Dear Fellow VISX Shareholder:

Through my affiliated companies, I am the largest shareholder of VISX, holding over 6 million shares, which is in excess of 11% of the outstanding shares. We have held this position for the past 2 1/2 years. My affiliated companies are conducting a proxy solicitation to place Keith Meister, an individual nominated by my affiliates, on the VISX Board.

I believe that public companies, such as VISX, benefit by having individuals nominated by shareholders serve on their board of directors, rather than having boards comprised solely of persons nominated by existing directors. Individuals nominated by shareholders are likely to be more independent of management and therefore will be in a better position to represent the interests of shareholders.

On November 3, 2000, at which time VISX common stock was trading at \$22.25, I began a series of letters to VISX. In those letters, I indicated to VISX management that it was an appropriate time to seek a sale of the company. On December 8, 2000, in a letter to shareholders, the chief executive officer of VISX stated that it had hired Goldman Sachs & Co. to explore "various alternatives". I do not know what alternatives may have been considered by the VISX Board, although no alternatives were presented for a vote of shareholders. However, I do know that Mr. Meister will, as a Board member, who like all Board members, has fiduciary obligations to shareholders, be a strong advocate for the interest of shareholders with respect to any proposal for strategic alternative or any other matters coming before the Board.

The most recent VISX report on Form 10K notes that there is a potential market in the U.S. alone of 50-60 million eligible laser vision correction candidates, but that to date the industry has penetrated less than 5% of the U.S. population eligible for refractive surgery. I believe that for laser vision correction to achieve maximum consumer acceptance, it will be necessary to engage in directed, high profile marketing efforts, something that, in my opinion, has not been done by VISX. As the Company's new CustomVue technology is introduced, I believe there will be great interest in purchasing the company.

Edgar Filing: VISX INC - Form PRRN14A

The most likely buyers, in my opinion, should be large companies in the healthcare industry with significant expertise in consumer oriented marketing and the capital resources necessary to grow the market for laser vision correction. Additionally, as demand for laser technology grows by practicing ophthalmologists, a company with a larger marketing presence in this area will be, in my opinion, much better suited than VISX to compete with companies such as Alcon, Inc. for these buyers and therefore will have a much better chance than current VISX to retain and expand market share.

VISX could have avoided spending company capital and time by simply allowing Mr. Meister, the individual nominated by its largest shareholder, to join the VISX Board. I believe that having Mr. Meister on the VISX Board will enhance the likelihood that any proposal to acquire VISX will receive a full and fair hearing at VISX.

As a philosophical matter, I believe that boards of directors, whether that of VISX or any other company, should be composed entirely of shareholder nominees. However, I have determined that, rather than seek such a substantial Board change at VISX, it is more desirable to seek to place only one member on the VISX Board at this time. This approach has the benefit of assuring VISX shareholders who so desire, that there will be substantial continuity at VISX, while at the same time providing to VISX shareholders the opportunity to add Mr. Meister, an individual not nominated by existing VISX Board members, to the VISX Board. Mr. Meister, a Harvard graduate, has had significant investment banking and business experiences both at Lazard Freres and at Northstar Capital Partners. Currently, he serves in the capacity of senior investment analyst with one of my affiliates. Mr. Meister has not been nominated for his background in laser vision technology or the industry. There is sufficient expertise in those areas on the VISX Board already. However, I believe that Mr. Meister's finance and business background and his experience in merger and acquisition transactions, will supplement the current Board. Mr. Meister's biographical information is set forth in the attached proxy statement.

Naturally, I expect that VISX will assert that even the addition of one board member selected by shareholders may be disruptive or will otherwise interfere with the smooth operation of VISX. However, as a VISX director, if elected, Mr. Meister would have the same fiduciary duties to all shareholders as the other members of the VISX Board. As the largest VISX shareholder, I would certainly have no interest in taking any action, including the addition of Mr. Meister to the VISX Board, if I thought that VISX would suffer as a result. Moreover, I believe that as the largest shareholder, with an investment of in excess of \$140 million in the Company (based on the prices paid by my affiliates for VISX shares they hold), my interest in benefiting VISX by nominating Mr. Meister is at least as great as that of the existing board, which has nominated the slate of directors proposed by VISX. Those board members have very little invested in the Company. Of the 1,727,073 shares of VISX common stock reported in the Company's proxy statement dated April 17, 2003 as beneficially owned by the existing VISX Board's members, approximately 97% are held in the form of options granted by the Company.

