ARTICLE 2 GRANT AND EXERCISE OF PUT OPTION

2.01 Grant and Exercise of Put Option

(1) The OT Subsidiary hereby grants to Rio Tinto Procurement an exclusive and irrevocable option (the **Put Option**) to require the OT Subsidiary to purchase such Assets as Rio Tinto Procurement desires to transfer to the OT Subsidiary for the Reimbursement Amount in respect of such Assets subject to the terms and conditions hereof.

(2) The Put Option may be exercised in whole or in part only by Rio Tinto Procurement delivering to the OT Subsidiary a duly completed notice with respect to the exercise of the Put Option substantially in the form of Schedule B hereto (the **Put Notice of Exercise**) at any time during the Option Period. The Put Option may be exercised by Rio Tinto Procurement once only, and once the Put Notice of Exercise is delivered it may not be revoked without the written consent of the OT Subsidiary.

(3) If a Put Notice of Exercise is delivered by Rio Tinto Procurement to the OT Subsidiary, Rio Tinto Procurement shall transfer to the OT Subsidiary, and the OT Subsidiary shall acquire from Rio Tinto Procurement, such Assets as are specified by Rio Tinto Procurement in the Put Notice of Exercise for the applicable Reimbursement Amounts in respect of such Assets upon and subject to the terms and conditions of this Agreement. Such Assets shall be transferred to the OT Subsidiary free and clear of Encumbrances, other than Encumbrances (i) existing at the time such Assets were transferred by the OT Subsidiary to Rio Tinto Procurement pursuant to the Contract Assignment Arrangement Agreement or (ii) coming into existence thereafter in accordance with the terms of the corresponding Subject Contracts.

(4) The Put Option shall terminate if (a) it is not exercised by Rio Tinto Procurement on or prior to the Option Expiry Date or (b) the Approved OT Investment Contract Date has not occurred prior to October 26, 2012.

2.02 Third Party Consents

The transfer of any Assets by Rio Tinto Procurement to the OT Subsidiary upon the exercise of the Put Option will be subject to any third party consents or approvals required (including of any contract counterparties) being received on terms satisfactory to the parties hereto, acting reasonably.

ARTICLE 3 GRANT AND EXERCISE OF RIGHT OF FIRST REFUSAL

3.01 Grant and Exercise of Right of First Refusal

(1) Subject to the terms of this Article, the OT Subsidiary shall have rights of first refusal (the **ROFR**) to acquire any Assets which Rio Tinto Procurement wishes to use, sell, transfer or otherwise dispose of.

(2) If, at any time and from time to time prior to the Option Expiry Date, Rio Tinto Procurement is contemplating (i) the use by Rio Tinto Procurement and/or any of its Affiliates of any of the equipment comprising the Assets; and/or (ii) any transaction or related series of transactions involving any sale, transfer or other disposition by Rio Tinto Procurement and/or any of its Affiliates, directly or indirectly, of any of the Assets, Rio Tinto Procurement may give written notice (a **ROFR Transfer Notice**) to the OT Subsidiary, identifying the contemplated Assets to be used, sold, transferred or otherwise disposed of. For greater certainty, Rio Tinto Procurement may not use, sell, transfer or otherwise dispose of Assets in respect of which the OT Subsidiary retains the ROFR without first giving a ROFR Transfer Notice and complying with the provisions of this Article. Notwithstanding the foregoing, Rio Tinto Procurement may sell or transfer Assets to one or more of its Affiliates (and any such Affiliates may in turn sell or transfer Assets to one or more other Affiliates) without any ROFR on the part of the OT Subsidiary; provided that (i) the assignee Affiliate may not use, sell, transfer or otherwise dispose of the subject Assets (other than a further sale or transfer to another Affiliate to which the ROFR does not apply as aforesaid) without complying with this Article and (ii) not later than concurrently with any such sale or transfer the assignee Affiliate enters into an instrument agreeing to be bound by this Article, it being acknowledged and agreed by the OT Subsidiary that the assignee Affiliate shall thereafter have the Put Option in respect of the subject Assets.

