PROXY STATEMENT

GENERAL

This Proxy Statement is furnished to the holders of common stock, par value \$0.01 per share (the 'Common Stock'), of The Knot, Inc., a Delaware corporation ('The Knot'), in connection with the solicitation by the Board of Directors (the 'Board') of The Knot for use at the annual meeting of stockholders and at any adjournment or postponement of the annual meeting (the 'Annual Meeting'). The Annual Meeting will be held at the offices of Proskauer Rose, LLP, 1585 Broadway, 23rd Floor, New York, New York 10036 on Thursday, May 13, 2004 at 9:00 a.m. All stockholders of record on March 31, 2004 will be entitled to notice of and to vote at the Annual Meeting. We intend to mail this Proxy Statement and the accompanying proxy (the 'Proxy') to our stockholders on or about April 15, 2004.

The mailing address of our principal executive office is 462 Broadway, 6th Floor, New York, New York 10013.

PURPOSE OF MEETING

The specific proposals to be considered and acted upon at the Annual Meeting

Edgar Filing: KNOT INC - Form DEF14A

are summarized in the accompanying Notice of Annual Meeting of Stockholders (collectively, the 'Proposals'). Each Proposal is described in more detail in this Proxy Statement.

VOTING

On March 31, 2004, the record date for determination of stockholders entitled to vote at the Annual Meeting, there were 21,995,987 shares of Common Stock outstanding held by stockholders of record. A list of stockholders eligible to vote at the Annual Meeting will be available for inspection at the Annual Meeting and, while the stock transfer books remain open prior thereto, during regular business hours at our principal executive office at the address specified above. You are entitled to one vote for each share of Common Stock you hold on March 31, 2004.

The holders of a majority of the stock issued and outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum at the Annual Meeting. Abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present at the Annual Meeting. 'Broker non-votes' are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted because instructions have not been received from the beneficial owner with respect to a particular matter for which the broker or nominee does not have discretionary power to vote.

If a quorum is present, the two nominees who receive the greatest number of votes properly cast (in person or by proxy) will be elected as directors for terms expiring in 2007. Neither abstentions nor broker non-votes will have any effect on the outcome of voting with respect to the election of directors. Stockholders may not cumulate votes for the election of directors.

Proposals other than for the election of directors shall be approved by the affirmative vote of the holders of a majority of the shares of the Common Stock present at the Annual Meeting, in person or by proxy, and entitled to vote thereon. Abstentions will be counted towards the tabulations of votes cast on these proposals presented to the stockholders and will have the same effect as negative votes, whereas broker non-votes will not be counted for purposes of determining whether such a proposal has been approved.

Under the General Corporation Law of the State of Delaware, stockholders are not entitled to dissenter's rights with respect to any matter to be considered and voted on at the Annual Meeting, and The Knot will not independently provide stockholders with any such right.

PROXIES

If the enclosed form of proxy is properly signed and returned, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If the proxy does not specify how the shares represented thereby are to be voted, the proxy will be voted FOR the election of the directors proposed by the Board, FOR the ratification of Ernst & Young LLP as The Knot's independent auditors, and as the proxy holders deem advisable for all other matters as may properly come before the Annual Meeting.

Any person giving a Proxy has the power to revoke it at any time before its exercise. It may be revoked by:

Edgar Filing: KNOT INC - Form DEFR14A

notifying the Secretary of The Knot in writing before the Annual Meeting;

delivering to the Secretary of The Knot before the Annual Meeting a signed proxy with a later date; or

attending the Annual Meeting and voting in person.

SOLICITATION

We will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the Proxy and any additional soliciting materials furnished to stockholders. Copies of solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward the solicitation materials to such beneficial owners. In addition, we may reimburse such persons for their costs of forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by solicitation by telephone or other means by our directors, officers, employees or agents. No additional compensation will be paid to these individuals for any such services. Except as described above, we do not presently intend to solicit proxies other than by mail.

