Item 1. Description of Registrant's Securities to be Registered.

On February 24, 2018, the Board of Directors of HRG Group, Inc. (the "**Company**") declared a dividend of one preferred share purchase right (a "**Right**") for each outstanding share of Common Stock, par value \$0.01 per share (the "**Common Shares**"), payable on March 8, 2018 (the "**Record Date**") to the stockholders of record on that date. Each Right entitles the registered holder to purchase from the Company one one-thousandth of a share of Series B Preferred Stock, par value \$0.01 per share (the "**Preferred Shares**"), of the Company, at a price of \$71.55 per one one-thousandth of a Preferred Share represented by a Right (the "**Purchase Price**"), subject to adjustment. The description and terms of the Rights are set forth in a Rights Agreement (the "**Rights Agreement**"), dated as of February 24, 2018, between the Company and American Stock Transfer & Trust Company, LLC, a limited liability trust company, as Rights Agent. Capitalized terms used but not defined in this summary have the meanings ascribed to such terms in the Rights Agreement.

The Rights Agreement is intended to, among other things, discourage an "ownership change" within the meaning of Section 382 of the Internal Revenue Code of 1986, as amended, and thereby preserve the current ability of the Company to utilize certain net operating loss carryovers and other tax benefits of the Company and its subsidiaries.

*The Rights*

Initially, the Rights will be attached to shares of HRG Common Stock and no separate certificates evidencing the Rights will be issued. Until the Distribution Date (as defined below), which may or may not occur, the Rights will be transferred with and only with the shares of HRG Common Stock. As long as the Rights are attached to the shares of HRG Common Stock, HRG will issue one Right with each new share of HRG Common Stock so that all such shares will have Rights attached.

Until the earlier to occur of (i) 10 days following a public announcement that a Person or group of Affiliated or Associated Persons (other than an Exempt Person) has acquired Beneficial Ownership of 4.9% or more of the outstanding Common Shares (an "**Acquiring Person**") (or, in the event an exchange is effected in accordance with Section 24 of the Rights Agreement and the Board of Directors determines that a later date is advisable, then such later date) or (ii) 10 business days (or such later date as may be determined by action of the Board of Directors prior to such time as any Person becomes an Acquiring Person) following the commencement of a tender offer or exchange offer the consummation of which would result in the Beneficial Ownership by a Person or group of 4.9% or more of the outstanding Common Shares (the earlier of such dates, the "**Distribution Date**"; provided however, notwithstanding anything in the Rights Agreement to the contrary, a Distribution Date shall not occur as a result of the Merger Agreement and the transactions contemplated thereby), the Rights will be evidenced, with respect to any of the Common Share certificates outstanding as of the Record Date, by such Common Share certificate with a copy of the Summary of Rights to Purchase Preferred Shares substantially in the form attached as Exhibit C to the Rights Agreement (unless such Rights are recorded in book entry).

A Person shall not be deemed to be an Acquiring Person if such Person is (i) the Company, (ii) any Subsidiary of the Company, (iii) CF Turul LLC, Leucadia National Corporation, or any of their respective Subsidiaries, (iv) any employee benefit plan of the Company or of any Subsidiary of the Company, (v) any entity holding Common Shares for or pursuant to the terms of any such employee benefit plan or (vi) any Person who or which, at the time of the first public announcement of the Rights Agreement, is a Beneficial Owner of 4.9% or more of the Common Shares of the Company then outstanding (a “**Grandfathered Stockholder**”); *provided, however*, that if a Grandfathered Stockholder becomes, after the date of the Rights Agreement, the Beneficial Owner of any additional Common Shares then such Grandfathered Stockholder shall no longer be deemed to be a Grandfathered Stockholder unless, upon such acquisition of Beneficial Ownership of additional Common Shares, such Person is not the Beneficial Owner of 4.9% or more of the Common Shares then outstanding; *provided, further*, that upon the first decrease of a Grandfathered Stockholder’s Beneficial Ownership below 4.9%, such Grandfathered Stockholder shall no longer be deemed to be a Grandfathered Stockholder. For the avoidance of doubt, in the event that after the time of the first public announcement of the Rights Agreement, any agreement, arrangement or understanding pursuant to which any Grandfathered Stockholder is deemed to be the Beneficial Owner of Common Shares expires, terminates or no longer confers any benefit to or imposes any obligation on the Grandfathered Stockholder, any direct or indirect replacement, extension or substitution of such agreement, arrangement or understanding with respect to the same or different Common Shares that confers Beneficial Ownership of Common Shares shall be considered the acquisition of Beneficial Ownership of additional Common Shares by the Grandfathered Stockholder and render such Grandfathered Stockholder an Acquiring Person for purposes of the Rights Agreement unless, upon such acquisition of Beneficial Ownership of additional Common Shares, such Person is not the Beneficial Owner of 4.9% or more of the Common Shares then outstanding.

