PROXY STATEMENT

**For The Annual Meeting Of Stockholders
To Be Held May 11, 2004**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Phoenix Footwear Group, Inc., a corporation organized under the laws of the State of Delaware (the "Company"), for use at the Annual Meeting of Stockholders of the Company to be held on Tuesday, May 11, 2004, at 9:00 A.M. at Company headquarters, 5759 Fleet Street, Suite 220, Carlsbad, California 92008, together with any and all adjournments thereof. It is anticipated that this Proxy Statement and the enclosed proxy will first be sent or given to stockholders on or about April 13, 2004.

SOLICITATION AND VOTING

A copy of the Annual Report to Stockholders of the Company for the year ended December 27, 2003, including audited financial statements, is being mailed with this Proxy Statement. You may also obtain a copy of the Company's Annual Report on Form 10-K filed with the Securities Exchange Commission (the "SEC") without charge upon written request submitted to Phoenix Footwear Group, Inc., c/o Kenneth Wolf, Chief Financial Officer and Treasurer, 5759 Fleet Street, Carlsbad, California 92008. You may also obtain a copy, without charge, at the SEC's Internet site (<http://www.sec.gov>).

The close of business on March 19, 2004 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the meeting and at any adjournment. Each stockholder shall be entitled to one vote for each share held of record in his or her name on that date. There were outstanding on the record date 5,098,297 shares of Common Stock, \$.01 par value per share, of the Company, being the only class of stock of the Company issued and outstanding and entitled to vote at the meeting.

The enclosed proxy is solicited by and on behalf of the Board of Directors of the Company, which has designated the nominees for Directors listed below, upon recommendation of a majority of the independent directors. A stockholder giving such proxy has the right to revoke it at the meeting or at any time prior thereto. All shares represented by proxies in the form enclosed herewith will be voted at the meeting and at any adjournments in accordance with the terms of such proxies, provided such proxies appear to be valid and to have been executed by stockholders of record entitled to vote at the meeting and have not previously been revoked. If no contrary instructions are given, the persons named in the proxy will vote FOR the nine nominees described on the following pages; FOR the proposal to increase from 1,000,000 to 1,500,000 the number of shares of Common Stock available for award under the Company's 2001 Long-Term Incentive Plan, and, in their discretion, upon any other matter which may properly come before the meeting or any adjournment. The Board of Directors does not know of any matters not specifically referred to in this Proxy Statement which may come before the meeting.

In accordance with the By-Laws of the Company, a majority of the outstanding shares of Common Stock entitled to vote, present in person or represented by proxy at the meeting, is required to constitute a quorum for the transaction of business. The affirmative vote of a majority of the shares present shall be required to pass any measure properly presented to the meeting, except Proposal 1 which requires a plurality of the votes cast for the election of directors.

Shares which abstain from voting on any matter shall be included for purposes of determining the presence of a quorum, but shall be excluded in tabulating votes cast for or against any proposal to which an abstention pertains. Abstention may not be specified on the proposal relating to the election of directors. However, votes that are withheld will be excluded entirely from the vote and have no effect.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon, such as the

Table of Contents

amendment of the 2001 Long-Term Incentive Plan. Thus, if you do not give your broker or nominee specific instructions, your shares may not be voted on those matters and will not be counted in determining the number of shares necessary for approval. Shares represented by such broker non-votes, however, will be counted in determining whether there is a quorum.

All costs of preparing, assembling and mailing the enclosed proxy material, and any additional material which may hereafter be sent in connection with the solicitation and collection of the enclosed proxy, will be paid by the Company and no part will be paid directly or indirectly by any other person. Solicitation of proxies may be made by personal interview, mail, telephone or telecopier by officers and regular employees of the Company but no additional compensation will be paid them for the time so employed.

E. Compensation Committee Interlocks and Insider Participation/ Compensation Committee Report on Executive Compensation

The members of the Compensation Committee during 2003 were Messrs. Pflugfelder, DePerrior and Bloomberg. Other than Mr. Pflugfelder, who is the Company's Secretary, none of them is or was:

an officer or employee of the Company or its subsidiary, or

an employee of an entity whose board of directors (or compensation committee) includes an executive officer of the Company or

an employee of a entity who directly or indirectly benefits from its transactions with the Company or

Table of Contents

a family member of a person whose compensation is in any way affected by any Company executive officer.

The Board determined that each of them is independent as defined in Rule 121B of AMEX.

The policies of the Compensation Committee of the Board of Directors of the Company are highly performance-related and are intended to motivate and reward individual performance that contributes to the attainment of the operational, financial and strategic goals set by management to build shareholder value.

With Mr. Riedman becoming our full-time Chief Executive Officer on March 1, 2003, the Compensation Committee recommended and the Board of Directors approved that his annual compensation be increased to \$225,000 and that he be awarded an option to purchase 66,666 shares of our Common Stock. In determining his compensation, the committee's considerations included the following factors directly related to the Company's performance: the leadership which he has provided in identifying, pursuing and concluding growth initiatives; disposing of underperforming properties; reducing the Company's indebtedness; and, enhancing the perception of the Company's stock. We also approved an employment agreement for Mr. Riedman, effective January 1, 2004. In approving the terms of the agreement, and his corresponding increase in salary to \$325,000 per year, the committee considered the Company's successful conclusion of targeted acquisitions in 2003, and the consequent growth in his responsibilities.