PROPOSAL 1 ELECTION OF DIRECTORS

The Knot's Amended and Restated Certificate of Incorporation, as amended (the 'Certificate of Incorporation'), provides for a classified Board consisting of three classes of directors serving staggered three year terms. These classes are required to be as nearly equal in number as possible. Our Amended and Restated Bylaws provide for a Board consisting of such number of directors as may be fixed from time to time by resolution of the members of the Board or by our stockholders at an annual meeting of stockholders. Two directors are to be elected at the Annual Meeting for a term expiring at the 2007 annual meeting of stockholders or until a successor has been duly elected and qualified.

The Board has nominated Sandra Stiles and Joseph Brehob to stand for re-election to the class of directors whose term expires at the 2007 annual meeting of stockholders or until a successor is elected and has qualified. Each person nominated for re-election has agreed to serve if elected, and management has no reason to believe that any nominee will be unavailable to serve. In the event any of the nominees are unable or decline to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be designated by the present Board to fill the vacancy. Unless otherwise instructed, the proxy holders will vote the proxies received by them 'FOR' the nominees named below.

BUSINESS EXPERIENCE OF NOMINEES FOR ELECTION TO TERMS EXPIRING IN 2007

CORPORATE GOVERNANCE

Overview. The Board of Directors has implemented a number of corporate governance enhancements to further strengthen the Board's capacity to oversee The Knot and to serve the long-term interests of its stockholders. The Knot's corporate governance policies, Board committee charters, codes of conduct and other documents setting forth The Knot's corporate governance practices can be accessed in the 'Investor Relations -- Corporate Governance' section of The Knot's website at www.theknot.com.

Director Independence. In February 2004, the Board of Directors undertook its annual review of director independence. As a result of this review, the Board affirmatively determined that a majority of its directors (Mr. Brehob, Mr. Ronning and Ms. Winblad) are independent as defined by rule 4200 of the NASDAQ Stock Market (the 'NASDAQ') and rule 10A-3 promulgated by the Securities and Exchange Commission (the 'SEC').

Edgar Filing: KNOT INC - Form DEFR14A

Presiding Director. In March 2004, the Board of Directors created a new position of Presiding Director. The Presiding Director's primary responsibilities include presiding over periodic executive

3

sessions of the non-employee members of the Board of Directors and performing other duties that the Board may from time to time delegate to assist it in the fulfillment of its responsibilities. The non-employee members of the Board have determined that they will each serve in this position on a rotating basis from meeting to meeting.

Codes of Conduct. The Board has adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees, and a Code of Ethics for the Chief Executive Officer and Senior Financial Officers. Both codes of conduct can be accessed in the 'Investor Relations -- Corporate Governance' section of The Knot's website at www.theknot.com, as well as any amendments to, or waivers under, the Code of Ethics for the Chief Executive Officer and Senior Financial Officers. Copies may be obtained by writing to The Knot, Inc. at 462 Broadway, 6th Floor, New York, New York 10013, Attention: Investor Relations. The purpose of these codes of conduct and ethics is to promote honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships; to promote full, fair, accurate, timely and understandable disclosure in periodic reports required to be filed by The Knot; and to promote compliance with all applicable rules and regulations that apply to The Knot and its officers, directors and employees.

COMMUNICATING WITH THE BOARD OF DIRECTORS

In order to communicate with the Board of Directors as a whole, with non-employee directors or with specified individual directors, correspondence may be directed to The Knot, Inc. at 462 Broadway, 6th Floor, New York, New York 10013, Attention: Corporate Secretary. All such correspondence will be forwarded to the appropriate director or group of directors.

BOARD MEETINGS AND COMMITTEES

The Board met a total of six times and acted by written consent three times during the year ended December 31, 2003. The Board has a Compensation Committee and an Audit Committee.

The Compensation Committee is currently composed of Mr. Ronning and Ms. Winblad. The Compensation Committee met a total of two times and acted by written consent once during the year ended December 31, 2003. The Compensation Committee evaluates performance and establishes and oversees executive compensation policy and makes decisions about base pay, incentive pay and any supplemental benefits for the Chief Executive Officer and our other Executive Officers. The Compensation Committee also administers our stock incentive plans and approves the grant of stock options, the timing of the grants, the price at which the options are to be offered and the number of shares for which options are to be granted to our executive officers, directors and other employees. The Compensation Committee also performs other duties and responsibilities as set forth in a Charter approved by the Board of Directors.

