Item 5. Other Events and Regulation FD Disclosure

On June 21, 2002, ONEOK, Inc. (the "Company") entered into a 90-day extension of its \$850 million revolving credit facility with a syndicate of 12 banks, led by Bank of America, N.A. The amended credit facility becomes effective June 27, 2002. The credit facility, which was originally scheduled to expire on June 27, 2002, has been extended to the earlier of (1) September 30, 2002, (2) if the Company elects to do so, the date on which the Company purchases any shares of the

Company's common or preferred stock owned by Westar Energy Inc., formerly Western Resources, and its subsidiary, Westar Industries, Inc., (collectively, "Western"), or (3) the date the Company enters into a new loan or credit agreement providing for extensions of credit to the Company.

The credit facility, as extended, continues to provide that loan proceeds may be used by the Company to provide liquidity for commercial paper, working capital, capital expenditures, acquisitions, mergers and other general corporate purposes. The credit facility, as extended, provides that no portion of loan proceeds will be used to repurchase shares of capital stock of the Company. If the Company elects to purchase the shares of the Company's common or preferred stock from Western and regulatory approval is required for such purchase, the credit facility may be extended to November 29, 2002 with approval of the lenders.

As previously reported, on May 30, 2002 Western delivered a sale notice (the "Sale Notice") to the Company giving notice of Western's intent to sell 4,714,434 shares of the Company's common stock (the "Common Stock") and 19,946,448 shares of the Company's Series A Convertible Preferred Stock (the "Preferred Stock") representing all of the Common Stock and Preferred Stock of the Company beneficially owned by Western.

Pursuant to the terms of the Shareholder Agreement between the Company and Western dated November 26, 1997, (the "Shareholder Agreement"), the delivery of the Sale Notice to the Company gives the Company or its designee the option to purchase, for a period of 90 days after the date of the Sale Notice, all, but not less than all, of the Common Stock and Preferred Stock at a price equal to 98.5% of the average of the closing prices of the Company's Common Stock during the 20 trading days prior to the date of the Sale Notice. This sale period can be extended 30 days after any necessary regulatory approvals, but cannot exceed 180 days after the date of the Sale Notice.

The Company believes that the extension of its credit facility provides the Company with the flexibility to consider its options regarding Western's proposed sale of its equity stake in the Company. The Company is carefully reviewing its options under the Shareholder Agreement and will take such action as the Company believes is in the best interest of ONEOK shareholders.
