

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change to Fiscal year

(a) On February 8, 2018, the Board of Directors (the “Board”) of American Axle & Manufacturing Holdings, Inc. (the “Company”) amended and restated the Company’s Second Amended and Restated By-Laws (the “By-Laws”), effective as of such date, to implement proxy access. The Company’s proxy access provision allows eligible stockholders who comply with the requirements set forth in the By-Laws to include their own director nominees in the Company’s proxy statement along with the candidates nominated by the Board. Pursuant to the proxy access provision included as Article II, Section 11 of the By-Laws, a stockholder, or group of up to 20 stockholders, owning an aggregate of 3% or more of the Company’s outstanding capital stock continuously for at least three years, may nominate a candidate for election to the Board and, after the 2018 annual meeting of the Company’s stockholders, such candidate will be included in the Company’s proxy statement for the applicable annual meeting of the Company’s stockholders. The Company will not be required, however, to include in its proxy statement more stockholder nominees than that number constituting the greater of (i) two and (ii) 20% of the total number of directors of the Company then serving on the Board.

The amendments to the By-Laws also include other conforming changes in connection with the adoption of the proxy access provision, as well as certain other non-substantive changes. The foregoing summary of the amendments to the By-Laws is qualified in its entirety by reference to the full text of the By-Laws, a copy of which is filed as Exhibit 3.04 to this Current Report on Form 8-K and incorporated herein by reference.
