PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD APRIL 27, 2010

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement is furnished to you as a holder of outstanding shares of SofTech, Inc. common stock, par value \$.10 per share, in connection with the solicitation of proxies by the Board of Directors of SofTech, Inc., for use at the Annual Meeting of Shareholders to be held at our corporate offices located at 59 Composite Way, Suite 401, Lowell, Massachusetts, USA, 01851, on Tuesday, April 27, 2010 at 10:00 a.m. local time. Accompanying this Proxy Statement is the Board of Directors' Proxy for the Annual Meeting which you may use to indicate your vote as to the proposals described in this Proxy Statement. Our Annual Report on Form 10-K for the year ended May 31, 2009 also accompanies this Proxy Statement, but does not constitute part of these proxy soliciting materials. We anticipate that this Proxy Statement and the accompanying proxy will be mailed to our shareholders on or about March 12, 2010.

Shareholder Proposals

Voting of Shares by Proxy

Stockholders may vote in person or by proxy. Execution of a proxy will not in any way affect a stockholder's right to attend the Annual Meeting and vote in person. Any proxy given pursuant to this solicitation may be revoked by the

person giving it any time before it is voted. Proxies may be revoked by (1) filing with our Secretary, before the taking of the vote at the Annual Meeting, a written notice of revocation bearing a date later than the date of such proxy, (2) duly executing a later dated proxy relating to the same shares and delivering it to our Secretary before the taking of the vote at the Annual Meeting or (3) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy). If your shares are held in street name, that is, you hold your shares in an account with a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from your broker or other holder of record, to be able to vote at the Annual Meeting. Any written notice of revocation or subsequent proxy should be sent so as to be delivered to SofTech, Inc., 59 Composite Way, Suite 401, Lowell, MA 01851, attention: Corporate Secretary, at or before the taking of the vote at the Annual Meeting.

Record Date

The close of business on March 2, 2010 has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournments thereof. As of the record date, we had outstanding 12,213,236 shares of common stock, par value \$.10 per share. A shareholder is entitled to cast one vote for each share held on the record date on all matters to be considered at the Annual Meeting.

Quorum and Votes Required

The representation in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to establish a quorum for the transaction of business at the Annual Meeting. Votes withheld from a nominee, abstentions and broker non-votes are counted as present or represented for purposes of determining the presence or absence of a quorum. A non-vote occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner.

Directors are elected by a plurality of the votes cast by stockholders entitled to vote at the Annual Meeting. On all other matters being submitted to stockholders, the affirmative vote of a majority of shares present, in person or represented by proxy, and voting on each such matter at the Annual Meeting is required for approval.

An automated system administered by our transfer agent tabulates the votes. The vote on each matter submitted to stockholders is tabulated separately. Abstentions and broker non-votes are included in the number of shares present or represented for purposes of determining whether there is a quorum, but are not considered as shares voting or as votes cast with respect to any matter presented at the Annual Meeting. As a result, abstentions and broker non-votes will not have any effect on the proposals to elect directors and to ratify the appointment of Caturano and Company, P.C. as our independent public accountants for the fiscal year ending May 31, 2010.

The persons named as the proxies, Jean J. Croteau and Amy E. McGuire, were selected by the Board of Directors and are our executive officers. All properly executed proxies returned in time to be counted at the Annual Meeting will be voted. Any stockholder giving a proxy has the right to withhold authority to vote for any individual nominee to the Board of Directors by writing that nominee's name in the space provided on the proxy. In addition to the election of Directors, the stockholders will consider and vote upon ratifying the appointment of Caturano and Company, P.C. as our independent public accountants for the fiscal year ending May 31, 2010.

All proxies will be voted in accordance with the stockholders' instructions, and if no choice is specified, the enclosed proxy card (or any signed and dated copy thereof) will be voted in favor of the matters set forth in the accompanying notice of Annual Meeting of stockholders.

Business to be Transacted

At the Annual Meeting, the shareholders will consider and vote upon the following proposals:

.

Election of Directors: To elect one Class I Director. Directors are elected by a plurality of the votes of the shares of common stock present in person or represented by properly executed proxy, and entitled to vote at the Annual Meeting.

.

Ratification of the appointment of Caturano and Company, P.C. as our independent public accountants for the fiscal year ending May 31, 2010: To be approved, this proposal must receive the affirmative vote of a majority of the shares present in person or represented by properly executed proxy, and entitled to vote at the Annual Meeting.

