PROXY STATEMENT

The Board of Directors (the “Board”) of Novation Companies, Inc., a Maryland corporation (the “Company,” “we,” “us” or “our”), is furnishing this proxy statement in connection with its solicitation of proxies for use at the annual meeting of shareholders (the “Annual Meeting”) to be held on [•], [•], 2016 at [•], Central Time, at [•]. We began mailing to our shareholders a notice containing instructions on how to access this proxy statement and our annual report on or about [•], 2016.

GENERAL INFORMATION

Attending the Annual Meeting

You can attend the Annual Meeting only if you were a shareholder at the close of business on [•], 2016, the record date for the Annual Meeting (the “Record Date”), or if you hold a valid proxy for the Annual Meeting. You should be prepared to present photo identification for admittance. If you are a shareholder of record, your name will be verified against the list of shareholders of record on the Record Date prior to your admission to the Annual Meeting. If you are not a shareholder of record, but hold shares in “street name” through a broker, bank or nominee, you should provide proof of beneficial ownership on the Record Date, such as your most recent account statement prior to the Record Date, a copy of the voting instruction card provided by your broker, bank or nominee, or other similar evidence of ownership. If you do not provide photo identification or comply with the other procedures outlined above, you will not be admitted to the Annual Meeting.

Record Date and Voting Rights

Holders of shares of the Company’s common stock, par value \$0.01 per share (the “Common Stock”), at the close of business on the Record Date are entitled to notice of, and to vote at the Annual Meeting. As of the Record Date, [•] shares of Common Stock were outstanding. Each holder of Common Stock is entitled to one vote for each share of Common Stock held as of the Record Date.

Voting

You may vote using any of the following methods:

- By telephone or the Internet. Specific instructions for shareholders of record who wish to use telephone or Internet voting procedures are set forth on the notice of internet availability of proxy materials and on the proxy card. If you own shares held in street name, you will receive voting instructions from your broker, bank or nominee and may vote by telephone or the Internet if they offer that alternative. Please note that telephone and Internet voting will close at [•] on [•], 2016.
- Proxy card or voting instruction card. If you received a proxy card or voting instruction card in the mail, complete, sign and date the card and return it in the prepaid envelope.
- In person at the Annual Meeting. All shareholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you own shares held in street name, you must obtain a legal proxy from your broker, bank or nominee and present it to the inspector of election with your ballot when you vote at the Annual Meeting.

Table of Contents

Shares of stock represented by properly executed proxies received in time for the Annual Meeting will be voted in accordance with the choices specified in the proxies. If you return a signed proxy card without indicating your vote, your shares will be voted in accordance with the recommendations of the Board as follows:

- FOR the amendments to the Company’s Articles of Amendment and Restatement and Amended and Restated Bylaws to declassify the Board (the “Board Declassification Proposal”);
 - FOR the election of the director nominees; and
- FOR the approval of a non-binding advisory resolution to approve the compensation of the Company’s named executive officers.

If for any reason any director nominee does not stand for election, any proxies we receive will be voted in favor of the remaining nominee and may be voted for a substitute nominee in place of the nominee who does not stand. We have no reason to expect that any of the director nominees will not stand for election. We are not aware of any other business to be acted upon at the Annual Meeting other than as set forth herein. If you grant a proxy, the persons named as proxy holders, Rodney E. Schwatken and Barry A. Igdaloff, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting.

Revocability of Proxy

If you are a shareholder of record, you may revoke your proxy at any time before it is voted at the Annual Meeting by delivering a written statement to the Corporate Secretary that the proxy is revoked, by presenting a later-dated proxy, or by attending the Annual Meeting and voting in person. If you own shares held in street name, you may submit new voting instructions by contacting your broker, bank or nominee. You may also vote in person at the Annual Meeting if you obtain a legal proxy as described above in “Attending the Annual Meeting.” Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Solicitation of Proxies

The costs of this solicitation by the Board will be borne by the Company. Proxy solicitations will be made by mail and also may be made by personal interview, telephone, facsimile transmission and electronic mail. Banks, brokerage house nominees and other fiduciaries are requested to forward the proxy soliciting material to the beneficial owners and to obtain authorization for the execution of proxies. The Company will, upon request, reimburse those parties for their reasonable expenses in forwarding proxy materials to the beneficial owners.