The Audit Committee is currently composed of Ms. Winblad, Mr. Brehob and Mr.

Edgar Filing: KNOT INC - Form DEFR14A

Ronning. The Audit Committee met five times in 2003. The Audit Committee appoints our independent auditors, subject to ratification by our stockholders, reviews the plan for and the results of the independent audit, approves the fees of our independent auditors, reviews with management and the independent auditors our quarterly and annual financial statements and our internal accounting, financial and disclosure controls, reviews and approves transactions between The Knot and its officers, directors and affiliates and performs other duties and responsibilities as set forth in a Charter approved by the Board of Directors.

Each member of the Compensation Committee and the Audit Committee is independent, as independence is defined by the listing standards of the NASDAQ and the applicable rules and regulations of the SEC. The Board has also determined that each member of the Audit Committee has the ability to read and understand financial statements and that Ms. Winblad and Mr. Ronning qualify as Audit Committee financial experts as defined by the rules of the SEC. The Compensation Committee and Audit Committee Charters can be accessed in the 'Investor Relations -- Corporate Governance' section of The Knot's website at www.theknot.com.

Each director attended at least 75% of the aggregate of (i) the total meetings of the Board and (ii) the total number of meetings held by all Committees of the Board on which he or she served, that

4

were held in 2003. The Knot's policy on director attendance at annual meetings calls for directors to be invited but not required to attend annual meetings of stockholders. One director, Mr. Liu, our Chairman of the Board, attended the 2003 Annual Meeting of Stockholders.

The Board of Directors does not have a standing nominating committee or committee performing similar functions. The Board has determined that it was appropriate not to have a nominating committee because of the relatively small size of the Board. The Board has affirmed, by resolution in February 2004, that a majority of the independent directors of the Board will recommend nominees for director. The independent directors of the Board, in carrying out the nomination function, will not operate under a charter. As disclosed above, each of the independent directors of the Board, who will carry out the nomination function, is independent, as independence is defined by the listing standards of NASDAQ. The independent directors of the Board intend to consider director nominees on a case-by-case basis, and therefore, have not formalized any specific, minimum qualifications that they believe must be met by a director nominee, identified any specific qualities or skills that they believe are necessary for one or more of our directors to possess, or formalized a process for identifying and evaluating nominees for director, including nominees recommended by stockholders.

The Board of Directors has determined, in connection with the Board's nomination function described above, that it is the policy of the independent directors acting in such capacity to consider director candidates that are recommended by stockholders. The independent directors will evaluate nominees for director recommended by stockholders in the same manner as nominees recommended by other sources. Stockholders wishing to bring a nomination for a director candidate before a stockholders meeting must give written notice to The Knot's Corporate Secretary, pursuant to the procedures set forth under 'Communicating with the Board of Directors' and subject to the deadline set

Edgar Filing: KNOT INC - Form DEF14A

forth under 'Deadline for Stockholder Proposals.' The stockholder's notice must set forth all information relating to each person whom the stockholder proposes to nominate that is required to be disclosed under applicable rules and regulations of the SEC and The Knot's bylaws. The Knot's bylaws can be accessed in the 'Investor Relations -- Corporate Governance' section of The Knot's website at www.theknot.com.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of our Compensation Committee during the year ended December 31, 2003 were Mr. Ronning and Ms. Winblad.

Mr. Ronning is the Executive Vice President of Affiliate Relations, iQVC, and New Business Development at QVC. On April 13, 1999, we sold 4,000,000 shares of our Series B Preferred Stock at a price of \$3.75 per share to QVC. QVC paid an aggregate of \$15.0 million for the shares of Series B Preferred Stock and received a warrant to purchase 1,700,000 shares of our Common Stock at an exercise price of \$5.00 per share. The Series B Preferred Stock converted into Common Stock on a one-for-one basis and the warrant became exercisable upon our initial public offering of Common Stock. The warrant expired unexercised on December 2, 2001. The Common Stock has been assigned to QVC Interactive Holdings, LLC (now known as Interactive Technology Holdings, LLC). We also entered into a services agreement with QVC, which we believe is on terms and conditions no less favorable to us than we could have obtained from unaffiliated third parties. Our services agreement with QVC expired in December 2003; however, pursuant to the agreement, we had the option to continue to operate under the services agreement for an additional 180 days, which we are currently doing. For the years ended December 31, 2003, 2002 and 2001, we purchased merchandise and incurred warehousing, fulfillment and distribution and billing costs under the agreement in the aggregate amounts of \$123,000, \$118,000 and \$128,000, respectively.