In general, “**Beneficial Ownership**” shall include any securities such Person or any of such Person’s Affiliates or Associates (a) would be deemed to actually or constructively own for purposes of Section 382 of the Code or the Treasury Regulations promulgated thereunder, including any coordinated acquisition of securities by any Persons who have a formal or informal understanding with respect to such acquisition (to the extent ownership of such securities would be attributed to such Persons under Section 382 of the Code and the Treasury Regulations promulgated thereunder), (b) beneficially owns, directly or indirectly, within the meaning of Rules 13d-3 or 13d-5 promulgated under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), (c) has the right to acquire or vote pursuant to any agreement, arrangement or understanding (except under limited circumstances), (d) which are directly or indirectly beneficially owned by any other Person with which such Person has any agreement, arrangement or understanding for the purpose of acquiring, holding or voting such securities, or obtaining, changing or influencing control of the Company or (e) in respect of which such Person has a Derivative Position.

The Rights Agreement provides that, until the Distribution Date, the Rights will be transferred with and only with the Common Shares. Until the Distribution Date (or earlier redemption or expiration of the Rights), new Common Share certificates issued after the Record Date or upon transfer or new issuance of Common Shares will contain a notation incorporating the Rights Agreement by reference. Until the Distribution Date (or earlier redemption or expiration of the Rights), the surrender for transfer of any certificates for Common Shares outstanding as of the Record Date, even without such notation or a copy of this Summary of Rights being attached thereto, will also constitute the transfer of the Rights associated with the Common Shares represented by such certificate. As soon as practicable following the Distribution Date, separate certificates evidencing the Rights (“**Right Certificates**”) will be mailed to holders of record of the Common Shares as of the Close of Business on the Distribution Date, and such separate Right Certificates alone will evidence the Rights (unless such Rights are recorded in book entry).

The Rights are not exercisable until the Distribution Date. The Rights will expire on the earlier of (i) the Close of Business on the one-year anniversary date of the date of the Rights Agreement and (ii) the Close of Business on the date which is 60 days following the termination of that certain Agreement and Plan of Merger dated as of February 24, 2018, by and among the Company, Spectrum Brands Holdings, Inc., HRG SPV Sub I, Inc. and HRG SPV Sub II, LLC, in accordance with its terms (the “**Final Expiration Date**”).

The Purchase Price payable, and the number of Preferred Shares or other securities or property issuable, upon exercise of the Rights is subject to adjustment from time to time to prevent dilution (i) in the event of a stock dividend on, or a subdivision, combination or reclassification of, the Preferred Shares; (ii) upon the grant to holders of the Preferred Shares of certain rights or warrants to subscribe for or purchase Preferred Shares at a price, or securities convertible into Preferred Shares with a conversion price, less than the then current market price of the Preferred Shares; or (iii) upon the distribution to holders of the Preferred Shares of evidences of indebtedness or assets (excluding regular periodic cash dividends paid out of earnings or retained earnings or dividends payable in Preferred Shares) or of subscription rights or warrants (other than those referred to above).

The number of outstanding Rights and the number of Preferred Shares issuable upon exercise of each Right are also subject to adjustment in the event of a stock split of the Common Shares or a stock dividend on the Common Shares payable in Common Shares or subdivisions, consolidations or combinations of the Common Shares occurring, in any such case, prior to the Distribution Date.

Preferred Shares purchasable upon exercise of the Rights will not be redeemable. Each Preferred Share will be entitled to a quarterly dividend payment of 1,000 multiplied by the dividend declared per Common Share. In the event of liquidation, the holders of the Preferred Shares will be entitled to a payment per share equal to 1,000 multiplied by the aggregate payment made per Common Share. Each Preferred Share will have 1,000 votes, voting together with the Common Shares. In the event of any merger, consolidation or other transaction in which Common Shares are exchanged, each Preferred Share will be entitled to receive 1,000 multiplied by the amount received per Common Share.