Broker Non-Votes

If the shares you own are held in “street name” by a bank, brokerage firm or other nominee, your nominee, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares, you will need to follow the directions your nominee provides to you. If you do not give instructions to your nominee, your nominee will determine whether it has discretionary authority to vote your shares. Applicable regulations prohibit nominees from voting shares on non-routine matters unless the beneficial owners indicate how the shares are to be voted. Therefore, unless you instruct your nominee on how to vote your shares with respect to the approval of the Board Declassification Proposal, the election of directors, and the advisory resolution on compensation of the Company’s named executive officers, your nominee will be prohibited from voting on such matters on your behalf.

Table of Contents

If your nominee returns a valid proxy but is not able to vote your shares, they will constitute “broker non-votes,” which will not be counted for the purpose of determining the presence of a quorum and will not affect the outcome of any matter being voted on at the Annual Meeting.

Votes Required for Approval of Proposals

A quorum will be present if at least a majority of the outstanding shares of our Common Stock entitled to vote at the Annual Meeting, totaling [•] shares, is represented at the Annual Meeting, either in person or by proxy. Abstentions will be considered present for the purpose of establishing a quorum. Broker non-votes will not be considered present for the purpose of establishing a quorum.

Proposal 1: Board Declassification Proposal. The affirmative vote of the holders of two-thirds of the votes entitled to be cast on this proposal at the Annual Meeting is required for approval of the Board Declassification Proposal. Abstentions and broker non-votes with respect to this proposal will have the same effect as a vote against the proposal.

Proposal 2: Election of Directors. Each of the two director nominees receiving a plurality of the votes cast at the Annual Meeting will be elected as a director. You may withhold votes from any or all nominees. Broker non-votes will have no effect on the result of this vote.

Proposal 3: Advisory Vote on Executive Compensation. The affirmative vote of a majority of the votes cast on this proposal at the Annual Meeting is required for approval of a non-binding advisory resolution to approve the compensation of the Company’s named executive officers. Abstentions will have the same effect as a vote against this proposal. Broker non-votes will have no effect on the result of this vote.

Internet Availability of Proxy Materials

This year, we are again taking advantage of the rules of the Securities and Exchange Commission (the “SEC”) that allow us to furnish our proxy materials primarily via the Internet, instead of mailing printed copies of those materials to each shareholder, which expedites your receipt of materials, lowers our expenses and conserves natural resources. On or about [•], 2016, we began mailing to our shareholders a notice containing instructions on how to access this proxy statement and our annual report and how to vote on the Internet. The notice also included instructions on how to receive such materials, at no charge, by paper delivery (along with a proxy card) or by e-mail. Beneficial owners receive a similar notice from their broker, bank or other nominee. If you would prefer to receive a paper copy of our proxy materials, please follow the instructions included in the notice.

PROPOSAL 1 – DECLASSIFICATION OF THE BOARD OF DIRECTORS

Under Article VI, Section C of our Articles of Amendment and Restatement (the “Articles of Incorporation”) and Article II, Section 1 of our Amended and Restated Bylaws (the “Bylaws”), the Board is divided into three classes (Class I, Class II and Class III). Each member of a class is elected for a three-year term, with the terms staggered such that approximately one-third of directors stand for election each year. There are currently two Class I directors elected to serve until our 2018 annual meeting of shareholders (the “2018 Annual Meeting”) and until their successors are duly elected and qualified, two Class II directors elected to serve until the Annual Meeting and until their successors are duly elected and qualified, and two Class III directors elected to serve until our 2017 annual meeting of shareholders (the “2017 Annual Meeting”) and until their successors are duly elected and qualified. Art M. Burtscher, one of our Class I directors, notified the Company of his resignation from the Board effective at the Annual Meeting.

The Board recognizes that there is a trend in corporate governance in favor of the annual election of directors and has determined that it would be in the best interests of the Company and its shareholders to declassify the Board to allow the Company’s shareholders to vote on the election of the entire Board each year. Additionally, the Company agreed to seek binding shareholder approval at the Annual Meeting to declassify the Board under the terms of an Agreement, dated as of April 22, 2015 (the “Lone Star Value Agreement”), by and among the Company, Lone Star Value Investors, LP, Lone Star Value Investors GP, LLC, Lone Star Value Management, LLC and Jeffrey E. Eberwein (collectively, “Lone Star Value”). In light of the foregoing, the Board unanimously adopted and is submitting for shareholder approval amendments to the Articles of Incorporation and the Bylaws that would phase out the classification of the Board beginning at the Annual Meeting (the “Declassification Amendments”), as described in detail below.

