FORWARD LOOKING STATEMENT

All information in this presentation, including forward-looking statements, is current as of the date of this presentation. Certain statements made or incorporated by reference in this presentation made by Company employees reflect management's estimates and beliefs and are intended to be Forward-Looking Statements for purposes of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are based on certain assumptions that the Company has made in light of its experience in the industry as well as its perspective of historical trends, current conditions, expected future developments and other factors it believes are appropriate under the circumstances. Actual results may differ materially from the anticipated results because of certain risks and uncertainties. In addition, the actual results for Fiscal Year 2006 are subject to audit. For a discussion of some of the important factors that could cause the Company's results to differ from those expressed in, or implied by, the following forward-looking statements, please refer to the Company's reports and other documents filed with the Securities and Exchange Commission. The Company does not undertake any obligation to update such forward-looking statements. This presentation includes certain non-GAAP financial measures, which exclude significant items and therefore have material limitations. Reconciliations of such non-GAAP measures to the most comparable GAAP financial measures are set forth in the footnotes or Appendix hereto.