(3) Upon receiving a ROFR Transfer Notice, the OT Subsidiary will have the ROFR to acquire all (but not less than all) of the Assets specified in the ROFR Transfer Notice for the applicable ROFR Amount. The OT Subsidiary may exercise the ROFR in respect of such Assets by providing written notice to Rio Tinto Procurement (or, if applicable, its Affiliate which has given the ROFR Transfer Notice) of such exercise (the **ROFR Notice of Exercise**) within 45 days of receipt by the OT Subsidiary of the ROFR Transfer Notice (the **ROFR Exercise Period**).

-5-

(4) If a ROFR Notice of Exercise is so delivered during the ROFR Exercise Period, Rio Tinto Procurement (or, if applicable, its Affiliate which has given the ROFR Transfer Notice) shall transfer to the OT Subsidiary, and the OT Subsidiary shall acquire from Rio Tinto Procurement (or, if applicable, its Affiliate which has given the ROFR Transfer Notice), such Assets as are specified in the subject ROFR Transfer Notice for the applicable ROFR Amount in respect of such Assets, upon and subject to the terms and conditions of this Agreement. Such Assets shall be transferred to the OT Subsidiary free and clear of Encumbrances, other than Encumbrances (i) existing at the time such Assets were transferred by the OT Subsidiary to Rio Tinto Procurement pursuant to the Contract Assignment Arrangement Agreement or (ii) coming into existence thereafter in accordance with the terms of the corresponding Subject Contracts.

(5) If the ROFR is not exercised in respect of the subject Assets prior to the expiry of the subject ROFR Exercise Period, or if the OT Subsidiary gives notice to Rio Tinto Procurement (or, if applicable, its Affiliate which has given the ROFR Transfer Notice) during the subject ROFR Exercise Period that it does not intend to exercise the ROFR in respect of such Assets, then the ROFR in respect of such Assets shall terminate and Rio Tinto Procurement and/or any of its Affiliates may at any time thereafter use, sell, transfer or otherwise dispose of such Assets in their absolute discretion.

(6) Subject to Section 3.03, the ROFR shall terminate upon the earlier of the Option Expiry Date and October 26, 2012.

3.02 Third Party Consents

The transfer of any Assets by Rio Tinto Procurement or its Affiliates to the OT Subsidiary upon the exercise of the ROFR will be subject to any third party consents or approvals required (including of any contract counterparties) being received on terms satisfactory to the Parties, acting reasonably.

3.03 Termination upon Breach

Upon the occurrence of an Event of Default or a material breach of any of the Transaction Documents (in respect of a material breach, after any applicable cure period has lapsed), the ROFR shall terminate with immediate effect.

3.04 Reimbursement of Costs

As consideration in respect of its rights pursuant thereto, while the OT Subsidiary retains the ROFR it shall reimburse Rio Tinto Procurement on a calendar quarterly basis for all contract management (including by Fluor Canada Ltd., Fluor Mongolia LLC and any other company within the Fluor group of companies) and administration, insurance, transport, storage and other reasonable costs (excluding payments and prepayments for the Assets themselves) incurred by Rio Tinto Procurement and any of its Affiliates in respect of the Assets (other than any Assets in respect of which the ROFR has terminated). The OT Subsidiary shall make the payment in United States dollars in respect of each quarter within 28 days of receiving a statement from or on behalf of Rio Tinto Procurement as to the items to be reimbursed and the aggregate reimbursement amount. For purposes of determining a

-6-

reimbursement amount in respect of a particular item where costs incurred by Rio Tinto Procurement or any of its Affiliates were in a currency other than U.S. dollars (the **Foreign Currency**), such reimbursement amount shall be calculated by Rio Tinto (whose calculation shall be final and binding absent manifest error) and determined by converting the amount of the Foreign Currency costs into U.S. dollars at the prevailing U.S. dollar:Foreign Currency spot exchange rate as selected by Rio Tinto on the day such costs were incurred.