DIRECTOR COMPENSATION

We reimburse our directors for travel and other out-of-pocket costs incurred in connection with their attendance at meetings of the Board. In addition, our 1999 Stock Incentive Plan (the '1999 Plan') provides that each eligible non-employee director will automatically receive an immediately exercisable option to purchase 15,000 shares of Common Stock upon the director's initial election or appointment

to the Board. Each 15,000-share option will vest in a series of three (3) successive annual installments upon the optionee's completion of each year of Board service over the three-year period measured from the option grant date. The 1999 Plan also provides that, on the date of each annual meeting of stockholders, each non-employee Board member who is to continue to serve as a non-employee Board member will automatically be granted an immediately exercisable option to purchase 5,000 shares of Common Stock. Each annual 5,000-share option will vest upon the optionee's completion of one (1) year of Board service measured from the option grant date. Any shares of common stock purchased under these options are subject to repurchase by us, at the exercise price paid per share, upon a director's cessation of board service prior to vesting in those shares. Any outstanding repurchase rights automatically terminate in the event we are acquired by merger, asset sale or sale of more than 50% of our voting securities by the stockholders. The exercise price per

Edgar Filing: KNOT INC - Form DEF14A

share in effect for options granted to directors under the 1999 Plan is the closing sale price of the Common Stock on the grant date.

On May 14, 2003, the date of our last Annual Meeting of Stockholders, Mr. Brehob, Mr. Ronning and Ms. Winblad each received an automatic grant to purchase 5,000 shares of Common Stock. The exercise price per share in effect under these options is \$1.80, the fair market value per share of the Common Stock on the grant date. These options vest upon completion of one year of Board service.

VOTE REQUIRED

The affirmative vote of a plurality of the shares of Common Stock present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the election of directors. The two nominees for the class of directors whose terms expire at the 2007 annual meeting of stockholders receiving the highest number of affirmative votes of the stockholders entitled to vote at the Annual Meeting will be elected a director of The Knot. Pursuant to applicable Delaware law, abstentions and broker non-votes will have no effect on the outcome of the vote. Unless otherwise instructed, the proxyholders will vote each returned Proxy 'FOR' the nominees named above.

RECOMMENDATION OF THE BOARD

THE BOARD OF DIRECTORS RECOMMENDS A VOTE 'FOR' THE NOMINEES LISTED ABOVE.

PROPOSAL 2 RATIFICATION OF INDEPENDENT AUDITORS

The Audit Committee of The Board of Directors has reappointed the firm of Ernst & Young LLP, independent auditors for The Knot during the fiscal year ended December 31, 2003, to serve in the same capacity for the year ending December 31, 2004, and is asking the stockholders to ratify this appointment. Representatives of the firm of Ernst & Young LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

The appointment of independent auditors is made annually by the Audit Committee and subsequently submitted to the stockholders for ratification. Before making its appointment of Ernst & Young LLP, the Audit Committee carefully considered that firm's qualifications as independent auditors for the Company. This included a review of its performance in prior years, as well as its reputation for integrity and competence in the fields of accounting and auditing. The Committee has expressed its satisfaction with Ernst & Young LLP in all of these respects.

FEES

Audit Fees. The aggregate fees billed by Ernst & Young LLP for professional services rendered for the audit of our annual financial statements, the reviews of the financial statements included in our quarterly reports on Form 10-Q and for other attest services, primarily consents related to SEC registration statements, were \$308,500 and \$326,000 for 2003 and 2002, respectively.

Tax Fees. The aggregate fees billed by Ernst & Young LLP for tax compliance, tax consulting and tax planning services were \$136,540 and \$50,400 for 2003 and 2002, respectively.

Edgar Filing: KNOT INC - Form DEFR14A

Audit -- Related Fees. No services were rendered by Ernst & Young during 2003 and 2002 other than those described above.