Executive officers of the Company receive an annual base salary and are eligible for grants of stock options and performance-based cash bonuses. Base salaries are normally adjusted annually, based upon general industry changes in salary levels, individual and Company performance and levels of duties and responsibilities. These factors also go into the committee's determination of stock option and bonus awards for executive officers.

Stock options are generally awarded once every 2 years under the 2001 Long-Term Incentive Plan component of the Company's executive incentive program, which gives the Compensation Committee discretion to award stock options to executive employees.

F. Code of Ethics

The Board of Directors has amended its long-standing policies on ethical behavior to include the new requirements of the SEC and AMEX. This Code of Ethics applies to all directors, officers and employees, and is intended to promote honest and ethical conduct, full and accurate reporting and compliance with laws as well as other matters. A copy has been filed with the SEC as Exhibit 14 to the Company's Annual Report on Form 10-K for 2003, dated March 26, 2004.

G. Employment Agreements

We entered into a three-year employment agreement with James Riedman, our Chairman and Chief Executive Officer, effective January 1, 2004. The agreement provides for an annual base salary of \$325,000 and participation in executive bonus plans as may be established. If Mr. Riedman is terminated without cause, he will be entitled to be paid salary and benefits for 18 months. If he is terminated without cause in connection with a change of control, Mr. Riedman will be entitled to be paid approximately three times his base salary.

Table of Contents

The agreement also provides for confidentiality, employee non-solicitation and customer non-solicitation covenants that extend for one-year after the termination of his employment.

In September 2003, we renewed the employment agreement with Greg Tunney, our President and Chief Operating Officer. The agreement provides for an annual base salary of \$245,000 and participation in executive bonus plans as may be established. If Mr. Tunney is terminated without cause, he will be entitled to be paid salary and benefits for 18 months. If he is terminated without cause in connection with a change of control, Mr. Tunney will be entitled to be paid approximately two times his base salary. The agreement also provides for confidentiality, employee non-solicitation and customer non-solicitation covenants that extend for one-year after the termination of his employment.

We have also entered into a deferred compensation agreement with our Senior Vice President-Sourcing and Development, William Pfander. Upon his retirement, we have agreed to pay Mr. Pfander \$100,000 less applicable payroll taxes. The agreement also contains one year non-compete and non-solicitation of employees provisions following the date he leaves employment with us.

Concurrent with our acquisition of Royal Robbins on October 31, 2003, we entered into an employment agreement with Francisco Morales as President of Royal Robbins. Mr. Morales had been a minority owner of Royal Robbins and had served as President of Royal Robbins since October 2002. The agreement provides for a base salary of \$160,000 for two years, with opportunity for bonuses. In connection with his employment, Mr. Morales received a 10-year option to purchase 50,000 shares of our common stock at a price of \$7.01 per share (the market price on the date of grant), vesting one-third after one year, two-thirds after two years and entirely after three years. If he is terminated without cause, Mr. Morales will be entitled to be paid six months salary and benefits (other than incentive compensation). The agreement also provides for confidentiality, employee non-solicitation and non-competition covenants that extend for one-year after the termination of his employment.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than the employment agreements with Messrs. Riedman, Tunney and Morales described above, since January 1, 2003 there have been no transactions or series of transactions, to which we or any of our subsidiaries was or is to be a party, in which the amount involved exceeds \$60,000 and in which any director, nominee, officer or holder known to us of more than 5% of our common stock, or any member of the immediate family of any of them, is a party, directly or indirectly, except as follows:

Since hiring him as Vice President Product Development and Sourcing on October 31, 2003, we have been in discussions with Larry Torchin to acquire his private label footwear business. The proposed agreement provides that the purchase price would be paid solely through an earnout equal to the net earnings in 2006 from that business. A final agreement on this proposed transaction has not been reached. There can be no assurance that we will complete this proposed transaction or that it will be completed on terms favorable to us.

We acquired all of the outstanding shares of capital stock of H.S. Trask in August 2003. Harrison Trask, the then Chief Executive Officer and controlling shareholder of H.S. Trask, received 440,507 shares of our common stock with an aggregate value of \$2,013,117 and nominal cash consideration in consideration for his interest in H.S. Trask. We also agreed to register for resale the shares issued to the former common stockholders of H.S. Trask and we entered into an escrow agreement as described in Note 11 to the Stock Ownership of Certain Beneficial Owners and Management table.

We also entered into an employment agreement with Mr. Trask, which agreement provided for an annual base salary of \$100,000 and expired on December 31, 2003, and a consulting agreement with Mr. Trask that expires in December 31, 2005. The consulting agreement provides for an annual fee of \$90,000, and Mr. Trask agreed not to compete with us through December 31, 2005.

