FIRST CAPITAL, INC.

PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors of First Capital, Inc. ("First Capital" or the "Company") to be used at the annual meeting of shareholders of the Company. The Company is the holding company for First Harrison Bank ("First Harrison"). The annual meeting will be held at the main office of First Harrison Bank, 220 Federal Drive, N.W., Corydon, Indiana, on Wednesday, April 23, 2003, at 2:00 p.m., local time. This proxy statement and the enclosed proxy card are being first mailed to shareholders of record on or about March 20, 2003.

Voting and Proxy Procedure

Who Can Vote at the Meeting

You are entitled to vote your shares of First Capital common stock if the records of the Company showed that you held your shares as of the close of business on March 3, 2003. As of the close of business on March 3, 2003, a total of 2,554,123 shares of First Capital common stock were outstanding. Each share of common stock has one vote. The Company's Articles of Incorporation provide that record holders of the Company's common stock who beneficially own, either directly or indirectly, in excess of 10% of the Company's outstanding shares are not entitled to any vote with respect to the shares held in excess of the 10% limit.

Attending the Meeting

If you hold your shares of First Capital common stock in street name, you will need proof of ownership to be admitted to the meeting. A recent brokerage statement or letter from a bank or broker are examples of proof of ownership.

Vote Required

The annual meeting will be held only if there is a quorum. A quorum exists if a majority of the outstanding shares of common stock entitled to vote is represented at the meeting. If you return valid proxy instructions or attend the meeting in person, your shares will be counted for purposes of determining whether there is a quorum, even if you abstain from voting. Broker non-votes also will be counted for purposes for determining the existence of a quorum. A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Edgar Filing: FIRST CAPITAL INC - Form DEF 14A

In voting on the election of directors, you may vote in favor of all nominees, withhold votes as to all nominees, or withhold votes as to specific nominees. There is no cumulative voting for the election of directors. Directors must be elected by a plurality of the votes cast at the annual meeting. This means that the nominees receiving the greatest number of votes will be elected. Votes that are withheld and broker non-votes will have no effect on the outcome of the election. In voting on the approval of the

appointment of Monroe Shine & Co., Inc. as independent auditors, you may vote in favor of the proposal, vote against the proposal or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the annual meeting. On this matter, abstentions and broker non-votes will have no effect on the voting.

Voting by Proxy

This proxy statement is being sent to you by the Board of Directors of First Capital for the purpose of requesting that you allow your shares of First Capital common stock to be represented at the annual meeting by the persons named in the enclosed proxy card. All shares of First Capital common stock represented at the meeting by properly executed and dated proxies will be voted in accordance with the instructions indicated on the proxy card. If you sign, date and return a proxy card without giving voting instructions, your shares will be voted as recommended by the Company's Board of Directors. **The Board of Directors recommends a vote FOR each of the nominees for director and FOR ratification of Monroe Shine & Co., Inc. as independent auditors.**

If any matters not described in this proxy statement are properly presented at the annual meeting, the persons named in the proxy card will use their own judgment to determine how to vote your shares. This includes a motion to adjourn or postpone the meeting in order to solicit additional proxies. If the annual meeting is postponed or adjourned, your First Capital common stock may be voted by the persons named in the proxy card on the new meeting date as well, unless you have revoked your proxy. The Company does not know of any other matters to be presented at the meeting.

You may revoke your proxy at any time before the vote is taken at the meeting. To revoke your proxy you must either advise the Secretary of the Company in writing before your shares have been voted at the annual meeting, deliver proxy instructions with a later date, or attend the meeting and vote your shares in person. Attendance at the annual meeting will not in itself constitute revocation of your proxy.

If your First Capital common stock is held in street name, you will receive instructions from your broker, bank or other nominee that you must follow in order to have your shares voted. Your broker or bank may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form provided by your bank or broker that accompanies this proxy statement.