We are seeking your proxy to vote for Mr. Meister and 6 of the 7 VISX nominees, as well as for approval of various proposals made by VISX. We are not seeking authority to vote for Mr. Jay T. Holmes, one of the nominees in the slate of directors for which VISX is seeking nomination. The addition of Mr. Meister to the VISX Board does not mean, however, that all 7 VISX nominees cannot continue to serve as Board members. If Mr. Meister is elected, and if a majority of the other Board members thereafter determine that it would be desirable to have Mr. Holmes as a member of the Board, the Board could permit that result by increasing the size of the Board and appointing Mr. Holmes as an additional member. There is no assurance that any of the VISX's nominees will serve as directors of VISX, if Mr. Meister is elected

Edgar Filing: VISX INC - Form PRN14A

I believe that true shareholder democracy involves shareholders expressing their rights and that elections of corporate boards should be more than a coronation process for board members' self perpetuation through self-nomination. I URGE SHAREHOLDERS TO VOTE FOR MR. MEISTER AND THEREBY JOIN ME IN MY EFFORT TO ADD TO THE BOARD AN INDIVIDUAL SELECTED OUTSIDE OF THE NOMINATION PROCESS UNDER WHICH ALL BOARD MEMBERS ARE NOMINATED BY EXISTING VISX DIRECTORS.

Very truly yours,

/s/ Carl C. Icahn

OTHER MATTERS TO BE CONSIDERED AT THE ANNUAL MEETING

According to VISX's Proxy Statement, VISX is soliciting proxies with respect to three (3) proposals other than the election of directors. Please refer to VISX's Proxy Statement for a detailed discussion of those proposals, including various arguments, if any, in favor of and against such proposals. Those proposals are referred to below.

5

Proposal 2 - Approval of Amendments to 1995 Director Option Plan

At the Annual Meeting, the Stockholders will be asked to approve certain amendments to the VISX 1995 Director Option Plan. Barberry recommends a vote FOR this proposal.

Proposal 3 -- Approval of Amendments to 2000 Stock Plan

At the Annual Meeting, the Stockholders will be asked to approve certain amendments to the VISX 2000 Stock Plan. Barberry recommends a vote FOR this proposal.

Proposal 4 -- Ratification of Appointment of Independent Auditors

At the Annual Meeting, the Stockholders will be asked to ratify the appointment of KPMG LLP as VISX's independent auditors for the year ending December 31, 2003. Barberry recommends a vote FOR this proposal.

Voting on Proposals 2, 3 and 4

The accompanying WHITE proxy card will be voted in accordance with your instruction on such card. You may vote for or vote against, or abstain from voting on any of Proposals 2, 3 or 4 described above by marking the proper box

Edgar Filing: VISX INC - Form PRN14A

on the WHITE proxy card. IF YOU HAVE SIGNED THE PROXY CARD AND NO MARKING IS MADE, YOU WILL BE DEEMED TO HAVE GIVEN A DIRECTION TO VOTE THE SHARES REPRESENTED BY THE WHITE PROXY CARD FOR PROPOSALS 2, 3 and 4.

Other Proposals

Barberry and its affiliates know of no other business to be presented at the Annual Meeting, but if other matters do properly come before the Annual Meeting, the persons appointed in the proxy will use their discretion to vote the shares of Common Stock represented by WHITE proxy cards in accordance with their judgment on such matters.

VOTING PROCEDURES

According to the VISX Proxy Statement, the voting procedures are as set forth below. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspector of Elections, EquiServe, L.P. (the "Inspector"), VISX's Transfer Agent. The Inspector will also determine whether or not a quorum is present. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding on the Record Date will constitute a quorum. All proxies representing shares that are entitled to vote at the meeting will be counted toward establishing a quorum, regardless of whether such proxies contain abstentions or broker non-votes.

The affirmative vote of a plurality of the votes cast at the meeting is required for the election of directors. A properly executed proxy marked "Withhold Authority" and broker

6

non-votes with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. The affirmative vote of the holders of a majority of the votes cast at the meeting will be required to ratify each other proposal.

Whether or not you are able to attend the Annual Meeting, you are urged to complete the enclosed WHITE proxy and return it in the enclosed self-addressed, prepaid envelope. All valid proxies received prior to the meeting will be voted. If you specify a choice with respect to any item by marking the appropriate box on the proxy, the shares will be voted in accordance with that specification. IF NO SPECIFICATION IS MADE, THE SHARES WILL BE VOTED FOR THE NOMINEE AND FOR THE PERSONS WHO ARE EXPECTED TO BE NOMINATED BY VISX, OTHER THAN MR. JAY T. HOLMES, WITH RESPECT TO PROPOSAL 1 AND FOR PROPOSALS 2, 3 AND 4, AND, IN THE PROXY HOLDERS' DISCRETION AS TO OTHER MATTERS THAT MAY PROPERLY COME BEFORE THE ANNUAL MEETING. The names, backgrounds and qualifications of the VISX's nominees, and other information about them, can be found in the proxy statement distributed by VISX. There is no assurance that any of the VISX's nominees will serve as directors if the Nominee is elected.

This proxy statement is soliciting proxies to elect not only Mr. Meister, but also all of the VISX nominees other than Mr. Holmes. This gives stockholders who wish to vote for Mr. Meister and such other persons the ability to do so. Mr. Holmes was not selected for any particular reason. Rather, under applicable proxy rules we are required either to solicit proxies only for Mr. Meister, which could result in limiting the ability of shareholders to fully exercise their voting rights with respect to the Company's nominees, or to solicit for Mr. Meister and for fewer than all of the Company's nominees, which enables a

Edgar Filing: VISX INC - Form PRRN14A

shareholder who desires to vote for Mr. Meister to also vote for those of the Company's nominees for whom we are soliciting proxies. Mr. Icahn notes that if Mr. Meister is elected, and if a majority of the other Board members thereafter determines that it would be desirable that Mr. Holmes continue as a member of the Board of Directors, the Board could permit that result by increasing the size of the Board and adding Mr. Holmes as an additional member.