PROPOSAL 2 INCREASE SHARES AVAILABLE

UNDER 2001 LONG-TERM INCENTIVE PLAN

The Company's 2001 Long-Term Incentive Plan was approved by the Company's stockholders at the Annual Meeting held on April 26, 2001. The 600,000 shares of Common Stock authorized to be issued under the Plan were increased to 1,000,000 by the stockholders at the Annual Meeting held on May 22, 2003. The Board of Directors asks that the number be increased once more to 1,500,000 shares.

In relocating its administrative offices from Old Town, Maine to Carlsbad, California and staffing its key positions with persons whose skills and experience could implement its growth, the Company found it necessary to grant many stock options. Only 174,935 shares remain available under the Plan. Management believes that the ability to grant stock options and other awards under the Plan is critical to the retention of key employees and the recruitment of new employees. Stock options and awards provide incentives to employees and flexibility to the Company in negotiating terms of possible acquisitions. Thus, on March 17, 2004 the Board unanimously approved a resolution subject to stockholder approval, to amend Section 4(a) of the Plan to increase from 1,000,000 to 1,500,000 the number of shares of Common Stock which may be awarded thereunder.

A. Description of the Plan

The Plan provides for the grant of stock options, stock appreciation rights, stock awards and cash awards. Stock options may be incentive stock options that comply with Section 422 of the Internal Revenue Code of 1986, as amended (Code) or non-qualified stock options. The Compensation Committee administers the Plan. Awards may be granted to employees and directors and persons who provide consulting or other services to the Company deemed by the Board of Directors to be of substantial value to the Company. Awards may also be made as part of an employment offer. The Company currently has approximately 130 employees and 5 non-employee directors who would be eligible to participate in the plan. Future allocation of awards under the Plan is not currently determinable as the allocation is dependent upon future decisions to be made by the committee in its sole discretion, and the applicable provisions of the Plan.

Stock options may be granted at exercise prices that are no less than 100% of the fair market value of the Company's common stock on the date of the grant. The exercise price of any stock option may, at the discretion of the committee, be paid in cash or by surrendering shares or another award under the Plan, valued at fair market value on the date of exercise, or any combination of cash or stock.

Stock appreciation rights are rights to receive, without payment to the Company, cash or shares of Company common stock with a value determined by reference to the difference between the exercise or strike price of the stock appreciation rights and the fair market value or other specified valuation of the shares at the time of exercise. Stock appreciation rights may be granted in tandem with stock options or separately.

Stock awards may consist of shares of the Company's common stock or be denominated in units of shares of common stock. A stock award may provide for voting rights and dividend equivalent rights. Stock awards may be granted at no less than 100% of the fair market value of Phoenix Footwear common stock on the date of the grant.

The committee may specify conditions for awards, including vesting service and performance conditions. Vesting conditions may include, without limitation, provision for acceleration in the case of a change-in-control of the Company, and performance conditions may include, without limitation, conditions based on achievement of specific business objectives, increases in specified indices and attaining specified growth measures or rates.

An award may provide for the granting or issuance of additional, replacement or alternative awards upon the occurrence of specified events, including the exercise of the original award.

An award may provide for a tax gross-up payment to a participant if a change-in-control of the Company results in the participant owing an excise tax or other tax above the rate ordinarily applicable, due to the parachute tax provisions of Section 280G of the Code or otherwise. The gross-up payment would be in an

Table of Contents

amount so that the net amount received by the participant, after paying the increased tax and any additional taxes on the additional amount, would be equal to that receivable by the participant if the increased tax were not applicable.

Our common stock is listed for trading on the American Stock Exchange under the symbol PXG . On April 2, 2004 the last reported sale price of our common stock on the American Stock Exchange was \$9.16 per share.

B. Certain Federal Income Tax Consequences

Incentive stock options granted under the Plan will be afforded favorable federal income tax treatment under the Code. If an option is treated as an incentive stock option, the optionee will recognize no income upon grant or exercise of the option unless the alternative minimum tax rules apply. Upon an optionee's sale of the shares (assuming that the sale occurs at least two years after grant of the option and at least one year after exercise of the option), any gain will be taxed to the optionee as long-term capital gain. If the optionee disposes of the shares prior to the expiration of the above holding periods, then the optionee will recognize ordinary income in an amount generally measured as the difference between the exercise price and the lower of the fair market value of the shares at the exercise date or the sale price of the shares.

All other options granted under the Plan will be nonstatutory stock options and will not qualify for any annual tax benefits to the optionee. An optionee will not recognize any taxable income at the time he or she is granted a nonstatutory stock option. However, upon exercise of the nonstatutory stock option, the optionee will recognize ordinary income for federal income tax purposes in an amount generally measured as the excess of the then fair market value of each share over its exercise price. The Company will be entitled to a corresponding deduction for such amount. Upon an optionee's resale of such shares, any difference between the sale price and the fair market value of such shares on the date of exercise will be treated as capital gain or loss and will generally qualify for long-term capital gain or loss treatment if the shares have been held for more than one year.