If the Board Declassification Proposal is approved by shareholders, we will call a recess to the Annual Meeting to permit us to file the proposed amendment to the Articles of Incorporation with the State Department of Assessments and Taxation of Maryland and effect the proposed amendment to the Bylaws, each to phase out the classification of the Board, prior to the election of directors at the Annual Meeting. Thereafter, the declassification of the Board will be phased in as follows:

- the director nominees elected at the Annual Meeting, currently Class II directors, will be elected to serve until the 2017 Annual Meeting and until their successors are duly elected and qualified;
- the current Class III directors will continue to serve until the 2017 Annual Meeting and until their successors are duly elected and qualified;
- under the terms of the Lone Star Value Agreement, Robert G. Pearse, a Class I director whose term is scheduled to expire at the 2018 Annual Meeting, will tender his resignation effective at the 2017 Annual Meeting; and
- effective at the 2017 Annual Meeting and at each annual meeting of shareholders thereafter, all directors will be elected annually.

If the Board Declassification Proposal is not approved by shareholders, the Board will remain classified. In such case, the director nominees elected at the Annual Meeting will be elected as Class II directors for a three-year term to serve until our 2019 annual meeting of shareholders (the “2019 Annual Meeting”) and until their successors are duly elected and qualified, and current Class I (other than Mr. Burtscher) and Class III directors will continue to serve the remainder of their terms. The Board does not intend to appoint a replacement for Mr. Burtscher, but rather to reduce the size of the Board by one director.

Table of Contents

The description of the Declassification Amendments set forth above is qualified in its entirety by reference to the full text of the proposed amendment to the Articles of Incorporation attached as Appendix A to this proxy statement and the full text of the proposed amendment to the Bylaws attached as Appendix B to this proxy statement, each marked to show the changes described above.

The approval of the Board Declassification Proposal requires the affirmative vote of the holders of two-thirds of the votes entitled to be cast on this proposal at the Annual Meeting.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE APPROVAL OF THE BOARD DECLASSIFICATION PROPOSAL.

PROPOSAL 2 – ELECTION OF DIRECTORS

Under the terms of our Articles of Incorporation and Bylaws, the Board is divided into three classes (Class I, Class II and Class III). Each member of a class is elected for a three-year term, with the terms staggered such that approximately one-third of directors stand for election each year. There are currently two Class I directors elected to serve until the 2018 Annual Meeting and until their successors are duly elected and qualified, two Class II directors elected to serve until the Annual Meeting and until their successors are duly elected and qualified, and two Class III directors elected to serve until the 2017 Annual Meeting and until their successors are duly elected and qualified. Mr. Burtscher, one of our Class I directors, notified the Company of his resignation from the Board effective at the Annual Meeting. Mr. Gillman, who was appointed to the Board on January 6, 2016, was recommended to the Nominating and Corporate Governance Committee by a non-management director.

As discussed in detail in “Proposal 1 – Declassification of the Board of Directors,” the Company will present the Board Declassification Proposal for shareholder approval at the Annual Meeting. If the Board Declassification Proposal is approved by shareholders, we will call a recess to the Annual Meeting to permit us to file the proposed amendment to the Articles of Incorporation with the State Department of Assessments and Taxation of Maryland and effect the proposed amendment to the Bylaws, each to phase out the classification of the Board, prior to the election of directors at the Annual Meeting. Thereafter, the director nominees elected at the Annual Meeting, currently Class II directors, will be elected to serve until the 2017 Annual Meeting and until their successors are duly elected and qualified. If the Board Declassification Proposal is not approved by shareholders, the director nominees elected at the Annual Meeting will be elected as Class II directors for a three-year term to serve until the 2019 Annual Meeting and until their successors are duly elected and qualified.

Jeffrey E. Eberwein and Charles M. Gillman, currently serving as Class II directors, are nominated for election to the Board at the Annual Meeting.

Each of the two director nominees receiving a plurality of the votes cast at the Annual Meeting will be elected as a director. You may withhold votes from any or all nominees. Broker non-votes will have no effect on the result of this vote.

