Item 5. Other Events and Regulation FD Disclosure.

Enova Systems, Inc. (the "Company" or "Registrant") has entered into a Joint Venture Agreement (the "Agreement") with Hyundai Heavy Industries of Korea ("HHI") to create an advanced technology corporation (the "ATC") to be domiciled in Torrance California.

In conjunction with this Agreement, HHI and the Company have entered into a stock purchase agreement pursuant to which HHI will make a US \$3.0 million investment in the Company through the purchase of shares of the Company's authorized and unissued common stock pursuant to Regulation D promulgated under the Securities Act of 1933. This investment will be made in two installments of US\$1.5 million each. The first installment will be made upon incorporations of the ATC and in consideration for the issuance to HHI by the Company of 23,076,923 shares of the Company's common stock at a price of \$0.065 per share. The second installment of \$US1.5 million will be made one year after the first installment in a forward pricing mechanism of Enova Systems common shares which has been pre-agreed by both HHI and Enova. The Company will invest US\$1 million of each installment into the ATC in consideration for the issuance to the Company of a 40% equity interest in the ATC (the balance of the installments, in the amount of \$500,000 each, will be retained by Enova). HHI will acquire a 60% equity interest in ATC by investing US\$ 3 million in the ATC in two installments of US\$1.5 million each, to be made concurrently with the two installment payments to be paid by HHI for the Company's common stock. At the conclusion of these transactions, HHI and the Company will have invested an aggregate of US\$5 million in the ATC.