Board of Directors Recommendation for Voting on the Proposals

The Board of Directors recommends a vote **FOR** the nominee for Class I Director, and a vote **FOR** ratification of the appointment of Caturano and Company, P.C. as our independent public accountants for the fiscal year ending May 31, 2010.

By order of the Board of Directors

QUESTIONS AND ANSWERS

1.

Q: What may I vote on?

A: You may vote on each of the following proposals:

1. ELECTION OF DIRECTORS

There is one nominee for election as a Class I Director this year (to serve until the annual meeting of stockholders in 2013).

Your Board unanimously recommends a vote FOR the nominee.

2. RATIFICATION OF INDEPENDENT AUDITORS

Ratification will require the affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote at the meeting. If the stockholders do not ratify the selection of the Company's independent public accountants, the Board of Directors may reconsider its selection.

Your Board unanimously recommends that shareholders vote FOR ratifying the appointment of Caturano and Company, P.C. as the Company's independent auditors.

2.

Q: Who is entitled to vote?

A: Shareholders of record as of the close of business on March 2, 2010 are entitled to vote at the Annual Meeting.

3.

Q: How do I vote?

A: You may vote either in person or by proxy. If you choose to vote by proxy, sign and date the proxy card you receive and return it in the prepaid envelope. If you return your signed proxy card but do not mark the boxes showing how you wish to vote, your shares will be voted FOR each nominee and in favor of ratification of the appointment of our independent auditor. You have the right to revoke your proxy at any time before the Meeting by:

(1) filing with our Secretary before the taking of the vote at the Annual Meeting a written notice of revocation bearing a date later than the date of such proxy;

(2) duly executing a later dated proxy relating to the same shares and delivering it to our Secretary before the taking of the vote at the Annual Meeting; or

(3) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy).

If your shares are held in street name, that is, you hold your shares in an account with a bank, broker or other holder of record you must obtain a proxy executed in your favor from your broker or other holder of record to be able to vote at the Annual Meeting. Any written notice of revocation or subsequent proxy should be sent so as to be delivered to SofTech, Inc., 59 Composite Way, Suite 401, Lowell, MA 01851, Attention: Corporate Secretary, at or before the taking of the vote at the Annual Meeting.

4.

Q: How does discretionary authority apply?

A: If you sign your proxy card, but do not make any selections, you give authority to Jean J. Croteau, President and Amy E. McGuire, CFO, to vote in their discretion on the proposals and any other matter that may properly come before the Meeting.

5.

Q: Is my vote confidential?

A: Proxy cards, ballots and voting tabulations that identify individual shareholders are mailed and returned directly to the Company's transfer agent, Registrar and Transfer, and handled in a manner that protects your voting privacy. Your vote will not be disclosed *except* to permit Registrar and Transfer to tabulate and certify the vote and except as required by law.

6.

Q: What does it mean if I get more than one proxy card?

A: If your shares are registered differently and are in more than one account, you will receive more than one proxy card. Sign and return all proxy cards to ensure that all of your shares are voted. We encourage you to have all accounts registered in the same name and address (whenever possible).

You can accomplish this by contacting our transfer agent, Registrar and Transfer at (908) 497-2300.

7.

Q: How many shares can vote?

A: As of the close of business on the record date, March 2, 2010, there were 12,213,236 shares of common stock issued and outstanding. Every holder of common stock as of the close of business on March 2, 2010, the record date, is entitled to one vote for each share held.

8.

Q: What is a "quorum?"

A: The presence of the holders of a majority of the outstanding shares of common stock entitled to vote at the Annual Meeting, whether in person or by proxy, constitutes a "quorum" at the Annual Meeting. There must be a quorum for the Meeting to be held.

9.

Q: Who can attend the Annual Meeting?

A: All shareholders that held shares of SofTech on March 2, 2010 can attend.

10.

Q: How will voting on any other business be conducted?

A: Although we do not know of any business to be considered at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business is presented at the Annual Meeting, your signed proxy card gives authority to Jean J. Croteau, President, and Amy E. McGuire, CFO, to vote on such matters at their discretion.

11.

Q: Can a shareholder nominate someone to be a director of SofTech?