CORPORATE GOVERNANCE AND RELATED MATTERS

Director Independence

The Board has determined that all of our directors and director nominees are independent within the meaning of SEC and NASDAQ rules. The Board has also determined that all directors serving on the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee are independent within the meaning of SEC and NASDAQ rules. Although the Company's securities are not listed on NASDAQ, the Company uses the independence standards provided for in NASDAQ rules in determining whether or not our directors and director nominees are independent.

Board Leadership Structure

Barry A. Igdaloff currently serves as the Chairman of the Board. The Board has determined that separating the roles of Chief Executive Officer and Chairman of the Board is in the best interests of the Company's shareholders at this time. Board and Committee Meetings

During 2015, there were 14 meetings of the Board, 5 meetings of the Audit Committee, 6 meetings of the Compensation Committee and 4 meetings of the Nominating and Corporate Governance Committee, in addition to actions taken by unanimous written consent. The Audit Committee consists of Barry A. Igdaloff, Howard M. Amster, and Robert G. Pearse, with Mr. Igdaloff serving as the chairman. The Board has determined that Barry Igdaloff and Robert G. Pearse qualify as "audit committee financial experts" under SEC rules and that each Audit Committee member has sufficient knowledge in reading and understanding the Company's financial statements to serve on the Audit Committee.

The Compensation Committee may form and delegate authority to subcommittees, comprised of one or more members of the Compensation Committee, as necessary or appropriate, and each such subcommittee shall have the full power and authority of the Compensation Committee.

The charter of the Compensation Committee permits the Compensation Committee to engage outside consultants. In 2015, the Compensation Committee retained a compensation consultant, Pay Governance LLC, to evaluate its compensation program for 2015 and to ensure the compensation program furthers the Company's compensation program objectives with respect to compensation determinations for 2015. Based on the information presented by Pay Governance LLC, the Compensation Committee adjusted and approved base salaries and incentive compensation levels for our Named Executive Officers.

Shareholder Communications with the Board

Shareholders may communicate directly with any member of the Board or any individual chairman of a Board committee by writing directly to those individuals at the following address: Novation Companies, Inc., 2114 Central Street, Suite 600, Kansas City, MO 64108. Communications that are intended for the non-management, independent directors generally should be marked to the attention of the chairman of the Nominating and Corporate Governance Committee. The Company's general policy is to forward, and not to intentionally screen, any substantive mail received at the Company's corporate office that is sent directly to a director; however, (i) routine advertisements and business solicitations and (ii) communications deemed to be a security risk or principally for harassment purposes, may not be forwarded in the discretion of the Corporate Secretary, provided that in the latter case the Chairman of the Board is notified thereof.

Risk Oversight

The Board oversees an enterprise-wide approach to risk management, designed to support the achievement of Company objectives, improve long-term Company performance and create shareholder value. A fundamental part of risk management is understanding the risks the Company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for the Company. The involvement of the full Board in setting the Company's business strategy and objectives is integral to the Board's assessment of the Company's risk and also a determination of what constitutes an appropriate level of risk for the Company. The full Board conducts an annual risk assessment of the Company's financial risk, legal/compliance risk and operational/strategic risk and addresses individual risk issues throughout the year as necessary.

While the Board has the ultimate oversight responsibility for the risk management process, the Board delegates responsibility for certain aspects of risk management to the Audit Committee. Per its charter, the Audit Committee focuses on key financial risks and related controls and processes and discusses with management the Company's major financial reporting exposures and the steps management has taken to monitor and control such exposures.

The Board believes its leadership structure enhances overall risk oversight. While the Board requires risk assessments from management, the combination of Board member experience, diversity of perspectives, continuing education and independence of governance processes provide an effective basis for testing, overseeing and supplementing management assessments.

Identifying and Evaluating Nominees for Directors

The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating nominees for director. The Nominating and Corporate Governance Committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Nominating and Corporate Governance Committee considers various potential candidates for director. Candidates may come to the attention of the Nominating and Corporate Governance

Committee through current members of the Board, professional search firms, shareholders or other persons. These candidates are evaluated at regular or special meetings of the Nominating and Corporate Governance Committee, and may be considered at any point during the year. Shareholder nominations should be addressed to: Novation Companies, Inc., 2114 Central Street, Suite 600, Kansas City, MO 64108, attention Corporate Secretary. The Nominating and Corporate Governance Committee will consider properly submitted shareholder nominations for candidates for the Board, following verification of the shareholder status of persons proposing candidates. If any materials are provided by a shareholder in connection with the nominating of a director candidate, such material will be forwarded to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee will also review materials provided by professional search firms or other parties.