All Other Fees. No services were rendered by Ernst & Young during 2003 and 2002 other than those described above.

PRE-APPROVAL POLICIES AND PROCEDURES

The Audit Committee pre-approves all audit and permissible non-audit services and has considered whether the provision of the services covered by the category 'Tax Fees' is compatible with maintaining the independence of Ernst & Young LLP. The Audit Committee has authorized each of its members to pre-approve audit, audit-related, tax and non-audit services, provided that such approved service is reviewed with the full Audit Committee at its next meeting.

As early as practicable in each fiscal year, Ernst & Young provides to the Audit Committee a schedule of the audit and other services that they expect to provide or may provide during the year. The schedule will be specific as to the nature of the proposed services, the proposed fees, and other details that the Audit Committee may request. The Audit Committee will by resolution authorize or decline the proposed services. Upon approval, this schedule will serve as the budget for fees by specific activity or service for the year.

A schedule of additional services proposed to be provided by Ernst & Young or proposed revisions to services already approved, along with associated proposed fees, may be presented to the Audit Committee for their consideration and approval at any time. The schedule will be specific as to the nature of the proposed service, the proposed fee, and other details that the Audit Committee may request. The Audit Committee will by resolution authorize or decline authorization for each proposed new service.

VOTE REQUIRED

The affirmative vote of a majority of the stockholders represented and voting at the Annual Meeting will be required to ratify the selection of Ernst & Young LLP. In the event the stockholders fail to ratify the appointment, the Audit Committee will reconsider its selection. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent accounting firm at any time during the year if the Audit Committee believes that such a change would be in The Knot's and our stockholders' best interests.

RECOMMENDATION OF THE BOARD

THE BOARD OF DIRECTORS RECOMMENDS A VOTE 'FOR' THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP TO SERVE AS THE KNOT'S INDEPENDENT AUDITORS FOR THE YEAR ENDING DECEMBER 31, 2004.

REPORT OF THE AUDIT COMMITTEE

The charter of the Audit Committee of the Board of Directors was revised in March 2003 and specifies that the purpose of the Committee is to assist the Board of Directors in its oversight of:

The integrity of The Knot's financial statements;

The adequacy of The Knot's system of internal accounting and financial controls;

The appointment, engagement and performance of the independent auditors and

Edgar Filing: KNOT INC - Form DEFR14A

the evaluation of the independent auditors' qualifications and independence; and

The Knot's compliance with legal and regulatory requirements.

In discharging its responsibilities, the Committee is not itself responsible for the planning or the performance of audits, or for any determination that The Knot's financial statements are complete and accurate, or in accordance with generally accepted accounting principles. Management is responsible for the preparation, presentation, and integrity of The Knot's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by The Knot. The

7

Knot's independent auditors, Ernst & Young, LLP ('Ernst & Young') are responsible for auditing The Knot's financial statements and for reviewing The Knot's unaudited interim financial statements.

The Committee met five times during fiscal 2003. The Committee's meetings included separate discussions with management and Ernst & Young.

As part of its oversight of The Knot's financial statements, the Committee reviewed and discussed with both management and Ernst & Young all annual financial statements and quarterly operating results prior to their issuance. Management represented to the Committee that each set of financial statements reviewed had been prepared in accordance with generally accepted accounting principles. The Committee discussed with Ernst & Young the matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Communication with Audit Committees), including the quality of The Knot's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Committee also discussed with Ernst & Young the critical accounting policies and practices used in the preparation of The Knot's annual consolidated financial statements and whether there were any audit problems.

The Committee discussed with Ernst & Young that firm's independence from The Knot and management. The Committee obtained and reviewed the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and provided to the Committee by Ernst & Young. The Committee also discussed with Ernst and Young:

The firm's internal quality control procedures;

Any material issues raised by the most recent internal quality control review (or peer review) of the firm; and

All relationships between the firm and The Knot.

The Committee reviewed and pre-approved the fees for services rendered by Ernst & Young for fiscal 2003 and considered whether the provision of non-audit services by Ernst & Young in 2003 was compatible with maintaining the auditors' independence.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in The Knot's Annual

Edgar Filing: KNOT INC - Form DEFR14A

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee offers this report regarding compensation inblad for The Knot's Executive Officers and Chief Executive Officer.