A: Our bylaws do not provide a procedure for stockholders to nominate directors. The Board of Directors does not currently have a standing nominating committee. The Board of Directors currently has the responsibility of selecting individuals to be nominated for election to the Board of Directors. Qualifications considered by the Directors in nominating an individual may include, without limitation, independence, integrity, business experience and acumen, education, accounting and financial expertise, reputation, civic and community relationships and industry knowledge and relationships. In nominating an existing director for re-election to the Board of Directors, the Directors will consider and review an existing director's Board and Committee attendance, performance and length of service.

12.

Q: Who is soliciting proxies?

A. The enclosed proxy is being solicited by the Board of Directors of SofTech on behalf of SofTech. The cost of the solicitation shall be borne by SofTech. It is anticipated that solicitations of proxies for the meeting will be made only by use of the mails; however, we may use the services of our directors, officers and employees to solicit proxies personally or by telephone, without additional salary or compensation to them. Brokerage houses, custodians, nominees and fiduciaries will be requested to forward the proxy soliciting materials to the beneficial owners of our shares held of record by such persons, and we will reimburse such persons for their reasonable out-of-pocket expenses incurred in the performance of that task.

13.

Q: How much will this proxy solicitation cost?

A: The total cost is estimated to be about \$15,000, consisting primarily of legal, printing, postage, and service fees related to the use of the Notice & Access model. None of these funds will be used as compensation for solicitation.

Introduction

Timothy L. Tyler, an existing Director, has been nominated to be elected as a Class I Director at the Annual Meeting. The nominee, if elected, will serve as a Director until the next annual meeting of stockholders in 2013 and until his successor has been elected and qualified.

Nominee

Timothy L. Tyler

Age: 55

Director since 1996

Mr. Tyler's term as a Class I Director expires at the Annual Meeting to which this proxy statement relates. Mr. Tyler has served since 1995 as President of Borroughs Corporation, a privately held, Michigan-based business that designs, manufactures and markets industrial and library shelving units, metal office furniture and check out stands, primarily in the United States. Mr. Tyler served as President and General Manager of Tyler Supply Company from 1979 to 1995.

Votes Required to Elect Director; Board Recommendation

Directors are elected by a plurality of the votes of the shares entitled to vote in the election and present, in person or by proxy, at the Annual Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF TIMOTHY L. TYLER AS A CLASS I DIRECTOR.

SECTION 5

BOARD of DIRECTORS

Structure and Operation of the Board of Directors: The following is a brief description of the structure and certain functions of our Board of Directors (the Board of Directors or "Board"):

The Class I Director is serving until the Annual Meeting to which this proxy statement relates or until the Director's successor is duly elected or qualified, subject to earlier resignation

The Class II Directors are serving until the annual meeting of stockholders in 2011 or until their respective successor is duly elected or qualified, subject to earlier resignation

The Class III Directors are serving until the annual meeting of stockholders in 2012 or until their respective successor is duly elected or qualified, subject to earlier resignation

The Board currently consists of five non-employee directors, one of whom has been nominated for election as a Class I Director at the Annual Meeting.

The Board usually meets in scheduled meetings either in person or via conference telephone call.

The Board of Directors held 4 meetings during the fiscal year ended May 31, 2009. Each of the directors attended more than 75% of the scheduled meetings of the Board of Directors. No board members attended the prior year's annual meeting.

Structure and Operation of the Board:

We do not have standing audit, compensation or nominating committees of our Board. However, the full Board performs all of the functions of a standing audit committee, compensation committee and nominating committee. The following is a brief description of these functions of the Board:

Nomination of Directors

The Board of Directors does not currently have a standing nominating committee. The Board believes that it is not necessary to have a separate nominating committee given that the Board is comprised solely of non-management directors. The full Board of Directors currently has the responsibility of selecting individuals to be nominated for election to the Board of Directors. Board candidates are typically identified by existing directors or members of management. Qualifications considered by the Directors in nominating an individual may include, without limitation, independence, integrity, business experience and acumen, education, accounting and financial expertise, reputation, civic and community relationships and industry knowledge and relationships. In nominating an existing Director for re-election to the Board of Directors, the Directors will consider and review an existing director's Board attendance, performance and length of service. The Board of Directors will consider director candidates recommended by security holders. Any such candidates will be evaluated on the same basis as other candidates being evaluated by the Board. For information concerning the procedures to be followed by security holders in recommending candidates, please refer to the information under the caption Stockholder Proposals. The nominee for Class I Director was recommended by the full Board (other than the nominee himself), which is comprised solely of non-employee directors.