Table of Contents

The Nominating and Corporate Governance Committee considers candidates for the Board based upon several criteria set forth in the Company's Corporate Governance Guidelines, including their broad-based business and professional skills and experience, education, accounting and financial expertise, age, reputation, civic and community relationships, concern for the long-term interest of shareholders, personal integrity and judgment, knowledge and experience in the Company's industry (such as operations, finance, accounting and marketing experience and education) and diversity. The Nominating and Corporate Governance Committee considers diversity in the broadest sense, thus including factors such as age, sex, race, ethnicity and geographic location, as well as a variety of experience and educational backgrounds when seeking nominees to the Board. The Nominating and Corporate Governance Committee does not have a formal diversity policy in place.

The Nominating and Corporate Governance Committee does not assign specific weights to the criteria and no particular criterion is necessarily applicable to all prospective nominees. When evaluating nominees, the composition of the entire Board is also taken into account, including the need for a majority of independent directors. In addition, the assessment of a candidate includes consideration of the number of public boards on which he or she serves because of the time requirements for duties and responsibilities associated with serving on the Board. The Nominating and Corporate Governance Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Nominating and Corporate Governance Committee assesses the effectiveness of the Corporate Governance Guidelines, including with respect to director nominations and qualifications and achievement of having directors with a broad range of experience and backgrounds, through completion of the annual self-evaluation process.

Material Changes to the Procedures by which Shareholders May Recommend Nominees to the Board

On April 1, 2015, the Board adopted Amended and Restated Bylaws that, among other things, provided for additional requirements for shareholders to properly submit a nominee to the Board. Material additional requirements included: (i) that shareholders must disclose more extensive information in their notice, including information related to proposed nominees or persons acting in concert with the shareholder who proposes the nominees or business, hedging activities, interests of the shareholder (or persons acting in concert with the shareholder) regarding the nominees or the business proposal, ownership of securities of the Company's peer group and commercial or other relationships with the Company; (ii) that the Board can request written verification of information previously submitted by the shareholder; and (iii) that the shareholder proposing the nominee must notify the Company of any inaccuracy or change in information provided. These requirements apply beginning with the Annual Meeting. The Board believes that these additional requirements ensure that the Board has all necessary information for identifying and evaluating nominees that are submitted by shareholders.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and holders of more than 10% of our Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely upon a review of the copies of the forms furnished to us and written representations made by our directors and officers, we believe that our directors, officers and holders of more than 10% of our Common Stock complied with all applicable filing requirements during fiscal year 2015.

RELATED PARTY TRANSACTIONS

The Company has adopted a written policy that addresses the review, approval or ratification of any transaction, arrangement, or relationship or series of similar transactions, arrangements or relationships, including any indebtedness or guarantee of indebtedness, between the Company and any related party, in which the aggregate amount involved exceeds the lesser of \$120,000 or 1% of the average of the Company's total assets at year end for the last two completed fiscal years. Under the policy, a related party of the Company includes:

- Any executive officer, or any director or nominee for election as a director;
- Any person who owns more than 5% of the Company's voting securities;
- Any immediate family member of any of the foregoing; or
- Any entity in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a 10% beneficial ownership interest.

Under the policy, the Board reviews the material facts of any related party transaction and approves it prior to its occurrence. If advance approval is not feasible, then the Board will either ratify the transaction at its next regularly scheduled meeting or the transaction will be rescinded. In making its determination to approve or ratify any related party transaction, the Board may consider such factors as (i) the extent of the related party's interest in the transaction, (ii) if applicable, the availability of other sources of comparable products or services, (iii) whether the terms of the transaction are no less favorable than terms generally available to Company in unaffiliated transactions under like circumstances, (iv) the benefit to the Company, and (v) the aggregate value of the transaction.

No director may engage in any Board discussion or approval of any related party transaction in which he or she is a related party, but that director is required to provide the Board with all material information reasonably requested concerning the transaction.

In conjunction with adopting this policy, the Board reviewed and approved any existing related party transactions.

