Explanation of Responses:

- * If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- ** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- (1) Shares withheld by the Issuer to satisfy tax liabilities associated with the taxable income on the vesting date of certain restricted stock. Additional shares will be withheld by the Issuer at a later date when the tax liability associated with the payment date is determined.

The number of shares reported is calculated by dividing the total market value of the reporting person's account balance within the Callon(2) Petroleum Company Employee Savings and Protection Plan (401(k) Plan) on the day prior to this Form 4 reporting date by the closing market price per share on that day.

(3) Performance Stock awarded July 14, 2004. These shares vest in five equal annual installments beginning on July 14, 2005.

The number of shares awarded is conditioned based on the achievement of a specified performance target, based upon the price of(4) Callon's stock, to be calculated on December 31, 2010. If the performance target is achieved, vesting with respect to the awarded shares will occur on 04/18/2011, the third anniversary following the award date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