The recipient of stock appreciation rights would not recognize any taxable income at the time of grant. The recipient would recognize ordinary income for federal income tax purposes on amounts received in settlement of the stock appreciation rights at the time they are received. The Company generally is entitled to a deduction equal to the amount included by the employee in income.

The recipient of a stock award will generally recognize ordinary income at the time the Company's common stock associated with such stock award is received in an amount equal to the excess, if any, of the fair market value of the stock received over any amount paid by the recipient in exchange for the stock. If, however, the stock is non-vested (i.e., if the employee is required to work for a period of time in order to have the right to sell the stock) when it is received under the Plan and the recipient had not elected otherwise, the recipient generally will not recognize income until the stock becomes vested, at which time the recipient will recognize ordinary income equal to the excess, if any, of the fair market value of the stock on the date it becomes vested over any amount paid by the recipient in exchange for the stock. Upon the disposition of any stock received as a stock award under the Plan, the difference between the sale price and the recipient's basis in the shares will be treated as a capital gain or loss and generally will be characterized as long-term capital gain or loss if, at the time of disposition, the shares have been held for more than one year since the recipient recognized compensation income with respect to such shares.

The foregoing does not purport to be a complete summary of the federal income tax considerations that may be relevant to the recipients of awards under the Plan, or to the Company. It also does not reflect provisions of the income tax laws of any municipality, state or foreign country in which an optionee may reside, nor does it reflect the tax consequences of recipient's death.

Unless otherwise provided in an Award Agreement with respect to a particular award, the Committee may, in its discretion, provide for the extension of the exercisability of an Award, accelerate the vesting or exercisability of an Award, eliminate or make less restrictive any restrictions contained in an Award, waive any restriction or other provision of this Plan or an Award or otherwise amend or modify an Award in any manner that is either (i) not adverse to the Participant holding such Award or (ii) consented to by such Participant. The Committee may correct any defect or supply any omission or reconcile any inconsistency in this Plan or in any Award in the manner and to the extent the Committee deems necessary or desirable to carry it into effect. References in this Plan to "permitted by the Committee" and words of similar import refer to authorization contained in the original Award Agreement or an amendment thereto or to other action by the Committee, whether of general or limited applicability or in connection with a particular exercise, Award payment or other event. Any decision of the Committee in the interpretation and administration of this Plan shall lie within its sole and absolute discretion and shall be final, conclusive and binding on all parties concerned. The express grant of any specific

Table of Contents

power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee.

Each member of the Committee shall be entitled, in good faith, to rely or act upon any report or other information furnished to him by any officer or other employee of the Company or any Subsidiary, the Company's independent certified public accountants or any executive compensation consultant, legal counsel or other professional retained by the Company or the Committee to assist in the administration of the Plan. No member of the Committee nor officer or employee of the Company to whom it has delegated authority in accordance with the provisions of Section 6 of this Plan, shall be liable for anything done or omitted to be done by him or her, by any member of the Committee or by any officer of the Company in connection with the performance of any duties under this Plan, except for his or her own willful misconduct or as expressly provided by statute. The Company shall indemnify (to the extent permitted under Massachusetts law) and hold harmless each member of the Committee and each other director or employee of the Company to whom any duty or power relating to the administration or interpretation of the Plan has been delegated against any cost or expense (including counsel fees) or liability (including any amount paid in settlement of a claim with the approval of the Committee) arising out of any action, omission or determination relating to the Plan, unless, in either case, such action, omission or determination was taken or made by such member, director or employee without good faith or the reasonable belief that it was in the best interests of the Company.

6. Delegation of Authority. The Committee may delegate to the Chief Executive Officer and to other senior officers of the Company its duties under this Plan pursuant to such conditions or limitations as the Committee may establish, except that the Committee may not delegate to any person the authority to grant Awards to, or take other action with respect to, Participants who are subject to Section 16 of the Exchange Act.

7. Awards. The Committee shall select persons to whom Awards may be granted, determine the type or types of Awards to be made to each Participant under this Plan, determine the number of Awards to be granted and the number of shares of Common Stock to which an Award will relate and determine all other terms, conditions, restrictions and conditions, including achievement of specific business objectives, increases in specified indices, attaining specified growth rates and other comparable measurements of performance goals, if any. Each Award made hereunder shall be embodied in an Award Agreement, which shall contain such terms, conditions and limitations as shall be determined by the Committee, in its sole discretion and consistent with the provisions hereof, and shall be signed by the Participant and by the Chief Executive Officer, the President or any Vice President of the Company for and on behalf of the Company. Award Agreements and the forms contained therein need not be identical for each Participant. By accepting an Award, a Participant thereby agrees that the Award shall be subject to all of the terms and provisions of the Plan and the applicable Award Agreement. Awards may consist of those listed in this Section 7. Awards may be made in combination or in tandem with, in replacement of, or as alternatives to, Awards under this Plan or any other employee plan of the Company or any of its Subsidiaries, including any incentive or similar plan of any acquired entity, or reload options automatically granted to offset specified exercises of options. The Committee shall determine the time or times at which an option may be exercised, in whole or in part, the method by which the exercise price may be paid or deemed to be paid, the form of such payment, including, without limitation, cash, Common Stock or other Awards or awards granted under other the Company plans or other property (including notes or other contractual obligations of Participants to make payment on a deferred basis, such as through cashless exercise arrangements, to the extent permitted by applicable law), and the methods by which Common Stock will be delivered or be deemed to be delivered to Participants. An Award may provide for the granting or issuance of additional, replacement or alternative Awards upon the occurrence of specified events, including the exercise of the original Award. An Award may provide that to the extent that the acceleration of vesting or any payment made to a Participant under this Plan in the event of a Change of Control of the Company is subject to federal income, excise, or other tax at a rate above the rate ordinarily applicable to like payments paid in the ordinary course of business (**Penalty Tax**), whether as a result of the provisions of Sections 280G and 4999 of the Code, any similar or analogous provisions of any statute adopted subsequent to the date hereof, or otherwise, then the Company shall be obligated to pay such Participant an additional amount of cash (the **Additional Amount**) such that the net amount received by