Because of the nature of the dividend, liquidation and voting rights of the Preferred Shares, the value of the one one-thousandth of a Preferred Share purchasable upon exercise of each Right should approximate the value of one Common Share.

From and after the time any Person becomes an Acquiring Person, if the Rights evidenced by a Right Certificate are or were acquired or Beneficially Owned by an Acquiring Person or an Associate or Affiliate of an Acquiring Person, such Rights shall become void, and any holder of such Rights shall thereafter have no right to exercise such Rights.

Exempt Persons and Transactions

The Board of Directors may, in its sole and absolute discretion, determine that a Person is exempt from the Rights Agreement, consistent with the preservation of the Company's tax benefits (an "Exempt Person"). Any Person will cease to be an Exempt Person if the Board makes a contrary determination with respect to such Person regardless of the reason therefor.

In addition, any acquisition, disposition or other transfer by Leucadia, Fortress or their respective subsidiaries is exempted from triggering the Rights Agreement, and the Board may, in its sole and absolute discretion, determine any other transaction is exempt from triggering the Rights Agreement, including, for the avoidance of doubt, the transactions contemplated by Merger Agreement.

Flip-in Event

If any Person becomes an Acquiring Person, proper provision shall be made so that each holder of a Right, other than Rights Beneficially Owned by the Acquiring Person and its Affiliates and Associates (all of which will thereafter be void), will thereafter have the right to receive upon exercise such number of Common Shares of the Company as shall equal the result obtained by dividing the then current Purchase Price by 50% of the then Current Per Share Market Price of the Company's Common Shares. If the Board of Directors so elects, the Company shall deliver upon payment of the Purchase Price of a Right an amount of cash or securities equivalent in value to the Common Shares issuable upon exercise of a Right.

Flip-over Event

If, at any time after a Person becomes an Acquiring Person, the Company is acquired in a merger or other business combination transaction or 50% or more of its consolidated assets or Earning Power (as defined in the Rights Agreement) are sold, proper provision will be made so that each holder of a Right will thereafter have the right to receive, upon the exercise thereof at the then current Purchase Price of the Right, that number of shares of common stock of the acquiring company equal to the result obtained by dividing the then current Purchase Price by 50% of the then Current Per Share Market Price of the Common Shares of the Acquiring Person.

Exchange

At any time after any Person becomes an Acquiring Person and prior to the acquisition by any Person or group of a majority of the outstanding Common Shares, the Board of Directors may exchange the Rights (other than Rights owned by such Person or group which have become void), in whole or in part, at an exchange ratio of one Common Share per Right (subject to adjustment). The shares and other securities transferred as part of the exchange may be transferred to a trust created upon such terms as the Board of Directors of the Company may determine.

Purchase Price Adjustments

With certain exceptions, no adjustment in the Purchase Price will be required until cumulative adjustments require an adjustment of at least 1% in such Purchase Price. No fractional Preferred Shares will be issued (other than fractions which are integral multiples of one one-thousandth of a Preferred Share, which may, at the election of the Company, be evidenced by depositary receipts), and in lieu thereof, an adjustment in cash will be made based on the market price of the Preferred Shares on the last trading day prior to the date of exercise.

Redemption

At any time prior to the time any Person becomes an Acquiring Person, the Board of Directors may redeem the Rights in whole, but not in part, at a price of \$0.00001 per Right (the “**Redemption Price**”). The redemption of the Rights may be made effective at such time, on such basis and with such conditions as the Board of Directors in

its sole discretion may establish. Immediately upon any redemption of the Rights, the right to exercise the Rights will terminate and the only right of the holders of Rights will be to receive the Redemption Price.

Amendment

The terms of the Rights may be amended by the Board of Directors without the consent of the holders of the Rights. However, from and after such time as any Person becomes an Acquiring Person, the Rights Agreement shall not be amended or supplemented in any manner which would adversely affect the interests of the holders of Rights (other than an Acquiring Person and its Affiliates and Associates).

Rights of Holders

Until a Right is exercised, the holder thereof, as such, will have no rights as a stockholder of the Company, including the right to vote or to receive dividends.

The foregoing description of the Rights Agreement is qualified in its entirety by reference to the full text of the Rights Agreement, which is incorporated herein by reference. A copy of the Rights Agreement has been filed as Exhibit 1 to this Registration Statement.