Audit Committee Related Function

We do not have a standing audit Committee, and thus we do not have an audit committee charter. The Board of Directors reviews with management and the Company's independent public accountants the Company's financial statements, the accounting principles applied in their preparation, the scope of the audit, any comments made by the independent accountants upon the financial condition of the Company and its accounting controls and procedures and such other matters as the Board deems appropriate. During fiscal year 2009, the Board met one time with respect to Audit Committee related matters. Because the Company's common stock is traded on the Over the Counter Bulletin Board, the Company is not subject to the listing requirements of any securities exchange regarding Audit Committee related matters.

The Board currently consists of five non-employee Directors: Messrs. Johnston, Elenbaas, Tyler, Elliston and Lake. Jean Croteau, President, and Amy McGuire, Chief Financial Officer, usually participate in Board meetings when requested. The Board has determined that Mr. Elliston qualifies as an "Audit Committee Financial Expert" as that term is defined in rules promulgated by the Securities and Exchange Commission. The functions of the Board with respect to Audit related functions include:

.

Selecting our independent auditors

.

Reviewing the results and scope of the audit and other services provided by our independent auditors

.

Reviewing and evaluating our audit and control functions

Report of Board on Audit Related Matters

In discharging its responsibility for oversight of the audit process, the Board obtained from the Company's independent auditors, Caturano and Company, P.C., a formal written statement describing any relationships between the auditors and the Company that might bear on the auditors' independence, consistent with the Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees,". In addition, the Board discussed with the auditors any relationships that might impact the auditors' objectivity and independence. The Board is satisfied as to the auditors' independence.

The Board of Directors of the Company reported the following:

1.

The Board has reviewed and discussed the audited financial statements as of and for the fiscal year ended May 31, 2009, with management and the independent auditors. Management has the responsibility for preparation of the Company's financial statements and the independent auditors have the responsibility for auditing those statements;

2.

The Board has discussed with the independent auditors the matters required to be discussed by SAS 61, as may be modified or supplemented;

3.

The Board has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees), as may be modified or supplemented, and has discussed with the independent accountant the independent accountant's independence; and

4.

Based on the review and discussion referred to in paragraphs (1) through (3) above, the Board approved the inclusion of the audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended May 31, 2009.

Members of the Board:

Ronald A. Elenbaas

Michael Elliston

William D. Johnston

Frederick A. Lake

Timothy L. Tyler

Compensation Committee Related Function

The Board of Directors does not currently have a standing compensation committee, and thus we do not have a compensation committee charter. The Board believes that it is not necessary to have a separate compensation committee given that the Board is comprised solely of non-management directors. The full Board of Directors currently has the responsibility of reviewing and establishing compensation for executive officers and making policy decisions concerning salaries and incentive compensation for executive officers of SofTech.

The Company's executive compensation program is administered by the Board, which determines the compensation of the President and Chief Financial Officer of the Company. In reviewing the compensation of the individual executive officers, the Board considers the recommendations of the President, published compensation surveys and current market conditions.

Executive Compensation Programs. The Company's compensation programs are aimed at enabling it to attract and retain the best possible executive talent and rewarding those executives commensurate with their ability and performance. The Company's compensation programs consist primarily of base salary, bonus plan, and stock option plan.

Base Salary. Base salaries for executive officers are determined in the same manner as that of other salaried employees. Salary guidelines are established by comparing the responsibilities of the individual's position in relation to similar positions in other software development companies of similar size. Individual salaries were determined this year by considering respective levels of responsibility, position and industry comparables.

Bonus Plan. The President and Chief Financial Officer participate in incentive plans which compensate these individuals in the form of cash bonuses. Awards under these plans are based on the attainment of specific Company and individual performance measures established by the Board at the beginning of the fiscal year. For the fiscal year ended May 31, 2009, these executive officers earned bonuses calculated in accordance with those plans, as described within this proxy statement in the table appearing under the heading *Executive Compensation* .

Incentive Compensation Plan. The Company's 1994 Stock Option Plan (the "1994 Stock Option Plan"), was designed to align a portion of the executive compensation program with stockholder interests by providing for the grant of options to employees, directors, officers and consultants to purchase up to 1,000,000 shares of Common Stock of the Company. The 1994 Stock Option Plan was adopted at the Annual Meeting of Stockholders on November 1, 1994 and was closed to new awards during 2004.