Participants in First Harrison's ESOP

If you participate in First Harrison's Employee Stock Ownership Plan (ESOP) you will receive a vote authorization form that reflects all shares you may vote under the plan. Under the terms of the ESOP, all shares held by the ESOP are voted by the ESOP trustees, but each participant in the ESOP may direct the trustees how to vote the shares of Company common stock allocated to his or her account. The ESOP trustees, subject to the exercise of their fiduciary duties, will vote unallocated shares of common stock held by the ESOP and allocated shares for which no timely voting instructions are received in the same proportion as shares for which the trustees have received voting instructions. The deadline for returning your voting instructions to the ESOP's trustees is April 15, 2003.

Proposal 1 Election of Directors

The Company's Board of Directors consists of twelve members, ten of which are independent of management. The Board is divided into three classes with three-year staggered terms, with approximately one-third of the directors elected each year. Three directors will be elected at the annual meeting to serve for a three-year term, or until their respective successors have been elected and qualified. The nominees are John W. Buschmeyer, Kenneth R. Saulman and Kathryn W. Ernstberger, all of whom are currently directors of the Company and First Harrison.

It is intended that the proxies solicited by the Board of Directors will be voted for the election of the nominees named above. If any nominee is unable to serve, the persons named in the proxy card would vote your shares to approve the election of any substitute proposed by the Board of Directors. Alternatively, the Board of Directors may adopt a resolution to reduce the size of the Board. At this time, the Board of Directors knows of no reason why any nominee might be unable to serve.

The Board of Directors recommends a vote FOR the election of all of the nominees.

Employment Agreements

First Harrison Bank and First Capital maintain an employment agreement with each of William W. Harrod and Samuel E. Uhl. The employment agreements provide for a three-year term which is renewable on an annual basis. The employment agreements provide that each executive's base salary will be reviewed annually. The current base salary under the employment agreements for Mr. Harrod and Mr. Uhl (collectively the executive) is \$115,206 for both men. In addition to the base salary, the employment agreements provide for, among other things, participation in stock benefits plans and other fringe benefits applicable to executive personnel. The employment agreements provide for termination by First Harrison Bank for cause, as defined in the employment agreements, at any time. If First Harrison Bank chooses to terminate the executive's employment for reasons other than for cause, or if either executive resigns from First Harrison Bank after specified circumstances that would constitute constructive termination, the executive or, if the executive dies, his beneficiary, would be entitled to receive an amount equal to the payments that executive would have received during the remaining term of his employment agreement, including base salary, bonuses and other cash or deferred compensation paid or to be paid to executive and contributions that would have been made on the executive's behalf to any employee benefit plans of First Harrison Bank during the remaining term of the employment agreement. First Harrison Bank would also continue to pay for the executive's life, medical, dental and disability coverage for the remaining term of the employment agreement. In the event executive terminates his employment with First Harrison Bank due to a Disability (as defined in the employment agreement), during the term of his employment agreement, the Bank will pay executive, as disability pay, a bi-weekly payment equal to three-quarters of executive's bi-weekly rate of salary on the date of his termination. First Harrison Bank will also continue to provide executive with life, medical, dental and disability coverage. Disability pay and health and welfare insurance coverage will cease upon the earlier of: executive's attainment of age 65; executive's death, expiration of the term of the employment agreement or his return to full-time employment. Upon executive's termination of employment for reasons other than cause or a change in control, the executive must adhere to a one-year non-competition agreement.

The maximum present value of the severance benefits under the employment agreements is 2.99 times the executive's average annual compensation during the five-year period preceding the effective date of the change in control (the "base amount"). The employment agreements provide that the value of the maximum benefit may be distributed, at the executive's election, in the form of a lump sum cash payment equal to 2.99 times the executive's base amount or a combination of a cash payment and continued coverage under First Harrison Bank's life, medical, dental and disability programs for a 36-month period following the change in control, the total value of which does not exceed 2.99 times the executive's base amount. Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's base amount are deemed to be "excess parachute payments" if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the excess payments, and First Capital would not be entitled to deduct the amount of the excess payments.