Table of Contents

such Participant, after paying any applicable Penalty Tax and any federal or state income tax on such Additional Amount, shall be equal to the amount that such Participant would have received if such Penalty Tax were not applicable.

(a) *Stock Option.* An Award may consist of an option to purchase a specified number of shares of Common Stock at a specified exercise price that is not less than the greater of (i) the Fair Market Value of the Common Stock on the Pricing Date and (ii) the par value of the Common Stock. The number of shares and exercise price shall be specified by the Committee. A stock option may be in the form of an NQO or an ISO. In addition to being subject to applicable terms, conditions and limitations established by the Committee, an ISO shall comply with the requirement that no ISO shall be granted with an exercise price less than 100% (110% for an individual described in Section 422(b)(6) of the Code) of the Fair Market Value of a share of Common Stock on the date of the grant and granted no more than ten (10) years after the effective date of the Plan. Anything in the plan to the contrary notwithstanding, no term of the Plan relating to ISOs shall be interpreted, amended or altered, nor shall any discretion or authority granted under the Plan be exercised, so as to qualify either the Plan or any ISO under Section 422 of the Code unless so requested by the affected Participant. Each option shall be clearly identified in the applicable Award Agreement as either an ISO or an NQO.

(b) *Stock Appreciation Right.* An Award may consist of a right to receive a payment, in cash or Common Stock, equal to the excess of the Fair Market Value or other specified valuation of a specified number of shares of Common Stock on the date the stock appreciation right (**SAR**) is exercised over a specified strike price determined by the Committee that shall be set forth in the applicable Award Agreement. The Committee shall determine the time or times at which an SAR may be exercised in whole or in part, the method of exercise, method of settlement, form of consideration payable in settlement, method by which Common Stock will be delivered or be deemed to be delivered to Participants, whether or not the SAR will be in tandem with any other Award and any other terms and conditions of any SAR.

(c) *Stock Award.* An Award may consist of Common Stock or may be denominated in units of Common Stock. All or part of any Award may be subject to restrictions on transfer and other restrictions and conditions established by the Committee and set forth in the Award Agreement, which may include, but is not limited to, continuous service with the Company and/or its Subsidiaries. Such Awards may be based on Fair Market Value or other valuations determined by the Committee. The certificates evidencing shares of Common Stock issued in connection with an Award shall contain appropriate legends and restrictions describing the terms and conditions applicable thereto, the Company may retain physical possession of the certificates and the Participant shall have delivered a stock power to the Company, endorsed in blank, relating to the Common Stock. Except to the extent restricted under the terms of the Plan and any Award Agreement relating to the Award, a Participant granted an Award shall have all of the rights of a stockholder, including, without limitation, the right to vote Common Stock issued as an Award or the right to receive dividends thereon.

(d) *Cash Award.* An Award may be denominated in cash with the amount of the eventual payment subject to future service and such other restrictions and conditions as may be established by the Committee, and set forth in the Award Agreement, including, but not limited to, continuous service with the Company and its Subsidiaries.

(e) *Other Stock-Based Awards.* The Committee is authorized, subject to limitations under applicable law, to grant such other Awards that may be denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Common Stock and factors that may influence the value of Common Stock, as deemed by the Committee to be consistent with the purposes of the Plan, including, without limitation, convertible or exchangeable debt securities, other rights convertible or exchangeable into Common Stock, purchase rights for Common Stock, Awards with value and payment contingent upon performance of the Company or any other factors designated by the Committee and Awards valued by reference to the book value of Common Stock or the value of securities of or the performance of specified Subsidiaries (**Other Stock Based Awards**). The Committee shall determine the terms and conditions of such Awards. Stock issued pursuant to an Award in the nature of a purchase right granted under this

Table of Contents

Section 7(e) shall be purchased for such consideration, paid for at such times, by such methods and in such forms, including, without limitation, cash, Common Stock, other Awards or other property, as the Committee shall determine.

