof discretionary voting authority with respect to such other business as may properly come before the Annual

Meeting.

Where a stockholder has appropriately directed how the Proxy is to be voted, the shares will be voted in accordance with the stockholder's direction. In the absence of instructions, shares represented by valid Proxies will be voted in favor of the nominees for director and all proposals set forth in the Notice of Meeting and this Proxy Statement. If any other matters are properly presented at the Annual Meeting, the persons named in the Proxy will vote or refrain from voting in accordance with their best judgment. A Proxy may be revoked at any time prior to its exercise by giving written notice of the revocation thereof to the Corporate Secretary of the Company or by filing a duly executed Proxy bearing a later date. Stockholders may also vote in person if they attend the Annual Meeting even though they have executed and returned a Proxy.

The Compensation Committee approves stock option grants and makes recommendations to the Board of Directors for compensation, incentive and discretionary bonuses, and stock option grants. See also Report of Compensation Committee included elsewhere herein.

The primary function of the Audit Committee is to review and approve the scope of audit procedures performed by the Company's independent auditors, to review the audit reports rendered by the Company's independent auditors, to monitor the internal control environment within the Company, and to approve the audit fee and other services charged by the independent auditors. 7

---

### **REPORT OF THE COMPENSATION COMMITTEE**

As members of the Compensation Committee it is our duty to monitor the performance and compensation of executive officers and other key employees, to review compensation plans, including bonuses, and to administer the Company's stock option plans. The Company's executive compensation program is designed to attract, motivate and retain the executive talent needed to enhance stockholder value in a competitive environment. The fundamental philosophy is to relate the amount of compensation "at risk" for an executive directly to his or her contribution to the Company's success in achieving superior performance objectives and to the overall success of the Company. The Company's executive and key employee compensation program consists of a base salary component, a component providing the potential for an annual bonus based on overall Company performance, and a component providing the opportunity to earn stock options that focus the executives on building stockholder value through meeting longer-term financial and strategic goals.

#### **Base Salary**

Base salary is designed to be consistent with comparable electronic manufacturing companies. For this purpose, this Committee utilizes the wage and salary surveys of the American Electronic Association. The Company generally attempts to place its executives' base salaries at the top 75% of companies of similar size in these surveys. In addition to the surveys, annual performance reviews and the Company's financial performance are determining factors for an individual's salary increase.

#### **The Executive and Key Employee Bonus Program**

## Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

The Executive and Key Employee Bonus Program is designed to reward Company executives and key employees for their contributions to corporate objectives. Each eligible employee's award is expressed as a percentage of the participant's base salary, which is determined by the same surveys used to establish base salaries, as described above. The Compensation Committee re-evaluates the Company's operating plan each fiscal year to ensure plan goals and proposed bonuses are properly correlated.

During each fiscal year a bonus pool is generated as the Company achieves the operating plan which was established at the beginning of the fiscal year. Bonuses from this pool are paid to key employees based upon the Company's achievement of specific performance objectives relating to their respective functional areas. Among the objectives are sales, gross margins, manufacturing productivity, expense levels, operating profits, financial ratios, and other quantifiable objectives consistent with the Company's growth objectives. Target bonuses range from 10% to 50% of an employee's base salary depending upon his or her influence on achieving the established performance objectives. Actual bonuses will vary depending upon the Company achieving certain income levels and the employee's contribution to the achievement of his or her performance objectives. The employee percentages will also be adjusted upward or downward as the Company's actual income before tax exceeds or falls short of plan earnings.

The Compensation Committee may recommend to the Board of Directors for approval the awarding of discretionary bonuses to certain employees even though the profit objectives established under the bonus plan were not achieved.

### **Stock Option Plan**

The Company's 1999 Stock Option Plan authorizes the granting of options to purchase shares of the Company's Common Stock to officers and key employees of the Company and its subsidiaries. The Option Plan is designed to:

Encourage and create ownership of the Company's Common Stock.

8

---

Link the officers' or key employees' financial success to that of the stockholders.

Focus attention on building stockholder value by balancing short-term and long-term decision making, and meeting longer-term financial and strategic goals.

Ensure broad-based participation of key employees in achieving Company sales, profit, and financial objectives.

Option grants are based upon various subjective factors for, among other things, hiring of employees, job responsibility and authority, performance, and prior grants.

The Committee granted only non-qualified stock options to employees during fiscal year 2001.

### **Compensation of Chief Executive Officer**

The Chief Executive base salary, incentive bonus, and stock option grants are based upon the top 75% of salaries for Chief Executive Officers of companies of similar size as the Company as reported in the surveys referred to above.

Mr. Sturm's base salary for fiscal year 2001 was \$287,400. In fiscal year 2001, Mr. Sturm was granted options to purchase 40,000 shares of Common Stock at an exercise price of \$43.50 under the 1999 Stock Option Plan. In fiscal year 2001, Mr. Sturm received an incentive bonus of \$88,232.

