⁽¹⁾ Previously paid. These 572,455 shares were registered under the Form S-8, Registration No. 33-80580, filed on June 20, 1994 (the "1994 Form S-8"), and the \$664.83 filing fee was paid at that time. These 572,455 shares represent the maximum number of shares which remained issuable as of such filing date pursuant to the 1991 Performance Equity Plan (the "1991 Plan"), the 1992 Outside Directors Stock Option and Incentive Plan, f/k/a the 1992 Outside Directors Stock Option Plan (the "1992 Plan"), and the 1993 Nonqualified Stock Option Plan (the "1993 Plan"), which were 349,526, 100,000, and 122,929 shares, respectively.

⁽²⁾ The additional 2,544,171 shares of Common Stock to be registered represent 400,000 additional shares issued or issuable pursuant to the 1992 Plan and 2,144,171 additional shares issuable under the 1993 Plan. The maximum number of shares of Common Stock which may be issued pursuant to options granted under the 1993 Plan in any given year shall not exceed 12% of the number of shares of Common Stock outstanding as of December 31 of the preceding year, less the

number of shares of Common Stock covered by outstanding stock options issued under the Company's 1991 Plan as of December 31 of such preceding year. Accordingly, the number of shares issuable under the 1993 Plan may vary from year to year. As of the date of this Registration Statement, options have been granted under the 1993 Plan for up to 2,267,100 shares of Common Stock. This Registration Statement covers the additional 2,144,171 shares of Common Stock subject to options granted under the 1993 Plan which were not registered under the 1994 Form S-8.

⁽³⁾ In accordance with Rule 457(h) and (c), the maximum offering price and the calculation of the registration fee are based upon (i) the aggregate actual exercise price for 2,389,171 shares subject to options previously granted under the 1992 Plan and 1993 Plan, (ii) the actual issue price with respect to 84,330 shares issued under the 1992 Plan as directors' compensation, and (iii) with respect to the remaining 70,670 shares available for issuance under the 1992 Plan, on the basis of the average high and low price for the Common Stock on December 26, 2001, of \$2.67, as reported on the National Association of Securities Dealers Automated Quotation System. The following chart sets forth the calculation of the registration fee as to shares which are presently covered by outstanding options under the 1992 Plan and the 1993 Plan or previously issued under the 1992 Plan:

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant's Restated Certificate of Incorporation provides for the indemnification by the Registrant of its directors and officers to the full extent permitted by Section 145 of the General Corporation Law of the State of Delaware (or any similar provision or provisions of applicable law at the time in effect). This indemnification is not deemed exclusive of any other rights to which those seeking indemnification might be entitled under any bylaw, agreement, vote of shareholders or disinterested directors, or otherwise, both as to action in an official capacity and as to action in another capacity while holding such office. This indemnification will continue as to such person who was a director or officer of the Registrant, but has ceased to be a director or officer and inure to the benefit of the heirs, executors and administrators of such person.

Effective as of November 26, 1991, the Restated Certificate of Incorporation of the Registrant was amended to, among other things, limit the liability of its directors to the corporation or its stockholders for any monetary damages for breaches of fiduciary duty as a director. Under the Registrant's Restated Certificate of Incorporation, as amended, and as permitted under the Delaware General Corporation Law, directors are not liable to the Registrant or its stockholders for monetary damages arising from a breach of their fiduciary duties as directors. Such provision, however, does not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the Registrant or its stockholders; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; (iii) under Section 174 of the Delaware General Corporation Law (relating to liability of directors for unlawful payment of dividend or unlawful stock purchase or redemption); or (iv) for any transaction from which the director derived an improper personal benefit. The director's limitations of

Edgar Filing: PERMA FIX ENVIRONMENTAL SERVICES INC - Form S-8

liability described above may not limit a director's liability for violation of, or otherwise relieve the Registrant or its directors from the necessity of complying with, federal or state securities laws or affect the availability of equitable remedies, such as injunctive relief or rescission. However, as a practical matter, equitable remedies may not be available in all situations, and there may be instances in which no effective remedy is available at all.

Item 9. Undertakings.

The Registrant hereby undertakes:

- (a) To file, during any period in which offers or sales are being made of the securities registered hereby, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933 (the "Securities Act");
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set

forth in this Registration Statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

-5-

provided, however, that the undertakings set forth in paragraphs (a)(i) and (a)(ii) above do not apply if the Registration Statement is on Form S-3 or Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 (the "Exchange Act") that are incorporated by reference in this Registration Statement.

- (b) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) To remove from registration by means of a post-effective amendment any of the securities being registered remaining unsold at the termination of the offering.
- (d) That, for purpose of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the Securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (e) To deliver, or cause to be delivered with the prospectus, to each person to whom the prospectus is sent or given, the latest annual report to security holders that is incorporated by reference in the prospectus and furnished pursuant to and meeting the requirements of Rule 14a-3 or Rule 14c-3 under the Securities Exchange Act of 1934; and, where interim financial information required to be presented by Article 3 of Regulation S-X are not set forth in the prospectus, to deliver, or cause to be delivered to each person to whom the prospectus is sent or given, the latest quarterly report that is specifically incorporated by reference in the prospectus to provide such interim financial information.
- (f) Insofar as indemnification for liabilities rising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions of the Restated Certificate of Incorporation or Bylaws of the Registrant and the provisions of the laws of the State of Delaware described in Item 6, above, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act, and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expense incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
