ATTENTION!

From: The musicmaker.com group

STOP! - LOOK! - READ!

STOP! When you receive your Liquid Audio, Inc. proxy materials...STOP! DO NOT sign and return management's proxy card.

LOOK! In the coming days, LOOK for proxy materials from the musicmaker.com group. The group's proxy materials will contain important information regarding our nominees for director, our platform, other proposals and your proxy card. READ! Please READ the information in the musicmaker.com group's proxy materials concerning management's wasting of our Company's assets in pursuit of a business plan that we believe is not viable.

Under current management, Liquid Audio has devoted five years and spent \$103 million of your money and only achieved revenues of \$136,000 in the most recent quarter!

The musicmaker.com group owns approximately 6.9% of the outstanding shares of stock and is outraged by this senseless depletion of our Company's assets. You should be too. In what we believe is in the best interest of all Liquid Audio shareholders, the musicmaker.com group wants representation and/or control of the Company's board of directors and is nominating outstanding individuals who are committed to one goal . . .

Maximization of value for all stockholders! Ordinarily, only two directors would be eligible for election this year and we have nominated Seymour Holtzman and James Mitarotonda for these board seats.

Furthermore, as you will read in our proxy materials, we are also asking for your help to amend the Company's by-laws so that all six of our nominees may be elected to the board of directors. This is a difficult task because the vote of 66 2/3% of all outstanding shares is required to amend the by-laws... We will need the vote of each shareholder. Without your support we may not be able to achieve our goals for all stockholders.

If our nominees are elected, they intend to take immediate steps to substantially eliminate the Company's cash drain, stabilize the deterioration in stockholder equity and terminate the Company's failed business plan. In January 2001, Mr. Holtzman and Mr. Mitarotonda obtained control of musicmaker.com (OTC

Bulletin Board "HITS") and implemented the above actions. musicmaker.com then distributed a portion of the company's cash to shareholders.

We urge you not to support the current board which we believe is squandering the Company's cash in pursuit of a business plan which is clearly not viable. Do not return any proxy card that has been furnished to you by the Company's current management.

Time is of the essence and  
your vote is important!  
When you receive our materials,  
we urge you to review them and then sign  
and return the enclosed proxy card immediately.

Your vote in Liquid Audio does matter! Please . . . STOP, LOOK and READ our proxy materials before you cast your vote. This year you have the opportunity to make a difference in the future of your Company. You can bring a positive change to Liquid Audio, which, we are sure you will agree, is long overdue.

Sincerely,  
The musicmaker.com group  
James A. Mitarotonda Seymour Holtzman