First Capital guarantees the payments to Mr. Harrod and Mr. Uhl under the employment agreement if they are not paid by First Harrison Bank. First Capital will pay or reimburse all reasonable costs and legal fees incurred by executive under any dispute or question of interpretation relating to the employment agreements, if executive is successful on the merits in a legal judgment, arbitration or settlement. The employment agreements also provide that First Harrison Bank will indemnify Mr. Harrod and Mr. Uhl to the fullest extent legally allowable for all expenses and liabilities he may incur in connection with any suit or proceeding in which he may be involved by reason of his having been a director or officer of First Harrison Bank or First Capital.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers and directors, and persons who own more than 10% of any registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater than 10% shareholders are required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of the reports it has received and written representations provided to the Company from the individuals required to file the reports, the Company believes that each of its executive officers and directors has complied with applicable reporting requirements for transactions in First Capital common stock during the fiscal year ended December 31, 2002.

Transactions with Management

Federal regulations require that all loans or extensions of credit to executive officers and directors of insured financial institutions must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, except for loans made pursuant to programs generally available to all employees, and must not involve more than the normal risk of repayment or present other unfavorable features. First Harrison is therefore prohibited from making any new loans or extensions of credit to executive officers and directors at different rates or terms than those offered to the general public, except for loans made pursuant to programs generally available to all employees, and has adopted a policy to this effect. In addition, loans made to a director or executive officer in an amount that, when aggregated with the

amount of all other loans to such person and his or her related interests, are in excess of the greater of \$25,000 or 5% of the institution's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors.

Director Gerald L. Uhl is a shareholder and the Business Manager of Jacobi Sales, Inc. (JSI), a farm implement dealership that has contracted with First Harrison to provide sales financing to customers of JSI. First Harrison does not grant preferential credit under this arrangement. All sales contracts are presented to First Harrison on a 50% recourse basis, with JSI responsible for the sale and disposition of any repossessed equipment. During the fiscal year ended December 31, 2002, First Harrison granted approximately \$1.8 million of credit to JSI customers. At December 31, 2002, 7 loans outstanding totaling \$26,688 to JSI customers were delinquent 30 days or more.

Director Dennis L. Huber is the President and Publisher of O Bannon Publishing Company, Inc. from which the Company obtained printing services totaling \$52,074 during the fiscal year ended December 31, 2002.

Proposal 2 Ratification of Auditors

The Audit Committee of the Board of Directors has appointed Monroe Shine & Co., Inc. to be the Company's independent auditors for the 2003 fiscal year, subject to the ratification by shareholders. A representative of Monroe Shine & Co. is expected to be present at the annual meeting to respond to appropriate questions from shareholders and will have the opportunity to make a statement should he desire to do so.

If the ratification of the appointment of the auditors is not approved by a majority of the votes cast by shareholders at the annual meeting, other independent public accountants will be considered by the Audit Committee of the Board of Directors.

**The Board of Directors recommends that shareholders vote FOR
the ratification of the appointment of independent auditors.**

The following table sets forth the fees billed to the Company for the fiscal year ended December 31, 2002 by Monroe Shine & Co., Inc.

Audit Fees	\$76,355
Financial information and systems design and implementation	\$-0-
All other fees*	\$42,780

*Includes fees for income tax return preparation and for services in connection with the registration of shares to be issued in the merger with Hometown National Bank.

The Audit Committee believes that the provision of non-audit services by Monroe Shine & Co., Inc. is compatible with maintaining Monroe Shine & Co.'s independence.

Report of the Audit Committee

The Audit Committee of the Company's Board of Directors is composed of three non-employee directors and operates under a written charter adopted by the Board of Directors, a copy of which is included as Appendix A to this proxy statement. The Board of Directors has determined that each Audit Committee member is independent in accordance with the listing standards of the Nasdaq Stock Market.

The Company's management is responsible for the Company's internal controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements and issuing an opinion on the conformity of those financial statements with generally accepted accounting principles. The Audit Committee oversees the Company's internal controls and financial reporting process on behalf of the Board of Directors.