General Compensation Policy. The fundamental policy of the Compensation Committee is to provide The Knot's Executive Officers with competitive compensation opportunities based upon their contribution to The Knot's development and financial success and their personal performance. The Committee, with this objective in mind, recommends to the Board compensation packages for the Executive Officers designed to retain and attract top quality management and to encourage them to contribute to the achievement of The Knot's business objectives. In addition, the Committee attempts to establish compensation packages that are comparable to the packages received by executives of comparable businesses through a review of the executive compensation levels of a comparison group of companies including information compiled from the proxy statements of these companies. The comparison group is less inclusive than the indices in the performance graph, which includes a large number of companies. The Committee believes this smaller group of companies gives a more accurate indication of the market for executive services in which The Knot competes.

Executive Officers are compensated with a combination of salary and incentives designed to encourage efforts to achieve both the short-term and long-term goals of The Knot. The compensation structure attempts to reward both individual contributions as well as The Knot's overall performance. The principal factors which the Committee considered with respect to each Executive Officer's compensation package for fiscal 2003 are summarized below. The Committee may, however, in its discretion apply entirely different factors in advising the Chief Executive Officer and the Board with respect to executive compensation for future years.

The basic components of the compensation packages for the Executive Officers include the following:

- o Base Salary
- o Annual Incentives
- o Long-Term Incentives

Base Salary. The base salary for each Executive Officer is determined on the basis of the following factors: experience, personal performance, the median salary levels in effect for similar positions within the comparison group of companies and internal base salary comparability considerations. The weight given to each of these factors differs from individual to individual, as the Committee deems appropriate. Base salaries are generally reviewed on an annual basis, with adjustments made in accordance with the factors indicated above. In addition, in reviewing annual adjustments, the Committee takes into account the Knot's performance in the fiscal year then ended.

Annual Incentives. The incentive compensation of Executive Officers is closely related to The Knot's performance. A portion of the cash compensation of Executive Officers consists of contingent compensation. Bonus awards may be based on, among other things, performance objectives and goals that are tailored to the responsibilities and functions of key executives. The Committee also may consider other factors and circumstances that affect specific performance objectives and goals or otherwise impact The Knot. For 2003, the Committee approved incentive bonuses to the Executive Officers in the aggregate amount of \$423,000 based on the actual financial performance of The Knot compared to designated corporate objectives.

Long-Term Incentive Compensation. Long-term incentives are provided through grants of stock options. The grants are designed to align the interests of each Executive Officer with those of The Knot's stockholders and provide each individual with a significant incentive to manage The Knot from the perspective of an owner with an equity stake in the company. Each option grant allows the individual to acquire shares of Common Stock at a fixed price per share (generally, the market price on the grant date) over a specified period of time (up to ten years). Each option generally becomes exercisable in installments over periods ranging from 2 to 4 years, contingent upon the Executive Officer's continued employment with The Knot. Accordingly, the option grant will provide a return to the Executive Officer only if the Executive Officer remains employed during the vesting period, and then only if the market price of the underlying shares appreciates. The Committee considered each executive's level of responsibility and opportunity to influence The Knot's financial results, comparable awards made to executives in similar positions within the comparison group of companies and the number of vested and unvested options held by each executive at the time of the new grant. As reflected in the summary compensation table, the Executive Officers were granted an aggregate of 410,000 options during 2003. These options vest over a period of three years.

CEO Compensation. The plans and policies discussed above were the basis for the 2003 compensation of the Chief Executive Officer, Mr. David Liu. In advising the Board with respect to Mr. Liu's compensation, the Committee seeks to achieve two objectives: (i) establish a level of base salary competitive with that paid by the comparison group of companies and by those companies with which The Knot