Jean Croteau was awarded stock options under the 1994 Stock Option Plan in prior years. While the 1994 Stock Option Plan is closed to new stock option awards, the Board believes that the existing awards to the executive officers provide the proper incentive for Company performance. The Board does not presently contemplate establishing an additional stock option plan.

Director Compensation. Directors are not paid any fees or additional compensation for service as members of the Board of Directors or any committee thereof.

From fiscal 1998 through fiscal year 2004, the company awarded non-employee Directors options in lieu of cash remuneration for their services. Pursuant to the Company's 1994 Stock Option Plan, non-employee Directors were granted non-qualified options to purchase shares of Common Stock of the Company. The Board administers the 1994 Stock Option Plan. Under the Plan, all non-employee Directors received 10,000 options upon appointment to the Board and received 3,000 options on the anniversary date of the initial award for as long as the Director served the Company in that capacity. Such options vested over a five year period in equal increments and have an expiration date ten years after award. Stock options typically terminate upon a Director leaving his or her position for any reason other than death or disability. The 1994 Stock Option Plan terminated in 2004 and therefore no additional stock option awards could be made from that Plan.

Compensation Committee Interlocks And Insider Participation

As disclosed above, the Board of Directors made all determinations about executive compensation for the fiscal year ended May 31, 2009. The Board is comprised solely of non-employee directors and no director is a former employee of the Company. As disclosed above, our President makes recommendations to the Chairman of Board about the compensation of executive officers.

William D. Johnston, who has been one of our directors since September 1996, is the President and sole principal of Greenleaf Companies, which owns Greenleaf Capital. We have, over the last several years entered into various financing arrangements with Greenleaf Capital, which is the beneficial owner of 44.5% of our common stock. Greenleaf Capital is our sole external source of capital. In addition, Greenleaf provides advisory services to us and its Chief Financial Officer serves on our board of directors.

During fiscal 2000, we entered into an \$11.0 million borrowing arrangement with Greenleaf Capital ("Greenleaf" or Greenleaf Capital). This facility was increased to \$15 million in 2002. During fiscal year 2000, we entered into a debt conversion agreement with Greenleaf. Under the terms of this agreement, we have the right to repurchase up to 4,054,424 shares at the average price of \$1.233 per share. There is no expiration to this repurchase right.

Principal and interest are payable monthly and the loan is subject to 15-year loan amortization. During the quarter ended November 30, 2009, we increased our line of credit with Greenleaf Capital from \$3.0 million to \$3.5 million. This line of credit expires in December of 2010. As of November 30, 2009, about \$3.1 million was outstanding, leaving approximately \$379,000 available under this facility. At November 30, 2009, we had total long-term debt of approximately \$8.8 million and current debt of \$2 million (for total debt of \$10.8 million), consisting of \$7.7 million under a term note and \$3.1 million under our revolving credit facility with Greenleaf. The interest rate on our borrowing arrangements is Prime Rate plus 2.25%.

The monthly minimum principal and interest payments are approximately \$210,000 on these borrowings. Of the \$10.8 million outstanding as of November 30, 2009, \$2 million is payable by November 30, 2010 and \$8.8 million is payable by December 31, 2010. Historically, Greenleaf has, on a quarterly basis, extended our line of credit and term note for an additional year. If the terms of our debt were not extended, we would be obligated to pay our lender \$2 million on November 30, 2010 and \$8.8 million on December 31, 2010 (for an aggregate of \$10.8 million).

Under our agreement with Greenleaf, among other obligations, we were required to pay Greenleaf an annual management fee of approximately \$500,000 (for management advisory services and available debt facilities). In March, 2008 we amended the agreement. Under the terms of the amendment, Greenleaf agreed to waive the monthly management fee (approximately \$44,000) for a three month period effective January 1, 2008, with such waiver to renew automatically for additional three month periods, unless Greenleaf notifies us in writing at least thirty days prior to expiration of a three month period that it is terminating its waiver. As of this date, we have received no such notice of termination from Greenleaf. Notwithstanding the amendment, we continued to pay Greenleaf \$44,000 per month (the amount that was otherwise payable under the Agreement) which was applied as additional principal payments towards the principal amount owing to Greenleaf. In March, 2009, we amended and restated our term note and revolving credit note with Greenleaf Capital. Under the amendments, the monthly principal amount payable was amended to include the \$44,000 we were voluntarily prepaying. As noted above, the monthly principal and interest payments under the amended and restated notes are currently approximately \$210,000. Greenleaf Trust also serves as the trustee and investment advisor for our 401-K Plan.