Agreements and Transactions with Certain Executive Officers

Steve Haslam retired from the Company effective October 1, 2014, but was involved in certain transactions with the Company prior to his retirement. On March 8, 2012, the same date that Mr. Haslam entered into an employment agreement with the Company, Mr. Haslam and StreetLinks LLC entered into a Separation and Release Agreement (the "Haslam Release Agreement"), pursuant to which Mr. Haslam's employment with StreetLinks was terminated. Mr. Haslam's termination by StreetLinks triggered the Company's right of first refusal to purchase Mr. Haslam's membership units of StreetLinks under the operating agreement of StreetLinks. Mr. Haslam held 1,927 membership units of StreetLinks, which represented approximately 4.89% of the outstanding StreetLinks membership units.

Pursuant to a Membership Interest Purchase Agreement, dated March 8, 2012, by and between Mr. Haslam and the Company (the "Haslam Purchase Agreement"), Mr. Haslam sold all of his 1,927 membership units of StreetLinks to the Company. The total purchase price under the Haslam Purchase Agreement was \$6,112,500 (the "Haslam Purchase Price"), which was payable to Mr. Haslam as follows: \$500,000 on March 8, 2012; \$500,000 on June 30, 2012; and \$250,000 on the last day of each quarter thereafter until March 8, 2016, on which date the unpaid principal balance of \$1,612,500 was to be paid, plus interest at the rate of four percent per annum, compounded quarterly, on the unpaid balance with regard to all payments other than the initial payment. Through December 31, 2013, the Company had timely paid \$2,250,000 in principal and \$345,000 in interest to Mr. Haslam under the Haslam Purchase Agreement. Mr. Haslam's sole remedy for non-payment by the Company under the Haslam Purchase Agreement was an equitable right to return of the amount of StreetLinks membership units attributable to the pro-rata portion of the Haslam Purchase Price then owed but not paid. On April 16, 2014, the Company and Mr. Haslam reached an agreement pursuant to which the Company returned to Mr. Haslam, and Mr. Haslam accepted in lieu of further payment, 1,218 membership units of StreetLinks attributable to the remaining pro-rata portion of the Haslam Purchase Price of \$3,862,500 in principal and \$234,000 in interest.

On April 16, 2014, the Company entered into the Purchase and Sale Agreement (the “StreetLinks Sale Agreement”) by and among the Company, StreetLinks LLC, the members of StreetLinks LLC, (collectively, the “Sellers”) and Assurant Services LLC (“Assurant”) to sell all of the membership units in StreetLinks LLC (the “StreetLinks Transaction”). The aggregate purchase price paid by Assurant to the Sellers was \$72 million structured as \$60 million paid in cash upon closing and up to an additional \$12 million paid post-closing in cash if StreetLinks generates certain measures of total revenue in 2015 and/or 2016.

Steve Haslam, the Company’s Senior Vice President and Chief Operating Officer at the time of the sale, owned approximately 3% of StreetLinks prior to sale transaction under the StreetLinks Sale Agreement. He and the Company each constitute one of the “Sellers” under the StreetLinks Sale Agreement. Under the StreetLinks Sale Agreement, the Sellers are severally liable to Assurant for breaches of representations, warrants and covenants. The Sellers will be liable to Assurant for breaches of certain representations and warranties in the StreetLinks Sale Agreement up to the amount of such Seller’s pro rata ownership in StreetLinks LLC prior to the StreetLinks Transaction. In the event a Seller is unable to make a required indemnification payment, then the Buyer may assign the right to such payment to the Company and in return the Company will make payment on the claim directly to Assurant.

PROPOSAL 3 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) provides that our shareholders have the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of the Named Executive Officers as disclosed in this proxy statement in accordance with the SEC rules.

We are asking shareholders to indicate their support for the compensation of our Named Executive Officers, who are named in the “Summary Compensation Table” included in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives shareholders the opportunity to express their views on the compensation of our Named Executive Officers. Accordingly, we will ask shareholders to vote FOR the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s proxy statement for the 2016 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Summary Compensation Table and the other related tables and disclosure.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board. The Board and the Compensation Committee value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our shareholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The adoption of the advisory resolution to approve the compensation of the Named Executive Officers requires the affirmative vote of a majority of the votes cast on this proposal at the Annual Meeting.

THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE ADOPTION OF THE RESOLUTION APPROVING THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS.

SHAREHOLDER PROPOSALS OR NOMINATIONS

Any shareholder proposal made in accordance with the requirements of Rule 14a-8 promulgated under the Exchange Act, including the nomination of a director, and intended to be presented at the 2017 Annual Meeting and included in the proxy statement and form proxy relating to such meeting, must satisfy the requirements of the proxy rules promulgated by the SEC and must be received at the Company's principal executive offices on or before [•].

