INFORMATION CONTAINED IN THIS FORM 6-K REPORT

Top Ships Inc. (the "Company") announced today that its Board of Directors (the "Board") has determined to effect a 1-for-7 reverse stock split of the Company's common stock. The Company's shareholders approved the reverse stock split and granted the Board the authority to determine the exact split ratio and proceed with the reverse stock split at the Company's special meeting of shareholders held on February 24, 2014.

The reverse stock split will take effect, and the Company's common stock will begin trading on a split-adjusted basis on the NASDAQ Global Select Market, as of the opening of trading on Monday, April 21, 2014. A new CUSIP number will be assigned to the Company's common stock when the reverse stock split becomes effective.

When the reverse stock split becomes effective, every 7 shares of the Company's issued and outstanding common stock will be automatically combined into one issued and outstanding share of common stock without any change in the par value per share or the total number of authorized shares. This will reduce the number of outstanding shares of the Company's common stock from approximately 58.2 million shares to approximately 8.3 million shares.

No fractional shares will be issued in connection with the reverse split of the issued and outstanding common stock. Shareholders who would otherwise hold a fractional share of the Company's common stock will receive a cash payment in lieu of such fractional share. Shareholders will receive instructions from the Company's exchange agent, Computershare Trust Company N.A., as to how to exchange existing share certificates for new certificates representing the post-reverse split shares.
