**Item 2. Acquisition or Disposition of Assets.**

Effective January 13, 2004, pursuant to an Agreement and Plan of Merger entered

## Edgar Filing: VISTA EXPLORATION CORP - Form 8-K

into as of December 31, 2003, (the "Merger Agreement") among Vista Exploration Corporation, a Colorado corporation ("Vista"), ICOP Acquisition Corporation, a Colorado corporation and wholly-owned subsidiary of Vista ("ICOP Acquisition"), and ICOP Digital, Inc., a Nevada corporation ("ICOP Digital"), ICOP Acquisition was merged with and into ICOP Digital, with ICOP Digital continuing as the surviving corporation, with ICOP Digital thereby becoming a subsidiary of Vista (the "Merger"). Vista's sole asset consists of its ownership of ICOP Digital. Pursuant to the Merger Agreement, Vista issued approximately 14,500,000 new shares of Vista common stock as consideration for the approximately 14,500,000 ICOP Digital shares issued and outstanding immediately prior to the Merger. Holders of ICOP Digital common stock received one (1) share of Vista common stock for each issued and outstanding share of ICOP Digital common stock.

The issuance of shares of Vista common stock under the Merger Agreement, as described above, was not registered under the Securities Act of 1933, as amended (the "Act"). The issuance was conducted pursuant to Rule 506 of Regulation D promulgated under the Act.

Prior to the Merger, ICOP Digital had been a privately owned, Kansas-based company engaged primarily in the design, development and marketing of an innovative in-car digital video recorder system for use in the law enforcement industry. Charles A. Ross, Sr., the principal stockholder and sole officer and director of Vista, and David C. Owen, an optionholder of Vista, were also stockholders, officers and directors of ICOP Digital. Upon completion of the Merger, Messrs. Ross and Owen disposed of all of their equity interests in Vista. In addition, Mr. Ross terminated his employment agreement with Vista and waived all accrued compensation. The Merger was proposed and completed in order to enhance capital formation objectives of ICOP Digital and to satisfy the business objectives of Vista.

Prior to the Merger, Vista received additional capital investments sufficient to satisfy all of its outstanding debts at the time of the merger. ICOP Acquisition, as a newly formed entity, had no independent assets or liabilities. Therefore, following the Merger, the assets and liabilities of Vista and its affiliates were only those of ICOP Digital and its subsidiaries prior to the Merger.

The foregoing description of the Merger and the Merger Agreement is qualified in its entirety by reference to the Merger Agreement, which is included as Exhibit 2.1 to this report, and is incorporated herein by reference.