Because of our financial relationship with Greenleaf, neither Mr. Johnston, Mr. Elenbaas, nor Mr. Elliston is considered independent within the meaning of the Nasdaq Stock Market's independence rule applicable to audit committee members. Messrs. Tyler and Lake, of our Board of Directors and our Audit Committee, are considered independent within the meaning of the Nasdaq Stock Market's independence rule applicable to audit committee members.

Pursuant to our 1994 Stock Option Plan, non-employee Directors were eligible to be granted non-qualified options to purchase shares of our Common Stock. 6.5 Certain Relationships And Related Transactions

We have, over the last several years, entered into various financing arrangements with Greenleaf Capital, which is the beneficial owner of 44.5% of our common stock. Greenleaf Capital is our sole external source of capital. William D. Johnston, who has been one of our directors since September 1996, is the President and sole principal of Greenleaf Companies, which owns Greenleaf Capital. In addition, Greenleaf Capital's Chief Financial Officer and Greenleaf Hospitality Group's President and CEO serve as members of the board of directors of the Company.

During fiscal 2000, we entered into an \$11.0 million borrowing arrangement with Greenleaf Capital ("Greenleaf" or Greenleaf Capital). This facility was increased to \$15 million in 2002. During fiscal year 2000, we entered into a debt conversion agreement with Greenleaf. Under the terms of this agreement, we have the right to repurchase up to 4,054,424 shares at the average price of \$1.233 per share. There is no expiration to this repurchase right.

Principal and interest are payable monthly and the loan is subject to 15-year loan amortization. During the quarter ended November 30, 2009, we increased our line of credit with Greenleaf Capital from \$3.0 million to \$3.5 million. This line of credit expires in December of 2010. As of November 30, 2009, about \$3.1 million was outstanding, leaving approximately \$379,000 available under this facility. At November 30, 2009, we had total long-term debt of approximately \$8.8 million and current debt of \$2 million (for total debt of \$10.8 million), consisting of \$7.7 million under a term note and \$3.1 million under our revolving credit facility with Greenleaf. The interest rate on our borrowing arrangements is Prime Rate plus 2.25%.

The monthly minimum principal and interest payments are approximately \$210,000 on these borrowings. Of the \$10.8 million currently outstanding, \$2 million is payable by November 30, 2010 and \$8.8 million is payable by December 31, 2010. Historically, Greenleaf has, on a quarterly basis, extended our line of credit and term note for an additional year. If the terms of our debt were not extended, we would be obligated to pay our lender \$2 million on November 30, 2010 and \$8.8 million on December 31, 2010 (for an aggregate of \$10.8 million).

Under our agreement with Greenleaf, among other obligations, we were required to pay Greenleaf an annual management fee of approximately \$500,000 (for management advisory services and available debt facilities). In March, 2008 we amended the agreement. Under the terms of the amendment, Greenleaf agreed to waive the monthly management fee (approximately \$44,000) for a three month period effective January 1, 2008, with such waiver to renew automatically for additional three month periods, unless Greenleaf notifies us in writing at least thirty days prior to expiration of a three month period, that it is terminating its waiver. As of this date, we have received no such notice of termination from Greenleaf. Notwithstanding the amendment, we continued to pay Greenleaf \$44,000 per month (the amount that was otherwise payable under the Agreement) which was applied as additional principal payments towards the principal amount owing to Greenleaf. In March, 2009, we amended and restated our term note and revolving credit note with Greenleaf Capital. Under the amendments, the monthly principal amount payable was amended to include the \$44,000 we were voluntarily prepaying. As noted above, the monthly principal and interest payments under the amended and restated notes are currently approximately \$210,000. Greenleaf Trust also serves as the trustee and investment advisor for our 401-K Plan.

Because of our financial relationship with Greenleaf, neither Mr. Johnston, Mr. Elenbaas, nor Mr. Elliston is considered independent within the meaning of the Nasdaq Stock Market's independence rule applicable to audit committee members. Messrs. Tyler and Lake, of our Board of Directors and our Audit Committee, are considered independent within the meaning of the Nasdaq Stock Market's independence rule applicable to audit committee members.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE "FOR" RATIFYING THE APPOINTMENT OF CATURANO AND COMPANY, P.C. AS THE COMPANY'S INDEPENDENT AUDITORS.