In this context, the Audit Committee has met and held discussions with management and the independent auditors. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent auditors. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees), including the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements.

In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by the Independence Standards Board Standard No. 1 (Independence Discussions With Audit Committees) and has discussed with the independent auditors the auditors' independence from the Company and its management. In concluding that the auditors are independent, the Audit Committee considered, among other factors, whether the non-audit services provided by the auditors were compatible with its independence.

The Audit Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Audit Committee meets with the independent auditors, with and without management present, to discuss the results of their examination, their evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

In performing all of these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for financial statements and reports, and of the independent auditors who, in their report, express an opinion on the conformity of the Company's financial statements to generally accepted accounting principles. The Audit Committee's oversight does not provide it with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with generally accepted accounting principles, that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards or that the Company's independent auditors are in fact independent.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2002 for filing with the Securities and Exchange Commission. The Audit Committee and the Board of Directors also have approved, subject to stockholder ratification, the selection of the Company's independent auditors.

Miscellaneous

The Company will pay the cost of this proxy solicitation. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of First Capital common stock. In addition to soliciting proxies by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telephone. None of these persons will receive additional compensation for these activities.

Householding of Proxy Statements and Annual Reports

The Securities and Exchange Commission recently adopted rules that permit companies to mail a single proxy statement and a single annual report to shareholders to two or more shareholders sharing the same address a practice known as householding. Householding provides greater convenience to shareholders and saves the Company money by reducing excess printing costs. You may have been identified as living at the same address as another Company shareholder. If this is the case and unless the Company receives contrary instructions from you, we will continue to household your proxy statement and annual report for the reasons stated above.

If you are a shareholder or a beneficial owner at a shared address to which a single copy of both the proxy statement and the annual report have been delivered, Registrar and Transfer Company, the Company's transfer agent, has undertaken on behalf of the Company to deliver to you promptly upon written or oral request a separate copy of this proxy statement and the annual report. If you are such a shareholder or a beneficial owner and you would like to receive your own copy of this proxy statement and the annual report, please contact Registrar and Transfer Company either by phone at (800) 368-5948, by fax at (908) 497-2318, by e-mail at info@rtco.com, or by mail at 10 Commerce Drive, Cranford, New Jersey 07016-3572, and indicate that you are a shareholder at a shared address and would like an additional copy of each document. If you are a recordholder and would like to receive a separate proxy statement or annual report in the future, please contact Registrar and Transfer Company at the phone number or addresses listed above. If you are a beneficial owner and would like to receive a separate proxy statement or annual report in the future, please contact your broker, bank or other nominee.

If, on the other hand, you are a multiple shareholder sharing an address and are receiving multiple copies of this proxy statement or the annual report, please contact Registrar and Transfer Company at the phone number or at any of the addresses listed above and all shareholders at the shared address can request that only a single copy of each document be mailed to your address in the future. If you are the beneficial owner, but not the recordholder, of Company shares and wish to receive only one copy of the proxy statement and annual report in the future, you will need to contact your broker, bank or other nominee and all shareholders at the shared address can request that only a single copy of each document be mailed to your address in the future.

Shareholder Proposals and Nominations

Proposals that shareholders seek to have included in the proxy statement for the Company's next annual meeting must be received by the Company no later than November 18, 2003. If next year's annual meeting is held on a date more than 30 days from April 23, 2003, a shareholder proposal must be received within a reasonable time before the Company begins to print and mail its proxy solicitation materials for such annual meeting. Any such proposals will be subject to the requirements of the proxy rules adopted by the Securities and Exchange Commission.

The Company's Bylaws provide that in order for a shareholder to make nominations for the election of directors or proposals for business to be brought before the annual meeting, a shareholder must deliver notice of such nominations and/or proposals to the Secretary not less than 90 nor more than 120 days prior to the date of the annual meeting; provided that if less than 100 days' notice of the annual meeting is given to shareholders, such notice must be delivered not later than the close of the tenth day following the day on which notice of the annual meeting was mailed to shareholders. A copy of the Bylaws may be obtained from the Company.
