the secondary market generally are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade notes earlier than the third business day prior to the date of settlement will be required, by virtue of the fact that the notes initially will settle T+5, to specify an alternate

settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of notes who wish to trade notes earlier than the third business day prior to the date of settlement should consult their own advisor.
