This report and the exhibits hereto contain forward-looking statements with respect to the financial condition, results of operations, plans, objectives, future performance, and business of SPA following the consummation of the Merger. These statements are preceded by, followed by, or include the words “believes,” “expects,” “anticipates,” or “estimates,” or similar expressions. Many possible events or factors could affect the future financial results and performance of SPA following the Merger. This could cause the results or performance of SPA to differ materially from those expressed in the forward-looking statements. Investors should consider these important factors when voting on the Merger. Factors that may cause actual results to differ materially from those contemplated by the forward-looking statements include (1) delays in closing the Merger whether due to the inability to obtain stockholder or regulatory approval or otherwise, (2) loss of key personnel or an expenditure by SPA of a greater amount of resources attracting, retaining and motivating key personnel than in the past, (3) a significant increase in competition among depository and other financial institutions, (4) changes in the interest rate environment that reduce operating margins, (5) general economic conditions, either nationally or in Washington and Oregon, may be less favorable than expected resulting in, among other things, a deterioration in credit quality and an increase in credit risk-related losses and expenses, (6) loan losses may exceed the level of allowance for loan losses of the surviving corporation, (7) the

rate of delinquencies and amount of charge-offs may be greater than expected, (8) the rates of loan growth and deposit growth may not increase as expected, (9) legislative or regulatory changes may adversely affect the business of SPAH, (10) costs related to the Merger may reduce SPAH's working capital (11) modification of pending regulatory actions against Frontier in a manner reasonably acceptable to SPAH, including by the elimination of certain provisions and consequences related thereto, and (12) SPAH may fail to close the Merger and may be forced to dissolve and liquidate.

The forward-looking statements are based on current expectations about future events. Although SPAH believes that the expectations reflected in the forward-looking statements are reasonable, SPAH cannot guarantee that these expectations actually will be achieved. SPAH is under no duty to update any of the forward-looking statements after the date made to conform those statements to actual results.