Edgar Filing: KNOT INC - Form DEFR14A

may compete for executive talent and (ii) make a significant percentage of the total compensation package contingent upon The Knot's financial performance and stock price appreciation. In accordance with these objectives, Mr. Liu received a base salary of \$294,166 and an incentive bonus of \$144,820 for fiscal 2003. Mr. Liu currently holds a total of 291,945 stock options, of which 140,834 are unvested as of March 31, 2004. Mr. Liu's incentive bonus for 2003 was based on the actual financial performance of The Knot compared to designated corporate objectives.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to publicly held companies for compensation exceeding \$1 million paid to certain of the corporation's Executive Officers. The limitation applies only to compensation which is not considered to be performance-based. The non-performance based compensation paid to the Executive Officers for the 2003 fiscal year did not exceed the \$1 million limit per officer, nor is it expected that the non-performance based compensation to be paid to the Executive Officers for fiscal year 2004 will exceed that limit. Because it is very unlikely that the cash compensation

15

payable to any of the Executive Officers in the foreseeable future will approach the \$1 million limit, the Committee has decided at this time not to take any other action to limit or restructure the elements of cash compensation payable to the Executive Officers. The Committee will reconsider this decision should the individual compensation of any Executive Officer ever approach the \$1 million level.

STOCK PERFORMANCE GRAPH

The graph below compares the yearly percentage change in The Knot's cumulative total stockholder return on the Common Stock with the cumulative total return of (i) the Nasdaq Stock Market-United States Index and (ii) the Russell 2000 Index. We compare the total return on the Common Stock with the Russell 2000 Index because we do not believe we can reasonably identify a peer group consisting of issuers similar to The Knot for purposes of the stock performance comparison. Although the graph would normally be for a five-year period, the Common Stock began trading publicly on December 2, 1999 and, as a result, the following chart commences as of such date.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

RELATIONSHIP WITH QVC

On April 13, 1999, we sold 4,000,000 shares of our Series B Preferred Stock at a price of \$3.75 per share to QVC. QVC paid an aggregate of \$15.0 million for the shares of Series B Preferred Stock and received a warrant to purchase 1,700,000 shares of our Common Stock at an exercise price of \$5.00 per share. The Series B Preferred Stock converted into Common Stock on a one-for-one basis and the warrant became exercisable upon our initial public offering of Common Stock. The warrant expired unexercised on December 2, 2001. The Common Stock has been assigned to QVC Interactive Holdings, LLC (now known as Interactive Technology Holdings, LLC). We also entered into a services agreement with QVC, which we believe is on terms and conditions no less favorable to us than we could have obtained from unaffiliated third parties. Our services agreement with QVC expired in December 2003; however, pursuant to the agreement, we had the option to continue to operate under the services agreement for an additional 180 days, which we are currently doing. For the years ended December 31, 2003, 2002 and 2001, we purchased merchandise and incurred warehousing, fulfillment and distribution and billing costs under the agreement in the aggregate amounts of \$123,000, \$118,000 and \$128,000, respectively. Randy Ronning, a member of our Board, has been the Executive Vice President of Affiliate Relations, iQVC and New Business Development of QVC since January 2001.

RELATIONSHIP WITH MAY DEPARTMENT STORES COMPANY

On February 19, 2002, we entered into a Common Stock Purchase Agreement (the 'Agreement') with May Bridal Corporation ('May Bridal'), an affiliate of May Department Stores Company ('May'), pursuant to which we sold 3,575,747 shares of Common Stock to May Bridal for \$5,000,000 in cash. The agreement provides that if we propose to sell, transfer or otherwise issue any Common or Preferred Stock or other interest convertible into Common Stock ('equity interests') to any third party (other than shares previously reserved or certain shares which shall be reserved for future issuance pursuant to Stock Incentive Plans approved by the Board of Directors or stockholders of The Knot) and which transaction would dilute May Bridal's interest in the Common Stock or voting power of The Knot prior to the transaction by more than one percentage point, then we shall offer May Bridal the right to acquire a similar equity interest, on the same terms and conditions as offered to the third party, in such amount as to preserve its percentage interest in the Common Stock and voting power of The Knot. If we propose to acquire any equity interest from a third party, which transaction would result in May Bridal's interest in the Common Stock or voting power of The Knot exceeding 20%, then we shall offer to acquire equity interests from May Bridal on the same terms as offered to the third party, to permit May Bridal to own less than 20% of the Common Stock or voting power of The Knot after the transaction. In addition, under an amendment to the Agreement dated November 11, 2003, so long as May Bridal owns more than 10% of the Common Stock or voting power of The Knot, May Bridal shall have the right to designate one member of our Board of Directors and to nominate and submit such person for election by the stockholders of The Knot. Joseph Brehob, a member of our Board designated by May Bridal, has been the Vice President of Internet Marketing of May Department Stores Company since January 2001. May Bridal waived its right to acquire equity interests in connection with our sale of Common Stock in November 2003 (2,800,000 shares), to two institutional investor groups for gross proceeds of \$10,500,000.