Under SEC rules, if we do not receive notice of a shareholder proposal at least 45 days prior to the first anniversary of the date of mailing of the prior year's proxy statement, then our appointed proxy holders will be permitted to use their discretionary voting authority when the proposal is raised at the annual meeting, without any discussion of the matter in the related proxy statement. In connection with the 2017 Annual Meeting, if we do not have notice of a shareholder proposal on or before [•], we will be permitted to use our discretionary voting authority as outlined above.

Our Bylaws provide that any shareholder wishing to bring any matter, including the nomination of a director, before an annual meeting of shareholders must deliver notice to our Corporate Secretary at our principal executive offices not later than 5:00 p.m., Central Time, on the 90th day prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting; provided, however, that in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, in order for notice by the stockholder to be timely, such notice must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Central Time, on the later of the 120th day prior to the date of such annual meeting, as originally convened, or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

ADDITIONAL INFORMATION

A single set of proxy materials may be delivered to any household at which two or more shareholders reside unless contrary instructions have been received from an affected shareholder. This procedure, referred to as householding, reduces the volume of duplicate materials shareholders receive and reduces mailing expenses. Once you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If you wish to receive a separate set of proxy materials for the Annual Meeting, we will deliver them promptly upon request made by writing to Novation Companies, Inc., Investor Relations, 2114 Central Street, Suite 600, Kansas City, MO 64108. Stockholders sharing an address can request delivery of a single copy of proxy materials for the Annual Meeting if they are receiving multiple copies of these materials by writing to Novation Companies, Inc., Investor Relations, 2114 Central Street, Suite 600, Kansas City, MO 64108.

APPENDIX B

PROPOSED AMENDMENT TO THE BYLAWS

The proposed amendment to the Company's Amended and Restated Bylaws would revise Article II, Section 1 thereof as shown below (new language is indicated by double-underlining and deletions are indicated by strike-throughs).

ARTICLE II

DIRECTORS

Section 1. NUMBER, CLASSIFICATION, ELECTION AND TERM. The affairs of the Corporation shall be under the direction and control of a Board of Directors which shall be initially composed of three (3) members who shall hold office until its successors are duly chosen and qualified. The directors shall be divided into three Classes, designated Class I, Class II and Class III. Each class shall consist, as nearly as may be possible, of one-third of the total number of directors constituting the entire Board of Directors. The term of the initial Class I directors shall terminate on the date of the annual meeting of stockholders held in 1997; the term of the initial Class II directors shall terminate on the date of the annual meeting of stockholders held in 1998; and the term of the initial Class III directors shall terminate on the date of the annual meeting of stockholders held in 1999. At each annual meeting of stockholders beginning in 1997, successors to the class of directors whose term expires at that annual meeting shall be elected for a three-year term. The number of directors shall be increased or decreased from time to time by vote of a majority of the entire Board of Directors; provided, however, that the number of directors may not exceed fifteen (15) nor be less than three (3) except as permitted by law. If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible. A director elected by stockholders shall hold office until the annual meeting for the year in which his or her term expires and until his or her successor shall be elected and shall qualify, subject, however, to prior death, resignation, retirement, disqualification or removal from office.

At all times subsequent to the first closing in the Corporation's initial private placement of its Capital Stock (the "Private Placement"), except in the case of a vacancy, a majority of the Board of Directors shall be Independent Directors (as hereinafter defined). For the purposes of these Bylaws, "Independent Director" shall mean a director of the Corporation who is not an officer or employee of the Corporation or any subsidiary or affiliate of the Corporation. General Electric Capital Corporation and its affiliates, including GE Capital Mortgage Corporation, shall not be deemed to be affiliates of the Corporation for purposes of this definition. Directors need not be stockholders in the Corporation.

Whenever the holders of any one or more series of preferred stock of the Corporation shall have the right, voting separately as a class, to elect one or more directors of the Corporation, the Board of Directors shall consist of said directors so elected in addition to the number of directors fixed as provided above in the first paragraph of this Section 1. Notwithstanding the foregoing, and except as otherwise may be required by law, whenever the holders of any one or more series of preferred stock of the Corporation shall have the right, voting separately as a class, to elect one or more directors of the Corporation, the terms of the director or directors elected by such holders shall expire at the next succeeding annual meeting of stockholders.