## REPORT OF THE AUDIT COMMITTEE

The Audit Committee operates under a written charter, which was adopted by California Amplifier's Board of Directors on May 30, 2001 and by the Audit Committee in September 2000. This written charter is included as an appendix to this proxy statement. The committee consists of three directors, none of whom were or are officers or employees. The current members of the committee are Thomas L. Ringer, who serves as Chairman, Arthur Hausman and Frank Perna, Jr. Each is an "independent" director within the meaning of the listing standards of the Nasdaq Stock Market.

The Audit Committee has reviewed California Amplifier's audited financial statements for the fiscal year ended March 3, 2001 and has discussed with both the management of California Amplifier and Arthur Andersen LLP, its independent accountants, these financial statements. California Amplifier's management, which has primary responsibility for the Company's financial statements, represented to the Audit Committee that its audited financial statements were prepared in accordance with accounting principles generally accepted in the United States. Arthur Andersen LLP has issued its opinion that the Company's audited financial statements are in conformance with accounting principles generally accepted in the United States.

The Audit Committee discussed with Arthur Andersen LLP the matters required to be discussed by Statement on Auditing Standards (SAS) No. 61, Communication with Audit Committees and SAS No. 90, Audit Committee Communications. The Audit Committee has also received from Arthur Andersen LLP the written disclosures and letter required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees and has discussed with Arthur Andersen LLP the independence of that firm. Arthur Andersen LLP did not receive any fees for professional services rendered other than fees billed for the audit of California Amplifier's annual financial statements for the most recent fiscal year, the reviews of the financial statements included in California Amplifier's Forms 10-Q for that fiscal year, and for tax services for that fiscal year.

Based on the Audit Committee's review of California Amplifier's audited financial statements together with the report of California Amplifier's independent auditors on the financial statements and the representations of California Amplifier's management with regard to these financial statements, and on the Audit Committee's discussions with the management of California Amplifier and California Amplifier's independent auditors, the Audit Committee recommended to California Amplifier's Board of Directors that the audited financial statements be included in California Amplifier's annual report on Form 10-K for the fiscal year ended March 3, 2001.

### AUDIT COMMITTEE

Thomas L. Ringer  
Arthur Hausman  
Frank Perna, Jr.

### INDEPENDENT AUDITORS FEES

During fiscal year 2001, the Company retained its principal auditor, Arthur Andersen, to provide services in the following categories and amounts:

Audit Fees	\$ 97,500
Financial Information Systems Design and Implementation Fees	\$
All Other Fees, primarily tax compliance	\$ 38,300

The Audit Committee has considered whether the provision of non-audit services by Arthur Andersen is compatible with maintaining auditor independence.

**EXHIBIT A**

**AUDIT COMMITTEE CHARTER**

**ARTICLE I. PURPOSE**

The purpose of the Audit Committee (the "Committee") is to provide assistance to the Board of Directors (the "Board") in fulfilling its oversight responsibilities. The Committee's primary responsibilities are to serve as an independent and objective party to:

Oversee and review the Corporation's auditing, accounting, and financial reporting processes;

Monitor and review that management has established and maintained processes to assure that an adequate system of internal control is functioning within the Corporation regarding accounting, finance, legal compliance and ethics;

Review and evaluate the Corporation's outside auditors;

Review and approve the audit scope and fee; and

Review and approve scope of other services performed by accountants prior to initiation.

**ARTICLE II. RELATIONSHIP WITH OUTSIDE AUDITORS**

The Corporation's outside auditor is ultimately responsible to the Board and the Committee. Subject to an affirming vote of a plurality of stockholders, the Board has the ultimate authority and responsibility to select, evaluate, and replace the outside auditors.

Management is responsible for preparing the Corporation's financial statements. The Corporation's outside auditors are responsible for auditing the financial statements. The activities of the Committee are in no way designed to supercede or alter these traditional responsibilities.

**ARTICLE III. COMPOSITION**

- a. The Committee shall consist of no fewer than three (3) directors.
- b.

## Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

Each member of the Committee must be an "independent director" within the meaning of Nasdaq Marketplace Rule 4200(a)(14). In particular, the Board shall determine that no member of the Committee has any relationship, which, in its opinion, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director or a member of the Committee. Notwithstanding the foregoing, one director who is not an independent director and is not a current employee or an immediate family member of a current employee, may serve on the Committee if the Board, under exceptional and limited circumstances, determines that his membership on the Committee is required by the best interests of the Company and its stockholders and the Board discloses in the next annual proxy statement subsequent to such determination, the nature of the relationship by which such director fails to be an independent director and the reasons for its determination.

c. Each member of the Committee must be able to read and understand fundamental financial statements, including balance sheets, income statement and cash flow statement, or become able to do so within a reasonable period of time after appointment to the Committee.

d. At least one member of the Committee must have past employment experience in finance or accounting, requisite professional certification in accounting, or any other comparable experience or background which results in financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

17

---

e. The Board may designate one of the members of the Committee to be its chairman; if the Board does not do so, the Committee may designate one of its members to be its chairman.

f. Notwithstanding the foregoing, the Committee shall not be required to comply with clauses (a) through (e) of this Article III until such time as it is required to do so pursuant to federal or state law or in accordance with the Nasdaq Marketplace Rules (or the rules of the exchange upon which the Company's securities are then traded).

### ARTICLE IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Committee shall:

#### Documents/Reports Review

1. Review and reassess, at least annually, the adequacy of this Charter, and to make recommendations to the Board, as conditions dictate, to update this Charter.
2. Review with management and the independent accountants the Corporation's annual financial statements, including a discussion with the independent accountants of the matters required to be discussed by Statement of Auditing Standards No. 61 ("SAS No. 61").
3. Review with management and the independent accountants the Corporation's Quarterly results prior to its release of earnings, including a discussion with the independent accountants of the matters to be discussed by SAS No. 61. The Committee will discuss the quality of the Company's accounting principals as applied in its financial reporting. The discussion shall include such matters as consistency of the Company's accounting policies and their application, and the clarity and completeness of the Company's financial statements and related disclosures. The Chairperson of the Committee may represent the entire Committee for purposes of this review. The Corporation's Quarterly Report on Form 10-Q filing need not be reviewed by the Committee, however it is the understanding of the Corporation's independent accountants that the Chairman of the Committee should be contacted if the independent accountant's believe management has not include all required disclosures in its quarterly filing.
- 4.

## Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

Review with management and the independent accountants the Corporation's annual results prior to its earnings release. The auditor should discuss with the audit Committee the auditor's judgments about the quality, not just the acceptability, of the entity's accounting principles as applied in its financial reporting. Since the primary responsibility for establishing an entity's accounting principles rests with management, the discussion generally would include management as an active participant. The discussion should be open and frank and generally should include such matters as the consistency of the entity's accounting policies and their application, and the clarity and completeness of the entity's financial statements, which include related disclosures. The discussion should also include items that have a significant impact on the representational faithfulness, verifiability, and neutrality of the accounting information included in the financial statements.

### Independent Accountants

5. Review the performance of the independent accountants and make recommendations to the Board regarding the appointment or termination of the independent accountants. The independent accountants are ultimately accountable to the Committee and the entire Board for such accountants' review of the financial statements and controls of the Corporation. On an annual basis, the Committee should review and discuss with the accountants all significant relationships the accountants have with the Corporation to determine the accountants' independence.

18

---

6. Oversee independence of the accountants by:
  - a. receiving from the accountants, on a periodic basis, a formal written statement delineating all relationships between the accountants and the Corporation consistent with Independence Standards Board Standard 1 ("ISB No. 1");
  - b. reviewing all proposed services being considered between the accountants and the Corporation or any other disclosed relationships or services that may impact the objectivity and independence of the accountants;
  - c. recommending, if necessary, that the Board take certain action to satisfy itself of the auditor's independence.
7. Based on the review and discussions referred to in Section 2 and 5 of this Article IV, shall determine whether to recommend to the Board that the Corporation's audited financial statements be included in the Corporation's Annual Report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.
8. In conjunction with the independent accountants, review the integrity of the Corporation's financial reporting processes, both internal and external.
9. Consider and approve, if appropriate, major changes to the Corporation's auditing and accounting principles and practices as suggested by the independent accountants or management.
10. Establish regular systems of reporting to the Committee by each of management and the independent accountants regarding any significant judgments made in management's preparation of the financial statements and any significant difficulties encountered during the course of the pre-issuance review or audit, including any restrictions on the scope of the work or access to required information. This need not be limited to the quarterly and annual earnings review if the Committee, its independent accountants', or management request a meeting regarding matters of internal control, significant judgments, legal compliance or ethics.

11.

Edgar Filing: CALIFORNIA AMPLIFIER INC - Form DEF 14A

Review any significant disagreement among management and the independent accountants in connection with the preparation of the financial statements.

Legal Compliance/General

- 12. Review with the Corporation's counsel, any legal matter that could have a significant impact on the Corporation's financial statements.
- 13. Report through its Chairperson to the Board following meetings of the Committee.
- 14. Maintain minutes or other records of meetings and activities of the Committee.

ARTICLE V. MISCELLANEOUS

The Committee may perform any other activities consistent with this charter, the Corporation's charter and bylaws, and governing law as the Committee or the Board deems necessary or appropriate.