(f) *Loan Provisions.* With consent of the Committee, and subject at all times to, and only to the extent, if any, permitted under and in accordance with, laws and regulations and other binding obligations or provisions applicable to the Company, the Company may make, guarantee or arrange for a loan or loans to a Participant with respect to the exercise of any option or other payment in connection with any Award, including the payment by a Participant of any or all federal, state or local income or other taxes due in connection with any Award. Subject to such limitations, the Committee shall have full authority to decide whether to make a loan or loans hereunder and to determine the amount, terms and provisions of any such loan or loans, including the interest rate to be charged in respect of any such loan or loans, whether the loan or loans are to be paid with or without recourse against the borrower, the terms on which the loan is to be repaid and conditions, if any, under which the loan or loans may be forgiven.

(g) *Performance-Based Awards.* The Committee may, in its discretion, designate any Award the exercisability or settlement of which is subject to the achievement of performance conditions as a performance-based Award subject to this Section 7(g), in order to qualify such Award as qualified performance-based compensation within the meaning of Code Section 162(m) and regulations thereunder. The performance objectives for an Award subject to this Section 7(g) shall consist of one or more business criteria, as specified by the Committee, but subject to this Section 7(g). Performance objectives shall be objective and shall otherwise meet the requirements of Section 162(m)(4)(C) of the Code. The levels of performance required with respect to such business criteria may be expressed in absolute or relative levels. Achievement of performance objectives with respect to such Awards shall be measured over a period of not less than one (1) year nor more than five (5) years, as the Committee may specify. Performance objectives may differ for such Awards to different Participants. The Committee shall specify the weighting to be given to each performance objective for purposes of determining the final amount payable with respect to any such Award. The Committee may, in its discretion, reduce the amount of a payout otherwise to be made in connection with an Award subject to this Section 7(g), but may not exercise discretion to increase such amount, and the Committee may consider other performance criteria in exercising such discretion. All determinations by the Committee as to the achievement of performance objectives shall be in writing. The Committee may not delegate any responsibility with respect to an Award subject to this Section 7(g).

(h) *Acceleration Upon a Change of Control.* Notwithstanding anything contained herein to the contrary, all conditions and/or restrictions relating to the continued performance of services and/or the achievement of performance objectives with respect to the exercisability or full enjoyment of an Award shall immediately lapse upon a Change in Control, provided, however, that such lapse shall not occur if (i) it is intended that the transaction constituting such Change in Control be accounted for as a pooling of interests under Accounting Principles Board Option No. 16 (or any successor thereto), and operation of this Section 7(h) would otherwise violate Paragraph 47(c) thereof, or (ii) the Committee, in its discretion, determines that such lapse shall not occur, provided, further, that the Committee shall not have the discretion granted in clause (ii) if it is intended that the transaction constituting such Change in Control be accounted for as a pooling of interests under Accounting Principles Board No. 16 (or any successor thereto), and such discretion would otherwise violate Paragraph 47(c) thereof.

8. *Payment of Awards.*

(a) *General.* Payment required to be made by the Company pursuant to Awards may be made in the form of cash or Common Stock or combinations thereof and may include such restrictions as the Committee shall determine, including in the case of Common Stock, restrictions on transfer and forfeiture provisions.

(b) *Deferral.* With the approval of the Committee, payments may be deferred, either in the form of installments or a future lump sum payment. The Committee may permit selected Participants to elect to defer payments of some or all types of Awards in accordance with procedures established by the Committee. Any deferred payment, whether elected by the Participant or specified by the Award Agreement or by the Committee, may be forfeited if and to the extent that the Award Agreement so provides.

Table of Contents

(c) *Dividends and Interest.* Dividends or dividend equivalent rights may be extended to and made part of any Award denominated in Common Stock or units of Common Stock, subject to such terms, conditions and restrictions as the Committee may establish. Dividend equivalent rights may be awarded on a free-standing basis or in connection with another Award. The Committee may provide that dividend equivalent rights shall be paid or distributed when accrued or shall be deemed to be reinvested in additional Common Stock, Awards or other investment vehicles, and subject to such restrictions on transferability and risks of forfeiture, as the Committee may specify. The Committee may establish rules and procedures for the crediting of interest on deferred cash payments and dividend equivalents for deferred payment denominated in Common Stock or units of Common Stock.

(d) *Substitution of Awards.* At the discretion of the Committee, a Participant may be offered an election to substitute an Award for another Award or Awards of the same or different type.

9. **Tax Withholding.** The Company shall have the right to deduct applicable taxes from any Award payment and withhold, at the time of delivery or vesting of cash or shares of Common Stock under this Plan, or from payroll or other payments to the Participant, an appropriate amount of cash or number of shares of Common Stock or a combination thereof for payment of taxes required by law or to take such other action as may be necessary in the opinion of the Committee to satisfy all obligations for withholding of such taxes. The Committee may also permit withholding to be satisfied by the transfer to the Company of shares of Common Stock theretofore owned by the holder of the Award with respect to which withholding is required. If shares of Common Stock are used to satisfy tax withholding, such shares shall be valued based on the Fair Market Value when the tax withholding is required to be made.