On February 19, 2002, we entered into a Media Services Agreement with May pursuant to which The Knot and May will develop an integrated marketing program to promote and support May department store companies which offer wedding registry services. The Media Services Agreement, as amended, has an initial term of three years, which may be extended under certain conditions, and may be renewed by May for up to three additional one-year terms. For the years ended December 31, 2003 and 2002, we recorded revenues under the Media Services Agreement in the amounts of \$253,000 and \$151,000, respectively.

MISCELLANEOUS

The Certificate of Incorporation eliminates, subject to certain exceptions, directors' personal liability to The Knot or our stockholders for monetary damages for breaches of fiduciary duties. The Certificate of Incorporation does not, however, eliminate or limit the personal liability of a director for (i) any breach of the director's duty of loyalty to The Knot or our stockholders, (ii) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) unlawful payments of dividends or unlawful stock repurchases or redemptions as provided in Section 174 of the Delaware General Corporation Law or (iv) for any transaction from which the director derived an improper personal benefit.

Our Amended and Restated Bylaws provide that we shall indemnify our

directors and executive officers to the fullest extent permitted under the Delaware General Corporation Law, and may indemnify our other officers, employees and other agents as set forth in the Delaware General Corporation Law. In addition, we have entered into indemnification agreements with our directors and officers. The indemnification agreements contain provisions that require us, among other things, to indemnify our directors and executive officers against certain liabilities (other than liabilities arising from intentional or knowing and culpable violations of law) that may arise by reason of their status or service as our directors or executive officers or other entities to which they provide service at our request and to advance expenses they may incur as a result of any proceeding against them as to which they could be indemnified. We believe that these provisions and agreements are necessary to attract and retain qualified directors and officers. We have obtained an insurance policy covering our directors and officers for claims that such directors and officers may otherwise be required to pay or for which we are required to indemnify them, subject to certain exclusions.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires The Knot's officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% stockholders are required by SEC regulations to furnish us with copies of all reports they file pursuant to Section 16(a).

Based solely on a review of (i) the copies of such reports furnished to The Knot and (ii) the written representations received from one or more of such reporting persons or entities that no annual Form 5 reports were required to be filed by them for 2003, we believe that, during 2003, all Section 16(a) filing requirements applicable to our officers, directors and greater than 10% stockholders were satisfied in a timely manner, except that Interactive Technology Holdings, LLC filed a Form 4 on May 22, 2003 and Hummer Winblad Equity Partners III, L.L.C. filed a Form 5 on February 11, 2004 disclosing indirect beneficial ownership with respect to options granted to Randy Ronning and Ann Winblad, respectively, our directors, on May 14, 2003 (which transactions were required to have been reported with two business days of such date).

The following forms relating to transactions in prior fiscal years were not filed timely by the individuals or entities listed, but instead were filed during 2003: David Liu -- Form 5 for 2002 reporting one open-market sale by his wife, Form 5 for 2001 reporting one option grant for himself and two option grants for his wife, Form 5 for 2000 reporting one option grant; Sandra Stiles -- Form 5 for 2001 reporting one option grant, Form 5 for 2000 reporting one option grant; Richard Szefer -- Form 5 for 2001 reporting one option grant, Form 5 for 2000 reporting one option grant; Joseph Brehob -- Form 5 for 2002 reporting two option grants; Randy Ronning -- Form 5 for 2002 reporting one option grant; Interactive Technology Holdings, LLC -- Form 4 for July 2001 reporting indirect beneficial ownership with respect to an option grant to Randy Ronning, Form 5 for 2002 reporting indirect beneficial ownership with respect to an option grant to Randy Ronning.

The proxy solicited by the Board of Directors for the annual meeting of stockholders to be held in 2005 will confer discretionary authority to vote as the proxy holders deem advisable on any stockholder proposal which is considered untimely.