PROXY PROCEDURES

IN ORDER FOR YOUR VIEWS TO BE REPRESENTED AT THE ANNUAL MEETING, PLEASE MARK, SIGN, DATE AND RETURN THE ENCLOSED WHITE PROXY CARD IN THE ENCLOSED POSTAGE-PREPAID ENVELOPE.

The accompanying WHITE proxy card will be voted at the Annual Meeting in accordance with your instructions on such card.

Revocation of Proxies

Any Stockholder who has mailed a GOLD proxy card to VISX may revoke it before it is voted by mailing a duly executed WHITE Proxy Card to Barberrry bearing a date LATER than the GOLD proxy card delivered to VISX. Proxies may also be revoked at any time prior to voting by: (i) delivering to the corporate secretary of VISX, a written notice, bearing a date later than the date of the proxy, stating that the proxy is revoked, (ii) delivering a duly executed proxy bearing a later date than the proxy delivered previously, or (iii) by attending the Annual Meeting and voting in person.

7

Only holders of record as of the close of business on the Record Date will be entitled to vote. If you were a Stockholder of record on the Record Date, you will retain your voting rights at the Annual Meeting even if you sell such shares after the Record Date. Accordingly, it is important that you vote the shares held by you on the Record Date, or grant a proxy to vote such shares on the WHITE proxy card, even if you sell such shares after the Record Date.

COST AND METHOD OF SOLICITATION

Solicitation of proxies shall be made by Mr. Icahn and Mr. Meister. No other director, officer or employee of Barberrry or its affiliates will be soliciting proxies.

Barberrry has retained Innisfree M&A Incorporated ("Innisfree") to conduct the solicitation, for which Innisfree is to receive a fee of up to approximately \$200,000, plus reimbursement for its reasonable out-of-pocket expenses. Barberrry has agreed to indemnify Innisfree against certain liabilities and expenses, including certain liabilities under the federal securities laws. Insofar as indemnification for liabilities arising under the federal securities laws may be permitted to Innisfree pursuant to the foregoing provisions, we have been informed that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy and is therefore unenforceable. Proxies may be solicited by mail, courier services, Internet, advertising, telephone or telecopier or in person. It is anticipated that Innisfree will employ approximately 75 persons to solicit proxies from Stockholders for the Annual Meeting. The total expenditures in furtherance of, or in connection with, the solicitation of securities holders is \$25,000 to date, and is estimated to be

Edgar Filing: VISX INC - Form PRRN14A

\$300,000 in total.

Costs related to the solicitation of proxies, including expenditures for attorneys, accountants, public relations and financial advisers, proxy solicitors, advertising, printing, transportation and related expenses, will be borne by Barberrry and Mr. Icahn. Barberrry and Mr. Icahn intend to seek reimbursement for the costs and expenses associated with the proxy solicitation in the event that the Nominee is elected to the Board of Directors of VISX, but do not intend to submit the issue of reimbursement to a vote of security holders.

CERTAIN INFORMATION REGARDING ARRANGEMENTS/UNDERSTANDINGS WITH RESPECT TO SECURITIES OF VISX

Mr. Icahn, High River, Barberrry and Ms. Golden may be deemed to have an understanding with respect to securities of VISX as they may be deemed to constitute a "group" for the purposes of Section 13(d) of the Securities Exchange Act of 1934. As a consequence of being deemed a "group", such parties are required to and have made Schedule 13D filings as a group. APPENDIX II

On January 5, 2001, Reliance Group Holdings, Inc. ("Reliance") commenced an action in the United States District Court for the Southern District of New York against Carl C. Icahn, Icahn Associates Corp. and High River as defendants alleging that High River's tender offer for Reliance 9% senior notes violated Section 14(e) of the Exchange Act. Reliance sought a temporary restraining order and preliminary and permanent injunctive relief to prevent defendants from purchasing the notes. The Court initially imposed a temporary restraining order. Defendants then supplemented the tender offer disclosures. The Court conducted a hearing on the disclosures and other matters raised by Reliance. The Court then denied Reliance's motion for a preliminary injunction and ordered dissolution of the temporary restraining order following dissemination of the supplement.

Reliance took an immediate appeal to the United States Court of Appeals for the Second Circuit and sought a stay to restrain defendants from purchasing notes during the pendency of the appeal. On January 30, 2001, the Court of Appeals denied plaintiffs' stay application. On January 30, Reliance also sought a further temporary restraining order from the District Court. The Court considered the matter and reimposed its original restraint until noon the next day, at which time the restraint against Mr. Icahn and his affiliates was dissolved.