10. **Employment, Termination, Etc.**

(a) Nothing contained in the Plan or any Award Agreement shall confer upon any Participant any right with respect to the continuation of employment or engagement by the Company or any of its Subsidiaries or interfere in any way with the right of the Company or any of its Subsidiaries, subject to the terms of any separate agreement to the contrary, at any time to terminate such employment or service or to increase or decrease the compensation of the Participant.

(b) No person shall have any claim or right to receive an Award hereunder or require the Committee to make an Award at any time to any Participant. The Committee's grant of an Award to a Participant at any time shall neither require the Committee to grant any other Award to such Participant or other person at any time or preclude the Committee from making subsequent grants to such Participant or any other person.

(c) Upon the termination of employment or engagement of a Participant, any unexercised, deferred or unpaid Awards shall be treated as provided in the specific Award Agreement evidencing the Award. In the event of such a termination, the Committee may, in its discretion, provide for the extension of the exercisability of an Award, accelerate the vesting or exercisability of an Award, eliminate or make less restrictive any restrictions contained in an Award, waive any restriction or other provision of this Plan or an Award or otherwise amend or modify the Award in any manner that is either (i) not adverse to such Participant or (ii) consented to by such Participant.

11. **Amendment, Modification, Suspension or Termination.** The Board may amend, modify, suspend, discontinue or terminate this Plan at any time for the purpose of meeting or addressing any changes in legal requirements or for any other purpose permitted by law except that (a) no amendment or alteration that would impair the rights of any Participant under any Award previously granted to such Participant shall be made without such Participant's consent and (b) no amendment or alteration shall be effective prior to approval by the Company's stockholders if and to the extent the Board determines that such approval is appropriate for purposes of satisfying Section 162(m) or 422 of the Code or is otherwise required by law or applicable stock exchange requirements. Awards may be granted under the Plan prior to the receipt of such approval. The Board may also modify, suspend, terminate, discontinue or limit the power and authority of the Committee at any time. Except as required in Section 11(b) hereunder, unless the Board determines otherwise, no stockholder approval shall be required before any action taken by the Board pursuant to this

Table of Contents

Section 11 is effective. Nothing herein shall restrict the Committee's ability to exercise its discretionary authority pursuant to Section 5 which discretion may be exercised without amendment to the Plan.

12. *Transfer and Assignment.*

(a) Awards and other rights under the Plan will not be transferable by a Participant except by will or the laws of descent and distribution or to a Beneficiary in the event of a Participant's death. Awards shall not be pledged, mortgaged, hypothecated or otherwise encumbered, or otherwise subject to the claims of creditors, and, in the case of ISOs and SARs in tandem therewith, shall be exercisable during the lifetime of a Participant only by such Participant or his guardian or legal representative; provided, however, that such Awards and other rights (other than ISOs or SARs in tandem therewith) may be transferred to one or more Beneficiaries during the lifetime of the Participant to the extent and on such terms as then may be permitted by the Committee.

(b) Upon the death of a Participant, outstanding Awards granted to such Participant may be exercised only by the executor or administrator of the Participant's estate or by a person who shall have acquired the right to such exercise by will or by the laws of descent and distribution. No transfer of an Award by will or the laws of descent and distribution shall be effective to bind the Company unless the Committee shall have been furnished with (i) written notice thereof and with a copy of the will and/or such evidence as the Committee may deem necessary to establish the validity of the transfer and (ii) an agreement by the transferee to comply with all of the terms and conditions of the Award that are or would have been applicable to the Participant and to be bound by the acknowledgements made by the Participant in connection with the grant of the Award.

13. *The Company's Right to Engage in Certain Transactions.* The existence of this Plan or outstanding Awards shall not affect in any manner the right or power of the Company or its stockholders to make or authorize any or all adjustments, recapitalizations, reorganizations or other changes in the capital stock of the Company or its business or any merger or consolidation of the Company, or any issue of bonds, debentures, preferred or prior preference stock (whether or not such issue is prior to, on a parity with or junior to the Common Stock) or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding of any kind, whether or not of a character similar to that of the acts or proceedings enumerated above.

14. *Securities Laws.*

(a) Notwithstanding anything herein to the contrary, the Company shall not be obligated to cause to be issued or delivered any certificates evidencing Common Stock pursuant to the Plan unless and until the Company is advised by its counsel that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authority and the requirements of any securities exchange on which shares of Common Stock are traded. The Company, however, shall be under no obligation to effect the registration pursuant to the Securities Act of any interests in the Plan or any Stock to be issued hereunder or to effect similar compliance under any state laws. The Committee may require, as a condition of the issuance and delivery of certificates evidencing shares of Common Stock, that the Participant to whom such shares will be issued make such agreements and representations, and that such certificates bear such legends, as the Committee, in its sole discretion, deems necessary or desirable.

(b) The transfer of any shares of Common Stock hereunder shall be effective only at such time as counsel to the Company shall have determined that the issuance and delivery of such shares of Common Stock is in compliance with all applicable laws, regulations of governmental authority and the requirements of any securities exchange on which shares of Common Stock are traded or quoted. The Committee may, in its sole discretion, defer the effectiveness of any transfer of Common Stock hereunder in order to allow the issuance of such Common Stock to be made pursuant to registration or an exemption from registration or other methods for compliance available under federal or state securities laws. The Committee shall inform the Participant in writing of its decision to defer the effectiveness of a transfer. During the period of such deferral in connection with the exercise of an Option, the Participant may, by written notice, withdraw such exercise and obtain the refund of any amount paid with respect thereto.

Table of Contents

(c) The grant of Awards to persons who are required to file reports under Section 16(a) of the Securities and Exchange Act of 1934, as amended, shall be determined by a body constituted in accordance with, and to the extent required by, Rule 16b-3 promulgated under said Act.

15. *Unfunded Status of Awards; Creation of Trusts.* The Plan is intended to constitute an unfunded plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award shall give any such Participant any rights that are greater than those of a general creditor of the Company; provided, however, that the Committee may authorize the creation of trusts or make other arrangements to meet the Company's obligations under the Plan to deliver cash, Common Stock, other Awards or other property pursuant to any Award, which trusts or other arrangements shall be consistent with the unfunded status of the Plan unless the Committee otherwise determines with the consent of each affected Participant.

16. *Notification of Election Under Section 83(b) of the Code.* If any Participant shall, in connection with the acquisition of Common Stock under the Plan, make the election permitted under Section 83(b) of the Code (*i.e.*, an election to include in gross income in the year of transfer the amounts specified in Section 83(b)), such Participant shall notify the Company of such election within ten (10) days of filing notice of the election with the Internal Revenue Service, in addition to any filing and a notification required pursuant to regulation issued under the authority of Section 83(b) of the Code.

17. *Notification Upon Disqualifying Disposition Under Section 421(b) of the Code.* Each Participant shall notify the Company of any disposition of Common Stock issued pursuant to the exercise of an ISO under the circumstances described in Section 421(b) of the Code (relating to certain disqualifying dispositions), within ten (10) days of such disposition.

18. *Participant Rights.* No Participant shall have any claim to be granted any award under the Plan, and there is no obligation for uniformity of treatment for Participants. Except as provided specifically herein, a Participant or a transferee of an Award shall have no rights as a stockholder with respect to any shares of Common Stock covered by any Award until the date of the issuance of a certificate or certificates to him or her for such shares of Common Stock.

19. *Beneficiary.* A Participant may file with the Committee a written designation of a Beneficiary on such form as may be prescribed by the Committee and may, from time to time, amend or revoke such designation. If no designated Beneficiary survives the Participant, the executor or administrator of the Participant's estate shall be deemed to be the grantee's Beneficiary.

20. *Interpretation.* The Plan is designed and intended to comply with Rule 16b-3 and, to the extent applicable, shall constitute qualified performance based compensation within the meaning of Section 162(m) of the Code, and all provisions hereof shall be construed in a manner to so comply. Accordingly, if any provision of the Plan or any Award Agreement does not comply or is inconsistent with the requirement of Code Section 162(m), such provision shall be construed or deemed amended to the extent necessary to conform to such requirements, and no provision shall be deemed to confer upon the Committee or any other person discretion to increase the amount of compensation otherwise payable in connection with any Awards upon attainment of the performance objectives.

21. *Severability.* If any provision of the Plan is held to be invalid or unenforceable, the other provisions of the Plan shall not be affected but shall be applied as if the invalid or unenforceable provision had not been included in the Plan.

22. *Expenses and Receipts.* The expenses of the Plan shall be paid by the Company. Any proceeds received by the Company in connection with any Award will be used for general corporate purposes.

23. *Failure to Comply.* In addition to the remedies of the Company elsewhere provided for herein, failure by a Participant (or Beneficiary) to comply with any of the terms and conditions of the Plan or the applicable Award Agreement, unless such failure is remedied by such Participant (or Beneficiary or other person) within ten (10) days after notice of such failure by the Committee, shall be grounds for the

Table of Contents

cancellation and forfeiture of such Award, in whole or in part, as the Committee, in its absolute discretion, may determine.

24. ***Non-Exclusivity of the Plan.*** Neither the adoption of the Plan by the Board nor its submission to the Company's stockholders for approval shall be construed as creating any limitations on the power of the Board to adopt such other compensatory arrangements as it may deem desirable, including, without limitation, the granting of stock options otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

25. ***No Fractional Shares.*** No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine whether cash, other Awards or other property shall be issued or paid in lieu of such fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

26. ***Governing Law.*** This Plan and all determinations made and actions taken pursuant hereto, to the extent not otherwise governed by mandatory provisions of the Code or the securities laws of the United States, shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts or, if the Company is reincorporated in another state while the Plan is in effect, the laws of that state.

27. ***Effective Date of Plan.*** This Plan shall be effective on February 16, 2001, provided the Plan has been approved by the stockholders of the Company at the Annual Meeting to be held on April 26, 2001. Unless earlier terminated by the Board, the right to grant Awards under the Plan will terminate on the tenth (10th) anniversary of the Effective Date. Awards outstanding at Plan termination will remain in effect according to their terms and the provisions of the Plan.
